## ADJOURNMENT

...Order Hon. Member! Hon. Members the Member has raised a concern over the quorum of this House and we all understand that the law requires at least 13 Members to be present in the House for any business to take place, and as we speak Hon. Members we are only 10 so we cannot transact the business of this House, it will be against the Law.

I have instructed Serjeant-At-Arms but it seems the Members are not within, we will therefore adjourn for one hour then we will be back for the normal business of this House, therefore the House stand adjourned and we will be back after one hour.

The House rose at 10:09a.m.
