

**MOMBASA COUNTY ASSEMBLY****HANSARD REPORT**

Tuesday, 1<sup>st</sup> November, 2016

The House met at 2.30pm.

*(Deputy Speaker (Hon. Mswabah Rashid) in the Chair)*

**Deputy Speaker** (Hon. Mswabah Rashid): Have your seats, Clerk.

**COMMUNICATION FROM THE CHAIR**

Members There is a Report from the Auditor General, the financial statements for the County government of Mombasa for the FY 2014/2015 and this Report is here by committed to the Committee of Public Account Committee for immediate action and i should remind the Committee this Report has three months to it should be worked upon within three months.

There is also another Report of the Auditor General for the financial operations of Mombasa County Assembly for the period 1<sup>st</sup> July 2014 to 3<sup>rd</sup> June 2015.

The same Report is committed to the Committee of PAC, so the Chairman Fadhili Makarani you have three months from today to work on this Report so you should work on them.

Members i also remind you, as we know there is a famine in Ganze region and this is a problem on a neighbour it is on us so you are being reminded to donate generously to alleviate the situation in Ganze.

It's so painful that our brothers and sisters and their properties; that is animals, domestic animals are dying.

So Members there are various organisations which receive donations so I urge you Hon. Members as Members, as leaders of this County to donate generously to alleviate this problem, thank you very much, Clerk.

**PAPER**

Hon. Fadhili.

**Hon. Mwalimu:** Thank you Mr. Speaker, i have risen to lay a Report on audit for the financial operations of the County Assembly of Mombasa for the financial year ended 30<sup>th</sup> June 2014. Mr Speaker the Report is ready it's upon the Hon. Members to adopt it...

*(Paper laid)*

**Deputy Speaker** (Hon. Mswabah Rashid): Thank you Hon, Makarani, yes Clerk.

**NOTICE OF MOTION**

---

**DISCLAIMER:** *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor*  
Page 1

Hon. Fadhili.

**Hon. Mwalimu:** Thank you Mr. Speaker, i rise to give a Notice of Motion on the adoption of the Report on audit of financial operations of the County Assembly of Mombasa for the financial year ended June 2014.

Mr. Speaker Sir i beg to give notice that the House adopts this Report tabled today 1<sup>st</sup> November 2016, thank you and Mr. Speaker it's upon your office and the HBC to commit this Report on the said Motion but to me and my Committee we are ready even it's to be discussed even if it's either today or tomorrow, thank you Mr. Speaker.

**Deputy Speaker** (Hon. Mswabah Rashid): Thank you, yes Hon. Hatimy.

**Hon. Mohamed Hatimy:** Thank you Mr. Speaker, i want to raise amendment for the said Report, if the Chair of Public Accounts Committee when amended it's supposed to be 30<sup>th</sup> June 2014 and not 2016.

So we are applying for leave so that we can amend the document.

**Deputy Speaker** (Hon. Mswabah Rashid): Okay I think that is a typing error because the Report itself says financial year ended 30<sup>th</sup> June 2014.

I think there is an error in the Order paper, so Clerk can you make sure when it comes as a Motion that error is corrected thank you, yes Clerk.

### NOTICE OF MOTION

Hon. Ibrahim Kondo

**Hon. Ibrahim Kondo:** Thank you Mr. Speaker Sir, I beg to give Notice of Motion, proactive corrective measures to address acute water shortages in Kipevu and neighbouring wards.

Mr. Speaker Sir, I beg to give the following Motion;

*(Hon. Ibrahim Kondo read)*

*"That aware that water is a basic need and necessary for the sustenance of life;*

*Further aware that Kipevu and neighbouring Wards such as Chaani, Port Reitz and Airport Wards have for quite some time been facing acute shortage of water.*

*Concerned that the persistent water shortage has caused considerable hardship and inconvenience to residents and members of the public;*

*I therefore urge the County Assembly to resolve that;*

*The County government to take proactive corrective measures to address the acute water shortage in Kipevu and neighbouring Wards through sinking of boreholes and installation of new water pipes to augment water distribution services".*

*(Hon. Ibrahim Kondo ended reading the Notice of Motion)*

Thank you Mr. Speaker Sir.

**Deputy Speaker** (Hon. Mswabah Rashid): Okay, your Motion needs to be seconded I don't know why you don't want someone to second you.

**Hon. Ibrahim Kondo:** Mr. Speaker thank you but it is a Notice of Motion.

**Deputy Speaker** (Hon. Mswabah Rashid): Oh it is a Notice of Motion.

**Hon. Ibrahim Kondo:** Yeah.

**Deputy Speaker** (Hon. Mswabah Rashid): Okay fine, thank you Hon. Ibrahim Kondo, yes Clerk.

### MOTION

Okay MCA for Kipevu Ward.

**Hon. Ibrahim Kondo:** Thank you Mr. Speaker I do move a Motion proactive corrective measure to address acute water shortages in Kipevu and neighbouring Wards.

Mr. Speaker sir, I beg to give the following Motion;

*"That aware that, water is a basic need and necessary for the sustenance of life;*

*Further aware that Kipevu and neighbouring wards such as Chaani, Port Reitz and Airport wards have for quite some time been facing acute shortage of water.*

*Concerned that the persistent water shortage has caused considerable hardship and inconvenience to residents and members of the public;*

*I therefore urge the County Assembly to resolve that;*

*The County government to take proactive corrective measures to address the acute water shortage in Kipevu and neighbouring wards through sinking of boreholes and installation of new water pipes to augment water distribution services.*

Mr. Speaker sir I urge my nominated Member Hon. Zeinab Dharwesh mama County 001 to second me.

**Hon. (Mrs.) Zeinab Ali:** I second.

*(Applause)*

**Deputy Speaker** (Hon. Mswabah Rashid): Thank you very much, Members I think I should propose the question.

It has been proposed that proactive corrective measures to be taken to address acute water shortages in Kipevu and neighbouring Wards, yes Hon, Ibrahim Kondo.

**Hon. Ibrahim Kondo:** Ahsante Mheshimiwa Spika, kutokana na kiangazi kinachokumba nchi yetu kwa sehemu zetu tunazoishi kumekuwa na upungufu mkubwa wa maji.

Tatizo hili linazidi kuendelea na linazidi kuleta matatizo katika sehemu zetu Mheshimiwa Spika na tunaomba kupitia kwa wizara ya Kaunti yetu, jambo hili lisije likawa ni janga kama zile Kaunti ambazo tumepakana nazo tunaona madhara yake tunaona mifugo ikipata shida, tunaona wananchi wakitaabika.

Hata katika muelekeo wako leo Mheshimiwa Spika umeongelea viongozi wa Kaunti ya Mombasa wajaribu kupeleka misaada ili kusaidiana na zile Kaunti ambazo ni jirani na ni jirani za wadi zetu.

Tukitoa mfano Wodi ya Kilifi imepakana na Wodi ya Mwakirunge tatizo lile linaingia mpaka katika Wodi ya Mwakirunge na Mwakirunge kuna njaa Mheshimiwa Spika maji hakuna.

Kwa hivyo mimi...

*(Interruption)*

**Deputy Speaker** (Hon. Mswabah Rashid): Yes Hon. Mwakirunge, what is it?

**Hon. Mwinga:** Ahsante Mheshimiwa Spika, mimi nashangaa na Mheshimiwa ambae anaongea akisema kuwa Mwakirunge kuna njaa.

Mheshimiwa Spika sidhani kama Mheshimiwa anayeongea anajua Mwakirunge yenyewe; anayeongea hajui Mwakirunge yenyewe na mimi sijapata malalamishi au sijasikia watu wangu wakisema labda kuwa wanahitaji msaada wa chakula.

Mheshimiwa spika Mwakirunge hakuna njaa. Ahsante.

**Deputy Speaker** (Hon. Mswabah Rashid): Okay Hon. Kondo.

**Hon. Ibrahim Kondo:** Ahsante Mheshimiwa Spika. Mheshimiwa Spika nikisema Mwakirunge kuna njaa sijasema Mwinga ana njaa.

Kwa sababu Mwinga ni Mheshimiwa ana nyumba mbili tatu na mda mrefu anakaa Tudor Mheshimiwa spika kwa sababu anajua matatizo ya Tudor ya paka na kila kitu...

*(Applause)*

Mheshimiwa Spika swala hili lichukuliwe kwa uzito; shida iko, maji yana matatizo, kipindi cha visima vinakauka kwa hivyo kupitia kwa kiti chako kama Mwakilishi pia wewe katika sehemu yako watu wanapata matatizo, Misikiti yetu imekuwa pia na matatizo ya maji wakati watu wanataka kutumia kuenda katika ibada.

Mheshimiwa Spika tunashukuru kwa sababu pia shule zimefungwa maana shule zetu nyingi zina matatizo ya maji, watoto wanapata shida vyoo vinachafuliwa katika shule ambapo janga hili likizidi litatuletea madhara sisi na jamii nzima.

Kwa hivyo ningependa Mheshimiwa Spika kupitia kwa kiti chako na nina imani kuwa kama Mwakilishi wa Wodi ya Airport jambo hili litabebwa kwa uzito na wakaazi wetu maeneo ya Kipevu, maeneo ya Port Reitz, maeneo ya Airport na maeneo ya Chaani na Changamwe wapate maji kwa wingi. Ahsante sana Mheshimiwa Spika.

**Deputy Speaker** (Hon. Mswabah Rashid): Yes Hon. Ndanda Chiro.

**Hon. Mohamed Ndanda:** Ahsante Mheshimiwa Spika. Mheshimiwa Spika janga ambalo limeweza kuzungumziwa na Mheshimiwa Ibrahim Kondo si janga dogo na ni jambo ambalo linataka kutiliwa maanani ili swala ambalo ni lazima tukubaliane kama viongozi ya kuwa idara ya maji katika serikali yetu ya Kaunti iweze kuwa na mikakati zaidi.

Tunajua kwamba kuna mikakati lakini hiyo mikakati iwe zaidi na ifanyiwe bidii ili usambazaji wa maji ufike kila mahali.

Mheshimiwa Spika najua mtu akiambiwa kwake hakuna ile anaona ni unyonge lakini mimi nina imani ya kuwa kule kwangu Kadzandani maji ama vile vifaa vya kupeleka maji havitoshi.

Isitoshe Mheshimiwa Spika pia sasa watu wameweza kuwa wengi na ile mifereji ambayo imewekwa pia ni midogo, kwa hivyo ni lazima serikali yetu ya Kaunti iweze kuwa na mikakati zaidi ili tuweze kuyapata maji na huduma pia ziweze kuendelezwa ile tuweze kupata maji isiwe ni yale ya kuwa tuko Mombasa lakini maji ni shida. Ahsante Mheshimiwa Spika.

**Deputy Speaker** (Hon. Mswabah Rashid): Mheshimiwa Saad Faraj Ahmed.

**Hon. Faraj:** Ahsante sana Mheshimiwa Spika kwa fursa hii. Mheshimiwa Spika Mswada ambao umeletwa ni Mswada ambao kwamba ni lazima Nyumba hii ichukuliwe kwa umuhimu zaidi.

Mheshimiwa Spika kwa hakika hakuna jambo la muhimu zaidi katika dunia hii kama maji na maji ni uhai; pale panapokuwa na ukosefu wa maji basi shida zinakuwa ni nyingi na mkurupuko wa maradhi kwa sababu kutumia maji ambayo hayafai kutumika inakuwa ni dhihaka.

Kwa hivyo kabla hatujafikia kutatua matatizo makubwa zaidi nafikiri ni wajibu wetu Mheshimiwa Spika kama ndugu yangu Mheshimiwa wa Kipevu alivyoongea ni lazima tulifanye hili jambo kwa haraka na tulitatie kwa haraka ili wala ambao hawana shida hizi za maji kama ndugu yangu kutoka eneo la Mwakirunge naomba visima visifikishwe kule viletwe huku Tononoka na maeneo mengine mengine haya ya Kipevu kwa sababu naona kama kule kwake ametosheka...

*(Interruption)*

**Deputy Speaker** (Hon. Mswabah Rashid): Yes *Mheshimiwa wa Mwakirunge*.

**Hon. Mwinga:** Mheshimiwa Spika nafikiri mimi sikusema watu wangu hawana shida na maji.

Mimi nilikuwa nasema watu wangu hawateseki na njaa kama vile Mheshimiwa alivyosema...

*(Laughter)*

Kwa hivyo Mheshimiwa Spika mimi upande wa maji pia nimeathirika (applause) asante Mheshimiwa spika.

**Deputy Speaker** (Hon. Mswabah Rashid): Yes Saad Faraj continue...

**Hon. Faraj:** Mheshimiwa nimemaliza ahsante sana.

**Deputy Speaker** (Hon. Mswabah Rashid): Yes Minority leader.

**Leader of Minority (Ms.) Hon. Maimuna Salim:** Ahsante sana Mheshimiwa Spika kwanza namshukuru Mheshimiwa wa Kipevu ambaye ameona matatizo ambayo yamekumba Kaunti nyengine na sisi pia Mungu asitujalie yakatukumba hayo majanga.

Mimi nimesimama kuunga mkono kwa sababu ya kuunga mkono tunajua maji ni kiungo muhimu katika mwili wa binadamu, ni kiungo muhimu katika mimea, ni kiungo muhimu katika wanyama na maji ni kiungo muhimu katika maisha yetu sisi binadamu na vilivyoko katika ulimwengu huu.

Kwa hiyo mimi nimesimama kuiunga mkono na ningeomba Bunge hili tuiunge mkono na tuzungumzie vile visima ambavyo vimechimbwa wakati wa nyuma na havijamalizwa kwa sababu kuna miradi ambayo ni za visima vimewahi kuchimbwa na havijamalizwa na kila leo twaambiwa vitamalizwa.

Huu ni wakati wa kuamsha wale *Executive* ambao wako katika hizi *departments* kama hii ya maji waweze kuhakikisha kwamba vile visima ambavyo vilichimbwa vimalizwe na sababu ya kuwa twamaliza vile visima ni kwamba kuliko tuanze vitu freshi na kuna mahali kama kumechimbwa tuangalie na mahali ambapo hakuna viweze kuchimbwa na visianganalie sehemu moja pia vianganalie Mombasa Kaunti yote hilo jambo lisiweze kutufika...

(Applause)

Kwa hiyo mimi Mheshimiwa Spika naiunga mkono lakini tuangalie vile ambavyo viko havijamalizwa na ambapo hapana tuhakikishe vimechimbwa visima hata kama ni vitatu kwa kila Wodi. Ahsante sana Mheshimiwa Spika...

(Applause)

**Deputy Speaker** (Hon. Mswabah Rashid): Yes Hon. Maimuna Mwamassa.

**Hon. (Mrs.) Maimuna Mwamassa:** Ahsante sana Mheshimiwa Spika mimi pia naunga mkono hii hoja kikamilifu.

Kama inavyojulikana maji ni uhai na bila maji hakuna maisha na tukianganalia hata kule jambo la maji ni kina mama na watoto wanaohangaika sana kwa suala la maji, kuanzia Miritini tunashuhudia visa vya ubakaji kwa sababu ya maji.

Kwa hivyo mimi naunga mkono kikamilifu na mahali kama Miritini watu hawajui visima ni nini?

Kwa hivyo naunga mkono na naomba pia Miritini tupate visima ili watu wetu waepuke na haya majanga ya kubakwa maana kina mama wanapata dhiki kama hakuna maji mtu anarauka kuanzia saa tisa na hajui maji atayapata wapi?

Kwa hivyo twahitaji sana visima kwa nguvu zote na bidii zote. Ahsante sana Mheshimiwa Spika.

**Deputy Speaker** (Hon. Mswabah Rashid): Mheshimiwa Tom Ogalo Oluoch.

**Hon. Ogalo:** Ahsante sana Mheshimiwa Spika, Mheshimiwa Spika nimesimama kuunga mkono hoja hii Mheshimiwa Spika tabu ya maji iko mahali kwingi hata Timbwani kuna shida ya maji mtungi mmoja ni sh. 120 ningeomba waziri wa maji ahakikishe na maji yafike Timbwani na Wodi zengine kwa sababu maji ni uhai Mheshimiwa Spika. Asante sana.

**Hon. Speaker:** Yes Mheshimiwa wa Mwakirunge Mheshimiwa Enock Mwinga

**Hon. Mwinga:** Asante sana Mheshimiwa Spika. Mheshimiwa Spika hata mimi nimesimama kuunga mkono...

(Applause)

Mheshimiwa Spika tatizo la maji kule Mwakirunge halikuanza jana wala juzi; tatizo hili lilianza kitambo na kuna wakati mwingine nasema kwamba labda idadi ya Mwakirunge itaweza kuongezeka kwa hii miaka inayokuja? Kwa sababu wa mama wengi wanakesha kwa maji wakingojea maji Mheshimiwa Spika...

*(Applause and Laughter)*

Mheshimiwa Spika maji yanatoka usiku pekee yake wa mama wanakesha kwenye mifereji wakiteka maji, kwa hivyo Mheshimiwa Spika idadi ya watoto Mwakirunge imepungua sana kwa sababu wa mama hawalali, wa mama wanakesha wakingojea maji...

*(Laughter)*

Jambo lengine la kusikitisha Mheshimiwa Spika ni kwamba yale matenki mengine ambayo yana *serve* Mombasa Kaunti yako katika Mwakirunge Wodi lakini la kushangaza kuwa sisi wenyewe tunayahifadhi yale matenki na tunakosa maji.

Kwa hivyo Mheshimiwa Spika ninaunga mkono na ninashukuru ndugu yangu aliyeleta Mswada huu na naomba mswada huu pia kama utatekelezwa basi Mwakirunge iwe ya kwanza kuangalia mwanzo na hizi zengine pia ziingaliwe. Ahsante Mheshimiwa Spika.

**Deputy Speaker** (Hon. Mswabah Rashid): Mheshimiwa Syokau Kithinzi.

**Hon. (Ms.) Zainab (Kithinzi):** Mheshimiwa Spika aliyeleta hoja hii amelea hoja nzuri; ambayo tunajua maji ni uhai na ningemuomba kabla hamjapitisha hii *Motion* angeweza kukaa na Kamati ya Maji ajue kwanza ni visima vingapi vilichimbwa na ni vingapi havijachimbwa?

Hivyo hata tunapopitisha tujue ni mahali gani hakuna na ni mahali viko ndio tuweze kuvimaliza kuliko tupitishie na hatujui ni wapi vilianzwa na ni wapi havijaanzwa? Ahsante Mheshimiwa Spika.

**Deputy Speaker** (Hon. Mswabah Rashid): Okay Hon. Kondo there's a proposal from Hon. Kithinzi do you accept that proposal?

**Hon. Ibrahim Kondo:** Ahsante Mheshimiwa Spika. Mheshimiwa Spika kwanza kabisa ni kusema kiangaza kilichoko kiko Kenya nzima, Mheshimiwa anapoongea na kusema twende tukafanye *research* sijui ameingia leo kutoka Switzerland...

*(Laughter)*

Mheshimiwa Spika, huko ndiko hakuna shida inajulikana na hajui kwamba kuna kiangazi Kenya nzima hili jambo si la kwanza kukaa chini na kuzunguka, tunajua ni sehemu zote kuna kiangazi ni jambo latakikana lichukuliwe kwa haraka iwezekanavyo sehemu zetu zianze kupata manufaa ya maji. Ahsante sana Mheshimiwa Spika.

**Deputy Speaker** (Hon. Mswabah Rashid): Yes *Mama Kaunti*.

**Hon. (Mrs.) Zainab Dharwesh:** Ahsante sana Bwana Spika, hii utafiti ishafanywa na watu washajitolea kuchimba visima, Mtongwe vikachimbwa Kadzandani visima, Kisauni hakuna kisima lakini watu washafanya utafiti na *research* iko naamini.

**Deputy Speaker** (Hon. Mswabah Rashid): Ahsante, naam Mheshimiwa Mary Akinyi.

**Hon. (Ms.) Akinyi:** Ahsante sana Mheshimiwa Spika. Mheshimiwa Spika nimesimama nikiwa naunga mkono jambo hili na kuwa kuna na upungufu wa maji katika Wodi zote za Mombasa Kaunti.

Mheshimiwa Spika hata katika Wodi ya eneo Bunge la Changamwe ndio sasa hata imekua ni donda sugu zaidi kwa sababu hivi sasa wanapoleta maji, wale watu wanaoleta maji kuuzia watu, wanauzia watu maji kuanzia shilingi hamsini.

Mheshimiwa Spika na vile saa hizi ambapo uchumi uko mgumu sana, kama mtu ana uziwa tu ndoo moja shilingi hamsini ataweza kuuziwa maji ndoo ngapi ndio yaweze kumtosheleza na pia apate pesa ambazo anaweza kununua maji na aweze kubakisha pesa zingine ambazo pia anatomia katika maisha yake?

Mheshimiwa Spika hii mambo ya upungufu wa maji na yale maji ambayo tunaletewa hata sasa hivi ukiangalia rangi yake pia, si ile rangi ya maji ambayo inahitajika maji mengine yanakuja yakiwa na rangi ya mchanga! Rangi ya mchanga Mheshimiwa Spika.

Kwa hivyo jambo kama hili kama litaendelea tukae tukijua jambo ambalo linakuja baada ya upungufu wa maji ni magonjwa, ni magonjwa ambayo yataletwa na maji kukishakua na upungufu wa maji sasa hata wale watu ambao wanatuuzia maji wataenda kuchota maji yoyote tu bora walettee watu maji na hii italetwa mlipuko wa magonjwa.

Kwa hivyo Mheshimiwa Spika ningeomba nikiwa naangalia aya ya mwisho, vile aliyeleta mjadala huu ameomba na omba hili jambo liweze kufanyika haraka iwezekanavyo kwa sababu hata kulikua na mambo ambayo Gavana wetu alikua ameyazungumzia sana juu ya maji, kuwa hata yale maji ya bahari yalitaka kusafishwa ili watu waweze kupata maji waweze kutumia maji.

Ningeomba lile jambo ambalo Mheshimiwa Gavana wetu alitaka kulifanya kusema kweli huu ndio wakati mwafaka, mzuri kabisa wakati huu ambapo watu wanateseka kupata maji ili jambo liweze kutendeka haraka iwezekanavyo ili watu waweze kupata maji tuzuie yale magonjwa ambayo yangetupata ambayo hata kutibu itakua ni mambo magumu.

Ahsante sana Mheshimiwa Spika.

**Deputy Speaker** (Hon. Mswabah Rashid): Yes mheshimiwa Ibrahim Kondo can you defend your Motion.

**Hon. Ibrahim Kondo:** Ahsante, ahsante Mheshimiwa Spika. Mheshimiwa Spika nikimalizia swala hili, ni swala ambalo tunalihitaji na kila aliye katika ulimwengu huu na kila aliye katika nchi yetu na kila aliye katika Kaunti yetu anahitaji swala la maji.

Kwa hivyo Mheshimiwa Spika kwa uhai wa mifugo, mimea na sisi wanadamu pamoja na ardhi tunazozikalia, tunahitaji maji kwa hivyo ningeomba Nyumba hii kwa ujumla tuliunge mkono swala hili, ili lianze kutimizwa haraka iwezekanavyo.

Ahsante Mheshimiwa Spika.

**Deputy Speaker** (Hon. Mswabah Rashid): Thank you very much Hon. Ibrahim Kondo, Members I have no option, but to put the question to the Motion.

Members as many as are of the opinion that the County government should take active and corrective measures to address the acute water shortage.

*(Question put and agreed to)*

Thank you, yes Clerk.

### **ADJOURNMENT**

Members of the National Assembly this House stands adjourned until tomorrow, thank you.

The House rose at 15.08pm.
