

COUNTY ASSEMBLY OF MOMBASA

OFFICIAL REPORT

Wednesday, 8th May, 2019

The House met at 9:28a.m.

(The Speaker (Hon. Aharub Ebrahim Khatri) in the Chair)

PRAYERS

The Speaker (Hon. Khatri): Hon. Members just be seated. Yes Clerk?

NOTICE OF MOTION

Yes Hon. Athman Shebe? Please give the Notice of Motion.

Hon. Athman Shebe: Thank you Hon. Speaker. Mr. Speaker Sir I beg to give notice of the following Motion:

THAT AWARE that the County government is mandated by the Constitution, Fourth Schedule Part 2 (g) to handle refuse removal, refuse dumps and solid waste;

Hon. Speaker;

FURTHER AWARE that the County government in its endeavours to restore the glory of Mombasa has come up with various environmental initiatives including monthly clean up exercise within the County;

COGNIZANT that 'Mji wetu wajibu wetu', a slogan that the County uses to promote solid waste management focuses on a people driven process;

CONCERNED that solid waste management including collection is centralized and hence people involvement at the Ward level is absent or rather limited;

Mr. Speaker;

NOTING that people involvement in the solid waste collection will ensure that community based groups at Ward level are empowered as solid waste collection will be a source of livelihood to the groups and thus reduce vices such as theft, drug and substance abuse within the County;

Mr. Speaker Sir, I therefore urge this County Assembly to resolve that:

1. The CEC, Environment, Solid Waste Management and Energy to come up with structures that will enable solid waste to be collected at Ward level,
2. That the Community Based Organizations (CBOs) to be employed by the County government at Ward level to collect solid waste within the Wards,
3. That the County government to come up with initiatives recognizing the best Ward in terms of solid waste management to be established,

Thank you Mr. Speaker Sir.

The Speaker (Hon. Khatri): Thank you Hon. Athman Shebe. Yes Clerk next order?
