

COUNTY ASSEMBLY OF MOMBASA

OFFICIAL REPORT

Wednesday, 8th August, 2018

The House met at 2:37p.m.

(The Deputy Speaker (Hon. Fadhili Mwalimu) in the Chair)

PRAYERS

The Deputy Speaker (Hon. Mwalimu): Have your seats. Order! Order! Hon. Members, yes Clerk?

PAPERS

(Laying of Papers)

REPORT ON THE MUGUKAA MENACE

Yes Hon. Kibwana Baya, Chairperson Committee on Health on the report on *Muguka* menace.

Hon. Kibwana Swaleh: Thank you Hon. Speaker. Hon. Speaker being the Chair of the Health Committee on behalf of other Members we are unable to table the report or to lay the report today because of certain circumstances; some of the circumstances are technical aspects and the other is about the time. So I would request Hon. Speaker to give us ample time because this is something that is in public domain which has attracted a lot of interest. Thank you Hon. Speaker.

The Deputy Speaker (Hon. Mwalimu): Hon. Chairman, what is it Hon. Samba before I proceed?

Hon. Samba: Mr. Speaker kindly it is now becoming a norm of the House, the relevant departments and Committees should be responsible, and that is why if they are incompetent enough I would request this House we at least have new Chairmen on board, Chairmen who are eligible and who can give us reports at the appropriate time because in the morning it was the same thing now in the afternoon it is the same thing and the Chairman of Health was aware that today he was supposed to table the report and each of every Member ought to have been furnished with the copies. So Hon. Speaker with due respect and if we want to do justice for the citizens of Mombasa County then all the Chairpersons be responsible. Thank you Mr. Speaker.

(Applause)

The Deputy Speaker (Hon. Mwalimu): Yes Hon. Kombe Nzai?

Hon. Kombe: Ahsante Mheshimiwa Spika kwa kunipa nafasi hii, mimi kama Mwanakamati wa Kamati ya Afya kutilia mkazo yale ambayo Mwenyekiti wangu ameyasema tukizingatia yale ambayo Mheshimiwa Mwenzangu wa Tudor pia ameyaleta kuna mijadala miengine ambayo inahusu wananchi wetu na tunapoyapeleka mbio mbio basi hapo huenda tukazingatia kutumbukiza wananchi katika kisima ama kuwatoa katika kisima.

Kwa hio ningependa kulisitiza Nyumba hii ikiwa ni Jumba la kutunga sheria, sheria tunazozitunga hapa tuwe tuna wakati mwafaka wa kuzitatua vizuri na kuziangalia zote tukitumia kitengo cha sheria ambacho ni *legal advisor*. Tukienda pia upande wa ndani mambo haya yote yanaongewa juu ya afya ya binadamu na si ya kupelekwa mbio Mheshimiwa Spika, kwa hiyo mimi naunga mkono vile vile Mwenyekiti wangu wa Afya alivyosema jambo hili lipewe muda mwafaka ili mazingatio mengine ya utafiti yazidi kuendelea. Ahsante.

(Applause)

The Deputy Speaker (Hon. Mwalimu): Yes Hon. Bwire?

Hon. Bwire: Thank you Mr. Speaker. I think I'll also agree with my Chairman, these are very crucial, in fact I was waiting for it very dearly Mr. Speaker but as he has said no need to bring a half baked report to this House so I request through your Chair that we allow the Chairman and his Committee to bring a very comprehensive report on the said issue and even as we wait for that report if there's no comprehensive report still there's no need to bring this report here, we need to have a very comprehensive one...

(Applause)

...and we don't want guess work Mr. Speaker or and I repeat half baked report so let them do a research, some of us we are also doing a research and we will compare the two before this House and see which has weight. Otherwise I support the postponement of the report because they are not ready as the Committee. Thank you.

The Deputy Speaker (Hon. Mwalimu): Yes Hon. Aran Moses?

Hon. Oindo: Ahsante sana Mheshimiwa Spika mimi pia kama Mwakilishi wa Vijana ningependa kulisitiza kwamba Mwenyekiti wa Afya tafadhali nenda uangalie vizuri, ufanye maarifa kwa sababu kuja na hiyo ripoti yako nataka kujua kama vijana wangu ninawawakilisha hakuna pahali wataguswa....

(Applause)

...kwa sababu tunajua kwamba mambo ya maswala ya *muguka* imeajiri vijana wengi na sitakubali kwa hivyo fanyeni maarifa vizuri na utafiti mzuri. Ahsante.

The Deputy Speaker (Hon. Mwalimu): Hon. Aran stop pre-empting the report because the report is not yet ready as per the Chairman of Health but he has not fully convinced this House as to why he wants the report not to be tabled today.

The reasons he is trying to bring to this Honourable House I can say the Committee is not serious enough as we had given the Committee time, the Committee has done some few research but the Chairman has not seriously convinced the House to give him more time. So I'll give him also another chance to try and convince this House but before that I'll call upon Hon. Shebe Athuman to give his views.

Hon. Athman Shebe: Ahsante sana Mheshimiwa Spika. Kulingana na Mheshimiwa umuhimu wa hoja hii iliyoletwa na Mheshimiwa mwenza; pia vile vile Mheshimiwa Spika ningependa kumuunga mkono Mheshimiwa wa Kamati wa afya ya Bunge ili tuweze kulipatia mda hili swala kwa sababu wananchi wengi wanaliangalia na wanalitazamia kwa kiu kikubwa sana. Kwa hivyo ningependa apewe mda Mwenyekiti wa Kamati ya afya ili alipigie mbizi vizuri hili swala kwa sababu pia vile vile sisi tumelivalia njuga vizuri tuweze kuliangazia kwa sababu za kimsingi. Kwa hivyo ningependekeza Mheshimiwa mwenza pia apatiwe mda kabambe, ndio tukianza kujadili hili suala basi utaratibu na vigezo vya msingi vitaweza kujadiliwa katika Bunge hili. Ahsante sana Mheshimiwa Spika.

The Deputy Speaker (Hon. Mwalimu): Yes Hon. Athman Mwamwiri.

Hon. Athman Mwamwiri: Ahsante Mheshimiwa Naibu Mwenyekiti. Mheshimiwa naunga mkono suala la Mwenyekiti kupewa mda lakini isiwe mda mrefu kwa sababu kuna zoezi linaendelea mashinani, baadhi ya vijana wetu wanaathirika na biashara zao kwa sababu kuna utekelezaji wa kusimamishwa shughuli zao za kuuza *mugukaa*, kuna kuvunjwa kwa vibanda vyao vya biashara na ripoti Bunge hatujaipata na haya yanaendelea, kadri tunapokawia na hali hii watu wetu mashinani watakuwa wanaumia kwa hivyo apewe mda ndio....

(Applause)

...lakini alifanyie wepesi angalau tuweze kuweka mazingira sahihi kwa sababu kuna watu wanaumia mashinani.

The Deputy Speaker (Hon. Mwalimu): You were not audible enough just repeat what you are saying.

Hon. Athman Mwamwiri: Ahsante Mheshimiwa naibu Spika, nasema naunga mkono suala la Mwenyekiti wa Afya kupewa mda ili kuja na ripoti sahihi inayohusiana na suala zima lililoangaziwa la *mugukaa* lakini katika mda ule tunaomba lisiwe mda mrefu kupitiliza kwa sababu siku za karibuni tumeona kwamba biashara za vijana wetu zikiathirika; vibanda vyao vya kufanya biashara vikivunjwa hali kwamba kama Bunge hatujapata ripoti sahihi, hatuja lijadili, hatujalipeana muafaka liendele ama lisiendele.

Kwa hivyo kadri tunavyoipatia muda lakini azingatia kuna biashara za watu ambazo zinahujumika mashinani na hali ya kwamba ripoti hatujaipata na hatujapeana muafaka kama Bunge Mheshimiwa na wanaoathirika wengi ni vijana na ambao wanajitafutia riziki, ambao wameepukana na masuala ya kutoleta uvunjifu wa usalama kwa sababu wanashughli zao, kwa hivyo tukichelewa huenda tukaweka hali nyengine Mheshimiwa.

The Deputy Speaker (Hon. Mwalimu): Thank you Hon. Mwamwiri, yes Hon. Ibrahim Omondi.

Hon. Omondi: Thank you Mr. Speaker for the opportunity granted, as I stand to support as the Chairman of Education on the issue of *mugukaa* in Mombasa County am also in the same books with the Honorable, the great Mwamwiri. I share the same sentiments with him, that as much as we want to give the Chairman of health time so that he can give us a comprehensive report as my colleagues have said, it is also very important Mr. Speaker Sir that we don't actually do away with what Honorable for Tudor Ward Hon. Samba said because the Chairman should not take advantage of that and I think it is very good, the point that he brought should sink into the Chairman, I concluded that it is very important to do our work, to bring the report in time when it is needed but again that one does not happen, that the report must be very comprehensive, the report should actually capture the different reports and different research that has been taken so that it should be of much importance to us Mr. Speaker Sir. Thank you.

(The Deputy Speaker (Hon. Mwalimu) exited the Chair)

(The Temporary Speaker Hon. Bwire in the Chair)

The Temporary Speaker (Hon. Bwire): Yes Hon. Mwaka.

Hon. (Ms.) Mwaka Bakari: Ahsante sana Mheshimiwa Spika, mimi hoja hii naunga mkono kwa Mwenyekiti wa Afya kwa kutupatia mda sababu jambo hili ni jambo sugu na ni jambo ambalo kwamba watu wengi tumeathirika Mombasa hii na Mombasa kwa jumla. Kwa hivyo mimi nasema Mwenyekiti wa Afya apewe mda ambao kwamba Mheshimiwa Mwamwiri amesema usiwe mrefu sana lakini ukipatikana uwe mda ambao utatuletea natija kwa sababu jambo hili limetuchokesha sisi wakaazi wa Mombasa, na ni jambo ambalo linaathiri vijana...

(Interruption)

The Temporary Speaker (Hon. Bwire): Order Hon. Member we are not yet discussing the report, we are only discussing about the laying of the report before the Assembly.

Hon. (Ms.) Mwaka Bakari: Ahsante Bwana Spika, kwa hivyo mimi naunga mkono Mwenyekiti wangu wa Afya ili aweze kutuletea report muafaka ambayo kwamba itatuletea natija. Ahsante.

The Temporary Speaker (Hon. Bwire): Yes Hon. Chief Whip.

Chief Whip (Hon. Kitula): Mheshimiwa Spika mimi nitaendelea kwa muda mchache tukizingatia kwamba Mwenyekiti wa Kamati ya afya aliweza kupendekeza mbele ya Nyumba hii tuweze kumpatia mda kabambe kwa sababu jambo analolizungumzia Mwenyekiti ni kama alivyoweza kusema kwamba lina umuhimu sana na wananchi hasa wafanyi biashara wanasubiria sana hasa kwa hamu na ghamu jinsi Bunge hili litaweza kuamua kuhusiana na ripoti hii. Kwa hivyo ikiwa leo hii kama Kamati ya Bunge haijaleta ripoti katika Nyumba hii, hivi sasa watu wetu ikiwa siku chache waliweza kupokonywa sehemu zao na maafisa wa Kaunti Mheshimiwa Spika tungependa kujua nani ameweza kutoa idhini hiyo wakati sisi kama Bunge tulikuwa hatujaweza kujadili ripoti hii...

(Applause)

...waliweza kupata idhini ya kuweza kuwatoa watu wale, kwa mpango gani.

The Temporary Speaker (Hon. Bwire): Order Hon. Member! Kindly adhere to the instruction from the Chair; the instructions from the Chair are very specific we are only discussing the laying of the report here, let us avoid discussing things that happened outside this report kindly it's like we are already discussing the report. Please continue Chief Whip, kindly adhere to the instructions.

Chief Whip (Hon. Kitula): Mheshimiwa Spika nimekupata, Mheshimiwa hatuwezi kujadili ripoti lakini yale yanayotendeka mashinani nalinganisha na ripoti yetu, haiwezi kuwa mambo yanaendelea mashinani wakati ripoti hatujaijadili; tuweze kuwalinda watu wetu ambao ni watozwa ushuru katika Bunge letu, hatujadili ripoti hii.

The Temporary Speaker (Hon. Bwire): Hon. Members do not force me to get where you want me to go; let us discuss about the laying of the report, the Chairman of the said Committee has requested to be given time and I think we should just discuss that and Chief Whip you were already discussing the report. You see when you discuss about demolishing and all that and I think the Chair who was here discouraged so kindly or if you are exhausted of the..., because he is the Chief Whip i will allow him to finish his sentiments, but kindly...

Chief Whip (Hon. Kitula): Mheshimiwa Mwenyekiti naomba unielewe kwa njia ya kisasa kwamba hatujadili ripoti lakini yale yanayoendelea mashinani itazingatia na matokeo ambayo tutakayojadili katika Bunge hili. Iweje kule mashinani tayari kuna watu kama wameweza kupatiwa muelekeo na mtu fulani kabla sisi hatujaweza kujadili ripoti hiyo katika Bunge hayo lazima yaweze kutiliwa mkazo. Naomba unielewe Mheshimiwa Mwenyekiti! Naomba unielewe tafadhali...!

(Interruption)

The Temporary Speaker (Hon. Bwire): I understand Chief Whip and I respect you very much; I think no one is here to report or other to give us a statement on what happened because I had the report as the Chair and I am not in a position to comment on the same so the relevant authority will be summoned for the same. Let us discuss our today business. Hon. Faith?

Hon. (Ms.) Faith Mwende: Ahsante sana Mheshimiwa Mwenyekiti, kwa vile umetuwekea sheria ya kuzungumzia kwa nini ripoti haijakuja siku ya leo. Mheshimiwa Mwenyekiti sijui ni uzembe gani ambao tuko nao katika Bunge hili kila wakati taarifa ikitolewa kupata ripoti yake inachelewa; ni wakati wetu na ni wakati mwafaka wa viongozi wa Kamati mbali mbali katika hii Nyumba wawajibike katika kazi zao na walete ripoti kwa wakati unaofaa. Ahsante sana Mheshimiwa Spika.

(Applause)

The Temporary Speaker (Hon. Bwire): Yes Hon. Fatma?

Hon. (Ms.) Fatuma Swaleh: Ahsante sana Mheshimiwa Spika kwa kuweza kunipa fursa hii; sisi kama Kamati ya Afya nafikiri kama sijakosea na wala sijakosea sisi tuna wajibika vikali sana ndio maana tuliweza kufanya utafiti na kuweza kuja na taarifa. Mheshimiwa Spika...

(Interruption)

...Nyamaza! Mheshimiwa Spika nakuomba unilinde.

The Temporary Speaker (Hon. Bwire): Order! Order Hon. Members. She is on the floor.

Hon. (Ms.) Fatuma Swaleh: Sisi kama Kamati ya Afya tunawajibika na tumewajibika vikali sana Mheshimiwa Spika. Mheshimiwa Spika tuliweza kukaa na wadau wakatueleza machache sio kwamba tumezembea kikazi na ripoti itaweza kuja muda usio mrefu. Ahsante sana Mheshimiwa Spika.

The Temporary Speaker (Hon. Bwire): What is your point of Order?

(Loud consultation)

Hon. (Ms.) Faith Mwende: Taarifa Mheshimiwa Mwenyekiti ni hivi sasa Mwenyekiti wa Kamati ya Afya amesema ripoti haiko tayari. Kwa hivyo sijui sasa Mheshimiwa Mwenza anazungumzia kuhusu nini? Ahsante sana Mheshimiwa Spika.

The Temporary Speaker (Hon. Bwire): Order Honorable Members! I think she has just clarified that very soon they will be reporting back to this House...

(Applause)

...So let us not contradict ourselves. What is it Hon. Abrari?

Hon. Abrari Mohamed Omar: Ahsante sana Mheshimiwa Spika, cha kutamausha Mheshimiwa Spika ni kuwa Mheshimiwa Mwenyekiti wa Kamati ya Afya nadhani tulimpa muda wa kutosha kutuletea ripoti na sisi tushafanya utafiti wa kutosha ilimradi tulinganishe ripoti yake na ile sisi tuliofanya. Kwa hivyo sisi twaomba kama kuna ripoti atupe siku halisi tujue ni siku gani?

(Interruption)

The Temporary Speaker (Hon. Bwire): Hon. Member, are you having a different report from the Committee's report?

Hon. Abrari Mohamed Omar: Ndio, Mheshimiwa sisi ni viongozi na mjadala huu ulivyokuja hapa kwetu ilikuwa ni jukumu letu sisi kwenda kufanya utafiti zaidi na tumefanya utafiti tuko na *facts* kwa hivyo tunataka tungojee ripoti yake na yetu tuketi nayo chini tuangalie haswa. Kwa hivyo Mheshimiwa Mwenyekiti...

(Interruption)

The Temporary Speaker (Hon. Bwire): Order! Order Members! What is it Hon. Fatma?

Hon. (Ms.) Fatuma Swaleh: Mheshimiwa Spika ningependa kumueleza mwenzangu kwamba *it is not in health Committee*. Kwa hivyo sijui alikwenda upande gani kufanya utafiti?

(Interruption)

Hon. Abrari Mohamed Omar: Ndugu yangu...

(Interruption)

Hon. (Ms.) Fatuma Swaleh: He is not even a Member...

(Interruption)

The Temporary Speaker (Hon. Bwire): Order Hon. Members? I think you are getting into my nerves!

Hon. Oindo: Point of Order Mr. Speaker!

The Temporary Speaker (Hon. Bwire): What is your point of order?

Hon. Oindo: Standing Order 71.

The Temporary Speaker (Hon. Bwire): What does it say?

Hon. Oindo: You are giving permission to read it or?

The Temporary Speaker (Hon. Bwire): Yes of course.

Hon. Oindo: Mixing of language...if you start in Kiswahili you finish in Kiswahili so let Hon. Member, Hon. Fatma Kushe use one language in this Hon. House.

(Applause)

The Temporary Speaker (Hon. Bwire): Thank you; yes Hon. Member who was on the floor?

Hon. Abrari Mohamed Omar: Naam sisi ni majukumu yetu kwa sababu kuna watu ambao tunawakilisha mashinani ambao mimi nikiwa mmoja wao kama natoka Kongowea najua wauzaji wa mugukaa wengi wao mimi ndio ninawawakilisha. Kwa hivyo ilikuwa ni lazima mimi nifanye utafiti kivyangu katika zile njia ambazo zinafaa mimi kufanya utafiti na mimi niko hapa leo nilikuwa nimejiandaa vizuri tena vilivyo kupata ripoti ile...

(Applause)

...Lakini kwa bahati mbaya ni kuwa Mheshimiwa bado anatucheleweshwa nakuomba Mheshimiwa utupe siku muafaka ni siku gani hasa ripoti hii italetwa kwa sababu sisi tuko tayari hata ingekuwa jana ilikuwa sisi tuko tayari tulikuwa tushafanya utafiti wetu. Kwa hivyo ahsante sana Mheshimiwa Spika.

The Temporary Speaker (Hon. Bwire): Thank Hon. Member. Yes Hon. Nyiro has been on his feet for quite long now.

Hon. Nyiro: Thank you Mr. Speaker.

Mr Speaker if you read the mood of this House, I beg your ears, thank you if you read the mood of this House it is very clear that this thing is of interest and the thing that Hon. Chief Whip was raising are very much enjoined in this delays because we have the department of Health, we have the Minister and I am sure that the Minister has researchers. We also have medical practitioners at the Coast General hospital so it cannot take that long for us to get specialist to venture into this thing so that they can give us results in due time. The pressure that is mounting outside there is really eating into our nerves so it is only good for the Hon. Member to be very precise because this is a matter that is very much in public interest and it's a business and it is a livelihood to some people. So people are at a limbo and it is good that the Chair gives direction that is able to give this report in a certain day so that we can be sure that our people will get a good answer within such a time.

So with all due respect Hon. Chair it is good that you give us duration of time so that we know that we are waiting such a date we are going to receive the report, so that we can also tell our people that wait until to these dates and we will get the report otherwise whatever is happening on the ground is not good as the Chief Whip was saying there is a lot of tension and people are already taking advantage of these delays to harness and get money from our people, thank you.

The Temporary Speaker (Hon. Bwire): Hon. Members you see when we speak we must be having the prose you speak with evidence; if you talk of somebody taking advantage of the situation and doing whatever you have mentioned then it's good that you speak with evidence, otherwise we understand the rules and norms of this House that you only speak what you are sure of if you are asked to table the evidence so let's avoid to get things that we cannot differentiate, what is it Hon. Samba?

Hon. Samba: Thank you Mr. Speaker I think I was the first Member to atleast put the Chairman to the task to be responsible; as you can see the mood of the House as my fellow colleague has stated, If you look at the gallery the interest of the gallery and there is a reason as to why they have come. Hon. Speaker the norm of these Committees of the Chairmen they don't give us accurate time they don't give us reports, now as am thinking they want us to give them more time to negotiate with the traders...

(Interruption)

The Temporary Speaker (Hon. Bwire): Order Hon. Member! kindly please and I repeat myself speak with something that you can substantiate, something that you have proof. Hon. Members this is a House of law and regulations and we must adhere to them I will only have two people then make ruling over the same. Hon. Amriya?

Hon. (Mrs.) Amriya Juma: Thank you very much Mr. Speaker, much has been said at this point and I wish to state as follows or propose that in the adjournment you are looking forward to give probably in my respectful opinion should be a final adjournment or the last adjournment so that we can get over this matter because you know Mr. Speaker the Constitution provides in Article 159 that justice must not be delayed and this is a matter of public interest. So Mr. Speaker my request that any adjournment with regards to this matter should be a final adjournment, thank you so much.

(Applause)

The Temporary Speaker (Hon. Bwire): Yes Hon Shomari.

Hon. Ali Mohamed Shomari: Ahsante sana Mheshimiwa Spika kwa kunipatia nafasi hii. Nafikiri mengi yameshazungumzwa na Waheshimiwa, yangu yatakuwa machache sana nafikiri ripoti hii kuletwa katika Bunge hili hii ni mara ya tatu, hatujui tatizo liko wapi na ushahidi tunao kwamba jinsi tunavyoendelea kulijadili swala hili kule mashinani wakaazi wanaathiriwa. Nikianza na Tononoka nimepita nikaona jinsi watu walivyo dhaifishwa mali zao kwa hivyo tungekuomba Mheshimiwa Spika uweze kumharakisha Mwenyekiti wetu wa afya alete ripoti kwa haraka na iweze ijadiliwe ili tuweze kupata njia mwafaka. Ahsante sana Mheshimiwa Spika.

(Applause)

The Temporary Speaker (Hon. Bwire): Thank you, before we get the timeline from the Chair I think those people who are involved in destruction of the property in the areas we are mentioning should be stopped; one, two they should explain under whose authority they are doing so...

(Applause)

...So Hon. Chair I think you can read the mood of the House and kindly tell this House on which date are you reporting back with a comprehensive statement over the same.

Hon. Kibwana Swaleh: Thank you Hon. Speaker with all due respect I have learnt that this issue has generated a lot of interest and although there are some words that have been used in this Honorable House, there are some words that are not parliamentary, like making deals with traders and I think we should be very careful when we are uttering some words because we have dignity, we were elected by people and we don't expect that people are going to negotiate with traders. As an Honorable House being a Member for my second term Mr. Speaker we need to do something that both of us... I think something that it has got some sense, so Hon. Speaker as much as the Members are really requesting for soonest time possible this thing needs to involve researchers not like the other ones, we have Coast general people this thing needs research and this is something we agreed with the traders.

Hon. Speaker in this issue we are working with NACADA which is a national body so it's something that people think that within three weeks time we can give a full report which will be accepted by both the public and also it will have that international standard. So I think if you are saying to give me a date this will be unfair to me with my Committee because am not working alone am working with NACADA, am also working with the department of health which is the main body that is doing research on this.

Hon. Speaker also the research as an aspect in terms of financial as you are aware that is how researches are being done in this country they involve a lot of time and a lot of money, so it's not something that people can rush, in fact am thinking now it's like someone is going to die tomorrow if you do not give this report today. So am asking my fellow Members I think we are not doing campaign we want to do justice to our people, we want justice to the traders, we want to do justice to everybody. Therefore let us go down in history of this House that we did something good for our people, so Mr. Speaker I was also worried that people have started debating, pre emptying the issues; give us time we are going to give a report, we are not going to give a report at night we are going to give a report at day time in this Hon. House, thank you Hon. Speaker.

(Applause)

The Temporary Speaker (Hon. Bwire): You have been heard Hon. Member and I just want a clarification from you Mr. Chairman you are unable to give me the exact date but can you tell this House whether you will bring the report after three weeks that you have mentioned or after how long, how long after how long will you be ready, even if it is after two years can this House be informed and it gets into record of this House.

Hon. Kibwana Swaleh: Thank you Hon. Speaker I am happy that at least you have read the situation so just for the purpose of clarity and the purpose of this Hon. House and other who are interested people here, I think I will be able to bring this report after the recess, thank you.

(Applause)

The Temporary Speaker (Hon. Bwire): I am making a ruling on the same, order Hon. Members! We have requested to be given the exact time that the Committee will be ready and they have requested and if you go through the prayers that the Hon. Chairman has just made is that the whole process involves the financial aspects and the researchers.

The Chairman has just reported on behalf of the Committee that he will be ready after the long recess and as a Chair I cannot compel him I just have to because he thinks that after the long recess he will be ready so Hon. Chairman you will have no reason to come here and tell us you are not ready after this recess, after the long recess. So Hon. Members that is the ruling that the Committee under the Chair will bring the report after the long recess. Yes Clerk.

ADJOURNMENT

There being no other business the House stands adjourned until tomorrow Thursday at 2:30p.m.

The House rose at 3:15p.m.
