MOTION

(Resumption of debate interrupted on Tuesday 12th April, 2016)

Deputy Speaker (Hon. Mswabah Rashid): This is an unfinished job but maybe we will ask Hon. Madundo to elaborate; to remind us further what transpired so Mr. Madundo try to convince the House why this Motion should be passed.

Hon. Mohamed Madundo: Ahsante Mheshimiwa Spika nafikiri tulikua tunaendelea na mjadala kwa sababu niliposoma....

(Interruption)

Deputy Speaker (Hon. Mswabah Rashid): Hon. Madundo come closer to the Hansard gadget please.

Hon. Mohamed Madundo: Ahsante Bwana Spika kwa ukarimu wako, nafikiri tulijadiliana kulingana na huu mjadala ya kuwa kwa nini hii tupitishe katika Bunge letu ni kwa ajili ya kuwa kulingana na mipangilio yetu ya Kaunti ya Mombasa na tulifanya sheria ambazo zilikuwa ni za kufana ili tuweze kufanya hii kazi na kazi hii tegemeo kubwa kwetu sisi katika Bunge tupitishe huu mjadala ya kuwa ni muhimu kwa sababu kila nchi mbeleni ilikuwako na mipangilio yake ambayo yamepangwa lakini mipango mingi imebadilishwa kulingana ya watu kuwa imeongezeka na tukisema hatutajenga au tubaki na yale majengo yetu ya zamani yatakuwa yale majengo hayafai na pia yamepitwa na wakati.

Kwa hio ndio nimesisitiza kwamba hili Bunge tupitishe katika huu Mswada ambao tuko nao wa mipangilio ili mji wetu uwe wa kisawasawa na hawa ambao wapo nyuma zetu ambao watatufata waone pia sisi tumefanya kazi ambazo ni nzuri za kupendeza na wao pia kama watakuja ingia kwa sababu hio 2035 labda sisi wengine tutakuwa hatuko katika ulimwengu lakini kihistoria itakuwa tumeweka na wale ambao watakua wanafatilia katika Bunge hili pia nao watakuwa wameachwa mahali ambapo ni pazuri kwa mfano kama ile nchi ya Africa Kusini mji wa Johannesburg wakati wazungu walipotawala walifanya mambo ambayo ni mazuri mpaka leo hii Johannesburg inaonekana kama ni mji kweli ni Afrika lakini ukiona unaweza kusema kabisa hii sio Afrika. Hivyo basi ni jambo ambalo ni muhimu sisi katika Bunge letu tulifanye na pia naweza kumpongeza Bwana Gavana wetu Ali Hassan Joho kwa kazi ambayo pia alifanya kule kwenda nje kutembea kutuletea mambo mazuri, kwa hiyo ni sisi tumebakia kazi yetu ni tuwe na kuunga mkono wa nguvu ili mji wetu wa Mombasa uonekane mji zaidi ya kama ya Johannesburg. Ahsante Mheshimiwa Spika.

Deputy Speaker (Hon. Mswabah Rashid): Yes Hon. Enock Mwadziwe.

Hon. Mwinga: Ahsante Mheshimiwa Spika, pia mimi nimesimama hapa kuunga mkono mjadala ambao tulikua tunauendeleza jana. Mheshimiwa Spika kuna umuhimu ama kila mji ile miji ambayo imeendelea kila mahali tunaona ya kwamba imepangwa na ikapangika. Mheshimiwa Spika ndio basi mji wetu wa Mombasa kulingana na mpangilio ambao tumeupata ni mpangilio wa kufurahisha na ni mpangilio mzuri ambao watu wetu wa Mombasa itakapokuwa imetokelezwa basi hakutakuwa na shida zozote. Mheshimiwa Spika hata hizi shida ambazo tunazipata wakati huu kwa mfano upande wa uchukuzi nafikiri ni kwa sababu wale waliopanga ama ile mipango iliokuwa imepangwa katika mji huu imepitwa na wakati kwa sababu ukiangalia barabara zetu sasa ni ndogo magari yamekuwa mengi isipokuwa tunashukuru kwa sababu upande ama watu wa trafiki upande wa Mombasa Kaunti wamefanya kazi ya ziada mpaka huo msongamano wa magari sasa tunaona ya kwamba umepungua basi mji huu utakapokuwa umepangika vizuri basi shida kama hizi labda zitachukua karibu miaka 100 baadae ndio tuje tupate shida kama hizi basi.

Mheshimiwa Spika mimi mpango huu nauunga mkono, na kama nilivyosema jana pale niliposema ya kwamba mipango hii imegusa mpaka Mwakirunge, watu wetu wa Mwakirunge nafikiri watajihisi ya kwamba nao wamekumbukwa kwa sababu itakuwa ni historia ule mtambo wakusaga zile taka taka nakutengeneza mbolea na kutengeza vitu vyengine vya muhimu, vitawafaidisha kwa sababu jambo la kwanza watu wangu wa Mwakirunge ama vijana watapata ajira na mbali na kupata ajira kwa sababu ule utakuwa ni mtambo ambao utakuwa unaleta taka taka kutoka mahali kwingi hata zile barabara zetu zitakuwa zimetengenezwa vizuri na biashara itakuwa inaendelea vizuri kwa watu wa kule. Kwa hio mimi Mheshimiwa Spika naunga mkono na ninasema ya kwamba, nitarudia nikisema ya kwamba tushirikiane hasa Nyumba hii pamoja na *Executive* wetu pamoja na Gavana wetu tuweze kushirikiana ili mradi huu ukaweze kutekelezwa haraka iwezekanavyo. Ahsante sana Bwana Spika.

Deputy Speaker (Hon. Mswabah Rashid): Omar Boma.

Hon. Boma: Ahsante sana Mheshimiwa Spika kwa kunipa nafasi hii pia mimi kuchangia kuhusu Mswada huu, ukiangalia sisi ni viongozi tumechaguliwa, na kazi ya kiongozi ni kuleta maendeleo, na moja wapo wa maendeleo ndio kama haya, mji wetu upanuke. Katika Kenya mji wetu ndio mji mkuu wa pili na ukiangalia ule mji mkubwa ambao wa kihistoria mambo ya utalii yako hapa, mambo ya bandari yako hapa, mji huu ukitengezwa nyumba zetu zikitengenezwa kwa wingi utakuwa mji wa kung'ara, nyumba zikiwa nyingi watu watakuwa

wanapata nafasi ya kuishi katika mji. Ukiangalia upande wa mabarabara, barabara saa hii zote ni mbovu, lakini kulingana na mipango ile ambayo imetengenezwa, nafikiri sasa hakutakuwa na shida ya kuwa na msongamano wa magari. Ukiangalia kwa upande wa stadium, Kaunti ya Mombasa iko na 'stadium' moja pekee yake lakini na ile 'stadium' moja ambayo iko saa hii ni 'stadium' ambayo haifai hata kucheza michezo ya kitaifa lakini kulingana na mpangilio huu ile 'stadium' ambayo itakayotengenezwa Shanzu, huenda nchi yetu pia ikawa kama ya Africa Kusini, michezo ya kidunia ikaletwa hapa. Kwa hio mimi naunga mkono moja kwa moja; pili mpango huu ukitengenezwa vijana wengi watapata vibarua maanake shida kubwa ya hivi sasa ya vijana ni kibarua, watapata kazi waweze kujikimu kimaisha. Ahsante sana Mheshimiwa Spika.

Deputy Speaker (Hon. Mswabah Rashid): Yes Hon. Mary Akinyi.

Hon. (Ms.) Akinyi: Ahsante Mheshimiwa Spika, naendelea kuunga mkono kwa dhiti mjadala huu; ya kuwa sisi ndio wa kwanza wakuweza kuanza mpangilio huu wa *Vision 2035*. Mheshimiwa Spika tukiangalia katika *Observations and Findings*, 2.8 nitasoma kwa Kiingereza, *"The County Government will be in charge of implementation of the plan while most of the projects will involve a various funding mechanisms including, public, private, public-private partnership and donor financed"*. Mheshimiwa Spika mimi naendelea kuunga mkono nikiwa nimepitia haya maswala ya hapa ya 2.8; tukiwa tunaangalia hii nchi yetu ya Kenya tunapata kuwa tunadaiwa 'trillion' tatu, nitalizungumza hilo neno kwa kiingereza tatu nukta fulani 'trillion' ambayo nchi ya Kenya inadaiwa ndiposa tukiwa tumeanza hii riwaza ya 2035, hata kama Kenya itakuwa inadaiwa hizo ma triloni sisi pia tutakuwa tunadaiwa hizo ma triloni lakini sisi tumeona faida ya sisi kufanya nini, kudaiwa. Hivyo basi mimi naendelea kupongeza nikiwa nasema sisi tuko na maono ambayo yako mbele kabisa, ambapo wakati Kenya inapodaiwa na sisi tayari tumewekewa hizo miundo msingi ambayo inahitajika kwa wakati huu.

Kaunti yetu ya Mombasa, itakuwa ni Kaunti ambayo inang'ara, inang'ara itakuwa kama ni kama zile nchi za kule nje, nchi za ng'ambo, sasa hata kama tutakuwa tunadaiwa, tena napongeza jambo hili ya riwaza ya 2035 kwa sababu mpangilio huu ukiwa umeisha, si ajabu ni sisi Kaunti ya Mombasa sisi ndio tutaweza kuokoa nchi yetu ya Kenya. Kwa sababu mambo haya yakiwa yakishaletwa watu uchumi utakuwa umeendelea chini na watu wataweza hata kulipa hii triloni ambayo Kenya inadaiwa kupitia kwa haya mambo ambayo watu wameona maisha yamerudi chini na watakuwa wanaendelea vizuri. Mheshimiwa Spika tukiwa tunaangalia hii nchi yetu ya Kenya, yenyewe inaenda vibaya kwa sababu unapooni kama nchi yenu benki zimeanza kufungwa, hiyo inaonyesha kuwa uchumi unaendelea kuzoroteka katika nchi ya Kenya.

Kwa hivyo sisi kama viongozi wa Kaunti ya Mombasa, tumeona mambo haya mbele, tumekuwa mbele ya kuona maono kama haya, ikiwa tunaona kuwa nchi ya Kenya inaendelea kuzoroteka katika hali ya kiuchumi ambapo sisi ndio tutakuwa wa kwanza tuweze kusaidia watu wetu watakuwa wanaishi katika nyumba ambazo ziko nzuri, wanapata maji hapo hapo hata uchumi pia wataweza kuendana na mambo ya kiuchumi kulingana na vile inavyohitajika. Kwa hio Mheshimiwa Spika mimi bado naendelea kuunga mkono kuwa jambo hili tulipitisha na ianze kazi haraka iwezekanavyo, na pia mimi nimeona kama hii riwaza ya 2035 imeanza na kama riwaza ya 2035 tayari imeanza na kama unataka kuona kama imeanza kweli, hebu panda gari lako, nenda ukapite njia ya Changamwe kuelekea uko uwanja wa ndege, utaweza kuona kama hii riwaza ya 2035 tayari imefanya nini, imeanza. Hivyo basi tuendele kuunga mkono, tuendele kushirikiana tuendele kushikana ili haya maono yetu yaweze kufika mahali ambapo panatakikana na sisi pia tutakuwa tumeacha 'legacy' hapa nyuma kuwa wakati sisi tulipokuwa

ni Wabunge wa kwanza wa Kaunti ya Mombasa ni mambo haya ambayo tuliweza kuyafanya na Kaunti ya Mombasa ikawa inang'ara kama nchi za nje. Ahsante sana Mheshimiwa Spika.

Deputy Speaker (Hon. Mswabah Rashid): Tom Ogalo.

Hon. Ogalo: Ahsante sana Mheshimiwa Spika mimi pia nimesimama kuunga mkono mipango ambayo imeletwa kwa Bunge hili, ni mipango ambayo ni mizuri sana Mheshimiwa Spika, kwa hivyo nasema kwamba tujipange na sasa tunajipanga kwa hiyo naomba tu watu wa Mombasa Kaunti huu mpango wa mipango hii wasiingie kwa siasa wasiweke siasa hapo, sababu najua upinzani hata kama ni mzuri hawataunga mkono watasema ni mbaya, naomba Mungu aingie kwa roho yao waone mbele, waache mambo ya siasa ili mpango ufanywe vile inatafikana hapa na baadae tuone raha ya huu mpango. Ahsante Mheshimiwa Spika.

Deputy Speaker (Hon. Mswabah Rashid): Hon. Onje.

Hon. Onje: Ahsante sana Mheshimiwa Spika kwa kunipa nafasi mimi pia niweze kusimama kuunga mkono riwaza ya 2035. Mheshimiwa Spika kama vile sisi ndio watumishi wa serikali ya Kaunti hakuna serikali ya Kaunti yeyote imewahi kuwa hapa Kenya, nia ambayo tuko nayo leo, na hii mipango ambayo sasa iko mbele yetu ya upande wa mji wetu jinsi tunataka uonekane kupitia riwaza ya 2035. Ni mpango mmoja mzuri sana na tunataka ya kwamba hata na wale viongozi ambao watafuata nyuma yetu hii ndio mpango ambao watakuwa wakitumia wakifanya kazi yoyote ndani ya Mombasa Kaunti watakapochaguliwa; wawe ni wageni, wawe ni sisi ambao tutarudi lakini kutakuwa kuna mpango tayari ambao tunatumia ya kufanya kazi yetu. Kila bajeti ambayo tutakuwa tukipitisha Mheshimiwa Spika tutakuwa tukiangalia hii riwaza kwa sababu ifikapo mwaka 2035 tutakuwa tushagonga ile kilele chetu ya kuwa Waheshimiwa Mheshimiwa Spika na kuingia hapa kwenye riwaza hii, kwenye hii *strategic plan vision 2035*. Ukija kwenye *observations and findings number 2.9*, Mheshimiwa Spika inasema vizuri vile hii kazi itafanyika inasema ya kwamba nitasoma kwa kimombo Mheshimiwa Spika ukiniiruhusu, "*The end result in sum, would be an improvement in the quality of life and better services to citizens, increased revenues to the national and County governments, and a smart modern city which will be manageable and the pride of all*". Sasa Mheshimiwa Spika ukiangalia vile wanaongea hapa kwenye *their observations and findings* inaonyesha ya kwamba hii mbinu itakapofika 2035 sijui kwamba hii Kaunti ya Mombasa ama mji huu wa Mombasa utaweza kulinganishwa na mji gani, utakuwa ni mji mwengine hata kwanza italeta wageni wengi kutoka nje kushinda saa hii kwa sababu watu wengi kutoka nchi za nje wakizuru eneo hili la pwani Kaunti ya Mombasa wakitaka kujua ni mbinu gani ambayo tilitumia ndiposa tukaweza kufika mahali tumefika.

Kwa hio Mheshimiwa Spika huu mpangilio kwanza nitampatia Mheshimiwa Gavana kongole kwa juhudi yake na kazi kuu ambayo anafanya kuonyesha ya kwamba tulimchagua Gavana mchapa kazi na huwa halali kwa kazi yake kila mahali kila mara akilala, akiamka, akifanya nini anafikiria mambo ya watu wake na mambo ya Kaunti ya Mombasa. Mheshimiwa Spika ukiangalia mipango ambayo tuko nayo kwenye hii Kaunti yetu ni shida kila mahali; ukiangalia ujenzi unaoendelea katika Kaunti ya Mombasa ni shida hata mahali pa gari kupita tu kuingia hata kama nyumba inachomeka unapata ni shida, ni nadra sana unapata kwamba nyumba imechomeka kwa sababu mpangilio duni ambayo ilikuwa hapo awali na hii riwaza inaonyesha kinaga ubaga kila kitu vile itakavyofanyika ambayo ningefanya hayo mambo nikijenga nyumba yangu basi vile najua hata moto ukitokea kuna njia na gari la wazima moto lipo kwa sababu hii riwaza imeonyesha kila kitu kwa kila serikali ya Kaunti. Mheshimiwa Spika hata tukiangalia ile Miswada ambayo tumepitisha hapo awali imeonyesha kwamba kila Kaunti na maeneo katika Kaunti yatakuwa na yale magari makubwa makubwa ya

kuzima moto, kwa hio mimi nina furaha kubwa sana nikisimama hapa nikizungumza hivi na mimi naomba Waheshimiwa wenzangu pia tukiwa pamoja na tukiwa tumeweka Kaunti ya Mombasa mbele tuunge hili swala mkono na tupitishe, jambo la kwamba kuna wengine ambao wako nje wataleta shida sisi tuko kwenye mamlaka na sisi tumeshinda na bado tunaendelea tumeshinda na ndio maana tuko hapa. Kwa hio sisi tunataka kuongea na wale ambao wako nje ili tukipanda gari tunaongea ambao tuko nao na yule yuko mbele anapeleka gari Mheshimiwa Spika hatuna haja ya kungoja na kuangalia wale ambao wako chini na tunajua hili gari tutaliendesha hadi tufike pahali ambapo tunataka. Ahsante Mheshimiwa Spika.

Deputy Speaker (Hon. Mswabah Rashid): Yes Hon. Ahmed Omar Meti.

Hon. Ahmed Omar Ebrahim: Shukran Mheshimiwa Spika mimi pia ningependa kuchangia katika mada hii kuhusu ripoti yetu ya ISUD Plan-2035 iliyoletwa na Naibu Mwenyekiti wa Ardhi Mheshimiwa ngangari Mohamed Madundo kutoka Shika Adabu. Mheshimiwa Spika tukiangalia mambo haya yanaonyesha wazi uongozi wa Mombasa nia na madhumuni yake mazuri kwa wananchi wake wa Mombasa Kaunti, sababu tutakapopitisha mipango kama hii hili jambo la muhimu sana kwetu sisi kwani itaboresha maisha ya wananchi wetu tunavyoishi. Mheshimiwa Spika tukiangalia jinsi yale majumba yatakavyorekebisha na kuwekwa njia mpya ambazo zitaboresha makazi yetu ya ki Mombasa, mabarabara pia tunaona yatatengezwa yamechakaa na pia vile vile itatuongezea sisi kama Kaunti ya Mombasa kusonga mbele kiuchumi kwa sababu ule ushuru utakuwa unapatikana majumba yanavyojengwa na pia wawekezaji wengi watakuja Mombasa kuja kufanya biashara sababu jinsi ya mji wetu ulivyoendelea.

Mheshimiwa Spika sisi kama Bunge la Kaunti hili ni wajibu wetu pia vile vile kutoka mashinani kuhamasisha wananchi wetu kuhusu jambo kama hili na kwamba lazima sisi sote kama wakaazi viongozi wa Mombasa tuunge mkono mipango kama hii ili kizazi chetu cha kesho kiwe kinaishi katika mazingira mazuri na yanayopendeza. Ningependa kuwaambia Waheshimiwa wenzangu ambao wako katika Bunge hili kwamba tutapotoka kwenda kule chini sio wote waliopata taarifa hii na habari hizi sisi pia tuwe tunajitangaza na kueleza wananchi wetu matunda tuliyowapangia ili jambo kama hili litakapofika mtaani kule lisije kuwa ni kitu ambacho kitapingwa au kitakacholeta tashwishi yoyote Mheshimiwa Spika. Kwa hio ningependa kuunga mkono mipango hii, pia vile vile kutoa pongezi kubwa kwa Kamati yetu ya Ardhi, Waziri wa Ardhi na pia vile vile Gavana wetu walio kaa na wazo zuri kama hili kutaka kusaidia maisha ya watu wa Mombasa kutaka pia vile vile kutengeza Mombasa yetu iwe mbele ya Kaunti zengine kwa sababu hili jambo ni jambo ambalo sisi kama Kaunti ya Mombasa ndio vinara wa kwanza katika Kaunti zote za Kenya nzima kuja na riwaza kama hii Mheshimiwa Spika. Kwa hio langu ni kuunga mkono na kutoa ama kongole kubwa kwa kitengo chake cha ardhi mpaka Kamati yake na Gavana wetu kwa kusimama na mradi mzuri kama huu katika Kaunti yetu ya Mombasa. Shukran.

Deputy Speaker (Hon. Mswabah Rashid): Mheshimiwa Kibwana Swaleh Baya.

Hon. Kibwana Swaleh: Thank you Hon. Speaker for giving me this opportunity, mine is just for my fellow Members who had spoken earlier on the issue of land, we have a vision 2035; Hon. Speaker this vision is very very important if you compare it with the Vision 2030 of the national government or of the country and what we should just look at this plan we should also highlight the challenges that we need to overcome so as to achieve this vision. Hon. Speaker the most challenging issue for us to achieve this vision is corruption; we should tackle the issue of corruption in our County so as to achieve this vision than doing this on top of corruption, these are just negative issues in our level of production.

If we look at the level of production in our County Hon. Speaker it is very very low; either one is through corruption or secondly is about having competent people on the offices. This vision Hon. Speaker needs approximately Shs 33 Billion for us to achieve this vision; it means we should use our resources, the little resources we have we should use them effectively and efficient so as to achieve this vision so as members of government including the Governor we should work together and see that all the loop holes of corruption are sealed so as to collect the amount of money that we need for coming with this project. The Standard Gauge Railway (SGR) as you already know Hon. Speaker is also a project that is very important to us because infrastructure in any County or any government is very important so the investors that each of the trucks, each of the lorries on the highway will be minimized so to me that project which is under national government has come at the right time and as a County also we should see on how we can also have other projects that will attract investors so as to see that we have this vision.

Hon. Speaker the other issue is about public relations; as we are aware that many people from rural areas are getting to the city so as to get a job; as a County we should also strategize on ways to get jobs and also expansion of the town because when you look at the town it is a small area that we think now we have an area in Mwakirunge where we can utilize well and see that we have another town so to decongest our town. I hope our Governor is far ahead with this issue and welcome the donors and the partners of this very important project and we should also encourage, and continue to support the issue of housing which is also one thing when we want to come to this Vision 2035 because housing is also uimportant for us to see it is being tackled as early as possible.

So Mr. Speaker I urge Hon. Members who support this Vision 2035 so that in our midst in our calendar all our five era of being here it will have a history that we are among the people who supported this vision and the first people who supported this vision and also our children our grandchildren, grandsons and granddaughters will also benefit from this Vision 2035. Thank you Hon. Speaker.

Deputy Speaker (Hon. Mswabah Rashid): Ahsante sana Waheshimiwa labda ningependa kumrudishia Mheshimiwa Madundo kama ana kitu cha kuzungumza tena kabla sijaweka swali.

Hon. Mohamed Madundo: Ahsante Bwana Spika mimi yangu nikushukuru kwa hakika Bunge hili na kuunga mkono hii kazi ambayo nimeleta hapa Bungeni na pia namshukuru Gavana kwa kutizama mbele na kamati ya Ardhi pia naishukuru kwa kukaa pamoja na kujadiliana na kuleta katika Bunge hili. Kwa hio mimi yangu ni kutoa shukrani kubwa. Ahsante sana Mheshimiwa Spika.

(Question put and agreed to)

Mary Akinyi, Hon.

Hon. (Ms.) Akinyi: Ahsante Mheshimiwa Spika, kulingana na ule umuhimu ambao tuko nao tumeonelea afadhali tuongeze wiki moja kulingana na ile siku ambayo tulikua tumeweka kwa sababu Spika aliweza kukumbusha Jumba hili kuwa kulikuwa na *Bills* ambazo tulikuwa tumezipitisha lakini zikawa zimerudisha na maelezo katika Jumba hili. Hivyo Mheshimiwa Spika *Bill* ilikuwa imerudishwa na maelezo huwa iko na siku zake ambazo huwa zinatajikana ziweze kuwekwa na zipitishwe ndipo Spika tumeonelea tuweze kuongeza wiki moja ili tuweze kuangalia yale marekebisho ambayo tulikua turekebishe katika zile *Bills* zengine ambazo tulizipitisha lakini zikawa zimerudishwa ili tukaweze kupitisha hizo *Bills* ili kazi ya Kaunti ya Mombasa ikaweze kuendelea. Mheshimiwa Spika ninaomba Waheshimiwa wa Jumba hili waweze kuunga mkono hilo jambo ambalo tumeleta katika Jumba hili la kuongeza wiki moja tuweze kuendelea na yale mambo ambayo ni mambo yanahitajika kufanyika kwa haraka ili tukaweze kuyafanya kwa sababu ni mambo ya muhimu hizo *Bills* ambazo zilirudishwa ni *Bills* ambazo ni muhimu ambazo ikiwa tumezipitisha zitaweza kuanza kazi na Kaunti yetu itaweza kuendelea. Ahsante Mheshimiwa Spika.

Deputy Speaker (Hon. Mswabah Rashid): Yes Hon. Madundo.

Hon. Mohamed Madundo: Ahsante Mheshimiwa Spika kabla kuunga mkono ningependa kumwambia Mheshimiwa Mary angenichagua mimi niko hapa ningemuunga mkono yeye anasema Mheshimiwa Tom sijui kama hakuniona...

(Laughter)

Ahsante sana Mheshimiwa Spika, mimi naunga mkono moja kwa moja kwa sababu hata mimi kabla hatujakaa hapa tukaona hii taratibu ya Bunge yaani *order* nikasema kwa nini na sisi kesho tulikua tumeanza kwenda kujivinjari lakini unajua ni muhimu pia kazi, tutambue kazi tusichague kazi kwa sababu tumechaguliwa na wananchi ya kuwa sisi tutimize yale mambo ambayo hawa wananchi wanayataka yafanywe na kwa ujumla pia katika Kaunti ya Mombasa lazima. Pia ni muhimu sana watu wetu wajue kwamba sisi tunafanya kazi, itakuwa si vyema

kama kuna *Bills* ambazo tulikuwa tumezipitisha na kukawa kuna makosa kidogo ni muhimu turekebishe ili hata tukienda mapumzikoni tuwe tumeenda na kuwa kila kitu tumekisafisha na kuwa kila kitu kiko poa. Kwa hio nawaomba wenzangu au Waheshimiwa ambao wako hapa waunge mkono hii hoja ili tuendelee na kazi na ni wiki moja si siku nyingi, hivyo yangu mimi naunga mkono hii hoja. Ahsante.

Deputy Speaker (Hon. Mswabah Rashid): Okay Hon. Mary Akinyi can you reply to the Motion because there is no more contribution.

Hon. (Ms.) Akinyi: Ahsante Mheshimiwa Spika, narudisha shukrani kwa Jumba hili ambalo limeonelea ni vyema tuweze kuongeza wiki moja tukaweza hizo shughuli ambazo kabisa katika Kaunti hii ili Kaunti yetu ikaweze. Ahsante Mheshimiwa Spika.

Deputy Speaker (Hon. Mswabah Rashid): Members I now put the question that this House accepts the alteration of the Assembly calendar Motion.

(Question put and agreed to)

(Applause)
