(Ms.) Zeinab Mumba read the Report)*

The Committee on Water, Environment and Natural Resources is created pursuant to Standing Order 191(1) and is mandated to look into all matters relating to water, environmental conservation including soil conservation, control of air pollution, noise pollution, other public nuisances and outdoor advertising.

This is a Report of the Committee on Water, Environment and Natural Resources following a statement on the Mwakirunge dumpsite which was issued before this Assembly by the Area Representative Hon. Enoch Mwadziwe on Thursday, the 21st day of January 2016 during the Assembly's 4th sitting. The Hon. Speaker then directed that Committee to establish the status of the dumpsite and to avail a comprehensive Report before this Assembly. The Committee subsequently met and resolved that since this is not the first time that the issue on the deplorable condition of the dumpsite has been raised by the Area Representative, it is important to conduct a field visit to ascertain the condition.

Overview of the Mwakirunge Dumpsite

The Mwakirunge dumpsite is situated in Mwakirunge Ward, Kisauni Constituency. It sits on a parcel measuring 50 acres. It was established in 2008 to ease the pressure on Kibarani dumping

ground. Adjacent to the dumpsite are four villages namely; Digirikani, Mderangerakani, Nguu Tatu and Marimani with a population of about 7,400 residents.

SUBMISSIONS

The Committee in its field visit held on 8th February, 2016 sought information from both County workers situated at the dumpsite and the residents;

Submission by County Workers;

The In-charge at the dumpsite sited that it has been about three years since a bulldozer/Scavator was brought to the Mwakirunge Dump site. There is a loader which is at Kibarani and it is supposed to be situated at the Mwakirunge dumpsite. The workers also expressed the challenges that they faced as workers stationed at the dumpsite which includes:

- Lack of an ablution area;
- Constant smoke at the dumpsite which puts their health in danger;
- No protective gear and/or uniform for the workers;
- No hardship allowances despite the harsh conditions in which they work.

Submissions by residents;

Submission by Members of a CBO, Usafi ni Uhai

The members of Usafi ni uhai expressed that the challenges posed by the dumpsite includes;

- a) Children dropping out of school and opting to scavenge at the dumpsite for food dumped at the site from hotels and also to collect bottles which they sell for quick cash, taking into consideration that poverty is prevalent within the area;
- b) Dogs which bite people at the dumpsite pose a health challenge as the residents may be inflicted with rabies;
- c) The smoke cause respiratory infections;
- d) During the rainy season, cholera outbreak is rampant due to contamination of water and a recent death caused by cholera occurred in December 2015;
- e) There is rampant insecurity in the area and cases of defilement and rape at the dumpsite are also prevalent;
- f) The residents, during the last budget had sent a petition to the County government on erection of a perimeter wall around the dumpsite, but to date no action on the same has been taken....

(Interruption)

Deputy Speaker (Hon. Mswabah Rashid): Yes Mheshimiwa Kondo nakuona umesimama.

Hon. Ibrahim Kondo: Mheshimiwa Spika nimesimama kwa hoja ya nidhamu na ikiwa utatuelekeza kuna Mheshimiwa hayuko katika mavazi rasmi ya Nyumba hii, kuna Mheshimiwa ameingia kwa Nyumba ya hekima na tadhima akiwa na kofia juu ya kichwa chake, sijui ni Spika wa pili au ni wa tatu Mheshimiwa Spika.

Deputy Speaker (Hon. Mswabah Rashid): Mheshimiwa Caroline vazi lako sijui kama linaruhusiwa...

Hon. (Ms.) Auma: Mheshimiwa Spika kuligana na kanuni za Bunge zetu mimi niko kwenye vazi kamili sawa sawa kwa maana Waheshimiwa wanaume ndio walipewa mwelekeo wa kutoingia na kofia kwenye Bunge lakini hili ni vazi la kike, nimefunika kichwa kama vile Mheshimiwa yeyote anaweza kuja katika Nyumba hii ameweka kitambaa, Mheshimiwa niko na haki kisheria kuvaa vile nilivyovaa.

Deputy Speaker (Hon. Mswabah Rashid): Yes Hon. Ibrahim Kondo?

Hon. Ibrahim Kondo: Mheshimiwa Spika hili sio Bunge la kwanza katika ulimwengu tulioko kwa sasa, Mheshimiwa asijaribu kutudangaya kuna mavazi yanayokubalika kisheria ikiwa ni vazi kitambaa kufunga ni lazima, kofia haijaruhusiwa isipokuwa kofia zinazoruhusiwa na dini

katika upande wa dini ya kiislamu peke yake. Kwa hio hilo vazi haliko sawa hata kidogo Mheshimiwa Spika.

Deputy Speaker (Hon. Mswabah Rashid): Karani hebu aangalia nani anasema ukweli...

(Consultations)

Naam Mheshimiwa Ibrahim Kondo?

Hon. Ibrahim Kondo: Ahsante sana Mheshimiwa Spika. Mheshimiwa pia angesema ni kanuni ya Bunge gani imesema *jalbab* nyeusi ama kitambaa si kofia, narudia kusema si kofia imeruhusiwa kwa Nyumba hii.

Deputy Speaker (Hon. Mswabah Rashid): Ahsante sana Waheshimiwa lakini naona kitabu chetu cha sheria kimenyamaza uamuzi wake nitautoa kesho saa nane...

(Laughter and applause)

Mheshimiwa Saad?

Hon. Faraj: Ahsante Mheshimiwa Spika. Mheshimiwa Spika ikifika kesho saa nane itakuwa mavazi yamebadilika, kwa hio tutakuwa tunajadilia mavazi ya kesho lakini nafikiri kwa heshima na taathima Bwana Spika ni haki yako kutoa mwongozo kwa vitengo tofauti ambavyo Nyumba hii imeweza kukupatia jukumu hilo. Jambo moja ambalo ningependa kugusia ni historia za Majumba ambayo yanafaa ama yanayotenda kisheria kama Nyumba yetu hii na nafikiri ile Nyumba waweza tupigia mfano ni ile Nyumba kwamba ni Bunge la kitaifa lililoko Nairobi hatutaki kesho ama kesho kutwa kwamba watu watavaa vile wanavyotaka. Mheshimiwa Spika sisi kama viongozi lazima tuwe na nidhamu na kama haiko katika vitabu vyetu vya kisheria nasi tuangalie kutokana na Bunge kuwa ambalo ni Bunge la taifa kutokaa na mavazi. Mheshimiwa Spika sisi kama Waheshimiwa wawakilishi wanaume hapa tunapokuja na *jeans* huwa twatolewa; ikiwa ulikuja na viatu ambavyo sisi tunaona inaruhusika lakini vikiangaliwa na vipatikane haviko kwa hivyo Bwana Spika utoe mwelekeo ili kusudi kesho tusije na zile *basket ball caps*.

Deputy Speaker (Hon. Mswabah Rashid): Waheshimiwa nimesema kuwa sheria haitoiruhusu kubadilisha mavazi, kwa hivyo mimi swala hilo nishasema kwamba nitatoa hukumu kesho nitashauriana na Mabunge na Wabunge wenzetu kwenye Bunge la 47 na pamoja na Bunge kuu nitawasiliana nao alafu kesho nitatoa uamuzi. Kwa hio kwa swala hilo nishalikata lakini kwa swala hilo nishalikata.

Hon. Ibrahim Kondo: Mheshimiwa Spika tutakuwa tunaenda kinyume, hii Nyumba ni sawa na korti kuu ya Kenya; hatujawahi kuona, narudia hatujawahi kuona vazi linaloingia kofia, ni aidha ya Hakim, ya Spika ama ya Wakili peke yake sababu itakuwa ni Nyumba ya kwanza Kenya nzima na kwenye historia ya kuingia na kofia kwenye Nyumba kama hii yetu. Mimi ningeliomba kwa heshima na taadhimu na cheo chako kwanza kabisa Mheshimiwa aliyevaa kofia aitoe alafu shughuli za Nyumba hii ziendele Mheshimiwa Spika...

(Laughter)

Deputy Speaker (Hon. Mswabah Rashid): Mheshimiwa Spika *ok...*

(Laughter)

Mheshimiwa Ibrahim Kondo ningependa hili swala nishaliamua na litakuwa hivyo hivyo lakini ningependa Mheshimiwa Ibrahim Kondo utuoyeshe katika kanuni za Bunge zetu ni kipengee kipi ambacho kimesema kuhusu hizi kofia...

(Applause)

Hon. Ibrahim Kondo: Ahsante Mheshimiwa Spika. Mheshimiwa Spika narudia kusema na narudia tena hakuna vile katika Nyumba ambayo imewekwa na utaratibu wake kuanzia kwa Bunge kupitia kwa korti kuu mtu yeyote kuingia na kofia hapa ndani. Mheshimiwa Spika hata katika kituo cha polisi...

Deputy Speaker (Hon. Mswabah Rashid): Tutajie kipengee....

Hon. Ibrahim Kondo: Mheshimiwa Spika ni baadhi katika mavazi ambayo yamekataliwa.

Deputy Speaker (Hon. Mswabah Rashid): Tutajie kipengee....

Hon. Ibrahim Kondo: Sasa Mheshimiwa hata wewe tunavyokwenda tutajie kipengee Mheshimiwa huyu aingie na kofia....

Deputy Speaker (Hon. Mswabah Rashid): Mimi nimeshatoa uamuzi kuwa kesho nitatoa uamuzi; kitu cha kwanza nimekusaidia sana na kukuruhusu kusimama kwa kanuni za Bunge bila kuitaja kanuni yenyewe, yenyewe nimekusaidia, naam Mheshimiwa Saad.

Hon. Faraj: Hon. Speaker I stand on Standing order number one, part one and two. Mr Speaker the Standing order clearly state that, *'In all cases that matters are not expressly provided for by the Standing Order or by other order of the Couty Assembly any procedural questions shall be decided by the Speaker'* and number two Mr. Speaker, *'The decision made in paragraph (1) shall be based on the Constitution of Kenya, statute of law and the usage, forms, procedures, customs, procedures and traditions of the County Assembly and other jurisdictions to the extent that these are applicable to Kenya'*.

Mr. Speaker the reason as to why I quoted Standing order number one and two is the reason as to why today we are having such a problem, because its not expressly stated in our law, including the Standing Order so it is up to us Mr. Speaker to follow the procedures that have been set by either the National Assembly which has been there for almost 52 years immediately after indepedence. Mr. Speaker I think our decision should be asked on what the National Assembly is doing and for sure we cannot have Members coming with caps or hats of any sort in the National Assembly. I think your decision should be based on that Mr Speaker. Thank you.

Deputy Speaker (Hon. Mswabah Rashid): Yes Hon. Patrick Peter Muriuki.

Hon. Siminyu: Mheshimiwa Spika nimesimama hapa kutoa hisia zangu kuhusu jambo ambalo limetokea, tunaheshimu kiti chako umepeana mwelekeo kwamba kesho uamuzi utatoa lakini kwa sasa ningependa kuomba Bunge hili kupitia kiti chako tutoe mwelekeo yule Mheshimiwa amevaa kofia manake hakuna mahali popote katika Kenya hii inaruhusiwa...

(Applause)

...Mahakamani ndio Mawakili huvaa kofia na hii Nyumba ni sawasawa kama mahakama manake hii ni Nyumba ya sheria sisi twajua kisheria hata kama hatukuisoma tunajua kuwa ni makosa. Kwa hio kuvaa kofia ndani ya hii Nyumba hata kama haijaadikwa basi mimi nitakuja na kilemba hapa....

(Laughter)

...Kwa vile haijaandikwa katika kanuni za Bunge itakuwa niko sawa lakini *precedence* ni kuwa sifai kuvaa kilemba, Mheshimiwa Spika twakuomba kwa heshima Mheshimiwa ambaye ameingia na kofia aitoe kesho uamuzi ukija ukisema aivae basi aivae. Ahsante Mheshimiwa Spika.

Deputy Speaker (Hon. Mswabah Rashid): Yes Hon. Caroline?

Hon. (Ms.) Auma: Mheshimiwa Spika naheshimu sheria na kungelikuwa na uwezo wa kuamuru. Mheshimiwa Spika unapona hivi ni mavazi ambayo nimetengezewa na vazi ambalo nimevaa; ni vazi la kiheshima. Mheshimiwa Spika hii kofia nimeivaa inafanana na nguo niliyovaa ambayo ni *dressing code* ambayo kila Mheshimiwa ama mwanamke ana uwezo kuvaa rinda ama anaweza kushona kofia akaweza kujifunika kuligana na vile alivyovaa. Mheshimiwa Spika natoa mfano ambao uko pale; ukimwangalia Mheshimiwa Zeinab Mumba amefunga kichwa, ni sawasawa na vile nilivyovaa japo yake haina lakini niko sawasawa.

Deputy Speaker (Hon. Mswabah Rashid): Mheshimiwa Kondo.

Hon. Ibrahim Kondo: Mheshimiwa Spika tutakuwa tunaenda kinyume *hijab* ni vazi lilokubalika mpaka ndani ya korti, tukianza na kutofautisha *hijab* na kofia Nyumba hii tutaanza nidhamu na kuanzia leo mwengine atakuja na kofia ile anayotaka mwengine ataanza kuvaa vile anavyotaka alafu tutaambiana nguo zilitengenezwa kuvaliwa. Kila nguo iko na wakati wake wa kuvaliwa Mheshimiwa Spika sijawahi kuona mtu amevaa ovaroli akaingia ndani ya bwawa la

kuogelea, hatujawahi kuona mtu amevaa suti anaenda ufuoni mwa bahari kuogelea, kwa hio ni lazima nidhamu ya hii Nyumba ifuatwe, kofia aitoe ama atoke nje Mheshimiwa Spika.

Deputy Speaker (Hon. Mswabah Rashid): Yes Mheshimiwa Boma Suleiman?

Hon. Boma: Ahsante sana Mheshimiwa Spika kwa kunipa nafasi hii. Kwa kusema kweli hii Nyumba ni ya nidhamu na mavazi aliyovaa Mheshimiwa Caroline si mavazi rasmi ya kuingia katika Nyumba hii, mavazi haya tunayaona kwa nyumba za Kisumu peke yake...

(Laughter)

Deputy Speaker (Hon. Mswabah Rashid): Yes Hon. Opeya.

Hon. Opeya: Thank you Mr. Speaker I also support what the Hon. Kondo has said and there are some things which are unwritten; I think for those people who follow parliamentary proceedings there was one time a Senator went with earrings and shades and the Speaker Ekwe Ethuro said we can't allow to wear earrings...

(Applause)

...likewise we cannot overrule that the ruling is not proper for her to wear this hat and its just simple to remove it instead of waiting till tomorrow, you can just make the ruling right now.

Deputy Speaker (Hon. Mswabah Rashid): Yes Hon. Chizi Lucy Chireri.

Hon. (Ms.) Chireri: Ahsante sana Mheshimiwa Spika yote yamezugumzwa lakini naomba unipe ruhusa wakati huu ili niweze kumtoa Mheshimiwa carol kofia twendelee na kazi...

(Laughter)

(Applause)

Deputy Speaker (Hon. Mswabah Rashid): Ok Members, i have said that i will give my ruling on the matter tomorrow at 2:00p.m, yes Hon. Zeinab?

(Hon. (Ms.) Zeinab Mumba resumed reading the Report on Mwakirunge dumpsite)

“4. Observations and findings. The Committee of Water and Natural Resource made the following observations and findings which are delivered from the commissions which was received from residents. The following were the findings;

i. Mwakirunge dumpsite doesn't have a bulldozer hence the lorries which carry solid waste including sharp objects to the dumpsite end up disposing the waste around the dumpsite hence exposing the residents to risk of injury.

ii. There is no entrance into the dumpsite; previously there was a Murram road which used to pass through to dump the waste at the designated area.

iii. The air pollution caused by smoke and the pungent smell from the dumpsite is a nuisance to the residents, the smoke which contains toxic fumes causes the residents respiratory complications.

5. Recommendations

In order to alleviate the suffering to Mwakirunge residents which is caused by the dumpsite the Committee made the following observations:

5.1. A perimeter wall to be built around the dumpsite to control entry and exit to the dumpsite which will also deter children from entering the dumpsite and cases of children dropping out of school will be reduced.

5.2. The cost of putting up a perimeter wall be counted in the County Integrated Development Plan (CIDP) for the project to take up budgetary allocation for the year 2016/2017.

5.3. There should be a modern road which serves as an inlet into the designate area of dumping to avoid cases of waste being dumped on the roads by residents.

5.4. There be treatment of solid waste to avoid the foul smell and effluent burning which exposes residents to respiratory infections.

5.5. At least one bulldozer be permanently situated at the dumpsite.

5.6. As a long term solution a solid waste recycling plant be established at the dumpsite.

5.7. The Committee to conduct a benchmarking visit to Arusha, Tanzania to learn best practices on solid waste management as it is the best place in East Africa where solid waste has been successfully managed.

Thank you Mr. Speaker Sir.

(Applause)

Deputy Speaker (Hon. Mswabah Rashid): Ahsante sana Mheshimiwa Zeinab kwa hotuba yako hiyo ambayo imeandaliwa na imenakiliwa vizuri sana, kwa hio Waheshimiwa wa hili Bunge Mswada uko mbele yetu sasa munaweza mkajadili Ripoti hii. Naam Mheshimiwa Opeya?

Hon. Opeya: Thank you Mr. Speaker. First of all the Committee captured alot of issues here but when she talked about the outbreak of diseases I did not see anything on compensation or how they are going to be kept safe around that dumpsite; secondly obviously we can implement all the recommendations but I think the one that stood out was the building of a perimeter wall. I think that would be the final solution because even if we put a wall around the dumpsite air will still escape. Thank you.

Deputy Speaker (Hon. Mswabah Rashid): Ahsante sana. Naam Mheshimiwa wa Mwakirunge, Mwadziwe?

Hon. Mwinga: Ahsante sana Bwana Spika. Bwana Spika nataka kupogeza Kamati ya Mazingira ambayo imeongozwa na Mheshimiwa Zeinab akiwa Mwenyekiti alichaguliwa Mwenyekiti wetu, vile vile ningepeda kupongeza Bwana Spika kwa uamuzi wako uliochukua ili mambo waende pale Mwakirunge kwa jaa la taka wakajione. Mheshimiwa Spika nafikiri yale yote niliyokuwa nikiyazungumza ndani ya Nyumba hii kulingana na mahali pale Kamati ilienda wakajionea wenyewe na ndio maana hiyo Ripoti imekuja. Mheshimiwa Spika labda hakuweza kuyapata mambo yote ama ha kuweza kuyapata vile ilivyo na na hili ni jambo la kuhuzunisha wakati wale walijumuika pale waliweza kutoa malalamishi yao. Mheshimiwa Spika mengi yamekuwa *captured* katika hiyo ripoti lakini la msingi ni kwamba mahali pale kama ripoti ilivyosema ni kwamba kule kuzugushwa kwa ule ukuta ama ule wayo ili wale watoto wasiweze kuingia na hata wale mbwa ambao pia tunaambiwa wanaoumiza wananchi pamoja na wanyama wasiweze kuingia mahali pale. Kwa hio mimi napongeza Ripoti hii Mheshimiwa Spika na naiunga mkono nikitumai kupitia Nyumba hii Ripoti hii iweze kupitishwa mara moja ili wale watu wangu wa Mwakirunge waweze kupata afueni kwa ajili ya lile jaa. Ahsante sana Mheshimiwa Spika.

Deputy Speaker (Hon. Mswabah Rashid): Hon. Hamisi Mwidani.

Hon. Mwidani: Thank you Mr. Speaker I want to support the Report, but meanwhile on the recommendation 5.2, *'That we should put some perimeter wall'*, its not possible because it has never been done in any area in this world, even if the Committee wants to visit Arusha in Tanzania to make some benchmarking they will also see that no wall can be put on a dumping site. The same should be insisted here just to have a recycling plant, that is the only solution instead of building a perimeter wall, so Mr. Speaker I really support the Committee for the work done and except they should at least delete the recommendation of 5.2. Thank you, Mr. Speaker.

Deputy Speaker (Hon. Mswabah Rashid): Mheshimiwa wa Tononoka.

Hon. Faraj: Ahsante sana Mheshimiwa Spika kwa fursa hii. Mimi pia nikiwa mmoja wa Kamati ya mazingira ningependa kupongeza Mwenyekiti wetu ambaye kwamba amejitahidi kuhakikisha kuwa Ripoti hii imeweza kufika kwa wakati ikiwa pamoja kwa ushirikiano. La ziada

Mheshimiwa Spika swala lililoko ni kuwa wizara ya Kaunti ya mazingira iliwahi kufanya kusafiri nchi ya (??) na kuwaangalia ni vipi watazibadilisha hizi taka ama njia gani wanaweza kutumia zile taka kubadilisha na kuwa ziweze kutusaidia. Mheshimiwa Spika kwa kuwa ule mfano umeonekana nchi za nje haya ni maswala ambayo yanazugumzwa kuwa na majaa ya taka katika mji yangekuwa ni mambo ambayo kwamba yamepitwa na wakati. Kusema kweli Mheshimiwa Spika baadhi ya nchi ambazo zimestawi hivi sasa wanatafuta taka ziko wapi ili ziweze kuwasaidia kutengeneza nguvu \a umeme kwa kuwa zile taka zilizokuweco katika ile nchi wamezimaliza na hawana njia ya kuweza kupata zingine na bado wao wanataka kuzitumia zile *tractor* ili kuweza kupata nguvu za umeme na kusonga mbele na kupunguza gharama.

Mheshimiwa Spika nafikiri suluhisho ambalo sisi tunaweza kupendekeza zaidi ni suala la kuwa kutakuwa na kiwanda ambacho kwama ni *recycling plant* ya kuweza kuangalia ni kwa njia gani tunaweza kuchukua taka zote na kuweza kuwekwa Mwakirunge na palepale faida ambazo zitapatikaa ni nyingi, tukiwa na kiwanda itakuwa ni njia ambayo kwamba tumepeana fursa ya kazi kwa vijana wetu ambao watakuwa wako mitaani na kwa pili itakuwa pia kiwango cha gharama zinazotakikana kuweza kupata kawi hivi sasa itakuwa pia imeweza kushuka kwa kiwango kikubwa kwa kuwa tutakuwa tumepata njia mbadala ya ile yetu ambayo ni ya *hydro plants* na mambo mengine. Kwa hio Mheshimiwa Spika mimi mwanzo yangu ni kuwe na kiwanda ambacho kuwa kitakuwa na faida nyingi na pia tutakuwa tumesuluhisha tatizo sugu ambalo kwamba ndugu yetu wa Mwakirunge amekuwa akilizungumza tangu aingie hapa katika hii Nyumba. Mheshimiwa Spika ahsante.

Deputy Speaker (Hon. Mswabah Rashid): Yes Hon. of Kipevu.

Hon. Ibrahim Kondo: Ahsante Mheshimiwa Spika. Mheshimiwa Spika mimi pia nimesimama mbele ya Nyumba hii kuunga mkono Mwenyekiti wetu wa mazingira kwa kazi nzuri pamoja na timu yake yote ambayo wameifanya haswa kuzuru maeneo ya Mwakirunge na kuangalia mambo yanavyoendelea sehemu ya jaa. Mheshimiwa Spika yale tuliyo nayo ni mengi yanasikitisha kutokana na hali ilivyo na itakuwa jambo la busara Kamati hiyo ikishirikiana na Kiongozi wa Mwakirunge kutokana na kauli ya Mwenyekiti ya kuzuru eneo la Arusha lifanyike haraka iwezekanavyo ili tuweze kujua vile tutakavyofanya katika lile jaa la Mwakirunge.

Mheshimiwa Spika kuna matatizo kule na ni lazima tuyafanyie haraka iwezekanavyo ili kuzuia maradhi kuambukizwa kwa watoto wetu pamoja na vijana wetu katika maeneo hayo. Mheshimiwa Spika ni lazima na kwa kauli yako kama Spika ingekuwa jambo la busara labda ikiwezekana wiki ijayo Kamati hii izuru sehemu hiyo ili kwa manufaa ya Mombasa Kaunti. Ahsante Mheshimiwa Spika.

Deputy Speaker (Hon. Mswabah Rashid): Mheshimiwa Zeinab Bi mkubwa.

Hon. (Mrs.) Zeinab Said: Ahsante sana Bwana Spika kwa heshima yako uliyonipa na nataka kuunga mkono Mswada ambao ulioletwa hapa mbele.

Mimi pia ni Mwanakamati ambaye nilikuwa huko Mwakirunge na wanaMwakirunge wanalalamika sana sana, watu wa Mwakirunge wanasema kuwa hili jaa la taka liko wazi halifunikwi kwa kitu chochote zile taka zinapeperuka toka huku mpaka mahali pale pa kuzoa taka tayari taka zimeenea kwenye mitaa kila mahali. Pili wanasema kuwa lile *bulldozer* limeondolewa pale lingekuwa lasaidia kama taka zimepeperuka linazisukuma mpaka kwa shimo, sasa *bulldozer* hilohilo lasukuma kidogo lawacha na zile taka zikichomwa kandokando mwa shimo huwa zinaenea sana na inasemekana kunawaka moto na unaenea watoto wanateketea, na zile nyumba ziko karibu na pale haswa moshi pia unawaumiza tukichoma zile taka. Kwa hio wananchi wa pale wana shida na mambo ambayo yako pale kwa kujenga ukuta ikiwa halitawezekana basi mtumie waya maana watoto hawaendi shule wanaenda kuchokora yale mapipa kutafuta vyuma vya kuuza, kwa hio lazima kuweze kufanywe mpango wowote ili lile pipa likazibwa na wale wafanyi kazi wa pale wanalalamika hawana choo hawajui watajisaaidia wapi wakienda kujificha mwituni mpaka watizame

huku na huku. Kwa hio mambo mengi kule yatajikana kurekebisha kisha wale walitwambia walipelekwa Arusha taka ni mali taka si za kurushwa ovyovy kwa hio kuna mashini fulani ambayo husaga hizo taka zile taka zikawa mbolea...

(Applause)

...kwa hio twaomba hii Kamati ipelekwe Arusha iende ikaone zile faida italeta kwa Kaunti haitakuwa hasara. Ahsante.

(Applause)

Deputy Speaker (Hon. Mswabah Rashid): Yes Hon. Caroline?

Hon. (Ms.) Auma: Ahsante sana, kwanza Mheshimiwa Spika napongeza hii Kamati kwa kutoka hapa mpaka Mwakirunge, vile ninavyojua Mwakirunge ni mbali kwa vile iko mwisho wa Kaunti yetu Kamati hii ilifanya kazi nzuri sana kuenda na kuangalia shida za Mwakirunge baada ya kuwasilishwa hapa na Mwakilishi wa Mwakirunge. Mheshimiwa Spika shida ambayo ninaona ni ya kwanza ni watoto wadogo wanavyoteseka, shida ya pili ni vile watu wanapata shida ya kuumwa na mbavu, na shida ya tatu nasikitika wakati shida hizi zote ambazo tunaweza kusema zinaweza kumalizika tu kama ule ukuta utajengwa hata kama huo ukuta hautakuwa wa kudumu lakini utakuwa umezuia shida kadhaa katika lile eneo na pia kuwekwe wafanyi kazi ambao watakuwa wanaangalia. Mheshimiwa Spika wakati ule ukuta utazungushwa mahali pale kuwekwe askari wa mlango waangalie vile takataka zinavyoingizwa pale ndani na wale watoto itakuwa ni kazi nzuri watakuwa wanaweza kufundishwa kuonyeshwa kuwa kwenda shule ni maana kuliko kukosa. Mheshimiwa Spika tumeona kuwa katika hii Kaunti kuna *bulldozer* moja tu na kwa sababu Mwakirunge inabeba taka za Mombasa *bulldozer* moja haitatosha, waongezewe *bulldozer* lakini pia hii Kamati ya Mazingira waende safari ya haraka iwezekanavyo na mimi najua siko hapo naomba nitiwe katika hii Kamati pia mimi niende kwa sababu naona madhara Mwakirunge inayo. Mheshimiwa Spika naomba kusaidiwa...

(Interruption)

Deputy Speaker (Hon. Mswabah Rashid): Naam Mheshimiwa wa Mwakirunge iko shida gani?

Hon. Mwinga: Mheshimiwa Spika, Mheshimiwa Caro anasema nimtie lakini sina uwezo wa kumtia kwa sababu mimi sio mMenyekiti wa Mazingira.

Deputy Speaker (Hon. Mswabah Rashid): Sawa Bi Mwenyekiti amesikia.

Hon. (Ms.) Auma: Mheshimiwa Spika inaonekana hiyo neno kutia ndio imeleta shida naomba kuwekwa ndani ya Kamati ya Mazingira, kwa sababu naelewa hizo shida za Mwakirunge, wakati nitapata fursa ya kwenda huko Arusha...

Deputy Speaker (Hon. Mswabah Rashid): Mheshimiwa wa Mji wa Kale.

Hon. Amur: Ahsante Mheshimiwa mimi pia napongeza Kamati imefanya kazi nzuri, Mheshimiwa shida iliyoko katika mji wetu serikali iliyopita ilikuwa na saa hii tukiongea mambo ya taka tumepitwa na wakati, wakati wa nyuma kulikuwa na serikali mbili ambazo zilikuwa zimejitolea kuleta mradi wa kiwanda kule Mwakirunge lakini kwa sababu ya uzembe wa serikali kuu kutaka mambo ya kironjo ndio inasababisha sisi hata leo tunaongea mambo ya taka. Taka ni mali hata ukitembelea nchi kama Bangkok, Thailand utakuta watu wanabeba taka na baiskeli wanaenda uza taka zile, ni sisi tuje na mpango kwamba vijana wetu wakichukua taka wakipeleka *dumping site* alafu sisi tunafanya usafi lakini shida ya Kenya ama nchi za Afrika ni *kick back* ndio shida za nchi zetu za kifarika lakini kama ufadhili umekuja lakini shida kubwa ambayo Mwenyezi Mungu angeiondoa katika nchi yetu ya Kenya ni ile *kick back* inatuletea matatizo, *recycling plant* ya Mwakirunge ingekuwa inafanya kazi *sub station* ambayo ilipendekezwa ya VOK ingekuwa inafanya kazi lakini kwa sababu ya uzembe wa viongozi leo jambo hili ni donda sugu na

nasema ni wakati sasa *recycling plant* idhibitiwe kikamilifu tuwafuate wale wafadhili ili tuweze kutokomeza shida zetu. Ahsante sana.

Deputy Speaker (Hon. Mswabah Rashid): Yes Hon. of Tudor?

Hon. Siminyu: Thank you Mr. Speaker for this opportunity. Mr. Speaker I would like to congratulate the Committee for this Report, if this Report is implemented it is going to have financial challenges but other things can be implemented. Mr. Speaker proper management of that dumpsite plus the long term solution of a recycling plant as recommended by the Committee are part of the solutions that we are talking about, I concur with my colleague Amur Murfad Mombasa County when we entered into power it was haywire in waste management due to lack of proper management; kickbacks and lack of interest but I thank God I have to congratulate the County government through the minister they are doing their best now Mombasa is changing and with a few efforts here and there good management of dumpsite will become better. Mr. Speaker I beg this House to adopt this Report so that Mwakirunge can have justice, thank you.

Deputy Speaker (Hon. Mswabah Rashid): Ahsante sana waheshimiwa kwa kuchangia mjadala huu kwa kina, kwa hio sasa sina budi ila kupisha Mwenyekiti wa Maji, Mazingira na Mali asili atupe neno la mwisho, Mwenyekiti ?

Hon. (Ms.) Zeinab Mumba: Ahsante sana Mheshimiwa Spika mwanzo napongeza Wajumbe wote waliochangia Ripoti hii na pili nasisitiza sana safari ya Arusha iweze kuwepo ili tupate kwenda kuona jinsi wanavyofanya zile taka zao. Ahsante sana Mheshimiwa Spika.

Deputy Speaker (Hon. Mswabah Rashid): Ahsante sana Mwenyekiti kwa kutia imani vile yamesemwa, waheshimiwa sina budi ni Mswada huu sasa upigiwe kura.

(Question put and agreed to)

Basi kwa sababu Mswada huu umepita basi natoa amri Kamati hii iende kule Arusha iende ikafanye utafiti wa kina kuhusu swala hili na pia msikose kuchukua Mwenyekiti wa Wenyekiti, naam Karani?

(Applause)

ADJOURNMENT
