

THE COUNTY ASSEMBLY OF MOMBASA

OFFICIAL REPORT

Thursday, 19th April, 2018

The House met at 2:50p.m.

(The Temporary Speaker (Hon. Raphael Bwire) in the Chair)

PRAYERS

The Temporary Speaker: May you be seated Hon. Members, once again welcome back to our today's plenary, yes Clerk?

STATEMENTS

The Chairperson on Committee on Labor and Social welfare.

Hon. Thoya: Thank you Mr. Speaker I want to take this opportunity to say that we have just received the response from the Public Service Board at 1:00p.m and I beg this House to give us at least one more week so that we can sit with the Committee to discuss because I think it's not going to be fair that we are going to table this document before this House without involving the Committee on Labour.

So we need to sit down as a Committee and deliberate to give our recommendation to this Paper, so if you allow us at least one week we have an opportunity to look at the report from the Public Service Board we will be very happy thank you.

The Temporary Speaker: Hon. Chairman when was the issue raised?

Hon. Thoya: I think Hon. Speaker you can get the information from the Clerical desk I don't have that information ours was just to bring so I cannot remember the date and I should say there is a desk for the same.

The Temporary Speaker: You are lucky Hon. Member that the issue was raised on 12th of this month and you still have some few days to report back to this House.

(Applause)

Next order?

STATEMENT

MOMBASA CITY POLYTECHNIC PROGRAMME: TUKUZA VIPAWA INITIATIVE REPORT

The Chairperson on Education Information and Technology.

Hon. (Ms.) Ngare: Mr. Speaker on behalf of the Chairman of Education and as a Member of Education Committee I wish to take Members through the report on *Tukuza vipawa*.

I beg to go through the introduction and because it's my assumption that every Member has the report with them so that when I do the summary if you allow me Mr. Speaker the Members can read the rest of the report on their own.

Thank you Mr. Speaker for allowing that so the department on Education ICT and MV 2035.

(Hon. (Ms.) Ngare moved the Report)

MOMBASA CITY POLYTECHNIC PROGRAMME: TUKUZA VIPAWA INITIATIVE REPORT

Tukuza vipawa campaign is an initiative by the County government of Mombasa through the Department of Education, ICT and MV 2035. The aim of Tukuza vipawa campaign is to ensure that every child in the County government of Mombasa is equipped with effective life skills and pursues their talents through Technical and Vocational Education and Training (TVET).

The programme annually registers potential trainees in the six Sub-Counties and provides career guidance through the vocational training officers and does placement of the trainees in:

- 1) County owned Polytechnics: Mtongwe County Polytechnic and Maunguja County Polytechnic.
- 2) Polytechnics that the County has partnered with through Memorandum of Understanding (MoU).

The County government of Mombasa through the Department of Education, ICT and MV 2035 caters for 70 per cent of the tuition fees and the trainee pays 30 per cent of the remaining tuition fees and I think that's a really good boost. The department has allocated funds through the scholarships and subsidies.

REBRANDING THE POLYTECHNICS

The Department of Education, ICT and MV 2035 has taken up the youth polytechnics that were devolved to the County which necessitates the need to improve service delivery. The Department is working closely with the institutions to have a new face for the City Polytechnic through rebranding of these institutions. Through the guidance of the Department of Education, ICT and MV 2035, the trainees are expected to experience quality learning and acquisition of talent and skills as they undertake their training in the Mombasa County Polytechnics in short known as (MCPs).

The Department proposes to have state of the art classrooms and workshops with the objective of offering life skills and entrepreneurship training on the curriculum in the County Polytechnics. The County Polytechnics will be expected to produce well-trained graduates ready to navigate their future through employment or entrepreneurship.

Now on page two, Mr. Speaker we have the summary of beneficiaries under the Tukuza Vipawa Campaign Mombasa City Polytechnic Programme; you will be able to see the institutions, the year, the number of beneficiaries through the year 2014-2018. You can see 2014 who gained 2015, 2016, 2017 up to the current note that in 2015, short courses the students received also full scholarships for the short courses which were like maybe three months or six months then on the next page three we have again on the same department Curriculum, Training and experience.

The Mombasa City Polytechnic programme initially intended to have various courses derived from the following six thematic areas that is Maritime up to Sports, so you can also see the achievement of 2013/2014 then September to December, 2015 and on page four we have again on the same department In January, 2016 we had placement of 800 trainees to the MCPs; Mombasa City Polytechnic Mtongwe, Mombasa City Polytechnic Maunguja and Mombasa City Polytechnic at MTTI (Mombasa Technical Training Institute) so you we will also be able to see what happened in 2017 up to current 2018 the impact. I would like to read that one; job creation through self-employment after skill acquisition and which is very good for our youths, decrease in the number of idle youths and crime rate in Mombasa County, reduce drug abuse cases reduce cases of terrorism and radicalisation among the youth.

Others are realization of youth talent in Mombasa County, improving the quality of technical skills in the County, increasing number of active labour workforce in the County and finally on the last page Mr. Speaker you can also see through the demonstrations of pictures there how the departments went about nurturing talents through sport, that is the evidence that something was happening on the ground.

Then launch of Mombasa City Polytechnic and improve training, there you can be able to view and carpentry and joinery class at Maunguja City Polytechnic, true evidence that things were happening on the ground and it is good also to the Mombasa County Assembly, the Education Department. Thank you, Mr. Speaker.

The Temporary Speaker: Thank you Hon. Milka for the response I think it is well taken and for the rest Hon. Members will go through during your free time the report is so wide. Yes Clerk.

STATEMENT

Hon. Priscilla Mumba.

Hon. (Mrs.) Mumba: Ahsante Mheshimiwa Spika nimesimama hapa kujibu Hoja hii ilioulizwa kuhusu *septic tanks* lakini kwa masikitiko ni kuwa Waziri ambaye ni muhusika mkuu wa jambo hili kama Wizara yake hayuko yuko nje ya nchi na alinishauri kuwa nisubiri kidogo atakaporudi tuweze kukaa chini aweze kunipa majibu muafaka. Kwa hivyo naona msubiri akija kwa sababu yeye ndiye mkubwa wa...

(Interruption)

The Temporary Speaker: Before I give a chance to Hon. Amur, Hon. Member you don't have a report as we speak?

Hon. (Mrs.) Mumba: Ndio Mheshimiwa Spika kwa sababu nimekuambia nilizungumza na Waziri mwenyewe.

The Temporary Speaker: Okay.

Hon. (Mrs.) Mumba: Kwa sababu nilitaka kwanza ni tushauriane naye kama mkuu wa hiyo Wizara. Kwa sababu kila kitu pia Wizara ni mpaka uzungumze na Waziri wako ili mjue kwa sababu jambo kama hili la *septic* si kitu ya shule moja au eneo moja bali ni Kaunti nzima. Kwa hivyo ni kitu kikubwa kitahitaji umakinifu mkubwa ukiwa umeshauriana na Waziri ndio uweze kutoa ripoti nzuri. Kwa hivyo sina hiyo ripoti ninamsubiri Waziri wangu ndio niweze kuwa na ripoti kamili.

The Temporary Speaker: What is your point of concern Honorable?

Hon. Amur: Bwana Spika nasimama kwa mshangao kwa sababu Bunge hili tutakuwa tukichezana shere sasa ikiwa Hoja itakuwa inaletwa mtu alete majibu atuambie kwamba Waziri hayuko! Waziri haendi na ofisi; kuna ma *Chief Officers* wameandikwa wafanye kazi, kuna watu ambao wameajiriwa katika maofisi hayo na ikiwa kila siku tutakuwa twaletewa Hoja hapa tuambiwe kwamba Waziri hayuko basi hili Bunge tutalifunga tuingoja mawaziri.

Mheshimiwa Spika lazima Mawaziri wawajibike hawaendi na maofisi wao wanaenda safari wao, lakini maofisi hayaendi safari watenda kazi waliobakia pale nyuma wanaweza kufanya kazi. Twaomba Mheshimiwa Spika isiwe ni mtindo wa kwamba kila anayeletewa Hoja ajibu anatuambia kuwa Waziri hayuko, haimaanishi Waziri akisafiri ile ofisi pia inasafiri. Ahsante Mheshimiwa Spika.

Hon. (Mrs.) Mumba: Ahsante Mheshimiwa Spika lakini barua ambayo inawakilisha ripoti hii, barua zozote huandikwa kwa Waziri na ni mpaka Waziri ndiye mkuu wa hicho kitengo aweze kutoa uamuzi wake. Kwa hivyo kuna masuala mengine hata sioni mpaka angojee Waziri ili atoe uamuzi muafaka.

Kwa hivyo ningeomba Mheshimiwa mwenzangu aniwie radhi kwa wiki ijayo Mungu akipenda tutaweza kupata majibu muafaka.

The Temporary Speaker: That is nice Hon. Member. Hon. Members...

(Interruption)
(Hon. Thoya stood)

Just a minute Hon. Thoya. The concern raised by Hon. Member Amur is also a valid concern. Let assume the Minister is out of this County for the last...I mean for one month you can just imagine what will happen. So I think the role of the Chief Officer is to play I mean is to act whenever the Minister is not within and the Minister has to delegate the duties whenever he is not within....

(Applause)

So allow me...

(Consultation)

Again it has also come to my attention that the issue was raised many weeks back since 22nd of March, the 14 days are over so the Committee has to bring the report. But Hon. Members allow me to allow the Committee plus the Chairperson to report back in the following week on third, I think yes because the report is not within and nothing we can do but we are asking those Chairpersons that make sure whenever the Minister is not within you work closely with the Chief Officers so that you bring the report within the time frame that is allocated, that is per the law. So again kindly allow me to give the Committee another chance to report back next week Thursday. Thank you.

(Applause)

Yes Mr. Clerk.

STATEMENT

REPORT ON PROMOTION AND EXHIBITION OF WOMEN ENTERPRISES

The Temporary Speaker: Hon. Moses.

Hon. Oindo: Thank you Mr. Speaker. I have the report like I promised last week that I will report back this week and this is the report.

(Hon. Oindo moved the Report)

The Department of Youth, Gender Sports and Cultural affairs has commenced the process of engaging consultants to develop a Gender mainstreaming policy, this process is at an advanced stage.

We are also engaging a consultant to develop our Strategic Plan for the year 2018 to 2022. We have formed a Committee on women engaged in local production to set up a team that will spearhead empowering women in that industry. We will soon launch the empowerment and skills development program and also just to support that I have here also a report on the disbursement of revolving fund to women groups. The department of Youth Gender Sports and Cultural Affairs disbursed shs 26,350,300 to 214 within the Mombasa County and if I can go through the money disbursed Mr. Speaker...

(Interruption)

Hon. Amur: Point of Order!

The Temporary Speaker: Yes.

Hon. Amur: Mr. Speaker my learned friend Hon. Aran is telling us about the report but this report does not seem like it is signed, it is just a photocopy there is nothing showing that it is signed from either department. So Mr. Speaker we need to see something that has been signed whether from the department or from the Committee. This is just a photocopy Mr. Speaker it is not a report.

The Temporary Speaker: Hon. Member is it an official report?

Hon. Oindo: Yes Mr. Speaker it is an official report as you can see in the letter head County government of Mombasa, Department of Youth Gender and Sports and also you have the logo.

Hon. Amur: With all due respect, if it is an official report Mr. Speaker Sir then it should be signed. This is not an official report, It has been addressed from who to who Mr. Speaker? It does not tell us because if it was a report then it should either be directed to the County Assembly Clerk or the Committee Mr. Speaker.

The Temporary Speaker: Order! Order Hon. Members.

(Interruption)

Hon. Oindo: Mr. Speaker.

The Temporary Speaker: Order Can I have the initial report that was tabled; the first one that was tabled before this House.

(Interruption)

Hon. Oindo: Mr. Speaker.

The Temporary Speaker: Order Hon. Member, just a minute.

Hon. Oindo: Kindly I have to clarify something Mr. Speaker.

The Temporary Speaker: I will let you clarify it just a minute. Hon. Amur do you have a copy of the education report?

(Silence)

Hon. Amur: Mr. Speaker if I can only give you an example of a report that I received like the one from the Minister of Transport it was officially signed, I beg to table so that it can be received.

The Temporary Speaker: Thank you.

(Consultations)

Hon. Members can I have a copy of the educational report that was tabled by Hon. Milka...

(Silence)

Yes? Kindly let me have it. Order Hon. Members! It is a concern that has been raised by the Hon. Member and of course anything to sound unofficial must be signed and stamped, this is a House of procedures Hon. Members and unfortunately the first report we got is also an unsigned document. So i think it won't sound good if we allow Members with unsigned documents to table it before this House and again deny a chance to another Member to table a report that is not signed.

So i think it is a concern, and maybe some of us we are not aware and we learn because learning is a process, now allow me to inform all the Chairpersons and the Committees that they are not to table a report in this House which is not a official report. But as for today because it has already happened I think I will just allow the Hon. Member who is the Chairman to table the same report because Hon. Members this report is not signed and you never raised a question, but you are so quiet and it has been tabled already. The same Hon. Member is also coming up with another, so I think we do it for today and we call it a day and never will we allow any unsigned document to be signed in this House, with due respect please...

(Applause)

Yes Hon. Hatimy.

Hon. Mohamed Hatimy: Mheshimiwa Spika sheria inasema hakuna uamuzi bila maombi, ukisema hivyo ikiwa Mheshimiwa Milka ameweza kusoma ripoti yake na hakuna mtu yoyote alielalamika kwa hivyo hiyo inatakikana kuwa imesomwa maneno yale yamemalizika yule alieshikwa sasa ndio yeye ajitengeneze...

(Applause)

The Temporary Speaker: I understand Hon. Members but still it's the same session that the same issues are being raised, it's not a different one. I mean it's my humble request because this report was raised here on 8th March its over 14 days now so kindly please. Hon Members allow me to make ruling on the same, I won't subject it into discussion, it is my humble request...yes kindly please allow me to allow the Hon. Member to table the report but we are giving the final judgment on the same that never ever will you or will we allow any Hon. Member to table unsigned documents in this Honorable House...

(Applause)

Yes Chairperson.

Hon. Oindo: Thank you Mr. Speaker and just to assure you that my department led by me we honour and treasure this Honorable House, next week we shall also present the same report signed like its supposed to be, so allow me to read it.

(Hon. Oindo resumed moving the Report)

STATEMENT STATUS OF THE BURSARIES REPORT

Hon. Ibrahim Omondi.

Hon. (Ms.) Ngare: Mr. Speaker again i would like to state on behalf of the Chairman that we have not yet received the status of the bursaries report from the Minister. thank you Mr. Speaker.

The Temporary Speaker: Hon. Amur.

Hon. Amur: Mr. Speaker again we cannot be taken for granted, this issue has been in this House for the last four weeks and every time this issue is given a time the reply is we have not received, last week the Chair directed that by this Thursday the report be tabled and we had also requested if the Committee cannot work then an *Ad hoc* Committee be formed to perform their duties.

Again we cannot be told they don't have a report yet some bursaries are being issued at Tononoka and the Committee is telling us they don't have any report, how did they manage to go disburse the bursaries without informing their Committee. Mr. Speaker last week the direction was that by Thursday a comprehensive report be brought in this House by the Committee on Education and I remember very well asking the Chair by then that the Committee there was no Member in this House that time and yet time was given by this Thursday if no report then that Committee we should rethink about it. Thank you.

The Temporary Speaker: Thank you I think Hon. Members I once gave the direction over the same issue and I don't recall when but it has over stayed, the Committee I think somebody, somewhere is sleeping on the job...

(Applause)

...Because I think it was raised early February, sometimes back the moment we resumed after the recess and again as we speak we have none and in fact it seems you don't know when you will table it. The Member what do you have to say before we make the ruling on the same.

Hon. (Ms.) Ngare: Thank you Mr. Speaker for those observations, although I think they are very drastic am sure if the Chairman was here he would have given a more comprehensive report. You are aware that he has been away at Kinondo for the last two days he has not even have time to sleep and he did a good job he delivered we now have an extra Member...

(Interruption)

Temporary Speaker (Hon. Raphael Bwire): Order Hon. Amur.

Hon. (Ms.) Ngare: The Committee of Education is a very committed Committee we went to visit the Deputy Governor who is the head of Education two days back, we had a lengthy discussion on the same and he promised that he was going to look in to this and give us a comprehensive report...

(Interruption)

The Temporary Speaker: But you could have informed the Hon. Member that you have over stayed with the report that this Thursday you were to table the report, I think you would have work within those...

(Interruption)

Hon. (Ms.) Ngare: We beg to be given one more chance so that in our next sitting which will be after we have come from devolution conference we shall have the report ready, we beg to be given one more chance.

The Temporary Speaker: Hon. Ogotu.

Hon. Ogotu: Thank you Mr. Speaker. Mr. Speaker there are rumours on the ground that next week there will be disbursement of new bursary forms, and if we cannot get that report before the disbursement then I think this is being taken for a ride.

The Temporary Speaker: Yes Hon. Amriya?

Hon. (Mrs.) Amriya Juma: Thank you Mr. Speaker for the opportunity am also under privilege because am part of the Committee Member, only at this point am under privilege but I have this to say that it's only the report that was to be tabled before this House that is not ready but we have had a couple of meetings as my fellow Member has spoken, before we have had a couple of meetings with the Chief Officer.

During the meetings we have raised the concerns that Members are raising through the Chair and at last the status I know I have no mandate to speak the Chairperson has not given me this authority to speak on his behalf but I can share some information that in my know how that all these concerns were raised in the last meeting we had with the Chief Officer Ms. Tuni and she said that she is going to have a meeting with the Committee just immediately after the devolution conference so that we deliberate deeply into these issues so that we bring a comprehensive report after consultative meeting.

However on the bursary status the Chief Officer..., I don't think that's the position that the week after devolution they will be issuing forms because as it were they had requested for funding from the finance and they were told that there is no enough funds, they can't issue forms before they know exactly how much disbursement is there for bursaries. So I don't think it is the position as it is but am not an authority that's the last communication I had with the Chief Officer.

However having said that I wish to ask for patience from Members that we are really working on these issues on bursaries, I know they are very dear to our hearts and we are really working on them so we just beg for a little more time and we will deliver the report in due cause. Thank you.

The Temporary Speaker: After how long Hon. Member?

Hon. (Mrs.) Amriya Juma: Thank you Hon. Speaker. Again I enlighten that next week we would be involve in official matters, I prefer that we extend with two weeks and when we resume back we can have the meeting and then we compile the report so that we can have it before the House on the consecutive meeting. Maybe the Clerk can assist us two weeks from now will be on which date? Am duly informed that on 3rd of May so I can take an undertaking as a Member of Education Committee that by 3rd May, 2018 we will have a comprehensive report. Thank you so much.

(Applause)

The Temporary Speaker: Hon. Members I think we have got enough clarification on this same issue and allow me to make ruling on the same.

So we are giving you but again Hon. Members before I make a ruling the Chairperson of the said Committee was out, yes but not on official duty...

(Applause)

...We will not allow it for next time again so it is my humble request that you work on the same next week and the other week on third you report back here so I won't entertain discussions on what we want on third of May is the report. With those few remarks Hon. Members allow me to make a ruling on the same.

Hon. (Mrs.) Amriya Juma: Obligated.

The Temporary Speaker: Thank you, Hon. Member I have already ruled, the ruling is out already.

Hon. Mohamed Hatimy: Mr. Speaker Sir the Chair was on an official duty.

The Temporary Speaker: But he could have communicated to the Clerk of the County Assembly, I respect you because you are the Chairman of the said Party...

(Interruption)

...Order Hon. Members! Order Hon. Amur! Are you saying the same issue that have already made a ruling on?

Hon. Amur: *(Off Mic).*

The Temporary Speaker: I would want to see the letter Hon. Chairman, an official letter that you requested on behalf of the Party to allow the Chairman to go and conduct the Party activity after yes...

(Applause)

...Next order?

STATEMENT

RESPONSE ON THE COUNTY DISASTER PREPAREDNESS DURING RAINY SEASON

Hon. (Ms.) Mbura: Thank you Mr. Speaker Sir. Mr. Speaker Sir I wish not to give the following statement response on the County disaster preparedness during rainy season as it is neither within the mandate of Department nor Committee on Environment, Solid Waste Management and Energy.

The Mombasa County Disaster Management which is under County Inspectorate is solely responsible of the above raised concerns and that they would be in a better position to answer the following queries.

(Interruption)

The Temporary Speaker: Order Hon. Members! Was it a report? Can I have a copy please?

Hon. (Ms.) Mbura: Thank you Mr. Speaker, this is a statement please.

(Loud consultations)

The Temporary Speaker: Order! Order! Order Hon. Members! So Hon. Member this simply means that it is not under your docket then we will have to find out who is responsible later on. Yes Hon. Mohamed Hatimy.

Hon. Mohamed Hatimy: Mr. Speaker... *(Off Mic)*.

The Temporary Speaker: Do the Transport Committee has anything to do with the disaster?

Hon. Amur: *(Off Mic)*

The Temporary Speaker: Ok, so I think whoever raised the issue should direct the issue to the concerned Department. Thank you. Yes Clerk?

STATEMENT

RESPONSES ON THE CLEARANCE OF GARBAGE COLLECTION POINTS IN MOMBASA COUNTY

Hon. Feddis Mbura.

Hon. (Ms.) Mbura: Thank Mr. Speaker Sir. Mr. Speaker I wish to give the following statement responses on the clearance of garbage collection points in Mombasa County. The Department of Environment, Solid Waste Management and Energy has been facing many challenges such as shortage of trailers, insufficient work force in garbage collection despite putting in place various ways to improve the situation. The aforementioned Department is aware of Mcheleni collection point in Kipevu Ward and currently is advocating team work in insuring that the remaining collection points are cleared. We would like to assure that the County government is aware of the above concerned posts by garbage and currently is taking necessary remedial measures to ensure that the goals of making Mombasa cleaner and greener City. Thank you, Mr. Speaker.

The Temporary Speaker: What is your concern Hon. Renson Thoya.

Hon. Thoya: Mr. Speaker I think maybe we are just deciding that we will float the Standing order because the Chairman of Youth and Gender has opened the door I think we now need to open more doors and I should just believe in the course of next week we are going to repeat the same. I was trying to ask is the report being read authentic, is it signed? Thank you.

The Temporary Speaker: Ok I think I have made a ruling on the same and I said today marks the end of such like businesses in this Honorable House and that next time we will not entertain it.

Hon. Mohamed Hatimy: Bwana Spika tumekubaliana na uamuzi wako kwa sababu wewe ndio kinara lakini Mheshimiwa Spika twataka Makarani wawape ushauri Kamati za Bunge. Kanuni ya Bunge nambari 180 inazungumza juu ya ripoti na kwa namna gani una leta ripoti kwa Bunge. Ni majukumu ya Makarani kujulisha Kamati Mheshimiwa kwa sababu Kamati wanawasilisha ripoti bila kumbukumbu.

Lazima kuwoko na kumbukumbu za mkutano kuwa wamekaa na wote wamekubaliana na kama kuna mtu amekataa inukuliwe amekataa na ile ripoti kusudi mtu anaweza kuja kujitetea lakini hasa ikiwa tutakwenda namna hii Mheshimiwa Spika itakua gumzo barazani. Ahsante sana.

(Applause)

The Temporary Speaker: Hon. Members the concerns are so many and of course they are so valid and I think we always have the responses then the reports, so what we are reading today are the responses and according to my knowledge is that even a response one can just respond off guard, I mean without even the document itself but the concerns raised by Hon. Members are so valid only that we have the difference between the responses and the reports. So the Standing Order 180 that the Hon. Member is talking about these are the reports and like the one tabled was a report by the Education Committee Member, it was a report at the same time the response.

So allow me just like Hon. Hatimy has put it the Clerks take note of that let no Member bring here the report that is unsigned and it is my appeal again to make it final today and it marks the end of unsigned reports to see the floor of this Honorable House. I think up to that juncture we have agreed, Clerk?

PROCEDURAL MOTION **ADJOURNMENT OF THE COUNTY ASSEMBLY**

The Temporary Speaker: Yes Hon. Kitula.

Chief Whip (Hon. Kitula): Thank you Mr. Speaker Sir, I am standing here on behalf of the Majority Leader to present the following Procedural Motion on adjournment of the County Assembly.

Hon. Mohamed Hatimy: Point of order.

The Temporary Speaker: What is your point of order Hon. Hatimy?

Hon. Mohamed Hatimy: I request Hon. Kitula to first apply for leave to delete Hon. Mwamwiri because we can see the name of Hon. Khamis Musa Mwidani Mwamwiri. So he should ask for leave first before he proceeds to table the Motion. Thank you, Mr. Speaker.

(Applause)

The Temporary Speaker: Yes, you see it is ok. Of course these are the two names appearing; the two names of two different people so you just have to seek leave Hon. Charles Kitula.

Yes Hon. Charles Kitula?

Chief Whip (Hon. Kitula): Thank you Mr. Speaker. Mr. Speaker I seek leave to delete the name Hon. Hamisi Musa Mwidani Mwamwiri and the name should appear as Hon. Hamisi Musa Mwidani who is the Leader of Majority of this Assembly.

The Temporary Speaker: Yes I think the leave is granted. Come up again now.

Hon. Mohamed Hatimy: Mheshimiwa Spika kwa niaba ya Wanachama wenzangu na mimi hapa nasimama kwa sababu ya safari ilioko ya kwenda Kakamega Wanachama wote watakuwa hawako kwa muda wa wiki moja kwa hivyo nasimama hapa kuunga mkono huu Mswada. Ahsante Mheshimiwa Spika.

(Applause)
(Question proposed)

The Temporary Speaker: Hon. Members you have heard both the Motion mover and the seconder. I now propose the question that this House consider the Motion moved by Hon. Charles Kitula.

(Question proposed and agreed to)

Hon. Members this Motion will have no debate and again you will allow me to put a question on the same since there is no debate on Procedural Motion. Hon. Members allow me to put a question. I now put a question that this House adopt the Motion of adjournment moved by Hon. Charles Kitula and considered by the House.

(Question put and agreed to)

...Next order?
