Hon. Kibwana Swaleh: Thank you Hon. Speaker.

Temporary Speaker (Hon. (Mrs.) Nyamvula): Continue.

Hon. Kibwana Swaleh: Hon. Speaker I was also consulting.

(Laughter)

As you were consulting I also had to consult on the Report; that is Report on lack of drugs at Maweni dispensary.

Hon. Speaker it has introduction, the introduction is number one;

Hon. Speaker the Report of the Committee on Health Services of the County Assembly of Mombasa on Lack of Drugs at Maweni Dispensary.

(Hon. Kibwana Swaleh resumed reading the Report)

"Hon. Speaker this Report was necessitated by a request for statement by Hon. Kizito Okoth Opeya on 4th August 2016 seeking to know why there was lack of drugs at Maweni Dispensary.

Consequently the Committee wrote to the Department and annexed herewith is the statement from the Department of Health on the matter.

Hon. Speaker number 2 is about observations and findings; The Committee considered the statement by the Department of Health on the lack of drugs at Maweni Dispensary.

Mr. Speaker on the same observations and findings the statement does not show or indicate any lack or shortage of the drugs/medicine at the medical facility. The statement shows frequent supply of drugs at the facility.

Hon. Speaker the Committee will appreciate if further details are provided by the questioner or if he is satisfied by the status quo.

Hon. Speaker No. 3 regarding conclusion; The Committee is satisfied by the statement submitted by the Department of Health on the lack of drugs at Maweni Dispensary however, it is still open to further investigation should it be found necessary.

Hon. Speaker No. 4 on this Report is about recommendations; The Committee approves this Report and resolves to recommend to the County Assembly for adoption. Hon. Speaker the County Assembly to consider and adopt this Report.

Hon. Speaker as I clearly indicated we have an extra report dully signed by the department of health, and Hon. Speaker if you look at the Report it says;

Hon. Speaker the faculty offers the following services;

- *Immunization*
- *Maternal child health*

- *HIV counseling and testing*
- *Family planning*
- *Growth monitoring*

- *Delivery services*

Out of this Maweni received a consignment worth Ksh.195, 000, this was delivered in the first week of June.

On the 16th August 2016 the facility received anti-malarial drugs and diagnostic kits for malaria (Malaria RDT) this supply was from KEMSA.

Hon. Speaker No. 3 as from November 2015, procurement of non-pharmaceuticals has been undertaken with support from Wofak (estimated cost of Kshs. 600,000), the following commodities have been supplied; laboratory reagents, gloves, cotton wool, cervical cancer screening reagents.

Hon. Speaker (b) Equipments in April 2016, equipment of reproductive health services was procured by DSW. Maweni received equipment worth Kshs. 1 million.

Human resource-The County government posted 2 additional nurses in the month of May and February, total number of nurses is 5.

Hon. Speaker, the challenges - As we are aware that we have challenges as much as there are good things on this Report, lack of perimeter wall to prevent easy access to the facility, there has been incidences of security involving the staff at the facility".

(Hon. Kibwana Swaleh ended reading the Report)

Hon. Speaker there is the Report that I was reading before this Hon. House and I request that the House adopts this Report, thank you.

Temporary Speaker (Hon. (Mrs.) Nyamvula): Thank you. Proposer?

Hon. Thoya: Hon. Speaker I stand before this Hon. House to second the Report.

Temporary Speaker (Hon. (Mrs.) Nyamvula): Thank you Hon. Members, I now put a question. Hon. members I am putting a question that this Report...

(Interruption)

Yes Hon. Mary what is the issue, you are on.

Hon.(Ms.) Akinyi: Thank you Madam Speaker, I would like to ask if it is really a Member; who is not a Member of this Committee is allowed to second the report.

Temporary Speaker (Hon. (Mrs.) Nyamvula): Hon. Members this is a question on the House, we will discuss that it was the..., the issue here is to second then the discussions will follow thereafter. So will as many as of the opinion that this Report, the Report on lack of drugs at Maweni dispensary be adopted.

(Question put and agreed to)

This Report is adopted.

DISCLAIMER: *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor Page 4*

(Applause)

Hon. Kibwana Swaleh: Yes Hon. Saad what is it?

Hon. Faraj: I think Madam there is a mistake we have adopted the Report even before we deliberated even a single word on this Report.

Temporary Speaker (Hon. (Mrs.) Nyamvula): We are now going to start deliberations.

Hon. Faraj: Okay thank you.

Hon. Kibwana Swaleh: Thank you Hon. Speaker I think today is my day I've been standing here and seating...

Temporary Speaker (Hon. (Mrs.) Nyamvula): It is also my day.

Hon. Kibwana Swaleh: It is also your day thank you. Hon. Speaker I think the Members have copies of this Report and as clearly stated the Report we got it from the department of health services and to show that Maweni dispensary as far as this Report is concerned has been supplied with drugs.

Hon. Speaker I think that Maweni dispensary is among the old dispensaries which were under Municipal; to find that the drugs that were sent there were frequently done if you look at the dates that I have read before this Hon. House.

Hon. Speaker as much as we also have some good things in this Report it is clearly defined that any Report that is brought to this Hon. House there is an element that is missing; this is an issue of human resource.

Hon. Speaker, the issue of human resource is a big challenge to this County and you'll find that it is across all the facilities within the facilities.

Hon. Speaker also when you look also at the other challenges they normally arise when you go for site visiting or you go to any facility.

It is an issue of also the drugs and these people have said that maybe sometimes the supply that also lacks because of the demand it is also sometimes a challenge but am happy that my department, my Committee is working closely to see this challenge has been overcome.

I would also urge this Hon. House always to support this department because it is the backbone of our County when it comes to health service; the services and we hope that you have been accorded a lot of support that we continue asking for more support from this Hon. House especially when it comes to budget issues in the area

So my conclusion Hon. Speaker we have done our job and I think it is upon the Members to approve this Report and allow for some more investigations trying to see if the problem that we will be able to overcome it.

DISCLAIMER: *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor Page 5*

Hon. Speaker I am glad I have finished this Report, it has taken a long time thank you.

Temporary Speaker (Hon. (Mrs.) Nyamvula): Yes Hon. Saad.

Hon. Faraj: Thank you very much Hon. Speaker for this opportunity. Hon. Speaker for the first time today I am disappointed with the Report which has been brought to this House.

Madam Speaker we have been here for the past four years; we know very well how a Report is supposed to be framed and structured.

Madam Speaker if you look at the document, they are two attached documents, one is the purported minutes of the meeting which did not even follow the procedure of the meeting, as you all are aware there was supposed to be a place where it shows that we needed to confirm the minutes of the previous meeting on this minutes but generally it is only attachments.

Madam Speaker if you look at it very carefully and the last part which was being referred to by the Chair was a letter which was written as a response from Dr. Khadijah Shikely who has brilliantly done her job, but with the exception of I don't know the Committee or the leadership of that Committee.

Madam Chair we are saying that this purported Report which has been brought to this House is not a Report and we cannot see, even find where the conclusion is, the resolutions of the Committee, the findings of that particular Report whether or not if they went to the site and had a feeling of that particular place.

So Madam Speaker for the first time I am saying that I am disappointed with our Chairman for having not done his job as he is supposed to do the job...

(Applause)

Madam Speaker this is a shady job that has been done by I don't know who to blame but it is either the Committee Clerks have failed to perform their job diligently and they decided that they would come here and patch up the situation so that it can seem like the job was done, but in reality there is no Report here Members, thank you.

Temporary Speaker (Hon. (Mrs.) Nyamvula): Hon. Mary Akinyi.

Hon. (Ms.) Akinyi: Ahsante sana Mheshimiwa Spika. Mheshimiwa Spika hata mimi pia hii Ripoti inanikanganya kwa sababu kwanza aliyesema kuwa hii Ripoti ni ya kweli pia si mmoja wapo wa Kamati hii.

Alafu tukiwa tunaangalia hii Ripoti tunapata kuwa Kamati yenyewe haikujadiili sana yale mambo kutokana na hii barua ambayo imetoka kwa *Chief Officer* ambayo pia katika hii Ripoti imetoka kwa *Chief Officer*.

Katika ukurasa wa mwisho ambayo imetuambia changamoto ambazo ziko katika hio hospitali hua kuna changamoto ya kuwa hakuna ukuta na pia kuna ukosefu pia wa usalama na nashindwa Kamati hii haikujadili vile wangeweza kujadili haya mambo kwa kinaga ubaga.

Kwa sababu yaweza ikawa kwa vile hakuna ukuta kwa hio hospitali pengine ndio kwa sababu hata haya madawa hayako, yaweza kuwa hata vile hakuna ukuta na pia kuna ukosefu wa usalama pengine kuna dawa ambazo zilipelekwa mle ndani na kwa vile hakuna ukuta zikaibiwa.

Kwa hivyo mimi Mheshimiwa Spika ningeomba kupitia katika Kiti chako Kamati hii irudi ikajadili Ripoti hii vizuri watuletee Ripoti ambayo hata tukiwa tunaangalia hapa itatupatia jibu sawa ambalo sisi pia tutaweza kuona ni shida gani ambayo iko?

Kwa sababu Mheshimiwa Spika hata ikiwa tunaangalia katika hii Ripoti, katika hii barua ambayo imeletwa kutoka kwa *Chief Officer* katika hapa juu inatuambia idadi ya watu ambao wanaenda katika ile hospitali...

(Interruption)

Temporary Speaker (Hon. (Mrs.) Nyamvula): Hon. Mary there seems to be loud consultations please Hon. Members consult honorably. Yes Hon. Mary.

Hon. (Ms.) Akinyi: Mheshimiwa Spika hata tukiwa tunaangalia idadi ya watu ambao wanaenda katika ile hospitali ni wengi sana tukiwa tunaangalia ile bajeti ambayo idara ya afya ilipeana kwa ajili ya kununua madawa katika ile hospitali.

Kwa hivyo Mheshimiwa Spika ningeomba...

(Interruption)

Temporary Speaker (Hon. (Mrs.) Nyamvula): Yes Hon. Kibwana Swaleh, Chairman.

Hon. Kibwana Swaleh: The Report has not shown any number of people who are going to the dispensary but that is the population in Mkomani Ward.

Temporary Speaker (Hon. (Mrs.) Nyamvula): Okay Hon. Swaleh let Hon. Mary complete her submissions, thank you.

Hon. (Ms.) Akinyi: Ahsante sana Mheshimiwa Spika. Mheshimiwa Spika Mheshimiwa mwenzangu anataka kunikanganya ndio nisifikie katika yale ambayo nilikuwa nataka kuzungumza.

Ndani ya hii Ripoti Mheshimiwa Spika sijui kama *population* na watu iko na tofauti gani?

Kwa sababu naomba msamaha niisome kwa Kingereza, "*Maweni Dispensary is Located in Nyali Sub County and it serves...*", ndiposa nikasema Mheshimiwa Spika kuwa inahudumia idadi

DISCLAIMER: *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor Page 7*

ya hawa watu elfu kumi na mbili, zaidi ya watu elfu kumi na tatu ambapo watu wanahudumiwa katika hii Zahanati ya Maweni.

Mheshimiwa Spika ikiwa tunaangalia idadi ya watu ambao wanahudumiwa katika hii Zahanati na ile bajeti ama madawa ambayo walinunua kulingana na kupitia hii kiasi ambayo walipewa kupitia kwa hii Zahanati inaonyesha wazi kuwa haya madawa hayakuwa yanatosha.

Kwa hivyo Mheshimiwa Spika mimi narudi ikiwa ninakaa chini nikisema Kamati hii iende ikatutengenezee Ripoti nzuri ambayo tunaielewa ili tukaweze kujadiliana vile tunaweza kusaidia wakaazi wa Maweni ambao wanahudumiwa katika ile Zahanati ya Maweni. Ahsante sana Mheshimiwa Spika.

Temporary Speaker (Hon. (Mrs.) Nyamvula): Hon. Karume.

Hon. Karume: Thank you Madam Speaker for according me this opportunity also to contribute on the ongoing debate; first and foremost I would like to concur with my colleagues Hon. Saad who has raised great concerns...

(Applause)

In the first place Madam Speaker I want to believe the Report has not been adopted because the question was proposed and not put because if we are adopting a honorable Report instead of adopting a honorable Report we should be setting a very dangerous precedent...

(Applause)

Madam Speaker...

(Interruption)

Hon. Kibwana: JAP.

Hon. Karume: There's a Member who said JAP Madam Speaker he should withdraw that..

(Interruption)

Temporary Speaker (Hon. (Mrs.) Nyamvula): Hon. Members maintain order please!

Hon. Karume: Thank you Madam Speaker for protecting me, in the first place Madam Speaker I ought to know the Committee Members who participated which I did not hear the list be read, is it there?

Temporary Speaker (Hon. (Mrs.) Nyamvula): It is there but it was not read, yes Hon. Onje.

Hon. Onje: Ahsante Mheshimiwa Spika mimi ingekuwa ni vizuri kama Hon. Kibwana aombe msamaha si vizuri Mheshimiwa Karume anaongea halafu anasema yeye ni JAP.

Hayo ni makosa Bi Spika lakini naona yeye anakaa hapa tu ananyemelea aone Ripoti hii tunapitisha ni vizuri asimame aombe msamaha ama hatuna JAP hii Nyumba wanachama wa ODM watupu.

Temporary Speaker (Hon. (Mrs.) Nyamvula): Hon. Swaleh can we have the withdrawal please.

Hon. Kibwana: Thank you Madam Speaker, I think my colleague that is Hon. Karume is not a JAP Member and when I say it I mean it should not be taken as an issue here...

(Interruption)

Temporary Speaker (Hon. (Mrs.) Nyamvula): Please withdraw.

Hon. Kibwana Swaleh: I withdraw.

(Applause)

Temporary Speaker (Hon. (Mrs.) Nyamvula): Hon. Karume continue.

Hon. Karume: Thank you my Hon. Colleague. Madam Speaker there are many aspects that needed to be featured in this Report which are missing, okay I have been informed that the list of Committee Members have been appendix in this Report which I do not know if I happen to be one of them because I applied to be a Member of this Committee.

So in the event my name is there then I have an issue Madam Speaker otherwise going with the verdict of this Report it indicates that there's a problem there which was raised by a representative of that area and I want to believe that there's more than that because the Hon. Members is representing a Ward and being one of its role we know its representation and having brought this issue in this Hon. House he must have certain issues regarding the statement that he has raised.

So am going to believe even if the verdict or the response to the respective department I was expecting to hear whether they invited the Hon. Member to come and set the record straight before having this issue in the House he had an issue on hand so I have a request to our Hon. Chairman whom I respect the most to do the Hon. thing of withdrawing this Report for another date for us to be able to adopt...

(Applause)

Madam Speaker I oppose. Thank you.

Temporary Speaker (Hon. (Mrs.) Nyamvula): Hon. Wangudi.

Hon. Wangudi: Ahsante Madam Spika kwa ruhsa hii ili niweze kuchangia Ripoti ilioko ndani ya Jumba hili.

Mheshimiwa Spika ninaweza sema kwa siku ya leo ni siku ambayo hatuna bahati; ni siku ambayo tumetarajia kupata Ripoti kutoka kwa Kamati ya Afya na Ripoti hiyo Madam Spika ni kana kwamba haijafika ndani ya Nyumba hii na niko na sababu za kutosha kueleza kuwa Ripoti hiyo haijafika ndani ya Jumba hili.

Mheshimiwa Spika kwanza kabisa aliyetoa Ripoti hii aliposoma Ripoti ya kwanza ambayo ni stakabadhi ya Bunge hili iliottiwa sahihi na Mheshimiwa Mwenyekiti ambaye anawakilisha Wodi ya Miritini alisema ya kwamba kuna Ripoti nyengine kutoka kwa *department*.

Bi Spika na hapa tunapoangalia kwenye mapendekezo yaani *recommendation* tunasema kwamba, "*The Committee approves the report and resolve to recommend to the County Assembly for adoption...*".

Sasa Madam Spika sijaelewa ni Ripoti iliyotoka katika *department* ama Ripoti ile ambayo ni ya Bunge hili Mheshimiwa Spika.

Bi Spika kama unavyojua Ripoti hairuhusiwi kuingia katika Jumba hili isipokuwa ni stakabadhi ya Bunge hili; aidha uje kama ushahidi ama ni stakabadhi ya Jumba hili.

Mheshimiwa Spika sasa hapa anavyosema kwamba Kamati izingatie ama Bunge izingatie Ripoti hii nimechanganyikiwa ni Ripoti ya *County Assembly* ama ni ya *department*.

Bi Spika ishara tosha kuwa hatuna Ripoti ndani ya Bunge ni kama wanavyosema katika, '*the committee is satisfied by the statement submitted by the department of health...*'.

Mheshimiwa Spika Kamati hii haijafanya kazi inajaribu kuzingatia taarifa ambayo imetoka katika *department* na inapoendelea na kusema, '*However it is still open for further investigation should it be found necessary....*'.

Bi Spika ni kumaanisha kwamba kazi hii haijamalizika...

(Applause)

Kuna mapengo mengi ambayo yanatakikana yawe yamezibwa na Ripoti ije ikiwa imekamilika Bi Spika, na ripoti kama hizi twataka tuseme ya kwamba ni stakabadhi ambazo zinaleta aibu katika Bunge hili.

Bi Spika hakuna Ripoti hapa ambayo tunaweza kusema Kamati yetu ya Afya ni Kamati ambayo tunaipenda na katika kazi imelegeza kamba.

DISCLAIMER: *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor Page*

Bi Spika ningeomba kupitia Kiti chako cha heshima kiwapatie Kamati hii nafasi watengeneze Ripoti ya heshima ilete katika Jumba hili ambalo ni la heshima. Ahsante.

Temporary Speaker (Hon. (Mrs.) Nyamvula): Hon. Onje.

Hon. Onje: Ahsante sana Bi Spika, mimi pia naipinga hii Ripoti na si ati napinga kwa sababu wenzangu wanapinga; napinga tu kulingana na vile mimi ninaisom.

Naona kuna udanganyifu sana kwenye hizi kurasa hata ukiangalia utangulizi hata hauridhishi Bi Spika, kwanza hii Kamati ambayo inaongozwa na Mheshimiwa Kibwana Swaleh Wanachama hata hakujua kama wanafaa wakae hapa ili waweze kuitetea Ripoti yao kwa sababu hawajui hawakuenda.

Ni kitu nafikiri Mwenyekiti anafanya kazi peke yake akiingia mahali anataka kuwa mbele ndio sababu Bi Spika unaona hata kuunga mkono hii Ripoti wakati aliposoma iliungwa mkono na asiekuwa Mwanachama.

Ripoti nzuri ni ile ikiletwa Bi Spika ni Wanachama wakae waseme ni kweli na tuone ni kitu cha sawa sawa.

Kwa hivyo tunamuambia Mwenyekiti wa Afya wewe usituletee Ripoti hapa sisi hatuna wakati wa kupoteza hapa ni kuchapa kazi tu, hapa hakuna mchezo ni wewe na kupitia kwa kiti cha Bi Spika wapewe nafasi ya kwenda kufanya tena manake hata sijui hizi karatasi yeye mwenyewe ameziokota wapi?

Haikai hata kidogo Bi Spika hata sitaki kusoma kwa sababu vitu vikiingia hapa Bungeni vile ambavyo havina maana ni heri tusimame kidete kusema ya kuwa huyu Mwenyekiti anaona kazi inamshinda kwa sababu kama mimi ningelikuwa kwenye hiyo Kamati ni vile tu ni bahati mbaya siko kwenye hiyo Kamati mimi ningeanza kusema tumtoe Mwenyekiti na tuweke mwengine kwa sababu idara hii ni muhimu sana. Ahsante sana.

Temporary Speaker (Hon. (Mrs.) Nyamvula): Hon. Amir Thoya.

Hon. Thoya: Ahsante sana Mheshimiwa Spika kwa kunipa hii fursa, nimesimama kuunga mkono Ripoti hii ambayo imeletwa na Mwenyekiti wa Kamati ya Afya...

(Applause)

Mheshimiwa Spika mimi nawakilisha Frere Town iliko katika eneo Bunge la Nyali na hospitali ile Bi Spika inayozungumziwa iko katika eneo Bunge letu na kitu ambacho nataka wenzangu wafahamu ni kwamba Kamati ya Afya ni Kamati ya Bunge ambayo iliweza kutoka ikaenda mashinani na kwenda kuangalia hali halisi ilivyo na ndio maana wameweza kuleta Ripoti hii.

DISCLAIMER: *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor Page*

Mheshimiwa Spika hospitali inayozungumziwa ni hospitali ya Kaunti na kama inavyoonyeshwa katika Ripoti iliotoka kwa *Chief Officer* wa Afya ilionyesha kwamba hospitali hii iko na wafanyi kazi ambao wameandikwa na serikali yetu ya Kaunti pia vile vile inaonyesha huduma ambazo zinapatikana katika hospitali ile ndogo.

Kitu ambacho Mheshimiwa Spika waheshimiwa wengi wanashindwa kujua ni kwamba kuna tofauti ya hizi hospitali kwa sababu wao hii wanaita hospitali lakini ukweli wa mambo ni kwamba ni zahanati na zahanati huwa ni hospitali ndogo...

(Applause)

Kwa hivyo kitu cha msingi Mheshimiwa Spika ni kwamba zahanati ambayo inazungumziwa hapa kulingana na ushahidi unaonekana ni kwamba iko na madawa; ni kiwango tu cha kutosheleza kile kiwango cha zahanati lakini si kweli kwamba ni hospitali ambayo inatarajiwa kuwa na madawa ama huduma ambazo pengine zinaweza kutolewa kwa hospitali ya level 5 ya Coast General.

Ni kama mgonjwa kutoka kijijini aende pale apate huduma na kama pengine ugonjwa wake unazidi anaweza kuwa *referred* akaweza kuletwa katika hospitali ya Coast General.

Kwa hivyo kulingana na kiwango na *capacity* tunaona ya kwamba Mheshimiwa Spika Kamati ya Afya imefanya kazi yake imeleta Ripoti katika Bunge hili kwa hivyo sioni kama kuna tashwishi yeyote isipokuwa ni kuunga mkono Ripoti hii kwa sababu Mwenyekiti amefanya kazi yake. Ahsante sana Mheshimiwa Spika.

Hon. (Ms.) Akinyi: Point of Information.

Temporary Speaker (Hon. (Mrs.) Nyamvula): Yes Hon. Mary inform the House.

Hon. (Ms.) Akinyi: Thank you Madam Spika. Madam Spika I would like just to inform this House the dispensaries were built to reduce the work load at the Coast general let the House be informed. Thank you.

Temporary Speaker (Hon. (Mrs.) Nyamvula): Thank you, yes Hon. Amir Thoya.

Hon. Thoya: Ahsante sana Mheshimiwa Spika lakini bado itabakia pale pale kwamba hii ni zahanati na sio hospitali kamili.

Kwa hivyo ni tujue kwamba kama imefikia kiwango kwamba hospitali ile iwe hospitali kamili ni kupitia kwa Bunge lakini kufikia sasa Mheshimiwa Spika Kamati ya Bunge ya Afya imetekeleza ujumbe wake na kama kutakuwa na mapendekezo kama Mheshimiwa anavyoomba kuwa hiyo iwe hospitali na isiwe zahanati ripoti hii basi Mheshimiwa Spika iwe na marekebisho

DISCLAIMER: *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor Page*

lakini kwa sasa Ripoti imefika kwenye Bunge na Kamati imetekeleza jukumu lake kama vile ambavyo ilikuwa imetumwa. Ahsante sana Mheshimiwa Spika.

Temporary Speaker (Hon. (Mrs.) Nyamvula): Hon. Jimmy Odari.

Hon. Odari: Ahsante sana Mheshimiwa Spika kwa kunipa fursa hii na mimi kutoa maoni yangu kuhusiana na hii Ripoti ilioletwa na Kamati ya Afya.

Mheshimiwa Spika hakika sioni sababu gani kuwa watu wanaanza kujibishana; kwa sababu gani nasema hivi? Masuala ya afya ni masuala nyeti sana wakati Mheshimiwa Kizito Opeya ambaye ameleta taarifa kuhusiana na suala hili alipoleta hapa alikuwa na jambo ndio akalileta hapa.

Ni vizuri sasa kama Wajumbe tuzingatie kwamba yeye ni Mwakilishi wa wale watu wa sehemu ile na ni Mwakilishi wa kuwa anakuja kuzungumza kama sauti ya watu wa lile eneo.

Kwa hivyo ile taarifa aliyouliza hapa aliuliza kwa niaba ya watu wa Maweni na wale watu wa eneo la Maweni si wenda wazimu sababu ya kutaka kujua kuwa madawa hakuna ni kwa kuwa madawa hakuna iwe ni hospitali iwe ni zahanati.

Hata zahanati ina madawa kiwango chake hatutarajii kuwa zahanati itakuwa na madawa mengi kama vile Coast General ama hospitali kubwa lakini kama hiyo zahanati kwa kiwango chake haina madawa hilo ni jambo ambalo tunatakikana tuliangalie kwa ukamilifu.

Mimi ningetamani Mheshimiwa Opeya mwenyewe angekuwa hapa wakati majibu haya yanapeanwa ili aweze kutueleza zaidi kutokea na kilichompelekea yeye kuja kutaka hii Ripoti hapa.

Kwa ajili hiyo Mheshimiwa Spika mimi ningeomba Kamati na sioni hasara Kamati irudi ikafanye kazi yake vizuri ilete Ripoti hapa kwa ajili ya manufaa ya wananchi, tunajibishana lakini wananchi wako pale pale, kwa hivyo mimi napinga ripoti...

(Applause)

Temporary Speaker (Hon. (Mrs.) Nyamvula): Hon. Hatimy.

Hon. Mohamed Hatimy: Ahsante sana Mheshimiwa Spika. Mheshimiwa Spika nashukuru kwa kunipa hii nafasi nichangie. Mheshimiwa Spika mimi naiunga mkono hii Ripoti...

(Applause)

Kwa sababu gani mimi naiunga hii Ripoti mkono, Ripoti kuna suala lilioulizwa la kusema kuwa hakuna madawa na Ripoti imejibu ikasema kuwa dawa ziko kama kawaida.

DISCLAIMER: *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor Page*

Ripoti si lazima iwe na kurasa 3 ama 4 ama 5 ndio itakuwa ni Ripoti...

(Applause)

Ripoti imejibu suala lililoulizwa kuwa hakuna dawa na Ripoti imesema dawa ziko, kwa hivyo Mheshimiwa Spika angalia sheria vile ilivyo na kusema kuwa hii stakabadhi hata kama ni karatasi moja imeleta *introduction* iko, *observations and findings* ziko, *conclusion* iko, *recommendation* ziko...

(Applause)

Sasa sijui hii tutaita nini hii? Sijui tutaita jina gani? Si lazima iwe na kurasa tatu, nne ndio itakuwa ni Ripoti, angalia *prayers* iliuliza nini? Na imejibiwa.

Kwa hivyo Mheshimiwa Spika naona Ripoti iko sawa isipokuwa kama mnataka kumwambia aliyeileta hii Ripoti aende akatengeneze *minutes* iwe sawa...

(Laughter)

Lakini isitupiliwe mbali hii Ripoti, Ripoti iko sawa lakini *minutes* ndio ziende zitengenezwe...

(Applause)

Temporary Speaker (Hon. (Mrs.) Nyamvula): Thank you Members for the deliberations I have listened with a lot of interest, Hon. Members first and foremost it is very important when we ask questions in the House let us be present when the reports come in...

(Applause)

That is my first note; that is the responsibility of the Clerk to get in touch with Hon. Members to ensure that Members know that the Report or Statement are coming in to the House on a particular date so that is the first observation.

I would like to mention it so that in future all of us are aware and the Clerk should remind them.

Secondly, observation is the Report in terms of the Clerks, I think the Clerk on duty should take note because it also bears very heavy blame on them as per the way the Reports are being brought in the House.

When the Report has been put when it comes to the deliberations I just want to point out two things which the Members have pointed out on the first sentence says, "*Maweni Dispensary is located in Nyali Sub county and serves a population of 12,947 people...*".

DISCLAIMER: *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor Page*

I take that to be the population who visits the dispensary not the population of Maweni; coming from Nyali am very sure it is not the population of Maweni but this is the population of the people the dispensary serves and that is my second note.

My third note I do wish also to point out that there was a mistake that Hon. Amir Thoya seconds the Report and he is not a Member...

(Applause)

But when it come to this Report I just wish to mention to the Chairman of Health this is one department every Member of this House respects because of the good work it has done with the Chief Officer and the Minister for Health and so for me there are few issues which are not moulding well in this Report.

Members have pointed out but everything is okay but the meat in the Report is wanting and so on that matter my ruling will be that the Report was incomplete...

(Applause)

We need to do further investigation for it to be adopted and the Committee lacks more articulation so the Report can be revised and be brought back in the House there's nothing wrong with the layout. Thank you.

(Applause)

Yes Clerk.

STATEMENT

Thank you, this statement not only I am referring to another date because it's my statement but because the statement has not been typed according to what has been asked.

I have not asked for due date of completion of the drainage at Kongowea Market, my statement was to find out the drainage passing along the Frere Town Kisauni Cemetery, there was a big drainage being constructed by the County Government the statement is not correct to be brought next week. Yes Clerk.
