

COUNTY ASSEMBLY OF NAKURU

THE HANSARD

Third Assembly (Second Session)

Tuesday 14th November, 2023

Assembly Building

The House met at 03:30 PM

[The Temporary Speaker (Hon. Loise Kagecha) in the Chair]

PRAYERS.

COMMUNICATION FROM THE CHAIR

NEWLY CONSTRUCTED HEALTH FACILITIES

The Temporary Speaker (Hon. Loise Kagecha): There is a Communication from the Chairperson of the Committee on Health Services on the Status Report on the list of Newly Constructed Health Facilities in the County since 2021 and Equipment necessary to operationalise them. Hon. Njuguna.

Hon. Njuguna Mwaura: Thank you Madam Temporary Speaker. I rise to communicate to the House on the status of Newly Constructed Facilities within our County since 2021 and Equipment necessary to operationalise them.

Madam Temporary Speaker, allow me to go County by County so that Members can know, and I request Members to flow with me because the Report has already been uploaded to their Tablets, therefore they can go directly ...

Hon. Joseph Muraya: Madam Temporary Speaker, is the Member in Order saying that he goes through County by County or Sub-County?

Hon. Njuguna Mwaura: Thank you Madam Temporary Speaker. I believe it is Sub-County by Sub-County. You know we do not have Half a County but we have Sub-Counties.

NO	SUB COUNTY	WARD	FACILITY	TYPE OF COMPLETED BUILDING	STATUS
1.	Kuresoi South	Tinet	Karandit Ogiek Dispensary	Outpatient Department	Requires equipping

		Keringet	Kapkores Dispensary	Outpatient Department	Requires equipping

NO.086 C

Hon. Njuguna Mwaura: They have an Outpatient Department that requires equipping. That is for the Headquarters.

SUB COUNTY	WARD	FACILITY	TYPE OF COMPLETED BUILDING	STATUS
Naivasha	Naivasha East	Mwega Dispensary	Outpatient Department	Requires equipping
Nakuru East	Menengai West	Menengai Dispensary	maternity	Requires equipping

OTHER COMPLETED FACILITIES AND MATERNITY UNITS AWAITING OPERATIONALIZATION.

SUB COUNTY	WARD	FACILITY	TYPE OF COMPLETED BUILDING	STATUS
Kuresoi South	Tinet	Kapkoii Dispensary	Outpatient department	Requires equipment, sanitary facilities and minor renovations

		Aoon dispensary	Outpatient department	Requires equipment, sanitary facilities, and minor renovations.
--	--	-----------------	-----------------------	---

Madam Temporary Speaker, allow me to say that these Facilities were constructed long ago. They do not have Sanitary Facilities, that is the Washrooms and we cannot operationalise a Facility without Washrooms. That defeats its purpose and that is why they are saying if the Honorable Members from those areas together with the members of the community set aside money during the Public Participation to construct those Washrooms and also do renovations that are supposed to be done, then perhaps those Facilities can be operationalised and the Executive is going to take the Medicine and Medical Officers to make sure that those Facilities are operationalised.

SUB COUNTY	WARD	FACILITY	TYPE OF COMPLETED BUILDING	STATUS
Kuresoi South	Kiptagich	Chigamba Dispensary	Outpatient Department	Requires equipping
		Kiplemeiywo Dispensary	Outpatient Department	Requires equipment sanitary facilities Minor renovations
	Amalo	Sinendet Dispensary	Outpatient Department	Requires Staff That is now complete it only requires Staff. This is a follow-up by the Implementation Committee to make sure that that facility has

				been operationalized
		Kaplamboi Dispensary	Outpatient Department	Requires Equipping
Njoro	Mau Narok	Mau Narok Health Centre	Administration Block and Pediatric Ward	Requires equipment and minor renovations
		Tipis Dispensary	Outpatient Department	Requires equipping
		Segutiet Dispensary	Outpatient Department	Requires equipping
		Likia Dispensary	Maternity	Requires equipping
		Mwisho Wa Lami Dispensary	Maternity	Requires equipping
	Mauche	Kamosop Dispensary	Outpatient Dispensary	Requires equipping
	Lare	Pwani Dispensary	Maternity	Requires Equipping
	Kihingo	Kihingo Health Center	Maternity	Requires equipping
	Njoro	Mwigito/Njokerio Dispensary	Maternity	Requires equipping
Nakuru West	Kapkures	Lalwet Dispensary	Maternity	Requires equipping and minor renovations
	Barut	Barut Dispensary	Maternity	Requires equipping and minor renovations

45	Computers	45
46	Dermatoscope	2
47	Diagnostic kits	14
48	X-rays Viewers/Lightbox	10
49	Digital Weighing Scale	12

Hon.Njuguna Mwaura: We also have others as outlined in the Report Madam Temporary Speaker, and these Equipment amounts to billions of shillings, only for that Facility.

Therefore Mr. Temporary Speaker, we are requesting the rest be included as outlined, and then we go to the Laboratory, the Dental Unit; we go to specific Clinics for specialisation and so forth. We also have Administration and Human Resources that are for Level Five. All these Equipment, for PGH alone, require Kshs 5 billion so that we can operationalise that Facility, and that is why we

want the Implementation Committee to capture these things so that in the next Budget, this Department must showcase that they have put aside funds for operationalisation of our Level Five. So that they can shift from the old dilapidated buildings that were used as a Military Camp or the Barracks for the Colonial Government, to the ODP that is newly constructed so that people of Nakuru can start...

Hon. Ali Abdi: Point of Order Madam Speaker.

The Temporary Speaker (Hon. Loise Kagecha): Yes Hon. Duale.

QUORUM

Hon. Ali Hassan: [On a Point of Order]. Thank you Madam Temporary Speaker, I am standing on Standing Order 37, on the issue of quorum in the Assembly. As you can see, we have no quorum to proceed with the Business. So Madam Temporary Speaker, with your indulgence, we can ask Members who are outside to come in so that we can have a good number that constitutes a quorum. Thank you Madam Temporary Speaker.

The Temporary Speaker (Hon. Loise Kagecha): Serjeant at Arms can you please confirm whether we have a quorum.

(The Serjeant at Arms counts the Members in the House and confirms there is no quorum)

(The Bell was rang)

Hon. John Maritim: The bell has been rang but we still do not have a quorum. He is just making a lot of unnecessary air pollution. I think the best thing is to let the Chairperson Committee on Health Services to continue, we proceed from there.

The Temporary Speaker (Hon. Loise Kagecha): Hon. Maritim, are you referring to air pollution or noise pollution? Do we have any Whip around to confirm whether we have quorum? Honorable Members, based on Standing Order 37, this House lacks quorum to continue with the Business of the Sitting.

ADJOURNMENT

Honourable Members, the House stands adjourned until tomorrow at 9.30 AM.

The House rose at 4.05 PM
