

MOMBASA COUNTY ASSEMBLY**HANSARD REPORT**Wednesday, 30th March, 2016

The House met at 2:30p.m.

*(Mr. Speaker (Hon. Thadius Rajwayi) in the Chair)***PRAYERS****Mr. Speaker** (Hon. Rajwayi): Hon. Members have your seats. Yes, Clerk?**COMMUNICATIONS FROM THE CHAIR**

Ladies and gentlemen there is information that is important that you receive; there is a letter that has been sent to us from from the Director of Center for Parliamentary Studies training (CPST) they are working in collaboration with USAID on a governance forum that is supposed to be conducting a program within Mombasa County Assembly to be specic and the institution itself is AHADI that is conducting a needs assessment for 21 County Assemblies currently under USAID/AHADI program as apart of enhancing supporting devolution. It is anticipated that this exercise will enhance County legislation to identify and document in a more symetric way the learning needs to inform training and other capacity interventions for both Members and staff of the County Assembly. The next paragraph reads, *'I am writing to infrom you that Mombasa County Assembly has been mapped to participate in the noble exercise as part of a learning needs assessment, this exercise will involve the collection of data and information from both the Members of the County Assembly as well as staff. The data collection process in the County Assembly is slated to begin on 6th of April, 2016, this particular team will be headed by Dr. Philip Buchere, for two days period'*. So ladies and genetlemen you have to make sure that you abide by the letter and be rightly advised. Clerk?

PAPER

Yes Hon. Mohamed Hatimy?

(Silence)

Yes Hon. Fadhili.

Hon. Mwalimu: Thank you Mr. Speaker. Mr. Speaker, on behalf of the Chairman and the Committee, before we bring the Paper, the County Revenue Automation we were to convene a meeting for the Committee Members but unfortunately the meeting did not take place due to lack of quorum for adopting this Report that has come to this Hon. House. So Mr. Speaker that has delayed us as the Committee to forward the Paper to this Hon. House but we are looking forward to bring the Paper as soon as possible after the Committee adopts the Report.

Mr. Speaker (Hon. Rajwayi): Maybe the Committee will be urged to make sure that the Report is tabled because it will help us to plan for the next budget because this is an important document even Hon. Amur and Hon. Dharwesh have put forward. Next?

STATEMENTS

Yes Hon. Karisa Nzai. Yes, Hon. Ahmed?

Hon. Faraj: Thank you Mr. Speaker. Mr. Speaker I rise on behalf of Hon. Karisa Nzai who has delegated to give the Statement on his behalf. If you allow me Mr. Speaker I will proceed.

Mr. Speaker (Hon. Rajwayi): Yes, on his behalf if you have the genuine blessings that you do that.

Hon. Faraj: Absolutely true.**Mr. Speaker** (Hon. Rajwayi): Go ahead.

DELAY OF REGISTRATION OF PERSONS WITH DISABILITIES WITHIN THE CBD

(Hon. Faraj moved the Statement)

Mr. Speaker Sir, I rise to issue the following statement. Mr. Speaker Sir, people have been doing business within the Central Business District (CBD) for a long time, even after the illegalization of the same by the County government. This has been in the commission for affirmative action as provided for in the Kenyan constitution section 27, sub-section 26 and the County Government Act number 17 of 2012 section 87 part B. However there has been frequent unwarranted for harassment and evictions by the Inspectorate department causing anger, frustration, havoc, anxiety, discomfort, disgruntlement, name it in the disability fraternity. As a result the Hon. Member representing Persons living with disabilities (PWDs) together with his Committee and various relevant County government departments of the executive arm have had several meetings to deliberate on the subject matter. Mr. Speaker now as it stands, decisions have always been reached upon but no tangible or visible action taken hence leaving the affected persons hanging in the balance. Mr. Speaker Sir key among the decisions made has been the formalization and recognition of CBD business by PWDs through issuance of identification documents by the relevant departments and which has never been actualized to date. Mr. Speaker Sir it is for this reason that I am humbly appealing to your esteem office to give direction on this very vital, crucial and sensitive matter. Thank you so much.

Mr. Speaker (Hon. Rajwayi): Yes Hon. Siminyu.

Hon. Siminyu: Mr. Speaker, I would like, first of all to congratulate Hon. Karisa Nzai for bringing this matter. Mr. Speaker me being a Member of the Committee, we had several meetings with the Inspectorate Department, the challenges that the people with disabilities are passing through is very sad to see, as we come to the new dispensation. Mr. Speaker these people have been working within the CBD for quite some time and we had serious discussions with Nahid Moosa then, who was in charge of the Inspectorate by that time and it is important, this matter should be looked into properly because every now and then there is change of leadership there and if somebody new comes we are taken back from where we have progressed as a Committee and the people who are fighting for people with disabilities. Mr. Speaker I pray for this House and the direction, if so the Committee, that is the Equal opportunities Committee should be given a long date so that it can look into this matter so that we can come to a solution and these people to be protected. Mr. Speaker the kind of embarrassment that the business community, the business class of people with disability within the CBD are facing it is so sad because some of them cannot even express themselves; they are dumb and deaf and here we cannot even explain to those people who are coming to arrest them whether they are in that condition and you can never tell by just looking at them whether they are deaf or whether they cannot talk. Someone had taken that they were pretending Mr. Speaker Sir, so the issuance of identification cards, the issuance of numbers for easy identification of people living with disabilities on the streets will be proper. I beg for your humble Chair to direct the Committee and the department itself to sit down and come to a conclusion to this matter so that we can have their interests and rights be protected by the County Mr. Speaker Sir. Thank you.

Mr. Speaker (Hon. Rajwayi): Hon. Fadhili Mwalimu.

Hon. Mwalimu: Ahsante Bwana Spika. Bwana Spika kwanza kabisa ningependa tu kurekebisha pale ilipotajwa kipengee cha katiba kuwa ni *Article 27(6)* sio *section 27(6)*, kwa kusema ukweli kama tunavyojua Bunge letu twajua Mheshimiwa Karume mmoja katika wale anaebeba bendera na pia vile vile ni mwakilishi wa wale walemavu. Mheshimiwa Spika hata pia katika Bunge hili mimi ni mmoja kati ya wale ambao wamepewa ruhusa kwa sababu ya kuongea kwangu taratibu. Mheshimiwa Spika pia nasema pole kwa ndugu zangu, dadangu Mary namuona

pia sasa kidogo mimi na yeye tutakuwa katika chama kimoja. Mheshimiwa Spika ipo haja sana...

(Interruption)

Mr. Speaker (Hon. Rajwayi): Yes, Hon. Murfad.

Hon. Amur: Twaomba tujue ni chama gani maanake hapa hakuna chama hapa tuko Bungeni na chama mambo ya chama ni baadaye nataka tujue ni chama gani hiki?

Mr. Speaker (Hon. Rajwayi): Yes Hon. Fadhili.

Hon. Mwalimu: Ahsante Mheshimiwa Spika. Mheshimiwa Spika naelewa chama anachokijua Mheshimiwa Murfad kile chama cha ODM lakini kuna kitu chengine kile ambacho tunakizungumza. Mheshimiwa Spika ni muhimu kwa ukweli kabisa ndani ya katiba yetu imeweza kuangazia maswala ya...

(Interruption)

Mr. Speaker (Hon. Rajwayi): Yes, What is it Hon. Murfad?

Hon. Amur: Mheshimiwa Spika ingawa anajaribu kukwepa yale tunataka kujua nimezungumzia chama anasema ODM yeye pia yuko ODM, hiki chama ambacho amesema wao ni chama gani? Kwa sababu tunajua chama kimoja ambacho ni ODM ni kweli, kuna chama cha ODM, lakini hiki chama ambacho amekivumbua leo ni chama gani? Tunataka tufahamishwe.

Mr. Speaker (Hon. Rajwayi): Yes Hon. Fadhili.

Hon. Mwalimu: Ahsante Mheshimiwa Spika. Mheshimiwa asubiri kwanza chama hicho kikiwa kimeandikishwa atakuja kuangalia ni chama gani...

(Laughter)

...Lakini kwa sasa hivi Mheshimiwa Spika chama hiki bado hatujakiandikisha hatujakipa jina, Mheshimiwa iko haja ya sisi kama nchi na kama viongozi wa serikali ya Mombasa kuangalia ili ndugu zetu wasije wakakua wanaweza kudhalilishwa. Mheshimiwa Spika tuliona wakati wa nyuma wakati tulipokuwa tunasafisha miji yetu, wananchi walichanganywa, wananchi waliumia wakiwemo makahaba ambao wanaishi katika hali ya ulemavu. Mheshimiwa Spika tuliamua kama serikali watu hawa waweze kupatiwa kama kitambulisho ambavyo vitaweza kuwasaidia katika kufanya shughuli zao za kila siku lakini twaona kuna ulegevu mahali wananchi wetu hawa wamekuwa hawajapata utambulisho ule hawajaweza kutambulika na nahofia serikali hii tulioko nayo hivi sasa imebakisha mwaka na miezi kadhaa, Je, itakuwaje ikiwa hawataweza kupata utambulisho kama huu wakati serikali hii itaondoka, zije serikali zengine. Mheshimiwa Spika mimi naona iko haja tushikane pamoja ili ndugu zetu wasione kuwa wamebaguliwa; kama ilivyozungumza ndani ya katiba yetu maswala ya kutetea yale makundi machache, imezungumza katiba yetu vizuri kabisa ndani ya kipengee ambacho kimezungumzwa ama kimetajwa ni cha 27/6 ni vipi tutaangalia maswala ya wale waliokuwa wakikandamizwa ili sauti zao zisikike.

Mheshimiwa Spika mimi naomba waheshimiwa wenzangu tushikane pamoja tuangalie haki za hawa ndugu zetu kama sisi viongozi tumesimama mbele tujue tunapoongoza kuna wengi ambao wako nyuma yetu hawa ndugu zetu ambao wanaishi katika hali ya ulemavu. Mheshimiwa Spika mimi namuunga mkono haswa huyu aliyejitoe muhanga maana alipewa fursa aje asome taarifa hii naye bila kurudi nyuma alisimama mbele akaonyesha ujasiri. Naomba wenzangu, tusimameni pamoja kama alivyosimama Mheshimiwa Saad, tuungeni mkono hoja hii ili ndugu zetu wapate urahisi wa kufanya shughuli zao ndani ya CBD ya Kaunti ya Mombasa na pia ikiwezekana hata kule kando isipokuwa tu tuwe waangalifu watu wengine wasiweze kutumia fursa hii wakaifanya ni kitega uchumi. Maana ikishasemwa kuwa tunawapatia vitambulisho hivi twaelewa watu ni wajanja Mheshimiwa Spika kuna wengine hutoka majumbani wanazungumza lakini wakifika sehemu hizi za CBD ukaja ukawapata ni watu ambao hawazungumzi ama

hawaoni. Mheshimiwa Spika twataka tuwe makini sana na ili isiwe itachezewa, fursa hii isichezewe kabisa na tuwalinde ndugu zetu ambao tuko nao hapa Kaunti ya Mombasa. Ahsante.

Mr. Speaker (Hon. Rajwayi): Yes, Hon. Mary Akinyi.

Hon. (Ms.) Akinyi: Ahsante Mheshimiwa Spika, kwanza kabla sijaendelea kuunga mambo haya mkono ningependa kumshukuru Mwenyezi Mungu ambaye ameniwezesha nikafika hapa mahali ambapo nimefika. Pili, Mheshimiwa Spika ningependa kuunga mkono taarifa hii ambayo imeletwa na Mheshimiwa Karisa Nzai. Mheshimiwa Spika, mambo hayo mimi kama mwanaKamati katika Kamati ya fursa sawa tumekuwa Kamati ya fursa sawa, ambapo tunakutana mara kwa mara na hawa wenzetu walemavu, tumewahi kukutana hata kabla Nahid Moosa alikuwa hajawacha *Inspectorate* tukakutana mpaka wakati sasa na yule *County Secretary* ambaye alienda tukawa tunazungumzia haya mambo vile tunaweza kuyatekeleza na yakaweza kufanya kazi. Mheshimiwa Spika hata mwaka uliopita Disemba, ama mwezi wa kumi na mbili pia tuliweza kukutana na *County Secretary* ambaye saa hizi yuko Bwana Thoya, tukakutana pia na walemavu tukazungumzia haya mambo kiundani sana. Mheshimiwa Spika, yale mambo ambayo yamebaki hapa ni utekelezaji kwa sababu mambo haya yote tuliyazungumza tukasikizana kuwa kufikia mwaka huu walikuwa wale watu ambao wanafanya biashara katika barabara, hawa walemavu ambao huwa wanafanya biashara katika mabarabara ambapo mara nyingi huwa wanabumburushwa na kufukuzwa na kufanyiwa yale yote ambayo hayataikani tukakubaliana na *County Secretary* Thoya kuwa yalikuwa yale mambo yaanze kutekelezwa, walikuwa wapewe vitambulisho waangaliwe zile, kuna vyeti vyao ambavyo walemavu huwa wako navyo viangaliwe wapewe na vitambulisho ambavyo vitakuwa viko na picha zao ili waendeleo kufanya hizi biashara zao ambazo wanafanya katika mabarabara.

Mheshimiwa Spika, mambo ambayo yamebaki hapa ni utekelezaji kwa hivyo mimi ningependa kama Bunge hili vile tunaweza kuenda kurudi kwa *County Secretary* aweze kutekeleza haya mambo kama vile tulivyokubaliana kuwa aweze kutekeleza haya mambo ambayo tumeyazungumzia kwa mapana na marefu. Ahsante Mheshimiwa Spika.

Mr. Speaker (Hon. Rajwayi): Hon. Zainab Said Ali.

Hon. (Ms.) Zainab Said: Ahsante sana Mheshimiwa kwa kunipa hii fursa. Mimi pia naunga mkono kwa sababu mimi pia ni mwana Kamati na hii Kamati ni ya fursa sawa na tulifanya mkutano kweli na yale ambayo nilikuwa nataka kuyazungumza Mary ameyazungumza. Lakini tumeambiwa kuwa kutafanywa uchunguzi wa hawa walemavu kwa sababu wengine si raia wa hapa lakini wamepata nafasi kwa kuwa walemavu hawa wa hapa wamewapa nafasi kufanya biashara na hao wakaja wakatwaa ile nafasi lakini sasa hatujui huo uchunguzi umefanywa ama haukufanywa na pia kusumbuliwa na namna ile pia si sawa kwa sababu tulipokwenda sisi tukasema sisi ndio Kamati na Mwenyekiti wetu ni fulani. Kwa hivyo hayo mashirika hatuna mashaka hiyo na vile twawashika basi wangemuita yule Mwenyekiti na sisi Kamati tukaambiwa tujue kweli wale ni wao ama si wao sasa yule Mwenyekiti angetoa namna ya kufanya kama atazungumza na kitengo cha *Inspectorate*, *Inspectorate* ajue atafanya nini lakini wao wanasumbua wanawafukuza wengine hawawezi kukimbia, wengine wachukuliwa vitu vyao ambao hawa wanza kukimbia wale wengine wanaiba vitu vyao kwa hivyo si sawa. Tuwape sheria na tupe haki zao hawa wakenya sioni binadamu kama sisi. Shukran.

Mr. Speaker (Hon. Rajwayi): Hon. Murfad Amur.

Hon. Amur: Ahsante Bwana Spika. Ningependa kuchangia kwa tahadhari nyingi Mheshimiwa Spika; kwanza nataka niseme hivi hii ni *time bomb*; wakati tutakubali tu hivi tutakuwa tumefanya CBD yetu ijazane watu kwa sababu hawa wote ni ndugu zetu wanatoka maeneo tofauti na kule mahali wanakotoka lazima kuna njia ya kuweza kupata wale watu wanaofanya kazi zile si lazima mtu atoke Kwale, atoke Kilifi aje afanye kazi katika Kaunti ya Mombasa, ni lazima kuwe na sheria maalum Mheshimiwa Spika kwa sababu tukifungua tu hivi

basi tunafungua uwanja wa ndege. Ndege zote zitatua hapa kwa sababu atokae Kilifi, atokae Kwale, atokae Mazeras, atokae Mariakani watakuwa wageni wetu hapa ilhali huku kwetu kuna wale wanaoweza kufanya biashara zao na kujikimu kimaisha. Kwa nini nasema hayo Mheshimiwa Spika, wengine wanachukua *advantage* mtu mmoja huyo ambaye wewe unafikiria wewe kuwa ni kilema anaweza kukodisha akaweka watu wakati yule mtu atashikwa atajitokeza yeye aje aseme hapa ni kwangu huwezi kuwa mtu mmoja una miliki pahali patano kwa sababu wewe una upungufu fulani lazima tuweke sheria kadhaa. Sipingi lakini lazima kuwe na tahadhari kubwa sheria ziwekwe, si sheria za mjini kabisa kwa sababu mmoja awe na nafasi moja isiwe mmoja akakuwa na nafasi nne katika *CBD* ameweka watu. Hii ndio nasema lazima kuwe na sheria hususan za kutambua watu...

(Interruption)

Mr. Speaker (Hon. Rajwayi): Yes can you allow intervention? Hon. Siminyu.

Hon. Siminyu: Nilikuwa nataka kumpatia taarifa ndugu yangu, yote tumefanya kama Kamati ya fursa sawa na wakati ule kuna wale wako kwa sasa na kila sehemu ikue inajulikana nani yupo na watu wangapi wamejiandikisha na wako katika kikundi. Kwa hivyo hicho ni kitu ambacho kilikuwa kinaendelea na ni shida imetokea tu ni kwa sababu kila wakati anakuja kiongozi mpya, *Director* mpya kwa *Inspectorate* ndio inatatiza mipango ambayo itakuwa inawalinda si kiongozi mwengine akija anabadilisha mambo yale hii ndio taarifa kwa ndugu yangu.

Hon. Amur: Nashukuru kwa taarifa hiyo Bwana Spika, ila ninachosema sheria ni muhimu kwa sababu tunapoangalia sheria hususan inaweza kutapeli na *CBD* ndiyo hiyo hiyo tunayoiona lau tukaiacha wazi basi, hata mahali pa kupita tutakosa kwa sababu tunachukua *advantage* kwamba sisi ni walemavu basi tuingie mjini tufanye mji kama Mariakani ama kama kwengine. Kwa hivyo nasema, lazima kuwe na sheria fulani ambayo kwamba...

(Interruption)

Mr. Speaker (Hon. Rajwayi): Yes, can you allow the second intervention from Hon. Ebrahim.

Chief Whip (Hon. Ebrahim Omar): Ahsante Bwana Spika. Mimi ningependa kumuelezea Mheshimiwa mwenzangu, Mheshimiwa Amur maana tulisema mapendekezo yetu kwamba wakati tutakapofungua fursa hii ya walemavu kujiandikisha itakuwa ni kama tunafungua uwanja wa ndege. Kwa hivyo ningependa kwa kupitia yeye mwenyewe atupe wazo atafanya vipi? Manake akisema kutakuwa na uwanja wa ndege labda hatupi wazo ambalo sisi tutaweza kutumia ili tuangalie kuwa uandikishaji ni wa kisawasawa kwa sababu hii ni mara ya kwanza, singependa itoke hivi hivi kama ataweza kuchangia basi atupe wazo lake. Ahsante, Bwana Spika.

Mr. Speaker (Hon. Rajwayi): Hon. Murfad.

Hon. Amur: Mheshimiwa Spika, niliposema tuweke sheria mikakati nilimaanisha ya kwamba ikiwa mtu yule anatoka Kilifi bila shaka atakuwa afanye katika Kaunti ya Kilifi, ikiwa anatoka Kwale basi anaweza kuenda kufanya biashara hii sisi tubaki na wale wa Kaunti ya Mombasa, kwa sababu tusifungue jamvi la wageni. Kila mtu awe akija awe ni mgeni tunataka kila mmoja afanyie kule aliko, tunataka tumpate kama sio wa Mombasa ni wa Kwale tumregeshe Kwale, ikiwa ni wa Kilifi, tumregeshe ndio nasema, lazima kuwe na sheria hususan ili kuwatambua hao hao ili tusifungue soko ama uwanja wa ndege ambao utaleta wachuuzi wengi kupita kiasi...

(Interruption)

Mr. Speaker (Hon. Rajwayi): What is it Hon. Siminyu?

Hon. Siminyu: Bwana Spika lazima tuweke Jumba hili maanake amesema ukipatikana unatoka upande fulani yeye mwenyewe ametoka Lamu, sijui tumregeshe Lamu? Lazima tuangalie kila mtu anapotoka, bora mtoto amelelewa hapa Bwana Spika.

Mr. Speaker (Hon. Rajwayi): Yes, Hon. Jimmy? Before you continue Hon. Murfad can you allow Hon. Odari?

Hon. Odari: Ahsante Mhehsimiwa Spika. Mhehimiwa Spika pia mimi ningependa kumregelelea ndugu yangu Amur kwamba hawa watu, kama alivyotangulia kusema Mheshimiwa Mary, Mheshimiwa Siminyu, pia mimi ni mwanachama wa Kamati ya fursa sawa na kama alivyosema tushakuwa na vikao vingi na haya mambo yote anayozungumza Mheshimiwa Amur tushazungumza na tunajaribu kurekebisha mambo yote haya ndio maana hawa watu walemavu wako kwenye vyama ambapo ni vyama ambavyo vinatambulika na Kaunti na idadi yao inajulikana na walikuwa wapewe vitambulisho kupitia vile vyama waliomo ndani. Kwa hio mtu yeyote atakayekuja kutoka nje ambaye hajulikani huko kwenye chama hataweza kuingia kiholela na hawa wote walemavu wanajulikana sehemu zao waliko. Wale wa Posta, wale wa Bima Towers, kila mmoja anajulikana kwa majina na kila kitu. Isipokuwa kama alivyosema Mheshimiwa Siminyu, kila akibadilishwa *County Director* wa *Inspectorate* huwa hafuatilizii ule mkakati nafikiri hii inatokana na upande wa ofisi ya *County Secretary* hawajaweka amri ama kutoa maelezo ambayo wale watu wa *Inspectorate* watakuwa wakifuatilia inabidi tunapowabadilisha wale viongozi pale, wale ma-*Director* sio mtu aje na sheria zengine tofauti lakini ni jambo limekubalika na mikutano tumefanya mingi na ni jambo lajulikana na idadi yao hata idadi yao imewekwa na serikali ya Kaunti.

(Interruption)

Mr. Speaker (Hon. Rajwayi): Thank you, thank you. Yes, do you have the same point because we are about to wind up? Okay, Hon. Amur can you resume your seat for you to be informed?

Hon. Faraj: Thank you so much Mr. Speaker. I think Mr. Speaker for us to find the concern that the Hon. Member has with regards to people with disabilities who are in the streets for us to have, to come up with a policy framework which will provide guidelines to any new director who is coming in or any new employer who will be coming in, any new employee who is coming because from what I have gathered from the discussion on the floor of the House it is that the Committee has done its work as far as looking at the interests of the PWDs but the problem which is coming up is because we don't have a policy in place that guides any new director who comes in so once the new director comes in, he comes with new ideas and new programs for that department and I feel it's high time that this House should come up with a policy for the PWDs so that it can provide guidelines to all those who work for the department. Thank you.

Mr. Speaker (Hon. Rajwayi): Yes, Hon. Murfad can you wind up? Unless, you are already done.

Hon. Amur: I want to present my identification to show that I was born in Mombasa; I was raised in Mombasa that's why I want this Hon. House to understand I want to table this Mr. Speaker so that we can ...

(Hon. Amur tabled his national identity card)

Mr. Speaker (Hon. Rajwayi): Hon. Amur which Report is that you are tabling? Nobody requested for that. So...

(*Interruption*)

Hon. Amur: Mr. Speaker Sir, Hon. Siminyu...

(*Interruption*)

Mr. Speaker (Hon. Rajwayi): Can you speak from wherever you were?

Hon. Amur: Mr. Speaker that proves that I was born in Mombasa, I was raised in Mombasa, I was educated in Mombasa the revelation that I come from another County...

(*Interruption*)

Mr. Speaker (Hon. Rajwayi): Order! Hon. Siminyu can you resume your seat Hon. Siminyu?

Hon. Amur: Mr. Speaker, we all come from one tribe: the Bantus and the Nilotes we originate as far as Malawi Mr. Speaker Sir but...

(*Laughter*)

...There are those who were born in Mombasa Mr. Speaker, there are those who were born in Kwale, Kilifi that is the identification now. When I said they should be identified, I had a purpose; if they were really born in Mombasa I have no objection but if they come from another County they should be referred to their County that is my cry. Thank you.

Mr. Speaker (Hon. Rajwayi): Yes, Hon. Mohamed Hatimy.

Hon. Mohamed Hatimy: Ahsante Mheshimiwa Spika naona hapa Mheshimiwa Amur yuko katika kizungumkuti...

(*Laughter*)

...anatoa kitambulisho hakuna asiyemjua Mheshimiwa Amur atoka wapi.

(*Laughter*)

....Sisi tunayo historia yake, wacha yeye wazazi wake twawajua watoka wapi Mheshimiwa Spika, jambo hili lililokuja ni jambo nyeti; mwanzo nataka kusema hivi kuwa hapa mwenye taarifa amenukuu *Article 27(6)* ambapo *27(6)* kuna kipande ambacho kinasema, '*The Assembly shall make legislation and other measures to implement the principle*'. Mheshimiwa Spika mimi natarajia kuwa Mheshimiwa Karume yuko hapa angetoa ushahidi, nimekuwa mstari wa mbele sana katika kuweza kuwatetea hawa walemavu. Lakini Mheshimiwa Spika kama unavyojua kuwa Wakenya ni wahodari sana tumekuwa na kesi mbili; ya kwanza kiti kimoja ambacho nilikuwa natetea kama Mwanachama ambacho kikachukuliwa na *Inspectorate* tukakomeshwa. Mheshimiwa Spika hawa watu hukaa wanajulikana kama walemavu huwa wametengeneza vijibao ama *motorbike*, honda zao zile wanawashwa kufanya kazi na mwengine hukaa chini lakini utaona yule mlemavu amekaa na mtu mwengine ambaye yuko sawa, ile biashara ni ya yule mtu aliye sawa saa hizi kesi ziko, ukitaka ushahidi nitakuletea ni kuwa wanatumiwa. Watu wanawatumia ikifika mwisho wa siku ndio hupawa ile vile walivyokubaliana, kuna kesi iliyotokea na nikaletwa mimi nikaitwa kuenda kuingililia ni kuwa mlemavu ameshirikiana kukubaliana na mke kufanya biashara baada ya mwisho kufunga ile biashara yule mtu ambaye yuko sawa, ambaye si mlemavu akataka, kumnyima haki yake yule, kumdhulumu. Mheshimiwa Spika ikabidi mambo hayo yakafika mpaka polisi kuwa walikubaliana kuwa mwisho wa siku atapatiwa shilingi mia tano na shilingi mia tano aidha akiwa amepata biashara ama hajafanya biashara lakini hataki kuonekana.

Basi Mheshimiwa Spika kulikuwa na vurugu hapo kwa masaa matatu mpaka mwishowe kesi hiyo ikafikishwa polisi. Kwa hivyo Mheshimiwa Spika ni lazima sisi tuweze kuja, kama Mheshimiwa Saad alivyosema kama ni *policy*, ama ni sheria yoyote itengenezwe ili tuweze kuwaweka hawa watu kwa njia ya sawasawa, la sivyo itakuwa *CBD* imeregelea sasa vile vile shida zilivyokuwa katika mji wa Mombasa. Kwa hivyo Mheshimiwa Spika mimi naomba Kamati ya fursa sawa ikae iweze kuangalia jambo hili kwa urefu na kwa undani ili kutatua shida

hii kupata kuitatua iwe wameitatusa *once and for all* Mheshimiwa Spika. Ahsante Mheshimiwa Spika.

Mr. Speaker (Hon. Rajwayi): Well ladies and gentlemen, with regards to that particular statement it is something that we must put in all seriousness that it deserves and that particular constituency is also protected by our very own constitution and moreso Article 54 of the constitution it decides about applying and about how we need to treat people living with disability than any other ordinary person and as a government we have all it takes to fulfill what is required of us by the constitution and according to what has come out. Three Hon. Members that are in that same Committee have actually expressed their opinion that something has to be done; that is Hon. Zainab Dharwesh and the other Hon. Mary and Hon. Jimmy odari also Hon. Patrick Siminyu that when person y changes, the tune changes. It means then that we are cooking up things and there is no proper procedure on how we are operating as a government and for that reason therefore Article 27 sub Article 7 of the same needs to be implemented and put into place and now that those particular policies are not in place and the executive has tried to make them so that they reach the deadline but can we extend it further to a get clear cut on how we are going to get there because for me it is also important that we also control, we can not just open up the city to every Dick and Harry moreso when you get people are being ferried from everywhere to come and just overcrowd the CBD. Maybe that is something that we need to paraphrase and therefore the Committee of Delegated legislation to pick up this matter and do the necessary in terms of legislations and make sure within one month before that slot they need to get to the House a proposal on legislation on how to control that so we must learn we just cant operate like that we need to have a clear structure on how we are going to operate as a goverement, the Committee must move with speed to make sure that directive is respected. Next?

MOTION

Mr. Speaker (Hon. Rajwayi): Yes is it Hon. Amur or Hon. Kasangamba.? Yes Hon. Kasangamba.

Leader of Majority (Hon. Kasangamba): Thank you Mr. Speaker. Mr. Sir, I have a Privilege Motion, which I would wish to move it if permission is granted from your Chair.

Mr. Speaker (Hon. Rajwayi): Yes, as it is, the Standing orders are very clear with the privilege Motion. Go ahead.

PRIVILEGE MOTION

ADOPTION OF THE REPORT ON THE SELECTION COMMITTEE

(Hon. Kasangamba moved the Priviledge Motion)

Leader of Majority (Hon. Kasangamba): Thank you Mr. Speaker. Mr. Speaker I would like to move a Motion on adoption of the Report on the Committee, the Selection Committee concerning amendments of the Members of the Committee of the House. Mr. Speaker Sir, I urge this Assembly to adopt this Report because we will have, in the Report it is based on matters that we have discussed on the whole House or House Committee that the Committees Members should be reduced to meet the quorum of the House. Mr. Speaker on the same Report we have included the 1/3 gender rule; we have considered so many matters on the Report and we have considered matters of constitutionalism. Mr. Speaker Sir, for the Report which is very long there is a letter attached here from the party concerning the Standing order that we have, the Members of the select Committees of the House should be recommended from the political party which the Members are coming from. Mr. Speaker, I beg this House to adopt this Report so as to ensure smooth movement and smooth running of the Committees at large, I would wish to be seconded by Hon. Meti, the House Chief Whip.

Mr. Speaker (Hon. Rajwayi): Yes Hon. Ebrahim.

Chief Whip (Hon. Ahmed Omar Ebrahim): Yes Mr. Speaker. I am here to second the Motion tabled by the Majority Leader of the County Assembly Mr. Abdallah Kasangamba concerning the nomination of Members to select Committees on House session 2016 Mr. Speaker Sir.

(Question proposed)

Mr. Speaker (Hon. Rajwayi): Ladies and gentlemen, I propose that the Motion on, the privileged Motion on the nomination of Members to select Committees on House session 2016 be adopted by this Hon. House.

(Question put and agreed to)

Yes you can say the essence as to why; I want to believe key things have been documented here; one you have mentioned the gender balance, second, you have mentioned you will conform with the rule that no Committee except the one on the Committee of the Whole House and the House Business Committee the rest must not supercede the quorum of the House unless there is anybody or any other issue.

Leader of Majority (Hon Kasangamba): Mr. Speaker Sir, I would like to read the content of the Report Mr. Speaker if you allow me.

Mr. Speaker (Hon. Rajwayi): Yes, carry on as far as there is no objection to that Paper.

Mr. Speaker for the Reports that I have read to this Assembly, I wish the Hon. House to support this Report to enable easy movement and easy flow of our legislative work and legislative procedures in this County Assembly. Mr. Speaker we had so many hiccups, at times concerning our sponsors or donors. If you see our Committee Mr. Speaker, the Committee has many Members who supersede the quorum of the House of our Assembly which is against the best practices of the Assembly. Mr. Speaker, at times our County Assembly has less Members in gender representation; so many times we have seen Hon. female Members have been complaining that they are not represented. Mr. Speaker in this Report we have captured all the constraints that we had last time and we wish this House will have a brighter future and we will have a smooth work considering all the aspects that we have captured. I beg to move Mr. Speaker.

Mr. Speaker (Hon. Rajwayi): Yes Hon. Mohamed Hatimy.

Hon. Mohamed Hatimy: Thank you Mr. Speaker. Mr. Speaker I support the Report but there are very few amendments because Mary Akinyi, I don't know but maybe I did not hear the name Mary Akinyi only appears once, deputy in one Committee. Mr. Speaker, thank you.

Mr. Speaker (Hon. Rajwayi): Yes, any other comment before I put the question, yes Hon. Mary Akinyi.

Hon. (Ms.) Akinyi: Ahsante sana Mheshimiwa Spika. Mheshimiwa Spika mimi pia ningependa kuwe na marekebisho katika hii Ripoti ambayo imeandikwa kwa sababu alipokuwa anaanza amesema vizuri kuwa ameangalia mambo ya jinsia, lakini ikiwa unaangalia hapo katika hizo Kamati zote unapata kuwa mambo na jinsia haikuweza kuingia vizuri vile inavyohitajika. Kwa sababu unapata kuwa Waheshimiwa ambao ni wamama, wako tu katika Wenyeviti ambao ni watatu peke yake ambapo hapo bado hakuna ambaye jinsia kama vile alivyokuwa anasema alipoanza kutoa taarifa yake kuwa ameangalia mambo na jinsia. Ukiwa unaangalia katika taarifa yake ama ikiwa unaona hiyo Ripoti yake Wenyeviti unapata ni watatu tu katika hizo Kamati zote. Mheshimiwa Spika hata chukua mfano ikiwa kama Wenyeviti wote wanaitwa utapata kuwa jinsia haitakuwa ya kutosha ya asilimia 2/3 kiwango cha jinsia haitakuwa ama 1/3 ya jinsia haitakuwa inahusika hapo vile inavyohitajika. Utapata pengine kama itakuwa kunaitwa Wenyeviti wote, utapata kuwa pengine wamama ni watatu peke yake. Kwa sababu tukiwa tunaangalia hii Ripoti, wamama ambao ni Wenyeviti ni watatu peke yake na si ati wamama hawawezi kazi, kazi tunaziweza na hata pia nikiwa ninaangalia katika hizi Kamati zote ambazo nimetajwa jina langu, sioni Kamati ambayo ni Kamati ya *sectoral* ambayo niko, kwa sababu ile Kamati ambayo mimi niko ni *security and administration* unaona kama *agriculture, health education* hizi Kamati zote ambazo ni Kamati ambazo ziko hata na mawaziri mimi napata kuwa hakuna hapo jina langu mahali ambapo imejitokeza na si ati siwezi kazi, kazi naiweza, na naweza kufanya kazi. Ahsante.

(Interruption)

Mr. Speaker (Hon. Rajwayi): Yes, Hon. Amur Murfad.

Hon. Amur: Mheshimiwa Spika, kwa nidhamu ndio maana Mheshimiwa Hatimy alikuwa amesimama akasema jina la Hon. Mary liangaliwe vizuri, sababu labda halikusomwa. Ndio maana akasema kuna jina ambalo ameona likisomwa, si *typing error* kwa hio mama nakuhakikishia kwamba hayo mambo yataangaliwa hata usiwe na wasiwasi ndio maana Mheshimiwa Hatimy alifanya kisisitiza ule ukweli. Ahsante Mheshimiwa Spika.

Mr. Speaker (Hon. Rajwayi): Yes Hon. Kibwana.

Hon. Kibwana Swaleh: Thank you Hon. Speaker. Mine is just to support the Report with the amendment that has been put across in this Hon. House and I think as much as we want to be in different Committees but sometimes it is impossible because of our number and I also had a problem with my Committee. The other time that most of wanted to be in the Health Committee but when it came to meetings you find that we are few Members who are attending. So I think being that the number, being almost the number that we require according to the Standing orders should also be helpful to us the Chair to see that when we are calling a meeting all Members will be present and those who won't be present I think they will be very few.

Another point I would also want to make Mr. Speaker, we as Chairs face a lot of challenges in this area, we have been talking about the offices like the Chair of the Health Committee who is also very critical in giving service to the people we have no offices, so I think as we look into the Committees and I hope, I think this time around as the Leader of Minority has put it, when it comes to donors, they give you a number of people who want to come into a meeting so you find that some Members have felt that they have been left out but because sometimes I am given a number of only thirteen to attend a certain meeting, so to me as much as we have a problem there I think we can sort it out, the amendment be put, but I think maybe we have a Minister we have the same, same allowance because once you are a Minister you get the same amount of money as the one who is being a Minister. Here I think it is a matter of commitment, it is a matter of interested, I really appreciate the work of Lucy I mean Mary who has been my deputy for long in that Committee but because of certain circumstances we should

DISCLAIMER: The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor Page

also allow that, I think it was an issue that cropped up and the Chair is very happy and also to be considered as the Vice Chair who receives the same amount as the other Vice Chairs and also executive Members. Thank you Hon. Speaker.

Mr. Speaker (Hon. Rajwayi): Well before I give an opportunity to Hon. Patrick Siminyu, maybe there is room for consultation because Hon. Hatimy actually has made a very serious statement underlining the statement that with the amendments, maybe to clear certain doubts in your minds. Maybe you can consult maybe where you have it very specific but in the amendment that you want or you find it easier for you to participate in Committee 1, 2, and 3 so that's where you have it in question, and you put the question to that effect that is something that cannot take you more than five minutes so you put your minds together as we continue getting much more opinion from other Hon. Members. Yes Hon. Patrick Siminyu. In the meantime, Hon. Hatimy and Hon. Mary and Hon. Kibwana can put their heads together.

Hon. Siminyu: Yes, thank you Mr. Speaker. I would like to support what the Chair for finance has brought up with amendments, not only today but if somebody is left behind and I think the Majority Leader should sit down if there is a need to see whether a person is left out because it is something that has been brought up to this House and I think it is through change because change is always good as you know and we should always embrace change but if we found somebody, because they have not been equal for each Hon. Member a Member should not be left out to be given the required seat that is required by the Committees because a Member qualifies in all the other Committees. This should be looked into so that we can have a fair share or equal opportunities as Members in this Hon. House. Thank you Mr. Speaker Sir.

Mr. Speaker (Hon. Rajwayi): Yes Hon. Mwinga.

Hon. Mwinga: Thank you Mr. Speaker. Mr. Speaker I had received a call and it was an emergency so I was out and I don't have a copy so I can't contribute.

Mr. Speaker (Hon. Rajwayi): Okay, yes Hon. Fadhili Mwalimu?

Hon. Mwalimu: Thank you Mr. Speaker. Mr. Speaker as you have put it that Hon. Member, ODM Chairman is on the party and we all belong to the same party. Mr. Speaker, we believe we are all in one party and it is after delivery through the Members of this Hon. House that I have brought this list to this Hon. House and the Chairman has put it openly that there are amendments that will be allowed to be done in these lists of Committees from the party. Mr. Speaker I think it's time we accept the list from the party with amendments and the amendments that are to be done they will give what it is in this Hon. House soonest possible. And we also accept the will of the party Mr. Speaker.

Mr. Speaker (Hon. Rajwayi): Yes Hon. Mohamed Hatimy.

Hon. Mohamed Hatimy: Ahsante Mheshimiwa Spika. Mheshimiwa Spika nadhani nimekubaliana na Mheshimiwa Mary kwa kuangalia lile swala zima la jinsia na ninakubaliana na maoni ya Fadhili kuwa kama itawezekana kesho tulete yale marekebisho ambayo kuwa tutakuwa tumefanya.

Mr. Speaker (Hon. Rajwayi): Yes Hon. Kasangamba.

Leader of Majority (Hon. Kasangamba): Mheshimiwa Spika, labda naomba unikumbushe juu ya hii kuwa pengine kuna hitilafu moja au nyengine, lakini lengo kubwa la Kamati kukaa na kupanga ile mipangilio ni ili kwamba kila Mwanachama awe na Kamati ya *sectoral* yake kulingana na makubaliano tuliokuwa tumekubaliana. Kwa hio kama haijajitokeza basi ni hitilafu tu ndogo ambapo baada ya Mheshimiwa, muda ambao si mrefu tutajaribu kurekebisha na wale wa Kamati tofauti mwakaribishwa. Mheshimiwa Spika labda kujibu swala lengine la Mheshimiwa Mary kuhusu maswala ya jinsi ukiangalia tokea ile Ripoti ya nyuma na ya sasa tumejitahidi kadri tuwezavyo lakini kama swala moja ambalo limetupa changamoto sana

DISCLAIMER: *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor Page*

na si ukweli kwa sababu sio sisi ambao tulichagua Waheshimiwa kina baba wengi ama si mimi ni kura za wananchi ndio zilituchagua ikilazimu kivyovyote hao ndio wawe wengi. Mheshimiwa Spika, vilevile pia ikilazimu kulingana na mipangilio ile ya kupanga, kwamba mipangilio mingine yapangwa lakini baada ya muda ama labda Bunge itaweza kukadiria ama kuongeza idadi kubwa ya wanawake, waheshimiwa kina mama ambayo italeta pia idadi ambayo kuwa hao kuwa wengi na sisi pia tujitete. Lakini Mheshimiwa Spika katika Kamati na mpangilio wa wanachama wa Kamati tumeainika kisawa ila tatizo moja ni kwa Wenyevidi tulijaribu lakini haikuweza kwamba itafikia watu wote kulingana na hali ya orodha ya idadi ya Waheshimiwa walioko ndani ya Nyumba hii. Ahsante Mheshimiwa Spika.

Mr. Speaker (Hon. Rajwayi): Well, ladies and gentlemen as information is now very vital to Hon. Hatimy and Hon. Abdallah Kasagamba once you have introduced the aspects of necessary amendments it is not a must that you bring this particular Report back if a question is put that it be passed with amendments because I want to believe you as Hon. Members that is something that once you have agreed upon it does not have many many amendments, like in page 5, the only amendment you can have is instead of Having Hon. Maimuna as the Chairman, you have Hon. Maimuna as the Chairperson, so those are things you do not need going back in the House for debate. Ladies and gentlemen I now put to question that this Motion on nomination of Members to select committees for the session 2016 be adopted with the necessary amendments.

(Question put and agreed to)

ADJOURNMENT

Ladies and gentlemen, this House stands adjourned until tomorrow, Thursday at exactly 2:30p.m.

The House rose at 3:46p.m.
