**MOTION**

Yes Leader of Majority.

**Leader of Majority** Hon. Mwidani: Mr. Speaker now let me take this opportunity to move a Motion that this House adopts the Report on lack of representation of the County Assembly in various County activities laid on the Table on Wednesday 21<sup>st</sup> September 2016. Let me take this opportunity to request Hon. Chief Whip to second the Motion.

**Chief Whip** Hon. Ahmed Ebrahim: I second the Motion.

*(Question proposed)*

**Temporary Speaker**(Hon. Mwalimu): I do now propose a question that the Motion on lack of representation of the County Assembly in various County activities be debated in this House.

*(Question proposed and agreed to)*

**Leader of Majority Hon. Mwidani:** Now Mr. Speaker let me read the Report on lack of representation of the County Assembly in ASK show, Mombasa...

*(Interruption)*

**Temporary Speaker(Hon. Mwalimu):** Leader of Majority with all due respect I think you have to rectify the Report because the Report before me is a Report on non representation of the County Assembly in ASK show Mombasa.

And the issue at hand was representation of the County Assembly in various County activities and not to be precise the ASK show.

The person who raised this issue was much concerned on let's say football activities, and other various activities so you let your office rectify this Report.

**Leader of Majority (Hon. Mwidani):** Mr. Speaker i think when he said various he mentioned about the ASK show; why we did not have a stand that's why we started on the investigation on the matter of ASK show although various means many areas.

If you can allow me because this is the tabling we thought we should stick on the issue why we did not participate on the ASK show, and we just came with that Report on why we did not participate in the ASK show.

Please Mr. Speaker if you will allow me, if you allow me so that I continue with this Report and there is so much I know If I had struggled with various Reports I know in this House I'll be coming with so many Reports and am ready to come with other Reports.

This was mentioned why we did not participate in the ASK show, I think this is why Mr. Speaker I have just come with one of the reasons of the various issues which were raised, Mr. Speaker if you can allow me...

**Temporary Speaker(Hon. Mwalimu):** As for your prayers you have clearly stated that they are various Reports that are coming to the House so you can proceed but be informed that the House will need to get other Reports as soon as possible.

**Leader of Majority Hon. Mwidani:** Thank you Mr. Speaker, now let me take this opportunity to present the Report...

*(Leader of Majority Hon. Mwidani read report on non-representation of County Assembly in ASK Show Mombasa August 2016)*

<i>Hon. Maimuna Salim</i>	<i>Member</i>
<i>Mr. Salim Juma</i>	<i>Secretary</i>
<i>Ms. Patricia Nzioka</i>	<i>Member - CASB</i>

### **1. Introduction**

*This is a Report of the findings of the County Assembly Service Board (CASB) following a statement raised by Hon. Patrick Siminyu on non-representation of the County Assembly in the ASK Show Mombasa.*

#### **1.1 Appointment of a Taskforce**

*On 2<sup>nd</sup> August, 2016 County Assembly Service Board resolved to nominate a Taskforce to spearhead the preparations of the same. The team comprised of the following Members:*

<i>Ms Patricia Nzioka</i>	<i>Chairperson</i>
<i>Ms. Zakia Abdi</i>	<i>Vice chairperson</i>
<i>Ms. Mariam Menza</i>	<i>Member</i>
<i>Mr. Yusuf Abubakar</i>	<i>Member</i>
<i>Mr. Hassan Mwarizo</i>	<i>Member</i>
<i>Mr. Hafsa Kirao</i>	<i>Member</i>
<i>Mr. Hassan Mwachimako</i>	<i>Member</i>

#### **1.2 Site Visit**

*The Taskforce undertook a site visit to Mkomani Show Ground on 8<sup>th</sup> August 2016 and met with Ms. Jennifer Wanzau, Branch Accountant and Mr. Amos Kirui Branch Co-ordinator to assess the status of the County Assembly stand with respect to:*

*Electrical Connection , renovation of the Speaker's launch, Wall painting, General cleanliness and any other issue related to the stand.*

### **2. Observations and Findings**

*2.1 The taskforce was informed that the Assembly owed Kshs 700,000 to ASK for the rent arrears of the year 2014 & 2015 . The debt had to be settled in order to be allocated a stand this year.*

*2.2 It was brought to our attention, the usual stand was allocated to Independent Electoral and Boundaries Commission (IEBC). The ASK management was willing to re-allocate the Assembly to any other available stand.*

*2.3 The Taskforce was also informed that the current year should be paid upfront before being allocated a stand.*

*2.4 The management handed the Taskforce an opportunity to identify another stand that was used by Kenya Methodist University and we were supposed to clear the outstanding debt before allocation.*

*2.5 The co-ordinator informed the team that communication on confirmation of exhibitors participation for the County Assembly was done through the Department of Agriculture .*

*2.6 The entry passes for the year 2016 were acquired through an LSO.*

### **3. Conclusion**

*3.1 The Taskforce found out that the Assembly had a debt of Kshs 700,000 to settle with the ASK Management before any further preparations of the stand which its payment was Kshs 250,000.*

**4. Recommendations**

*4.1 There is need to clear the outstanding debt of Kshs 933,500 to ASK, Mombasa. This would enable the Assembly participate in any other exhibitions effectively.*

*4.2 The Assembly needs to allocate adequate funds for trade shows and exhibitions from the initial Ksh 500,000.*

*4.3 Communication from the ASK management pertaining the stand should be done through the County Assembly Clerk and not the County Executive Member for Agriculture.*

*(Leader of Majority Hon. Mwidani ended reading the Report)*

Thank you Mr. Speaker that is the Report of non-representation of the County Assembly in the ASK show Mombasa.

**Temporary Speaker**(Hon. Mwalimu): Now your Motion add some value to your Motion for at least Members to understand more because it is a Motion Hon. Leader of Majority.

**Leader of Majority Hon. Hamisi Mwidani:** Thank you Mr. Speaker, I think it is something very straight forward.

You know you cannot do anything without having cash and the problem of this issue is because we did not have enough cash.

So Mr. Speaker I would urge this House the time of preparing the budget we should also consider this issue very seriously because actually what made us not to succeed in this we didn't have enough cash on the side of the budget.

So I would urge the House to think of the allocation of the issue of the stand in the ASK show because it is a very big failure to be seen that the show is there we did not participate.

So Mr. Speaker I would like to emphasize to the Members to think about it in the future so that we don't get any failure to participate in such event, thank you Mr. Speaker.

**Temporary Speaker**(Hon. Mwalimu): Yes Hon. Amur.

**Hon. Amur:** Thank you Mr. Speaker, just to add to what our Majority Leader has said it is a fact that failing to plan is planning to fail in the Assembly because anything that we are supposed to do must be budgeted and if we have not budgeted there is no way that we can access that money.

It is not only the show Mr. Speaker, several invitations have arrived in this Assembly but the MCAs do not attend even in Nairobi they have been requesting us to go to participate in their

Nairobi show but due to the lack of money and this is a major problem, we do not do it at the budget state and then we want to do things.

Unless we agree during the budget Mr. Speaker, that we capture all our issues before the budget is passed other than that issues of participating in various activities will be a no way zone, thank you Mr. Speaker.

**Temporary Speaker**(Hon. Mwalimu): Yes Hon. Siminyu.

**Hon. Siminyu:** Thank you Mr. Speaker, it is high time as a House we have to allocate ways in which we can participate in each and every event that requires our participation.

Mr. Speaker the Mombasa show was a very important event and we have done a lot and yet citizens have no information of whatever we are doing.

When we participate in such activities Mr. Speaker it is going to ensure that the public understands and know what as an Assembly we have achieved so far since its inception.

Mr. Speaker I beg this House when the coming budget comes let us put necessary allocations so that we can participate in each and every event not only in Mombasa; it was the other day we had a conference somewhere around Meru and other small Counties had their stands but us as Mombasa County we could not have one as the Assembly.

Mr. Speaker we need to improve on that so that we can have a good relationship with the citizens because citizens are being told lies about whatever we are doing, It is an opportunity to tell them the truth about the Assembly, thank you.

**Temporary Speaker**(Hon. Mwalimu): Yes Hon. Opeya.

**Hon. Opeya:** Thank you Mr. Speaker, that the executive had a stand there at the show ground, all the departments were represented so it must have been confusing for them to have a stand and us not to have a stand.

We are serving part of the same government unless maybe they are two governments in Mombasa County...!

It is in order for the Finance Secretary to pay for our stand, we have our Members there to go and interact with the public and explain to them what we are doing a lot of propaganda out there is because we are not there to interact with the public in events like these where 200,000 to 300,000 people are at the Showground.

That would have been a good way for them to come to our stand and understand what we are doing, thank you very much.

**Temporary Speaker**(Hon. Mwalimu): Yes Hon. Mary.

**Hon. (Ms.) Akinyi:** Ahsante sana Mheshimiwa Spika; kwanza ningeshekuru Kiongozi wa Walio Wengi katika hili Bunge letu kutuletea hii Ripoti ambayo ni Ripoti nzuri sana.

Mheshimiwa Spika la kunishangaza ni hili deni ambalo tuko nalo ambayo liko karibu milioni moja kwa ajili ya *stand* yetu ambayo imeandikwa kwa *recommendation*.

Mheshimiwa Spika jambo la kuongezea kabisa ni vyema tuweze kufanya matayarishi yetu ya kibanda chetu tu ndani ya *Show* mapema kwa sababu hata mwaka huu pia hata tiketi za kuingia *Show* pia zilikuwa kizungumkute ambayo tulipewa hata dakika za mwisho hata hujajipanga unataka kwenda *Show* vipi unataka kuenda na watu wako vipi ili mtu akaweze kujipanga.

Kwa hivyo Mheshimiwa Spika nashukuru kwa ajili ya hii Ripoti lakini naomba mwaka ujao tuweze kujipanga mapema na tufuatilizie haya ambayo tumeletewa katika *recommendation* kuwa mwaka ujao *Clerk* wetu wa *County Assembly* aweze kuangalia haya mambo ya tusiachie tena *executive*.

Kwa sababu kwa njia ya *executive* tunaona kama tuna ama tunafinywa kwa sababu kama ni mambo na ukulima yote yanaingia hapa kwa *County Assembly* na ni sisi pia tunaenda kuangalia yale mambo ambayo yametengenezwa na kiwanda ambayo imesimamiwa na ukulima na ni wale wale watu tunawawakilisha hapa ndio pia wanaenda katika hivi vibanda vyote.

Kwa hivyo mimi naomba tuzingatie hii *recommendation* ya mwisho ya kuwa mwaka ujao iweze kuangaliwa na tupewe ripoti zetu mapema kama ni hizo tiketi tujue tutapewa tiketi ngapi na tupewe mapema, ahsante Mheshimiwa Spika.

**Temporary Speaker**(Hon. Mwalimu): Yes Hon. Onje.

**Hon. Onje:** Ahsante sana Mheshimiwa Spika nimesimama hapa kuunga mkono; ni serikali kwa sababu vile tunavyojua ni kwamba serikali ya Kaunti ina mikoni miwili; mkono moja ni *executive* na mkono mwingine ni *legislature* ambayo ni sisi hapa.

Mheshimiwa Spika wakati tunaenda *Show* tunafaa tuwe na kitengo yetu ile ambayo tumetenga kwa minajili ya kwenda *Show*.

Mheshimiwa Spika ni vizuri sisi kama Wawakilishi tuonekane pale; hii ni ya kwamba ikiwezekana ili Waheshimiwa waende pale ionekane na hata wageni wakifika wanajua Mombasa ni raha kila Mheshimiwa apate hata kama ni *quarter per diem* ndio aweze kwenda huko manake ni wapate *per diem* waende kule hata siku tatu na vilevile waweze kupata...hata kama mabibi zao .....uko na watoto waende huko sio kuambiwa shukisha watoto ingisha gari nenda ukalipie watoto kule unaaibika .

Wajua saa zingine gari zinapita kama saa hii tukitengeneza mambo kama yale itakuwa mzuri. Ahsante.

**Temporary Speaker**(Hon. Mwalimu): Yes Hon. Ibrahim?

**Hon. Ibrahim Kondo:** Ahsante Mheshimiwa Spika nimesimama pia kuunga mkono hoja ya Walio Wengi Mheshimiwa Mwidani; itakuwa ni mambo ya kusikitisha ikiwa maonyesho ya Mombasa yatakuwa yanaendelea na kuna siku ambayo imetengewa Gavana wetu kwenda kufungua rasmi maonyesho yale alafu iwe sisi kama Nyumba kuu tunaofanya sheria zote za Mombasa tunakosa kuwa na sehemu yetu ya kuonyesha yale yanaendelea hapo.

Mheshimiwa Spika hili ni jambo ambalo lazima tulichukulie na uzito kwa sababu ni aibu kubwa vile *Show* inaendelea wakati wowote kila eneo lina Wawakilishi leo hii sisi kama Mombasa *County Assembly* tunashindwa na kuweka *stand* pale katika maonyesho ya kilimo.

Inashindwa na mashirika madogo madogo ambayo wako na *stand* zao katika maonyesho hayo na sisi ndio tunakubalia mambo yote.

Kwa hivyo Mheshimiwa Spika ningeliomba kupitia kwa uongozi wa Kiti chako pamoja na Kiongozi wa Walio Wengi jambo hili liweze kuangaliwa kwa upana na ili lipimwe liwekwe kwenye mizani.

Mheshimiwa spika nikimsikiza ningelipenda pia kuomba Kamati iliyotengenezwa inayohusika na maswala haya inakuja na deni ya zaidi ya laki saba tujue ni kipindi cha mda gani tulianza kudaiwa isiwe ni zaidi ya miaka kumi imekuwa twadaiwa na hatuelewi deni lile limeingia kwa muda gani.

Nafikiri mwaka wa kwanza tulikuwa na *stand* yetu na labda ni miaka miwili tu ambayo tunadaiwa sijui kwa kila mwaka *stand* inalipiwa laki moja na nusu; kupitia kwa uongozi wa ile Kamati iliyokwenda ituonyeshe ni kiwango gani kinalipiwa kila mwaka. Ahsante Mheshimiwa Spika.

**Temporary Speaker**(Hon. Mwalimu): Hon Mwidani respond to the Motion. Yes Hon. Hatimy?

**Hon. Mohamed Hatimy:** I am not disputing Mr. Speaker but I want to know what is costing for Members Ksh.8,000 per head for Members to go to the show; at the show we take Ksh.8,000 by 43 you get Ksh.344,000.

Mr. Speaker as we all know we have a problem with the budget ceiling so we need to fight with the CRA and our budget in the Senate to look into the problem we are having because it's a headache.

Our budget is Ksh.618Million, Ksh.618Million minus Ksh.400Million, salaries will give you Ksh.200Million to run this House.

So I think Mr. Speaker we need to fight first to get money then we will be attending every show.

So before we pass this Motion we must look into this issue first so that we get money to enable us to participate in whatever function or any other event, that is my contribution Mr. Speaker.

**Temporary Speaker**(Hon. Mwalimu): Yes Hamisi Musa Mwidani?

**DISCLAIMER:** The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor Page 7

**Leader of Majority** Hon. Mwidani: Thank you Mr. Speaker I would also like to give some more information.

It is good to know the process that money was from 2014, 2015, 2016; every year we are supposed to pay Ksh.300, 000 and we have never paid that money that is why it has come to Ksh.900,000 and something.

So Mr. Speaker I will start by saying that I am very happy with the Members who have supported this; actually we should also consider the statement made by the Chairman of Finance and we should also try to fight so that we increase our ceiling, after increasing our ceiling there are so many things we can achieve, actually everything cannot be done without money.

So Mr. Speaker we are very happy for the Members who have supported this Motion; actually let's see the other issue which I have brought out. Thank you Mr. Speaker.

**Temporary Speaker**(Hon. Mwalimu): Thank you Hon. Hamisi Musa the Leader of Majority and now that the mover has responded to the Motion and the Members have discussed this Report fully I do stand to put a question that the House adopts this Report with the recommendations in this Report and those brought forward in this Assembly.

*(Question put and agreed to)*

So Leader of Majority the other recommendation that has been brought forward you are supposed to have them in this Report, thank you.

**Leader of Majority** Hon. Mwidani: Thank you.

**Temporary Speaker**(Hon. Mwalimu): Yes Clerk?

### **MOTION**

Hon. Hatimy.

**Hon. Mohamed Hatimy:** Thank you Mr. Speaker before I move the Motion I seek leave to seek permission from this Hon. House Mr. Speaker to amend prayer number two to read 7.00 am instead of 8.00am and 6.00pm instead of 5.00pm.

Mr. Speaker I seek permission from 6.00 to 6.00 then Mr. Speaker...

**Temporary Speaker**(Hon. Mwalimu): Just come clear but I think that....

**Hon. Mohamed Hatimy:** The amendments are to read 6.00 instead of 8.00 and 6.00 instead of 5.00. 6.00 am to 6.00 pm.

**Temporary Speaker**(Hon. Mwalimu): Proceed with the Motion.

**Hon. Mohamed Hatimy:** Thank you Mr. Speaker. Mr. Speaker I wish to move the following Motion about the Control of Misuse of County Government Vehicles.

*(Hon. Mohamed Hatimy Moved the Motion)*

*"Mr Speaker Sir, I beg to move the following motion;*

*THAT AWARE that there is a standard of conduct that prohibits a public officer or employee from using any government property for other than official purposes;*

*FURTHER AWARE that use of government-owned or leased vehicles is restricted to official purposes and must never be used for private purpose such as personal business, errands or leisure;*

---

**DISCLAIMER:** *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor Page 8*

*CONCERNED that some County government vehicles are being spotted in odd hours at awkward places such as bars;*

*NOTING that it is the responsibility of the Chief Officer to ensure that government vehicles are properly used.*

*This Assembly resolves and urges the County government to;*

- 1. Create a special unit within the County government inspectorate tasked with the mandate of monitoring the use of all County government vehicles.*
- 2. Ensure that no government vehicle is on the road especially outside office hours (6.00am – 6.00pm) unless on official use or carrying out an emergency. In such an instance, the authority for use of the vehicle shall be in writing by the officer-in-charge of the station where the vehicle is attached.*
- 3. Ensure that all government vehicles are branded with the name of the respective County department so as to ease identification as well as curb misuse of such vehicles.*
- 4. Sensitize County officers or members of the public to report in detail to the Chief Officer any government vehicle suspected of being engaged in unauthorized private use".*

*(Hon. Mohamed Hatimy tabled)*

Thank you and I propose Hon. Amur Murfad to second this Motion. Thank you Mr. Speaker.

*(Applause)*

**Temporary Speaker**(Hon. Mwalimu): Hon. Amur Murfad.

**Hon. Amur:** Thank you Mr. Speaker. Mr. Speaker I rise to second the Motion and I wish to contribute at the same time Mr. Speaker...

*(Laughter)*

**Temporary Speaker**(Hon. Mwalimu): You are allowed to continue.

**Hon. Amur:** Thank you Mr. Speaker this is not the first time this Motion is brought here although its over six months now this same Motion was brought in this House but due to misunderstanding Members did not understand the Motion content and it was rejected by this House Mr. Speaker.

But the reality and the truth of matter Mr. Speaker the County has incurred expenses in misuse of this vehicles; I will give an example Mr. Speaker Hon. Amur is travelling from Mombasa to Kisumu by air, again his official vehicle is driven from Mombasa all the way to meet him at Kisumu Airport.

Mr. Speaker this is a scenario that we saw it, so why we are saying that if somebody is going for an official duty in Kisumu and air ticket have been purchased it should be cheaper than to hire a vehicle from Kisumu for the number of days the Hon. Member is there than we incur the expenses that the car travel all the way from Mombasa to Kisumu.

Then Mr. Speaker there's fuel cost there, there's vehicle allowance and the body guard and the PA are included in that trip.

---

**DISCLAIMER:** *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor Page 9*

Mr. Speaker it has become unbearable burden and in this scenario we will be consuming more than half a million despite the air ticket having been paid.

So Mr. Speaker this Motion was brought in this House with good intention but by then people did not understand what we are saying; we were trying to recover about half a million for each vehicle that is being distributed and again within our County in Mombasa we still see these cars parked at the bars unless we still a special unit to monitor these vehicles because misusing should not be left free.

Mr. Speaker I request Hon. Hatimy to charge the owner of the vehicle and we should come up with a law that those who are caught misusing it a certain amount should be charged and not the driver.

Mr. Speaker Sir am saying why not a driver because the driver obeys the direction of his boss but at the end of the day if we charge the driver we will be unfair to the driver, the authority should charge the owner for misusing that vehicle. Thank you Mr. Speaker.

**Temporary Speaker**(Hon. Mwalimu): I now propose that this Motion on misuse of County government vehicles be debated in this House...

*(Question proposed and agreed to)*

Yes Hon. Siminyu.

**Hon. Siminyu:** Thank you Mr. Speaker. Mr. Speaker we really have good laws but implementing is a problem and even the check unit it reports in a specific time not all the time.

Mr. Speaker we need to have our own; I have witnessed this, I have seen many vehicles belonging to the County government in weird places and you even see the person using the car doing business in a bar.

Mr. Speaker if we have our own Check Unit which is going to check our vehicles and whoever is responsible to be charged and the money deducted from his salary.

In fact Hon. Hatimy you should come up with relevant laws which we use such salary deduction due to the misuse of the County government vehicles; if we go that way it will means people with these cars will become responsible.

I think this House has to look into this matter properly so that we can have tax payers money be protected from those who have the County vehicles, and who think they can use it any howly.

As I said our role is oversight, as an Assembly we will do justice to the citizen doing our oversight well and if possible we will go to curb misuse of County vehicles we are going to have a plus as an Assembly.

I fully support this Motion and I beg Hon. Hatimy to come with laws which are going to cover or cater for this, if we have laws then we are going to do much better. Thank you Mr. Speaker.

**Temporary Speaker**(Hon. Mwalimu): Yes Hon. Saad Faraj.

**Hon. Faraj:** Thank you very much Mr. Speaker for spotting me. Mr. Speaker I think the Motion brought by Hon. Mohamed Hatimy is a very important Motion with regards to the way they represent our people in this House.

---

**DISCLAIMER:** *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor Page*

Mr. Speaker I think that some of the officers that have been appointed for higher positions just as other Members have been saying here are misusing those powers which have been given to them and it is important we as the oversight players in this government to come up with real or proper laws and am proposing that the Motion mover having brought this as a Motion.

We expect this to be turned in to a Bill so that it becomes law so that we can as well give proper powers to the Inspectorate Department because we know there's a department which is under the National government and which deals with the government vehicles.

We should come up with our own but it should be turned in to a law so that we can compel those people who are supposed to work properly but at the moment Mr. Speaker having brought here as a Motion it is like a dog without teeth it cannot bite.

So we need to ensure that the Inspectorate Department is even in proper powers to execute its mandate as per the law and I think this is a very good Motion and it would be better if it turns to a Bill therefore giving powers to those people who needs to implement this. I support this Motion thank you.

**Temporary Speaker**(Hon. Mwalimu): Yes Hon. Boma.

**Hon. Boma:** Ahsante sana Mheshimiwa Spika mimi pia naunga mkono hoja hii ambayo imeletwa na Mbunge Maalum Mheshimiwa Mohamed Hatimy.

Kwa kusema kweli magari yakiwekewa masaa ya kutumika yatakuwa na heshima; tunaona mara nyingi magari ya serikali ambayo hutumika kwa masaa ambayo ni ya usiku, magari haya mengi yao hubeba vitu vya hatari, hubeba mihadarati na hubeba hata vitu ambavyo havifaa kutumika kwa binadamu.

Kwa hivyo magari haya yakiwa yanawekwa masaa fulani tutaweza kuja kusevu pesa nyingi; magari haya usiku mengi yao huwa unayakuta yamewekwa pembeni yatumia mafuta na mafuta hayo ni pesa za serikali ambazo zinatumika.

Magari haya haya pia yatafanya yakiwekewa muda maalum yatakikana madereva wetu wawe wakiheshimika, kwa hivyo naomba kuunga mkono hoja hii. Ahsante Mheshimiwa Spika.

**Temporary Speaker**(Hon. Mwalimu): Yes Hon. Opeya.

**Hon. Opeya:** Thank you Mr. Speaker. Mr. Speaker this Motion was brought some time back; even the one for tickets but implementing is the problem.

These cars are misused, this is a problem even we saw it during the Jubilee launch government vehicles used and we saw them entering the Kasarani Ground.

If you stay in Nyali around Nyali Cinemax you will find a car of the Inspectorate parking around there and those people inside there are chewing miraa.

I ask myself what they are doing there so the Inspectorate themselves are misusing the vehicles so the first people we should start with is the Inspectorate...

*(Applause)*

This motion in fact as Hon. Saad said it needed to be fast tracked to become a Bill to curb the misuse of these vehicles. Thank you.

**Temporary Speaker**(Hon. Mwalimu): Thank you Chairman Implementation Committee...

---

**DISCLAIMER:** *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor Page*

*(Laughter and applause)*

Am sure you will work on this issue; as you have said Hon. Chairman take the issue with your Committee...

*(Laughter and applause)*

so that we get proper result. Yes Hon. Hatimy respond to your Motion.

**Hon. Mohamed Hatimy:** Mheshimiwa Spika nafikiri *Members* wamemaliza na *Chairman* wa *Implementation* majukumu haya ni yake.

Kwa hivyo yeye ndiye anayetakikana kuwa atashika bendera mbele kuhakikisha jambo hili limefanyika Mheshimiwa Spika...

*(Laughter and applause)*

Mheshimiwa Spika nawashukuru *Members* kwa kuniunga mkono na tukiweza kuzuia jambo hili tutaweza kusave *almost* 100, 000 ambazo ilikuwa tukiwalipia kwa kampuni ya mafuta na tutaweza kupata pesa za kwenda ASK *showground*...

*(Laughter)*

Kwa hivyo Mheshimiwa Spika ningeweza kushukuru *Members* na ni jambo muhimu sana ili tuweze na hii mambo ya *branding* ni muhimu sana *Clerk* ahakikishe kwamba amepoleka jambo hili mbele ili lichukuliwe kwa haraka sana na *chairman* wa *implementation* ahakikishe kwamba limetimia. Ahsante.

*(Laughter and applause)*

**Temporary Speaker**(Hon. Mwalimu): Chairman for Implementation do you have anything to add...?

**Hon. Opeya:** No.

*(Question put)*

**Temporary Speaker**(Hon. Mwalimu): Thank you I do stand now to put a question that this House adopts this Motion by Hon. Hatimy on misuse of County government vehicles with the resolutions brought before this Hon. House.

*(Question put and agreed to)*

*(Applause)*

Yes Clerk?

### ADJOURNMENT

The House stand adjourned until tomorrow 2.30 pm in the afternoon.

The House rose at 3.33pm.
