COUNTY

Mheshimiwa Samuel Mwaura?

Hon. Mwaura: Thank you Mr. Speaker. Mr. Speaker Sir, I would like to address the statement issued by Honourable Hamida Noor (Nominated MCA) regarding the Implementation Status of the Motion on Autism Spectrum Disorder (ASD) within our County. Mr. Speaker Sir, The County Assembly initiated communication with the County Secretary, seeking pertinent information concerning the aforementioned matter. In response, the County Secretary informed the Committee that the County government, through the Department of Health Services, has been diligently executing the provisions of the Motion. Notably, the department has undertaken various awareness and sensitization initiatives aimed at educating our residents about autism spectrum disorder (ASD). On the 2nd of December, 2022, the Department of Health collaborated with Beyond Zero Medical Safari to organize a medical camp at Tudor Hospital for individuals with disabilities. During this event, children, along with their caregivers received free diagnoses, caregiver awareness, psycho-education, and referrals for ongoing care. A total of 115 children were assessed, with 32 of them diagnosed with autism and subsequently registered. Furthermore, the County government observed World Autism Day on the 3rd of April, 2023, as part of the annual event dedicated to raising awareness and promoting inclusion for individuals with autism. The County Secretary reaffirmed the government's commitment to sustaining these efforts and extending support to those affected by autism, underlining the presence of strong political will in this regard. Thank you, Mr. Speaker Sir.
