Yes Hon. Athman Mwamwiri.

Hon. Athman Mwamwiri: Thank you Mr. Speaker Sir. Mr. Speaker Sir I beg to give notice of the following Motion;

(Hon. Athman Mwamwiri moved Notice of Motion)

THAT AWARE that the County government is mandated with the responsibility of County health services under Part 2 and 13 of the Fourth Schedule of the Constitution of Kenya 2010;

FURTHER AWARE that the National and County governments have constructed rehabilitation centres in the County to combat drug abuse;

NOTING THAT Mombasa County has witnessed a spike in the number of youth abusing drugs which has led to the increase of criminal gangs in the County;

CONCERNED THAT rehabilitation centres constructed by the County government lacks youth friendly health services and facilities to combat the scourge of drugs in the County;

I therefore urge this Assembly to **RESOLVE** that:

1. The County government to come up with youth friendly health services meant to address the problem of drug abuse and addiction.
2. The County Government should construct at least one rehabilitation centre in each Sub-County to cater for drug addicts.

Mr. Speaker Sir I seek leave of the House for this Motion to be debated with amendments.

The Deputy Speaker: I now put a question as the Hon. Member is seeking for the leave of the House that the Motion be debated but with amendments.

(Question put and agreed to)

Yes Clerk?

STATEMENT

Yes Hon. Chief Whip?

Chief Whip (Hon. Kitula): Hon. Speaker Pursuant to Standing Order 41 (2) (c), I rise to seek a Statement from the Chairperson, Committee on Transport, Infrastructure and Public Works on the installation of high mast light at Uwanja wa Soja in Frere Town Ward. Hon. Speaker there are very few high mast lights in Frere Town Ward and those that exist are not fully operational. As a result, cases of insecurity have been reported for instance at Uwanja wa Soja where residents have been robbed and even some killed by criminal gangs. Hon. Speaker, in the Statement the Chairperson should inquire into and report on:

- a) Status of high mast lights in Frere Town Ward;
- b) The measures that the County government is taking in order to fix the problem.
- c) Installation of high mast light at Uwanja wa Soja in order to improve the security situation in the area.

Thank you, Mr. Speaker.

The Deputy Speaker: Yes any Member from the Transport Committee, Hon. Kibwana.

Hon. Kibwana Swaleh: Thank you Hon. Speaker, being a Member of the Committee I think I have the responsibility to ask for this Hon. House since this issue has been coming up and down every now and then you will be able to give me time so that we will give a full report but we are not talking only on the place the Chief Whip has said, Uwanja wa Soja but also we have other areas that we still have the same same problem so we want to consolidate...

(Interruption)

The Deputy Speaker: But the Hon. Member has raised a Statement on Uwanja wa Soja so if there is another Member who got issues with the other parts we will ask the House or the Committee to respond so just be on line with the Statement from the mover.

Hon. Kibwana Swaleh: Thank you Hon. Speaker for your guidance. I will only ask for time so that we give him a response, I think if I will be straight to the issue we will be able to answer him on Wednesday Hon. Speaker in the afternoon thank you.

The Deputy Speaker: Next order?

MOTION**PROMOTION OF YOUTH FRIENDLY HEALTH SERVICES AND FACILITIES TO COMBAT THE SCOURGE OF DRUGS IN THE COUNTY**

Hon. Mwamwiri?

Hon. Athman Mwamwiri: Thank you Mr. Speaker Sir I beg to move the following Motion;

(Hon. Athman Mwamwiri moved the Motion)

THAT AWARE that the County government is mandated with the responsibility of County health services under Part 2 and 13 of the Fourth Schedule of the Constitution of Kenya 2010;

FURTHER AWARE that the Mombasa County has insufficient youth and friendly health facilities and poor environment for a drug through generation which is a cause for rejuvinal criminal gangs emerging in our County;

NOTING THAT Mombasa County has witnessed a spike in the number of youth abusing drugs which has led to the increase of criminal gangs in the County;

CONCERNED THAT rehab centres constructed by the County Government lacks friendly and health services and facilities to combat the scourge of drugs in the County; I therefore urge this Hon. House to **RESOLVE** that:

1. The County Government to come up with youth friendly health services meant to address the problem of drug abuse and addiction by training Community Health Workers to communicate and counsel the youth engaged.
2. The County Government should construct at least one rehabilitation centre in each Sub-County to cater for drug addicts.
3. Train the drug recovery on entrepreneurship skills and provide a start-up capital and job opportunities.

I ask Hon. Bwire to second.

Hon. Bwire: I stand to second Mr. Speaker. Thank you.

The Deputy Speaker: I propose a question that the Motion on promotion of youth friendly health facilities and services to combat drug abuse be debated in this Hon. House.

(Question proposed and agreed to)

Yes Hon. Mwameiri.

Hon. Athman Mwamwiri: Ahsante Mheshimiwa Spika, tukizingatia ya kwamba Kaunti yetu ya Mombasa ni miongoni mwa Kaunti zenye idadi kubwa ya vijana wanaotumia mihadarati, tunajua juhudi ya Mheshimiwa Gavana ya kuweka baadhi ya hospitali kituo cha kupeana *methadone* ama dawa za kupunguza *arost* kwa watumizi lakini mazingira yale hayajatosheleza kukabiliana na suala sugu ambalo vijana wetu wanapitia. Ni kwa hali hiyo Mheshimiwa Spika ndio ninawaomba Wabunge wenzangu wa Bunge hili tuhakikishe katika mazingira yale yaliyoko sasa kwanza yanaboreshwa kwa kufanyiwa mafunzo wale wahudumu wa afya wa kijamii au CHWs waweze kusaidiana na madaktari wetu katika taasisi zile katika hali ya kupeana ushauri nasaha kwa vijana wetu na ndugu zetu ambao wako katika janga hili la mihadarati. Kadhalika Mheshimiwa Spika ni jukumu la Kaunti yetu kuweza kujenga taasisi moja ya kurekebisha tabia ama kurekebisha utumizi wa madawa katika kila *Sub County* tukizingatia suala hili halipo tu katika *Sub County* moja bali *Sub County* zote sita za Mombasa ziko na donda sugu hili la utumizi wa mihadarati na vijana wetu kuhusika katika masuala la uvunjifu wa sheria kwa sababu ya kutafuta pesa ya haraka kuweza kujikimu katika masuala ya madawa.

Mheshimiwa Spika wapo baadhi ya vijana wetu waliojitahidi kuepuka masuala haya ama janga hili la utumizi wa mihadarati lakini mwisho wa siku wamejipata wakirudia masuala yale yale kwa sababu ya mazingira hayajabadilika. Hivyo basi Kaunti yetu kadhalika izingatie wale ndugu zetu walioepukana na masuala ya kutumia mihadarati kwa kuwapa mafunzo ya kibiashara na kuwekeza na hali kadhalika kupitia kwa Wizara ya Vijana na Jinsia, Utamaduni na Michezo kuwatengea kima cha kuwaanzisha miradi yao na biashara kwa sababu tunatambua suala nzima la ajira ni changamoto katika Kaunti yetu na Kenya kwa jumla. Kwa kuzingatia hayo ataepukana na mazingira yale ya kukaa bure bwerere na kuwa na shughuli ya kujikimu ili kuiendesha familia yake. Mheshimiwa Spika hoja hii hailengi tu sehemu yangu ni janga ambalo linatukabili sote kama Kaunti na taifa kwa jumla hivyo basi ni wajibu wa Bunge hili nikiwaomba Waheshimiwa wenzangu kwa heshima na taadhima wazingatie vizazi vinavyokuja iwapo hatutarekebisha mazingira yaliyoko sasa hivi, sasa hivi idadi ya harusi pia Kaunti yetu zimepungua kwa sababu baadhi ya watumizi wa mihadarati wamepoteza ari na hamu ya kujiingiza katika shughuli nzima ya ndoa kwa kuzingatia nguvu zimeisha na mihadarati hiyo.

(Applause)

Kwa kunasua vijana wetu Mheshimiwa Spika itakuwa tumenasua jamii kwa jumla na watakuwa na sababu ya kutukumbuka kwao kama Bunge la pili la Jiji la Mombasa ama Kaunti ya Mombasa kwamba tuliwazingatia, kuwathamini na kuwapatia nafasi nyengine katika jamii. Kwa hayo mengi Mheshimiwa Spika naomba Waheshimiwa wenzangu tuweze kuiunga mkono na kuipitisha hoja hii. Ahsante Mheshimiwa Spika.

(Applause)

The Deputy Speaker: Yes Hon. Fatuma Kushe.

Hon. (Ms.) Fatuma Swaleh: Ahsante sana Mheshimiwa Spika kwa kunipa fursa hii. Mimi pia nashukuru lakini nimesimama hapa kupinga vikali hoja ilioletwa na Mheshimiwa Mwamwiri; kwanza kabisa katika mazungumzo yake nimemsikia akisema ndoa zinavunjika mimi nafikiri katika idadi ya watu ambao wanajazana hapa kwa Chifu Kadhi ni wengi sana, kwa hivyo vijana wetu wako sawa na vijana wetu wanaoa.

(Applause)

Na la pili Mheshimiwa Spika mimi nafikiri kama Kaunti ya Mombasa tumejitahidi sana kwanza kitengo cha afya manake akisema hivi mimi nasimama na uchungu sana, kitengo cha afya sisi tumejitahidi kwa hali na mali...

(Applause)

Nafikiri kuna *rehab* hapa kuna Mwembe Tayari, kuna nyengine Wodi ya Frere Town kwa Mheshimiwa Kitula na kuna nyengine ambayo iko katika mikakati Mheshimiwa Spika ambayo iko hapa hospitali ya Coast General. Kwa hivyo Mheshimiwa Spika mtu kabla hajaleta hoja yake kwanza afuate Kamati husika aweze kukaa na sisi ili tuweze kumueleza mambo yanayostahili na kando na hivyo ningekuomba Mheshimiwa Spika kwa heshima na taadhima Kamati ya Afya ndio Kamati ambayo sijasahau ndio ilioweza kwenda Dar Es Salaam.

Huko ikaweza kuleta mambo ya *Methadone*. Nakuomba Mheshimiwa Spika kwa heshima na taadhima utufanyie mipango Kamati hii iweze tena kwenda Tanzania iweze kuleta mambo zaidi na mipango kabambe kuhusu haya mambo ya kutumia mihadarati. Ahsante sana Mheshimiwa Spika.

The Deputy Speaker: Yes Hon. Kombe Nzai?

Hon. Nzai: Ahsante sana Mheshimiwa Spika kwa kunipa nafasi hii mwanzo nachukua fursa hii kuwajulisha Waheshimiwa wenzangu kwamba wageni walio hapo juu basi ni wanangu mimi na...

(Applause)

(Silence)

Ahsante sana Mheshimiwa Spika pole kwa mambo ambayo nilikuwa narekebisha hapa jinsi ya kusimama maana maumbile yangu kidogo...

(Laughter)

Yanatofautiana na wenzangu lakini ndio hivyo. Mwanzo nafahamisha Bunge hili kwamba wageni walio hapo juu basi ni wanangu kutoka Wodi ya Kadzandani na ile ndio shule Mheshimiwa Spika ambayo ukinisikia nahimiza sana mambo ya basari ndio shule ambayo kwa Wodi yangu ndio inatoa majibu mazuri sana. Kwa hivyo ni watoto wenye bidii na nampongeza Madam na walimu wake pale. Mimi nasimama Mheshimiwa Spika...

(Interruption)

The Deputy Speaker: There's a point of order, yes Hon. Hatimy?

Hon. Mohamed Hatimy: Mr. Speaker I think the Hon. Member is bringing a Motion on top of a Motion Mr. Speaker Sir.

The Deputy Speaker: Yes Hon. Nzai, proceed.

Hon. Nzai: Ahsante Mheshimiwa Spika...

(Interruption)

The Deputy Speaker: Hope it is not another Motion.

Hon. Nzai: ...ilikuwa ni *introduction* kwamba najulisha wageni walio juu ni wangu kwa hivyo haikuwa naleta Mswada bali ilikuwa ninafahamisha Bunge hili kwamba wageni waliopo hapa juu ni wanangu mimi, kwa hiyo hii si Mswada tafadhali Mheshimiwa Hatimy. Mimi nasimama kupongeza Mswada huu, ninafahamu vyema kwamba Kamati ya Afya imefanya kazi nzuri sana katika kuongelelea mambo ya afya kwa pamoja lakini Mswada huu unaongelelea juu ya *youth friendly, youth friendly* inamaanisha ni urafiki kuwa na ukaribu na vijana wetu. Mswada huu Mheshimiwa Spika mimi nasema umekuja kwa wakati mzuri sana kwa sababu Mheshimiwa Gavana wetu amejibidiisha sana, amejenga viwanda vingi na amejenga hizi vituo lakini bado tunahitaji vituo vingi vya kufanya urafiki.

(Applause)

...Na vijana wetu. Mfano mtu anapokunywa *methadone* anakuwa hali ya kisawa kidogo lakini anapokuwa *idle* anarudi katika hali ile, hivi Mheshimiwa Spika ikiwa Kaunti hii itakuja na mpango wa kudumisha kiwanja kizuri sehemu kama za Mwakirunge kiwe *multipurpose centre* ninaamini kwamba atakayetumia *methadone* pale kutakuwa na uwezekano kumpeleka pale akale zoezi kali tena apewe maziwa pale na kumbadilisha fikra zake kwa pamoja.

(Applause)

...tukizungumzia juu ya urafiki na vijana wetu Mheshimiwa Spika haimanishi kwamba Mheshimiwa huyu ameleta hoja hii kusema kwamba Kamati ya Afya haina kazi la mimi namaanisha kwamba Mheshimiwa huyu ameleta hoja hii kama tuongezea sisi ile bidii yetu kwa hivyo nasimama kupongeza hoja hii Mheshimiwa Spika. Ahsante.

The Deputy Speaker: Hon. Tobias Samba.

Hon. Samba: Thank you Mr. Speaker for at least noticing me I have not struggled for you to notice me. Hon. Speaker the Motion that has been brought before us by Hon. Member Mwamwiri I think he has a reason and genuine reason as to why he has come up with the Motion. Mostly the affected areas are Kisauni, Likoni and of late my Ward has been also affected and Hon. Member who rose to oppose the Motion maybe she was not aware that you are going to give her a chance to talk to you, you caught her unawares so I would request next time you give her a chance when she is aware.

(Applause)

Hon. Speaker, if you can look at the resolution the Member is considering that we have youth friendly health services, youth friendly. Most of the time we have few rehabilitation centres and when we hosted a delegation from Kiambu at least they gave us some challenges that in their rehabilitation centres they have set aside programmes for the rehabilitated youth so that they may not go back to the drug thing. Hon. Speaker the drug issue is a very serious issue and even the National government has tried so far but we came to realize that all this things can be solved when we devolve them to the local level and that is why whoever who came up with the issue of devolution, he was so bright for him to introduce that leadership, when we start from bottom that is when we can solve all these issues Hon. Speaker we need to have more rehabilitation centres. Hon. Speaker, we need to have programs after rehabilitation centres and that is why the Hon. Members have come up with the youth friendly activities and youth friendly centres whereby after that they must not go back to drugs again. Hon. Speaker the Sub-County should at least construct a rehabilitation centre for each and every Ward, the County government after that we should have the youth friendly activities. Even in the Governor's speech point number 1, when the Governor was presiding over the opening ceremony speech number 1 tackled rehabilitation centres Hon. Speaker and of late we have tried to reduce and we do not want to try, we want to reduce it completely and that is why I together with Hon. Members who were sober and who will be sober we advocate and we beg to support this Motion. Thank you so much.

(Applause)

The Deputy Speaker: Yes Hon. Shebe Athman.

Hon. Shebe Salim: Ahsante sana Mheshimiwa Spika kwa kunitia machoni, nachukua fursa hii kuweza kuchangia Mswada huu ulioletwa hapa mbele na Mheshimiwa Mwamwiri. Yangu Mheshimiwa Spika naomba *mic* tafadhali. Ahsante Mheshimiwa Spika utaniwia radhi kidogo kwa sababu maumbile yangu ya twiga siku zote yananipa mtihani. Naam, nikirudi kwa mjadala huu, napenda kuiunga mkono na nitaelezea sababu za kimsingi, sababu gani mimi nauunga mkono hoja hii iliyoletwa mbele na Mheshimiwa.

Mheshimiwa Spika asilimia kubwa ya Kenya nzima ni vijana, vijana wanawakilisha asilimia kubwa takriban sabini katika idadi ya wananchi wa Kenya lakini je hawa vijana wanaangaliwa kwa mtazamo gani? Vijana ndio wameathirika katika mpango mzima wa athari za madawa ya kulevya. Shida ni nini, tutawasaidia vipi ama watasaidikaje hawa vijana Mheshimiwa Spika ili kuweza kujinasua katika hili lindi la mashaka ya madawa ya kulevya. Kwanza tuangalie tatizo ama mzizi uko wapi; tutautatua ama tutakabiliana nao namna gani, na hawa vijana ambao wameathirika Mheshimiwa Spika tutaweza vipi kuweza kuwabadilisha tabia?

Naunga mkono hoja hii kwa sababu Mheshimiwa Spika licha ya kuwa kuna vituo vya kuweza kubadilisha hali ya ki afya na kitabia kwa vijana lakini ni haba, havijatosha; natoa mfano eneo ninaloliwakilisha mimi la Jomvu Kuu Wodi sina kituo hata kimoja cha kuweza kubadilisha hawa vijana wanaoathirika na madawa ya kulevya na si kama kana hawako, wa tele Mheshimiwa Spika. Mimi nagharamika Mheshimiwa Spika bila kuona haya kwa Waheshimiwa wenzangu niko na vijana wanne ambao mimi huwagharamikia tikiti na chakula cha mchana kutoka Jomvu mpaka Hospitali kuu ya Mkoa, Makadara wanapata matibabu yao pale. Kwangu mfuko wangu Mheshimiwa Spika unavuja kwa hivyo mimi naiunga hoja hii mkono kuwa ziweze kupanuliwa hizi asasi za kuweza kubadilisha vijana wetu tabia na sikubadilisha tu, je baada tushabadilisha hawa vijana watafanywa nini? Tuangalie katika serikali yetu ya Kaunti vipi wanaweza kuchukuliwa wakajumuishwa aidha ki ajira ama katika mradi.

Tunamshukuru Gavana ana kitengo kizuri cha kuweza kutoa pesa kwa vijana ili kuweza kujisaidia kimiradi Mheshimiwa Spika waweze kupatiwa kipao mbele, waangalie vipi wataweza kujisaidia maana yake kubadilisha ama kutibu haitoshi peke yake, tuiangalie sababu gani imewafanya hawa vijana wameingia katika shida hii? Kwa hivyo baada washatibiwa ni kazi ama ni biashara, kwa hivyo mimi nashukuru Mheshimiwa Spika naunga mkono hoja hii. Ahsante sana Mheshimiwa Spika.

(Applause)

The Deputy Speaker: Hon. Lucy Chizi.

Hon. (Ms.) Chireri: Ahsante sana Mheshimiwa Spika nimekuja huku ili unione zaidi kule ulikuwa hunioni. Mheshimiwa Spika mimi ningeenda kuipinga vikali hoja hii. Mheshimiwa Spika naipinga hoja hii vikali nikimpongeza Gavana wetu 001 kwa kazi ambayo alifanya kupambana na jambo la hii mihadarati, Gavana wetu amejizatiti zaidi. Sababu ya kupinga mjadala huu Mheshimiwa Spika aliyelea hoja hii amesahau chombo muhimu, unajua Mheshimiwa Spika sisi tunanga'ng'ana vijana wetu tunawarekebisha, wanaregelea, wakitoka kule wakirudi manyumbani jambo hili wanaliregelea. Kwa nini huyu mwenye kuleta haya madawa hashikwi Mheshimiwa Spika? Ombi alilolileta Mheshimiwa angekuwa ameongeza wenye kuleta madawa washikwe watafutwe ndio madawa ya kulevya yatakoma, lakini naona hawa watu Mheshimiwa Spika bado twawabembeleza wanakuwa matajiri kwa sababu ya kuumiza watoto wetu, vijana wetu wa leo ni wazee wa kesho lakini hakuna uzee tena Mheshimiwa Spika.

Kwa hivyo mimi nimepinga na machungu wenye madawa ya kulevya waweze kushikwa na kuhukumiwa vifungo vya maisha Mheshimiwa Spika...

(Applause)

Ahsante sana Mheshimiwa Spika

The Deputy Speaker: Yes Hon. Robert Nyiro.

Hon. Nyiro: Ahsante sana Mheshimiwa Spika bado nasikia kucheka maana Mheshimiwa Lucy amenifurahisha zaidi. Mimi naomba nichangie na kuchangia kwangu ni kwa sababu Mheshimiwa Mwamwiri amesema kwamba anaomba Waheshimiwa watilie maanani yale mambo ambayo ameyazingatia na marekebisho sasa katika pale kwa marekebisho ndio mimi nataka kuingililia kati nasema wengi wanaolalama na kutaka kupinga na nia ya kupinga wanaona kwamba hakuna kazi inayofanyika kwa sababu tukishawarekebisha kidogo baadae tunawaachilia huru. Nafikiri tungechukua mfano wa magereza, magereza pia nayo yanafanya mfumo ule ule wa kurekebisha tabia lakini wanavyofanya magereza ni kwamba kule ukifika kwenye gereza kuna viwanda. Katika vile viti ambavyo Wabunge wetu wanakelia vimeundwa magerezani kama sijakosea na ikiwa tukichukua mfumo ule magereza wanafanya manake pia nao wanarekebisha tabia itakuwa kwamba baada ya kuweka pale tuwapatie zile *methadone* kisha baadae wakirudi *sober* kidogo tuwaachilie mitaani. Ni vizuri katika ile njia ya kuboresha ama ile hali ya kuwaleta sawa nafikiri tuwaweke bizi kuwaweke hali ambayo itawapatia ujuzi ili akisharekebisha akitoka pale ana ujuzi angalau wa kuweza kuweka stima nyumba, wa kuweza kushika kijiko cha kujenga akuwe *mason* ajenge ama ya kuweza kushika randa itakuwa ni bora zaidi akisharudi kisawa sawa sana sana wakiwa wanatumia zile dawa hamu ya kula huwa haipo na kama hamu haiko pale inakuwa ni ule unga tu lakini ukimrekebisha hamu inamrudia na lazima nguvu zirudi ili aweze kujitafutia uchumi wake.

Kwa hivyo yale marekebisho ninayozungumzia nafikiri tukishawapatia zile dawa katika vile vile vituo vya kurekebisha ama kuwasaidia tuweke na vifaa ambavyo tutakuwa pia tunawapatia mafunzo ama ujuzi ili kuanzia pale pae akiwa ameanza kurekebisha akionekana kwamba tayari ameanza kuwa na nguvu za kushika randa wapatiwe *materials* ama vifaa waweze kuanza kuingizwa katika ujuzi wa kutengeza vitu na zile *furniture* zinunuliwe na taasisi za serikali ili kuwatia motisha ya kwamba yale wanayofanya ni kweli yanaweza yakaleta manufaa na watakuwa wameacha kabisa. Hivyo basi moja kwa moja Mswada huu ni mzuri na tujaribu kuwaboresha vituo pia tuviweke na zile viwanda ambazo watakuwa wanakuwa bizi kutengeneza kujipatia ujuzi itakuwa ni bora zaidi Mheshimiwa Spika. Kwa hilo naunga mkono Mswada huu.

(Applause)

The Deputy Speaker: Yes Hon. Thoya.

Hon. Thoya: Ahsante, ahsante sana Bwana Spika mimi nasimama kuweza kupeana kongole kwa aliokuja na Mswada huu na tofauti yake na Mswada ambao tumeweza upitisha kama Bunge asubuhi ni ndogo tu sana. Mimi nafikiri ingechanganywa kwamba vile vyuo anuwai na hivyo vituo viwe karibu karibu tena sana. Yaani wakati mtu amerekebisha akirekebisha tunampeleka kwa hiyo kituo inaitwa TVET anasomea randa, anasomea mambo ya moto anatoka akiwa yuko sawa. Kwa sababu ni lazima twende kinyume na ile kawaida ya huko nyuma, tumempeleka *rehab* anafanyiwa marekebisho baada ya hapo anarudi tena pale pale maskani, anarudia tena hizo hizo tabia, kwa hivyo tutakuwako na hiyo kazi ya saa zote kurekebisha ni lazima tuweke mfumo wa hili tatizo tunalimaliza namna gani?

Mimi nimeona kwamba sikupinga lakini nafikiri kuna Mheshimiwa alikuwako anongezea nguvu huu Mswada kukamilika kuwekwe kipengee cha tatu wale ambao wanasambaza hizi madawa waweze kuchukuliwa hatua. Kwa hivyo Mheshimiwa Chizi alikuwa hapingi lakini alikuwa anaonelea kwamba anaongezea hiyo nguvu ijengwe katika huu Mswada kwa hivyo Mheshimiwa Mwamwiri katika kukarabati hapa tuongezee hicho kipengee kwamba japo tunawapeleka *rehab* wale ambao wanasambaza haya madawa waweze kushikwa na wachukuliwe hatua kali hivyo basi mimi naunga mkono na hivi vituo vikijengwa msiwe mnatusahau sana kule Jomvu nafikiri Jomvu ni mbali na Mombasa mjini na tusije Mwenyekiti ama Spika mukaona kingi ame *encroach*. Mnatusahau sana kwa hivyo hivi vituo mkisikia Mheshimiwa Mukono anasema muwe mwatukumbuka hatuna haja tuje Makadara, mnajua Makadara ni mbali na kule...

(Applause)

...na inaweza kuwa pale kwa Mukono Muruni ni karibu na Mazeras. Kwa hivyo si vizuri watoke pale Muruni ambao Mombasa Kaunti waanze kuomba omba Rabai pale si vizuri, leteni hivi vituo karibu na Jomvu sisi nasi tujikute kwamba tuko pamoja na Kaunti ya Mombasa lakini mukuacha sana kule tutaibiwa na Kaunti ya Kilifi. Ahsante sana.

(Applause)

The Deputy Speaker: Yes Hon. Naliaka.

Hon. (Ms.) Wafula: Ahsante sana Bwana Spika kwa kunipa nafasi hii. Mimi naongeza sauti yangu kwa huu mjadala nikuuunga asilimia mia kwa mia. Mwanzo changamoto ni kwetu wazazi pia maanake licha ya kusema kwamba tunataka tuwatie mbaroni wale ambao wanaleta hizi dawa na sisi pia lazima tuwajibike kama wazazi maana Waswahili wanasema, *samaki mkunje angali mbichi...*

(Applause)

Tuanze na kuwapa watoto wetu maadili yaliyo mema. Mimi ni Mkristo na tukirudi kwenye Biblia tunaambiwa mfundishe mtoto maadili mema na hata atakapokuwa hatayasahau Bwana Spika. Jambo lengine tuwakumbushe vijana wetu kuwa wao ndio wazazi wa kesho na watakuwaje wazazi kama hawana afya njema, hawana akili ambayo iko timamu, hawana fikra ambazo zinzeleweka. Kwa hivyo tuweze kuwaambia ya kwamba kuwa mzazi sio kwa vile una uwezo wa kuzaa tu lakini una uwezo pia wa kuwajibika kwa mahitaji ama maslahi ya jamii yako.

Jambo lengine ningependa pia kuongezea katika mambo na ushauri nasaha vijana wetu waelimishwe, wajikakamue vijana wengi sasa hivi wanataka zile kazi za kufanya wakiwa wameketi ambapo zinaongezea sana uzembe ndani yao. Maana utapata vijana wengi wanataka wakae wacheze michezo kama *pool* ile wameketi tu pale; mara sijui ni *droughts* mara wengine wanajiingiza kwa hii michezo yapata potea kwa kimombo wanaita *betting* ambapo mwingine sasa kwa sababu maybe pesa zake nyingi zinamtia kiwewe kiasi cha kwamba anaona ajitulize na hii mihadarati. Kwa hivyo lazima tuanze pale nyumbani kuondoa mambo mengine maana Waswahili wanasema, *usipoziba ufa huenda ukajenga ukuta*. Jambo la mwisho mimi ningependa tu kumshukuru Mheshimiwa mwenzangu Bwana Mwamwiri kwa kukumbuka vijana katika hoja hii na kwa hilo nasema tu ni ahsante Bwana Spika nashukuru kwa kunipa nafasi.

(Applause)

DISCLAIMER: The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor Page

The Deputy Speaker: Yes Hon. Wambua.

Hon. Kyaka: Ahsante Bwana Spika. Nafikiri Bwana Spika unajua hapa huwa tuko na shida kama ningepata hii ingekuwa nzuri na wakati wote unajua tukiwa hapa unaona vile tunasumbuka sana. Kwa hivyo mimi nataka kuunga mkono Mswada ambao ambao umeletwa na Bwana Mwamwiri. Mswada huu ni Mswada mzuri sana kwa vijana.

(Applause)

Na wale Waheshimiwa tulikuwa tukikampeni na wao nafikiri walikuwa wanaona hawa vijana vile wanavyotusumbua kwa sababu wengine walikuwa wanakimbizana na sisi lakini mikono ni kama inataka kukatika...

(Laughter)

Mheshimiwa hii Gavana alifanya kazi nzuri kuwapeleka katika *rehab* lakini kama vile Waheshimiwa wengine wamesema wakitoka hakuna jambo lolote ambalo wanafanya, wakitoka wananudi nyumbani na wanaanza kuendeleza mambo yao yale ya zamani. Tungeomba mambo haya mtu akitoka katika *rehab* angalau aingie katika shule ya ufundi ili aweze kufundishwa zaidi atoke hapo akiwa ana jambo fulani la kufanya...

(Applause)

Kwa sababu vijana wengi ambao hapo wamesomeshwa hapo wote hakuna kitu ambacho wamepata, wamerudi pale pale hata tukianza tena nafikiri hao hao ndio wa kwanza kurudisha pale pale ili tuweze kupata angalau timu ambayo inaweza kusaidia katika taifa hili. Nafikiri vijana ndio wengi katika ulimwengu na vijana tukianza kusaidia vijana tukiwainua katika hali nzuri tunaenua taifa. Kwa hivyo naunga mkono hoja hii halafu niseme hapa asubuhi wenzangu walizungumza ama tulizungumza tukasema Miswada kama hii tunapitisha mingi sana lakini haichukuliwi hatua, ikikosa kuchukuliwa hatua inakuwa sasa haina maana yoyote. Tunaomba sana na Kamati ambazo zinahusika na mambo hayo zihakikishe tume tekeleza yale mambo ambayo tunapitisha katika Bunge. Ahsante sana naunga mkono.

(Applause)

The Deputy Speaker: Yes Hon. Kibwana Baya.

Hon. Kibwana Swaleh: Thank you Hon. Speaker I have listened widely to the sentiments of other Members. Hon. Speaker through confirmation of the mover of the Motion he has confirmed to us that he has not consulted widely because he is moving this Motion with amendments...

(Applause)

Hon. Speaker I want to confirm to this Honorable House that we have friendly health facilities; I mean youth friendly services in the facility, they may not be everywhere but at least in our Sub Counties we have facilities that have these services.

Hon. Speaker I am going to oppose this Motion on grounds and I want to say this that I will ask the mover of this Motion to consider some financial implications on this. Hon. Speaker when he talked about the number two *that the County Government should construct at least one rehabilitation centre in each Sub County to cater for drug addicts*. It is a good idea Hon. Speaker but I think this idea should first be captured in our CIDP because the County cannot do any project if it is not captured in the CIDP, so it is us Members when we are going for these meetings for CIDP we raise this issue so that they can be captured and budgeted for.

Otherwise I will concur with Hon. Member from Chaani that we may pass this Motion but when we go back to the budget issue it won't be constructed because it was not captured in the CIDP, and there is no budget for that and this will be a big challenge.

(Applause)

So Hon. Speaker, I think I will urge my colleague who is also a good friend of mine to just consult widely with Committee and also the \youth Committee....

(Applause)

So that we find ways on how we can go about this Hon. Speaker, so I will just ask him with all due respect using Standing Order number 55 so that at least we come again and see how best we can tackle this. Hon. Speaker I think the County government under the leadership of Hon. Governor we have a lot of drug areas...that rehabilitation area one of them being Mlaleo...

(Applause)

...The Coast General and even Likoni where he is coming from, I think we have the rehabilitation centres so for the issue of friendly services there are some projects that have, others don't have so I urge my good colleague at least to use the Standing order 55 so that we can consult with the Department and see what they have done and what they have not done so when this Motion is brought in this Honorable House you will find out that there is implementation, otherwise without consultation and this not captured in the CIDP we are not going to realise our dream. Thank you Hon. Speaker.

(Applause)

The Deputy Speaker: Yes Hon. Raphael.

Hon. Bwire: Thank you Mr. Speaker for this opportunity. Mr. Speaker allow me first to commend the Motion mover for coming up with the Motion. Mr. Speaker we are discussing here, the issue we are focusing on is basically on the lives of the youth *mashinani*. Hon. Athman, I think before he came up with this Motion, I remember very well that we had the youth caucus meeting in Malindi; so many issues were raised by the Members from the Mombasa Youth Assembly who happens to be the representatives of the youth. We also had the same meeting in Kwale and we deliberated on the same for those many days we spent in those seminars, these are the basic issues that we discussed. Mr. Speaker I happen to come from Kisauni the home ground of the drug and drug users; of late we also had the security meeting we had County Commander, the County Commissioner, OCPDs and OCSs from Kisauni and the citizens.

Mr. Speaker we also were privileged to have the officers from Mewa and the whole issue that was discussed even due to the lack of security is just because of the drugs and drug users, those officers on behalf of Mewa and all that urged Hon. Members of this House for those who are present I was there Hon. Fahad and Hon. Shomari that we move a Motion to compel the County government to come up with more rehabilitation centres because these guys, our brothers and sisters outside there are so many and the institutions are very few. So they urged us that we as the County government should come up with mechanisms that will enhance or rather reduce this drug issue, so in my own perspective I find this Motion to be a very good one that will help our brothers and sisters to come out of that big problem that they are facing. It's a monster, as much as we may want those drugs barons to be arrested you see Mr. Speaker with us we only come up with policies that govern this County, the Central government has the mandate of arresting because with us we don't arrest them, the police officers mandates lie within the powers of the Central government, with us let us deal with what we can handle; coming up with a rehabilitation centres and ensuring that those rehabilitation centres are well facilitated and during my CIDP Mr. Speaker the same questions were raised and we promised our people that we will deal with it and we are here now dealing with it. This is not an issue to postpone, the Hon. Member raised a concern of debating this issue with amendments, we should just amend it and where we feel it has not been captured, we capture everything that is necessary and amend and have this Bill go through this House. Thank you Mr, Speaker.

(Applause)

The Deputy Speaker: Yes Hon Amriya.

Hon. (Mrs.) Amriya Juma: Thank you Mr. Speaker, I wish to echo the Motion and probably I avoid unnecessary repetition because having much said already. I wish to request if we could or add on if we have a database on the drug addicts in Mombasa, the number that is as we speak how many of our youths or how many of our citizens are drug addicts? And how many are factored in these facilities? And so that we can work on figures so that we don't have unnecessary waste of resources because as you know resources are a bit limited everywhere so we have to work on specifics.

I will be glad if the Motion mover will have come with a detailed report specifying how many of our youths are drug addicts, how many have been absorbed according to the facilities, and how many have not. As we speak, Mr. Speaker am seeking protection some Members are obstructing; okay thank you; having said that I also want to add on my last point is we should focus on prevention rather than cure, because in my view that is my own view that we are really striving to cure rather than to prevent.

What are these issues that bring about our youth engaging in drugs? Is it idleness, is it out of curiosity, is it out of there is so much money to spend? So we need to investigate on these issues so that when we are dealing with what we have lost, that is the addicts which we seek to recuperate we are also dealing with preventive measures so that we don't get ourselves, we are curing and more patients are coming in, are dashing into the hospitals and we are not adding any value.

So my point will be also sensitization to schools and our youths so that they can avoid as much as necessary to engage in this issue of *khat*, *Mugoka* because it all starts with something, you start which chewing today you are curious how it feels you start with *shisha* then it goes to cigarettes then heroin, cocaine then on and on and then you realise oh am trapped.

So prevention is more important in my view than cure, having saying that Mr. Speaker I beg to rest my submissions.

The Deputy Speaker: Yes I now call upon the mover of the Motion to respond.

Hon. Athman Mwamiri: Ahsante Mheshimiwa Spika nachukua fursa hii kwa heshima na taadhima kuwatambua na kuwaheshimu Waheshimiwa wote waliochangia hoja hii. Hoja hii nimeleta kwa muamala mwema kwa kuzingatia wanaohusika ama walioko katika hoja hii ni ndugu zetu, ni vijana wetu na tunatambua katika janga hili Mheshimiwa Spika kama sote tumehusika ndani kama hujaathirika basi wewe mwenyewe ni muathirika. Mheshimiwa Spika nimependekeza kuwe na marekebisho katika hoja hii ili kupeana fursa ya kila Mheshimiwa hususan wanakamati wa afya waweze kuchangia kwa kina...

(Applause)

Masikitiko ni kwamba wanakamati hawa hawakuchangia inavyostahiki. Mheshimiwa Spika katika suala la bajeti tunatambua ya kwamba sisi kama Kaunti tuna mchango wetu tunaozalisha kila mwaka, kadhalika tuna mgao kutoka kwa serikali kuu na bado tuna nafasi ya kutafuta ufadhili kwa hivyo Kamati ya Afya na Wizara yao wana jukumu la kutafuta ufadhili kulinda haki na afya za vijana wetu Mheshimiwa Spika.

(Applause)

Taasisi zilizotajwa ni Mewa na Reach Out hizi sio taasisi ambazo tumemiliki sisi kama Kaunti, Kaunti zetu ni sehemu katika baadhi ya hospitali ambazo tunapeana *methadone* pekee yake lakini kama Kaunti ya Mombasa hatuna *rehabilitation* yetu. Kwa hivyo Mheshimiwa Spika Kamati ya Afya yatakikana wawe wa kweli na waambie ukweli Bunge hili ya kwamba tuna tatizo tutafute suluhu ya tatizo linalotukabili. Tunatambua CIDP ni mpangilio wa muda sio jambo la wiki ama mwaka mmoja, ni mpangilio wa miaka mitano na katika kupangilia kule Mheshimiwa Spika tunatambua kama Kaunti yetu ina changamoto ya masuala ya fedha na tutaridhika na tutaafiki kama Gavana wetu alivyoapeana kipao mbele masuala ya michezo kujenga Uwanja yaani Stadium kidogo kidogo sasa hivi tumefikisha mbili ya tatu inakuja Likoni, pia tutaridhika tukiona ya kwamba *rehab* inanza japo ni moja katika kipindi chetu na watakaokuwa hai miaka ijayo waweze kumwakilisha katika zile *Sub County* zengine. Mheshimiwa Spika napeana fursa kwa kitengo cha afya kinachojihisi wanyonge katika suala hili japo sisi limetugusa zaidi sana wanaoumia zaidi ni vijana wetu waje na mapendekezo yao na michango yao kujaliza katika hoja hii, vyenginevyo naomba Bunge hili kwa mara nyengine tena tuweze kuafika na kupitisha hoja hii. Ahsante Mheshimiwa Spika.

(Applause)
