PERMISSION TO BORROW FUNDS EXTERNALLY TO PROVIDE FOR LAND
SETTLEMENT, RESETTLEMENT AND SQUATTER SETTLEMENT WITHIN
MOMBASA COUNTY

The Speaker (Hon. Khatri): I now call upon Majority leader Khamis Musa Mwidani to give the notice of Motion.

(Leader of Majority (Hon. Mwidani) moved the notice of Motion)

THAT the Government of the County of Mombasa is charged with the responsibility of project policy formulation, implementation, administration, operation and maintenance under Part two of the Fourth Schedule of the Constitution of Kenya, 2010;

AWARE THAT the issue of land tenure in the Coast region has historically been a contentious issue and that huge tracts of land are owned by absentee landlords and many households in areas such as Mishomoroni, Vikwatani, Mwakirunge and many other areas in Mombasa County are living as squatters on the land;

FURTHER AWARE THAT this issue hinders sustainable development, since the poor are likely to engage in unsustainable resource use practices in an effort to meet immediate survival needs;

AND FURTHER AWARE THAT this matter can be properly visited and handled through the County Project Facilitation Fund to its conclusion;

CONCERNED THAT the general populace mostly affected by the land problem are those in the lower income bracket with no means to purchase land at current market prices;

I therefore urge this Assembly to **RESOLVE** that;

The County Government of Mombasa through the Mombasa County Project Facilitation Fund, be allowed to source and borrow externally funds in the sum of Kenya Shillings Four Hundred and Thirty Seven Million (Ksh. 437,000,000/=) only in order to enable it purchase such land from its landlords to facilitate squatter resettlement.

Thank you Mr. Speaker.
