

COUNTY ASSEMBLY OF MOMBASA

OFFICIAL REPORT

Wednesday, 17th July, 2019
The House met at 10:20 a.m.

(The Speaker (Hon. Aharub Khatri) in the Chair)

PRAYERS

The Speaker (Hon. Khatri): Hon. Members let us be seated. Yes Clerk?

MOTION

MAINTENANCE OF SEWER LINES BY YOUTH WITHIN THE ESTATE

Yes Hon. Samba? Please move the Motion.

Hon. Samba: Thank you Hon. Speaker. Hon. Speaker I wish to move the following Motion on maintenance of sewer lines by youth within the estate.

(Hon. Samba moved the Motion)

THAT AWARE, the National Empowerment Authority Act, 2016 provides a legal framework for the state to take affirmative measures to ensure youth and marginalized groups access employment and economic empowerment;

FURTHER AWARE, that Section 3 (c) of the Act provides a framework to facilitate increased employment of Kenyans in both National and County governments;

CONCERNED THAT, despite the bulging youth population, job opportunities are scarce and lack of jobs to the youth has led to increase in crimes within the estates;

COGNIZANT THAT, there are jobs within the County such as maintenance of sewer lines which can be performed by the youth to reduce unemployment amongst them;

I therefore urge this Assembly to RESOLVE that:

The County government to provide employment to the youth within the Wards by employing them to take part in the maintenance of sewer lines, unblocking and cleaning drainage systems within residential areas.

I request Hon. Mgwisho to second.

(Hon. Hamad Mgwisho seconded by nodding)

The Speaker (Hon. Khatri): Thank you Hon. Members. I now propose the question that the Motion by Hon. Tobias Samba on Maintenance of sewer lines by youth within the estates be considered by the House in the same terms as moved.

(Question proposed and agreed to)

Yes Hon. Samba?

Hon. Samba: Yes Hon. Speaker, thank you very much once again. Mr. Speaker we are politicians and whenever we are looking for votes, we keep promising citizens of job creation and it is quite unfortunate or rather it has been a fallacy that whenever we are campaigning we promise for job creation and then at the end of it we end up not creating even an employment to even a single youth.

Hon. Speaker and that will come to haunt us sometimes; when you go to the estates, when you take the walk around the estate you will find that some of the blocked sewer lines which maybe supposed if we could be having groups that are already there just to do the services and daily routine checkups there are some of issues which will not arise that are hazardous to health.

We are aware that the County government also has a Department that should deal with that effectively but it is quite unfortunate... like for my case i have got instances whereby we have reported the blocked sewer lines and unhealthy environment that has been caused and sometime back I took even some of the Members to my Ward to go and witness. Am not advocating for my Ward Hon. Speaker but for the whole County; if you go around the Wards you will find that our sewer lines are not up to date they are the systems which were there since colonial times and due to the increase of population I think they need a routine service and maintenance and it is in that regard that I would request that instead of us waiting for bureaucracy and the long process that maybe required that you go through procurement process and there are some of the cases that always appear to be urgent and of an emergency nature. It is that effect that I request this House to adopt this Motion that we give the youth within the estates to maintain the sewer lines Hon. Speaker.

Hon. Speaker we know that the government cannot provide jobs for all of us because the country grows, it is the country that is full of entrepreneurs but the little that we can do we cannot stop from doing I pray that and I request that those youth who are in our estates and in our villages to be considered first. Through that at least we will be keeping our youth busy and at the same time they will be having something in their pockets, I now request the House to support this Motion so that it may be adopted as it is Hon. Speaker.

The Speaker (Hon. Khatri): Thank you Hon. Tobias Samba. Yes Hon. Murfad?

Hon. Murfad Amur: Thank you Mr. Speaker. Mr. Speaker I stand to support the Motion; It is just recently the Chairman Council of Governors His Excellency Oparanya did the same from each Ward from the Constituencies where he is the Governor of that County he employed 50 from each Ward and in fact they graduated recently I think it was Monday or Tuesday last week they graduated about 5000 youth and were employed so as to help in the Wards. So Mr. Speaker what my brother Samba has just brought in we can even turn it in other language *kazi mtaani* with the small fund that we get *kazi kwa vijana* can be changed to *kazi mitaani*...

(Applause)

And if we employ 50 youth from each Ward to maintain that particular Ward Mr. Speaker more and more things will better than being maintained by people who are taken as casuals and they do not come from that estate, they come from a different Department, they are sent there to work and do not disappear sometime so they can be monitoring those youth from the same Wards so that we can know exactly when there are floods these youth will be used, when there is anything within that Ward it will be easier for us to get those youth. I know the Department is under staffed Mr. Speaker, the Sewer and the Storm water Department is under staffed and we know the burden that the County has but if His Excellency Oparanya could do it why not us 001 Mombasa Mr. Speaker! Thank you Mr. Speaker.

(Applause)

The Speaker (Hon. Khatri): Thank you very much Hon. Amur. Yes Hon. Hamida?

Hon. Noor: Thank you Mr. Speaker. I do support the Motion, as my just fellow Members have just uttered that we should have our youth from the same estate to do the sewer problems because they are the ones who are aware of it and we are going to create jobs there. I do urge like now when the rains have started we will be having these problems as the Department of water and sewerage the staff are not there we give our young youth the opportunity to do these jobs. I think our Mombasa is going to shine, it will have too many tourists coming in because we will not be having the floods every time we see in the TV. I do support the Motion. Thank you Mr. Speaker Sir.

The Speaker (Hon. Khatri): Thank you. Yes Hon. Everylne Osongo?

Hon. Onsongo: Thank you Mr. Speaker for the opportunity you have given me today. I appreciate I do support the Motion in that instead of the estate the Hon. Member could have written the Wards because there are some Wards which do not have the estate.

Mr. Speaker it was just a request because it will be just concentrating on the estates but not all the Wards, so me I support the Motion in that there are so many young people that do not have jobs and if the Motion will be passed I think they will be happy.

The Speaker (Hon. Khatri): Hon. Mwamwiri?

Hon. Athman Mwamwiri: I wish to inform the Member on the floor that estate simply means village or a formal residence of a given place so the Member was right using the word estate because it is more devolved than the words unit.

The Speaker (Hon. Khatri): Yes Hon. Everlyne Onsongo?

Hon. Onsongo: I think I will check my dictionary or he can also check his dictionary then...

(Laughter and Applause)

Just look at the dictionary and then you can define for us what the estate is?

The Speaker (Hon. Khatri): Yes you can continue Hon. Osongo.

Hon. Onsongo: I think am through, I support the Motion.

The Speaker (Hon. Khatri): Thank you Hon. Onsongo. Yes Hon. Nyiro?

Hon. Nyiro: Ahsante Mheshimiwa Spika. Kwanza nataka nimpongeze Mheshimiwa Samba kwa kuleta hoja hii muhimu; pili niweze kuwekeza mawazo yangu katika kuunga mkono hoja hii ama Mswada huu. Kwanza kuna mambo mengi ambayo yanahitaji utendakazi mashinani ikiwemo usimamizi wa mitaro kama alivyonukuu na wakati wa nyuma tulikuwa tunajadili jinsi tunavyoweza kusaidia vijana tukiweza kusaidia kitengo kile cha mazingira ku *maintain* mazingira, pia kule mashinani na pia kuna majanga ambayo tumeyashuhudia wiki za nyuma kama vile yalikuwa Mikindani na kwangu Bamburi majanga ya moto na majanga mengine ya mafuriko. Ni vizuri tuwe na vijana kama vile Mheshimiwa Amur ameweza kueleza kwamba Gavana Oparanya alikuwa na makundi rasmi kutoka kila Wodi na wakafanya mafunzo ili waweze kusimamia ile mipango ya msingi mashinani.

Nafikiri tukiomba katika hali hiyo ni kwamba kuna hitaji hivi sasa kwa sababu vitengo vyetu vya Kaunti ya Mombasa havina wafanyi kazi wa kutosha, mbali na hivyo mara nyingi kunatokea uzembe na pengine ukosefu wa vifaa huenda ukafikisha wafanyi kazi mashinani wakati kunahitajika na ukiangalia kila kitengo katika Kaunti ya Mombasa hakuna magari ya kusafirisha *manpower* ama wafanyi kazi kwenda mashinani. Kwa hio ni vizuri tuwe na kundi maalum ambalo limetambulika na liko kule kule mashinani ambalo litaweza kujumuikia mambo yote ya dharura ambayo yametokea na mara nyingi tukileta Hoja kama hizi wataalam wa fedha husema kwamba hakuna pesa lakini ifahamike kwamba asilimia 100 ya bajeti yetu huwa inaenda kusimamia majanga na mara nyingi tunavyoambiwa ile pesa huwa ni zaidi ya milioni 100 na pesa hii mara nyingi imekuwa hata ikihitajika haipatikani.

Kwa hivyo kama kutakuwa na vikundi rasmi kule chini mashinani ambavyo vitakuwa vinaweza kusimamia hali kama hizi, kusimamia mitaro yetu kwa sababu hivi sasa kumenyesha Mheshimiwa Spika ukitoka tu nje kila barabara imejaa maji na maji haya ndio yale ambayo yanafurika kwenye mitaro ya maji taka na halafu yanafurika yanaingia kwenye majumba ya watu. Ni vizuri kama tungekuwa na vijana ambao wataweza kusimamia mambo kama haya, na iwe ni mfumo rasmi ambao tumewambata ili ifahamike kwamba kila Wodi iko na watu ambao watasimamia mambo ambayo ni ya siku kwa siku katika mashinani.

Kwa hivyo nataka nimuunge mkono Mheshimiwa Samba, ikiwezekana tunaweza kuomba ule mfumo wa Mheshimiwa Oparanya ili tuwe na vikundi rasmi ambavyo vitakuwa vinahusika na mambo ya mazingira, ya taka na pia kusimamia wakati majanga ya dharura wakati yametokea mitaani. Mheshimiwa Spika naomba kuunga mkono, ahsante.

The Speaker (Hon. Khatri): Thank you Hon. Nyiro. Yes, Hon. Renson Juma?

Hon. Thoya: Thank you Mr. Speaker. It is one of the Motion that is not just to be supported but I want to support it and see that it requires immediate implementation not just supporting it because most of the youth that we have are now desperate as far as employment is concerned.

The culture and tradition in the County government of Mombasa has been an issue of contractors; big companies being given tenders and most of our youths do not have money to form registered companies, do not have the necessary knowhow's. So it is high time that the big companies and the contractors be given the technical jobs but those jobs that are within the locality of the villages they be given our youth because again they cannot compete for tenders because they do not meet the necessary requirements.

As Tobias Samba has articulated very clear it was tested the previous long range there were some youths that were deployed and paid minimal money of five hundred per day, it is doable and it is started, the only thing is we want to keep the Motion on so that the youth in Mikindani, Jomvu, Miritini and whatsoever can enjoy whatsoever is within their localities.

We have seen these companies that were formed; the so called 'company youths' you see youths in Mikindani just idle, you see people from another Ward coming to your own area, it is not acceptable. We want these youths within if they are in Likoni they get those job opportunities directly and we should not expose to what we call like companies, contractors whatsoever, it is just a tender, youth volunteer they get money in the evening. Thank you.

The Speaker (Hon. Khatri): Thank you Hon. Member. Yes Hon. Mwaka Bakari Mwalundonda?

Hon. Mwaka Bakari: Ahsante sana. Napenda kuunga mkono hoja hii iliyoletwa na Mheshimiwa Samba wa Wodi ya Tudor ambayo kwamba Hoja hii ni nzuri sana ama italeti natija kwa sababu vijana kweli wako mitaani na ni vijana ambao wako na ujuzi wakuweza kusaidia jamii na kuweza pia kuwaungia makundi ambao kwamba kuwaletea kazi kwa vijana. Utaona kwamba kama Likoni kuna vijana ambao wanafanya kazi ya *diver*, ambao wame *create* tu kazi zao wenyewe kuweza kusaidia jamii ambao kwamba kuna fuo za bahari kule wanaweza kusaidia jamii wakati wa siku za mapumziko, ambao ni kujitolea tu.

Kuna vijana ambao pia kunapotokea hatari za moto vijana vile vile hujitolea kuweza kuokoa janga lile na baada ya pale wale vijana waregea tu mtaani ndiposa naunga Hoja mkono iweze kupita Hoja hii ili iweze kutusaidia pia sisi viongozi kule mashinani kwa ajili ya kwamba hakuna kazi kwa vijana lakini sisi kama Mombasa Kaunti tukiipitisha Hoja hii tutaweza nasi kuboresha vijana waweze kupata ajira ndogo ndogo. Ahsante Mheshimiwa Spika.

The Speaker (Hon. Khatri): Thank you Hon. Member. Yes Hon. Mughazo Nyache?

Hon. Nyache: Ahsante sana Mheshimiwa Spika kwa kunipa nafasi hii ya kuweza kuchangia. Mimi pia naunga mkono Hoja iliyokuja na Mheshimiwa Samba ni hoja nzuri sana.

Kupitia vijana wetu na pia nataka niseme shida ya kazi sana iko kwa vijana kwa hivyo hiyo ni moja wapo ya kuinua vijana kimaisha na pia kikazi, kwa hivyo pia mimi naunga mkono vijana wetu waweze kupata kazi kama hiyo ya kurekebisha hizo *sewage* na pia itaweza kuleta natija katika Kaunti yetu ya Mombasa. Pia ningependa kuwaeleza Wabunge wenzangu hapa ndani waweze kuunga Hoja hiyo ni muhimu sana kwa sababu hizi *sewage* zetu zinafurika kila mara na zikipata vijana kama hivyo itakuwa vizuri sana waweze kuzirekebisha. Nimeunga mkono pia mimi Mheshimiwa Spika.

The Speaker (Hon. Khatri): Thank you. Yes, Hon. Rama Mwamwiri?

Hon. Athman Mwamwiri: Ahsante Mheshimiwa Spika na ahsante zaidi kwa kumbukumbu la jina la mzazi wangu; mara nyingi imekuwa utamaduni wa majina mawili, la kifamilia na la kuzaliwa. Mheshimiwa Spika nimesimama kuunga mkono Hoja ya Mheshimiwa wa Tudor, Hoja hii ni Hoja bayana na viko vigezo tekelezi ambavyo kwamba Mheshimiwa Spika haya yangukuwa yako sambamba na tumepiga hatua.

Mheshimiwa Spika kwa mujibu wa kanuni za manunuzi 2015, serikali ilipeana mwelekeo ya kwamba katika maswala yote ya manunuzi vijana, kina mama na walemavu lazima wapatiwe asilimia 30, hali kadhalika kanuni hii ilipeana nguvu kwa idara ya fedha kuweza kutengeneza kanuni ama *policies* ambazo zitawezesha kutekeleza majukumu huku mashinani, moja wapo Mheshimiwa Spika idara ina uwezo wa kutengeza kanuni ambazo vijana hawa pasi ya kutokuwa na kampuni, bado wanayo fursa ya kuhusika na kupata zabuni za kule mashinani kutekeleza majukumu bayana ambayo iko haja kutekelezwa kwa wakati unaofaa.

Mheshimiwa Spika hali kadhalika katika kanuni za ubia ya serikali na watu binafsi ama *Public and Private Partnership* imepeana nafasi na nguvu ya kwamba serikali iwe na utamaduni ama mienendo kuweza kuingiliana na vikundi ama watu binafsi katika utekelezaji wa majukumu. Kwa hili Mheshimiwa Spika serikali yetu Gatuzi inayo fursa na nafasi ya kutambua vijana mashinani ima kwa kupitia vikundi au wakiwa katika hali ya kibinafsi kuwahusisha na kuwezesha kama njia moja wapo kuwapatia ajira kutekeleza kazi nyenzo kule mashinani ili kuona wao wananufaika na maswala ya ajira, hali kadhalika huduma kabambe inapatikana katika serikali ugatuzi.

Mheshimiwa Spika, vijana ni nguzo muhimu katika taifa na hali inavyokwenda kwa ukosefu wa ajira imepelekea kupoteza nguvu zake kwa sababu imewalazimu kujihusisha na yale yasioyahiki ikiwemo utumizi wa mihadarati katika umri mdogo kwa kutokuwa na uwajibikaji na majukumu tekelezi. Hiyo ni kama moja wapo ya wao kupunguza msongamano wa mawazo, ambao sisi tukiwa watunzi sharia tuna kila sababu kuja na mbinu mwafaka zitakazoweza kusaidia kuokoa jamii hii; kwa sababu vijana wa leo ndio nguzo ya taifa na ndio viongozi wa kesho. Mheshimiwa Spika tukiwa Bunge la vijana japo tunatambua uwepo wa wazee wetu na nina imani kwa sababu ya amri karibuni wataamua tu kuwaachia vijana wengine pia wapate fursa ili haya yanayostahiki na yanahusu vijana yaweze kuwa na nguvu na kuweza kutekelezwa bara bara. Ahsante Mheshimiwa Spika.

The Speaker (Hon. Khatri): Thank you. Yes Hon. Juma Charles?

The Chief Whip (Hon. Kitula): Ahsante Mheshimiwa Spika. Kulingana na Hoja iliyoingia Bungeni leo kwanza ningependa kuunga mkono lakini vile vile mbali na kuunga mkono ningeweza pia kuweka maoni yangu kuhusiana na Hoja hii.

Kwanza Hoja hii Mheshimiwa Spika inahitaji uhusiano wa Kamati kama nne ili kuweza kuwakilisha; kama Hoja hii imekamiliwa kwa upande wa utekelezaji Kamati ya kwanza ni Utekelezaji inaongozwa na Mheshimiwa ambaye Naibu wake yuko hapa Mheshimiwa Rama na vile vile na Mheshimiwa Mwenyekiti Kalume na Kamati ya pili ambayo inahusika na hoja hii ni Kamati ya Vijana ambaye Mwenyekiti ndio ameleta hoja hii.

Idara ya tatu ambayo Kamati yake ni Ugatuzi inahusiana na Mheshimiwa Thoya na vile vile Kamati ya mwisho ambaye ni Mhusika mkuu ni Kamati ya Fedha Mheshimiwa Mwenyekiti ambayo kwangu mimi hapo ndio kuna changamoto kwa sababu vijana wetu wanahitaji kulipwa pesa zao, maana ilikuwa mfano wa mazingira hii Kamati inayoongozwa na Mheshimiwa Shebe, kwamba ilikuwa hatari yake mashinani kuweza kufukuzwa katika eneo lake kwa sababu ya kutolipwa kwa wafanyi kazi ambao walifanya kazi fulani katika eneo lake ilikuwa idara husika ambayo anaongeza yeye kama Mwenyekiti.

Kwa hivyo Kamati hizi zikiweza kushirikiana kutakuwa sawa kwa sababu kama vijana wetu watapata kazi, kwa ushirikiano wa Kamati hizi tatu, mwisho kabisa itaishia upande wa Kamati ya Fedha kuhakikisha kwamba wataweza kulipa pesa zao. Sasa ile itavunja moyo vijana wetu na tungependa ushirikiano mkuu baina ya Kamati hizi ziweze kukaa chini kuhakikisha kwamba kwanzia mwanzo hadi mwisho ili kazi hizi zizidi kuendelea kwa vijana wetu kuwahudumia kama inavyopaswa.

Kwa hayo machache Mheshimiwa Mwenyekiti ningeweza kuingiza katika kumbukumbu za Bunge hili ya kwamba tunashirikiana kwa Kamati hizi nne ili kuhakikisha kwamba vijana wetu wanafikiwa kama Hoja inavyoangaziwa. Ahsante sana.

The Speaker (Hon. Khatri): Thank you. Yes Hon. Mwalimu?

The Deputy Speaker (Hon. Mwalimu): Ahsante sana Mheshimiwa Spika pia kwa kutambua jina la mzazi wangu ambaye ni Mwalimu Makarani, lau angeitwa Mheshimiwa Mgwisho basi ingekuwa ni mzazi wake ametambulika. Mheshimiwa Spika mimi nimeingia ndani ya Bunge hili na nimeshangaa Waheshimiwa wenzangu wakiunga mkono Hoja hii, hii ni hujuma na dharau kwa vijana wetu kuwapatia ati kazi ya kufukua choo cha mavi...

(Applause)

Mheshimiwa Spika tutafute mbinu mbadala ya kubuni kazi kwa vijana wetu pasi na hii ya kufukua choo; lau yasemekana ndani ya Mombasa ama magazeti yakipata Hoja kama hii kuwa sisi Wabunge wa Mombasa kwa umoja tumekubaliana kupitisha Hoja ya kuwapa vijana kazi ya kufukua choo. Mheshimiwa Spika mimi sipendi kupewa taarifa.

The Speaker (Hon. Khatri): Yes Hon. Member. Yes Hon. Juma?

Hon. Thoya: Ni vyema Mheshimiwa ambaye anaongea atuambie kazi ni nini? Kwanza kazi ni nini? Aelewe kazi ni nini? Sisi tunazungumzia kuhusu kazi na kazi ni ile ambayo mwisho wa kuisha utapewa pesa. Kwa hivyo atujuze kwamba kazi ni nini kwanza.

The Speaker (Hon. Khatri): Thank you. Yes Hon. Fadhili Makarani continue.

The Deputy Speaker (Hon. Mwalimu): Ahsante Mheshimiwa Spika.

Mheshimiwa Spika ndani ya Hoja iko wazi na ukinihusu niisome kwa kimombo imesema; *Maintenance of sewer lines unblocking and cleaning drainage system*, imeanza na *sewer lines* alafu ndio ikaenda kwa *maintenance ya drainage*. Mimi naomba tu aliyeleta Hoja hii aweze kuirudia...

(Interruption)

The Speaker (Hon. Khatri): Yes Hon. Juma?

Hon. Thoya: I think Hon. Fadhili Makarani is trying to skip this, *what is employment?* kazi ni nini? *You are just going back to read this, what is employment?* Kazi ni nini?

The Speaker (Hon. Khatri): Hon. Juma, maybe you may answer for him that, may be you may explain to him what you want to say.

Hon. Thoya: Kitu ambacho nilikuwa nimejaribu aelewe, yeye amesema hii kazi ni ya kufukua mavi, ni ya kutoa nini lakini kuna watu ambao hii kazi wanaifanya kila siku na wanapata mshahara...

(Applause)

Ndio mimi nikawa nataka yeye aniambia kazi ni nini na ile kazi ambayo yeye angetenda sisi kama Wabunge wa hapa tuwatengezee wale vijana mbali na hii ya kufukua mavi, yeye mwenyewe ni kazi gani kwa sababu Samba amekuja na hii na tunaiona kwamba kuna watu ambao ni kazi yao kila siku wanalipwa lakini yeye ameona kwamba kuna kazi ambayo ni nzuri zaidi pengine ile kazi nzuri zaidi ya wale vijana ni waje wakae pale katika ile meza yeye aende nyumbani, hiyo pia ni nzuri.

The Speaker (Hon. Khatri): Hon. Juma I think you can withdraw those words because you are not the one who elected him, so please just withdraw those words then.

Hon. Thoya: Ninatoa, ninatoa lakini bado nikiwa ninatoa nataka asimame atuambie ile kazi ambayo ni nzuri zaidi.

The Speaker (Hon. Khatri): Thank you Hon. Juma. Yes Hon. Charles Juma?

The Chief Whip (Hon. Kitula): Mheshimiwa Mwenyekiti taarifa pia ningependa kumuarifu Naibu wa Spika katika Bunge hili kwamba tunae mfano katika miongoni ya Hoja hii kazi hizi katika Bunge hili Mheshimiwa Ali Mohamed Shomari alikuwa mmoja wao wa kazi hizi na sasa hivi ni Mbunge wa Wodi ya Magogoni, kwa hivyo kazi ni kazi. Mheshimiwa Shomari ametoka katika kazi hizi na leo hii ni Mbunge ambaye amechaguliwa na wananchi kutokana na kazi yake kupitia Hoja ya leo. Ahsante sana.

(Applause)

Na nafahamishwa pia Mheshimiwa Lucy Chizi Chireri pia nae alikuwa mmoja wapo wa kazi hizi, kwa hivyo tunayo mifano katika Bunge hili.

Kwa hivyo kazi ni kazi na wote wanaotokea chini miaka ijayo inayokuja Bunge hili litajaa na watu wanaofanya kazi za kutoa mavi katika Bunge hili Mombasa yetu. Ahsante sana.

The Speaker (Hon. Khatri): Yes Hon. Makarani you may continue.

The Deputy Speaker (Hon. Mwalimu): Ahsante sana Mheshimiwa Spika. Mheshimiwa Spika nafurahi kusikia Waheshimiwa historia yao ambayo wamepitia katika kazi hii. Mheshimiwa Spika mimi nimesimama kutaka tu kutoa ushauri katika Hoja hii ni kuwa tungetafuta mbinu mbadala ya Hoja hii isiwe tu tumeweka maana katika Hoja hii imeelezea zile kazi imeenda mahsusan kwa kazi ambazo tunataka tuwape vijana wetu. Mheshimiwa Spika Katiba yetu iko wazi, imeelezea ni kazi gani vijana wanastahiki kupata ndani ya Kaunti; kazi ambazo hazikutajwa na kazi ndani ya Kaunti ni kazi nyingi.

Mimi ningeomba kama Wabunge wenzangu tungenimama pamoja kutaka kujua vijana wetu wa Mombasa je wanapata kile kilicho chao na ni vijana gani wanapata kile kilicho chao? Kama ilivyosema Katiba yetu Mheshimiwa Spika na vile vile kama Wabunge tusimameni kidete kuhakikisha kuwa chote kilicho cha vijana kiende kwa vijana na vijana wetu wanaweza kifaidi na sitaki Mheshimiwa aliyelea Hoja hii aone ni kuwa ni kama nahujumu lakini ni kuwa najaribu kutetea hadhi ya Nyumba yetu hii na hadhi ya Kaunti yetu na vijana wetu.

Mheshimiwa Spika kuna Mheshimiwa ambaye aliondoa lakini hatujui alitoa nini, sijui alitoa pesa maana alisimama akasema yeye ametoa, ilikuwa twataka atoe yale maneno aliyotamka kwa kusema vijana waje wakae hapa. Mheshimiwa Spika nachelea isije vijana wakasikia kuwa tumewafungulia kazi za kufukua choo na wengi wetu tunatoka katika mitaa ya mabanda, vyoo vyetu ni vile vyoo vya mashimo vyakutumbukiza ukiwa juu unasikia chini imegonga chini.

Mheshimiwa Spika hizi *sewer lines* zimepita ni chache kwa hivyo nakuomba kupitia uongozi wako ikiwa tutarudi tuitengeze Hoja hii vizuri ipate muelekeo katika Nyumba yetu hii tutakuwa ni wenye kuwasaidia vijana wetu na vijana wetu watahukuru. Mheshimiwa Spika kwa sababu nimeambiwa niseme ni kazi gani ambazo natakikana nisiseme, tumeona Hoja ambayo inakuja...

(Applause as Hon. Chireri entered Plenary)

Hoja ambayo Mheshimiwa Spika nafikiri mwenyewe atajua amekaribishwa kwa malengo gani Mheshimiwa Lucy Chizi...

(Laughter)

Mheshimiwa Spika kuna Hoja ambayo Kiranja wa Bunge anataka kuileta; hali ya kuinua michezo ndani ya Kaunti yetu ya Mombasa. Siku hizi michezo inalipa na ikiwa tutafuata yale ambayo Kiranja anataka kuyaleta pamoja na hiyo Kamati yao tumesikia huko karika *corridor*, Mheshimiwa Spika itainua hadhi na hali ya vijana wetu pakubwa na vile vile tukihakikisha vijana wanapata kazi Mombasa itabadilika na hadhi zetu tukienda mashinani itakuwa ni hadhi za ki uhakika na za kuheshimika.

Kwa hayo mengi nawaomba ndugu zangu tuweze kukubaliana kurekebisha Hoja hii ili tutakapotoka hapa tukienda kule nje vijana wetu watakuwa ni wenye kufurahi. Ahsante.

The Speaker (Hon. Khatri): Thank you Hon. Makarani. Yes Hon. Ochieng?

Hon. Ogutu: Thank you Mr. Speaker. Mr. Speaker I want to join fellow Members in supporting this Motion. Mr. Speaker we are all cognizant of the fact that youth forms the largest constituency of the total population of this Country; whenever we talk of radicalization and violent extremism, Mombasa County is not an exemption. Mr. Speaker the rate of drugs and substance abuse is also alarming in the County...

(Applause)

All these are attributed to unemployment Mr. Speaker. Article 55 (c) states very clearly that the state shall take measures including affirmative action to ensure that youth access employment Mr. Speaker. So Mr. Speaker if measures are not taken, our youth will fall prey to these social vices. Thank you I support.

The Speaker (Hon. Khatri): Thank you. Yes Hon. Mwende?

Hon. Mwende: Ahsante sana Mheshimiwa Spika kwa kunipa fursa hii. Mimi nasimama kuunga mkono Hoja hii iliyoletwa na Mwenyekiti wangu wa vijana. Mheshimiwa Spika nimeona Waheshimiwa wengi wame *focus* sana na mambo ya *sewer* lakini pia Mwenyekiti wangu ameweza kusema juu ya *drainage*. Mheshimiwa Spika ukiangalia sana sana wakati wa mvua hata nasikia sasa hivi inanyesha, Mombasa kukinyesha kidogo inakuwa barabara hazipitiki na kama tungekuwa na vijana mashinani ambao wanasafisha hizi *drainage* kila wakati haya mafuriko mengi hayangekuwa Mheshimiwa Spika.

Kwa hivyo naomba Waheshimiwa wenzangu tuweze kuunga hii Hoja mkono kwa vile vijana wetu wengi wanakaa maskani bila ajira na hii itawapatia kitu kidogo angalau cha kupeleka nyumbani jioni. Hivyo basi namuunga sana mkono Mwenyekiti wangu na sitarajii kama kuna Mheshimiwa yeyote ambaye ana pingamizi. Ahsante sana Mheshimiwa Spika.

The Speaker (Hon. Khatri): Thank you Hon. Mwende. Yes Hon. Mwawasi?

Hon. Maimuna Salim: Ahsante sana Mheshimiwa Spika kwa kunipa fursa hii. Mimi nimesimama kuiunga mkono Hoja hii kwa sababu hata wakati wa kampeni tuliahidi vijana vibarua na ikiwa tumeweza kuleta mjadala kama huu katika Bunge letu la Mombasa ni sawa tunge mkono. Kitu cha kwanza kuunga mkono ni kwa sababu ukiwa uko mashinani hakutakuwa na sababu ya kusema ya kwamba zile kazi haziwezi kufanyika, tunazungumzia mambo ya hiyo mitaro lakini najua mvua ikiisha kuna mambo pia ya takataka, kwa hivyo tutaingia kwa hiyo lakini hivyo vibarua lazima tuviwekee mikakati ya kwamba mvua ikiisha hawa vijana wataendelea kwa sababu kusafisha mji, nasikitika mimi kwa sababu wafanyikazi wa *environment* ama Idara ya Mazingira wao huwa wanaangalia sana sehemu za mjini hawaangalii sehemu zile ambazo sisi tunazotoka kuna vijana, tunalipa ule ushuru ambao watu wa mjini wanalipa lakini huduma kutufikia ni shida.

Kwa hivyo mimi naunga mkono kwa sababu najua watu wetu wataweza kunufaika, vijana wetu wapate ajira na wapate usafi wajihisi kama wale wengine ambao wako mjini wajue ya kwamba ugatuzi unafanya kazi mashinani. Hivyo basi huu ni mfumo ambao tunasema huduma mashinani na vijana wetu waweze kupata hizo ajira. Ahsante sana Mheshimiwa Spika.

The Speaker (Hon. Khatri): Thank you Hon. Mwawasi. Yes Hon. Said Omar?

Hon. Ramla Said: Shukran sana kwa kunipa nafasi hii Mheshimiwa Spika. Nataka kuunga Hoja hii kwa sababu ni Hoja nzuri ambapo vijana wengi hawana makazi na kazi ni kazi, na nina hakika vijana hawatalazimishwa kufanya kazi kama hii, kutakuwa na mikakati ambayo mtu ambaye yuko tayari kufanya kazi kama hii ya kusafisha *drainage* ndio akifanya, afanye kuwa yeye mwenyewe ametaka. Pia ningemkumbusha Mheshimiwa Spika kuwa asilimia tano ya kazi kwa walemavu; huu Mswada ukipita naomba tuwafikirie, kuna walemavu ambao si sana, wana ulemavu wa kusikia ama ana jicho moja haoni ndio hao kidogo wako *capable* ya kufanya kazi kama hizi...

(Applause)

Kwa hivyo tusiwasahau. Kwa hivyo nauunga mkono huu Mswada. Ahsante.

(Applause)

The Speaker (Hon. Khatri): Thank you Hon. Ramla. Yes Hon. Prischillah Mema Mumba?

Hon. Mumba: Ahsante Mheshimiwa Spika. Hata mimi naona watu wanajisifu na mimi pia najisifu kwa sababu jina la Mema ni langu, lakini la Mumba ni la mume wangu na mimi namsifu mume wangu kwa kumtambua leo...

(Applause)

Ahsante sana Mheshimiwa Spika. Niko hapa kusimama kuunga mkono kidete Hoja hii iliyoletwa na Mheshimiwa Tobias Samba na tumeshukuru sana Mheshimiwa Tobias Samba kwa sababu kwa muda wa mwaka mzima... na sisi Waheshimiwa katika Bunge la Kaunti tunajitahidi kufanya majukumu yetu katika Bunge hili lakini kule mashinani kuna kitengo ambacho bado tuliyochaguliwa kinateteleka, ambacho hiki kitengo ndio kitatugusia katika kazi hizi ambazo zimeinuka hivi sasa katika Mswada wa leo. Kusema ukweli ajira ni chache, ajira hakuna na vijana wengi walioko mashinani hivi sasa wanatungojea sisi tuliochaguliwa tuwabunie ajira; na hii ni njia moja ambayo ikiwa huu mfano kikweli Mheshimiwa Spika..., ikiwa kikweli utatekelezwa na uwezo kufaulu hii ni njia moja ya kurahisisha njia zetu za kuweza kutamani hili Jumba tena hapa. Kwa sababu ikiwa grupu ya vijana itapata kandarasi hii, kila grupu haitakosa vijana chini ya 15 kufika 20 Mheshimiwa Spika.

Kwa hivyo tayari hata ukipewa kandarasi moja tu katika Wodi yako ya vijana hapa utakuwa umebeba zaidi ya vijana 20 ama 30 kwa wakati mmoja kufanya kazi pengine wapewe kazi ile ya usafi kwa mwaka mzima itakuwa wewe wamekupunguzia *pressure* kubwa sana ya ajira mitaani. Na hali pia watakuwa wanaweka mazingira safi na wanaweka usafi.

Kwa hivyo Mheshimiwa Spika jambo hili Mheshimiwa mwenzetu anajaribu kutusaidia katika hali ya kuwa ikiwa litatekelezwa hili jambo, hata *pressure* sisi Waheshimiwa itakuwa imetuishia katika kazi zetu lakini leo ukarudi mashinani na usikie vilio vilivyo kule Mheshimiwa Spika utatusikitikia sisi Waheshimiwa wa Kaunti. Kwa sababu kweli changamoto kubwa hivi sasa tuko nayo ni ajira na vijana wengi hapa hatuwezi kuwaweka wote katika kazi kwa sababu wanaotoka ni kidogo wanaotaka zile nafasi ni wengi. Kwa hivyo hii itakua imetubebea nambari kubwa kwa haraka sana.

Mheshimiwa Spika ikiwa jambo hili kweli litapita leo na ninajua Waheshimiwa wenzangu tutaliunga mkono lipite, tuhakikishe liwe ni jambo la kwanza tulifuatilizie mpaka tuhakikishe tumeona limefanyika...

(Applause)

Hata kama ni kulivalia njuga, hili tulivalieni njuga kwa sababu tunajua umuhimu wa ajira mitaani; hayo mambo mengine ambayo tunayozungumza ya malipo, ya nini, wacha yaje baadae tutarudi hapa sisi wenyewe kujua tutakwangurana vipi mpaka tuhakikishe wamelipwa. Lakini kwanza hili jambo liwe mitaani ili tuweze kuonekana majukumu yetu. Mheshimiwa Spika niko hapa kum *salute* Mheshimiwa Samba ametupa jambo la kuinua migongo yetu kule ambako tunakotoka na tunamuomba Mungu azidi kusukuma jambo hili ili liweze kufaulu. Ahsante Mheshimiwa Spika.

The Speaker (Hon. Khatri): Thank you Hon. Members. Yes Hon. Mwaka Juma Zahoro?

Hon. Mwaka Zahoro: Thank you Mr. Speaker Sir for giving me this chance. I am here to support the Motion. Mr. Speaker Sir you find that the largest population are the youth; 60 per cent of the youth are unemployed, unblocking and cleaning of drainage systems will create job opportunities for these youth who are unemployed. You find that Mr. Speaker this drainage system will enhance clean environment and we know that, that is a basic need that every place and every human needs to have a clean environment.

Mr. Speaker Sir, aware of the Millenium Development Goals, Goal No.6 which states that clean water and sanitation; you find when these sewers and the drainage systems are clean we will get clean environment and sanitation. You will find that Mr. Speaker also the Standard Millenium Development Goals No.3 which talks about good health and well being, you find that the cleaning and unblocking of the sewerages will enhance these development goals which Kenya is trying towards to achieve. So with those remarks Mr. Speaker, I beg to support the Motion. Thank you.

The Speaker (Hon. Khatri): Thank you Hon. Mwaka Juma Zahoro. Yes Hon. Juma Boy?

Hon. Amriya Juma: Thank you Mr. Speaker for according me the opportunity. I had no intention to speak but Mr. Speaker I have a concern that the Members have not yet grasped the Motion but you will give the Mover of the Motion an opportunity to respond. But I feel that the essence of the Motion is not actually job opportunities to the youth but actually job opportunities to the youth within the estates. To my construction of this Motion is that the Motion provides that the County to pass job opportunities of maintenance and unblocking sewerages to the youths that are within the estate.

Mr. Speaker for instance I live in Baraka Estate as a youth, so I am supposed where there is a problem on sewerage or unblocking I should be given a first priority as a youth to unblock that. So that is my construction of the Motion and I think the concerns also raised by the Deputy Speaker that this County should shy away from passing such Motions such that in the view of the public they will see that we are demeaning them. But I think it is not about the status or the reputation of the job as per this Motion, essentially it is on Article 10, the elements of devolution, that the youths in that estate should be given an opportunity where there is a problem also to take part in the solution of the problem.

So I think that is the main catch in this Motion that youth should be given opportunity within the estates; It suffices to say that if I come from Tudor as a youth I should be given the opportunity or it is my right to clean Mwakirunge, but this specific Motion talks about the youth within that particular estate. Thank you Hon. Speaker.

Hon. Speaker (Hon. Khatri): Thank you Hon. Boy. Yes Hon. Oyugi?

Hon. Omondi: Thank you Mr. Speaker Sir for the first time referring me to Hon. Oyugi, thank you. Mr. Speaker Sir first I want to support this Motion, I am not only supporting the Motion, I am supporting the Motion with facts. Mr. Speaker let us look at the essence of devolution, the main essence of devolution is to give opportunity to the people who are on the ground because it is flowing from up downwards. And therefore when we say today that we are giving the opportunity to the youth who live within the estate we are actually supporting one of the functions of devolution. Secondly, let us look at health, and in this sense we shall be using one stone to kill more than seven birds. I want to clarify myself so that I can be well understood; we have talked about devolution, I am also talking about the issue of health within our estates...

(Applause)

As you know health is very important to us and by doing that definitely we shall be improving the health environment around us Mr. Speaker. Thirdly, Mr. Speaker it is unemployment; you will find that the youths are the most affected when it comes to the issues of unemployment and we have been making noise in this House time and again about the opportunities to be provided to the youth. So this one will be one of the ways of trying now to solve that problem, partly if we do that.

Mr. Speaker Sir, another bird which will be killed by the same stone when you look at the population of the youths they make up to 60 per cent of the country, and therefore by giving opportunity to them to do this particular work we shall be actually reducing unemployment issues in our country.

Mr. Speaker Sir the last bird that will be killed by this stone is crying an ethical activity surrounding our area.; when these youth are given these opportunities I am sure that we are going to cut down the rate of crying, we are also going to make these youth busy and by making them busy they will not find time to involve themselves in this petty unethical crime like pick-pocketing around and other issue Mr. Speaker Sir.

I stand to support this particular Motion that it must be given time so that it can flow and actualize what the Motion is about. Thank you.

(Applause)

The Speaker (Hon. Khatri): Thank you Hon. Ibrahim. Yes Hon. Mueni Mukavi?

Hon. Members I think we have some guests with us; we have Hon. Abbas, Speaker Garissa and Hon. Florence, the Speaker Machakos and Hon. Wahome, Speaker Nyandarua and we have other guests with them as well. Hon. Speakers welcome to Mombasa County. *Karibuni sana.*

(The guests at the public gallery rose and bowed before the House)

(Applause)

Yes Hon. Rosemary Mweni Mukavi, you may continue?

Hon. Mukavi: Thank you Mr. Speaker for giving me this chance to contribute in this Motion. Mr. Speaker I want to support this Motion fully; yesterday I had a very interesting incident when I was going home near my Ward Kongowea. Mr. Speaker, there was a sewer line and it rained yesterday and it had a lot of water and I fell down there and I had to seek help of two youthful men to lift me from that water. Mr. Speaker they asked me a very interesting question; mother why don't you give us a job to do these sewer lines for you people? And I am so happy this has been brought forward Mr. Speaker, I hope it is not going to be put to the graves of forgotten but it is going to be Implemented. We need to do something about this Mr. Speaker and I want to support this Motion fully brought forward by Hon. Samba. Thank you Mr. Speaker.

(Applause)

(The Speaker (Hon. Khatri) exited the Chair)
(The Deputy Speaker (Hon. Mwalimu) in the Chair)

The Deputy Speaker (Hon. Mwalimu): Yes Hon. Samba? Hon. Mohamed Hatimy?

Hon. Mohamed Hatimy: Ahsante Mheshimiwa Spika kwa kunipatia fursa hii na mimi kuweza kuweka maneno yangu. Mheshimiwa Spika ya kwanza kwa ruhusa ya mwenye kuleta huu Mswada nilikuwa naomba mwanzo kusema kuwa naunga mkono huu Mswada kwa njia ya marekebisho. Mheshimiwa Spika tukiangalia huu Mswada hapa kwenye maombi yake anasema kuwa *the County government to provide employment*; hii ikionekana tayari itaonekana kuwa tumeongeza *wage bill* yetu. Hivyo basi namuomba mwenye kuleta huu Mswada atafute neno ambalo litaingia hapa kuonyesha kuwa...maanake kusema kuwa ku *employ* tayari hizi pesa Mheshimiwa Mheshimiwa Spika ziko za kufanya hii kazi lakini ziko kwa njia ambayo ni ya *contract* za kupawa watu.

Kwa hivyo Mheshimiwa Spika nilikuwa naomba aende atafute njia ya kuileta ionekane kuwa...kwa sababu hii kazi inaenda kwa msimu na itakuwa si kazi ya wakati wote ama kuchukua mwaka mzima kuwa hii kazi inafanyika. Hivyo basi naomba twende atafute neno ambalo ataweza kuweka badili ya *employment* ni kupawa kama vijana wapatiwe *priority* ya hizi kazi zikitokea na shida ambayo tuko nayo ni kusema kuwa vijana wanapatiwa kampuni zinazofanya hizi kazi utaona mwenyekazi ni mtu kutoka Wodi nyengine kwa mfano anatoka Magongo halafu anakwenda kama ameingia Jomvu anachukua watu wa Magongo kwenda kufanya kazi Jomvu.

Kwa hivyo itataka kila Wodi iandikishe vijana wake, kila Wodi iwe itaandikisha vijana halafu tuangalie tutasaidiana namna gani tena kwa sababu huu Mswada watu wanatafuta kuingia ndani ya nyumba ukiingia kwenye nyumba unatafuta njia yoyote aidha uingie kwenye mlango ama disrisha ama uingie kwa sakafuni bora uingie ndani Mheshimiwa Spika. Kwa hivyo twasema bora kazi ni kazi kama itakubalika Mheshimiwa Spika mwenye kuleta Hoja hii aende abadilishe ili tuweze kuendelea nayo. Ahsante Mheshimiwa Spika.

The Deputy Speaker (Hon. Mwalimu): Thank you Hon. Mohamed Hatimy. Before I call the mover to respond I take this opportunity to call Hon. Lucy Chizi Chireri as she was mentioned for her at least put an input. Yes Hon. Lucy?

Hon. Chireri: Ahsante Mheshimiwa Spika. Ingawaje nimechelewa lakini nimefika. Mheshimiwa Spika kwanza ningeanza kusema ya kwamba moja kwa moja mimi naunga mkono Hoja hii ilioletwa mbele yetu na kumpongeza Mheshimiwa aliyeleta Hoja hii, nasema shukran sana. Mheshimiwa Spika nimezungumzwa ama nimesemwa kama siko lakini kulingana na hii Hoja ilioko hapa mbele yetu inadhihirisha ya kuwa nilifanya kazi na nimeingia katika daftari la kumbukumbu Mheshimiwa Spika ndani ya Mombasa Kaunti...

(Applause)

Mheshimiwa Spika nikikuregesha nyuma 2007 enzi hizo zilikuwa ni enzi za *Council*, *ugatuzi* ulikuwa haujaanza; naona Mheshimiwa Maimuna akiwa ni shahidi akiwa Mwenyekiti wa Mazingira nilikuwa bado ni kijana, naona ile kukuambia kuwa nimeingia katika daftari la kumbukumbu miti yote ambayo munaiona Kaunti ya Mombasa ile ya maua ilichimbwa katika mashimo ambayo yalikuwako ni saruji tupu, naona Mheshimiwa Maimuna akiongoza *Council* hapo zamani tuliweza kuchaguliwa kama vijana tukaingia Kaunti ya Mombasa tukapanda hii miti. Huwa najivunia sana Mheshimiwa Spika, nikitembea nikiona hii miti yote ya Mombasa Kaunti niliipanda mimi kwa hivyo ninajivunia sana.

Tukiingia kwa suala hili Mheshimiwa Spika kwanza tumesema vijana, tuko na *permanent* wanafanya kazi lakini huwa tunatia msukumo zaidi tukiingiza vijana. Mheshimiwa Spika kwa kusema ukweli wale ambao wanafanya kazi umri wao pia si umri wa kuwa watakuwa wasukumana na yale mambo ya *sewerages*, wale wanahitaji nguvu mpya na nguvu mpya ni lazima tukumbuke vijana wetu. Tunaambiwa ujana ni moshi huenda ukapita hata mimi nilikuwa kijana wakati huo sasa hivi Mheshimiwa Spika nazeeka ama nimezeeka.

Kwa hivyo Mheshimiwa Spika ni lazima hawa vijana wetu katika Wodi, maanake kazi hizi zitafanyika katika Wodi zetu tuweze kuwatambua na kuwa motisha vijana wetu. Hii kazi si rahisi huwa inataka kuvumilia Mheshimiwa Spika kwa hivyo vijana wetu pia wanataka kazi ambazo pia zitawawezesha kujikimu kimaisha. Ahsante sana Mheshimiwa Spika.

The Deputy Speaker (Hon. Mwalimu): Thank you Hon. Lucy Chizi. I now call upon the mover of the Motion to respond after hearing the sentiments from the Honourable Members. Yes Hon. Tobias Samba?

Hon. Samba: Thank you Hon. Speaker. Let me take this opportunity to thank all Members who have contributed both positively and negatively towards the Motion but it is fortunate that majority are in support of the Motion. Hon. Speaker there are some issues that raise concerns; it is quite unfortunate that whenever we are debating Motions in the House and when the Speaker leaves the premises you see Hon. Members are in a hurry going after the Speaker, what they forget to understand is that a Motion will be only adopted after voting. A Motion cannot be adopted in the House through debates so it is high time Hon. Members we are here to debate the Motion then at the same time we vote for it.

Hon. Speaker there is a concern that has been raised to me, they are genuine because everyone is supporting the Motion or the concerns of Hon. Hatimy that I should look for a word instead of provide employment to youth, that I should come up with another word. Maybe he could come up with the better word because to me I thought the research that I did provide the better term. So maybe if we can pass it with amendment of which I am not sure where I will get that word, maybe I request him if he had that word so that when we are leaving this Honourable House we should know what we will replace with it.

The Deputy Speaker (Hon. Mwalimu): So you are requesting that we do not put the question now until you will amend that part or what is your request to the House?

Hon. Samba: My request is that you do not pose a question; you will pose the question after the amendment has been made because this is a very good Motion that touches on the majority of us and what I have come to realize Hon. Speaker is that birds of the same feathers flock together. We all understand what we want and we are all understand where we are heading to so I would request that you may pose a question maybe next time provided that you shall allocate time maybe in the afternoon or the day that you shall allocate. Thank you.

The Deputy Speaker (Hon. Mwalimu): Thank you Hon. Samba. Hon. Members the question to this Motion will come in the afternoon or the voting of this Motion will come today in the afternoon after the Hon. Member brings the amended version. Yes Clerk?

ADJOURNMENT
