

**MOMBASA COUNTY ASSEMBLY  
HANSARD REPORT**

Wednesday, 15<sup>th</sup> November, 2017

The House met at 2:41p.m.

*(Mr. Speaker (Hon. Aharub Ebrahim Khatri) in the Chair)*

**PRAYERS**

**Mr. Speaker** (Hon. Khatri): Hon. Members you may be seated. Clerk?

**MOTION**

Hon. Mohamed Hatimy?

**Hon. Mohamed Hatimy:** Thank you Mr. Speaker I first apply for leave to enable me to amend the Notice of Motion under Standing Order 45.

**Mr. Speaker** (Hon. Khatri): Yes Clerk?

*(Consultation)*

Yes Hon. Hatimy?

**Hon. Mohamed Hatimy:** Thank you Hon. Speaker.

*(Hon. Mohamed Hatimy moved the Motion)*

**ENFORCEMENT OF 30 PER CENT RULE ON EMPLOYMENT WITHIN THE COUNTY**

THAT AWARE that Mombasa being a city and economic hub attracts investors; both locally and internationally;

FURTHER AWARE that industries and businesses within the County are a source of employment and thus can improve the livelihood of the residents of Mombasa;

CONCERNED THAT businesses within the County do not necessarily employ local residents of Mombasa, especially the youth and hence they continue languishing in poverty as labour is 'imported' from other Counties;

I therefore urge this Assembly to **RESOLVE** that:

1. 70 per cent of the persons employed in businesses operating in Mombasa be residents;
2. Business licences not to be issued or renewed if the 30 per cent rule of employment is not adhered to;
3. County Public Service Board to consider to employ natives and residents of Mombasa County before candidates from other Counties;
4. Department of Trade to enforce the orders and report back to the Assembly through Committee on Trade.

**Mr. Speaker** (Hon. Khatri): Thank you. Hon. Hatimy. Hon. Members I now propose the question that the Motion on enforcement on 30 per cent rule on employment in the County be debated with amendments 3 and 4?

*(Question proposed and agreed to)*

**Mr. Speaker** (Hon. Khatri): Yes Hon. Hatimy?

**Hon. Mohamed Hatimy:** Ahsante sana Mheshimiwa Spika kwa kunipatia fursa hii kuweza kuandikwa watoto wetu. Tukiangalia sheria ya County Government Act, 65 ukinihusu Mheshimiwa Spika nisome kwa kimombo inasema,

*(Hon. Mohamed Hatimy read the Act)*

Matters to take into account during appointments (e) The need to ensure that at least 30 per cent the vacant posts at entry level are filled by candidates who are not from the dominant ethnic community in the County'.

Hii ni kumaanisha kuwa ni kuhakikisha asilimia 70 iliyobakia ni wale walio kwenye Kaunti, bila ya kuchukua muda wa Nyumba hii Bwana Spika najua jambo hili linadhihiri jambo hili ni lazima sisi sote tusimame kwa umoja ili tuwapigane vijana wetu au wakaazi wetu wa Mombasa wazipate hizi nafasi ili na wao wapate kuendesha maisha yao. Mheshimiwa Spika naomba Jumba hili tuliangalie jambo hili tusiweke ukabila, wala dini wala jambo lingine lolote na tulipitisha kwa haraka inavyowezekana ili watu wetu wapate haki zao. Ahsante sana Mheshimiwa Spika.

**Mr. Speaker** (Hon. Khatri): Thank you Hon. Hatimy. Yes Hon. Amur?

**Hon. Amur:** Mheshimiwa Spika nasimama kuunga mkono hoja ilioletwa na Mheshimiwa Hatimy nikiwa na sababu kadha; imekuwa ni changamoto katika Mombasa tuna makampuni kila sampuli, *supermarkets*, *grocers* na kadhalika lakini inapofika wakati wa kuajiri watu kazi cha kushangaza utapata asilimia kubwa na hatumanishi ni kina Amur ama kina jamaa fulani tunasema yeyote alieko Mombasa ukiwa Mjalu, Mkamba, Mديو, Mgrirama ikiwa ulizaliwa Mombasa unahaki kuajiriwa hapa hatujasema wenyeji ni Waswahili wa Mombasa tunasema wenyeji ni wale walizaliwa, wakasoma na wanaishi Mombasa hii. Lakini utaangalia ukifika wakati wa kuajiri inakuwa sisi hatuhudumii ile asilimia kwa sababu hatujaweka sheria mwafaka kuhakikisha kwamba wakati zinafunguliwa maduka haya kwamba sisi tunapata timu yetu inaenda kabla hatujawapatia leseni, tumeandika watu wangapi, ni kina nani na wametoka wapi. Waswahili wanasema, *Mvuta ngozi huvuta kwake*; tunataka kusema hata sisi Mombasa tuna watu wamesoma wamehitimu na ni jukumu letu kuweka sheria kwamba lazima mtu yeyote anaefungua biashara atupatie idhibati kwamba ameandika watu kazi, kwa mfumo gani ili tuweze kujua kwamba watoto wetu wanapata ajira kwa sababu ajira tunazozitegemea kama Bandari, Feri hapa kwetu pia zimekuwa na siasa kwa sababu bandarini utatafuta mwanamaji lakini utapata mtu si mwanamaji.

Kwa hio hizi ndio changamoto ikiwa tutapitisha sheria tukubaliane kwamba biashara itakayo anzishwa watu wanakata leseni sharti la kwanza lazima wao pia watuambie wameandika watu wangapi na ni watu wa aina gani, tusiambiwe hatukusoma bana ...hizi vitu zisiwe hivi. Hivyo basi ni jukumu letu tukubaliane tupitisha sheria serikali yetu ya Kaunti ya Mombasa haitapitisha leseni yeyote ikiwa ni biashara ya kuajiri watu 100 itaandika watu kazi kiaina gani tuwe na ufahamu zaidi ya watu wanavyoandikwa kazi. Ahsante.

**Mr. Speaker** (Hon. Khatri): Yes Hon. Aran.

**Hon. Oindo:** Ahsante sana Mheshimiwa Spika mimi kama Mwakilishi wa vijana katika Bunge la Mombasa ningependa kumshukuru sana Mheshimiwa Mohamed Hatimy kwa kuleta hoja hii. Kusema kweli ya kwanza ningependa Waheshimiwa wote ni tusimame kidete tuunge mkono hoja hii; twajua vizuri wapinzani wetu watachukua na tumesikia vizuri Mheshimiwa Hatimy akieleza wapinzani wetu watasema ni kama watu wameanza kubaguliwa ndio maana kumeletwa hoja kama hii.

Sisi kama Waheshimiwa wako hapa ndani tusimame na mimi ni Mbunge Mteule na mimi ni katika wale wanajivunia kuonyehsa ya kwamba Mombasa haina ukabila, mimi ni Mjalu, nimezaliwa Mombasa nimelelewa hapa, nimesoma hapa napiga kura hapa lakini ilipofika hapa watu kuchaguliwa sikuchaguliwa, kwa hio mimi hoja yeyote ya kusaidia vijana nitasimama nayo hata kama ni kusukumana kwa sababu tunajua kuna watu wataingiza siasa; kusema kweli Mheshimiwa Spika ukizunguka kwa hizi *supermarket*, biashara utapata vijana wetu hawajapatiwa kazi.

Mtu amekuja anafungua biashara hapa na hatubagui hatusemi ni ukabila watu wapatiwe haki yao vijana wetu wanateseka kila mtu anataka kuandikwa Bandarini, Manispaa na tunajua hizo zote haziwezi ajiri hao wote lazima watu wengine wataandikwa kazi kwa viwanda na

biashara. Kwa hio sisi Mheshimiwa Spika hili lazima tulitete, nasikitika mimi kuna simu niliingia kwa duka unapata Muhindi hajui Kiingereza vizuri inabidi uongee na lugha ya ishara sasa sijui sisi kama Waheshimiwa tutaenda na wakalimani wetu na ni uchungu sana kwa sababu kuna vijana wetu, wamezoea kusema kuwa Mombasa ni watu wavivu, la hasha hatujapatiwa nafasi.

Kwa hio mimi naomba Mheshimiwa Spika hili ni jambo la maana sana na namshukuru Mheshimiwa Hatimy kwa kuileta na tuijadili na tushikane hata kama watesema vipi muungano wetu ndio utafanya yatimizwe lakini hili ni jambo kama kweli tunapenda Gavana wetu, Kaunti tukitaka tuendeleo litapunguza zile shida tunazo sababu ajira zitapatikana na wale vijana wenye wako mtaani, maskani watapata shughuli za kufanya. Kwa hio mimi naomba tutilie maanani tujadili hii hoja iliyoletwa hapa na mimi nashukuru Mheshimiwa Hatimy kwa kuzingatia vijana na hicho ni kitengo muhimu. Mimi nitaunga mkono na tutajaribu vyovyote iwezekanavyo asilimia kubwa watasaidika katika Kaunti hii najua kuna vijana hapa Mheshimiwa Robert Nyiro, Mheshimiwa Mwamwiri na pia sio vijana peke yake hili ni jambo la Kaunti ya Mombasa na tulitimize, najua baada ya muda kidogo itaonekana kwamba twafanya kazi na tusukume. Ahsante Mheshimiwa Spika.

**Mr. Speaker** (Hon. Khatiri): Thank you. Yes Hon. Thoya?

**Hon. Thoya:** Mheshimiwa Spika ahsante kwa kuweza kunipa fursa hii, nilipoona Mswada huu masaa ya asubuhi nimejisikia kama nimezaliwa upya na nasema kama hii ndio Mswada itakuwa inakuja hapa basi mtatujenga sisi ambao hatujaanza tutaangusha vitamu. Hivyo basi kongole Bwana Mwenyekiti pale hususan nasema nimefurahika nikiwa Mwenyekiti wa Kamati ya Leba na *Social welfare* na tayari nilikuwa nimeanza asubuhi kupigia debe kwamba Mswada huu lazima upite popote pale mlipo Wanakamati wa Leba Waheshimiwa wa Bunge hili hapa hakuna habari ya kutaataa ni Mswada huu tuupitishe kwa sababu kila mtu anajua asubuhi ukiamka vijana wako mlangoni jioni ukifika wako mlangoni, ikiwa itapita hii na si kwamba biashara zinazofunguliwa upya, makampuni ni lazima yafanyiwe uchunguzi tuangalie kwa sababu kuna wale wanastaafu kwa sababu kosa lilifanyika na linaweza kurekebisha, Bandari iko hapa lakini tumekuwa watalii tu tukipita tunaamiwa Bandarit iko kule hatujui inaajiri kina nani. Ni vizuri kwamba jambo hili mbali na makampuni ya kibinafsi hata yale mashirika ya umma pia tungeyaangalia endapo watu walijajiriwa kwa njia ambayo sio ya sawa wanapostaafu waingie kwa njia ya sawa. Tukisema watu wa hapa mimi nataka niseme kabisa Pwani hii ina makabila yote lakini nataka niwahakikishie ya kwamba kuna Mjalu wa Bangladesh ambae anajua Kisumu kuandikwa yeye alizaliwa, akasoma na hana mpango wa kuzikwa kwingine kwa hio huyo ni mtu wa hapa unanielewa...

(Applause)

...Ukija Kibarani kuna Wakisii wamejaa pale na ninataka niambie Bunge hii kuna tofauti ya Mjalu wa Bangladesh na wa Nyatike; kuna tofauti ya Mkisii wa Bomachoge na wa Bangladesh, ikiwa tutachukua Mjalu wa kule Kisumu tuchukue wa Banglades, yule wa hapa atahisi kwamba sisi tunabaguliwa. Kwa hio sisi sote ni wa Pwani na Mpwani ni yule amezaliwa Pwani na anaienzi. Hivyo basi mimi naunga mkono kikamilifu na ahsante sana na wote hapa naona tutasimama shime lazima tuonekane angalau tumeajiri vijana watano, zawadi kubwa iko hapa sio mahali kwingine, mimi nina hakika kila mmoja ana genge lake tutawapeleka wapi? Kwa hio Mswada upite. Ahsante sana.

**Mr. Speaker** (Hon. Khatiri): Thank you. Yes Hon. Fahad?

**Hon. Fahad Kassim:** Ahsante Mheshimiwa Spika ningependa kuunga mkono Mswada ulioletwa na Mwenyekiti wetu, ni mzuri sana kwa sababu hauna siasa ndani yake wala upingamizi.

Nina imani kwa sababu ya zile sababu nitakazozitoa, wale viongozi wote walio hapa tulipigiwa kura na wapwani wenzetu, la kwanza. La pili leo vijana wengi hawana ajira na wazee kwa jumla Pwani hii kwa sababu ya shida kama hizi watu wanaleta watu kufanya kazi kutoka nje. Kama alivyosema ndugu yangu Aran haya mambo yapo kwa sababu mimi Mheshimiwa Spika tumetembea sana unafika kampuni unakuta mtu analipwa pesa nyingi na hata Kiswahili ni matatizo, badala ya kusema fanya anasema nafanza inakuwa ni shida wakati sisi tunaweza kufanya hizi kazi. Leo hii ikiwa tutapitisha huu Mswada Waheshimiwa basi na waahidi ya kwanza tutakuwa na sura ya kurudi mashinani na kusema na kujivunia ya kuwa tulipitisha Mswada huu na wakati tulipitisha Mswada huu tuliweza kusaidia mtu fulani, fulani na fulani.

Tukija kwenye eneo langu la Mjambere Mheshimiwa Spika zaidi ya asilimia 70 ya vijana hawana kazi; wewe ukipita mchana wao ni kelele, ukirudi mchana ni kelele. Ni jambo la kusikitisha Mheshimiwa Spika mpaka mara nyengine inabidi unapita kwa kuogopa ama kwa kujificha na si ati wanapenda kuomba la ni kwa sababu ya njaa na ukosefu wa ajira lakini nina imani leo tutapitisha Mswada huo na utaweza kuwasaidia. Leo kuna ukosefu wa usalama ndani ya Mombasa yetu hususan ukija eneo kama la Kisauni kwangu Mjambere ndio kunatoka vikundi haramu vya aina yote na ni kwa sababu ya ukosefu wa ajira. Kwa hio tukipitisha Mswada huu na tuweze kupeleka vijana kadhaa kazini basi nina imani hata usalama wa Mombasa Kaunti utaweza kurudi...

*(Applause)*

...Kwa hio huu Mswada sio tu tunawapeleka makazi hata usalama utakuwa umeweza kupatikana kwa asilimia kubwa na tunaomba idara ya biashara iweze kuzingatia na kutuma wale maofisa wanaotembea huko kwenye hizo biashara kwa ukaguzi wakati tumepitisha wahakikishe ni jambo linalofanywa kwa sababu sisi tunaweza kupitisha hapa na ukakuta pale uwanjani hiyo shughuli haifanywi vile inavyotakikana, kwa hio tutaomba Idara ya Biashara iwe makini wakati tutakuwa tumepitisha Mswada huo. La tatu kuna Bandari hapa ambayo sisi wa Pwani ama watu wa Mombasa inafaa ama tulikuwa tunajivunia nayo sana lakini Mheshimiwa Spika hata mimi nina imani pia wewe huwa unatembea tembea kama mimi kidogo leo ukifika pale Bandarini utatamani kuona sura ya mwenzako na jua hakuna afueni kubwa kama unaingia kwa ofisi unamkuta Naibu wa Spika ni Mheshimiwa Fadhili unajua huyu ni kuongea naye ama Spika ni Mheshimiwa Aharub nitasaidika lakini unaongea na mtu Kiswahili chake pia ni matata anakuambia unasema nini? Iko shida gani? Wewe kwenda huko? Unaona kama ni mgeni wewe. Kwa hio tungeomba tupitishe Mswada ambayo itasaidia watu wetu mashinani na sisi viongozi kesho tutakuwa masuula kwa watu wetu na hata kwa Mwenyezi Mungu. Kwa hio naunga mia kwa mia na nina imani kubwa hakuna Kiongozi yeyote atakae pinga huu Mswada sana kwa sababu tunajuana na tumekuja hapa kufanya kazi ya wananchi. Ahsanteni sana.

*(Applause)*

**Mr. Speaker** (Hon. Khatri): Thank you, yes Hon. Robert Nyiro.

**Hon. Nyiro:** Thank you Mr. Speaker I also wish to thank and congratulate Hon. Mohamed Hatimy for bringing this Motion. First and foremost it's really very painful Mr. Speaker that in this era and time we are still talking of how we can enforce a constitutional provision, but again if I may go back to history there was a time I was very close to the famous the late Hon. Karisa Maitha, that was back in 2004 after the General Election there was this recruitment of police and he had a privilege of taking like 20 youths to the police force. I was there and I was given a task to go round the village and look for a young lady with a qualification of a D plus. Mr. Speaker I went round the village but I couldn't find a girl with a qualification of D plus and that chance went to a girl of Kikambala, why am I saying this?

Sometimes it is very difficult for us to be able to face things as they are, and this is because maybe we lack people who will represent Mombasa. Having said that I want to urge this Hon. House and Hon. Members and give an example and an initiative that I want to carry out in my Ward there's something that goes with initials the B.E.B.G.O that I want to start in my Ward. This is a forum that brings together all the youths who have gone to school and have different qualifications; the B.E.B.G.Os simply goes for Bamburi Educated Boys and Girls Organization. It is a forum where all the youths from secondary education; that is Form Four to those with degrees we need to have a data so that if we are to look for these opportunities I think we should have a data of who are the people we are looking to employ because there was a time I went to Nakumatt Bamburi and they were looking for a lady who has a Diploma in Information Technology.

So sometimes it is very difficult to go round the Ward and find for somebody who has those qualifications but if through the Department which my friend here behind me heads if we can come with ways that he has a data for all youths in Mombasa from the Wards then we consolidate them together so that we can know who qualifies for what? So that whenever an opportunity arises we know who are the people we can fix there or we can present, because what Hon. Hatimy is talking about is like when we see these opportunities it is we (??) and face about them but again we should be able to have the youths ready with us so that if they tell us bring two who have degrees we are ready with them with a single source. So it is good that we come up with a database where all the qualified youths in this County are recognized, it is easy for us to look for employment for them because we will have a data that it is ready for us to work on so this Motion is right on time and it has come at the right time because 80 per cent of this County Assembly comprises of the youths who I know if we were not in this Assembly, we will also be hustling there, we will also look for jobs so it is very good for us to be considerate for the things that have been following us outside there and really work extra hard. So my contribution is that we make database a reality so that we can move round and seek for employment for people that we know they qualify and they are there otherwise I support with all the might within me. Thank you.

**Mr. Speaker** (Hon. Khatri): Thank you, yes Hon. Kitula.

**Chief Whip** (Hon. Kitula): Ahsante sana Mheshimiwa Spika kwa kunipatia fursa hii na kulingana na muda wangu ambao Bunge hili limeweza kunipatia usizidi dakika tano naweza kuchangia vile vile pointi mbili hivi. Mheshimiwa Spika ya kwanza kama Kiranja wa Chama cha Walio Wengi wa Bunge hili, hoja hii ningependa kuiunga mkono na kumpatia kongole aliyeweza kuleta katika Bunge hili. Kusema kweli Gavana ameanza kuwa mfano Mheshimiwa Spika kwa uteuzi wa Mawaziri ni mfano kwamba kwa kuteuliwa kwa Mawaziri Gavana aliweza kuzingatia kwa kila mmoja ambaye ameweza kuchaguliwa hakuangalia dini, kabila, rangi, jinsia, unyonge wala hadhi ya kimaisha, hiyo ndio hoja ya kwanza ambayo Gavana aliweza kuiangalia katika uteuzi aliyoweza kuufanya.

Jambo la pili Mheshimiwa Spika mimi ni mkaaji ambaye natoka eneo la Nyali na vile vile nashukuru Mwenyezi Mungu kuanzia mwaka 2013 hadi 2017 niliweza kuhudumu katika Idara ya mawasiliano katika ofisi ya Gavana na kulikuwa na mgogoro mkubwa katika eneo la Kivuko cha Nyali ambapo watu wengi waliweza kushtumiwa ya kwamba waliweza kuajiriwa watu wa huku kwa sababu ya kuvaa buibui katika lile eneo la Kivukio cha Nyali ambapo jambo hilo tuliweza kuchukua jukumu na kuweza kuwa Gavana akawaita wafanyi kazi wote pale sababu walikuwa wanavaa buibui na tuliweza kuja kugundua kuwa yale mabuibui wale watu waliokuwa pale sio watu waliozaliwa Mombasa pekee yale.

Mabuibui wale watu waliokuwa pale kulikuwa na kila mkaazi kutoka maeneo tofauti, makabila tofauti na walisema kwamba mabuibui wamevaa ili kuficha haya Mheshimiwa Spika na kila mmoja aliweza kuridhika na jambo hili likawa wazi. Mheshimiwa Spika jambo lengine ni katika vile vile nikiwa natoka katika eneo Bunge la Nyali ninapokuja katika Bunge hili hivi sasa kuna mojawapo ambapo ni duka la jumuiya ambalo linafunguliwa karibuni. Nafikiri hoja hii imekuja kwa muda unaofaa na ningependa vile vile kulingana na kipengee namba 4 ambacho nitakinukuu kinasema kitengo cha biashara na haki *to post the orders and report back to the Assembly through Committee on Trade, Tourism and Investments*. Ningependa waweze kuzingatia duka hili maana tangu jana Mheshimiwa Spika watu wamekuwa wakijazana pale wengi zaidi sijui wametumia njia gani na vile vile tukipitisha leo natumai Kamati husika katika Idara hii wataweza kuhakikisha kwamba wameweza kufikisha maoni yetu kulingana na vile tunavyopitisha siku ya leo na kuhakikisha ya kwamba wataaoajiriwa pale asilimia 70 ni wakaazi wa Mombasa na wakaazi wa Mombasa. Mkaazi wa Mombasa ni mtu yeyote aliyezaliwa Mombasa, mkaazi wa Mombasa ni yeyote anayefanya biashara Mombasa, mkaazi wa Mombasa vile vile ni mtu yeyote anayekaa Mombasa na mwenye nia njema na Mombasa, huyo ndiye mkaazi wa Mombasa. Ahsante sana Mheshimiwa Spika na ningependa vile vile Wabunge wenzangu waweze kupitisha Mswada huu kwa manufaa ya watu wetu. Shukran sana.

**Mr. Speaker (Hon. Khatri):** Thank you, yes Hon. Shebe.

**Hon. Shebe Salim:** Ahsante sana Mheshimiwa Spika kunipatia fursa hii kuweza kuchangia; ningependa kumshukuru na namvulia kofia Mheshimiwa Hatimy kwa kuja na hoja hii. Ama kwa hakika Mheshimiwa Spika yataka nafasi kula nanasi, hii nafasi sisi tuko nayo twataka tuitumie tukiangalia Kaunti yetu ya Mombasa ni Kaunti ambaye imejaaliwa rasilimali nyingi za kila aina lakini swali ni je hizi rasilimali ambazo ziko katika Kaunti yetu zinawafaidi wakaazi wa Mombasa? Hili jambo halikuanza leo na mimi Mheshimiwa Spika naona tatizo haliko kwa sheria, sheria zipo na zinaeleza makini na bayana lakini je yatekelezwa haya?

Kwa hio suala sugu ni kwa utekelezaji hata si kwa sheria, kwa hio ikiwa kutakuwa na mikakati kabambe ya kuweza kufuatiliwa kisheria basi bila shaka Mombasa rasilimali zake zitakuwa zinafaidi wafanyikazi wa Mombasa. Nakupa mfano katika Wodi ninayotoka mimi ya Jomvu Kuu tumejaaliwa na rasilimali nyingi sana lakini tatizo ni kuwa zile rasilimali haziwafaidi wale wakaazi wa pale Jomvu kuu ama wa Mombasa, sasa twasema zifaidi wakaazi wa Mombasa, hawa wakaazi wa Mombasa ni kina nani? Imeelezwa hapa ni wazaliwa, ni wakaazi wanaoishi hapa na wale watu wakitoka kule juu watakuja wiki moja watakwambia pia wao waka hapa ni wakaazi wa hapa sasa kuna njia gani hapa za kuhakikisha wale wataonufaika hususan watakuwa wakaazi wa Mombasa hapa hili suala mpaka tuliangalie vizuri.

Pili kampuni nyingi sana Mheshimiwa Spika ambazo ziko katika mji wetu wa Mombasa ziko na sera ambazo huwa ni za kijamii na kimashirika wanaita kimombo *Corporate Social Responsibility (CSR)* na hii sera haiko pale kimakosa, haya ni mashirika ama makampuni ambayo yanazalisha na yanafaidika na rasilimali ya kutoka Pwani lakini ukija kufuatilia mashirika mengi unakuta hakuna faida ama wakaazi ambao ni wananchi wa pale wanapata, inakuwa inakamua inakuwa mithili ya kupe vile rasilimali ni ya hapa lakini faida inakwenda kwengine. Mimi nishapata nafasi ya kwenda mahali na nikataka kujulia hususan katika suala hili nikaambiwa hapa ipo sera kama hiyo lakini yafanywa juu si hapa na haya yapo mashirika si moja wala si mawili unakuta shirika linazalisha rasilimali zake hapa, linafaidika na hapa lakini kama ni kupitia *Corporate Social Responsibility* ni hospitali zaenda jengwa kwengine, shule zaenda jengwa kwengine ama basari watoto kupata wapata kwengine na kama ni nafasi za ajira watoka wengine kutoka juu kuja kupata zile nafasi za ajira.

Hili ni suala ambalo lazima tuliwekee mikakati kabambe ya kisheria ikiwa kampuni inatoka pale mahali tuhakikishe basi mahala pale pale ni wakaazi wa pale wataweza kupata ajira. Hivyo basi hili suala mimi naliunga mkono sana Mheshimiwa Spika na ningependa Bunge hili la pili la Kaunti ya Mombasa tuweze kupitisha Miswada kama hii ambayo itaweza kusaidia watu wetu na suala la kuandikwa kazi ni suala nyeti hususan kwa vijana; vijana ni kelele mitaani kama vile walivyotangulia kusema Waheshimiwa wenzangu wanaishi milele kule wanakufa bila kelele kwa sababu matumaini ya kupata ajira na biashara hakuna. Kwa hio hili Bunge twataka tuchukue fursa ya kuweza kuweka mikakati ya kuweza kufaidika na rasilimali za Pwani zibakie Pwani, zifaidishe wapwani wakiwa Pwani. Ahsante sana Mheshimiwa Spika na mimi naunga mkono hoja hii.

(Applause)

**Mr. Speaker** (Hon. Khatri): Thank you yes Hon. Mwamwiri Rama.

**Hon. Mwamwiri:** Ahsante Mheshimiwa Spika kwa fursa hii adhimu, ningependa awali ya yote kuunga mkono hoja hii ya Mheshimiwa Mohamed Hatimy ya kuzingatia masuala ya ajira kimpangilio ya asilimia. Kwa mujibu wa kipengele alichokinukuu kimetaja makabila makubwa katika Kaunti ile kupewa kipao mbele cha idadi ya asilimia 70 kabla ya makabila mengine kupata fursa, hii inaonyesha ya kwamba hakuna sehemu ama mji usiokuwa na wenyewe...

(Applause)

...lakini lazima tukubali na kutambua ya kwamba Kaunti ya Mombasa iko na wenyeji pamoja na mchanganyiko wa makabila kama ilivyo. Kaunti ya Mombasa imepata tuzo ni kwamba ni Kaunti isiokuwa na ukabila katika suala la ajira; katika Bunge lililotangulia ni kongole kwa Mheshimiwa Gavana, lakini kadhalika inaonyesha ya kwamba sheria hii haikufikia ya kupewa kipao mbele makabila ya kienyeji. Tukija katika takwimu tunapata kuona ya kwamba asilimia kubwa ya wakaazi wa Mombasa ambao hawana elimu ama hawakupata fursa ya kusoma kisawa sawa kwa sababu ya umaskini bado wanatokana na makabila ya kienyeji. Hii inaashiria ya kwamba ukosefu wa ajira wa wazazi wale ilipelekea kwa watoto wao kukosa nafasi sahihi ya kupata elimu. Takwimu ya utumizi wa mihadarati bado utakuta idadi kubwa ni ya makabila ya wa wenyeji ndio watumizi wakubwa wa mihadarati kwa sababu ya ukosefu wa ajira, tukija katika magenge ya uhalifu bado tunakuta ni vijana ni ndugu zetu ama ni watoto wanaotokamana na makabila ya wenyeji ndio wenye kujihusisha zaidi na uvunjaji wa sheria kwa sababu ya ukosefu wa ajira.

Kwa hio hapa katika maombi ya Mheshimiwa Hatimy katika Mswada huu kipengele cha tatu kinasema ya kwamba ipewe kipao mbele wenyeji na wakaaji; ndio tuko na wenyeji katika mji huu na tuko na wakaaji ambao inajumlisha makabila yote yalioko hapa tutambue ya kwamba waliodhalilika zaidi katika maswala ya ajira na ugavi wa rasilimali, kiwango cha kuchipuka mavugu vugu ya uvunjifu wa usalama na madai ya ukombozi sababu kuu ikiwa ni ugavi wa rasilimali na maswala ya ajira. Hivyo basi hio sheria hii bado Mombasa makabila tunayajua 42 yaliokua hapa lakini yapo yale 12 yatangulizwe kupewa kipao mbele yakifuatiwa na idadi ya makabila mengine yanayoishi hapa kabla ya kutoka nje ya Kaunti hii, kwa sababu kama kampuni ni yangu ama taasisi ni yangu nimefungua na sheria inasema niajiri asilimia 70 ya wakaaji wa hapa ninao uwezo wa kuleta watu wangu wiki moja kabla nikawatafutia makazi wakakaa hapa kisha nika ripoti ya kwamba hawa ni wakaaji wa hapa nimebadilisha kura zao ni za sehemu za hapa, kitambulisho hakijalishi labda kitasema kule kutokamana na wazazi, je lengo na shabaha la wenyeji kupata kipao mbele cha ijara litakua limefikwa? La. Kwa hio iko haja ya kuzingatia makabila hususan 12 kufuatia na wakaaji wote halafu kadhalika kuundwe tume ambayo itafuatilia tayari miradi ama kampuni zinazo shuhulika katika mji wetu kutathmini ajira zao ziko vipi.

Hii ni kwa sababu tunajua taasisi zipo zina wafanyi kazi na kipengele hiki ama sheria hii haijaendana sawa kunafika kwa mtu wafanyi kazi wote wanaongea kabila moja tena sio katika makabila ya Mwambao, hilo kulitatua ama kuliweka sawa tutakuwa tukilenga biashara mpya peke yake bado hatutafikia malengo. Kwa hio tuwe na tume itafuatilia hayo kama ilivyopendekezwa katika kitengo cha biashara na waripoti katika Jumba hili ile mipangilio rasmi inavyokwenda na kuwakanyagia katika maswala ya leseni kama hawajafikia sheria iliokusudiwa. Kwa hio Mheshimiwa Spika binafsi naunga mkono na kupendekeza sheria hii ipitishwe mara moja na itendewe kazi mara moja kuepuka majanga. Kama kule tunakotoka sasa hivi Likoni ndio inayoongoza kwa magenge ya uvunjifu wa usalama kwa sababu ya kisingizio kikubwa kwamba vijana wetu wamekosa ajira. Kwa hio itakuwa fursa kwetu na vijana wetu kuepukana na matumizi ya mihadarati kuepukana na kujihusisha na uvunjifu wa sheria na kuijenga na kuendeleza Kaunti yetu ya Mombasa. Shukran, ahsante sana Mheshimiwa Spika.

**Mr. Speaker** (Hon. Khatri): Thank you, yes Hon. Fadhili.

**Hon. Fadhili Mwalimu:** Ahsante Mheshimiwa Spika. Mheshimiwa Spika kwa kusema kweli naunga mkono hoja alioleta Mheshimiwa, hoja ambayo iko mbele ya Bunge hili, ndio maana hua tuna viongozi wameanza kusema Pwani si Kenya. Mheshimiwa Spika kwa kusema kweli ukikandamizwa sana hua una hofu kuonewa na kwa kweli hapa kwetu Mombasa vijana wengi hawana ajira na ni haki yetu tuwatafutie vijana wetu makazi ndio ule uhalifu pia kidogo utaweza kupungua na hoja hii imekuja mbele yetu na ieleweke ni sheria ambayo imewekwa kwa hio katika masomo ambayo umeweza kutupeleka tumeweza kuambiwa kuwa hoja inapopita katika Bunge hili itachukua siku 60 kwa Wizara husika iweze kuleta majibu katika Bunge hili ndio tuelewe wamefanyia nini hoja yetu na nimeona katika mapendekezo alioleta, pendekezo nambari nne ni kuwa Wizara ilete majibu haya.

Kwa hio tungeomba ni kazi hii tumeitoa kama Bunge na Bunge liweze kuheshimika Wizara ichukue hatua mara moja wakati Bunge hili litakapokua limepitisha maana nimeona wengi Waheshimiwa wameunga mkono hoja hii sidhani kama itaweza kuanguka. Mheshimiwa Spika amezungumza Mheshimiwa Nyiro masuala ya kuchukua takwimu, kwanza tutaelewa haswa kuko vipi na tutataka tukupangie vipi, nina imani hata hii Wizara husika itakapokuwa imezunguka na ikachukua takwimu hizi itakuwa ni fursa kwa serikali yetu ya Mombasa kuweza kujipanga vilivyo na ieleweke tulioyasema hapa lau tutapata ni kweli wengine hawafuati vile inavyo hitajika basi tuweze kuwanyima stakabadhi zao za kufanya biashara zao; iwe ni mimi iwe ni Mheshimiwa yoyote hapa pia ambae labda ana biashara zake ama makampuni yake na lau zitakuja hapa takwimu kuonyesha kuwa wana kampuni zao na hazikufuata sheria basi walazimishwe kufuata sheria hii ama ikiwa itazidi zaidi kama Bunge hili tuigeuze Hoja hii tuitengeze iwe ni sheria ndani ya serikali yetu ya Kaunti ya Mombasa ili nini, kuna na kesho wanaweza kutekeleza leo kesho wakarudi wakaanza kufanya mambo yao.

Sasa tunaomba ikiwa itaweza kufanywa ili iwe sheria na ni sheria ambayo iwe itakuwa inatekelezwa Mheshimiwa Spika nina imani tutaweza kutatua japo si yote lakini matatizo mengine madogo madogo tutaweza kuyatatua na tukikumbuka ruwaza ya Mheshimiwa Gavana ilikuwa ni ruwaza ambayo imeangazia vijana na hoja hii Mheshimiwa Spika tukiangalia kweli wengi wa vijana hawana kazi, hoja hii itaweza kutatua vijana wetu wengine pia wataweza kupata ajira na hatusemi watu wafutwe kazi lakini tunasema sheria ifuatwe. Kwa hayo mengi na machache naomba Waheshimiwa wenzangu tuweze kuunga mkono hoja hii, ahsante.

**Mr. Speaker** (Hon. Khatri): Thank you Hon. Fadhili, yes Hon. Feddis Mbura.

**Hon. (Ms.) Mbura:** Ahsante sana Mheshimiwa Spika na ningeomba kukukumbusha kwamba kuna jinsia katika hili Bunge kwa hio wakati mwengine utumie jinsia, akiongea mwanamume mwanamke pia asimame aongee nakukumbusha Mheshimiwa Spika.

(Applause)

Naunga mkono hoja iliopitishwa na Mheshimiwa Hatimy hii kusema kweli ni hoja ambayo ni ya...

(Interruption)

**Deputy Speaker** (Hon. Fadhili Mwalimu): Point of order! Mr. Speaker.

**Mr. Speaker** (Hon. Khatri): Yes?

**Deputy Speaker** (Hon. Fadhili Mwalimu): We are governed by Standing Orders, i do not know which Standing Order is the Hon. Member using, to say that after every man a woman should speak, let her inform the House.

**Mr. Speaker** (Hon. Khatri): Thank you, yes Hon. Feddis can you clarify under which Standing Order you are expressing that.

**Hon. (Ms.) Mbura**: Ahsante sana, katika Kanuni za Bunge nambari 1.

(Laughter)

**Mr. Speaker** (Hon. Khatri): Ok, what is Standing order 1 saying? Hon. Hatimy you are not there to coach her what to say.

**Hon. (Ms.) Mbura**: He is not coaching me.

(Laughter)

**Mr. Speaker** (Hon. Khatri): Can you let her speak her mind or are you called Hon. Mbura, yes Hon. Mbura can you read for me what Standing Order number 1 is saying.

**Hon. (Ms.) Mbura**: Ok, wewe ndio uko na nguvu za kuweza ku *appoint* watu katika Bunge.

**Mr. Speaker** (Hon. Khatri): What is Standing Order number 1 saying, can you read it for me.

**Hon. (Ms.) Mbura**: Ok wacha tuiangalie Mheshimiwa Spika, pole naomba mtu anisomee kwa sababu sina miwani leo, tafadhali *yeah you can read for me please*.

**Mr. Speaker** (Hon. Khatri): Okay.

(Hon. (Ms.) Ngare read Standing Order 1(1))

**Hon. (Ms.) Ngare**: Mr. Speaker sir Standing Order number 1 reads,'

*1 (1) In all cases where matters are not expressly provided for by these Standing Orders or by other Orders of the County Assemblies, any procedural question shall be decided by the Speaker.* So we are expecting that the Speaker will be able to decide that too many men have given their views, can a lady now give the view, thank you Mr. Speaker.

(Applause)

**Mr. Speaker** (Hon. Khatri): Thank you; yes you can continue now Hon. Mbura.

**Hon. (Ms.) Mbura**: Ahsante sana Mheshimiwa Spika. Ahsante Mheshimiwa Milka, tukirudi kwa hoja ambayo Mheshimiwa Hatimy ameleta katika Bunge hili mimi naunga mkono mia kwa mia kwa sababu kusema kweli ni hoja ya Wabunge wote wa hii Kaunti. Tukikumbuka ile hotuba ya Gavana hakika aliwapa kipao mbele vijana na katika uteuzi wa Mawaziri pia hakuangalia ukabila wala chochote, kumaanisha Gavana yuko sawa lakini nataka tujiulize sote ni kitu kinaacha vijana wetu hawana ajira katika Kaunti ya Mombasa. Hili jambo lazima tutafute sera ambayo itaweza kudumisha hii asilimia 70; sisi kama Wabunge wa Kaunti, nikitoa mfano kwa Wodi yangu Mwakirunge, kuna wenzangu walisema asilimia 70 hawana kazi lakini kwangu ni mia kwa mia. Kusema kweli Mwakirunge na upande wa ajira hakuna kabisa, kwa hio lazima sisi kama Wabunge tuweze kusimama kidete tutengeneze sheria ambayo itaweza kukamilisha hii asilimia 70 iweze kutekelezwa na vijana wetu wapate ajira kama wenzao, pia kitu chengine ambacho labda kimechangia hii asilimia 70 haiko katika biashara ama makampuni katika Kaunti yetu ya Mombasa nitasema labda ni hongo.

Hii ni kwa sababu wale ambao wako kazini ambao wangewezea kuajiri watu sio wakaazi wa Mombasa, ni watu ambao wametoka nje ya Mombasa ama Kaunti zengine, ndiposa unakuta mtu yule hana huruma na mkaazi wa Mombasa. Kwa hio lazima tutafute sera ama sheria ambayo hii asilimia 70 hakika itapatikana katika eneo letu la Mombasa na vijana watapata ajira, ahsanteni sana.

**Mr. Speaker** (Hon. Khatri): Thank you Hon. Feddis, yes Hon. Mwaka Zahoro.

**Hon. (Ms.) Mwaka Zahoro:** Thank you Mr. Speaker i would like to support the Motion brought forward by Hon. Hatimy. We find that in that 70 per cent being talked about it will enhance various issues in Mombasa County; including issues of violent extremism. We know that majority of the people being radicalised are the youths and this is simply because they lack employment, so having them employed in these businesses will enhance security and hence the levels of violence and extremism will come down. Another issue is about Mombasa being a cosmopolitan; it will enhance diversity, we find that atleast every tribe that is here will be represented in the 70 per cent and by that it will mean that the people that are born and raised here get the employment opportunity, and to the locals it will be giving back to the community since they are the consumers of the products being offered by these investors, so i support the 70 per cent. Another issue is that Mr. Speaker the 70 per cent will enhance economic empowerment; you find that those locals employed will be able to contribute in the economy issues of paying taxes, both the national and local will enhance the economy. Also the issue of employment is very vital to the young people and this causes poverty and with that it will enhance and the level of standards of living of people therefore will be enhanced and people will be able to have their daily bread and have food on their table, with that i support the Motion.

**Mr. Speaker** (Hon. Khatri): Yes Hon. Amriya Boy.

**Hon. (Ms.) Amriya Juma:** Ok, thank you Mr. Speaker, and may it please you, first and foremost i would wish to reiterate the words by Hon. Feddis that youth empowerment was one of the priority transformative programs in the Governor's speech so we don't take it lightly that youths are closer to our hearts. Being one of the youths am associated with the empowerment of youths, so having said that i wish also to reiterate that the laws and regulations should not be made in vain and they should not operate in a vacuum, that yes we are supporting this Motion but we realise that the buck does not stop with the Motion. Mr. Speaker why am I saying that? We, at the end of the day need to go back after we have passed this Motion to check and update our database and also to update the capacity of our youths. This is very important because after all yes we have laws, for instance we have the Companies Act Caps 17, i suppose of 2015 which stipulates that the foreign companies must have atleast shareholding of 30 per cent which are natives, and I think the company registry have done tremendously well because there is atleast threshold they can use like the identification cards to establish that these are natives, these are Kenyans and they are shareholders in companies or directors.

So looking at this Motion, we have just specified that we need natives and residents in Mombasa so atleast we should go ahead and state how are we going to actually identify; is it by their birth certificates, is it by identification cards or rather voting cards? So i think we need to elaborate this further even if we are going to have an executive summary or something of the sort because to me this matter of youth employment is of great importance in this County which has the highest rate of unemployment and mostly people tend to major it on that we lack capacity; both educational training and even manpower capacity which is actually a fallacy, not true Mr. Speaker. So we recognise that not all the native youths but also we have the marginalised even in Mombasa County and they are also protected in Article 56 so all those should be included, thank you very much Mr. Speaker.

**Mr. Speaker** (Hon. Khatri): Thank you, yes Hon. Nzai.

**Hon. Nzai:** Ahsante sana Mheshimiwa Spika kwa kunipatia nafasi hii ilio nzuri na mwafaka kabisa na mimi kuweza kuchangia hoja hii ya Mheshimiwa Hatimy. Mimi naitwa Mheshimiwa Nzai Francis, kutoka maeneo ya Kadzandani; ambapo ndio kule tunahisi huu uchungu. Kwa kweli Mheshimiwa Hatimy ni kama ambae alikuwa anaongelea juu ya Wodi ya Kadzandani kwa sababu kule basi vijana wangu ni hoi kweli! Kazi zaja pale pale hakuna anayewatambua.

Mimi nitachangia kwa kugusia sehemu moja tu, watu wa Mombasa ama wakaaji wa Mombasa wanajulikana kwa ungwana wao, wanakaribisha kila mtu yule awaye hususan ukija masuala ya ardhi, sisi kule hupeana ardhi kwa ndugu yetu yeyote hata kama ameshukishwa leo na zile gari mpya lakini uchungu ni kwamba mtu yule unamuuzia kajiploti halafu analeta watu wa kutoka sijui wapi ndio wanakuja kujenga ile nyumba yake, kumaanisha kwamba vijana wale ambao wako pale mtaani ambao riziki ile wangeipata wanaikosa. Mtambo wa Bamburi pale Mheshimiwa Spika sehemu nyingi zimekuwa za kibinafsi hivyo basi ni wahandisi ndio wanapewa hizo kazi na njia wanayoitumia ni hii ya kubeba watu wa kule na kuwaleta hapa, hivyo basi kuachiwa lile ziwa la majunga tu pale, watu wavute majunga yao pale watumie mihadarati mengine kwa sababu zile kandarasi pale za portland hawazipati.

Hii inaletwa na ubinafsi na ukarimu wetu wa watu wa Mombasa, Hoja hii mimi naiunga mkono mia kwa mia kwa sababu nitaomba sana Bunge hili liweze kusaidiana na hiki kitengo cha biashara maana tukiwaachia wao pekee yao huenda suala hili tukawa hatutalipatia muelekeo mzuri. Hivyo basi ningeomba Waheshimiwa wenzangu muweze kuwa askari nyinyi wenyewe na kuchungulia kila mtu mwenye kuanzisha kazi yoyote pale mtaani, uhakikishe watu wako mwanzo wamepawa kipao mbele basi ile kazi ambayo itakuwa inahitaji pengine wale wanaojiita *professionals* basi ndio wapate hizo nafasi. Pengine kuwe pale mtaani hakuna huyo mwenye kufanya hiyo kazi, hivyo basi Mheshimiwa Spika ukisikia Wabunge wako mitaani huko wameenda hata changamoto na watu, tukija hapa tunatarajia *maximum cooperation* yako na useme tulikuwa tunatekeleza huu Mswada.

(Applause)

...Juzi Naivas ilifunguliwa pale na nyengine saa hii kama tulivyosikia kwa Mheshimiwa Kitula watu wanafanya kuletwa usiku usiku na mabasi nakuulizwa nyumba tu twataka nyumba za kukodisha hapa *bedisita* sijui *bedinane* tumechoka na hayo.

(Applause)

...Kwa hio nafikiri kuna haja ya dharura Mswada huu tuupitisheni hivyo basi hata kadri tunavyouchangia Mheshimiwa Spika naona muda unazidi kwenda sana maana watu wale magari yako karibu yatafika Mombasa na huenda tukachelewa mahali. Ahsanteni kwa hayo.

(Applause)

**Mr. Speaker** (Hon. Khatri): Thank you, Yes Hon. Ogutu.

**Hon. Ogutu:** Thank you Mr. Speaker for giving me this opportunity to contribute on this matter. Mr. Speaker employment remains a global phenomenon and each country has its own way of taking care of it. Mr. Speaker this will remain a better way of solving unemployment in Mombasa, Mombasa being a cosmopolitan County, the following words should be clearly defined, one: who is a native? Two Mr. Speaker, we should also look at who should qualify to be a resident because someone may be brought to Mombasa maybe in three days' time, should he qualify to be a resident? So I think before passing this Motion we should take care of those two contributions Mr. Speaker. Thank you.

**Mr. Speaker** (Hon. Khatri): Thank you, yes Hon. Milka Moraa Ngare.

**Hon. (Ms.) Ngare:** Thank you Mr. Speaker for getting my name rightful for the first time.

**Mr. Speaker** (Hon. Khatri): Thank you.

**Hon. (Ms.) Ngare:** Mr. Speaker I wish to thank the Chairman Hon. Hatimy for coming up with this Motion only that I have a worry or we should be worried of people who might misinterpret it and bring politics by saying that people or the native mean people living in Mombasa, do not mean migrates like me who migrated to Mombasa 1998.

I have lived here for all those years and I am sure many other people (??) and start saying that this only means that employment of 70 per cent should be given to people who were born within Mombasa. If we look at the examples of nominated MCAs in this Assembly you will notice that the Governor touched on almost each tribe and also on the Chief Officers that are just about to be sworn in. So I would want that before we pass or even if we pass; I know we are going to pass this Motion but we should also look on the checks and balances so that and we should also hear my plea to these Hon. Members that we should also take the right message to the people on the ground so that the right message is given to them or is passed. We might have a scenario whereby people will start asking others to pack and go home, yes I can see Hon. Nzai laughing but he knows what I am talking about.

Again we feel pity for our youth who are supposed to be in employment yet they are not; some long term solutions need to be put in consideration for example; I am in a forum in my constituency where I come from and some people were advertising for some jobs so the youth were asked to apply for the jobs but it was quiet unfortunate at the end it's only one calibre of people who were applying for those jobs, what should we need to do? I am calling upon the Chairman of Education, I don't know he is not in today, in which I am, that learning initiatives should be taken to encourage the youth and also parents within our County to take education very seriously so that our youth can also get qualifications that when job opportunities come or arise they are able to apply and also get employed just like other people. So let us not misuse the word people who were born here, it is people who are living here who have migrated and also living here so that everybody who is living within Mombasa gets a chance when it arises because I am aware that as the Chairman has put it 30 per cent of employment should be given to non-residents. With that, I do support the Motion and I am sure the Chairman of Trade and Members who are in that Committee like Hon. Thoya will look into those issues and ensure that the Motion is going to pass but then we put checks and balances to ensure that no body is victimised. Thank you, Mr. Speaker.

*(Applause)*

**Mr. Speaker** (Hon. Khatri): Thank you, Yes Hon. Ali Omar Shomari.

**Hon. Ali Shomari:** Ahsante sana Mheshimiwa Spika kwa kunipa fursa hii. Pili natoa pongezi kwa Mheshimiwa Hatimy kwa kuleta Mswada huu Bungeni, kule kwetu huwa tunasema mtu mzima ni dawa na kweli Mheshimwa Hatimy ameleta hoja ambayo inagusa roho zetu sote kama wana Kisauni.

*(Applause)*

Tatu ningependa kusesitiza Bunge hili ama kutoa mawazo yangu tungelijaribu kusesitiza Kamati fulani tatu ambazo zingeweza kufuatilizia suala hili; Kamati ya kwanza ningeoomba kamati ya Biashara ambayo ndiyo Kamati husika ipate kuungwa mkono na Kamati ya Leba vile vile na Kamati ya Utekelezaje. Hizi Kamati tatu zikishirikiana kwa uzuri nina imani hili suala la ajira litakuwa limeshughulikiwa vilivyo. Yangu ni hayo shukran, *Jazaka llahu kheir*.

**Mr. Speaker** (Hon. Khatri): Thank you, yes Hon. Leila.

**Hon. (Ms.) Nyache:** Ahsante sana Mheshimiwa Spika kwa kuweza kunipa fursa hii kwa kuweza kuchangia. Kwanza naunga mkono hoja iliyokuja na Mheshimiwa Hatimy ni hoja nzuri sana pia inawagusa wa mama. Kwa sababu gani ninasema hivyo, mimi kama mama watoto tumewasomesha wako majumbani hawana vibarua, watoto wamesoma wako mastěji wanajaza magari, wanakula unga, wameunda vikundi haramu na ikifika jioni anarudi nyumbani mtoto huyo huyo tena atarudi aje akuibie wewe kama mzazi. Kwa hio mimi kwa upande wangu nimefurahishwa sana na hii hoja maanake watoto wetu watasaidika na ikiwa tutaweza kuunda sheria ama tutafute mbinu mwafaka ambayo itaweza kusaidia hawa watoto wetu kuweza kupata ajira.

Pia ningependa kutoa stori moja ya... Mheshimiwa Spika unisamehe kidogo, haya masuala ya asilimia 70 kuna wakati mmoja hii Standard Gauge Railway (SGR) ilikuwa ikianzishwa sehemu za Changamwe kule walikuwa wamekuja kuzindua walikuja na vijana wa sarakasi wa kucheza sarakasi yaani kutumbuiza ule mkutano kutoka Nairobi na sisi hapa Mombasa tuna vijana wa kucheza sarakasi na Changamwe pia kuna vijana wazuri sana wa kuweza kucheza sarakasi.

Hivyo basi tulihuzunika sana hususan Mbunge wetu na Mbunge wetu alisimama akasema hata hii nafasi ya vijana pia angalau mungenipatia nikawapatia vijana wa kucheza sarakasi nao vijana wetu hapa Changamwe ama Mombasa wakaweza kufaidika, walikuja na vijana wao kutoka Nairobi, walikuja na vyakula vyao kutoka Nairobi hawakutaka chochote kutoka hapa Mombasa na pia hawakujulisha pia hata Mbunge wetu kuwa wanakuja, hata Gavana alikuwa hajui, alifanya kuitwa tu ile ghafla. Kwa hio ni jambo la kusikitisha sana, mimi ningependa tu tuweze kuunga mkono Waheshimiwa wote tuunge mkono hii hoja mia fil mia. Kwa sababu ni hoja nzuri sana na tukisema kuwa ni watoto wetu wa hapa hatukumaanisha eti ni watoto wazaliwa wa hapa ama vipi, tumemaanisha Mpwani ama mkaazi wa Mombasa, kabila lolote ambalo linaishi hapa Mombasa ndiye Mpwani na ndiye mkaazi wa Mombasa ambapo watoto hao wanatakikana wafaidike na kazi za hapa maanake tuna biashara nyingi sana zinafanyika, kuna kazi nyingi sana na kuna kampuni nyingi kwa hio watoto wetu wa hapa waweze kufaidika. Hivyo basi Mheshimiwa Spika mimi naunga mkono hio hoja ya Mheshimiwa Hatimy moja kwa moja na ningependa wenzangu tuweze kuipitisha mara moja iwezekanavyo manake ni hoja nzuri sana. Ahsante.

**Mr. Speaker** (Hon. Khatri): Thank you, yes Hon. Mumba.

**Hon. (Mrs.) Mumba:** Ahsante Mheshimiwa Spika pia nashukuru kwa kuniona hata kama nimekaa maana nilijaribu kusimama mara moja unajua jana nilipigwa kumbo mpaka nikalala kifudi kwa huu mpira wa pete umetuletea, lakini tunaendelea kwa hivyo tutakuwa sawa baada ya miezi miwili ama mitatu. Mimi niko hapa kwanza kumshukuru Mheshimiwa Hatimy, hakika kama mwenzangu alivyosema uzee ni busara na nafikiri ameangalia kitengo ambacho ni muhimu kinachotugusa sisi sote ambao ni wanasiasa, kitengo hichi cha ajira ndicho kinachofanya mwanasiasa anachaguliwa na kama unavyojua matarajio ni makubwa katika Kaunti ya Mombasa na sisi matarajio yetu ilikuwa kwanza ni tuingie hapa Bandari na tuweze kuajiri watoto kwa sababu walikuja wakatangaza kuwa kuna nafasi za ajira na tukiangalia saa hizi kama mimi ni kinukuu kuwa nakaa katika *estate* ya kampuni tumeingiliwa na wageni chungu nzima. Mheshimiwa Nzai akizungumza sio utani anazungumza kitu cha ukweli na haki ambacho nakizungumzia kwa sababu nimekishuhudia wageni wametuingilia ambao mtu hajui hata steni ambayo anaenda kupanda matatu hata aende Kilindini ni wapi anaomba mwenyeji ndio amuonyeshe njia. Sasa huyo ni mkaazi wa Mombasa zaidi ya miaka kumi itakuwa hajui steni kweli? Kama ungelikua mkaazi si ingelijua steni wajua? Kwa miaka kumi ni mda mrefu tumepata wageni ambao wageni hawa saa hizi wanatafutiwa majumba kwenye makampuni kwa

sababu hawajui waende wakatafute nyumba wapi, na ni jambo la kusikitisha kwa sababu ukiangalia kama pale *estate* ambapo ninapokaa kuna watoto wamesoma, kuna watoto ambao wana makaratasi ambayo wamehitimu na wanaona wageni wamekuja hata hawajui pa kwenda dukani na mtu ameajiriwa Kilindini. Ni jambo la kusikitisha si kuwa tunazungumza hapa kama viongozi ukaona kuwa ni jambo la utani, ni kitu kinatumiza kuwa tunapata wageni ndio wanakuwa wenyeji na wageni hawa sio kusema ati mpaka uwe umezaliwa hapa ukiwa umekaa zaidi ya miaka mitano au kumi wewe tayari ushachanganya Mombasa. Lakini kuna yule anaingia leo ama anaingia kwa ajili ya ile barua aliopewa kutoka huko alipotoka aje na barua kuingia nayo Kilindini.

Hio ni kitu tunasema tunakilaani kwa sababu wakati Gavana wetu tulipokuwa katika lile Bunge tuliokuwa nalo la kwanza alipozungumza katika Bunge hili lililokuwa *ferries* na *habours* ziko chini ya Kaunti kwa sababu ilikuwa tunaomba hio asilimia 30 ama 70 kivyovyote itakapo pendekezwa tuweze kuipata ili tuajiri watoto wetu wa hapa. Sasa tunaona madhara yanaanza kututokea na tukiendelea kunyamaza hivi tutadhurika na kwa sababu tunaona makampuni yamezidi mimi nikinukuu nitasema niko katika makampuni manake kwa kimombo nikinukuu nitasema ni *Industrial area* ninategemea kuwa niingie kampuni moja baada ya moja na namshukuru Mheshimiwa Hatimy ameshanipa *go ahead* maana leo huu Mswada tutaupitisha ili niweze kuwa na nguvu na mimi kuingia kampuni baada ya kampuni sitaki kuelewa lugha mpaka nione mtu wangu ambaye ni wa Mombasa Kaunti ameingia pale ndani. Tutakapo kuwa tunaenda katika hali ya kuwa tuogope ndio maana kesho tutashutumiwa ni kinukuu Waheshimiwa wenzangu Bunge hili sio kuwa wale tuliokuwa nao katika lile Bunge la kwanza kuwa walikuwa hawafanyi kazi lakini wengi waliumia kwa sababu walipofika mashinani mtu alikuwa anaulizwa umeajiri wangapi, uliajiri wangapi?

Kwa hio Wabunge wenzenu waliokuwa hapa katika Bunge la kwanza ambao wengi hawako hapa wengi walitenda na wengi walifanya majukumu yao hapa ndani ya hili Bunge lakini kilicho wachoma ni je umeajiri wangapi? Ndiposa Mheshimiwa Hatimy kwa sababu alikuwa katika Bunge lile anaelewa kwa sababu mashtaka yalikuwa yanafika katika meza yake na anajua na akaweza kufanya utafiti wake na akajua sababu ni nini. Leo hii ametupa nguvu, nguvu hii ikiwa leo tutaipitisha itatuwezesha hata sisi kupona maana ukiwa utakuwa hata kama ni watu watano ama watu wanne ikiwa wewe ni Mbunge umeteuliwa itakuwa umetengeneza jina katika Wodi yako lakini ukiwa utajenga barabara, utaweka taa, utalipia watu matanga, utafanya sijui mambo gani hayo yote utayafanya ndugu yangu lakini ikiwa hutaajiri utaenda nyumbani asubuhi. Hio ndio kasumba ilioko katika wananchi na sisi hatutaki kwenda ndio maana Mheshimiwa Hatimy ndio amelea hii hoja ili tuweze kujitetea huko mbele. Sasa tushatafuniwa bado sisi wenyewe tumeze na ikiwa utameza na utake vikukwame haukujua vitatoka hapo utapasoma paa hio ni ukweli wa mambo na ni lazima tuambiane ukweli hata kama ukweli wauma huwa ni lazima tuambiane ukweli tunataka kutafutia watoto wetu wa Kaunti ya Mombasa ajira na ajira lazima tuitafute kwa njia yoyote kwa sababu ajira ya kwanza ni wewe mwanasiasa unajua kitengo cha vijana waliokuunga mkono, kina mama waliokuunga mkono, wazee ambao ni watu wakakamavu na bado wakakuunga mkono katika umri wa kufanya kazi waliokuunga mkono sio kusema ati mpaka tujue kuwa alizaliwa hapa ama si kuzaliwa hapa, kama hukuniunga mkono hata mimi kwangu sikupi kazi ukiniunga mkono na mimi nitasimama na wewe.

Hivyo basi Mheshimiwa Spika tuko hapa jambo hili limetulenga kimaendeleo kusaidia watu wetu wa Kaunti ya Mombasa na jambo hili pia litatujenga kisiasa kwa sababu wengine tunahitaji kurudi katika hili Jumba na kama kuna kitengo kitakacho tuwezesha cha kwanza kurudi katika hili Jumba baada ya miaka mitano ujue ni ajira utakayo toa katika Wodi yako.

Nashukuru Mheshimiwa Spika tumeletewa hoja nzuri na tutaipitisha na Mheshimiwa Hatimy pia tunamshukuru lakini sisi Wabunge pia tujaribu kuona tutatekeleza hili jambo vipi mpaka lifaulu. Ahsante Mheshimiwa Spika.

*(Applause)*

**Mr. Speaker** (Hon. Khatri): Thank you, yes Hon. Osongo Mary.

**Hon. (Ms.) Osongo:** Thank you Mr. Speaker, am so much thankful for the Motion of today that has been raised because you get so many of our youths are unemployed, it's just because you get somebody from another County is being employed and our youth that are within the County of Mombasa are not getting the jobs. So that's why Mombasa we are being told that in our County we have so many youths that are getting involved in crime but if we can support this Motion so that our youths can get jobs am sure they will appreciate because the most important thing is getting your daily bread and if they can get a way of getting their daily bread through this because we have so many industries, we have so many businesses which are created in the County. At times even if you go to Bamburi Portland you are a Mombasa resident and if you ask for a job you are qualified with your documents but you will be informed that people are being taken from Nairobi, that the employment is being done through Nairobi County which is so embarrassing. It is very sad to hear that because those people are being brought and paid well but our youths are not getting the jobs and then the issue of the residents of those who are born or not born here within the County, this issue we should not discuss about it, if we can make it through this Motion let us propose that those who should get employed should use their voting cards that is what I think will help us most because we are politicians and how will we know that this person was supporting me, is qualified to get that job, It is through checking the voting card.

So I think we should use that because you will get somebody was born in Kisumu or Kakamega but the voting cards are from Mombasa so I think that is the most important that we should look into, we check the identity cards and if they are for Mombasa then we use it to employ our youth because somebody can come within three days or one week you will say that is a resident for Mombasa but if you ask him can I look at your voting card then the person will fail so those who are there for ten or five years ago can get that opportunity.

Mr. Speaker then the other point I will raise is any development in our Ward, we are talking about the industries and businesses there is something called development in our Wards, this thing we should check it and take it into consideration so that if any development is being done in the Ward the people of that Ward; the youths of that Ward are the ones to be employed first so that our people this issue of stealing etc they will also say that this is our property we should not waste it so I think with that I support the Motion and am very thankful for it. Thank you.

**Mr. Speaker** (Hon. Khatri): Thank you, yes Hon. Mwaka.

**Hon. (Ms.) Mwaka Bakari:** Ahsante sana Mheshimiwa Spika hata ilikuwa nimejisahau kidogo, akili ilikuwa imeenda kwengine lakini ulikuwa umeniona niko na matatizo kidogo...

*(Laughter and applause)*

...Lakini niko na nyinyi pamoja. Hoja hii ya Mheshimiwa Hatimy naiunga mkono mia kwa mia kwa sababu wenzangu wametangulia wakisema palipo na mzee hapaharibiki jambo, jambo hili Mzee Hatimy kama *senior* wa Bunge hili, hoja hii tutaipitisha moja kwa moja kwa sababu inamgusa kila kiongozi hapa. Nataka kusema hivi, kwa kweli kila mmoja au sisi ambao tumechaguliwa huku mashinani lengo na madhumuni sana sana huwa wanalenga kwamba tuwasaidie na kazi. Tulipochaguliwa tu mimi hapa kwangu kuna *file* nafikiri yafurika kila mmoja amelea maombi yake anataka kazi lakini kulenga kwao hususan huwa wanalenga pekee wengine bado wana msemu wa Manispaa wengine Mombasa Kaunti.

Kwa hio huwa wanalenga tu mahali pamoja lakini hoja hii leo tutaitilia mkazo kupitia zile kampuni zingine ili iweze kutusaidia Kaunti ya Mombasa isiwe ni Kaunti ya Mombasa pekee ambayo itaweza kuandika wafanyikazi na pia hoja hii pia itatuinua sisi viongozi kupitia Gavana wetu, Wabunge wetu na hata sisi MCAs pindi tutakuwa kwamba mitaani tutakuwa tumepunguza vijana na kuwapa ajira. Kwangu haswa Timbwani nafikiri hata maredio munayasikia kwangu ndio kumeoza kabisa, vijana wote wakali kwanza, watoto wa bibi, chaka to chaka wote wako huko Timbwani saa hii. Sisi mara kwa mara hata kesho tuna baraza pia na County Commissioner kwa ajili ya shida hizo za vijana na vijana hao pia inachangia kwa upande wa ajira kwa sababu bila ajira kukaa *idle* mahali pamoja hapati ajira yoyote hiyo pia inachangia.

Hivyo basi naunga mkono sana hoja hii na pia inavyosemekana hapa dada amesema kwamba tuangalie wakaazi wa Mombasa; wakaazi wa Mombasa kweli kama sisi chakula chetu ni siasa chakula chetu ni kura na nikisema naangalia kitambulisho mimi changu pekee changu kimeandikwa Kwale, wazazi wangu watoka Kwale. Hivyo basi vitambulisho tutaviweka kando tuangalie chakula chetu kilikuwa ni kura ambazo zilipitisha viongozi na ndio leo tuko hapa tutaitilia mkazo kuangalia kura zetu ambazo kwamba zilitutetea ama zilitupigania katika uongozi huu wetu wa Mombasa, kwa hilo tutaitilia mkazo kwa upande huo. Nataka kusema mvutia ngozi huvutia kwake na mcheza kwao hutunzwa, kwa kweli asilimia ambayo itaweza kupatiwa ajira asilimia 70 iwe ni wa hapa sio kuwa kama tunasema tunajitenga lakini kwa kusema ya ukweli mcheza kwao hutunzwa hata pale nyumbani mtoto mtumishi yule ndio huwa unampenda, mtoto yule ambaye anacheza karibu na wazazi wake ndio ambaye hufaidi yule mtoto ambaye anacheza kando na mzazi wake huwa hatofaidi. Kwa hio sisi tunasema wale ambao wamepatiwa kipao mbele ni wale ambao wako karibu na mama ambao kwamba ni wenyewe wa Mombasa Kaunti halafu pia wale wale ambao wako pale pale Mombasa Kaunti ambao ni jamii nyingine ambayo tuko nayo pia ni wenzetu na tutawapatia nafasi hizo. Ahsante.

**Mr. Speaker** (Hon. Khatri): Thank you, yes Hon. Rosemary Mueni Mukavi?

**Hon. (Ms.) Mukavi:** Thank you Mr. Speaker for giving me a chance to contribute to the Motion brought forward by Hon. Mohamed Hatimy. Mr. Speaker I won't say much on this because it has been said but this Motion I believe it should be passed as soon as possible because it looks like everybody was waiting for it. Thank you, Mr. Speaker.

**Mr. Speaker** (Hon. Khatri): Thank you, yes Hon. Salim?

**Hon. Kalume:** Ahsante sana Mheshimiwa Spika kwa kunipatia nafasi hii ili kuweza kuchangia. Kwanza ningependa kumpongeza Mheshimiwa Hatimy, ningependa kumpatia kongole nyingi kwa kuleta Mswada kama huu, kwa kweli sisi wakaazi wa Mombasa tumekuwa na changamoto kubwa sana haswa upande wa ajira kwa vijana wetu, kwa hio hii imekuwa ni shida kwetu sisi kama wazazi na vijana wetu kwa jumla. Makampuni mengi ambayo yako hapa Mombasa ukiangalia yameajiri kinyume, watu wa kutoka nje ndio asilimia 70 watu wa hapa wamekuwa ni asilimia 30. Kwa hio Mswada huu kusema kweli utatusaidia sana tena sana na ikiangaliwa haswa changamoto nyingi katika Mombasa na katika Pwani kwa jumla ambazo zimetoka upande wa viongozi, nafikiri kuna vyama tofauti tofauti ambavyo vimechipuka hata juu viongozi wetu walikuja pamoja wakitaka kujitenga na hii yote ni kwa sababu ya shida kama hizi ambazo tumekuwa tukiziona katika Kaunti ya Mombasa, utakuta mtu anatoka katika sehemu za juu kule na begi lake hajui hata anaenda wapi, anakuuliza Docks iko wapi, ama anakuuliza KPA iko wapi? Haya ni mambo ambayo tumeyaona na mtu yule ukiangalia ameshikilia barua ya kuandikwa kazi mkononi; kumaanisha kwamba ameshaajiriwa kazi kutoka Nairobi ikiwa hapa katika Mombasa tuko na vijana wetu ambao wako mitaani, vijana wetu ambao wanakula unga, kule mitaani na wamesoma, wana tajriba tofauti tofauti lakini kupata kazi, kupata nafasi katika makampuni yetu yalioko Mombasa inakuwa ni ngumu.

Mimi mwenyewe nishawahi kwenda kuuliza katika Kampuni nyingi sana hata pale sehemu ya kwangu Ziwa la Ng'ombe kuna Supermarket moja inaitwa Naivas kuna wakati nilikwenda nikaulizia kazi pale kwa vijana na wakaniambia ya kwamba watu hapa wanaajiriwa kutoka Nairobi. Sasa tuangalieni sisi kama viongozi, wawekezaji watakuja wawekeze, raslimali zao hapa, wajenge kampuni zao katika Mombasa lakini sisi kama wana Mombasa hatufaidiki na raslimali zile. Kwa kusema ukweli hapo itakuwa ni makosa na mimi naunga mkono Mswada huu utekelezwe na pia ningelipenda kutoa maoni Bwana Spika tuwe na kitengo maalum ambacho kitakuwa kinapitia katika kampuni zote za Mombasa.

(Applause)

...Wakihakikisha kwamba hizi sheria zinafuatwa na watu wanaoajiriwa katika kampuni zile kutoka Mombasa ni asilimia 70, kwa hayo machache nasema ahsante.

**Mr. Speaker** (Hon. Khatri): Thank you Hon. Members I think soon I will be seeing myself here because I have been seeing everyone is leaving so anyway Hon. Members I now call the mover which is Hon. Hatimy to reply to the Motion.

**Hon. Mohamed Hatimy:** Ahsante sana Mheshimiwa Spika. Mheshimiwa Spika mwanzo nachukua fursa hii kupongeza Wanachama kwa kuweka ile ahadi yao kwa wale watu walio wachagua kusema wakija ndani ya Nyumba hii watafanya vile watakavyofanya kuhakikisha kuwa watu wetu wameandikwa kazi. Kwa hilo jambo la kwanza hilo mimi ninawapongeza wameona umuhimu wa huu Mjadala umuhimu wake uko wapi. Pengine Mheshimiwa Spika nataka kusema jambo la kusema kuwa Katiba yetu inasema Article 3 *Every person has an obligation to respect, uphold and defend this Constitution*. Sisi twapelekwa na Katiba na ni wajibu wetu sisi Mheshimiwa Spika kuhakikisha kuwa hii Katiba tunaiheshimu na tunakwenda nayo vile inavyotakikana. Nataka kuwaambia wenzangu Mheshimiwa Spika juzi sisi tulitia sahihi ile *leadership and Integrity* ukiangalia section 75 chini ya *leadership and integrity* iko wazi, sisi ni *state officers* na tunaambiwa kuwa linapokuja jambo lolote kwa Bunge na mtu awe na *personal interest* na jambo ambalo liko ndani ya Nyumba hii kwa hio ile *interest* yako ni lazima kwanza uiweke kando ufuatilie ile sheria vile inavyosema Mheshimiwa Spika.

Mheshimiwa Spika mimi ninaweza kusema katika Nyumba hii Gavana wetu ni mtu mmoja ambae jambo hili linamsumbua sana, ana watu ambao wamejiandikisha ndani ya Kaunti hii 580,000 na kila akikaa *whether* mtu amempigia kura wala hakumpigia kura mtu akienda kwake ni kazi, anaomba kazi. Kwa hio Katiba iko wazi Mheshimiwa Spika ya kusema kuwa nafikiri Article 176 hii Kaunti imegawanywa vipande viwili, imegawanywa kwa Bunge na imegawanywa kwa *Executive* na majukumu ya Bunge ni sisi kutengeneza sheria halafu tupeleke kwa *Executive*, *Executive* watekeleze ile sheria, sasa ikiwa Gavana anangoja sisi tumfanyie vitu na vile vitu havipati itakuwa sisi ndio wenye kujilaumu si sisi kumlaumu yule Gavana.

(Applause)

Kwa hio Mheshimiwa Spika ni wajibu wetu sisi tusimame kwa kauli moja tukubaliane kuwa jambo kama hili sisi sote ni wamoja uwe ni kutoka wapi na kutoka wapi na kutoka wapi, kusema Mombasa ni yule mtu anakaa Mombasa haijalishi umezaliwa wapi, kuna watu wamezaliwa nje ya Mombasa lakini wamekuja kuishi Mombasa. Kwa hio yule mtu amekuwa ni Mu Mombasa. Naomba Nyumba hii vile tumeweza kukubaliana kupitisha hoja hii tushikane jambo hili tulifuatie kwa nguvu na isitoshe namshukuru rafiki yangu, ndugu yangu Mheshimiwa Nyiro vile alivyosema nimejaribu kuandika kwa Ward Administrators kuwaomba twataka kupata twakwimu kwa kila Wodi tujue kuna watoto wangapi? Wale watoto wamesoma wamefikia wapi, ili tuweze kuwa nayo halafu tuanze kufuata yale maneno ulioyasema na pia nyinyi kama mtaweza kuwa Mungu akipenda maofisi yenu yakianza muwe na takwimu, mujue kuna watoto wangapi ndani ya Wodi zenu, wamesomea nini, na vipi tutaweza kuwasaidia.

Jambo hili ni la kushirikiana, ni lazima sote sisi tusaaidiane ili tupate kufaulu na kuweza kuwasaidia watu wetu wa Mombasa na wao wapate fungu lao la Kaunti ya Mombasa. Kwa hayo machache Mheshimiwa Spika nawashukuru tena Wanachama kwa kuweza kuunga mkono Hoja hii na kusema kuwa tusingimame hapa huu ndio mwanzo tutakuja na Hoja ambazo yale nyinyi mumeahidi kwa wale watu wenu waliowasaidia kuhakikisha kuwa mikono yenu haikufungwa kama wale waliotoka hapa wasema mikono yao ilikuwa imefungwa. Mtu amekaa ndani ya Nyumba miezi sita, saba, miezi minane hata siku moja hakuweza kusimama akaweza kuchangia hata jambo moja, hivyo basi sisi tuchangamke tuifanyeni kazi wale kule nje watuone.

*(Applause)*

...Kama tumefanya kazi na Mungu siku zote hayuko kwenye *broken house* ikiwa tumeshikana pamoja tutafaulu na mimi naamini kuwa nyote nimewaona kuwa najua kuwa mtatekeleza ahadi kwa watu wa Mombasa na kwa uwezo wa Mwenyezi Mungu tutafaulu. Ahsante Mheshimiwa Spika.

*(Applause)*

**Mr. Speaker** (Hon. Khatri): Thank you Hon. Hatimy. Hon. Members I now put the question that this House adopt the Motion on Enforcement of 30 per cent on employment with amendments 3 and 4 within the County.

*(Question put and agreed to)*

*(Applause)*

...Yes Clerk?
