**Assembly Building**

**The House Met At 10.10:AM**

**[The Temporary Speaker (Hon. Michael Gathanwa): In the Chair].**

### **PRAYER**

#### **NOTICE(s) OF MOTION**

##### **PURCHASE OF BOREHOLE DRILLING MACHINE**

The Temporary Speaker (Hon. Michael Gathanwa): We have a Notice of Motion from Hon. Francis Mungai, MCA Malewa West.

**Hon. Francis Kuria:** Thank you Mr. Temporary Speaker, I beg to give a Notice of the following Motion; THAT, Whereas the County Government appropriates funds for various projects each Financial Year including drilling of boreholes in various Wards; Recognising that Nakuru is a water scarce County thus requires deliberate interventions to cushion the residents from water shortages; Appreciating that the County Government in the past has made efforts to address water shortages through drilling of boreholes among other measures; Cognisant that an analysis of the cost of drilling and casing of a single borehole through tendering process ranges between Kshs. 2.5 Million - Kshs.3.5 Million depending on the depth and the nature of the rock and soil formation; Noting that the County Government is capable of allocating financial resources to purchase borehole drilling equipment at a relatively affordable price compared to the amount appropriated each Financial Year for such projects;

Now therefore, this House resolves that as a long-term strategy to reduce the cost, the County Government allocates resources to purchase Borehole drilling machine. I beg to give a Notice of Motion

**The Temporary Speaker** (Hon. Michael Gathanwa): The notice is well given.

### **ADJOURNMENT**
