Good afternoon Hon. Members;

First and foremost let me take this opportunity to thank God for seeing us through this second session that commenced on Tuesday 13<sup>th</sup> February, 2018. Hon. Members; the primary mandate of the County Assembly as per article 185 of the Constitution, 2010 is to legislate where our authority is vested in, to represent and to oversight hence protecting the interest of the people. It's my pleasure to report to this Assembly that we have been able to prudently and responsively perform these functions as expected of us by the people of Mombasa.

Hon. Members; we all belong to different Committees and it is no doubt that we performed our mandates as per the Standing orders effectively and efficiently. I sincerely express my gratitude to your devotion and determination. Hon. Members; we can all testify that the Motions passed and Statements made in this House have gone a long way in making positive changes not only in the lives of the people of Mombasa, but also Kenya at large.

Hon. Members; the inductions and capacity buildings that we have attended have been of great importance. They have strengthened our skills and expertise to handle complex roles of legislating, representing and oversight as a result enriching the lives of the people of Mombasa and solving the society's most intractable problems.

Hon. Members on my part I want to assure you under my stewardship that I will remain committed to the people and to you in discharging my duties whenever called upon.

Hon. Members.
