Congratulations on your appointment and i look forward to working with you and serve the people of Mombasa. Clerk?

**MOTION****ADOPTION OF POLICY CONTAINED IN GOVERNOR'S ADDRESS**

Yes Hon. Hamisi Mwidani, Leader of Majority party.

**Leader of Majority** (Hon. Mwidani): Thank you Mr. Speaker, may I take this opportunity to move a Motion; Adoption of policy contained in Governor's address. Mr. Speaker Sir i beg to move the following Motion;

*(Leader of Majority (Hon. Mwidani) moved the Motion)*

THAT pursuant to Governor's address delivered in accordance with Standing Order 17(1) and laid on the table on 27<sup>th</sup> September, 2017 in accordance with Standing order (20) 6. I urge this Assembly to resolve that:

The Thanks of the County Assembly be recorded for the exposition of public policy contained in the address of the Governor. Thank you Mr. Speaker sir and i wish Hon. Kitula to second the Motion.

**Hon. Kitula:** I second

**Mr. Speaker** (Hon. Khatri): Hon. Members, i propose a question that the Motion that The Thanks of the County Assembly be recorded for the exposition of public policy contained in the address of the Governor.

*(Question proposed and agreed to)**(Applause)*

Hon. Members the floor is now open for you to debate on the Motion on Governor's address; I urge you to first introduce yourself before making any contributions to the Motion so that the Hansard may capture your name, further as you debate please observe the rules of debate as contained in part 15 of the Standing orders, i hereby remind you that the official languages are English, Swahili and Sign language as provided for in Standing order 73 Sub section 1. So if you begin in a speech in any of the above languages you are required to continue in the same language until the conclusion of your speech. Further note that when you rise to contribute recollect your thoughts and contribute conclusively as Standing order 78 provides that no Member shall speak not more than once to a question except in the Committee of the Whole House. Since you will be contributing for the first time in this Honorable House your speech will be a maiden speech and that no interruption shall be entertained from other Members.

It is also worth noting that since the Motion is brought pursuant to Standing order 17, we have a maximum of four sitting days to discuss it, the first sitting of debate on the Motion being today, Leader of Majority party please open the debate.

**Leader of Majority** (Hon. Mwidani): Thank you Mr. Speaker Sir for giving me this opportunity to contribute to the policy issues contained in the Governor's address delivered on Tuesday, 26<sup>th</sup> September, 2017. The same was laid and Notice of Motion issued on Wednesday, 27<sup>th</sup> September, 2017. Mr. Speaker Sir, before I contribute on the Governor's address, allow me to thank the Almighty God for giving me a second chance to serve the people of Mtongwe. I also thank the people of Mtongwe for the honour that they have given me for electing me as their MCA for a second term. I will continue to serve the people of Mtongwe. Also, allow me to thank His Excellency, the Governor and the ODM Members for appointing me the Leader of Majority Party of the Second Assembly. I do not take it for granted and I assure you all that I shall always ensure that I serve you and the government under the leadership of His Excellency, the Governor.

Mr. Speaker Sir, His Excellency the Governor, Hon. Hassan Ali Joho launched the Mombasa Vision 2035 under which ten transformative programmes are to be achieved. In the Vision 2035, youth employment and empowerment as contained in page 7 have been prioritized. When youth are positively engaged, crime rate within the County will automatically be reduced; use of drugs and other social evils will also be reduced. We as an Assembly must ensure that through oversight, this is achieved.

We are all aware that in any procurement with a government entity, 30 per cent of procurement ought to be awarded to the youth, women and Persons with Disabilities. I am aware that the County Government of Mombasa has always ensured that at least 30 per cent of procurement is awarded to the special groups. We as a House must ensure that this requirement in procurement is met at all times.

Creation of gainful employment for the youth is also key. We as leaders must purposely engage the companies within the County to ensure that our youth access employment.

Youth with talent in various areas such as music, acting, sports, among others, must also be given the necessary support. We should commit to passing legislation that will ensure that youth are empowered.

Mr. Speaker Sir, in terms of solid waste management, as elaborated in page 8, the responsibility to ensure a clean environment starts with you and I; let us ensure that we keep our environment clean. I also urge the department tasked with environment to enforce all the environmental laws to ensure that the environment remains clean at all times.

Security within the County, as noted in page 9, is key; when security is compromised, investors will shy away from investing in the County. We must ensure that security is at its best, both for the residents and visitors.

Mr. Speaker Sir, page 10 of the Governor's address promotes provision of water to residents of Mombasa. This is a responsibility of the County Government. The Water Act and County laws on water will ensure that clean water is provided in adequate quantities. Mr. Speaker Sir, allow me to refer to page 15 which is dedicated to the realization of infrastructural development. The County Government in the last term tremendously improved the infrastructure within the County. It was a step towards modernizing Mombasa. I have faith that the roads, hospitals and other amenities will be rehabilitated/built in every Ward within the County.

Another key component of the Vision 2035 as provided in page 17 is the promotion of tourism which plays a major role in developing the economy of our County. We must promote local tourism and open up new tourist sites such as Shelly Beach and Mtongwe.

Mr. Speaker Sir, last but not least, I refer to page 17 which focuses on urban planning, housing development and lands management.

We are all aware that Mombasa has a small area and thus we must maximize the space that is available and this can only be achieved through planning.

As legislators, let us examine the pillars of Vision 2035 as contained in the Governor's Address and do the following:

- i. Where there is legislation, let us ensure that such legislation is enforced;
- ii. Where there is no legislation and it is needed to realize any of the programmes, let us, as an Assembly, pass the necessary legislation.

Thank you Mr. Speaker Sir.

*(Applause)*

**Mr. Speaker** (Hon. Khatri): Yes Hon. Amur.

**Hon. Amur:** Thank you Mr. Speaker sir. Mr. Speaker sir first I would like to thank you for being elected as the Hon. Speaker of this House. Two, I want to thank my colleagues who were elected and nominated as Members of this House, congratulations my brothers and sisters...

*(Applause)*

Mr. Speaker Sir, I want to refer to the Governor's speech which was made in this House on 26<sup>th</sup> of last month (September, 2017). Mr. Speaker Sir, in his address Mr. Governor or Hon. Governor emphasised on the issue of youth on page 7 in his address; I want to take this opportunity to enlighten this because youth is a bigger number of this population of Mombasa County. In his address, the Governor thought of youth by saying youth employment, empowerments, skills excetra, but for us as a House if we don't come with measures to help our youth by making laws the Governor's realization will not be fruitful. Why do I say so Mr. Speaker? Youths we have unemployment of about 40 per cent to 50 per cent Mr. Speaker. The Hon. Governor to empower them but Mr. Speaker I want say to this House if we don't make laws to them a chance then these young girls and boys who have come from Universities will never be employed. Why Mr. Speaker I say so? Whenever we advertise for employment there is that statement saying people with experience of 5 years, 10 years and above, this an automatically disqualification of our youths so I beg this House to come with laws so that we can do something so that these youths who are graduates who have Masters degrees can be employed simply so that this obstacle of 10 years or 5years as experience be looked into it so that we can accommodate them to make or get employment in our County Assembly but without that day in and day out youths who are leaving from the university will never get employed due to this fact of 10 years experience, 5 years of experience, this is a direct disqualification yet the Governor wants to help the youths. It's upon us as Assembly Mr. Speaker Sir to come with better regulations to oversee what we can do so that these young people can be granted an opportunity so that they can apply for this job. Thank you, Mr. Speaker.

*(Applause)*

**Mr. Speaker** (Hon. Khatri): Yes Hon. Ramla. Members just a reminder according to Standing order number 76, Sub section one; no Member shall read a speech but a Member may read a short extract from written and printed papers in support of an argument and may refresh memory by reference to notes. Members just note that.

**Hon. (Ms.) Said:** Thank you Mr. Speaker. My name is Ramla Said Omar, Nominated MCA representing People Living with Disabilities. I want to thank God to be able to be here with all of you and be able to make laws and Bills for People Living with Disabilities...

*(Interruption from ringing mobile phone)*

Mr. Speaker I want to refer to the speech of the Governor and I want to emphasise on addressing on issues of People Living with Disabilities; number one, while addressing youth employment and empowerment, I want now to hear addressing youths and PWDs employment and empowerment. Because it is our understanding that on the same youth we try to assume that these PWDs are also included but at the end of it they are not considered.

So i insist on them to be mentioned every now and then so that people will remember there are people living with disability who need to be considered.

Two; Mr. Speaker in every sector of the speech from number one to number ten it would be very nice to see persons living with disability being considered.

*(Applause)*

We have environment Mr. Speaker, we have environment whereby PWDs can also be engaged in making the environment clean; if given the opportunity PWDs also need to be engaged.

Number 4, public toilets; we need to have public toilets, number 5, about health insurance the Hon. Governor only mentioned elderly and women in names but not PWDs they also should be recommended.

Number 6, Mr. Speaker Sir we talk about education, education also there is alot to be done to make sure Persons Living with Disability get proper facilities required in education sector; number 10 Mr. Speaker we have business entrepreneurs in the CBD and we know many PWDs are also entrepreneurs and also doing businesses. We need also to come up with laws in future to consider them to do their businesses in their own way.

Mr Speaker number 8, the desirable infrastructure, transportation, mobility; Infrastructure I thank my colleague Mr. Hudson Karume for making an effort but we still need more infrastructures for people with disability, like more ramps, those who can fit to access lifts and e.t.c. Transportation so far there is no transport for PWDs in Mombasa that caters for Persons with Disabilities, that is one of the things we need to come up and try to have for our fellow PWDs. Mr. Speaker, number 10, as we look at the Vision 2035 that we maintain urban planning, housing development and land management also this we should always consider People With Disability so that we can access anywhere without any help from other people, they should feel independent. Thank you, Mr. Speaker.

*(Applause)*

**Mr. Speaker** (Hon. Khatri): Yes Hon. Lucy Chizi?

**Hon. (Ms.) Chireri:** Ahsante sana Mheshimiwa Spika, nilikuwa sijaonekana lakini ukaniona kwa mbali sana na ukanitaja, ahsante sana kwa kunitambua. Kwa majina ni Mheshimiwa Lucy Chizi Chireri nawakilisha Wodi ya Mtopanga eneo Bunge la Kisauni. Kwanza ningependa kuwashukuru wananchi wote wa Mtopanga kwa kuniregesha mara ya pili kuwa kiongozi wao, mimi ninasema ahsante sana na Mwenyezi Mungu aweze kuwabariki wananchi wote wa Mombasa Kaunti na Mtopanga kwa ujumla.

Mheshimiwa Spika ningependa kutoa shukrani zangu za dhati kwa Mheshimiwa wetu Gavana Ali Hassan Joho kwa hotuba yake; kwa kusema ukweli hotuba yake Gavana imenigusa sana mimi kama MCA wa Mtopanga, hotuba ya Mheshimiwa Gavana imeangazia vipengele vyote, shida zote za mwananchi ambayo anaikumba pale mashinani na maendeleo ambayo yatafanyika, ndio ninasema ahsante sana Gavana wetu Hassan Joho kwa kujali maslahi na maisha ya wananchi wote wa Kaunti ya Mombasa. Mheshimiwa Spika hotuba aliyoitoa Gavana wetu imenifurahisha sana; akiangazia upande wa mabarabara kama unavyojua Mheshimiwa Spika Wodi ya Mtopanga barabara zilikuwa ziko katika hali mbaya lakini tulianza 2013 na tumerudi tutahakikisha ya kuwa tunashirikiana na serikali kuu ili tuweze kuboresha barabara zetu mitaani. Udongo ulioko kule Mheshimiwa Spika ni mbaya, saa hizi ukiingia Wodi ya Mtopanga barabara ndogo za mitaani *cabro* na *cabro* zitazidi zilizobakia ni kidogo na kulingana na hotuba ya Mheshimiwa Gavana ambayo ametupa ni hakikisho ya kuwa tutaweza kuboresha maisha ya watu wetu Mombasa Kaunti nzima. Ahsante sana Mheshimiwa Spika.

*(Applause)*

**Mr. Speaker** (Hon. Khatri): Yes Hon. Kitula?

**Hon. Kitula:** Ahsante sana Mheshimiwa Spika kwa kunipatia fursa hii.

Vilevile nachukua fursa hii kumshukuru Mungu kutukutanisha sote Wabunge walioweza kuchaguliwa na kuweza kuteuliwa ili kuwakilisha sehemu zote mbalimbali tukakuja kama tulikotokea. Mheshimiwa Spika moja kwa moja ningependa kuchangia hotuba yake Gavana alioweza kutoa siku ya tarehe ishirini na sita mwezi uliopita tisa mwaka huu. Mheshimiwa Spika kwanza kabisa ningependa kumshukuru Gavana kwa sababu aliweza kufafanua majukumu yetu kama Wabunge katika Bunge hili la Kaunti ya Mombasa; kueleza kwamba tuwe na demokrasia na wananchi ambapo tuweze kuleta utawala ambao unastahili moja kwa moja, pia Gavana akaweza kuelezea kuhusu ruwaza ya mwaka elfu mbili thelathini na tano (2035), ambapo Gavana akasema kwamba atawasilisha mapendekezo yake kwetu sisi ili tuweze kuipatia motisha ruwaza yake ya mwaka wa elfu mbili thelathini na tano. Ruwaza hii Mheshimiwa Spika iliweza kutilia mkazo mambo kumi kulingana na hotuba yake; jambo la kwanza ambalo lilinivutia moyo ni ile ambayo iliweza kuangazia ajira kwa vijana na kuwapa uwezo wa kuweza kujitegemea. Mheshimiwa Spika hapo ndipo palipo na kizungumkuti maana imani ya vijana wa Mombasa ilivyo kwetu kuweza kuhakikisha tunakuja na mbinu za kisasa ambazo zitaweza kuwapatia mkate wao wa kila siku.

Mheshimiwa Spika sehemu nyengine ambayo ningependa kuzungumzia ni katika masuala ya mazingira; katika swala la mazingira inahitaji ushirikiano mkubwa baina yetu ni sisi viongozi tulioweza kuchaguliwa kwa kura na viongozi walioweza kuteuliwa na vile vile ushirikiano mkubwa kuanza na wananchi ili wahudumu katika idara husika na hatimaye viongozi watakao teuliwa na Gavana katika idara hii.

Mheshimiwa Spika jambo lengine ambalo litakuwa ni la kutia moyo zaidi kuhusu *Community police*, Gavana tukishirikiana nae tutaweza kuwapa ajira watu wetu mashinani kupitia miradi hii maana jambo la usalama linahitaji ushirikiano, japo ni jukumu la serikali ya kitaifa lakini kulingana na Katiba, Kaunti yetu imeweza ku orodheshwa kama sufuri sufuri moja, kwa hio tunastahili kuwa kupatia kipao mbele zaidi. Mheshimiwa Spika jambo ambalo ni donda sugu zaidi ni katika hali ya maji, ni dhahiri shahiri sehemu zetu Kaunti nzima Mombasa tunapata maji kwa masiku ya kuhesabiwa; maana imeweza kuzungumzia kuweka bidii na kuweza kuhakikisha kwamba tutakuja na mtindo wa kileo ambao ni kugeuza maji ya bahari na kuyafanya maji kwa matumizi ya kibinadamu almaarufu kama *desalination*.

Mheshimiwa Spika Gavana akazungumzia kujengwa kwa vyoo vya umma na miondo msingi ulio bora kwa maji taka, lakini hivi sasa maji taka yameweza kuzongwa na taka taka nyingi zaidi ambazo zimefanya sehemu hizi kuweza kuziba njia hizo.

Mheshimiwa Spika katika sehemu nyeti kabisa ni katika sekta ya afya, nashukuru Gavana ameweza kujenga zahanati mashinani ila changamoto ni madawa; ni jukumu letu kama Wabunge kuweza kuhakikisha tumeweza kuchanga pesa nyingi zaidi katika sekta hii ili kuweza kukubaliana na majanga ya dharura. Gavana Mheshimiwa Spika nampatia heko kwa sababu alitanguliza kuwapa hapa wazee wetu na kina mama mashinani bima ya afya yao.

Mheshimiwa Spika jambo lingine zaidi ni swala la elimu; katika elimu basari kwa kila eneo Bunge kwa wanafunzi wetu pasi kuweza kuwabagua ni jambo ambalo laweza kutia moyo kila mmoja katika Bunge hili kulingana na hotuba ya Gavana. Vile vile tupunguze ujumbe mwingi kwa kujaza fomu za basari Mheshimiwa Spika maana zinatatiza wanafunzi wetu na wazazi wetu kulingana na kuweza kujaza zile fomu za basari ambao sisi kama serikali ya Kaunti tunaohudumu katika Bunge hili tutaweza kuhakikisha kwamba fomu zile zina ujumbe mfupi ili kila mmoja awe na uwezo wa kujaza fomu zile. Mheshimiwa Spika katika kipenge kingine ni maswala ya biashara, Gavana ameweza kuzungumzia ya kwamba ataweza kupunguza ada kwa wafanyi biashara katika serikali yetu ya Mombasa. Mheshimiwa Spika changamoto inakuja pale askari wetu sasa wanadai kuweza kuhakikisha kwamba wanapatia mazingira muafaka sio kuweza kuwabumburusha wafanyi biashara, maana jambo hili linatupatia picha mbaya zaidi kama serikali yetu ya Mombasa. Mheshimiwa Spika nikiweza kumalizia ni kuhusiana na maswala ya miundo msingi.

Gavana amezungumzia kuweza kuhakikisha kutengeza barababara za kisasa Likoni, Kisauni, Changamwe, Jomvu, Nyali pamoja na Mvita; barabara hizi ni sisi kuhakikisha zimetengenezwa kwa njia zenye ustadi na zenye kudumu. Mheshimiwa Spika jambo lengine la zaidi ni kuweza kuhakikisha ya kwamba maswala ya ardhi kulingana na hotuba ya Gavana kuweza kuanzishwa *County housing development fund* na vile vile kuhakikisha watu wetu wanapata haki yao kuhusu maswala ya ardhi, lakini mambo muhimu katika hotuba ya Gavana Mheshimiwa Spika ambapo tunastahili kuweza kuangazia sisi kama Wabunge katika Bunge hili; kwanza ni kuhusu kuwahusisha wananchi katika maswala ambayo twafanya kazi kuhusu kushirikiana alimaarufu kama *public participation*. Mheshimiwa Spika heshima baina ya kiongozi wa serikali ya kitaifa maana kuna ustahili kwa kutoheshimu sheria za Kaunti yetu. Mheshimiwa Spika kipenge 191 (4) kinasema wazi na kutunga sheria tunazozipitisha hapa Bungeni. Mheshimiwa Spika nikiweza kutilia mkazo katika ushirikiano wetu na Mawaziri katika serikali ya Kaunti Mombasa ambao watahakikisha kwamba kulingana na hotuba alioweza kuzungumzia Gavana yale yote yameweza kutimizwa. Mheshimiwa Spika jambo lengine ambalo linastahili kuleta mkazo ni katika ushirikiano kama sisi *Ward Administrators*. Mheshimiwa Spika kuna hawa wanafahamika kama *Ward Administrators*, ni jambo la kwanza kuanza waweze kuingia mashinani na kuhakikisha kwamba yale tunaanza kupitisha katika Bunge hili yameweza kutimilizika mashinani kupitia idara husika. Mheshimiwa Spika lengine ni kwa ushirikiano wa wahudumu wote wa serikali ya Mombasa hasa sisi kama Wabunge walioweza kuchaguliwa na wale ambao waliohumu wataweza kuhakikisha kwamba wametokeleza wajibu kulingana na hotuba ya Gavana. Mheshimiwa Spika nasema ahsante sana kwa kunipatia fursa hii na vile vile naomba Mwenyezi Mungu amjaalie amani na mafanikio katika safari ya 2017 hadi 2022. Ahsanteni sana

(Applause)

**Mr. Speaker** (Hon. Khatiri): Hon. Robert Nyiro.

**Hon. Nyiro:** Mheshimiwa Spika nakushukuru sana kwa kunipa fursa hii ili kuweza kuchangia, lakini kwanza naomba niwashukuru wakaaji wa Wodi ya Bamburi kwa kunipa fursa hii ya kipekee na kuniamini kwamba ninayo mawazo ambayo ni ya kupeleka Bunge hili mbele. Pia namshukuru Mungu kwamba na sisi sote kwamba tuko ndani ya Kaunti kama wajumbe, pia nikupongeze kwa ajili ya kuchaguliwa kwako kuwa Spika wetu, pia nimpongeze Gavana kwa kuchaguliwa kwa kura nyingi zaidi kuendelea kuchapa kazi. Nikirudi katika hotuba ya Mheshimiwa Gavana, ukweli wa mambo kama wenzangu walivyoweza kuchangia ni kwamba kuna kochochokocho, mambo mazuri ambayo ikiwa Bunge hili litamsaidia Gavana na wafanyi kazi wote wa Kaunti hii ili yaweze kutimilika, basi kwa uwezo wa Mungu Bunge hili litaenda katika vitabu vya historia kama Bunge ambalo limetokeleza majukumu mateule katika miaka hii mitano kwa wananchi wa Kaunti ya Mombasa. Nafikiri tukiangazia macho katika ndani ya Bunge hili ni kwamba vijana ni wengi wamo ndani ya Bunge hili na jambo la msingi ndio lilimpa mshawasha Gavana kuweka jambo la vijana kama hoja yake ya kwanza na ina nitia moyo mimi kama kijana kuona kwamba Gavana anatambua uweko wa vijana wengi katika Kaunti ya Mombasa na ya kwamba mji usio na watoto basi hauna mbele na kwa sababu mji wetu una vijana wengi wenye uwezo mbali mbali nafikiri ni vizuri zaidi sisi kuwekeza katika nguvu ambayo vijana wako nayo. Ukweli wa mambo ni kwamba asili mia ya vijana ambao tuko nao katika Kaunti ya Mombasa ni kwamba wanaendelea kupata elimu viwango tofauti tofauti na mbali na hayo ni kwamba Mombasa kulikuwa pengine hakuna vijana wenye viwango vya juu vya elimu lakini hivi sasa viwango vya vijana vya elimu vimekuwa na mbali kwamba viwango vya juu vinakua shida imekuwa ni kwamba ajira imekuwa finyu, imekuwa haipatikani na ni nzuri zaidi ama ni vizuri zaidi kwa serikali kuwaza jinsi ya kuweza kuwekeza na kuwafanya hawa vijana wawe wanaweza wakawa wabunifu na wakujifaa na kufaa Kaunti yetu.

Hivyo basi nataka nimuunge mkono Gavana kwa sababu kwamba kuwapa nguvu vijana miradi yoyote ambayo itawapa nguvu vijana ya kwamba waweze kujitegemea katika maisha yao, ingekuwa ni bora zaidi na kwa sababu sisi wajumbe tunatoka katika maeneo na itakuwa bora zaidi ikiwa tutakuwa tunaliangazia hili la kuwafaa vijana kwa mfumo ambao tunaangalia maeneo sisi tunatoka. Ikiwa itakuwa namna hio basi ujue kwamba maendeleo yanapatikana kwa usawa kwa vijana wote Kaunti ya Mombasa kwa sababu vile viwanda vya ufundi ama sehemu ambazo zile vijana wanajifundisha ufundi na kuboresha vipawa vyao sana sana vinakuwa mbali nao na ndio maana wanakuwa wanapotelea mitaani kwa sababu ya ukosefu wa fedha.

Kwa hio natilia mkazo kwamba ni kweli ya kwamba tunahitaji kuwatia nguvu vijana kwa kuweza kuwashika mkono katika talanta ambazo wako nazo, vijana wana ubunifu mwingi na wanaweza kufanya makuu ikiwa tutarudi kule mashinani katika miradi yote tuyaweze kule ili ubunifu wao uweze kupata mahali pa kuboreshwa.

Kuna jambo la kipekee ambalo limezunguziwa kuhusu mambo ya maji ya kwamba, ukweli wa mambo jamani Mombasa kukinyesha dakika kumi basi maji yanafurika kila mahali na Gavana alitaja kitu kingine ambacho ni cha ajabu sana ya kwamba tunaweza tukayanasa haya maji wazungu wanasema ku *harvest* bila shaka Kiswahili ni kuyavuna haya maji tunaweza tukayavuna na mimi si mtembezi sana lakini nimetembea nikaona kwa wenzetu walivyofanya ni kwamba wanavuna yale maji yanatoka kwenye mito kisha wanayasafisha maji maana kusafisha maji ni rahisi zaidi. Kwa hio ukweli wa mambo ni kwamba maji Mombasa imekuwa ni janga kubwa na kama tunakuwa tunaweza kuvuna yale maji ambayo hufurika kwa madakika kidogo wakati kunanyesha itakua ni vizuri zaidi tuwe na mfumo mzuri kwamba yale maji tunaweza tukayavuna na yakawa yana mahali maalum ambapo kuna mitambo haya maji yasafishwe na kisha yapelekwe kwenye magari na yapelekwe kwa wananchi kwa matumizi ya kinyumbani itakua ni bora zaidi, na sisi tuko hapa nadhani kumpa nguvu na mawazo Gavana na wale wote ambao wanahusika na mambo haya kuona kwamba mambo haya yatakuwa vipi, maana mambo haya yana andikwa kwenye karatasi lakini kutekelezwa kwake inategemea na mawazo ambayo sisi tutayatoa na kusaidiana na wale ambao wanashika majukumu mengine ndio kwamba mambo haya yamekuwa vizuri.

Nikizungumzia mkondo wa afya nikilinganisha na hotuba ya Gavana ni kwamba kwa mfano kwangu mimi ninapokaa mimi jamani hakuna zahanati hata moja na zile zahanati ziko pale ni zile za kibinafsi, na zile zahanati za kibinafsi zinawapora sana wananchi wet; nipeane mfano ya kwamba kwa muda huu ambao wale wauuguzi wameendelea wamegoma, kuna janga kule kwangu ya kwamba mama kujifungua ni elfu tano, yaani hata akajifungua mlango wa hospitali akiingizwa kule ndani ndio akatwe mtoto kitovu aoshwe mama anaambiwa alipe elfu tano, na inakuwa ni dhiki kwa sababu hali zile ambazo ziko kule ni hali za kusikitisha mama amejifungua Mungu amemsaidia amejifungua salama, amejifungua tu peke yake lakini kwa sababu amejifungua mlango wa hospitali unaona kwamba mama yule ataingizwa ndani angalau asaidiwe kukatwa mtoto kitovu na mambo mengine, mama anaitishwa elfu tano, inakuwa ni dhiki unakuta mlango wa duka umegongwa, unakuta majirani hawalali wanasumbuliwa kwamba mama amebaki hospitali, saa nyengine wazee wanawacha vitambulisho mahospitali kwa sababu watu wao ama wagonjwa wao watoke. Kwa hio ni vizuri zaidi kama tunazungumzia mambo ya afya tuweke macho yetu kule mashinani tuone je hivi vifaa ama hivi vituo vya afya vipo? Na kama vipo basi katika ruwaza hii ambayo Gavana ameileta tuzingatia tena kwamba vile vituo vya afya vinawekwa kila Wodi, halafu tuzungumzie tutaweka vifaa namna gani na kule kuviboresha manake kinachoboreshwa huwa kiko. Kwa hio nadhani kupitia Jumba hili tutaweza kumsaidia Gavana kimawazo ili ya kwamba hivi vituo vya afya vipatikane kila Wodi mwanzo kisha ndio pale tuweze kuviboresha ili wananchi wasiumie.

Nikimalizia Bwana Spika mimi ni mmoja tumeangalia kwa mtazamo tukiwa waalimu na mambo ya elimu yakitajwa tunasikia kulisimka ikumbukwe kwamba tunahitaji kuenea kiwango cha elimu cha watoto wetu na mara nyingi zile changamoto ambazo ziko mashinani wanaambiwa wakifika darasa la nane ndio wamemaliza kusoma hata ukimuuliza mzazi anakwambia ashamaliza, akikwambia ashamaliza ni kuwa ashafika darasa la nane. Kwa hio stori imeisha pale lakini kwa sababu kisomo hakina mwisho maana mtoto anatamani kusoma ni vizuri twende mashinani tukimsaidia Gavana kuangalia kiwango cha elimu kiko namna gani, tujue kwamba katika ile mitaa wale ambao tunajaribu kuwaenua katika elimu je wamefika kiwango kipi, na ni vipi tutawaongezea elimu kwa namna gani, na hivi vituo vya elimu kwa mfano kuna wale ambao wanashindwa sekondari ni vizuri tupate vile vyuo vya ufundi wapeane maoni ili waweze kupata ujuzi zaidi ili waweze kujikimu zaidi kimaisha na tunajua dunia inageuka jamani siku hizi mambo yote teknolojia, ni vizuri tunavyofikiria elimu tufikirie ni jinsi gani watoto wetu watakuwa na elimu na teknolojia ili waweze kushindana katika kimataifa hususan kwa upande wa biashara na uchumi kwa jumla. Nikomee pale nikisema nashukuru zaidi kwa sababu imani yangu ni kwamba Bunge hili litaweza kutekeleza majukumu mengi matukufu na tutaweza kuingia katika daftari la kumbukumbu ya kwamba tumefanya kazi nzuri na Gavana hatajuta kuwa na Bunge nzuri sana. Ahsante sana.

(Applause)

**Hon. Speaker** (Mr. Khatri): Thank you very much Hon. Nyiro. Hon. Members I just want to remind you that you first introduce yourself by your name and which Ward you come from before making contributions to the Motion so that the Hansard can capture your name. Thank you. Yes?

**Hon. Aran:** Mr. Speaker Sir first of all let me congratulate you for being elected as the second Speaker of this County Assembly, and my names are Moses Aran representing the youth and also let me congratulate the Governor for his re election and also Mr. Speaker you being a youth I know you will spearhead the youth agenda in Mombasa County. Also I want to thank my party ODM for giving me this chance, the ODM branch led by our able Chairman Hon. Mohamed Hatimy for giving me this chance to represent the youth of Mombasa County I promise the Party that I will work hand in hand with the Hon. Members elected and nominated to deliver to the youth of Mombasa. Now back to the Governor's speech that was read on 26<sup>th</sup> September, last month I want to congratulate our able Governor. Actually i have gone through the speech, and I have to say I must congratulate him that's why he is called the Governor 001 and if you see this the ten programs or the agenda for the Mombasa County you cannot compare to where we were sometime back. Hon. Members, I know this may sound as a hard task to us but it can also be very simple and I want also to make a contribution that for the Governor, His Excellency Hassan Ali Joho to start with the youth agenda is not by mistake, we know that the youth drives the nation and the youth contribution if you work hand in hand with the youth all the remaining programs will be a success, I don't want to repeat what my fellow Honorable said and what they said is what we need to do. My fellow Hon. Members I want to urge you that we know almost a third of Hon. Members who are in this House are youths...

(Applause)

I call upon you guys don't let be a Moses Aran agenda let us work hand in hand to achieve the youth agenda and this can be achieved if we practice loyalty, if we practise patience, understanding and if we work hand in hand with each other and we respect each other. Let us be united and all these agendas will be achieved but the moment we will be divided across religion, across tribe, across all things it will divide us to achieve this. The Governor has thrown the ball to us Hon. Members, and it is upon us to make a formidable team and I can tell you that we can score the ball. Let us not play the ball then score our balls by unnecessary wrangles; we are a team regardless of the political affiliation.

We need to work as a team and achieve this, the people of Mombasa depend on us and the moment we won't succeed it won't be on the Governor's only but it will be on us also because it is us who represent the people, we need to deliver and for us to deliver we need to work hand in hand. I appreciate my senior Hon. Amur for the sentiments made, also by Hon. Nyiro and my Chief Whip I think I second you guys let's work together and let's move and also make laws which will favour the youth. Thank you and may God bless you.

(Applause)

**Hon. Speaker (Mr. Khatri):** Yes Hon. Fatuma.

**Hon. (Ms.) Fatuma Swaleh:** Ahsante sana Mheshimiwa Spika kwa kunipa fursa hii; kwanza kabisa ningependa kumshukuru Mwenyezi Mungu, kwa majina naitwa Fatuma Swaleh Mote maarufu naitwa Fatuma Kushe. Namshukuru Mwenyezi Mungu kwa kuniwezesha kuregelea katika Bunge hili kwa mara ya pili, si kwa uerevu wangu wala si kwa nguvu zangu ni mapenzi ya Allah. Vile vile Mheshimiwa Spika ningependa kumshukuru Mwenyezi Mungu kwa kuweza kumregesha Gavana wetu kwa awamu ya pili na vile vile namshukuru Mwenyezi Mungu kwa kuwezesha wewe kuchaguliwa katika hili Bunge kama Spika wa Bunge manake ni jambo la kushangaza kwamba Mwenyezi Mungu akitaka lake lazima liwe haukupata upinzani wa aina yeyote na vile vile hiyo ni ishara ya kwamba katika pepo kuna pepo nyingi kwa hiyo wewe utaingia pepo katika mkono wa kulia Mheshimiwa Spika...

(Applause)

..Mheshimiwa Spika mimi pia ningependa kuchangia katika hotuba ya Gavana, ningependa kuzungumzia mambo matatu; Mheshimiwa Gavana amezungumzia kuhusu mambo ya ufisadi japo ni jambo tata haina budi kulizungumzia. Mheshimiwa Spika Bwana Gavana alizungumzia kuhusu mambo ya mazingira, vile vile akazungumzia kuhusu vijana. Mheshimiwa Spika nitaanza kuzungumzia kuhusu vijana; katika Kaunti yetu ya Mombasa kuna vijana ambao wanatumia mihadarati, suala kama hilo Bwana Gavana alilitilia kipao mbele, kama tunavyojua mui huwa mwema na hakuna mzazi ambaye hupenda kuzaa mtoto ambaye hasikii. Mheshimiwa Spika mimi ningependa Waheshimiwa wenzangu tuletete Miswada katika Bunge ili tuweze kuokoa jamii zetu katika Jimbo la Kaunti ya Mombasa. Mheshimiwa Spika ufisadi ni donda sugu sana katika nchi yetu ya Kenya na kuna tetesi ambazo zilizungumzwa juzi katika magazeti kwamba katika Kaunti ya Mombasa kuna ufisadi. Mheshimiwa Spika mimi ningependa wenzangu tuje na sheria mtu yeyote atakayepatikana na ufisadi katika Kaunti hii yetu ya Mombasa kwanza aweze kusimamishwa kazi mara moja huku uchunguzi ukifanywa. Jambo lengine ni kuhusu mazingira Mheshimiwa Spika, hivi sasa tunajua takataka ni mali, pia tuweze kuja na sheria kuhusu takataka ama kuhusu mazingira ili vijana wetu waweze kupata ajira. Ahsante sana Mheshimiwa Spika.

(Applause)

**Hon. Speaker (Mr. Khatri):** Yes Hon. Shebe Athuman.

**Hon. Athuman:** Ahsante sana Mheshimiwa Spika ningependa kuchukua fursa hii kumshukuru mfalme wa mbingu na ardhi ambaye ametuwezesha sisi pamoja na mimi kuwa hapa leo. Ama kwa hakika Mheshimiwa Spika si kwa ujanja wetu bali ni kwa uwezo wake; pili napenda kuchukua nafasi hii kuwashukuru wakaazi wangu wa Jomvu Kuu kunichagua kunipatia fursa hii kuweza kuwahudumia kwa miaka mitano. Majina yangu kamili naitwa Abdallah Shebe Athuman Said nitakuruhusu uweze kuniita *mkono power*. Mheshimiwa Spika napenda kuchukua fursa hii kumshukuru na kumpongeza Gavana wangu 001 kupatiwa fursa ya kuongoza Kaunti yetu ya Mombasa kwa hatamu ya pili, vilevile nakupongeza na kukupa kongole Mheshimiwa Spika kwa kuchaguliwa na nina imani ya kuwa uta...kwa uwezo wa Mungu. Napenda kuchukua fursa hii kuwashukuru na kuwapongeza Waheshimiwa wenzangu kuwaeleza kuwa majukumu yaliyo mbele yetu ni makubwa sana kwa hio hatuna budi tukaze mishipi tuangalie ni vipi tutaweza kutekeleza majukumu yetu tuliokabidhiwa na wananchi wetu katika Wodi takriban thelathini.

Yangu napenda ku... kwa kuunga mkono hotuba ya Gavana kwa sababu ametaja kwa njia moja ama nyingine japo hakusema shebe moja kwa moja lakini amenitaja kwa sababu kuna masuala yako katika moyo wangu ambayo Gavana ameyagusia ndio nikasema amenitaja kwa njia moja ama nyingine. Swala la vijana, mimi ni mkereketwa nashukuru niko Bunge kipindi hiki kwa nguvu za vijana pamoja na kina mama pamoja na walemavu na wazee nikikwambia Gavana amenitaja ametaja falsafa tano za mukono ndio hayo yaliyozungumwa hapa; swala la vijana Gavana amezungumzia kuhusu ajira, vijana tunavipawa wala hatukufilisika kimawazo, vijana wana talanta na wana vipawa mbalimbali changamoto tuna imani kupitia uongozi wako na uongozi wa Gavana wetu hili swala tutalifanya chuka...ili tupate mfuko na bajeti ya sawasawa ili tuweze kuweka masuala ya vijana mbele, hususan michezo. Ukiangalia masuala ya usanii, ukiangalia masuala ya taaluma mbalimbali hizi ni talanta zimemilikiwa na vijana wetu lakini changamoto imekuwa wamekosekana watu kuwashika hawa vijana mkono. Kwa hio nina imani katika Kamati tutakazo ziunda za Bunge pengine tutaweka masuala ya bajeti itakuwa asilimia kubwa katika bajeti iwekwe katika masuala ya vijana ili tuweze kutengeza ajira...

(Applause)

...Mheshimiwa Spika limezungumziwa swala la walemavu; vilevile ni swala ambalo liko katika moyo wangu; ninaye dada yangu ambae naamini uwezo anao lakini changamoto za maumbile zinamfanya yeye kukosa riziki au kukosa kutimiza ndoto yake. Kwa hio Mheshimiwa Spika vilevile nitatia pondo sana kuhusu masuala ya ulemavu nihakikishe kama ni masuala ya bajeti wafikiriwe hawa walemavu ndugu zetu, wengine wana vipawa wanakosa watu wa kuangazia mambo yao. Mheshimiwa Spika swala langu la tatu ni maswala ya mazingira; sehemu ninayotoka hakuna Wodi kubwa kama Jomvu Kuu, hakuna Wodi iliyosahaulika kimaendeleo kama Jomvu Kuu, nazungumza ili langu likitaka kukatika hapa nilipo nikisema maswala ya mazingira Jomvu tumebahatika. Mheshimiwa Spika tuko na mtambo Jomvu nashukuru Mheshimiwa Gavana alijaribu kutupa nguvu alikosa tu *goodwill* ya Mheshimiwa aliyetuwakilisha katika Bunge liliopita lakini leo mimi ni Mheshimiwa hayo maswala tutayamaliza...

(Applause)

...Huo mtambo kuna *recycling plant* ya mazingira katika Jomvu Kuuu ambayo ningeomba katika bajeti ama Kamati mbalimbali tutakazoziunda hii miradi katika ruwaza ya 2035 ni vizuri huo mtambo uweze kutengewa bajeti ili uweze kufanya kazi pale tutaweza kuajiri vijana wetu wengi takriban mia tano, na ni mradi wa Kaunti ya Mombasa nzima, nina imani Wabunge Waheshimiwa wenzangu wa Kaunti, vijana na wazee wanaotuongoza wakitupatia nguvu katika hili swala, mambo ya ajira ya vijana na mazingira machafu tutalizika katika kaburi la sahu. Ya mwisho Mheshimiwa Spika nikimalizia maswala ya maji pale kwangu nina mtihamu na huu mtihamu uko Mombasa Kaunti nzima; ukipita kona ya Jomvu ukipita Bonje tu hapo ni Kilifi Kaunti, pale kuna birika kubwa sana maji pale yanamwaika sirafu ya hali ya juu sana, ukitoka chini ukiingia Jomvu hakuna maji, ikiwa Jomvu hakuna maji mjini yatapatikana? Kwa hio Mheshimiwa Spika maji ni uhai lazima tuekeze katika masuala ya maji, maji yako lakini shida ni *cartels* ambayo nina imani katika hili Bunge tutaweza kuchachawiza na tuchachawizane vipi tutaweza kutatua maswala ya maji na tuweke bajeti ya ruwaza yetu ya 2035 tuweze kuyatimiza. Sote tuna majukumu Waheshimiwa wenzangu tuungane mkono kwa mambo ya heri na mambo ambayo yataleta natija katika watu wetu mashinani. Tumepewa kandarasi ya miaka mitano kwa hio tuna imani kwa uongozi wako Mheshimiwa Spika utatupatia mwelekeo na kutuunga mkono pale panapofaa InshaAllah. Mimi sina budi kuunga mkono hotuba ya Mheshimiwa Gavana wetu na nitasimama na yeye kuhakikisha mambo yote ya maendeleo ya akina mama, walemavu, vijana, wazee na miundo misingi itaweza kupewa kipao mbele. Ahsante sana Mheshimiwa Spika nashukuru sana kwa kunipatia fursa hii Mungu akubariki.

**Mr. Speaker** (Hon. Khatri): Yes Hon. Mary Naliaka?

**Hon. (Ms.) Wafula:** Thank you Mr. Speaker Sir for granting me this opportunity to make my maiden speech today. I also thank his Excellency the Governor Ali Hassan Joho and I also thank him in his own capacity nominated me as a nominated MCA Mombasa County. Mr. Speaker Sir I thank all the Members of County Assembly that are present in this House today, on the Governor's speech I will start on the youths; as a mother I am crying very much because of the youths of today. As you all know the youths are the backbone of the economy of this country, and when I think of discouraging the social vices that are especially in Mombasa County we have many youths engaging in drug abuse, others in vigilante groups like *wakali wao* and the rest and we may want to help these youths through mentorship skills. We can sit as a House and put down strategies and mechanisms on how to mentor our youths, we can hire speakers so that they are talked to and how to live positively. Many youths in our country have lost hope, and that is why they are engaged in this but if they come out and through the integrity as Members of this House we can put down measures of how to teach them on how to live life fully without shortcuts because we don't have gifts in life but we have to go the normal procedure. Another thing that we wish to talk about I will thank the Speaker in his speech he mentioned about socially our diversity within the nation called Kenya, and by this I thank him because if you see even in the nomination the MCA's of Mombasa County you will see that the list represent the face of Kenya and so I want to urge this House to put down measures and strategies on how to embrace this.

Last but not least I wish to talk about the issue of education as mentioned in the Governor's speech; like where I come from the Airport Ward I would like this House to put down some measures to help us get at least one public school because I believe it's the only Ward in Mombasa that doesn't have or doesn't enjoy from public institutions, both in primary and even at the secondary level. With those few remarks, thank you Mr. Speaker.

*(Applause)*

**Mr. Speaker** (Hon. Khatri): Yes Hon. Ibrahim Omondi.

**Hon. Omondi:** Thank you Mr. Speaker sir I have been standing for a long time but I appreciate that this time you have actually identified me. Actually my names are Ibrahim Omondi properly known as *Bomoa* and I want to take this particular opportunity or special opportunity to thank the almighty God to have enabled us to be here today. I want also to thank my ably, His Excellency the Governor of Mombasa 001 for having given us enough support during our election, the period of election and upto date he has provided good environment for us, as you can see we are very organized and well seated to date. I want to thank the Speaker for having been elected Speaker of this House and I want to thank all the MCA's, both elected and nominated actually to be in this House and I cannot forget my brother Hon. Fadhili Mwalimu who is my neighboring Ward who also has been elected as a Deputy Speaker, thank you. I cannot forget the people of Airport Ward, this was something that actually was done and in a very organized way and the faith that they showed towards me when they elected me to represent them in this County, and I want to say that people of Airport Ward are expecting a lot just like in other Wards. I know that very many Wards are expecting a lot as a matter of fact expectations from this House and therefore it's very important and critical for us to be able to meet their expectations and that one now sets our objectives and our goals on how we are going to satisfy the entire Wards that we are representing. I want to say this as of now I focus on the Governor's speech and it may look like most of the Members are actually engaging on the issue of the youths and Mr. Speaker sir as you can see almost every Member that has spoken has talked something about the youths and I am not an exemption. I am also going to contribute something about the youths and certainly youths are very important, in fact they the ones driving the economy of Mombasa County and even the whole country and that's why you see most Members are revolving around the youths. I have always been told that the youths will be the leaders of tomorrow but we want the youths to be leaders of today.

That one can be only be achieved if this House is going to enlighten the goals or the laws that will favor the youths in achieving the objectives and goals; without giving them an enabling environment they will gain nothing, and as other Members have said that there are a lot of skills, a lot of knowledge and a lot of abilities which are needed to be turned from the youths outside but the challenge is how do we start, how do we get the skills or the knowledge that is outside there so that we can utilize them and making them achieve their objective, that's the challenge and that is why am talking about the laws that we shall enact in this House.

Mr. Speaker sir our able Governor in his very elaborate speech noted issues; one is about the support programs for the youths, that we need to come up with very many support programs which will help us make these youths realize their objectives and the Member of Jomvu Mr. Mukono has also said the issues of sports, programs for the youth and so on so forth. We can make that be realized then the most important thing that the Governor embraced in his speech is the SWOT analysis; when we look at this speech he has talked about the strength, the weaknesses, opportunity and the threats which come along with youths and truly speaking if this able House will be able to attain this, to look at these four issues then definitely am sure we shall be leading somewhere else and am sure most of us will be here in 2022, actually almost 90 per cent of this House...

*(Applause)*

That one am sure Mr. Speaker sir; another issue I also want to emphasise on my Governor's speech is about self governance, these are very important policies which give the people that freeness so that they can express themselves without fear or favour. As we bring the country together, especially this County of ours, and therefore when you look at Article 185 which is under our own constitution which actually supports this particular policy it is now this House to ensure...I actually forgot my water bottle there, thank you Hon...

*(Laughter)*

Fourthly I was emphasizing on the issues of self governance that the Governor has singled in the speech, and I would just support it by Article 185 which is under the new constitution, and that one means our Governor is very much focused on the issue of self governance, and therefore we must support it fully, support it so that the policy can be realized. I also want to emphasize on the issue of waste management; Mr. Speaker sir this one has been a nuisance in our environment especially Airport Ward where I represent. I would like to beg this Honorable House, one day the whole of this House to visit my Airport Ward and you see for real what am talking, it's a very serious issue, and you know this one comes along with many diseases; water and air borne diseases and others. So I want to beg this House, let us strengthen the laws that will help us deal with this issues of waste management once and for all.

*(Applause)*

Finally when we are talking about this waste management as my able Governor has actually single out on this issue if you check he has actually said something concerning mobilization for using the community as a human resource, the Community can help us to actually harmonize or can help us to make it easier to manage this waste and that is a very significant point. The people around you know are very cheap, you know if you give them mainly a hundred per day or two hundred per day, and they can do that work for us, very cheap instead of holding very many common less man of collecting those and we shall also be creating employment for these youths in our community, thank you for your Motion...

*(Applause)*

Actually the Members want me to conclude with my speech, I am finishing up on the distribution of water, this is the last point Mr. Speaker sir. Water, without water these Hon. Members could not have been smartest there, without water I could not read and talk, water is very important, you can see practically what water does.

Now you can imagine if we don't have water in our Wards what happens, you can just imagine what's going to happen there Mr. Speaker sir, and there is a program that was started, I can not explain what happened but there were some pipes that were put especially in my Ward underground that were running, giving people a lot of hope that you are going to get water just the next day, but Mr. Speaker sir I was disappointed, I waited today, tomorrow the next day no water, the next day there was no water up to date. Those pipes have been put there I don't know what's happening. Mr. Speaker sir I just want humbly to request that we have to find out exactly what happened, it's a very big problem, water, we need fresh water in my Ward, i am even planning to use my salary, you can imagine how bad that salary has been slashed to go and buy tonnes of fresh water for my people of Airport Ward. It is a very serious thing, a Hon. Member to use his own salary which has been slashed to distribute water while there is an able House in this Mombasa County. I think I rest my case right there.

*(Applause)*

**Mr. Speaker** (Hon. Khatri): Hon. Members, I just want to remind you that we have a maximum of four sitting days to discuss the Governor's Speech. Under Standing order number 78 (1); no Member shall speak more than once to a question except in Committee of the Whole County Assembly. Yes Hon. Hamisi Mwidani.

**Leader of Majority** (Hon. Mwidani): Thank you Mr. Speaker sir, I beg to move a Motion on adjournment to this debate pursuant to Standing Order number 49(b); debate to resume on Wednesday 4<sup>th</sup> October, 2017 at 9:00a.m, and I would request Hon. Kitula to second Mr. Speaker.

**Hon. Kitula:** I second Mr. Speaker.

**Mr. Speaker** (Hon. Khatri): Hon. Members I propose the question that the Assembly be now adjourn the debate on Governor's Speech and the debate to resume on Wednesday 4<sup>th</sup> October, 2017 at 9:00a.m.

*(Question proposed and agreed to)*

Members I now put the question that the House be now adjourned,

*(Question put and agreed to)*
