NOTICE(S) OF MOTION

WARD PROJECT SAVINGS

The Temporary Speaker (Hon. Loise Kagecha): The next Notice of Motion is to be given by the Hon. John Mwangi, MCA Turi Ward.

Hon. John Mwangi: Thank you Madam Temporary Speaker. I rise to give a Notice of Motion in respect to Ward Project Savings.

THAT Aware that the County Government appropriates funds for various projects in each Financial Year in all the 55 Wards; Recognising that amount for each project as approved in the Budget does not translate to the actual cost of Implementation; Cognisant that the County Government has put measures in place to ensure Project Implementation meets the required standards and that there is prudent use of Public Resources; Appreciating that a colossal amount of Savings has been made in the previous Financial Year from Ward Projects Implementation; Noting that the Savings accrued from the Ward Projects are drawn from respective Ward Kitties; Whereas those Savings if deposited in an account that could be used to fund additional Projects in the respective Wards;

Now therefore, this House resolves that as a long-term strategy to enhance accountability of Public Resources, the County Government creates a Ward Project Savings Account after which the funds are rechanneled back to the respective Ward in a successful Budgeting Cycle. I beg to give the Notice of Motion.

The Temporary Speaker (Hon. Loise Kagecha): Thank you. Next order.
