Hon. Amriya Juma: Thank you Mr. Speaker Sir. I rise pursuant to Standing Order 41 (2) (C) to request for a statement from the Chairperson, Committee on Finance, Budget and Appropriations, regarding the status and submission on the County Integrated Development Plan (CIDP), the Annual Development Plan (ADP) and the County Fiscal Strategy paper (CFSP) to this County Assembly cognizant of relevant laws on the date of submission to this Honourable House. The Deputy Speaker (Hon. Fadhili Makarani): Yes, Honourable Amriya.

So, we are out of time Mr. Speaker and the response by the Vice to state that they will respond as the Executive will respond.

I think I will be comfortable if they state that the response will come in seven days or in the next sitting Mr. Speaker having it open is not convenient. Thank you.

The Deputy Speaker (Hon. Fadhili Makarani): Thank you and I am requesting the Committee in Finance to give a response in a weeks' time. Yes, Honourable Mwinyi.

STATEMENT

TURNING MARIMANI LEVEL 4 HOSPITAL INTO A REHABILITATION CENTER

Hon. Mwinyi Mtoto: Thank you Mr. Speaker Sir. I request for a statement on turning Marimani Level 4 hospital into a rehabilitation center. Mr. Speaker Sir, pursuant to Standing Order 41 section 2(c) I wish to request for a statement from the Chairman of Committee on Health Services regarding plans by the Department of Health to turn Marimani Level 4 Hospital into a rehabilitation center. Mr. Speaker Sir, Marimani Hospital has served the residents of Mwakirunge well since its inception and has made the residents travel shorter distances to access healthcare. The plan to change the hospital into a rehabilitation center may affect the residents of Mwakirunge in accessing their healthcare needs without travelling for a long distance. Honourable Speaker, in the statement the Chairperson should inquire into the report and why the Department of Health plans to change Marimani Hospital into a rehabilitation center; two, where will the Department of Health transfer its health services when the hospital is turned into a rehabilitation center. Thank you.

The Deputy Speaker (Hon. Fadhili Makarani): Chairman Health Committee or any other member from that Committee. Yes Chairman.

Hon. Ogutu: We will give the response in three weeks' time owing to the fact that we do not have the County Executive Committee Member for the department yet.

The Deputy Speaker (Hon. Fadhili Makarani): But Honourable Ogutu, we have existing CECM's.

Hon. Ogutu: Chair, I think for a comprehensive response we need three weeks.

The Deputy Speaker (Hon. Fadhili Makarani): I can see the Member is satisfied so...

Hon. Mwinyi Mtoto: I am not satisfied.

The Deputy Speaker (Hon. Fadhili Mwalimu): You are not satisfied?

[Laughter]

Hon. Mwinyi Mtoto: Mheshimiwa Spika nasema hii maneno ya Mwenyekiti kusema ya kwamba atachukua wiki tatu hiyo ni nyingi sana na hii maneno ni kama kule ina harakishwa ibadilishwe. Kwa hivyo lazima tupate mwafaka mapema sana.

The Deputy Speaker (Hon. Fadhili Makarani): Okay thank you I will request the Committee on Health to respond to this House in two weeks' time. Yes Clerk.

The Deputy Speaker (Hon. Fadhili Makarani): Honourable Ogutu, stick to the Committee recommendations because you have just read taskforce recommendations, please stick to your Committee recommendations.

Hon. Ogutu: *Strengthen County health products and technologies, governance and management; Improving health products and technologies, Strengthening Human Resource capacity for HPT Management, Increase budget allocation and investment in Health Products and Technologies.*

[Interruption]

The Deputy Speaker (Hon. Fadhili Makarani): Honourable Ogutu, the Committee recommendations are on page 17.

Hon. Ogutu: Mr. Speaker, at each and every thematic area we gave a recommendation so they are in different pages that is why.

The Deputy Speaker (Hon. Fadhili Makarani): There are recommendations of the task force and the Committee also in the same?

*[Hon. Ogutu in consultations with the Speaker]
[Hon. Madialo up on a point of Information]*

Hon. Madialo: Honourable Amriya, with all due respect you are not the Speaker! Let me be guided by the Speaker, yes just relax let me be guided by the Speaker, you are not.

The Deputy Speaker (Hon. Fadhili Makarani): Address the Speaker, okay proceed. What is it?

Hon. Madialo: Mr. Speaker Sir.

Hon. Amriya Juma: Point of information.

The Deputy Speaker (Hon. Fadhili Makarani): Yes, what is your point of information Honourable Amriya?

Hon. Amriya Juma: I just want to inquire through the Chair the Honourable Member has risen and spited my name I do not understand I was not standing; I have not uttered anything and the Honourable Member has risen to mention and naming my name. I stand guided Mr. Speaker because I was just going through my Report as the Honourable Member rose and spited my name. Maybe through your guidance I beg to be informed what is it up Mr. Speaker, why have I been named. Thank you.

Hon. Madialo: Thank you Mr. Speaker Sir. As a Member of the Committee and I was there when the report writing was going on, the recommendations of the task force we adopted most of them so where it is written the Committee's recommendations it was simply highlighting some of them. So, by not allowing the Chairman to also read we did not want to do repetitions and that is why ours with the Committee we were just highlighting few of them but we adopted most of the recommendations of the task force and that is why the Chairman is also mentioning them so that when we debate the Members will have the full information. Thank you, Mr. Speaker.

The Deputy Speaker (Hon. Fadhili Makarani): Thank you Honourable Madialo. Honourable Amriya, we will go to the Hansard and check what transpired then we will come and report back to this Assembly; if the Honourable Member was out of order we will report. But as per the Motion of the Committee on Health we as a House we are to adopt this full report; that is why am insisting that the Committee to stick on their recommendations and at least highlight because the Report is with the Members and it has been tabled to the Members so the Members will debate and either adopt the Report and by adopting it will be adopting the full Report. So, I would like the Honourable Chair to stick to the recommendations of the Committee because the same recommendations of the taskforce if the Report is adopted the whole of it is going to be adopted by the House and implemented by the executive. Thank you. Yes Chair.

Hon. Ogutu: Thank you Mr. Speaker. I think you have made my work very easier we are on page 19; the Committee recommends that;

Hon. Juma Manuari: Ahsante Mheshimiwa Spika kwa kunipa hii nafasi ya kuzungumza na kutoa mwelekeo wangu ama kuunga mkono Kamati ya ndugu yangu Bernard Ogutu.

DISCLAIMER: *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor Page 8*

Mimi katika hii Ripoti ambayo nimepatiwa saa hii nimeipekua pekua kuiangalia jinsi ilivyo na niwape kongole ama pongezi Kamati hii ya afya inayoongozwa na ndugu yangu kwa kukubaliana nami kuwa katika Wadi 30 moja katika Wadi ambayo imeathirika na maswala ya afya ni Wadi ya Bofu. Kama alivyo inukuu kwa kuwa wamechunguza wakapata katika Wadi 30 Bofu hakuna Zahanati, hakuna kituo cha afya, wala hakuna Zahanati ambayo itawasaidia wana Bofu na hilo ndilo lilikuwa jukumu letu. Wakati tulivyokuwa tukitembea mashinani kuwaomba wananchi kura nikiwa na Gavana wetu Abdullswamad Sheriff Nasir na katika ahadi tulizo ziweka ni kuwa tutahakikisha kwa miaka mitatu inayokuja tutakuwa tumewawekea huduma ya afya ndani ya Bofu.

Basi mimi nami niseme kwa jukumu hili ambalo hawa wamejibeba niwaambie kuwa sio tu kutuletea Ripoti ambayo wameiona bali pia kulifuatilia hili swala ili haya mambo aliyoyasema humu ndani yawe yatatendeka na yawe yatafanyika kwa muda upasao kwa sababu wananchi wanangoja jibu letu baada ya miaka matatu maana kule kwetu sisi hatujibiwi baada ya miaka mitano tunajibiwa mitatu, je ulikuja na Gavana wako na ukatuambia utatuletea Zahanati ili na nyinyi mutibiwe Kamati husika tunaomba mtuletee matibabu na sio tu mtujengee mijengo ama mtuletee makontena bali pia na zile huduma ambazo zinahitajika za matibabu na nyengine na madaktari mimi naamini ndugu yangu Ogutu na Kamati yako nyinyi hamjalala haya maneno mwaka huu tu ikifikia Disemba najua tutafanya *ground breaking* ya hiyo Zahanati katika maeneo yangu. Kwa hivyo mimi kubwa zaidi niwaombe Mungu ili maisha ya wananchi yawe imara tusipate tena tabu tukitoka katika Wadi moja twende Wadi ya pili kufuata matibabu ahsante sana.

The Deputy Speaker (Hon. Fadhili Makarani): Thank you Honourable Manuari. I think your question of why Bofu Ward does not have a dispensary will be answered when the Finance Committee will table as to when they are going to bring CIDP so be alert and take charge to bring the CIDP on this floor of the House. Yes, Honourable Hassan?

Hon. Hassan Mohamed: Ahsante Bwana Spika kwa kunipatia fursa hii adhimu, fursa muhimu ili kuweza kuchangia katika Ripoti ambayo imeletwa na Mwenyekiti wa Afya, ndugu yangu mkubwa ambaye pia vile vile ananisaidia kwa ushauri wa aina moja ama nyengine isipokuwa ushauri wake, ushauri wake haujaweza kunisaidia mimi binafsi lakini kwa maswala kama haya ambayo ameweza kuleta katika Jumba hili, nina imani kwamba yale ambayo ameweza kuongea ndugu yangu Manuari basi na vile vile mimi nitaweza kuchangia kidogo. Mimi Bwana Spika ni muathiriwa, nikisema ni muathiriwa ni kwamba wiki iliyopita na nilisha zungumza hili jambo hivi punde ni kwamba katika mshahara wangu mwingi nautumia pale Makadara hospitali kulingana na zile kesi ambazo zipo katika eneo la Magogoni.

Ripoti hii nitasema ni ya kweli na imeweza kupitia njia inayostahili baada ya uchunguzi wa uhakika kwamba ndani ya Magogoni hatuna Zahanati na hiyo ni kweli na kwa hivyo naomba sana hata hawa Waheshimiwa walioko mbele yangu kuunga Ripoti hii mkono kuhakikisha kwamba afya ni kitu muhimu sana na ni zawadi baada ya uhai na thamani ya zawadi ni kuilea na kuitunza na hata maendeleo yakapatikana ya namna gani ikiwa afya imezoroteka sidhani kama mwananchi ataweza kutuelewa tukiweka *cabro*, tukiweka maendeleo, tukiwapatia pesa za biashara lakini ikiwa afya imedorora sidhani kama mwananchi anaweza kutuelewa.

Mimi naiunga mkono Ripoti hii na naomba hili Bunge ama hii Nyumba vile vile iweze kuhakikisha kwamba tunampatia *support* anaye stahili. Chini yako Bwana Spika tunaona kwamba kila kitu kitakuwa sawa na ahsante sana ndugu yangu kwa Ripoti ambayo italeti mafanikio hapa ndani ya Nyumba hii. Ahsante sana Bwana Spika.

The Deputy Speaker (Hon. Fadhili Makarani): Thank you Honourable Hassan. Yes, Honourable Amriya Boy?

Hon. Amriya Juma: Thank you Mr. Speaker. First of all, I would like to congratulate the Committee on Health for a job well done; I think it is one of the Committees that have started overworking early in time so there is normally the saying that the early bird catches the worm so kudos and keep it up. I wish also to raise my voice on the same; I think it is high time that such Reports are taken head on by Honourable Members especially in areas that have been mentioned in this Report. It does not just garner dust in the wardrobe or in the stores but Members should take this Report and maybe we should come up with statement or Motion based on this Report. Mine would be on setting up dispensaries in areas where we do not have; Mjambere is one of the highlighted areas that has no dispensary, has no ECDE, is a dark spot as there is no proper lighting, no transport! I can stand here and say so much; I can go on and on but Mr. Speaker, am hoping to see as the Committee comes up with our Annual Development Plan (ADP) and CIDP, will be looking at this area being first of our priority.

Mr. Speaker, so it just does not end up with a Report; we should not endeavor to work in vain so such recommendations should be taken seriously by both Assembly and also by the Executive and also on matters of a universal healthcare suffrage on matters of National Health Insurance (NHIF) it is very important because we are consuming so much of our little money, Mr. Speaker health care of our citizens. So, if we could have comprehensive care unit of National Health Insurance Fund it will go a long way, at least we have the pilot program having at least representative from each Ward will go a long way and I think that is in line and something is happening about it so please Health Committee make sure that our people are covered so that we can benefit. Lastly, I would not because I wish to support but I also have just one thing a reservation that at this point we have so much that is spending at a Health but I wouldn't wish that this Coast General Hospital be a corporation because we understand that corporation are a limited liability, partnership are limited liability, partnership are not accountable directly because it's a limited liability with directors so and having shareholding so I wish the Committee we should first look at our issues before we handover Coast General to be a full corporation at least our issues to have been handled before we give them full autonomy, otherwise it is a good Report. Thank you for allowing me to air my views.

The Deputy Speaker (Hon. Fadhili Mwalimu): Thank you Honourable Amriya. Yes, Honourable Nyache?

Hon. Nyache: Ahsante sana Mheshimiwa Spika na mimi kuweza kunipa nafasi ya kuweza kuchangia Ripoti hii. Kwanza nampa kongole Mheshimiwa Ogutu kwa kuweza kuja na Ripoti ya maana kama hii katika Bunge hili; mimi kwa upande wangu Mheshimiwa Spika katika Wadi yangu pia mimi sina Zahanati, sina hata kituo chochote, hata kijihema cha kuweza kutibu watu wa Wadi ya Kipevu watu wangu wakiugua wanakwenda Wadi nyengine, kwa mfano Wadi ya Chaani kuna hospitali pale wanakwenda wanatibiwa pale hata kwa Mheshimiwa Ogutu pia Changamwe kuna Hospitali ya Magongo pia inasaidia sana watu wangu. Kwa hivyo pia nashukuru inasaidia lakini leo Ripoti imekuja hapa na katika ukurasa wa tisa hapa nimeona pia Wadi ya Kipevu imeangaziwa kuwa itaweza kupata hiyo Zahanati ya kutoka serikali ya Kaunti nimeshukuru sana na ninaunga mkono mia fil mia watu wangu waweze kupata matibabu kwa njia ya karibu na wasihangaike. Kina mama pia walikuwa wakipata shida, wakati wa kufika wa kujifungua wamama wanajifungulia katika njia na hata gari yangu pia inafanya kazi ya kubeba wagonjwa saa zote kuwapeleka katika Wadi nyengine.

Ningekuwa na Zahanati katika Wadi yangu, nisingetumia gharama zote hizo za kuweza kubeba wagonjwa kuwapeleka huku na huku. Wangukuwa wanatibiwa pale katika ward yangu kwa njia ya urahisi, kwa hivyo mimi naunga hii report na naomba iweze kutekelezwa kwa njia ya haraka watu wetu waweze kuona zile ahadi zetu tulizo zitaja wakati wa kampeni ziweze kutimia. Ahsante Mheshimiwa Spika.

The Deputy Speaker (Hon. Fadhili Makarani): Yes, Honourable Maryam Baimu?

Hon. Baimu: Ahsante sana Mheshimiwa Spika kwa kunipatia nafasi hii. Kwanza ningependa kuwapongeza Mwenyekiti, Mheshimiwa Ogutu na timu yake yote kwa kazi nzuri waliofanya. Kusema ule ukweli kuna mengi mazuri hapa ambayo kama yatatekelezwa ama hii Nyumba tutapitisha yatakuwa kwa manufaa kwa watu wetu kule mashinani. Ya kwanza ni kuhusu hii mambo ya madawa kuwekwa kwa ma Zahanati, ma Zahanati yale ambayo yamezeeka yaweze kurekebisha, nyengine kuhusu mambo ya ku *dispose* ama vile vifaa vya zamani maana yake tunaona kama mimi Zahanati zangu zile ziko tu pale Frere Town; ziko kweli lakini ukiingia ndani utashangaa vile vifaa ambavyo vinatumika pale ndani. Kwa hivyo kama tutaweza kubadilisha viwekwe vya kisasa ambao zitasaidia watu itakuwa jambo la maana sana. Pia kuna kitu kama walemavu, katika hii Ripoti wameangazia vizuri sana. Kusema ule ukweli hili litakuwa ni jambo la maana wanapo kwenda walemavu kupata huduma katika hizi Zahanati zetu ama hospitali zetu wawe wako na sehemu zao kadha, kama ile njia ya kupitia wawe wametengezewa mambo mengi hata choo humo ndani, kwa hivyo itakuwa ni jambo la maana sana.

La mwisho ambalo limenifurahisha zaidi, ni kuhusu hii Marimani *Outreach* maana yake Frere Town kuna sehemu nyingi kutoka hii Mombasa Kaunti ambapo vijana wetu wale wanataka kujinasua wanakuja pale ukumbi wa zamani wa Free Town wanakaa hapo kwa siku nzima kutoka asubuhi mpaka jioni wakinywa zile dawa, wanashinda hapo. Pale kuna shule ya msingi ya Frere Town karibu kwa hivyo imekuwa ni kilio cha wananchi wa Frere Town kwamba tutafute njia hawa wa watumizi wa madawa wanao *rehabilitate* waweze kutoka pale. Kwa hivyo hii ikiwa itafanyika kweli kwamba ifanywe *outreach* ya *drug rehabilitation* iweze kutumika huko, waende kule wakae kule watumie dawa kule ki mimi nimefurahi sana na naiuunga mkono leo nitakuwa kama Mheshimiwa mwenza mia fil mia. Shukran sana.

The Deputy Speaker (Hon. Fadhili Makarani): Naam Mtumishi Madialo?

Hon. Madialo: Mr. Speaker Sir, before I give my or lend my support, I would like to unreservedly apologize to my sister, Honourable Amriya if she feels, I have aggrieved her in any manner. I rise to support and I have five reasons, very quickly; I support because there are areas and Wards like Bamburi, Magogoni, Mjambere, Kipevu, Bofu and Port Reitz, no is it Port Reitz?! and Port Reitz which do not have dispensaries so by adopting this Motion, I lend my support. Two; the Community Health Volunteers (CHVs) from the Report will be given monthly stipend and that will be a very big boost to them. Number three the automation of payments; a lot of monies get lost or are misappropriated when payments are given in cash so when this Report recommends paperless transaction and through that there will be no pilferage of cash. Number four in the Report also, there will be the securing of the facilities; most of the facilities or health facilities in our Counties do not have perimeter walls and we see that even most of them have been grabbed, so this Report recommends that those facilities be secured and also, I think am also in the Committee of Lands the recommendation is that title deeds be issued to those facilities.

Number five in the Report also they encouraged capacity building for the workers in this sector; like our doctors, if they would want to further their education, the nurses and all health practitioners. So, I would support so that their capacity be build. Then lastly, as a Member of the Committee on Labour and Public Service Administration, I have not noted that there was an oversight on the part of the appointing authority when appointing the taskforce. The team they did not appoint a person from the County Public Service Board yet such matters also include also matters of human resource so I would encourage that next time when such kind of appointments are made the appointing authority should be keen and also include Members or a Member from the Public Service Board. Thank you so much I support.

The Deputy Speaker (Hon. Fadhili Makarani): Thank you Honourable Madialo. Yes, Minority Leader?

The Leader of Minority (Hon. Matsaki): Ahsante sana Mheshimiwa Spika kwa nafasi hii. Mimi pia napongeza Kamati hii; langu tu ningependa tu kuongezea kwa sababu tayari mimi nishakubali yale yote ambayo yamenakiliwa hapa na Waheshimiwa wenza waliyo yazungumza. Kuna mambo ambayo pia nimejaribu kuyaona katika hizi Zahanati ambazo kama ile yangu ambayo iko pale Mtopanga ni kwamba ni kuongezea tu katika hii Kamati wajaribu kuleta huo msisitizo. Kamati iliyoko; ni Kamati moja ambayo iko hospitali kuu kwa hivyo ni muhimu pia katika hii Kamati waangalie zile hospitali zitakazo jengwa waweze kuhusisha Kamati za vijiji kwa sababu ni muhimu daktari mkuu akiwa pale na akiwa na Kamati iliyo pale itakuwa pia ni vizuri wanajua je shida iliyo hapo wanavijiji ni rahisi kufahamishwa na daktari. Pia anapohusika na ile Kamati ya vijiji ikiwa kuna jambo lolote la muhimu ambalo anatakikana kusaidika pale ni rahisi. Nikisema hivyo ni kwa sababu gani; Hospitali yeyote ya eneo la Wadi pasipokuwa na Kamati yeyote iliyo pale kwa kijiji ni ngumu sana daktari kupata usaidizi kama juzi hapo kuna kitendo kilitendeka...

[Interruption]

The Deputy Speaker (Hon. Fadhili Makarani): Honourable Minority Leader, is that recommendation in this Report?

The Minority Leader (Hon. Matsaki): Naam, naongezea.

[Interruption]

The Deputy Speaker (Hon. Fadhili Makarani): Then you are introducing another Motion on a Motion.

[Interruption]

The Leader of Minority (Hon. Matsaki): Ni sawa. Kwa hivyo mimi pia nauunga mkono hii hoja ambayo imeletwa na Kamati hii. Ahsanteni.

The Deputy Speaker (Hon. Fadhili Makarani): Thank you. Yes, Honourable Nyota?

Hon. Hamisi Nyota: Thank you Mr. Speaker for this opportunity just I would just like to air some views regarding this Report especially on the observations and findings of the Report.

Mr. Speaker, I would like to congratulate my brother Honourable Ogutu and the entire Committee of Health for this Report. Mr. Speaker, there is a key note on the observations and findings number 4 whereby it was clearly stated that; *the current establishment of Dispensaries in the County are inadequate to sufficiently meet the health needs of residents of Mombasa* and the following statement was *that the existing Level 2 and 3 health facilities are in dilapidated state, ill equipped in infrastructure, personnel and medical supplies*. Mr. Speaker, I would like to say that the Committee on Health should fast-track for the Implementation Committee to ensure that especially these two are key points which are noted here they are followed to the latter because I specifically speak on behalf of Ziwa La Ng'ombe Dispensary whereby the Dispensary is in a very bad state when it comes to personnel and medical supplies. So, when I saw this, I was very happy mine is just to emphasize to the Committee of Implementation to get hold of Honourable Mwaura's neck to make sure these observations are applied to the latter so that at least sanity can be brought to these dispensaries. Thank you, Mr. Speaker.

The Deputy Speaker (Hon. Fadhili Makarani): Thank you. Yes, Vice Chair Finance Honourable Hamida?

Hon. Noor: Thank you Mr. Speaker. I rise to support the Motion; I want to congratulate my brother Ogutu for doing a tremendous job and I would emphasize on the implementation to fast track on this. This is a beautiful recommendation from the Health Department, we all know that there are a lot of patients and work that is going on at Coast General and the burden is going to be reduced in Coast General and we have our dispensaries working I think with that we will have a better County that we will have healthy people I recommend this. Thank you, Mr. Speaker.

The Deputy Speaker (Hon. Fadhili Makarani): Thank you Honourable Hamida. Yes, Honourable Juma Mwalimu?

Hon. Juma Mwalimu: *[Off microphone]* Nataka hii Taskforce ama Kamati ya Afya inieleze vizuri hapo kwa *that Marimani Outreach and Shika Adabu Outreach be repurposed to a function as a drug and substance abuse to be rehabilitation centers as recommended by the taskforce*. Mheshimiwa Spika, kuna Kamati ya Afya ilituletea makasha ambayo yaliwekwa pale ofisini kwa Chifu Shika Adabu na lengo lake ilikuwa ni *rehabilitation* lakini sasa hivi imemaliza miaka mitano Mheshimiwa Spika mpaka makasha yale yameoza. Sasa kwa hapa sijaelewa nataka nifafanuliwe vizuri ni mbinu gani ama ni namna gani ambapo huko kwangu Shika Adabu Outreach ifanywe iwe *drug and substance abuse rehabilitation*, hapa mimi naona kizungu mkuti tu sijaelewa Mheshimiwa Spika. Ahsante sana Mheshimiwa Spika.

The Deputy Speaker (Hon. Fadhili Makarani): Thank you and I think the mover of the Motion has noted it down so when you reply it might be one of the things that you might reply. Honourable Members, I can see that you have fully exhausted the good Report from Health Committee Chaired by Honourable Benard Ogutu, so I will let Honourable Chair to respond to this Motion, please reply to this Motion.

Hon. Ogutu: Ahsante sana Mheshimiwa Spika. Ningependa kuchukua nafasi kuwashukuru Waheshimiwa kwa mchango wao kwa hii Ripoti; Mheshimiwa Spika, kuhusiana na utekelezaji wa hii Ripoti tumeweza kuweka *timeline* ili isifike 2026 ndio tunaanza tena kuangalia hayo mambo tunataka kuweka *timelines* za miezi sita ama baada ya mwaka mmoja.

Lakini haya yote yatalingana na ushirikiano wetu kama Bunge ili tuweze kusukuma haya maneno. Pili Mheshimiwa Spika kuna hiyo ishuhari ya Zahanati zile Wodi ambazo hazina Zahanati lazima Waheshimiwa wahakikishe katika County Integrated Development Plan (CIDP) wameweza kuelekeza kwamba katika Wadi zao wanahitaji Zahanati. Mheshimiwa Spika, tunajua kati ya harambee kumi, sita zinahusiana na mambo ya matibabu. Hapa tumeweza kuhakikisha ya kwamba tumeweka Mombasa Care ambayo itakuwa inapeana huduma ya afya kwa watu wetu. Kwa hio hayo mambo ya pesa ndogo ya mshahara watatumia vizuri nyumbani Mheshimiwa Spika kuleta raha ndani ya nyumba. Mheshimiwa Spika, ningomba Waheshimiwa wenzangu tuweze kupitisha hii Hoja ili hii Ripoti iweze kutumika kusaidia wananchi wetu wa Mombasa. Ahsante sana Mheshimiwa Spika.

The Deputy Speaker (Hon. Fadhili Makarani): Honourable Members, before I put a question, I would like to remind you that tomorrow the Committee on Appointments will have sittings on vetting of the County Executive Committee (CECs) so you are most welcomed.
