**Hon. Mwinga:** Thank you Mr. Speaker. Mr. Speaker before I say anything may I congratulate the teachers who have organized this trip because this is a historic trip to me because this is the first time such students of Mwakirunge, the area which I am the Hon. Member have come here.

Mr. Speaker Maunguja Primary School is one of the oldest schools which was built during the colonial rule.

So Mr. Speaker I think I should not saying this because it is my school, the one I learnt from nursery to standard eight but what I can say to this school is that it is a stepping stone to almost all the leaders residing in Mwakirunge including me. So Mr. Speaker this school...

*(Interruption)*

**Temporary Speaker** (Hon. Mwalimu): Hon. Mwinga please just a welcoming note. You have 10 seconds.

**Hon. Mwinga:** Mr. Speaker I just want to conclude and say the school has a good performance and it's doing well and I can remember the time when I was in school there were some students from Mombasa who were coming to learn there at Maunguja primary school so Mr. Speaker....

Mr. Speaker sir,

I wish to table this Report on facilitation of KCPE candidates with geometrical sets and board for the year 2016.

Mr. Speaker sir briefly due to financial constraints, it will not be possible to give KCPE candidates with geometrical sets and boards but the County government of Mombasa will alternatively provide lunch and success cards to all candidates.

Hon. Members are kindly asked to disseminate this information to all public schools and candidates sitting for this year's Kenya Certificate of Primary Education.

Thank you. Mr. Speaker Sir I seek leave for the Paper to be discussed.

*(Hon. Boma laid paper)*

**Temporary Speaker** (Hon. Mwalimu): Yes. It has been forwarded to the Clerk.

Members I propose that the paper laid by Hon. Boma be discussed in this Hon. House.

*(Question proposed and agreed to)*

So when the time for Motion comes it will be discussed.

### STATEMENT

Yes Hon. Zainab Dharwesh, Zainab Syokau?

**Hon. (Ms.) Zainab Syokau:** Mheshimiwa Spika kuna wakati askari wetu wa Kaunti katika kitengo cha *Inspectorate* walifanya kazi nzuri sana ya kuondoa wachuuzi barabarani, lakini ninasikitika kuna wachuuzi wengine mpaka leo wako barabarani hawajaondoka na sijui ni kwa nini.

Mheshimiwa Spika kuna hii barabara ya Makadara wakati unapopita na gari na kioo kiko chini unakuta kuna watu wanakuja, sasa nashindwa kuna nini barabarani.

Kwa hivyo Mheshimiwa Spika ningeomba ikiwa wale wachuuzi wanaweza kuondolewa barabarani hata hao pia waweze kuondolewa manake pia wanahatarisha maisha yao kwa kufukuzana na magari.

Huwezi kujua kuna jambazi anakufuata ama ni nini hatujui muelekeo wake wa kufanya biashara zao barabarani wakati hawalipi ushuru.

Kwa hivyo Mheshimiwa Spika ni jambo la kusikitisha wengine wametolewa wengine wamebakia.

Kwa hivyo ningeomba hata hao pia waondolewe barabarani wasimamishwe hizo biashara zao.

**Temporary Speaker** (Hon. Mwalimu): Hon. Amur i hope you are up on a different issue because I will not allow a statement to be discussed, a Hon. Member must raise a concern so let us direct her concern to...

*(Interruption)*

**Hon. Amur:** It is a point of clarification Mr Speaker.

**Temporary Speaker** (Hon. Mwalimu): What is your point of clarification?

**Hon. Amur:** I want to make it clear in this House. Hawkers are people who go around carrying goods, selling their goods in the streets and there are those ones who put their goods on the road reserve these are not hawkers, they are not carrying anything.

So it should be known a hawker, the difference between a hawker and a money changer, there should be two differences and they should be known in this Assembly a money changer is a person who exchanges money and a hawker is a person who sell goods on the road side.

**Temporary Speaker** (Hon. Mwalimu): Thank you Hon. Amur for the clarification, so Hon. Zainab your statement will be dealt with the Committee on Security and Committee on

Security will work closely with Trade to bring a Report to this House in two weeks' time and better change the Statement from hawking to money changer. Yes Clerk.

### MOTION

Hon. Boma.

**Hon. Boma:** Mr Speaker Sir I beg to move the following Motion that this House adopts the Report on facilitation on KCPE candidates with geometrical sets laid on the table on Wednesday 26<sup>th</sup> October 2016.

I beg Hon. Mary to second this Motion.

**Hon. (Ms.) Akinyi:** Mr Speaker Sir I raise to second the Motion.

**Temporary Speaker** (Hon. Mwalimu): Hon. Members the Motion having been seconded I now propose the question that the Report on facilitation on KCPE candidates with geometrical sets be discussed in this House.

*(Question proposed and agreed to)*

Yes Hon. Boma?

**Hon. Boma:** Ahsante sana Bwana Spika, kwa sababu ambazo zisioweza kuepukika nimeamua kama Kamati pamoja na serikali ya Kaunti ya Mombasa badala ya kupatia wetu *set* tumeonelea afadhali tuwapatie chakula ili waweze kufanya mitihani wao vizuri.

Kwa hivyo naomba tuchangie Mswada huu ili watoto wetu wakienda kwa mtihani wasiwe na njaa, ahsante sana Mheshimiwa Spika.

**Temporary Speaker** (Hon. Mwalimu): Yes Hon Amur?

**Hon. Amur:** Mheshimiwa Spika tumekubali vile tumeambiwa kwamba kwa sasa Kaunti haiwezi *geometrical sets* lakini badili tuwape chakula ni jambo la busara kwamba kwanza licha ya kusaidia watoto wasitoke wasiende nyumbani kwa chakula ili wasiweze kuchelewa kurudi kwa mtihani.

Pili tungeomba kwa mda wa mwaka ujao mipango kabambe ifanyike na hiyo ni kila mwaka tunaomba mipango ifanyike kutokana na Kamati hii pamoja na Wizara ya elimu ili iwe *annual event* kwamba iwe *budgeted* kwamba kila ikifika wakati wa kwenda kufanya KCPE hizo vitu ziwe zimekuwa *budgeted* iwe ni ya kila mwaka chakula tuwasaidie *program* ya chakula kwa sababu tayari kuna *program* ya chakula katika mashule.

Lakini ikiwa Kaunti imeona vyema kuwapa chakula kizuri katika siku za mtihani ni jambo jema lakini tunataka Kamati husika na Wizara itilie maanani katika *budget* ijayo kuhakikishe kumetengwa pesa kufadhili watoto hawa ili wapate hizi *sets* ili waweze kufanya haswa katika hesabu *sets* zinasaidia kupima *angles* na kadhalika.

Kwa hivyo tunaomba Kamati na Wizara ya Elimu iweze kuhakikisha katika *budget* ijayo kwamba hizi pesa zimetengwa, ahsante Bwana Spika

**Temporary Speaker** (Hon. Mwalimu): Yes Hon Mary?

**Hon. (Ms.) Akinyi:** Ahsante sana Mheshimiwa Spika, nimesimama kuunga mkono mjadala huu ambao tuko nao hapa katika Bunge ya kuwa badala ya kuwapatia watoto *sets* sasa tutaweza kuwapatia chakula ili Mheshimiwa Spika wakaweze wanapofanya mtihani wakaendeleo kukaa pale kwa shule mpaka wakati watakapomaliza mtihani.

Kama vile tunavyojua kuna mambo mengi sana ambayo yametokea katika mashule mpaka *Secretary* Matiangi akaja na mambo mengi sana na kwa vile tunafuata sheria ambazo walizifuata walileta kutokana na mambo ya shule ndiposa serikali imekuja na mambo mazuri ambayo italetae watoto chakula na tena ni wale watoto ambao wako katika shule za serikali.

Hivyo Mheshimiwa naendelea kuunga mkono mambo haya na ninawaomba Waheshimiwa wenzangu ambao wako hapa waende wapeleke huu ujumbe haraka iwezekanavyo kwa hizi shule ambazo ni za serikali ambayo wanaanza siku ya jumatatu ili waweze kujua kuwa serikali ambayo ni 001 itaweza kulisha watoto wote ambao wanafanya mtihani wa KCPE kwa chakula.

Na wasiwe wanahisi njaa na waendeleo kufanya mtihani vizuri ambapo niko na hakika kuwa kutokana na hili jambo watoto wetu wote wataweza kupita mtihani wa mwaka huu. Ahsante sana Mheshimiwa Spika.

**Temporary Speaker** (Hon. Mwalimu): Yes Hon Mwadziwe.

**Hon. Mwinga:** Ahsante sana Mheshimiwa Spika, pia mimi nimesimama kuunga mkono hoja hii ambayo imeletwa mbele yetu.

Mheshimiwa Spika labda mimi pia nitachangia nikisema kwamba kama vile Mheshimiwa Amur ameongea ni kwamba Kamati na wizara ijitahidi ili mwakani waweze kutoa hivi vitu ambavyo sasa hivi tumeweza kutoka.

Naongea hivyo kwa sababu wazazi ambao wana watoto Mheshimiwa Spika walikuwa wameshazoea ya kwamba sisi hatununui *geometrical sets* walikuwa wameshazoea ya kwamba sisi hatununui *geometrical sets* pamoja na bodi kwa sababu wanajua Kaunti yetu inaenda kutoa.

Mheshimiwa Spika sasa hivi tunavyoongea labda inaonekana gharama ya hivi vitu ni vidogo lakini kwa upande wangu kama Mheshimiwa wa Mwakirunge nitasema ni vikubwa kwa sababu uchumi wa Mwakirunge si sawa na uchumi wa hapa Mombasa.

Mheshimiwa Spika vile vile pia ninaomba Kamati pamoja na Wizara ingekuwa ishataambia au kutujulisha ni chakula gani watoto hawa watakwenda kupewa kwa sababu

mimi nawaambiwa labda watoto wa mjini hapa watapewa chipsi na kuku lakini wangu wa Mwakirunge huenda wakose hizi bidhaa Mheshimiwa Spika....

*(Applause)*

Kwa hivyo mimi nataka Mheshimiwa Spika iweze kuandikwa ijulikane ni chakula gani hapa watoto waweze kupata ili watoto wetu wote waweze kupata chakula kitakuwa kimeandikwa. Ahsante Mheshimiwa Spika.

*(Applause)*

**Temporary Speaker** (Hon. Mwalimu): Yes Hon. Mary sorry Hon. Caroline.

**Hon. (Ms.) Auma:** Ahsante sana Mheshimiwa Spika kama sisi tungejua elimu ni kitu cha maana na pia nimeona Gavana wetu anapenda elimu na anapenda watoto.

Mheshimiwa Spika chakula ni kitu cha maana sana, chakula kinaweza kumfanya hata yule mwanafunzi akafeli mtihani kwa sababu ya njaa lakini utakapompa chakula ataweza kufikiria vyema na ataweza kufanya mtihani inavyotakikana.

Kwa sababu gani nasema Gavana wetu anapenda watoto kwa sababu ukiangalia katika eneo letu sisi Kaunti tumepewa nafasi ya chekechea lakini unaona Gavana anafanya kazi mpaka juu kuhakikisha watoto wa darasa la nane wanafanya kazi na wanaweza kufanya mtihani vizuri ili aweze kuwapa chakula na ile kuwapa kazi ili wanapooona vile pia wafurahie kama watoto wengine Mheshimiwa Spika.

Mheshimiwa Spika mimi ningependa Gavana wetu Gavana Joho ambaye tunaendelea naye mpaka 2018 aendeleo na moyo huu huu wa kuwapa watoto chakula kila wakati wakifanya mitihani yao ya darasa la nane.

Mimi pia kwa ule msukumo nasema vyakula vipelekwe mashuleni ili watoto wetu wa darasa la nane waweze kufanya mitihani yao wakiwa na raha.

**Temporary Speaker** (Hon. Mwalimu): Hon. Opeya.

**Hon. Opeya:** Thank you Mr. Speaker. Mr. Speaker I want to raise to support the Report by the Education Committee; as you remember am the one actually who requested for the statement on the status of the sets and boards.

So I would like to congratulate the County government for its action if possible they should also budget for the Form Four candidates next time and not only the class 8 candidates. Thank you.

**Temporary Speaker** (Hon. Mwalimu): Hon. Members I can see you have deliberated on this Motion it is now the opportunity for the mover of the Motion to respond Hon. Boma we need to know it's all the students or just the students from the public schools?

**Hon. Boma:** Ahsante sana Mheshimiwa Spika kwanza ningependa kuwapongeza wale waheshimiwa wote ambao wamechangia kwa mjadala huu.

Kwa kusema kweli chakula ndicho kitakacho kuwawezesha wanafunzi hawa wengine wapite vizuri kwani baadhi ya wanafunzi wengine wametoka kwa jamii maskini lakini safari hii watakuwa na furaha ya juu wakisikia serikali ya Kaunti ya Mombasa ikiongozwa na Gavana Hassan Joho amewaleta chakula.

Chakula hichi kitapelekwa katika zile shule za umma ambazo ni za serikali, chakula hichi kama alivyotangulia mwenzangu Mheshimiwa wa Mwakirunge chakula hichi cha mchana ambacho ni mchele.

Kwa hiyo Mheshimiwa wa Mwakirunge usiwe na wasi wasi ukafikiri watoto wako watakula sima Mheshimiwa na wale watakaopikiwa chakula hichi ni wanafunzi pekee yake wa shule za msingi za serikali. Ahsante sana Mheshimiwa Spika.

**Temporary Speaker** (Hon. Mwalimu): Thank you Hon. Boma I now put a question that the Motion on facilitation for KCPE candidates with the geometrical sets and boards by County Government of Mombasa be adopted as it is.

*(Question put and agreed to)*

*(Applause)*

Yes Clerk.
