

**MOMBASA COUNTY ASSEMBLY  
HANSARD REPORT**

Tuesday, 15<sup>th</sup> March, 2016

The House met at 2:28p.m.

*(Mr. Speaker (Hon. Thadius Rajwayi) in the Chair)*

**PRAYERS**

**Mr. Speaker** (Hon. Rajwayi): Have your seats Hon. Members. Yes Clerk.

**COMMUNICATION FROM THE CHAIR**

Well ladies and gentlemen there's a Report that has just been forwarded to us the Assembly by the Executive; actually ladies and gentlemen I was impressed to work in the County Assembly, Mombasa County. The subject here is Council of Governors; actually it is the annual report of 2014/2015.

*(Mr. Speaker (Hon. Rajwayi) read)*

The above matter refers.

The Council of Governors that is COG is a non-partisan body that draws its mandate from the Inter Governmental Relations Act (IGRA). The IGRA requires that COG submit an annual statutory report to the summit, Senate, National Assembly and County Assemblies.

This second annual report reflects the activities for the period of the year 2014/2015 and provides a comprehensive assessment of the progress made by COG towards achieving its mandate. The report also highlights successes, challenges, lessons learnt and opportunities for the COG for the coming years. Enclosed please find for your record and perusal the Annual report for 2014/2015.

First I would like to highlight on this Inter County governmental issues; the first paragraph in this ladies and gentlemen is talking about submitting but the Act is actually talking about transmitting. So those are two different words with a distinct..., so as a result of that it is for our own consumption as a House, so whoever would want to get more information you contact the office of the Clerk. Yes Clerk.

**PAPER**

Hon. Zainab Omar, am seeing Hon. Kithinzi is up.

**Hon. (Ms.) Zainab Kithinzi:** Ahsante sana Mheshimiwa Spika. Mheshimiwa Spika Mwenyekiti hajisikii vizuri, na nikiwa kama Naibu wa Kamati ya Mazingira ningeomba kupitia kiti chako niweze kusoma Ripoti ilioko mbele yetu.

**Mr. Speaker** (Hon. Rajwayi): You continue Hon. Kithinzi.

**Hon. (Ms.) Zainab Kithinzi:** Thank you Mr. Speaker, Ripoti niliyoletewa ilikuwa inasoma kama inavyofuata;

*(Hon. (Ms.) Zainab Kithinzi read Report)*

**COUNTY PUBLIC TOILETS MAINTENANCE**

1. Before devolution the Municipal Council of Mombasa managed the public toilets through Private-Public Partnership arrangement.

The arrangement included renovation and refurbishment of the existing toilets, cleaning and charging a fee for services among others.

2. When devolution was initiated, the function of sanitation services was devolved and the County government of Mombasa placed the function upon the department of Water and natural resources.

The department repossessed 21 public toilets from the private managers due to expiry of contract period or poor management of the facilities or changed use.

3. The department decided that the toilets should be managed through an approach of empowering the youth by involving them in the management of public toilets. 48.6 per cent of the County Population is youth, the department negotiated with Maji na Ufanisi, an NGO which already was using the successful youth empowerment approach at Kongowea Market under the County department of Trade to manage the repossessed County toilets using youths. Maji na Ufanisi accepted the task and the toilets were handed over to Maji na Ufanisi on February 2015 for operation and maintenance using youths for a period of 1 month as pilot project. Maji na Ufanisi pledged to renovate the toilets.

4. Maji na Ufanisi took more than one month as agreed and never renovated even single a toilet outside the Kongowea Market. This was a breach of the arrangement.

5. On January 2016 the department learned that Maji na Ufanisi was facing some challenges and the operation of the toilets was given to the County Inspectorate while an investigation was being conducted.

6. The County is in the process of digesting for the best approach the toilets can be managed through the Youth Empowerment. Thank you, Mr. Speaker.

*(Interruption)*

**Mr. Speaker** (Hon. Rajwayi): Yes Hon. Enock Mwinga, are you up on something? Are you a Member of this particular Committee?

**Hon. Mwinga:** Thank you Mr. Speaker. Mr. Speaker I am not after anything but I rise here to support the Report.

**Mr. Speaker** (Hon. Rajwayi): Well Hon. Ibrahim Kondo.

**Hon. Ibrahim Kondo:** Ahsante Bwana Spika nimesimama mwanzo kabisa kupongeza juhudi za Mwenyekiti wetu kwa ripoti aliyoitoa mbele ya Nyumba hii. Nikiendelea kusema Mheshimiwa Spika Ripoti hii ni muhimu kwa uongozi wetu katika Mombasa Kaunti, na ikiwa Ripoti hii itazidi kutekelezwa vijana wetu wa mashinani watapata ajira kutokana na vyeo ambavyo vilikuwa vikimilikiwa na wanaojiita Maji na Ufanisi katika Mombasa Kaunti. Ama kwa kweli Mheshimiwa Spika shughuli hizi zilikuwa zimewashinda hata baadhi ya mwezi wa kwanza vyoo katika maeneo ya *Pirates* vilikuwa vimekuwa katika hali mbaya zaidi hata wizara husika ya Kaunti ilirekebisha katika miradi zaidi. Kwa hio naunga mkono swala hili na lishughulikiwe kwa haraka zaidi. Ahsante.

**Mr. Speaker** (Hon. Rajwayi): As much as you also want to own this particular Paper or Report, it is important that the Committee should first work on it and you agree with me that something somewhere has been done which..., yes Hon. Patrick Siminyu.

**Hon. Siminyu:** Mr. Speaker, thank you for the point because I have already specified that there is something that is missing. Mr. Speaker I don't know where this Report is coming from because it doesn't have a signature; it is even from the department itself. Mr. Speaker we don't have minutes to show that the Committee have sat and debated on the Report we don't have recommendation from the Committee. Mr. Speaker this is a raw material it has not been digested at the beginning, we need each to go back to the Committee so that we can digest and we have a way forward from the Committee. Mr. Speaker I pray the mover of this Report to retrieve it back so that we can have a very good Report in this House so that when adopted it can be deliberated because it cannot be passed like this, thank you.

**Mr. Speaker** (Hon. Rajwayi): Yes Hon. Kizito.

**Hon. Opeya:** Thank you Mr. Speaker. I also support Hon. Siminyu about this particular Report; In fact at the 2<sup>nd</sup> paragraph they had told us that there were 21 toilets. They should have

given us a breakdown of where the toilets would be in town or which area, at least we could have a general idea now they are telling us the 21 public toilets, we do not know the location. So maybe the Report should be returned to the Committee and give us an actual Report so that when the Chair brings it back to the House it can be accepted. Thank you.

**Mr. Speaker** (Hon. Rajwayi): Yes Hon. Ibrahim Kondo.

**Hon. Ibrahim Kondo:** Ahsante Mheshimiwa Spika. Mheshimiwa Spika nafikiri swala lilioko hapa ni swala ambalo halina utata kwa sababu Mwenyekiti wetu amejitahidi ijapokuwa hakuwa akijisikia vizuri na kwa sababu ya pilka pilka nyingi zilizokuwa wiki ya jana kutokana na uchaguzi wa Malindi pamoja na misukosuko ya Gavana wetu maana aliamua kuandika Ripoti hii akijua kwamba mambo mengine yatarekebisha na Kamati. Kwa hivyo mimi ningependa kuambia Nyumba hii kwamba Kamati itachukua jukumu lake haraka iwezekanavyo. Ahsante Mheshimiwa Spika.

**Mr. Speaker** (Hon. Rajwayi): Yes Hon. Riziki Fundi.

**Hon. Fundi:** Ahsante sana Mheshimiwa Spika, kwa kweli nimesimama kwa masikitiko sana, hivi sasa nafikiria tunaelekea mwisho wa muhula wa Bunge letu hili ambalo lilichaguliwa mwaka wa 2013 lakini mpaka leo Kamati ya Mazingira haijajua kusimama ama vile ambavyo inatajikana itumike ili walete Ripoti katika Bunge hii. Kwa hiyo ni masikitiko makubwa sana lakini kwa sababu ya hekima na ujuzi wa Spika wetu amelielewa swala hilo. Kwa hio nataka atoe mwelekeo hawa watu warejee na hili swala lisiregelewe tena kabisa mbinu hii ya kuleta Ripoti katika Bunge kwa sababu mnatuonyesha kwamba sisi tumesoma lakini hatushiki na mimi sidhani kwamba huo ni ukweli kwa sababu mimi na amini kwamba wabunge wa Mombasa ndio wamekomaa wanajua sheria, hivyo hivi inatuonyesha kwamba baadhi...kidogo labda pengine wameteleza uwaregeshee katika Kamati ili walete katika ile njia inayostahili. Ahsante Bwana Spika.

**Mr. Speaker** (Hon. Rajwayi): Yes Hon. Jimmy Odari.

**Hon. Odari:** Ahsante sana Mheshimiwa Spika. Mheshimiwa Spika hili swala la vyoo ni swala muhimu sana kwa Kaunti yetu ya Mombasa ukizingatia ya kwamba sehemu nyingi za mji huu kama inavyojulikana zamani kulikuwa na vyoo ambavyo vilikuwa vikiendeshwa na Manispaa ya Mombasa ikishirikiana na wafadhili. Lakini kwa kipindi kirefu kumekua hakuna vyoo katika mji huu na kwa kweli hili dhana ama hili wazo la kijitokeza kwa shirika la kusaidiana na serikali kuboresha hivi vyoo kuwapatia vijana fursa ya kujiendesha. Ni jambo la busara sana isipokua sasa Mheshimiwa Spika hii Ripoti ikiwa ingetengenezwa kwa njia ambayo inastahili, ingekuwa vizuri zaidi maombi yangu licha ya kwamba ni Mwanakamati ningeomba Ripoti hii iangaliwe vizuri tena upya ili iwe nzuri zaidi kwa manufaa ya watu wa Mombasa.

**Mr. Speaker** (Hon. Rajwayi): Yes Hon. Ahmed Saad Faraj.

**Hon. Faraj:** Ahsante sana Mheshimiwa Spika. Nafikiri Mheshimiwa Spika kulingana na Ripoti ambayo imetoka hii leo mimi pia nikiwa Mwanakamati wa Kamati hii naiunga mkono na kiukweli kuna shida ndogo ndogo ambazo sisi kama Kamati pengine zimetupita kibinadamu lakini ikiwa Mheshimiwa Spika kwa heshima yako mtaturegeshea tutaweza kuirekebisha vilivyo Ripoti hii tuilete kama inavyostahili kwa Ripoti yeyote ambayo imepita katika Nyumba tukufu hili la Kaunti ya Mombasa. Kwa hio Mheshimiwa Spika yale maswala ambayo yamezungumziwa pale ndani ni maswala ya hakika na ukweli na ndivyo ilivyo kule chini mashinani walakin kuna hitilafu ndogo ndogo ambazo zimetokea kuhusiana na Mwenyekiti wetu na ile hali ambayo amekuwa. Kwa hio twaomba mtuwie radhi ili tuweze kurekebisha Ripoti yetu hii ili ije katika ile hali ambayo inastahili. Ahsante sana Mheshimiwa Spika.

**Mr. Speaker** (Hon. Rajwayi): Ladies and gentlemen having listened very carefully to your submissions and your opinions it is also important that i highlight the following on this particular

Report; one if you go through the contents of this particular Report there are not actually a Paper it is something that have just been clamped together as was being put by Hon. Kizito Opeya. We want to know what is there in Mwakirunge, Bamburi so that we can also try to align the same with plans that actually passed the CIDP, actually passed through this same House so it is important to have an oversight of the same.

Secondly am just seeing that it is Mombasa County government Department of Water, Environment and Natural resources, so it means that it's something that belongs to the Executive not anywhere in the Assembly. For that matter this it ought to be an attachment of our Report as a Committee that's the second point, the third point is that even the Members who considered these particular Report are not mentioned anywhere. You know it is important that you mention the Hon. Members who actually sat down and worked on these particular issues.

The third thing is that there are no signatures on this particular matter so it is important that this particular Report... then again apart from the executive just communicating to you that we have the same. It is important to find your way to the site and confirm whether those particular projects are there and are ongoing or they have been actually finalized so out of that we can say even though they are communicated to us. They are 21 public toilets but the ones that we found are actually ten, eleven, two are in this type of conditions and something like that so they become something like that Zainab Kithinzi this particular Report will not be given a date for next tabling for debate. So that you actually have more time to look in to it and make sure that it becomes as more inclusive as possible small....as possible...

#### NOTICE OF MOTION

**Mr. Speaker** (Hon. Rajwayi): Yes Hon. Ahmed.

**Chief Whip** (Hon. Ahmed Ibrahim): Thank you Mr Speaker. Mr Speaker this is a Motion on the adoption of the Fiscal Strategy Paper. Mr Speaker sir the Mombasa County Fiscal Strategy Paper is prepared in accordance to Section 127 of the Public Finance Management Act 2012.

Mr Speaker the County Treasury prepared to submit to the County Assembly Committee the County Fiscal Strategy Paper for approval and the County Treasury shall submit the approved Fiscal Strategy Paper to the County Assembly each year. Mr Speaker Sir the County Treasury aligned the County strategy paper with the budget Policy Statement and in preparing the County Fiscal Strategy Paper the County Treasury specified the broad strategic priority and policy that will guide the County government to prepare the budget for the coming financial year and over the medium term. Thank you Sir.

**Mr. Speaker** (Hon. Rajwayi): Clerk?

#### MOTION

What is it Hon. Amur?

**Hon. Amur:** Bwana Spika nimesimama kwa nidhamu nikiwa na wasiwasi kwa maana ilikuwa ni taarifa. Mheshimiwa Spika leo hii Waziri wa Usalama wa ndani ametoa tahadhari kwamba Gavana wa Kaunti ya Mombasa 001 Ali Hassan Joho ikiwa hatakuwa ame *surrender* bunduki yake atachukuliwa hatua ya kushikwa na kupelekwa korokoroni. Pia Mheshimiwa habari hizi zimefadhaisha mji wa Mombasa; watu wa Mombasa wamejaa wasiwasi mmoja wapo akiwa mimi Mheshimiwa wa Mji wa Kale. Nimejaribu kumpigia Gavana simu zaidi ya kumi lakini sipati majibu sijui tayari hicho kitendo kimefanyika au hakijafanyika lakini nimejaribu kumpigia Gavana na simu yake simpati. Kumeletea wasi wasi katika roho zetu kama viongozi katika jiji letu la Mombasa na kuna wasiwasi kwa sababu mambo ya Kenya yanavyoenda tunataka tuangalie kimsingi kiongozi yoyote anayekuwa shupavu mara tu akishikwa namna hii inakua anaweza kupotezwa na kupotea. Nataka nitoe mfano wa marehemu JM Kariuki; alikua mtu moja wa kutetea raia ilipofika hatamu ya kuwatetea raia Bwana huyo alipotezwa na mpaka

hii leo imebakia historia yake. Kariuki marehemu Robert Ouko alipotea vivyo hivyo, marehemu Ngala alipotea vivyo hivyo marehemu...alipotea hivyo hivyo alishikwa na serikali baadae ikawa ni kizungumkuti wasiwasi wetu ni Mheshimiwa Spika ni kwamba je Gavana wetu akiwa ameshikwa na baadae kutoke tata zingine zozote je sisi tutaelekeza kidole cha lawama kwa mtu gani? Ni kwa Waziri wa usalama wa ndani ama kwa serikali kuu kwa sababu hii inaleta taharuki na mtafaruku katika Kaunti ya Mombasa.

Mheshimiwa Spika si hao tu Mbunge pia alikuwa mmoja katika kutetea wananchi alipoambiwa asiende kule pande ya Nakuru alipatwa na ajali ya barabarani aliambiwa *if you go there you won't come back*. Je sisi kama Mombasa hali hii imetutia katika hali ya wasiwasi, huyu ni kiongozi ambaye aliyechaguliwa na watu, ni kiongozi ambaye kikatiba anatakikana alindwe ulinzi wake umeondolewa je bunduki yake apokonywe? Kuna njama gani katika serikali ya Kenya katika Gavana wa Mombasa; wasi wasi ni kwamba kuna njama labda serikali inataka kummaliza au kumuondoa Gavana katika mamlaka aliyopewa ambayo si rahisi wewe kuchaguliwa kikatiba.

Katiba 2010 ilikubali wananchi wawe wakichagua; Mheshimiwa sisi tuna wasi wasi kwamba huenda wanataka kummaliza Gavana wa Mombasa kwa njia ambayo si ya haki. Sisi tumekuwa na wasi wasi, Mombasa imekuwa na wasi wasi, Kenya nzima imekuwa na wasi wasi. Mheshimiwa Spika kitendo hichi kikiwa itakuwa amewekwa ndani basi sisi wa Mombasa tutakuwa hatuna budi na hatuna lengine ila kuandamana na litakalo mkuta Gavana wetu basi itakuja kuleta mambo makubwa katika nchi yetu ya Kenya.

Kwa sababu huyu ni kiongozi wa chama cha ODM, ni Naibu Rais wa chama cha ODM na iko Kenya nzima haiko Mombasa peke yake, ina wafuasi Kenya nzima na haitakubali ODM kama kiongozi wake aangamizwe au apotezwe kiholela na sisi wanachama wa ODM tukae chini. Hivyo tunasema kwamba sisi ikiwa lolote litampata Gavana wa Kaunti ya Mombasa 001 kidole chetu tutakinyosha moja kwa moja kwanza kwa Nkaiserry, pili Rais wa Jamhuri ya Kenya kwa sababu yeye ndio Raisi wa Jamhuri ya Kenya na ni baba wa taifa hili anaweza kuingilia jambo hili kati na akaleta muelekeo. Lakini kunyamaza kwake kama Rais wa Jamhuri ya Kenya inaonyesha hata yeye pia anaunga mkono kummaliza Gavana wetu wa Mombasa na tunasema Mungu asijalie lolote litakalo mpata Gavana wa Mombasa litaleta tabu nchi nzima na hilo ni jambo ambalo sisi tunalikashifu na tunalikemea Mheshimiwa Spika. Ningeomba Jumba hili lipewe nafasi lijadili hoja hii kwa sababu hii ni hoja inayomkabili Gavana si mtu tu wa kawaida, mtu wa kawaida ana haki ya ulinzi katika nchi hii ya kikatiba kulindwa yeye na mali yake Gavana aliyechaguliwa na wananchi wa eneo Bunge sita ama *constituency* sita alipigiwa kura kihalali, alichaguliwa kihalali akaapishwa kihalali leo dhulma kinachofanyika si cha kisheria wala kikatiba. Huyu ni mtu ambaye amelengwa na wasi wasi wetu ni kwamba huenda kwamba wana njama serikali kuu kupitia kwa mashina yake ya Mheshimiwa Marwa, Nkaiserry na wengine sisi tunasema lolote litakalo mpata Mheshimiwa Hassan Joho Ali mtu wa kwanza tutamuangalia kwa jicho baya ni Bwana Marwa, wa pili Nkaiserry, wa tatu itakuwa ni Rais wa Jamhuri ya nchi ya Kenya. Ahsante Bwana Spika.

**Mr. Speaker** (Hon. Rajwayi): Yes Hon. Ibrahim.

**Hon. Ibrahim Kondo:** Ahsante Mheshimiwa Spika, nimesimama pia kuunga mkono taarifa iliyoletwa na Mheshimiwa Murfad Amur. Kwa kweli Mheshimiwa Spika mambo yalianza kidogo kidogo na yamefikia mahali ambapo sisi viongozi tulishikilia Kaunti ya Mombasa hatuungi mkono kabisa kitendo ambacho kinaendelea kwa Gavana wetu wa Mombasa Hassan Ali Joho. Mheshimiwa Spika Kenya nzima kuna Magavana 47 lakini mpaka sasa zaidi ya wiki tatu ni Gavana mmoja Kenya nzima anayefatwa kila leo masaibu yanamuandama na hatujui sababu yake ni nini.

Mheshimiwa Spika swala la kwanza kabisa kupitia kwa Gavana wetu kila anacho kimiliki kiko katika sheria ya Kenya, bunduki anazo miliki ziko katika sheria ya Kenya, walinzi anaopewa wako katika sheria ya Kenya na hatuoni haja ya walinzi kutolewa bunduki zake kurudisha wakati hakuna swala lolote baya limetokea kupitia kwa uongozi wake. Mheshimiwa Spika Gavana amechaguliwa na wananchi kama vile Rais alivyochaguliwa, kama vile Seneta alivyochaguliwa, kama vile ma MCA walivyo chaguliwa. Mheshimiwa Spika itakuwa ni jambo la kutamausha MCA kuruhusiwa kubeba bunduki alafu Gavana ambaye ni Rais wa jimbo la Mombasa apokonywe silaha yake. Mheshimiwa Spika hatuna imani na mambo yanayoendelea na sisi kama viongozi wa Kaunti ya Mombasa tunalaani kitendo hichi na tunamwambia anaesimamia uongozi wa nchi yetu ya Kenya pamoja na Nkaissey kwamba jambo linalotendeka halistahili kabisa. Ikiwa kuna njia nyengine wanataka kufanya Mheshimiwa Spika kumhujumu Gavana wetu, wajue wananchi wa Mombasa wamesimama kidete na Gavana wao. Kwa hivyo mimi ningalipenda Nyumba hii ijue kwamba mambo yatakayo mfanyikia Gavana wetu hayapo kikatiba na hayastahili kuwa katika katiba ya nchi yetu asante Mheshimiwa Spika.

**Mr. Speaker** (Hon. Rajwayi): Hon. Patrick Siminyu.

**Hon. Siminyu:** Thank you Hon. Speaker it is sad that Kenya instead of going forward we are turning on days where people could not speak, where people should not stand on matters pertaining to the rights of the Mombasa people. Mr. Speaker because of the firm stand that our Governor had for the CORD fraternity of Mombasa, they are lot of things undermining his ways of working towards achieving the goals that Mombasa people are aiming. Mr. Speaker having a stand in the party line it is not a matter where somebody has to be frustrated in such an inhumane manner. Mr. Speaker the Governor is not a personal thing but it's an institution that is placed there by the Constitution of Kenya and each should be respected by both governments. We understand we have 47 Counties; one national government and County governments they are all governments Mr. Speaker Sir and Governors have the right to be protected and as you understand the other time because of the firm stand the people of Mombasa there was a terror threat for the Governor, and we are subjecting to have no safety measures for his life. Mr. Speaker Sir, something bad can happen and somebody can just claim it's a terror attack; our Governor must be protected by the government due to those terror attacks because of the terror threats that were there they were not jokes. Mr. Speaker we have to stand for our Governor as MCAs for Mombasa because if we keep quiet it will be terrible when we hear something bad happened to the Governor. Mr. Speaker we as leaders of Mombasa we are saying the national government through its ministry should stop intimidating our Governor, should stop intimidating Mombasa government headed by our able Governor Ali Hassan Joho. Mr. Speaker as you understand this is not the first tool that the national government is using to intimidate our Governor; the other time they closed the family company just to intimidate the Governor.

I know the other day again they took the bodyguard; the protection that is supposed to be given to our Governor then they took the guns. Mr. Speaker this matter should be stopped and we as Mombasa leaders say no to whatever they are planning to do to our Governor; every time a leader is raising from Mombasa they try to bring him down. Thank you Mr. Speaker Sir.

**Mr. Speaker** (Hon. Rajwayi): Well ladies and gentlemen, whatever you are trying to communicate across but I wouldn't want to imagine that time has come for any one of us to start thinking that there is anything unlawful or unconstitutional that can happen to the Governor of Mombasa. It is not yet time for us to think that anything unconstitutional can happen to him, and why am I saying that because all of us participated in coming up of this constitution; we know

what the law says even on how to make the statements from whatever is happening to the Governor at the moment.

We know what the law says and once the law has not been followed then I doubt whether there is any..... on Hon. Amur's concern that he has been making phone calls yes that one can worry you I know that should worry any one following the history that we have in this country and again it is important that I also inform this Hon. House as far as my knowledge is concerned is that his Excellency the Governor of Mombasa Ali Hassan Joho has engaged his legal counsels who are actually handling this matter and we want to believe that as far as it is now within the stated officers and we must not worry too much again. Following the pronouncement by Hon. Amur that there is an ultimatum the headline put to that effect that not later than 2, I want to believe it is now on I want to believe that, let us wait until then and see how best we are going to handle that matter, but just to say if they did wrong we must also let the laws do their own things as we know two wrongs will never make a right, that is the second aspect that I want to highlight on about his presence.

I want to believe that all of us those who are following keenly actually he made a press release yesterday that is at least an assurance that he is alive and unshaken as well. I would have loved to allow you to debate this particular matter but remember Hon. Amur you did not table that same statement in written form so I would love to have a chance for this particular statement those who want to debate on the same the time is there for you to do that tomorrow but not now. Otherwise as it is that was just a concern to this and I may not ask the Leader of Majority of the government to state where the Governor is until at such a time that we follow legal procedures Hon. Amur and the whole House, so Hon. Amur be advised. Clerk?

### ADJOURNMENT

Ladies and gentlemen this House stands adjourned until tomorrow Wednesday at exactly 9:00a.m.

The House rose at 3:08p.m.
