

**MOMBASA COUNTY ASSEMBLY  
HANSARD REPORT**

Wednesday, 22<sup>nd</sup> February, 2017

The House met at 2:45pm.

*(Deputy Speaker (Hon. Mswabah Rashid) in the Chair)*

**PRAYERS**

**Deputy Speaker** (Hon. Mswabah Rashid): Members you may sit down. Clerk.

**MOTION**

Yes Hon Fadhili what is it?

**Hon. Mwalimu:** Thank you Mr. Speaker. Mr. Speaker if am not wrong I understand you directed that Hon Chairman of Education is supposed to expound on yesterday's statement. Thank you.

**Deputy Speaker** (Hon. Mswabah Rashid): Yes that business was done in the morning.

**Hon. Mwalimu:** Thank you Mr. Speaker but I wanted to get full information of when and where in each and every ward that bursaries are going to be distributed. Thank you.

**Deputy Speaker** (Hon. Mswabah Rashid): Yes Hon Jimmy Odari.

**Hon. Odari:** Thank you Hon Speaker. Hon Speaker thank you for according me the opportunity, I wish to move a Motion titled, Environmental Impact of Changanwe Highway. Mr. Speaker I beg to move the following Motion;

*(Hon Odari read the Motion)*

THAT AWARE that the County government is charged with the responsibility of controlling air pollution and other public nuisance under the Fourth Schedule Part 2 (3) of the Constitution of Kenya 2010;

FURTHER AWARE that the ongoing Changanwe Highway Construction Project is vital for the development of Mombasa County and Kenya at large;

CONCERNED that the ongoing road works at Changanwe are destroying the drainage system, affecting the water supply and above all, posing health risks due to the noxious dust;

I therefore urge this County Assembly to RESOLVE that:

The County government in conjunction with the national government to come up with proper mitigation measures to curb this menace in order to safeguard the health, safety and well being of the residents and passers-by.

*(End of Motion)*

Hon Speaker I beg to move this Motion and I wish to call upon Hon Ahmed Omar Ebrahim (Meti) to second.

*(Hon. Ahmed Omar Ebrahim seconded the Motion)*

**Deputy Speaker** (Hon. Mswabah Rashid): Thank you Hon Meti, I now propose a question for permission to be debated.

I propose that the County government in conjunction with the national government to come up with proper mitigation measures to curb this menace in order to safeguard the health, safety and well being of the residents and passers-by. Yes Hon Jimmy Odari.

**Hon. Odari:** Thank you Mr. Speaker. Hon Speaker as much as we and people of Changanwe appreciate that project and in fact we are really happy for the development that is taking place, we are very happy that we have a super highway in our ward but we must not overlook the effect of the roads, the effects on the people particularly when it is affecting the people of Mombasa.

We have to consider that because the health of our people is paramount; as much as we are happier to the government but we have to consider the health and wellbeing of our people, I being their representative and trying ensuring that the wellbeing is well taken care of, this has come up with some effects that among them are negative and I wish to point them out so that this House would pass this Motion so that my people of Changamwe would appreciate the work of this Assembly and their representatives.

Among the things that have affected my people of Changamwe number one; the dust is affecting the residents health adversely, number two the dust has affected daily mood of some of the residents causing closure of some businesses due to the dust, some businesses are closed down.

Number three; water supply has been affected due to interference with the means since the start of this project there had been the contractors relocated the main supply of water there by affecting my people and they are not getting water that they were getting before, number four sewage system has also been affected, most of the toilets in Changamwe does not pass shit because the main sewage system has blocked.

So if you come to Changamwe you will find these problems with regard to the removal or disposal of shit Mr. Speaker, the streetlights have also been affected because some of the streetlights have had to be removed to pave way for the expansion of roads and they have not been restored till now, even the access road within the estates have been affected because the contractor had to divert the routes to pass into the estates and due this heavy traffic and heavy machinery most roads have been damaged.

Mr. Speaker again there is loss of employment due to the demolition and non compensation of some businesses, therefore these are among the things that have affected my people and i as i have been sent to come and speak here on behalf of them, i wish to call upon this Honorable House to look into this matter seriously on behalf of the people of Changamwe, thank you Hon Speaker.

**Deputy Speaker** (Hon. Mswabah Rashid): Yes Hon Murfad.

**Hon. Amur:** Thank you Mr. Speaker, there is a saying that every good thing comes with a bad thing, we do appreciate the road is being done but the Hon Member has not proved to this Assembly with any evidence that people have been affected so that we can believe that every good thing can come with an opposite side.

This is a temporary issue that after the roads; the water, the streetlights will be redone, we do appreciate that Counties do good jobs, I say thanks to that but even for a pregnant mother she goes through a lot of hurdles but the day she gives birth she enjoys the baby that is born.

So in every bad thing there is a good thing, we should say thank you to the good things and then if there is any evidence be proved that people have suffered with evidence whether they have been treated in hospitals or the shortage of water, shortfall of water is all over the country, so what i want to tell my brother is let's wait for the project to be completed, and if it is not done as it was then we can complain because every good thing comes with a good thing. Thank you.

**Deputy Speaker** (Hon. Mswabah Rashid): Yes Hon Meti.

**Chief Whip** (Hon. Ebrahim): Mr. Speaker I do stand to support the Motion as well; i do concur with what Hon Jimmy has said, we cannot lose the lives of our people because of a certain project, as to what was said the people of Changamwe as I also have relatives there the issue of drainage is very serious because the drainage system has locked, others have been damaged therefore causing hazardous environments. Let's say the shit does not move; just of part of the house Mr. Speaker in causing cholera, you know what it means if there is a cholera

outbreak it doesn't mean that the people of Changamwe do not appreciate projects but we need to put up better measures.

Mr. Speaker we were going to safe guard the people of Changamwe and also complete the project, the other issues are the security because of the poles; the lighting poles most of them have been removed in the areas which are so damaged, there have been a lot of robbery cases because I also witnessed one when I was going to the airport. I saw a robbery occurring at 7:30pm someone snatched a phone and escaped with it, it was a very sad thing and then we need this House to direct features which will not sideline the people of Changamwe as well as the project will completed in a good manner but it doesn't mean that they don't want the project but also need to supplied like the rest of people of Changamwe so I therefore support Mr. Jimny Odari, thank you sir.

*(Applause)*

**Deputy Speaker** (Hon. Mswabah Rashid): Yes Hon Kondo.

**Hon. Ibrahim Kondo:** Ahsante Mheshimiwa Spika. Mheshimiwa Spika nimesimama kuunga mkono hoja ilioretwa na mtarajiwa wa Changamwe Mheshimiwa Jimmy Odari.

Mheshimiwa Spika mambo yameendelea Changamwe kama alivyotangulia Mheshimiwa Amur kusema kuna mambo sote tunayahitaji na kila jambo litakapotokezea ni lazima lina athari yake.

Mheshimiwa Spika ijapokuwa ni msimu wa kiangazi lakini na sisi tukumbuke kuna wale wanaoathirika pakubwa na vumbi ambalo liko katika maeneo yale na mazingira na maswala ya maji, mazingira ya maswala ya njia ya maji chafu pamoja na kinyesi tukisubiri kazi iishe halafu tuangalie wangapi wameathirika itakuwa ni jambo la kusikitisha kwa sababu ndugu yetu Mheshimiwa Amur alipata madhara ya nyumba na alikuja na usalama ni jambo muhimu kwa Mungu kwa kupoteza maisha ya watu .....

*(Laughter)*

Kwa hivyo Mheshimiwa Spika mwanzo tuzuie...

*(Interruption)*

**Deputy Speaker** (Hon. Mswabah Rashid): Hon Amur, what is it?

**Hon. Amur:** Mr. Speaker sir these spectacles are for reading and they can see as far as ten kilometers, from here my brother will reach that age and he has spectacles at this tender age I should borrow his...

*(Laughter)*

**Hon. Ibrahim Kondo:** Ahsante Mheshimiwa Spika. Mheshimiwa Spika ndugu yangu Amur miwani niliyo nayo ni ya madaktari wasomi haihusiani na miwani yako kwa sababu ya umri wake na pia madhara aliyoyapata kule Old Town.

Mheshimiwa Spika hili jambo lichukuliwe uzito; unajua kuna miradi tuko na mitaro ambayo watoto ambao wako katika shule kuna hospitali ziko katika kando kando ya hizi barabara na hii yote ni kwamba hakuna uangalifu mzuri wa wale ambao wanafanya kazi ile kuhakikisha sehemu ile inamwangwa *murum* kuanzia asubuhi mpaka jioni.

Kwa hivyo Mheshimiwa Spika hili swala tulibebe kwa uzito kupitia kiti chako na ikiwezekana, ikiwezekana kupitia kwa wizara ama kwa Kamati ya miundo msingi barabara na Mwenyekiti ambaye ni mkakamavu na wanahusika waletwe mbele ya Nyumba hii wajieleze kwa sababu gani hawachukui hatua mwafaka kwa maswala ya wananchi wote wa Changamwe vilevile na wale wengine ambao wanaingia kutoka katika kiwanja chetu cha Ndege.

Kwa hivyo Mheshimiwa Spika hili swala sisi tunalipinga kwa sababu ya ujenzi ambao unaendelea pale mbaya.....

*(Applause)*

....Nimesema tukio ambalo liko sijasema nimepinga Mswada lazima tuelewane, kwa hivyo naomba uongozi wako ambao ni wa busara, yanayoendelea kule yaweze kusimamishwa kwa haraka upesi. Ahsante Mheshimiwa Spika.

**Deputy Speaker** (Hon. Mswabah Rashid): Yes Hon Fadhili.

**Hon. Mwalimu:** Ahsante Mheshimiwa Spika. Mheshimiwa Spika mimi kama mkaazi wa maeneo ya Changamwe nimesimama kwanza kupinga hoja hii iliyo mbele yetu.

Mheshimiwa Spika aliyelea hoja hii kwanza nashangaa akiomba Jumba hili likubaliane na serikali ya Kaunti ikiungana na serikali ya taifa.

Mheshimiwa Spika twajua kuwa mradi unaoendelea pale kwanzo ni mradi ambao umeletwa na serikali kuu na tumeelewa mpaka leo hii hakujakuja wakaazi wakaleta *petition* yoyote, mwanzo....

*(Applause)*

...alafu la pili Mheshimiwa Spika ino *impact assessment* hufanywa kabla ya mradi kama huu haujaanza, na wakati huu ukifanywa hakukuja pingamizi yoyote hapa wala Bunge kuu kupinga, na pale tumefika imefika katikati ya mradi huo unaendelea, hatutaki kuletewa hadithi za Abunuasi ndani ya Bunge hili mtu kuja kusema choo hakiendi, hizi ni hadithi za Abunuasi na...

*(Interruption)*

**Deputy Speaker** (Hon. Mswabah Rashid): Yes Hon Kibwana what is it?

**Hon. Kibwana Swaleh:** I think my colleague from Port Ritz is trying to being entertaining to this Honorable House, I think this is a good Motion he should not say that *hadithi za Abunuasi*.

Hon Jimmy Odari represents the people of Changamwe, he represents the people of Changamwe and he has spoken on behalf of the people of Changamwe and I think he should respect my colleague from Changamwe, thank you Mr. Speaker.

**Deputy Speaker** (Hon. Mswabah Rashid): Yes Hon Fadhili.

**Hon. Mwalimu:** Mheshimiwa Spika mimi nilisema hadithi za Abunuasi kwa sababu tunaambiwa kinyesi hakiendi, hatujasikia hata siku moja kutoka kwa wakaazi wa maeneo yale na mimi nikiwa ni mmoja nimejitambulisha naishi kwa maeneo yale ya kwamba kuna siku nimeona kwangu...

*(Interruption)*

**Deputy Speaker** (Hon. Mswabah Rashid): What is it Hon Wangudi?

**Hon. Wangudi:** Mheshimiwa Fadhili alipozungumza kuwa hajaona wakaazi wa eneo hilo...

*(Interruption)*

**Deputy Speaker** (Hon. Mswabah Rashid): Are you standing on a Point of order or what is it? Under what Standing order!?

*(Interruption)*

**Hon. Wangudi:** Yes Hon Spaker...

*(Interruption)*

**Deputy Speaker** (Hon. Mswabah Rashid): Then what is the Standing Order?

**Hon. Wangudi:** Mheshimiwa Spika Mheshimiwa Fadhili anaposimama katika Nyumba hii....

*(Interruption)*

**Deputy Speaker** (Hon. Mswabah Rashid): No Hon Wangudi let me put it straight, you will be given a chance to speak, you will also speak, you always stand on a Point of order, if you have a Point of order you stand on a Point of order and you quote that order, but when you give

a chance to speak you will talk against what Hon Fadhili is talking, are you up on a Point of order?

**Hon. Wangudi:** No Hon Speaker.

**Deputy Speaker** (Hon. Mswabah Rashid): Yes Hon Fadhili.

**Hon. Mwalimu:** Naam Mheshimiwa Spika, mimi nimesema na heshimu maoni ya wenzangu wala si kusema napinga maoni ya wenzangu lakini napinga hiyo hoja kwa jinsi ilivyoletwa na vile vile tukijua hili ni Jumba la sheria ikiwa tuko na udhibitishi wa kuonyesha madhara ambayo yako ni haki yaletwe mbele ya Jumba hili watu waone udhibitisho kuna hivi, kuna watu fulani wamedhurika kiasi hichi, basi tuchukue jukumu kuu kama serikali ili tusukume pale ambapo panahitajika ihakikishe imefanya....

*(Interruption)*

**Deputy Speaker** (Hon. Mswabah Rashid): Yes Hon what is it? Are you standing on a Point of order?

**Hon. Ibrahim Kondo:** Yes.

**Deputy Speaker** (Hon. Mswabah Rashid): Under what Standing order?

*(Laughter)*

**Hon. Ibrahim Kondo:** Mheshimiwa Spika tukianza kupelekeana namna hio...

*(Interruption)*

**Deputy Speaker** (Hon. Mswabah Rashid): Honorable you only stand on Point of order, if you want to talk, talk. Under what Standing order?

*(Interruption)*

**Hon. Ibrahim Kondo:** Honorable Speaker we have rules and regulations but we are not on a rule to give each and every single quote from that Standing order, so...?

*(Laughter)*

**Deputy Speaker** (Hon. Mswabah Rashid): Which Standing order are you standing on?

**Hon. Ibrahim Kondo:** Mheshimiwa Spika.

**Deputy Speaker** (Hon. Mswabah Rashid): If you want to speak wait for Fadhili to finish, you stand to start.

**Hon. Ibrahim Kondo:** Just to clarify point of information, whom are you informing, for I have been informed for the people of Changamwe to hear it from this House.

**Deputy Speaker** (Hon. Mswabah Rashid): Everybody will be given a chance to talk we don't need to interfere with other people, please don't interfere with him, can you sit down please Honorable Fadhili, can you continue.

**Hon. Mwalimu:** Mr. Speaker, I withdraw.

*(Laughter)*

**Deputy Speaker** (Hon. Mswabah Rashid): Yes, Honorable Siminyu Muriuki...

**Hon. Siminyu:** Thank you Mr. Speaker. I support this Motion because it is going to take care of people from Changamwe Mr. Speaker...

*(Loud Consultation)*

**Deputy Speaker** (Hon. Mswabah Rashid): Members order! Let's keep order! Let's be orderly in the House! Order!

**Hon. Siminyu:** This Motion should be brought earlier in the case Mr. Speaker but better late than never.

Mr. Speaker I have been passing through Changamwe and I have seen such a disaster going on in that area; the people are really suffering, there are some prayers that the Honourable Members have said they are not in this Order paper, they are very important like he said the issue

of compensation and I was looking at this document there is nothing to do with the compensation of which it is important to bring in this Motion.

Mr. Speaker the prayer of Honourable of Changamwe has brought, we need to find out; they said that the Environmental Impact Assessment (EIA) is done by NEMA before the project, is it there? Those are the issues that as Members we should ask ourselves and I believe that we have a very vibrant Committee of Environment and can find out that whether the EIA was done and what measures were taken to avoid the effect that is going to happen to the people of Changamwe.

Mr. Speaker as the Honourable Member of Changamwe have said that the drainage system is not working, what measures have they taken to ease the pressure for that system to work.

This is a very serious matter and the Honourable Members should not joke because a Member is elected to represent issues affecting his people and I believe Honourable for Changamwe, Hon Jimmy is doing the legal thing and the right thing for his people.

Mr. Speaker, I fully support it and I beg the Honourable Members of this House to support this Motion, thank you.

**Deputy Speaker** (Hon. Mswabah Rashid): Yes please Hon Mwinga.

**Hon. Mwinga:** Ahsante sana Mheshimiwa Spika kwa kunipatia nafasi hii na mimi nikaweze kuchangia mswada huu ambao umeletwa hapa na Mheshimiwa Odari.

Mheshimiwa Spika mimi nimesimama hapa kupinga mswada huu, mimi nimeshangaa na Mheshimiwa wa Changamwe kwa sababu ule mradi ambao unaendelea mahali pale ni mradi mkubwa ambao unatambulikana Kenya nzima.

Mheshimiwa Spika hata mimi nashangaa kwa sababu kabla huu mradi haujaanza watu wa Changamwe walihusishwa, viongozi wa Changamwe walihusishwa na la kushangaza ni kwamba hawakupinga kutoka mwanzo na mpaka sasa mradi uko karibu kuisha ndio Mheshimiwa ana sikika kwa Nyumba hii akisema kwamba ule mradi una madhara. Mheshimiwa Spika nafikiri...

*(Interruption)*

**Deputy Speaker** (Hon. Mswabah Rashid): Yes, what is it Hon Ibrahim Kondo?

**Hon. Ibrahim Kondo:** Hon Speaker this is just a....

**Deputy Speaker** (Hon. Mswabah Rashid): Do you want to contribute or you have a Point of order?

**Hon. Ibrahim Kondo:** No, a Point of information. Hon Speaker...

**Deputy Speaker** (Hon. Mswabah Rashid): Do you need to be informed Hon Mwadziwe?

**Hon. Ibrahim Kondo:** No, am not informing Honourable...

**Deputy Speaker** (Hon. Mswabah Rashid): You wait for your turn and you will speak for your turn Honorable...

**Hon. Ibrahim Kondo:** Hon Speaker am here...

**Deputy Speaker** (Hon. Mswabah Rashid): Under which Standing order?

**Hon. Ibrahim Kondo:** Am just informing the House.

**Deputy Speaker** (Hon. Mswabah Rashid): Under which Standing order?

**Hon. Ibrahim Kondo:** Am just informing the House the people of Changamwe are here....

**Deputy Speaker** (Hon. Mswabah Rashid): Under which Standing order? No, just sit down. If you do not have a Standing order please sit down. Yes, Hon Mwadziwe can you continue..

**Hon. Mwinga:** Mheshimiwa Spika pengine la kushangaza ni kwamba Mheshimiwa analalamika ya kwamba watu hawajalipwa wale ambao walivunjiwa manyumba, lakini ilikua

kwa magazeti watu wote washalipwa labda anatuletea Mswada huu kwa sababu wale watu wamelipwa wamemaliza pesa wanataka waongezwe pesa lakini watu washalipwa na nashangaa akisema ya kwamba watu hawajalipwa.

Kwa hivyo Mheshimiwa Spika mswada huu unafikiri hata wale ambao serikali kuu pamoja na yale mashirika ambayo yalisaidia kutengeneza mradi huu wakisikia jambo hili labda kuna wanataka kutengeneza mahali pengine hawatatengeneza kwa sababu watu wetu watakua, badala washukuru watu wanalalamika. Ahsante Mheshimiwa Spika.

**Deputy Speaker** (Hon. Mswabah Rashid): Yes, Hon Akinyi.

**Hon. (Ms)Akinyi:** Ahsante sana Mheshimiwa Spika. Mheshimiwa Spika, mimi pia nimesimama kuupinga msuada huu....

(Applause)

...kwa sababu zifuatazo Mheshimiwa Spika. Mheshimiwa Spika katika mjadala huo amewekea mkazo kuwa vumbi ya barabara inaumiza watu pale lakini niko na uhakikisho kila asubuhi na jioni huwa kuna gari ambalo linanyunyiza maji barabarani.

Mheshimiwa Spika ukiwa unaangalia vile barabara inavyotengenezwa wakifika mahali mpaka huwa wawache barabara mbapo inapenya magari yanapoingia ili magari yaweze kufika mahali ambapo yanaenda.

Mheshimiwa Spika naendelea kupinga mjadala huu asiseme kuwa kinyesi hakiendi, yawezakuwa kwa vile kuna shida ya maji kule Changamwe sasa wale watu hawamwagi maji ya kutosha katika vile vinyesi ndani ya choo ndio kwa sababu vinyesi haviendi na haviteremki kwa sawasawa.

Mheshimiwa Spika kama Mheshimiwa alikuwa anataka kuleta haya mambo yote wakati barabara ilikuwa inafanyiwa *assesment*, mambo haya yote yaliwekwa chini, yakawa yamesemekana kutokana na hii barabara ambayo inataka kutengenezwa hapa mambo haya yatakuwa ni mambo mabaya na mambo haya yatakuwa ni mazuri, ambayo itafikia wakati barabara itakapokuwa inatengenezwa.

Mheshimiwa Spika tumebaki na miezi minne ile barabara inakamilika kwa sababu tuliambiwa na hata tunajua kufikia mwezi wa sita ile barabara itakuwa imekamilika, sasa Mheshimiwa tukiwa tumeanza kushikana na serikali kuu serikali ya Kaunti kushikana na serikali kuu iangalie mambo vile itakavyokuwa inatengeneza haya mambo ili yaendeleo vile inavyotakikana na waliyatengeneza kabla hata hawajaanza yale mambo yale Mheshimiwa Spika.

Kwa hivyo Mheshimiwa Spika mimi naendelea nikiwa nimekaa hapa chini kuwa mjadala huu naupinga kwa sababu umeletwa wakati mbaya. Ahsante Mheshimiwa Spika.

**Deputy Speaker** (Hon. Mswabah Rashid): Mheshimiwa Saad Faraj.

**Hon. Faraj:** Ahsante sana Bwana Spika, nimesimama kuupinga vikali mswada huu; Mswada ambao kwamba umeletwa kwanza kabisa ni lazima tukumbuke ni wakati ambao kwamba sio muafaka wa kuletwa mswada kama huu, na katika vipimo vya kimitambo ya uongozi panapoanza mradi wowote huwa kuna jambo kwa kimombo huwa inaitwa *Environmental Impact Assessment* ambayo kwambo inahusiana na madhara na athari ambayo kwamba inawezwa kuwachwa kwa mradi kama ule unapofanyika na walihusishwa viongozi wote wakiwemo Waheshimiwa wa eneo la Changamwe kwa sababu mradi huu unafanywa katika sehemu yao, Mbunge alikuweko, wawakilishi kutoka serikali ya Kaunti na wawakilishi kutoka serikali kuu.

Mheshimiwa Spika nashangaa mradi baada ya kuwa ushaenda kwa muda mrefu na unatarajiwa kumalizika mradi ule sasa hivi tunapata malalamishi ya kuwa kuna masuala kama haya yanachipuka na kuhusiana na masuala ya ridhaa, wale wakaazi wa maeneo yale

walioathirika na masuala tofauti tofauti waliweza kulipwa ridhaa zao na wakaridhika na mradi ukawa unaendelea.

Mheshimiwa Spika kuna mpangilio ambao kwamba ni lazima tuuheshimu, sisi kama viongozi tusichukulie kila kitu ni siasa, kuna masuala mengine lazima tuyaangalie kwa maslahi ya jamii na umma mzima kwa jumla.

Tukiangalia faida ya ule mradi unaofanyika ni mkubwa zaidi kuliko mambo haya madogo ambayo tunajadili hivi sasa Mheshimiwa Spika; leo barabara za Changamwe zilikuwa hazipitiki, kulikuwa na msongamano mkuu katika barabara zile za Changamwe, kulikuwa na matatizo ya kila aina katika barabara kama zile, leo Mungu amejaalia mradi haujamalizika kikamilifu lakini unaona athari kubwa ya kuwa kuna mabadiliko makubwa yanayopatikana katika barabara kama zile.

Mheshimiwa Spika mimi kibinafsi naupinga mswada huu kwa kuwa wakati ambao kwamba umeletwa sio, na masuala yote ambayo kwamba yameletwa yamepitwa na wakati, ni kuomba Mwenyezi Mungu mradi huu umalizike kwa salama uwafae watu wa Changamwe na Mombasa yote kwa jumla. Ahsante sana Mheshimiwa Spika.

**Deputy Speaker** (Hon. Mswabah Rashid): Yes Hon Kibwana. Hon Kondo under Stand Order number 78 is saying *no Member should speak more than once to a question except in the Committee of the Whole County Assembly...*

*(Laughter)*

Yes Hon Kibwana.

**Hon. Kibwana Swaleh:** Thank you Hon Speaker. Hon Speaker I would like to share the problem that my friend and colleague from Changamwe is facing; sometimes Hon Speaker the issue of EIA is a formality and not up to standard so sometimes....

*(Applause)*

...Hon Jimmy came to this House because he is living in that place Hon Speaker and it maybe to some extent the problem that he has said in this Honorable House has not been done properly about the issue of the water and whatever drainage system.

Hon Speaker these are major projects which sometimes are done under the national government, through this Honorable House I think you should give us an opportunity to our department of Infrastructure to see whether it has been tabled to this Honorable House, is it correct or wrong.

Hon Speaker I think also in this issue I don't know if you will take it from your Chair Mr. Speaker the issue of Corporate Social Responsibility (CSR); these projects normally come to our County but we don't know what has benefitted our people...

*(Applause)*

...So Mr. Speaker I think now we are saying that there's a saying that, "Better late than never", so I think also this is an opportunity for us as Honorable House to see whether they are adhering to the Environmental Impact Assessment and also to see whether the compensation some people are being intended to be from the national government when they claim people have been paid they should give us evidence that they have been paid or they have been compensated.

Finally Mr. Speaker I think it is very important for us to see if this road has got benefits but when you go through this road I think they should be put some signs that we are going to avoid some accidents in the future.

So Mr. Speaker I stand with my colleague because he is living in that area, the people of Changamwe are also suffering and also through my area where we have SGR am seeing the same problem. Thank you Mr. Speaker.

*(Interruption)*

**Deputy Speaker** (Hon. Mswabah Rashid): Hon Kondo you cannot speak again.

**Hon. Ibrahim Kondo:** Through your quote Mr. Chair you have said that no Member should talk twice but I spoke once not more than once...

*(Interruption)*

**Deputy Speaker** (Hon. Mswabah Rashid): Not more than once you have spoken to this Motion just have your seat. Yes Hon Jimmy Odari can you reply to the Motion.

**Hon. Odari:** Mheshimiwa Spika nataka kuongea Kiswahili sababu wenzangu wengine hapa hawaelewi Kizungu cha Uingereza...

*(Laughter)*

...Hicho ni kitu cha ku *consider* Mheshimiwa Spika kwanza nilipoleta hii hoja sikutarajia kwamba kuna wataalamu wa mambo ya mazingira watanijibu...

*(Laughter and applause)*

Mheshimiwa Spika nilikuwa nafikiria watanipeleka katika Kamati husika ikachunguze nijue ukweli wa haya mambo; mimi katika hawa wote waliozungumza hakuna anayeishi Changamwe ni wapita njia na wengine hawajui lolote kuhusiana na Changamwe isipokuwa mtu kama Mheshimiwa Ibrahim Kondo ni mtu tunayeshinda naye pamoja....

*(Applause)*

....Mimi naenda wodi yake na yeye yuaenda wodi yangu hata Mheshimiwa Mary ni mpita njia tu na haya maneno ni maneno *serious*, maneno ya *environmental assesment* Mheshimiwa Spika nayafahamu sana. Mheshimiwa Spika nimebahatika kufanya kazi...

*(Interruption)*

**Deputy Speaker** (Hon. Mswabah Rashid): Members! Members just leave Hon Odari to finish...

**Hon. Odari:** Mheshimiwa Spika mimi nishawahi kufanya kazi katika mashirika mbali mbali, nishawahi kufanya kwa Kamati za mambo ya haki, Kamati za *ISO*, Kamati nyingi za *Public Health* ni nyingi ambazo nimepitia, masuala ambayo nimeyaleta hapa si masuala ya historia ama ya hadithi haya ni mambo ambayo yataka mtu kwenda pale Changamwe ayaone sio mambo ya kuzungumza tu...

*(Interruption)*

**Deputy Speaker** (Hon. Mswabah Rashid): Hon Jimmy Odari you should know the people you are addressing, you should ask for people to vote for you.

**Hon. Odari:** Mheshimiwa Spika nasema vipi....

**Deputy Speaker** (Hon. Mswabah Rashid): Urge them to support you.

**Hon. Odari:** Nataka kueleza hawa watu wapate kuelewa, haya maswala ambayo yametokea ni maswala ambayo yako mashinani saa hii na nigeshekuru Mheshimiwa Spika kama ungetuma Kamati iende kule wodi mtaani ihakikishe kwamba ni kweli...

EIA ni *formality* tu Mheshimiwa Spika inafanywa lakini ukija mashinani utapata maneno yanayotokea tatizo la *relocation* ya *pipe* ya maji ni kitu kilitokea nilishuhudia na macho yangu na tatizo la taa za barabarani kuondolewa mimi nilishuhudia na macho yangu mambo ya *water pipes* kuwa *relocated* nilishuhudia kwa macho yangu na ni kitu ambacho kimeathiri si hadithi pengine walipokuwa wakifanya EIA hawakutarajia itafikia hapo.

Hii EIA ni *formality* lakini mambo yanayotokea mashinani ni mambo mengine tofauti, kwa hivyo Mheshimiwa Spika mimi ningependa hili jambo tulichukulie kwa uzito Kamati ya Bunge inayohusika na mambo haya ikafanye *site visit* ikahakikishe kama ni ukweli ama ni uongo.

Mimi nimesema tangu mwanzo kuwa sipingi mradi watu wa Changamwe hawapingi mradi mwanzo tunajivunia huo mradi kuliko wale wanasema ule mradi uko kwa Wodi yangu,

uko kwa Wodi ya Kondo, uko kwa wodi ya Fadhili, uko kwa Wodi ya Mswabah Spika sote twajivunia, twafurahia hata vile itapunguza msongamano wa magari twafurahia hatupingi lakini kuna watu wanaishi pale kando ile vumbi inawaathiri, yale maji ambayo hayapatikani lazima tuangalie.

Sijapinga tu kwenye maombi yangu Mheshimiwa Spika nasema, *the County government in conjunction with the national government to come up with proper mitigation measures to curb this menace in order to safeguard the health, safety and well being of the residents and passers by.*

Hio tu, kwa hivyo nawasihi, nawatafadhalisha waunge mkono huu mswada kwa manufaa ya watu wa Changamwe wala haujachelewa wazungu wasema, *better late than never*, sio kitu kimefanyika tuwasaidie watu wa Changamwe tuwasaidie si kusema kimechelewa na watu wa athirika.

Hii *measure* itakayochukuliwa si ati itaathiri mradi tukisema vyoo vifunguliwe mradi utasimama tukisema maji yafunguliwe utasimama wacha vitu vyote vizuri viende pamoja, kwa hivyo naomba waheshimiwa...

*(Laughter)*

...Wapendwa waunge mkono huu mswada mia fil mia. Ahsanteni.

*(Question put)*

**Deputy Speaker** (Hon. Mswabah Rashid): Members there being no other debate I put the question to the Motion by Hon Jimmy Odari on environmental impact of Changamwe highway be passed as it is...

*(Question put and negated)*

Yes Clerk.

### ADJOURNMENT

Ladies and gentlemen there being no other business this House stands adjourned until tomorrow.

The House rose at 3:25pm.
