### STATEMENT

RESPONSE TO STATEMENT BY CHAIRPERSON COMMITTEE ON LANDS, PLANNING AND HOUSING HON.  
AHMED SALAMA ON GRABBING OF PARKING SPACES IN KIPEVU WARD

Yes, Chairperson Committee on Lands. Hon. Members we have a challenge on the Hansard so please move forward and communicate from the Leader of Majority's position, so just move forward please. Hon. Chair please move forward.

**Hon. Ahmed Salama:** Ahsante Mheshimiwa Spika. Nafikiri swala hili la Mheshimiwa Faith tulilijibu na tukasema kwamba Kipevu ni kubwa zaidi kwa hivyo tukamwambia Mheshimiwa atutajie ile sehemu ambayo ana wasiwasi nayo ambayo imenyakuliwa ili Kamati ipate kufuatilia ijue ni ukweli ama uwongo lakini Mheshimiwa Faith mpaka dakika hii hajajibu. Ahsante Mheshimiwa Spika.

**The Deputy Speaker (Hon. Mwalimu):** Thank you Chairman. So it is upon Hon. Faith to sit with the Committee on Lands and identify the parcel of land that she alleged that has been grabbed for the Committee to work on the said issue. Yes Clerk?

REQUEST FOR STATEMENT BY HON. SHEBE ATHMAN TO THE LEADER OF MAJORITY HON. MWIDANI  
ON WHEN THE SGR REPORT WILL BE IMPLEMENTATION IN MOMBASA

Yes Hon. Athman Shebe? Hon. Mwamwiri are you are up on behalf of Hon. Athman Shebe?

**Hon. Athman Mwamwiri:** Yes, thank you Mr. Speaker. Mr. Speaker am up on behalf of Hon. Shebe Athman; I seek to know from the Leader of Majority Party when will the report commissioned by H.E the Governor on the implementation of the SGR to the residents of Mombasa conducted by the University of Nairobi be tabled in this House for the Hon. Members to go through it. Thank you Mr. Speaker.

**The Deputy Speaker (Hon. Mwalimu):** Thank you. Yes, Leader of Majority?

**The Leader of Majority (Hon. Mwidani):** Thank you Mr. Speaker. Well it has been requested for report on the SGR, which was done by Nairobi University. Mr. Speaker that was a report to be validated and in fact it is now in the position of validation, after it has been validated Mr. Speaker I promise this Assembly that I will table it. Thank you Mr. Speaker.

*(Applause)*

**The Deputy Speaker (Hon. Mwalimu):** Hon. Leader of Majority as far as the statement is concerned and I think it has been validated, so the Hon. Member who wanted to know from you, when are you tabling it to the Assembly because it has been validated.

**The Leader of Majority (Hon. Mwidani):** Mr. Speaker in fact it is me who asked yesterday and actually I was given an answer that we are waiting for the validation of the report, which it has to go to Public Participation and after that is when now it is going to be the proper record of the report of whatever has been discussed there. In fact Mr. Speaker it is not an issue that can be just hidden, it is a very open issue and when it is ready I will just bring it to the Assembly. I just request some time, if they have finished for all the positions which are needed I will bring it to the Assembly, it is not something to be hidden. Thank you Mr. Speaker.

**The Deputy Speaker** (Hon. Mwalimu): Hon. Mwamwiri move forward please.

**Hon. Athman Mwamwiri:** Thank you Mr. Speaker. Mr. Speaker to my understanding this was a research conducted by the University of Nairobi and reported back with its findings and its recommendations, so am wondering who is supposed to do the validation and it is a study conducted, completed and submitted with its recommendation. It is through which recommendation on what to be done, be it recommended for further studies on the same, be it there is 1,2,3 to be done, to acknowledge or confirm what has been going through.

So for the Hon. Member to tell us that there is validation through public participation and the study was conducted in the field, views were collected, people were given questionnaires to fill and come up with the report, so for us to tell us it is a validation to be conducted with Public Participation, maybe we are reading different chapters or maybe he is talking about other issues and not the report which was already submitted because it was validated before it was submitted to H.E the Governor.

So the report is ready, so it is upon him, or maybe if he was told the validation will be done by this person or by this other group maybe he can tell us to know that the report was forwarded to another Department, to a specific group to do further research on the same to come with the deliberation. Thank you Mr. Speaker.

**The Deputy Speaker** (Hon. Mwalimu): Thank you Hon. Mwamwiri. Hon. Leader of Majority I think what the Hon. Members want is the report that was commissioned by the H.E the Governor to be tabled in this Honourable House, so liaise with the office of the Governor and in the afternoon sitting Leader of Majority you will communicate to when you are going to table that report. Yes Clerk?
