MOTION

ESTABLISHMENT OF MEDICAL SCHEME FOR THE ELDERLY IN THE COUNTY OF MOMBASA
(Resumption of interrupted business)

Hon. Members this is resumption of previous business that had already been debated; unless there is a Member who did not debate on that same day that was debated if not I'll call the Mover of this Motion to respond so Members if anyone who did not debate on that day we have the records then I will call the Mover of this Motion to respond. Yes Hon. Nyiro from Bamburi Ward?

Hon. Nyiro: Once again thank you Mr. Speaker for giving me this time to respond. Hon. Speaker I wish to extend my gratitude and appreciation to all Members who really debated in support of this Motion and because this thing touches on everyone and everybody in the Ward, really our elderly Members I beg to support or rather to thank you Members for putting your input in this Motion so that our elderly Members can get assistance whenever they fall sick. This is because as we speak am very sure they are so many lying in beds in the Coast General Hospitals and most of these elderly people have already accumulated some amounts of money in terms of bills.

So it will be good for us or rather for the County to start working on this thing so that our elderly people can start enjoying the services of what this County will offer to them and so that they can also feel that they are part of this County, that the government of the day is aware that they are there and its aware that they are facing some challenges in terms of medical or rather medication.

Therefore I thank you again Hon. Speaker and the Hon. Members who contributed effectively so that this thing is established and our elderly Members get the assistance that is required. I thank you.

The Deputy Speaker (Hon. Mwalimu): Members I stand to put a question. What am saying thanks to Hon. Member Hon. Nyiro and the House at large for bringing this Motion and you deliberated on it very well so I hereby put the question that the Motion on Establishment of Medical Scheme for the Elderly in the County of Mombasa be approved in this Honorable House.

(Question put and agreed to)
(Applause)

Yes Clerk?
