#### **MOTION**

Hon. Members, this afternoon, we shall proceed with the debate on the Governor's Address. Kindly note that we shall give Members who did not contribute yesterday and this morning the opportunity to do so, the floor is open. Yes Hon. Junior.

**Hon. Kyaka:** Bwana Spika, Mheshimiwa Spika, majina yangu ni Junior Wambua Kyaka nawakilisha sehemu ya Chaani. Kwanza namshukuru Mwenyezi Mungu kwa sababu ya kuchaguliwa na nishukuru watu wa Chaani ambao walinileta hapa, yangu ninataka tena nichangie kuhusu Hotuba ya Gavana. Mambo ambayo Mheshimiwa Gavana ameleta katika Bunge hili ni mambo ambayo ni ya maana sana, nimeona mambo ya vijana ambayo Waheshimiwa wengi sana wameizungumzia sana, nikikumbuka kwamba sisi kama Wabunge tukipata hivi viti tunatumia sana vijana katika mitaa na vijana wako na matarajio makubwa sana kwetu ili tuweze kuwapatia ajira na tunaomba sana wakati tunapolingililia mambo ya ajira tuhusishwe zaidi sana ili tuweze kuwajenga hawa vijana ambao wametusaikia kufika hapa. Mheshimiwa Spika katika sehemu yangu ya uwakilishi Chaani kuna matatizo mengi sana ya kuhusu taka na taka hizi zikipangiliwa vizuri kulingana na hotuba ya Gavana inaweza kusaidia vijana wengi sana, vijana hawa kama vijana wangu wa Shimo Kubwa vijana wamejiunga kikamilifu na wanafanya kazi nzuri sana lakini wanasumbuliwa na maaskari wetu wa Kaunti ambao saa zengine wanataka kuchukua nafasi hiyo na kupatia vijana wao, wengine wanashika wale vijana wanawaambia matairi yameibiwa na wale vijana ndio wanafanya kazi kubwa sana ya kuhakikisha wamelinda hata hayo magari ambayo yamewekwa hapo, takataka hizi zimejaa hata lile gari saa hii huwezi kuliona liko wapi?

Kwa hio ni kuwa kwa mpango ambao Mheshimiwa Gavana ameuleta unaweza kusaidia sana kuajiri vijana wetu inaweza kuwa ni njia nzuri itaweza kuwapa vijana wengi ajira katika njia hii na Mheshimiwa Spika jambo lengine ni kuhusu mambo ya maji taka sehemu ile ya Chaani. Nafikiri hizi zilijengwa kitambo na saa hii zote zimefurika vibaya sana ingelikuwa watu hawa wanaohusika wanaweza kutusaikia sana na tutaona watu hawa wataishi vizuri saa hii inatiririka katika barabara na jambo hilo hata vijana wanaweza kusaidia sana kuhakikisha kuwa wamefanya.

Kuhusu maji nimeona katika hotuba ya Gavana amesema kutakuwa na njia ya kuhakikisha kuwa tumevuna maji, maji haya katika sehemu yetu ya Chaani kuna matatizo sana ya maji; mifereji iliwekwa zamani sana na juzi kulikuwa kila mahali kumechimbwa, pamechimbuliwa kukawekwa hizo paipu chini lakini hakuna hata maji kidogo yanatoka. Katika sehemu ile imekuwa ni vigumu sana katika mipango ambayo tunaendelea nayo katika Bunge ili kuhakikisha kwamba watu wa sehemu hiyo wamepata maji litakuwa ni jambo ambalo ni sawa sana. Mambo mengine ni katika vitongoji duni kama sehemu kama Mathare kule kwangu, sehemu ile saa hii watu wengi wanajisaidia na wanatumia makaratasi, ingekuwa ni jambo la busara hapa tukipata vile vyoo vya umma vitaweza kusaidia watu wetu sana na kuhakikisha usafi kwa sababu hiyo karibu tunaweza kuwa na mkurupuko wa magonjwa na ni jambo ambalo linaweza kusaidia sana kuhakikisha ya kwamba mambo haya yamekufa. Mambo ya kibiashara tukiangalia Mheshimiwa Spika leseni zetu hapa Mombasa ziko juu sana zikilinganishwa na sehemu zile zengine na nimeona kwamba Gavana amezifikiria sana, itakuwa ni jambo la busara leseni hizi zikiweza kwenda chini kidogo hata biashara zitaweza kufanyika kwa njia iliyo nzuri kwa sababu kiduka kidogo kinalipishwa shilingi 20,000 ama elfu kumi na kitu na ukiangalia ile biashara hawezi kupata pesa ya kulipa na hio inasaidia wale maaskari wakitembea ndio wanapata hizo pesa kidogo kidogo badala ya kuwa anaweza kulipa angeweza kuja kulipa hapa katika Kaunti ingekuwa ni jambo la busara sana. Kwa hio hilo ni jambo ambalo tunaweza kuzingatia tukalifanya likiwa sawa sawa. Taa za barabarani kwa sababu ya usalama sehemu yangu kama Karare wajua nawakilisha sehemu ambayo iko duni, sehemu kama hiyo itakuwa ni busara kama kutakuwa kunawekwa mataa yanaweza kunisaidia kuhakikisha tumeinua usalama katika sehemu hizi ili watu wetu nao wajue walipiga kura kisawa sawa. Kwa hio Mheshimiwa Spika sitakuwa na mengi ila naunga mkono hotuba ya Gavana. Ahsante.

*(Applause)*

**Mr. Speaker** (Hon. Khatri): Ahsante Mheshimiwa Junior, naam Mheshimiwa?

**Hon. (Ms.) Nyache:** Ahsante sana Mheshimiwa Spika kwanza nachukua fursa hii kumshukuru Mwenyezi Mungu kwa kutupatia uzima na kutuwezesha kufika kwenye Bunge hili. Pili napongeza hotuba ya Gavana italeta mwelekeo na Mombasa Kaunti yetu itaweza kubadilika yakiweza kuzingatiwa, pia nampongeza Mheshimiwa Spika kwa kuchaguliwa bila kupingwa kuongoza Bunge hili la Pili Mwenyezi Mungu akuwezeshe...

*(Interruption)*

**Mr. Speaker** (Hon. Khatri): Hon. Member just a reminder please you have to say your name first. Thank you.

**Hon. (Ms.) Nyache:** Kwa majina naitwa Leila Nyache Mbunge Mteule Mombasa Kaunti samahani kwa hilo. Mheshimiwa Spika tena nawapongeza Waheshimiwa wote waliochaguliwa na wale walioteuliwa kama Wabunge wa Kaunti kwa kupata ushindi kwa amani. Nashukuru kwa Gavana wetu kuwateua Wabunge wanawake, wamama nikiwa mimi ni mmoja wao hakuangalia kabila wala dini, nasema ahsante kwa Gavana wetu. Mheshimiwa Spika hotuba ya Gavana kwa upande wangu ilikuwa ni sawa mimi naipongeza yote moja kwa moja lakini kuna kipengele ambacho ningependa kukigusia cha ukurasa wa saba kuinua vijana katika talanta zao. Wenzangu wote Waheshimiwa wamegusia gusia lakini na mimi pia nitagusia kama kuongezea kuhusu talanta kupitia vijana. Vijana wako aina mbili; nikisema hivyo namaanisha kijana wa kike sisi viongozi tuko kule mashinani tunapitia changamoto nyingi sana na tunaona mengi kule mashinani, kuna wasichana ambao saa hizi hawa vijana wamesoma na wamemaliza shule zao vizuri lakini wazazi wao hawana uwezo wa kuwaendelezea shule za juu kimasomo. Mheshimiwa Spika ningependa kuanzishwe zoezi la shule ya urembo kwa wasichana wetu tuweze kuwawezesha na kuwainua katika talanta zao na tuweze kupata Miss Mombasa katika Kaunti yetu ya Mombasa...

(Applause)

...Mheshimiwa Spika hiyo italeta natija sana katika Kaunti yetu ya Mombasa na pia katika sekta ya Utalii kwa ujumla. Mheshimiwa Spika pia itasaidia wasichana wetu wasiweze kuingia katika mihadarati ama kazi mbaya mbaya za ukahaba. Kuna kipengele kingine ningependa kukigusia katika masuala ya maji safi na maji taka japokuwa yamegusiwa lakini mimi ningependa Mheshimiwa Spika uniruhusu niyagusie kwa sababu mimi sehemu ninayotoka natoka katika sehemu ya Kipevu na Wodi ya Kipevu imeoza. Mheshimiwa Spika kuhusiana na maji taka na haya maji safi hayapatikani hayo maji taka ndio yanafurika angalau ungesema afadhali hayo maji safi yafurike kuliko hayo maji taka, maji taka yametuletea maradhi mengi sana watoto wanaugua, wamama wanaugua, watu wote wanaugua kwa ujuma. Kwa hio ningependa Mheshimiwa Spika ikiwa kutakuwa na mgao ama kutakuwa na mbinu mbadala wa kuweza kurekebisha hizo paipu za maji taka tuweze kupata na sisi wananchi wa Kipevu. Mheshimiwa Spika kuna suala la zahanati, zahanati sisi watu wa Wodi ya Kipevu kwa ujumla tukiugua pale katika Wodi yetu tunapata shida sana mpaka twende Port Reitz ama twende katika zahanati moja iko Wodi ya Chaani na ambapo ni hatua sisi kufika kule. Kwa hio tungeomba Mheshimiwa Spika na sisi pia tuweze kupata zahanati katika Wodi ya Kipevu. Nikimalizia mahali mimi natoka Mheshimiwa Spika kuna vileo vingi sana vya haramu vinauzwa pale na pia hawa vijana wetu mateja wako wengi sana, kwa hio mimi nasema vyoo vya umma viweze kujengwa kila sehemu na sisi pia tunaomba tupate kwa sababu kitambo kulikuwa kuna yale malailoni wenyewe walikuwa wakitia mizigo yao kwa nailoni na wakitupa kwenye shimo la taka lakini sasa hivi ukipiga kichochoro nyuma ya nyumba unakuta mzigo pale uko freshi kabisa...

(Laughter)

Mzigo mushaelewa huo mzigo ambapo inaharibu pia mazingira Mheshimiwa Spika, inatuletea mazingira mabaya sana Kipevu yetu ama Changamwe kwa jumla. Nikimalizia Mheshimiwa Spika nasema Wabunge hapa sote tushirikiane tuweze kufanya kazi kwa Kaunti yetu na tufuate hii hotuba ya Gavana wetu na tuweze kutekeleza tukiletewa hio miradi Mombasa yetu iweze kubadilika na kung'ara. Ahsanteni sana.

(Applause)

**Mr. Speaker** (Hon. Khatri): Hon. Members please note that Standing Order 76 (1) prohibits the reading of speeches so kindly comply and I would like to recognize the presence of the Member of County Assembly from Lamu who is Hon. Azhar Ali Mbarak who is sitting at the public gallery...

(Applause)

...Hon. Ogutu?

**Hon. Ogutu:** Thank you Mr. Speaker for giving me this opportunity, first of all I want to take this opportunity to thank the great people of Changamwe Ward for giving me this opportunity to represent them in this Hon. House. Mr. Speaker I want to take this opportunity also to congratulate His Excellency the Governor for his re-election as the Governor of Mombasa for this second term. Mr. Speaker I want also to take this humble opportunity to congratulate you for being elected as the second Speaker of this Hon. House...

(Applause)

...Mr. Speaker back to Governors' address, I want to go direct to agenda number one which talks about youth empowerment and employment; Article 55 (c) of the Constitution is very clear it states that, *the state shall take measures, including affirmative action programmes, to ensure that the youth access employment*. Mr. Speaker employment is therefore a fundamental right of the youth; two Mr. Speaker youth constitutes the largest constituency as far as the total population of this country is concerned.

Youth also constitutes the largest voting block Mr. Speaker and if left vulnerable the youth will fall prey to drug and substances abuse, crime and other social vices. Mr. Speaker if I touch on issues of environment Article 42 of the Constitution is also very clear it states *that every person is entitled to a clean and a healthy environment*, this is another fundamental right so whatever we discuss in this Hon. House it is prudent of us as Members of this Honorable House to pass legislations to ensure that these are put in practise otherwise this good document will only be a piece of paper and again I want to say that each and every Ward has its unique problems and for us to realize and achieve the agenda in this document I think we should decentralise these resources to the lowest level possible and I think there should be creation of things like Ward Development Fund so that somebody like Hon. Ogutu in Changamwe who knows the priority needs in Changamwe Ward we come up with projects and prioritize on the major problems that are facing the people of Changamwe Ward...

(Applause)

...based on that Mr. Speaker I beg to support.

(Applause)

**Mr. Speaker** (Hon. Khatri): Yes Hon. Mwamwiri.

**Hon. Mwamwiri:** Ahsante sana Mheshimiwa Spika, awali ya yote ningependa kuregesha shukrani zangu za dhati kwa Mola wangu mlezi kwa neema alioweza nijaalia mimi kuweko katika Jumba hili. Pili naregesha shukrani zangu kwa wananchi wa Likoni kwa imani na huruma na mapenzi waliokuwa nayo juu yangu kunipa nafasi ya kuwakilisha katika Jumba hili bila kusahau wale tuliopinzana nao katika shughuli hii ya uchaguzi kwa sababu walistahiki nafasi kama hii japo nilikuwa mbele yao. Tunajua sio wote wanaoweza kuhimili kushindwa japo kila mmoja huwa na furaha na bashasha anapopata ushindi, kwangu mimi ni mashujaa kwa sababu walikubali kwamba niliwashinda katika kinyanga'nyiro kile. Kadhalika...

(Interruption)

**Mr. Speaker** (Hon. Khatri): Hon. Member please state your name so that the Hansard can capture the name first.

**Hon. Mwamwiri:** Samahani kwa jina ni Athman Rama Mwamwiri, Mwakilishi wa Wodi ya Likoni. Kadhalika niwapongeze Waheshimiwa wenzangu walioweza kupata fursa kujumuika nasi ama kuwa pamoja nami katika Bunge hili la pili la Mombasa, zaidi shukrani za dhati kwa wana Mombasa kwa kupeana fursa kwa Mheshimiwa Gavana kupata nafasi ya pili kuwa Gavana wetu wa jiji la Mombasa na kadhalika Bwana Spika kuongoza Bunge hili la pili. Wasia wangu pamoja na ndugu zangu katika Bunge hili ya kwamba nafasi hii tuliyo nayo sio tu kusheherekea utawala na mamlaka juu yake bali ni jukumu letu tuwajibike katika kutekeleza majukumu yetu kwa wananchi. Kama wasemavyo wange'nge ya kwamba, *the big victory is not in the titles and privileges we get, but it is the responsibility bestowed upon us*, ni jukumu letu kutekeleza majukumu yaliyoko juu yetu. Tukirudi kwa hotuba ya Mheshimiwa Gavana amezungumzia maswala ya umoja, ambao ni umoja wetu sisi kama Wabunge na umoja wa serikali yake. Hili ni swala nyeti na lenye uzito kwa sababu ufanisi wa utekelezaji wa shughuli zetu lazima kuwepo na ushirikiano. Zipo baadhi ya Kaunti ambazo vitengo viwili hivi vya serikali ya Kaunti vimekuwa vikitazamana kwa jicho la kushukiana ya kwamba labda Waheshimiwa wana mpango wa kuhujumu Mawaziri na kadhalika na Waheshimiwa wanahisi kwamba Mawaziri wana njama ya kuwahujumu katika utekelezaji wa miradi mashinani. Kwetu sisi tukiwa wawakilishi tuna dhamana tumepewa na wananchi wetu kuwa wakilisha katika Jumba hili na kutekeleza zile haki msingi ikiwemo kuwakilisha, utunzi wa sheria na kuangazia ama kuangalia utenda kazi wa serikali ya Kaunti. Kwa hio hino ni haki ilioko juu yetu kutoka kwa wananchi na yatimilia haya yatadhihiri ama itapatikana ufanisi wa ugutuzi ambao ki hakika ufanisi wa ugutuzi uko mikononi mwa mwananchi mwenyewe.

Kutupitia sisi kama wawakilishi wao na basi inatulazimu kama Bunge na Mungu akijaalia tutaleta Mswada tuwe na sheria ambayo itawapatia ama itawatambua wananchi na kupewa kipao mbele katika matekelezi ya shughuli zetu ama tunaita *public participation* ili waweze kupewa nafasi hii mapema kwa wakati unaostahili, kuweza kuchangia maswala panapo undwa bajeti na kadhalika, mipango ya CIDP, hilo silo jambo la kuliomba bali ni jambo ama ni shuruti la kikatiba katika kipengele cha 87 cha Katiba ya taifa ambapo ni haki kwa wananchi kupewa taarifa mapema mahali na kuweza kusikilizwa maoni yao katika maswala yanahusu ujenzi wa taifa ama Kaunti. Mheshimiwa Spika kuhusu Wodi ya Likoni, nikiwa mjumbe wao wamenituma na ujumbe ya kwamba wanataka kuchangia katika kila moja ya maendeleo ndani ya Kaunti ya Mombasa yatayofika katika Wodi yao, vinginevyo hawatakuwa radhi na mimi wala utekelezaji wa mradi huu utakao kuja pasi na wao kupatiwa kipao mbele. Katika ukurasa wa sita wa hotuba ya Gavana amezungumzia ruwaza ya 2035, kadhalika ruwaza hii iko na azima njema kwa wananchi wa Mombasa kwa kupeana kipao mbele yale ya msingi yalioko mashinani na kuyafanikisha hayo kadhalika, kama baadhi ya ndugu yangu ama ndugu zangu waliotangulia kusema kwamba sisi tukiwa viongozi wa mashinani mtu yuko na ufasaha na ukaribu zaidi kujua changamoto na shida zinazo kabili sehemu tunazotoka. Hivyo basi ingelikuwa bora na ya kupendeza na ya manufaa zaidi iwapo kutauundwa mfuko sambamba na CDF kwetu sisi Waheshimiwa ukiitwa *Ward Development Fund*, hino itatuwezesha...

(Applause)

...Kwa ushirikiano na serikali ya Bwana Gavana kutekeleza yale ya msingi kwa kuzingatia nini wananchi wanakusudia; mathalan, katika eneo ninalotoka mimi Wodi ya Likoni ukweli ni kwamba tangu taifa la Kenya lipate uhuru hadi leo hakuja patapo kupata hata zahanati katika eneo lile, shida za maji, changamoto ya mazingira, changamoto za umasikini, changamoto za elimu, tatizo sugu la mihadarati na kuwezesha vijana kukubaliana na changamoto ya ukosefu wa ajira, tunajua hili ni changamoto mpango mzima sio tu katika Kaunti yetu ya Mombasa lakini kwa kupitia mfuko kama ule kama viongozi tunaweza kujenga nafasi kwa kuwawezesha vijana wetu na mama zetu kujijengea ajira wenyewe. Viko vikundi mashinani vimekosa kukithiri kwa sababu ya ukosefu wa fedha, japo ziko taratibu za pesa ambazo kwao ni changamoto kuzifikia ama kuzihimili wanapo pewa mikopo ya kwamba walipe kwa muda fulani ikiwa hawajashika kasi na shughuli zao tayari wanaanza kuandamwa kwa madeni. Lakini kwa kupitia pesa hizi kwetu sisi hatutawakopesha bali tutawafanyia mafunzo na kuwakabidhi waweze kujijenga na kujiendelezesha tukiwa wasimamizi wao katika shughuli zile ili kuondoa tatizo la ukosefu wa ajira na tunajua tukiliweza hilo, hata changamoto za utumizi wa mihadarati na kujiunga kwa magengi ya ukosefu wa usalama itakuwa tumepata suluhu ya kudumu.

Mheshimiwa Spika eneo la Likoni ninalotoka, ama eneo la Likoni kwa jumla na nina imani na Waheshimiwa wako hapa ni kama Mombasa nzima tatizo la ardhi limekuwa sugu sio kwetu sisi Likoni bali Mombasa kwa jumla. Tunaiomba serikali ya Mheshimiwa Gavana iweze kushirikiana na vitengo husika ikiwemo tume ya haki za kibinadamu na tume ya maswala ya ardhi kuweza kuzingatia na kutathmini hali halisi ya majanga yetu yanayotukabili na suluhu zake ikiwemo kuomba kwa waendeshaji bajeti ama *Controller of Budget* tuweze kupigia kama yasema ripoti kuna ahadi serikali ilipeana lakini ikashuhudisha wananchi waweze kuzilipa. Tunajua uzito ulioko katika serikali yetu ya Kaunti Mombasa hatuna uwezo wa kuchukua dhamana ya hili kulipa lakini tunaweza kuiambia serikali kuu kama inavyofanya kwa sehemu zingine kuwalipia fidia wakulima wa kahawa, wakulima wa majani chai, wakulima wa miwa na kadhalika hata sisi wana Mombasa wanaweza kuchukua dhamana hii kutuondolea ada zile. Katika swala hilo hilo la ardhi ziko bado sehemu za ardhi ambazo zinahesabika kama za serikali ndani ya Likoni wenyeji wanaishi katika sehemu zile wanahesabika na kutambulika kama maskwota.

Hadi leo jina hili halipendezi na ndio mkurupuko wa chanzo cha shida nyingi ama changamoto nyingi hususan unapoingia uchaguzi ama karibia uchaguzi Likoni ina historia ya vita wakati wa uchaguzi lakini sababu si uchaguzi sababu ya rasilmali na rasilmali kuu ni ardhi na vuguvugu ya vita vya kayabombo, mavuguvugu ya kama MRC lakini chanzo kikubwa ni ardhi. Kwa hio serikali yetu ya Kaunti ikichukua dhamana kuweza kuongea tume ya ardhi waweze kupimia wananchi wale ardhi zao na kugharamia gharama zinazostahiki wawe wamiliki halisi hii itasaidia pia kuongeza mapato katika Kaunti yetu kwa sababu watakuwa wakilipa *rates* kwa zile hati za ardhi zao. Nikimalizia Mheshimiwa Spika kwetu tukiungana tufanye kazi kwa Waheshimiwa wako pamoja tushikiane na wastahiki Gavana wetu kuweza kufikia malengo yetu sisi kama Kaunti ya Mombasa ili tumpe fursa ya kufanyisha siasa yake ya 2022 ya urais kuwa rahisi haya anayotimia katika hotuba yake tukiweza kuyatekeleza itakuwa mfano bora katika taifa la Kenya na watakuwa na imani na yakini ya kwamba kwake aliweza kuyafikisha haya kwa kutumia serikali yake na Bunge la Mombasa basi kadhalika ataweza kupeleka serikali ama taifa la Kenya mbele na kutuunga mkono sisi wa Mombasa.

(*Applause*)

Naunga mkono hotuba ya Mheshimiwa Gavana na Mwenyezi Mungu atubariki, shukran.

**Mr. Speaker** (Hon. Khatri): Yes Hon. Shomari.

**Hon. Shomari:** *Bismillahi Rahmani Rahim*, kwanza ningependa kutoa shukrani zangu za dhati kwa Gavana wetu Ali Hassan Joho kwa kuweza kuchaguliwa tena kwa mara ya pili, pili Mheshimiwa Spika ningependa kutoa shukrani zangu za dhati kwako wewe Spika wetu kipenzi chetu Mwenyezi Mungu akupatie hekima ili uweze kuongoza Nyumba hii vizuri, tatu natoa shukrani zangu za dhati kwa Naibu wa Spika. Kwanza ningependa kutambulisha jina langu kamili naitwa Ali Mohamed Shomari kutoka Wodi ya Magogoni, napenda kutoa shukrani zangu za dhati kwa Chifu wetu na Waheshimiwa wote waliochaguliwa na walioteuliwa. Kwanza ningependa kutoa pongezi kwa hotuba alioita Gavana wetu, ni hotuba nzuri sana maana limegusa kila mahali; kwanza ningependa kuzungumzia kwa niaba ya watu wa Magogoni kwa kuwapa shukrani na kuweza kunichagua mimi ili kuwakilisha katika Bunge hili. Mimi kama Mwakilishi wa wakaazi wa Magogoni kuna changamoto kubwa sana ambayo imetukabili kwa mda mrefu; changamoto yenyewe ni ukosefu wa shule ya umma mpaka imefikia wakati ya kwamba wanafunzi ama watoto wanaoishi katika eneo letu la Magogoni wanavuka Wodi jirani ambayo kuna shule inayoitwa Baptist katika jirani yangu Mheshimiwa Fahad Kassim. Shule ile imekuwa na mfangamano mwingi watoto wamekuwa wengi mpaka walimu wanapata matatizo kuwasomesha wale watoto, kwa hio ningependa Mheshimiwa Spika tuweze kutilia mkazo swala hili ili tuweze kupata shule ya umma katika eneo letu la Magogoni.

Vile vile katika kitengo cha elimu kuna baadhi ya siku tukitembea mitaani ni siku ya shule lakini tumeona watoto wanarandaranda kimawazo yangu mimi kama kiongozi pamoja na viongozi wenzangu tulikaa chini tukasema iwapo mwenyezi Mungu atatujalia tuingie katika Bunge tutajaribu kutoa Mswada huu tuwe na maafisa ambao ikiwa ni siku za shule wawe wanatembea katika eneo letu la Magogoni tukijaribu kuangalia wale watoto wanaoranda randa kuingia kwenye ma *play station* kuingia katika ma video ili kuhakikisha kwamba hawa watoto wetu wanakwenda mashule ili wasikae mitaani kurandaranda kwa sababu wale waokaa mitaani kuranda randa kesho hao ndio wakora watakao sumbua. Jambo lengine ningependa kutoa pongezi za dhati haswa kwa Gavana wetu kutokana na swala la mazingira maana mimi mwenyewe nimeona mazingira hili swala la taka ambalo lilikuwa lina sugu katika Mombasa nzima na ukipita katika kichochoro cha kwanza, cha pili waona magunia. Mimi kama Mheshimiwa aliechaguliwa wa Magogoni tuliwahi soma tukafundishwa jinsi ya vile taka zinaweza geuka zikawa pesa.

Nikimuunga mkono Mheshimiwa mwenzangu Mheshimiwa *Mukono power* kwamba taka ni mali ningependa Bunge hili litilie mkazo sana hili swala la matakataka kwa sababu swala hili ndio litafanya Kaunti yetu ya Mombasa ikatengeza pesa nyingi ambayo itatusaidia vitu vingine ambavyo labda Kaunti imelemewa lakini hii ukusanyaji wa takataka itasaidia na Kaunti ikawa na pesa nyingi ili kuweza kutatua mambo madogo madogo ambayo yanatukwamisha...

(*Applause*)

Swala lingine pia ni swala la vipaji; ni zuri sana ambalo Gavana wetu ameliangazia, tuko na vijana kule chini wanajifundisha michezo ya kuigiza wanajifundisha *acrobatic*, wanajifundisha mambo mengi lakini wanakosa nguvu, wanakosa usaidizi. Kwa hio ningependa Bwana Mheshimiwa Spika kwamba tuweze kujengewa ukumbi, zile kumbi zitasababisha watoto wetu waende pale kujifundisha ile michezo na sisi viongozi wao tukiwasaidia tutakuwa tukiwaona katika runinga na ili waweze kujikimu pia katika maisha yao. Swala lingine Mheshimiwa Spika ni swala la muundo msingi wa maji taka; hili ni swala zuri sana na tatizo sugu sana katika eneo letu la Magogoni, mvua inaponyesha wakaazi wa Magogoni wanapata tabu sana maji yakiingia mpaka ndani ya nyumba. Mimi na viongozi wenzangu tukajaribu kutembea kuangalia ni kitu gani tunaweza fanya angalau watu wa Magogoni waweze kupata sahali, jibu tulilolipata tumetembea eneo la Mheshimiwa Amur tukaona eneo lake vile ambavyo limekorogewa kwenye vichochoro na yale maji yanavyo piga tone hilo linateleza linaenda baharini. Twashukuru tumewahi chimba chimba mashimo lakini mashimo yale saa zengine yanajaa haraka Mheshimiwa, mvua yawa kubwa maji mashimo yanashindwa kubeba yale maji sasa tukaona swala zuri tukaweza kuingia kwenye vile vichochoro vile maji yakipiga tuweke mteremko maji ielekee baharini, ninaamini tukifanya hivyo swala la mafuriko litakuwa limetoka katika eneo letu la Magogoni.

Mheshimiwa Spika niko na mengi ya kusema lakini mengi yamesemwa na Waheshimiwa wenzangu. Nikimalizia katika swala la hospitali hatuna moja katika Wodi ya Magogoni watu wakishikwa na maradhi inakuwa ni vigumu sana watu kupata matibabu mpaka uende CDF ambayo iko *Sub County* ya Nyali. Kwa hio ningependa Mheshimiwa Spika tulitilie mkazo hili jambo ili tupate hata kama ni zahanati katika Magogoni ili wakaazi waweze kupata matibabu nasema shukran *Jazaka Allah Kheir*.

**Mr. Speaker** (Hon. Khatri): Yes Hon. Salim?

**Hon. Kalume:** Ahsante sana Mheshimiwa Spika kwa kuweza kuniona, nimesimama mara nyingi lakini ulikuwa hunioni lakini nashukuru mara hii kwa kuweza kuniona, kwa majina naitwa Salim Kalume kutoka Wodi ya Ziwa la Ng'ombe. Kwanza ningependa kutoa shukrani nyingi za dhati kwa Mwenyezi Mungu ameniwezesha nikachaguliwa tena katika Bunge hili la pili na pia vilevile ningependa kutoa shukran mingi kwa wakaazi wa Ziwa la Ng'ombe ambao wamenichagua tena kwa mara ya pili katika Bunge hili la Mombasa Kaunti, pia ningependa kuwashukuru na kuwapongeza wale viongozi wote waliochaguliwa katika Kaunti ya Mombasa wakiwemo MCAs, Wabunge, Gavana, Spika wote nawapongeza na pia vilevile ningependa kupongeza Mheshimiwa Spika kwa kuchaguliwa katika Bunge letu la pili, tena ulichaguliwa bila kupingwa kuonyesha wewe ni mtu wa maana sana na ni mtu anaweza kusaidia...

(*Applause*)

...Na pia vilevile ningependa kupongeza Gavana wetu kwa kuchaguliwa kwa mara ya pili tulikuwa na yeye muhula wa kwanza na tulisaidiana kwa mambo mengi, alijaribu kufanya maendeleo katika Mombasa nzima Wodi zote alijaribu kufanya maendeleo lakini lazima tukubali binadamu sio kamili mambo mengine aliweza kuwacha ama akasahau na napenda sana kupongeza hotuba yake aliyotupatia juzi ni ya maana sana na iko na faida kubwa sana katika Mombasa haswa kwa upande wa vijana, maji, afya na utalii.

Upande wa vijana nafikiri Kaunti ya Mombasa iko na vijana wengi ambao wameangamia; wengi ambao wameingia kwenye mihadarati, wengi ambao wamemaliza shule na wameshindwa kuendelea na masoma. Kwa hio nafikiria sisi kama viongozi wa Kaunti ya Mombasa tukishirikiana mambo ya madawa ya kulevya tutamaliza, tutafungua vyuo vya ufundi na tuwalipie karo tutakuwa tumefanya mambo muhimu sana upande wa vijana na tutawasaidia ili kuhakikisha kwamba vijana wa Mombasa wamefaidika na uongozi wetu wa Kaunti ya Mombasa. Kwa hio napongeza sana upande wa vijana na upande wa mazingira nafikiri tumekuwa tukipigwa mawe sana na wageni wanaokuja Mombasa wakisema mji ni mchafu lakini Mheshimiwa Gavana kipindi kilichopita alijitahidi kila mahali kulikuwa na malori ya kubeba taka na bado amejitokeza tena kuendelea kupigana vita na uchafu.

Hivyo basi naomba sisi kama Kaunti tushirikiane na Gavana wetu tuhakikishe kwamba Mombasa imekuwa safi. Upande wa maji leo Mheshimiwa Spika itakuwa ni wiki ya tatu Mombasa hakuna maji na ni shida kubwa sana; kuna kilio na ni sababu sisi tunaomba maji kutoka Kilifi, Kwale, Taita Taveta lakini tukiwa sisi na mitambo yetu nafikiri tatizo la maji tutakuwa tumelizika katika kaburi la sahai. Suala la maji Mheshimiwa Gavana alilolizungumzia ni muhimu sana, upande wa muundo msingi wa maji taka haswa Wodi yangu ya Ziwa la Ng'ombe wakati wa mvua inakuwa ni ziwa sio mahali pa kuishi tena na ndio maana panaitwa Ziwa la Ng'ombe. Kwa hio nashukuru Mheshimiwa Gavana kugusia hapo na pia ningelipenda tatizo hili nyeti sana huku Mombasa alishugulikia na sio Ziwa la Ng'ombe peke yake bali Mombasa nzima kuna tatizo hili la muundo msingi wa maji taka mbovu. Upande wa afya Mheshimiwa Gavana kipindi chake cha kwanza alijaribu sana na hata Wodi yangu ilikuwa hakuna zahanati yeyote lakini nashukuru leo kuna zahanati isipokuwa vifaa ndio inakua shida, hospitali ziko lakini utapata hakuna dawa, hakuna *fridge* za kutia dawa.

Kwa hio mimi naamini sisi kama viongozi tukishirikiana na tutengeneze bajeti ambayo tutaweza kununua madawa na kununua mashini zitakazo peleka watu kwenye hospitali tutakuwa tumepiga sehemu kubwa sana. Upande wa utalii Mombasa kusema kweli imepungua utalii na utakuta mahali pengine ni kuchafu, kwengine hakuna usalama, hivyo basi tukishirikiana sote kama viongozi tukiweka vichwa chini utalii utainuka na utalii ni uti wa mgongo katika Mombasa. Upande wa vijana kwa ajira lakini sasa hoteli nyingi zimefungwa na kufungwa inachangia wizi, ukora na uhalifu kwenye mitaa kwa sababu tatizo la ajira linaendelea kuongezeka.

Kwa hayo machache mimi nasema sisi kama viongozi wa Mombasa na nawaomba tushirikiane kuanzia Gavana mpaka sisi MCAs tushirikiane hii hotuba ya Gavana aliotoa ni muhimu sana na tukishirikiana tukifaulu katika hii hotuba ya Gavana aliotoa sisi kama viongozi wa Kaunti ya Mombasa tutakuwa tumepiga hatua kubwa na tutakua na sifa tele. Kwa hayo machache nasema ahsanteni.

**Mr. Speaker** (Hon. Khatri): Yes Hon. Amriya.

**Hon. (Ms.) Juma:** Mr. Speaker thank you very much for according me this opportunity to make my first address in this Hon. House. I also wish to congratulate both the previous Members who have spoken in this House, clearly we are heading into Mombasa Vision 2035...

*(Applause)*

Mr. Speaker my name is Ms. Ambriya Boy Juma and am a Nominated Member in this House, my thought was on congratulating previous Members who have spoken in this House I think they represent the face of the leaders the people of Mombasa have chosen, congratulations are in order to all of us.

*(Applause)*

Now Mr. Speaker reflecting on the Governor's speech i wish to applaud and acknowledge the Governor for setting the stage on the agenda of the Second Assembly. Mr. Speaker for all intensive purposes alot has been said in this House and for the avoidance of unnecessary repetition i would like to limit my submission on three points; one is on corruption and i will mention it in passing and second i will make my submission. My submission will deal with public participation which i think most of the Members have shied away, and thirdly I would also mention in passing the role of this County Assembly in legislation *vis a vis* Mombasa Vision 2035. I wish to associate myself with the Governor's remark that his government will have zero tolerance on corruption, as an officer of the Court and now a public servant i wish to urge all Members of this House to adhere to Chapter 6, particularly Article 73 that talk about values and principles of leadership.

Also I would like to address this House to Chapter 13; particularly Article 232 that enumerates principles and values of public servants, so I think it is self explanatory that this House leads to proceed with decorum on matters on integrity. On to my second submission I wish to address your attention on the importance of public participation in this Honorable House, i would like to emphasise that your able office takes significance and importance your office and that of the Clerk take significance on public participation as public participation and self governance is the heart of devolution. As you will see from the constitution Article 1 provides that the sovereign power belong to the people, further Article 10 of the constitution embodies the principles and values of the nation and one of them is participation that goes together with Article 232. Moving forward even to the constitution the importance of public participation has been encoed under Article 174 c, and i know every Member here is conversant with the constitution so i will not tell them to read the articles but i know when they are in their private chambers they will look at them. Mr. Speaker further the Article in the constitution about public participation is under under Article 196 which states that a County Assembly shall and the word is SHALL, promote public participation and i am urging your able office and that of Clerk to take that provision with the sovereignty it deserves...

(Applause)

...and finally still on the public participation i wish to address your attention to the Fourth Schedule part 12 which says the County Assembly shall promote public participation at the local level and promote communities and develop the community administrative capacity in the local level. So even with the legal framework i think it in our interest as County Assembly that we will save alot of time, alot of resources in unfounded litigations if we don't go to the public and ask their input because their right to have their input in every program and project of this respective County Assembly is enshrined in this. So by moving forward probably your office Mr. Speaker and that of the Clerk should ensure that we have an active twitter handle, we have an active facebook account, it is also my submission that our website should be daily updated Members here can engage positively with the media at different levels of our work in progress for these four and a half years. So i think i have made enough emphasis, even we have (??) case which established the principle that the opinion of the public that suffices is not what we think as the end of the four years that we have done but it is in the opinion of the public what they think what we have done is what matters.

So finally and in passing also i wish to also make comments on the Governor's remarks that we have the mandate to make legislation that we contextualise Mombasa Vision 2035, i think that is the core business that we are in this House in accordance to Article 185 of this constitution that we have the legislative mandate to make, and amend laws that are favourable and that are going to benefit the common *mwana nchi* and contextualize Vision 2035.

As i finish i wish to undertake that i will be part of the team that will lead the walk into legislation and in order for us to enjoy the fruits of devolution. Thank you.

*(Applause)*
