STATEMENT

Yes, Hon Amur what is it?

Hon. Amur: Mr. Speaker there is a statement from my brother Omar Meti who is on his way, he wanted me to read it on his behalf, so if you allow me.

Hon. Amur: Allow me.

Deputy Speaker (Hon. Mswabah Rashid): Okay.

Hon. Amur: Mr. Speaker my learned friend Hon Omar Ebrahim (Meti) had a statement request from the Committee on Environment and Natural Resources.

Poor drainage system and inadequate garbage collection equipment at Kongowea Market

Whether the Chairperson is aware of the condition on poor drainage system and lack of adequate garbage collection equipment at Kongowea Market and what measures the Department is taking to remedy the situations.

Mr. Speaker, there is garbage lying in the market and he wish to know if he is aware. Thank you.

Deputy Speaker (Hon. Mswabah Rashid): Yes Hon Saad.

Hon. Faraj: I think it's becoming a trend that we are setting on this Honorable House that statements are sponsored by different people and they are brought into this Honorable House by different Hon. Members and it is not good in terms...

If you look at the performance of this House if every day we are going to have other Members representing others I do not think we are giving good picture to the Members of the public and I feel it's important that whoever has a Statement or Motion must come himself personally to present that particular Motion or Statement because he is going vast with what information is needed to carry that Motion or statement. Thank you.

Deputy Speaker (Hon. Mswabah Rashid): Yes Hon Amir Thoya?

Hon. Thoya: Ahsante sana Mheshimiwa Spika. Mheshimiwa Spika nashangazwa na ndugu yangu ambaye aliyezungumza sasa kwa sababu haiwezekani ya kwamba umeweza kutayarisha Mswada alafu uwe hautaweza kusoma isipokuwa mara nyingi ikitendeka vile huwa ni dharura ya kibinadamu ambayo imempata yule Mheshimiwa akaweza kukosa kufika.

Kwa hiyo masaa inahitajika, hata hivyo kisheria hakuna Mheshimiwa Spika, hata huyo Mheshimiwa Saad Faraj si mara moja si mbili tumeweza kumsomea miswada yake akiwa hayuko. Ahsante sana Mheshimiwa Spika.

Deputy Speaker (Hon. Mswabah Rashid): Yes Hon Madundo what is it?

Hon. Mohamed Madundo: Ahsante Mheshimiwa Spika mimi yangu pia ni kuzungumzia swala la Mheshimiwa Saad ingekuwa vyema ikiwa kwenye Wanachama ikiwa labda yeye hakufika na Kamati iko hapo basi Mwanachama mmoja anaweza kuwakilisha hiyo taarifa ama notisi ya Mswada. Ahsante.

Deputy Speaker (Hon. Mswabah Rashid): Hon Wangudi?

Hon Wangudi: Ahsante sana Mheshimiwa Spika. Mheshimiwa Spika na mimi ningependa kuzungumzia swala hilo ambalo nahisi ya kwamba Mheshimiwa Saad anajaribu kupotosha Nyumba hii.

Mheshimiwa Spika siku zote na mara nyingi ambapo mswada, mjadala ama hoja yeyote umebuniwa na Mheshimiwa yeyote kisha ikawasilisha katika ratba ya Bunge hili ni biashara ya Nyumba hii na wala tena si ya yule aliyebuni kutokana na *Standing order* mtu yeyote anaweza kupewa mamlaka awe ni mwenye kubuni ama Kamati ya kuwasilisha mswada huu na hivyo ndivyo tunavyojua wala tusije tukapotoshwa. Ahsante

Deputy Speaker (Hon. Mswabah Rashid): Yes Hon of Tudor?

Hon Siminyu: Thank you Mr. Speaker, House Business has to be transacted whether the Honorable Member who brought it is around or not. Mr. Speaker as you know us as Members we have a duty to serve the public sometimes someone can be held and yet he had brought a matter into the House Business Committee and it is not wrong for a Member to stand on behalf of another Member and there is no law that stops a Member from standing for another Member.

Hon. Saad Faraj wants to introduce something that is not procedural and each and everything is in the Standing Order which directs how the House run its business; Mr. Speaker he must respect the Standing Order and if an issue is not in the Standing Order it should not be entertained in this House. Thank you, Mr. Speaker.

Deputy Speaker (Hon. Mswabah Rashid): Hon Saad, what is it?

Hon. Faraj: Thank you Mr. Speaker. Mr. Speaker my argument is that we are setting a very bad precedence in this House; personal statements must be read by the individual himself who..., personal statements and most of these statements are personal statements.

These statements have not been sponsored by any Committee and therefore Mr. Speaker it is up on that particular individual to come up clearly and support his or her statement because he himself personally is aware of what he wants in this particular statement so personal statements should be read by the people who brought them. Thank you.

Deputy Speaker (Hon. Mswabah Rashid): Now I think this is generating into a debate, I think the Clerk's will..., no it's generating into a debate and this is not a debate so Honorable just have a seat; if its concerning the same issue the Clerk's will advise us in the future, just have a seat. Yes Clerk can you continue with the business...

STATEMENT

(Loud consultations)

(Laughter)

Hon Fadhili Makarani? Yes Hon Amir Thoya what is it?

Hon Thoya: Ahsante sana Mheshimiwa Spika. Mheshimiwa Spika nataka tena kushukuru Nyumba hii na kwa ruhsa yako kwa sababu Mheshimiwa alikuwa ameniomba nimsomee taarifa yake ya kwanza na naomba nimsomee na hii ya pili.

(Laughter)

Deputy Speaker (Hon. Mswabah Rashid): You can continue.

Hon. Thoya: Thank you Mr. Speaker on behalf of Hon. Fadhili Makarani I would like to give the following statement in this Honorable House.

County government to take data of youth that collect garbage and give incentives

That the County government to take data of youth that collect garbage and give incentives,

Mr. Speaker Sir I seek to know from the Chairperson on Environment whether the County government has records of youth groups that collect garbage within the County and if its giving incentives on the same.

Thank you Mr. Speaker Sir.

Deputy Speaker (Hon. Mswabah Rashid): Committee on Environment Chairlady?

(Silence)

Deputy Assistant Chair, Member? Do you have an answer to that? Any Hon Member from the Committee? Yes Honorable?

Hon.(Mrs) Prischillah Mumba: Thank you Mr. Speaker I think I will have to consult with the Chair because this is a statement that was brought today in the House I will give the information to my Chair and communicate to the House on this.

Deputy Speaker (Hon. Mswabah Rashid): Two weeks I think is enough not more than two weeks. Clerk?

STATEMENT

Hon Mohamed Hatimy.

Hon. Mohamed Hatimy: Mheshimiwa Spika nasimama ndani ya Nyumba hii kuzungumzia mambo ya uhaba wa maji, Mheshimiwa Spika nimefanya utafiti kutaka kujua ni shida gani linalofanya Mombasa kuwa na shida ya maji na kila unapokwenda unasikia maji kila mahali.

Mheshimiwa Spika na kama tunavyojua kuna kampuni ya maji inayosimamia mambo ya maji na ile kampuni ndio inayofanya biashara ya maji, nimegutuka sana kuona ripoti ambayo ukiniiruhusu niwasomee Wanachama wapate kujua jambo ya maji mambo yanavyoendelea.

Mwanzo kwenye ripoti hii inasema *utility* ambapo Mombasa ni moja ya Kaunti kubwa zenye kutumia maji na hii ripoti Mheshimiwa Spika imeonyesha sisi tuko nambari nane wameangalia asilimia ya maji ya kunywa *quality* inaonekana sisi tuko chini tuko nambari nane tumepewa asilimia 68.

Kwa upande wa kunywa maji asilimia ambapo wenzetu wengine wote wako juu ya asilimia 95 kwenda juu, kwa hivyo Mheshimiwa Spika hii hapa inaonyesha hatari kuonyesha kuwa yale madawa ambayo yananunuliwa kwa yale maji sijui yaenda wapi, ndipo hapo ile *quality* ikapatiwa asilimia 68 wenzetu wako kwenye 96, 97, 98 halafu tukiangalia jambo la pili kwenye *non –revenue water* Mombasa tumepatiwa asilimia 54 yaonyesha tunakusanya asilimia 46 pekee, hizi zingine sijui zaenda wapi ama maji haya sijui yaenda wapi.

Mheshimiwa Spika tukiangalia katika usambazaji wa maji wenzetu Kaunti zingine ziko asilimia 90 na zaidi sisi twasambaza asilimia 54 pekee; jambo la kusikitisha masaa ya kusambaza maji ambao sisi Mombasa maji yanapatikana wanapata masaa matano pekee yake ambapo ukiangalia Kaunti zingine ziko na masaa 24, ukiangalia Kaunti kama ya Kisumu ina masaa 24 wengine si chini ya masaa 18 sisi tuna sambaza masaa matano.

Mheshimiwa Spika ni jambo la kusikitisha sana unadhani Mombasa kuwa ndio yenye kampuni kubwa yenye kusambaza maji lakini inaonekana kwa zaidi ya miaka mitano badala ya kufanya kazi inakuwa kila mwaka inafanya hasara.

Kwa hivyo Mheshimiwa Spika naomba Nyumba hii ama kupitia kiti chako ni lazima kufanywe upelelezi wa kisawasawa kwa nini Kaunti ya Mombasa huduma ya usambazaji wa maji umezorota namna hii sisi tumechaguliwa tukasema kuwa sisi tutawapa watu maji leo shida ya maji ni hii iliyoko.

Mheshimiwa Spika hata hujui useme nini ukiona itakusikitisha sana kuona sisi tuko nambari nane chini ya nane twashindwa na kina Wajir, Tharaka Nithi na Meru; ni jambo la kusikitisha sana.

Kwa hiyo Mheshimiwa Spika hii kampuni iangaliwe vizuri, ukiangalia sisi twahitaji yale mahitaji ambayo twahitaji maji kuja Mombasa, hata robo kwenye tangi yao hamna kwa hivyo naomba Nyumba hii iangalie twataka kujua Mombasa *total registered connection* zilizoko ndani ya Mombasa hii, twataka kujua *total metres connections* Mombasa hii, maji yetu *disconnections* kwa mwezi zinafanywa nini, *operational metres* zinafanywa nini na ni ngapi ziko? Kwa sababu Mheshimiwa Spika jambo hili haliwezekani; kuna *water kiosk*, kuna *cartels* ya watu pengine sisi tumekaa hapa lakini hatujui ni mambo gani yanaendelea.

Hata siku moja hatujapata kuona ripoti ya kutoka kwa idara ya maji kusema kuwa ina *perform* namna gani, ile kampuni ni kampuni ya Kaunti twataka kujua kunaendelea nini Mheshimiwa Spika. Ahsante Mheshimiwa Spika

Deputy Speaker (Hon. Mswabah Rashid): Thank you Members. This is a statement; is a personal statement and I have to give a ruling on this statement. Members the issue of water has come many times, just have your seats, the issue of shortage of water has come several times in this House and no satisfactory answer has been given, up to now no satisfactory answer has been given.

So i order this matter to be taken to an investigative committee of PAC, so Chairman of PAC take this matter and investigate and bring it here before, for two weeks you bring the report back, a statement will not be debated, this is a statement and it will not be debated. A statement will not be debated no double standards, no double standards. Yes Clerk.

STATEMENT

Yes Zainab Ali.

Hon.(Mrs) Zainab Said Ali: Ahsante sana Bwana Spika kunipa nafasi hii ya kutoa taarifa yangu. Taarifa hii naitoa moja kwa moja kwa Kiongozi wa Walio Wengi Bungeni, Mwenyekiti wa Bodi ya Bunge la Kaunti.

Hii taarifa nimeileta kuhusu sijui kama yuajua kuwa hizi sehemu za kuegesha magari zilijengwa hapa nje za waheshimiwa na wafanyi kazi ambao ni *staff* wa hapa Kaunti lakini sehemu zile ziliwekwa mpaka vibao, pesa zilitumika vibao vikatengezwa vya alama za kuonyesha sehemu zile za kuegesha magari, lakini sehemu zile ukija huwezi kupata.

Sehemu za kuegesha magari zinachukuliwa na watu wa nje, wanaegisha magari wanafanya kazi ofisi nyengine lakini wamepata sehemu za kuegesha wanaegisha kuanzia asubuhi mpaka jioni utakuta gari liko pale na akimaliza kazi zake anakuja kuchukua gari lake na hiyo ni kwa sababu wanakimbia kulipia sehemu za kuegesha magari yao wakiegesha kule wanalipa hapa wanaegisha bure.

Sasa nilikuwa nataka kujua kama Kiongozi wa Walio Wengi Bungeni anaelewa ama ajua kama haya mambo yanafanyika, nilikuwa nataka majibu, ahsante.

Deputy Speaker (Hon. Mswabah Rashid): Yes Majority Leader.

Leader of Majority (Hon. Mwidani): Thank you Hon Member for that assignment but I think now we are going to put somebody to charge the owners of the cars who are parking in our parking. Thank you.

(Laughter)

Deputy Speaker (Hon. Mswabah Rashid): Yes Honorable what is it?

Hon. Siminyu: Mr. Speaker that answer is not satisfactory, it was a complaint that was brought by the Honorable Member, the matter needs to be investigated so that we can have a solution because even Members that park can be charged...

(Interruption)

Deputy Speaker (Hon. Mswabah Rashid): Yes you can continue Hon Siminyu, you will be given time he is in the floor.

Hon. Siminyu: We have security officers that can be assigned, we can have a very good solution, we don't need a quick answer, but investigation whether the matter is happening, who is doing it, we don't need the Honorable to give a quick answer for that very important question that has been brought up. Thank you.

Deputy Speaker (Hon. Mswabah Rashid): Yes I agree with you, I totally agree with you Hon Mwidani you need to investigate the matter, maybe there is a cartel or so ever, maybe there is someone who is collecting parking fees there and you don't know.

So if you can investigate the matter and bring it back you never know maybe there is a cartel selling those spaces just bring it back in a week's time. Yes Clerk.

STATEMENT

Hon Ibrahim Kondo, I think he is not around.

Hon. Amur: Mr. Speaker am not here on behalf of Hon Kondo but my concern is that I'm the person who brought this statement in this Assembly, several times I had been waiting for that reply last week it was deferred to this week but it seems there is no reply coming, and am so shocked that the department that is giving the mandate of investigating the issue which is a very serious issue as people are being conned money and the cartel are still moving from one place to another Place.

Mr. Speaker, it's unfortunate that this Assembly doesn't take this issue seriously, with the seriousness it needs; I need to be given a final answer because these cartels are shifting from one road to another road unless people cannot touch them, or what a Member or the Chairman himself is a Member of the cartel crew. Why he jump these issues Mr. Speaker. Thank you.

Deputy Speaker (Hon. Mswabah Rashid): And the vendors are still there?

Hon. Amur: They skip from one road to another; when you bring statements from this road tomorrow they shift to another road, so it is an issue that goes on from one road to another road. Mr. Speaker, it is a serious issue but it seems people; may be am not sure maybe people have been receiving from this cartels. Thank you.

Deputy Speaker (Hon. Mswabah Rashid): Okay, the Chair is not in...

(Interruption)

Yes Honorable what is it Hon Amir Thoya.

Hon. Thoya: Ahsante Mheshimiwa Spika. Mheshimiwa Spika Jumba hili ni Jumba la sheria na ninahisi ni makosa kwa msemaji kusema kwamba Mwenyekiti wa Kamati hiyo ni miongoni mwa wale ambao wanahusika kukusanya pesa kwa njia ya ufisadi.

Kwa hivyo sioni kama ni bora kumtuhumu Mwenyekiti wakati hayupo pengine angekuwepo ingekuwa ni bora utoe hayo matamshi ambayo mheshimiwa amesema. Ahsante.

Deputy Speaker (Hon. Mswabah Rashid): Yes Hon Patrick.

Hon. Siminyu: Mr. Speaker, this matter has been brought in this House many times and may be you can form an Ad hoc Committee to investigate that matter.

I have visited several cities even in Nairobi and if these people are being licensed then this matter can have Ad hoc Committee or something so that it can look at this matter because it's a still an accusation. Thank you.

Deputy Speaker (Hon. Mswabah Rashid): Again I agree with you, I will form Ad hoc committee since the committee on Trade has no answer to this matter, so I will form Ad hoc committee, I will name it later on to investigate the same. Yes Hon Saad Faraj.

Hon. Faraj: Mr. Speaker thank you for this opportunity once again. Mr. Speaker this issue directly concerns the Committee of Energy, Trade and investments in the event that there is no committee then an Ad hoc committee is formed...

(Interruption)

Deputy Speaker (Hon. Mswabah Rashid): No, I have the powers to form Ad hoc committee. This matter has been coming and coming and coming. I gave the committee to PIC a matter concerning water just a while ago, it is because they could not get a satisfactory answers from the same committee, from the Committee concerned but now I will make an Ad hoc Committee to investigate the matter. Is that okay Saad Faraj?

Hon. Faraj: Mr. Speaker.

(Interruption)

Deputy Speaker (Hon. Mswabah Rashid): You should have complained from the previous one Honorable.

Hon. Faraj: Mr. Speaker the opportunity was not given to us, if it was, then I wouldn't have complained as well but am a Member of this particular committee and am requesting your office as the Chair to give us a chance...

(Interruption)

Deputy Speaker (Hon. Mswabah Rashid): Last week I called the Chair in my office and he did not come and nobody came. I remember I ordered the Chair to see me, to see the Chair of Liaison regarding this matter so we will make an Ad hoc committee to investigate this matter, Yes Hon Siminyu what is it?

Hon. Siminyu: Mr. Speaker you have already given your ruling and Members should respect the Chair when the Speaker has given direction, the direction should be respected.

(Applause)

Deputy Speaker (Hon. Mswabah Rashid): Yes Clerk.

MOTION

Hon Hatimy.

Hon. Mohamed Hatimy: Thank you Mr. Speaker. Mr. Speaker I seek leave and permission from this House to move this Motion next week. If you may allow me, am not ready to table it today.

Deputy Speaker (Hon. Mswabah Rashid): Yes it's okay till next week. Yes Clerk, Yes Madam Maimuna what is it? Hon Maimuna Mwamassa.

Hon. (Mrs) Maimuna Mwamassa: Ahsante Mheshimiwa Spika, nasimama mbele ya Nyumba hii kutoa taarifa kuhusu Naibu wa Gavana wetu Bi Hazel Katana.

Bi Hazel Katana kuna shutma ambayo anaendelea nayo ya kutumia ofisi yake kama nyumba ya kuabudu ambapo kama tunavyofahamu hiyo ni kinyume cha sheria na hata gazeti la Kenya *The Star* pia imetoa habari hizo sasa hatujui ni sheria gani ambayo anayoitunia kiongozi huyo ama mama huyo kutumia ofisi za serikali ama ofisi ya umma kugeuza kuwa ni nyumba ya kuabudu Mheshimiwa Spika.

Kwa hivyo mimi nasimama hapa kupinga vikali na kulaani vikali mamlaka yake vile anavyoendesha na anavyoyapeleka; wananchi wanaona na umma wanaona kwa jumla, kwa hivyo mama yule aache kutumia kama ofisi ile kama nyumba ya kuabudu, nyumba za kuabudu zinajulikaniwa mahali zilipo na kila mtu ana uhuru wa kuabudu lakini kwa mahali panapostahili.

Kwa hayo Mheshimiwa Spika ahsante na napinga vikali.

Deputy Speaker (Hon. Mswabah Rashid): Thank you, Clerk.

Deputy Speaker (Hon. Mswabah Rashid): Members just a minute, Members Hon Mwidani can you withdraw the Motion if you think..., just Members Order ! Hon Mwidani if you think your Motion will be defeated you can as well withdraw the Motion. Yes Hon Hatimy what is it?

Hon. Mohamed Hatimy: Mr. Speaker Standing Order 50 is very clear a Motion without a seconder there's nothing Mr. Speaker.....

(Laughter)

.....It dies a natural death so this Motion has died sorry my leader but a Motion without a seconder we can withdraw under Standing Order 50...

(Laughter)

Deputy Speaker (Hon. Mswabah Rashid): Yes Honorable you are still on the floor.

Hon. Mohamed Hatimy: So I think Mr. Speaker this has died a natural death...
