### COMMUNICATION FROM THE CHAIR

Hon. Members, good afternoon. First and foremost let me take this opportunity to thank God for seeing us through the recess. I trust that you all had a wonderful rest during the recess and permit me to cordially welcome you back....

*(Applause)*

Hon. Members, during the recess the County Assembly was privileged to host legislative counterparts of the National People's Congress (NPC) from the People Republic of China (PRC). The legislatures were visiting the country as part of China – Kenya Parliamentary Exchange Program. It is my hope that we were able to learn and exchange ideas with our counterparts. Hon. Members, I want to appreciate all the efforts that you have exhibited so far as Members of the Mombasa County Assembly in carrying out your mandate. As we come to the end of the year, I urge you to prudently oversight, legislate and represent the people of Mombasa as expected of us by the Constitution of Kenya, 2010. Hon. Members, once again may I take this opportunity to welcome you all and all back and pray that we shall have productive engagement and deliberations for the benefit of the residents of Mombasa. With those few remarks, I welcome you and I look forward to us having a fruitful deliberation for the remainder of the session. Thank you...
