Yes Chairperson Committee on Environment, Waste Management and Energy or any other Member from this Committee? Yes Hon. Nyiro?

Hon. Mwaega: Thank you Mr. Speaker I would like to inform this Hon. House that the Committee of Environment had a meeting with the Executive Member and we brought the issue of the pilling up of garbage especially in Kongowea Ward. Even though the Executive has not officially responded back to us but as the Committee we continue to make follow ups and we are seeing some work being done on the ground so we await for the official communication on them on how far they have gone but so far there is some work going on in the ground. Thank you, Mr. Speaker.

Deputy Speaker (Hon. Fadhili Mwalimu): Thank you, yes Clerk?**STATEMENT**

Chairperson Education, Information Technology and MV 2035 or any other Member from that Committee? Yes Hon. Ali Omar Shariff?

Hon. Ali Shariff: Thank you Mr. Speaker am the Vice Chairperson on the Committee on Education, Information Technology and MV 2035, I would like to respond on this statement on behalf of my Chairperson Hon. Ibrahim Omondi. We have already requested the report from the Executive but we are yet to receive the report so I would like this House to have more patience Mr. Speaker.

Deputy Speaker (Hon. Fadhili Mwalimu): So you are asking for?**Hon. Ali Shariff:** More time.

Deputy Speaker (Hon. Fadhili Mwalimu): What time do you want the House to give you?

Hon. Ali Shariff: After the long recess.*(Silence)*

Deputy Speaker (Hon. Fadhili Mwalimu): The Table Clerks will make the relevant information to you, they will communicate to the Committee concerning this issue even if the Members will be on the long recess but we will need the information to get to the Members even if they are on the long recess, please fast-track on that response and make sure you communicate to the Table Clerks and we will make a way of reaching the Hon. Members. Yes Hon. Samba?

Hon. Samba: Mr. Speaker Sir I think by next year or rather when we are from the long recess the issue would have expired already, we will be talking on the school reporting now. I think they should give us this information by tomorrow at least when we are breaking for the long recess because it has been long since the results were released and since I brag off that I produced the best pupil in the entire Coast Province and in Mombasa County to be precise, I think they should furnish us with that detail Mr. Speaker Sir by tomorrow.

Deputy Speaker (Hon. Fadhili Mwalimu): Yes thank you Hon. Samba but as I have said the communication will reach the Hon. Members even if they will be on the long recess so it doesn't mean it will come in February. I said the Table Clerks will communicate to the Committee when we will need the response and how the response will reach the Members so we will need the Committee to fast-track on the issue.

Hon. Samba: Thank you Mr. Speaker.

Deputy Speaker (Hon. Fadhili Mwalimu): Yes Clerk?
