

MOMBASA COUNTY ASSEMBLY**HANSARD REPORT**Tuesday, 10th October, 2017

The House met at 2:39p.m.

*(Mr. Speaker (Hon. Aharub Ebrahim Khatri) in the Chair)***PRAYERS****Mr. Speaker** (Hon. Khatri): Hon. Members you may be seated. Yes Clerk?**MOTION**

Hon. Members today we shall conclude the debate on the Governors' address pursuant to Standing Orders 20 (6), the debate on the Motion of the address of the Governors' shall not exceeding four sitting days, for those who have not contributed to the debate the floor is now open. Yes Hon. Samba.

Hon. Samba: Yes Mr. Speaker Sir thank you for giving me this opportunity also to contribute to the Governors' address. Mr. Speaker Sir so much has been said and according to the document and all the points that were in the Governors' speech I have termed them to be 10 pillars that will see Mombasa County coming back to greatness. I am Hon. Tobias Samba representing Tudor Ward, and let me first of all take this opportunity to congratulate each and every Member in the House for the victory deserved and I won't take much time because most of the things have been said. I just wanted to emphasize a little more as per the Governors' address; from point number one to number ten, from the youth empowerment to the urban cities uplift have summarized the document and have named it to ten pillars that will see Mombasa City becoming great again. And Mr. Speaker Sir I would just wish to give a small comparison of the document that the Governor presented to us; to me I refer it as a fertile product and maybe let us take this example you will just bear me I will take it when a woman or a mother when she is expecting there are so many expectations.

This document I will refer it as a fertile woman and when a woman is fertile Mr. Speaker Sir we need to have a good mid-wife who will facilitate and we are now playing the role of a mid-wife and there are three stages; the first stage is a fertile woman or an expectant mother and another one is a mid-wife, number three we have a baby sitter or rather a caretaker, if either of the groups fail we will not have a good product at the end, that maybe after the birth the maid or rather the caretaker might decide to harm the baby.

Mr. Speaker Sir as I have said earlier that we play the role of mid-wife, we are going to enact these points into laws and if there's no goodwill of the Executive the laws will become null and void, we need the goodwill of the Executives whereby we have seen in several cases this Hon. House might sometimes pass very good laws and when it comes to actualization, putting these laws into realities we find a lot of interest in between. My plea and my request to this Hon. House is that let us have a good relationship with the Executive and at the end of it the caretakers who are going to be the Executives will make sure that each and every point or pillar the Governor had we will see our city becoming great again. Mr. Speaker Sir without wasting a lot of time because today most of the Members are going to contribute let me state this; our City despite the fights that the central government has been fighting our Governor, the Governor has tried; in fact our Governor is the only Governor who spent three years fighting the central government.

This year Mr. Speaker Sir it is my plea that if God allow us let Raila Odinga become the President of the Republic of Kenya, hopefully when Raila become the President of Kenya...

(Applause)

Mr. Speaker Sir we will have smooth running like for our case right now we are Hon. Members but we don't look like Hon. Members at times there are so many things that we lack, and you know each and every Member who is here is well conversant with his or her own payslip and you know what those payslips are, and we cannot...

(Applause)

We can't dare or that is not our prayer that Uhuru Muigai Kenyatta becomes the President again. As I am winding up let us have incase there are some differences because we will have differences in the House and my plea to the Hon. Members whenever we have differences, whenever we have issues let us look for amicable ways of solving our issues. Let us not turn this House into a dishonorable place because I think this House is the only place that makes us Hon. Members and Mr. Speaker Sir we are going to be much liberal, we are going to sell and every opinion, my plea is that it has to count. Mr. Speaker as i sit down I don't think I have taken even three minutes but am winding, my point of concern is that we need to have a running House whereby we have even a House Business Committee where we are going to articulate all the issues that are going to see Mombasa City becoming great again. Thank you Mr. Speaker Sir.

(Applause)

Mr. Speaker (Hon. Khatri): Thank you very much Hon. Samba, yes Hon. Mwalimu.

Hon. Mwalimu Mgwisho: Ahsante sana Bwana Spika, kwa majina ni Mwalimu Hamad Mgwisho Mwakilishi wa Wodi ya Shika Adabu. Kwanza nataka kuchukua hii nafasi kumshukuru Mwenyezi Mungu na kuwashukuru watu wa Shika Adabu kwa kunichagua mimi kama Mwakilishi wao, na pili pia naomba nikupongeze Mheshimiwa Spika kwa kuchaguliwa kama Spika wetu wa Bunge la Kaunti ya Mombasa, tatu nataka kuwashukuru watu wa Mombasa kwa kumchagua kipenzi chetu, Gavana wetu Hassan Joho kwa kipindi hichi cha pili. Katika kuzungumzia hotuba ya Gavana, hii hotuba imechangiwa sana na ningependa sana kuzungumzia kwa sababu iliongumzia sana vijana na kusema ukweli vijana walizungumzia sana katika huu uchaguzi wetu uliopita na wametuunga mkono sana na vijana hawa wamekuwa na malengo ndio wakatuunga mkono. Kwa hio ni wajibu wa Kaunti yetu hii ya Mombasa tuweze kuwaunga mkono hawa vijana na kuweza kuwafikishia matarajio yao na vijana kitu kikubwa ambacho kipo kwenye akili zao ni ajira.

Nafikiri sisi sote kama viongozi vijana wanatufuata kwa sababu wako na malengo kwamba watapata ajira lakini ajira ikiweko ni sawa vijana waajiriwe na kama hakuna basi sisi kama Wabunge wa Bunge la Kaunti tuweze kuwatafutia vijana miradi tusiwashughulishie vijana wasiweze kufuatilia mambo mabaya. Katika hotuba hii ya Gavana sisi viongozi tukiifuatilia ukurasa baada ya ukurasa na tukiikamilisha *InshaAllah* tutakuwa tumeifanyia kazi kweli Kaunti yetu ya Mombasa kwa sababu hii hotuba ya Mheshimiwa Gavana ni kama mbolea ambayo umeimwalia shamba lako ili lipate rutuba. Hii hotuba imekuwa kwa ufasaha, imekuwa kwa uwazi na naomba sisi viongozi tuweze kuifuatilia hotuba ya Mheshimiwa Gavana ukurasa baada ya ukurasa na nina imani kwamba tukitekeleza miaka mitano hii tukiwa katika Jumba hili nina imani wananchi wa Mombasa watakuwa wameridhika sana.

Hotuba imegusia mambo mengi, imezungumzia mambo ya vijana, ikazungumzia mambo ya elimu, kuna pahali ambapo ilizungumzia elimu bora nafikiri elimu bora sote tunaifahamu na kuna shida nyingi sana za vijana wetu ambapo naomba sisi kama serikali ya Kaunti tuweze kuweka kipengele maalum kwa sababu kuna vijana ambao upande wa elimu hufanya vizuri sana lakini vijana hao hushindwa kusonga mbele kwa sababu ya matatizo, umaskini wa wazazi ndio vijana wale mara nyingi hushindwa kusonga mbele. Naomba sisi wabunge wa Kaunti tuweze kuweka kipengele ambacho kitaweza kuwasaidia hawa vijana ambao ni maskini hawawezi kusonga mbele na masomo yao, tunapoteza vijana wazuri ambao hushindwa hasa kwenda chuo kikuu.

Hii ni kwa sababu ya umaskini wa wazazi, kwa sababu ya ukosefu wa karo na vijana hawa sitasema ni viongozi wa kesho sababu kesho itafika mwaka ujao 2022 itakuwa ni kesho lakini hawa vijana ni viongozi wa leo tuhakikishe vijana hawa ambao wana shida za masomo ingawa ziko pesa hizi twazipata za basari lakini hazitoshelezi kijana huyu ambaye yuaenda chuo kikuu na kijana anapopoteza nafasi kama hii basi huwa ni hasara kubwa kwetu sisi kama wazazi, kama viongozi na kama Wabunge wa Kaunti. Kwa sababu kijana kwenda chuo kikuu huwa ni nafasi yake ya kujiendeleza kimaisha, ndio pale mimi naomba umoja wetu kama Waheshimiwa wa Bunge hili la Kaunti tuweze kuangalia kama tutaweza kuweka kipengele kijana maskini, je tutamsaidia vipi mpaka aweze kumaliza elimu yake ya chuo kikuu?

Hotuba ya Mheshimiwa Gavana Bwana Spika iliongea sana mambo ya mazingira; Mombasa twataka tujibidiishe hizi takataka ambazo zimejaa ndani ya mji katika hili Bunge letu la pili tuhakikishe kwamba Mombasa yetu imekuwa safi na kama taka pengine kuna matatizo taka hizi haziondolewi katika mitaa sisi kama Bunge tunataka kujua hasa hii shida iko wapi, na tuwe na msukumo tuone hii Mombasa yetu imekuwa kama vile Rwanda. Nilitembelea Rwanda wakati mwengine nikiwa nimeajiriwa na kampuni ya SGS nikiwa mfanyi kazi basi ule mji ni msafi sana kupita kiasi na naomba Mombasa yetu sisi Bunge la pili tuweze kuifikisha katika kiwango cha usafi zaidi.

Usalama; hotuba ya Mheshimiwa Gavana ilizungumza sana mambo ya usalama, wajua usalama ni muhimu sana kwetu sisi, usalama ni muhimu kwa nchi na hawa wanaotuletea biashara zao kama hakuna usalama hawawezi kuja kuwekeza katika sehemu hizi zetu, kama utalii watalii wakiona kuna matatizo kidogo tu hatutawaona hapa kwetu kwa hio ni muhimu usalama tuufikirie tuuweke katika hali ya kisawa sawa tuone katika hii Kaunti yetu ya Mombasa iko salama watu wanaweza kufanya biashara zao bila ya matatizo.

Nikimalizia katika haya mazingira ambayo tumezungumzia vijana na naomba kama kuna mazuri yatatokea kuweka matumaini haya ya vijana kama kutatokea na ajira naomba sisi kama Kaunti ya Mombasa, kama Bunge la Kaunti ya Mombasa basi haya mazuri yafike katika Wodi zote 30 za Mombasa Kaunti. Kwa hayo machache nashukuru Bwana Spika kwa kunipatia hii nafasi na nimefurahi kuona ya kwamba tumeweza kuchangia vya kutosha katika hii hotuba ya Gavana.

(Applause)

Kwa hayo machache nasema nitamalizia hapo nasema ahsanteni sana.

Mr. Speaker (Hon. Khatri): Yes Hon. Okoth Opeya.

(Laughter)

Hon. Opeya: Thank you Mr. Speaker first of all I would like to introduce myself as Hon. Opeya Okoth from Mkomani Ward in Nyali Constituency. I would like to congratulate all the new comers and also those continuing MCAs and also to congratulate the Speaker, he has been elected unopposed as the leader of this House for the next five years. I will only touch on a few issues because most of the things have been repeated and repetition sometimes becomes boring. I just think like some of the things that the Governor talked about like the waste management plant, the water mobility and things like that can help our people a lot moving forward. We also have to make sure that in the last Assembly we passed a lot of Bills, this House has also a challenge to pass more Bills and also to make sure that they are implemented because there's no need of passing a Bill and just making it lay on the table, it has to be implemented so we have an issue with that.

There is also the issue of public participation which we had a problem last time, hopefully this time we will make sure we go further to the grassroot so that we are able to ensure that there are people who voted for us knowing what is going on and their voice is heard effectively more so when things like the Finance Bills and other Bills are being passed.

So finally I would also urge that moving forward we have a better relationship with the executive than we had last time; that we will have a closer relationship with them and that way the House will move forward. Otherwise I just want to congratulate each one of you I hope we will have more unity moving forward and making Mombasa be the number one County in Kenya. Thank you.

(Applause)

Mr. Speaker (Hon. Khatri): Hon. Kombe.

Hon. Nzai: Thank you very much Mr. Speaker for having given me this chance to express my views on the Governor's speech. My name is Francis Kombe Nzai representing Kadzandani Ward, before i come to my submission i would first want to thank the Almighty God to have given me this chance of leading the Kadzandani, also i would like to congratulate you Mr. Speaker for having been chosen to be the Speaker of this Second Assembly. Without wasting much time i would like to comment on two items because much has been spoken and it is indeed true eating of ideas does not make any sense; first of all i would like to concur with the Governor's speech of course it is (??) and of the required integrate. I have two points in support and to make our Excellency realise his vision 2035; I will be very brief I will just talk on the waste management and on the quality education, what does it mean when his Excellency was talking about waste management, to me I mean he meant three items if not four, one was health, tourist and employment to our youth. Indeed waste management is a big industry in the whole world, and if proper mechanisms shall be put in place then the end results will mean better health, County employment to our youth, and also it will act as a tourism centre. As we all know that Mombasa is a tourist hub, when we go to quality education to support our Excellency to realise his vision i want first of all to thank the previous Assembly for the support they gave to the Governor...

(Applause)

I want to submit as follows; they tried indeed but when or if the Executives shall focus on Ward Development Fund then much shall happen at the Ward level, and in turn it will be a credit to our Governor, thank you very much.

(Applause)

Mr. Speaker (Hon. Khatri): Yes Hon. Hamida.

Hon. (Ms.) Sheikh: My name is Hamida Noor Sheikh, much has been said about all sectors that we have in our County but what i want to elaborate on is on the health sector. As my colleagues said Samba that the document is a woman who is fertile am sad this afternoon to say that the women who are in Mombasa and who are pregnant do have alot of problems. We don't have midwives who assist us to have our delivery in a good manner, our young girls who are in their twenties who are married early get rough time to deliver, they have alot of problems because one, right now our Coast General has a problem with the nurses, we dont have any assistants and we are having alot of problems with us delivering and having to go on delivery for seven days or six days or ten days and have no assistance from anyone from the health facilities.

Mr. Speaker sir i would like to urge this Assembly to assist us to have good facilities in our hospitals, we get our neighbouring Counties who come all the way to have assistance in the County hospital but they are not assisted. The girls are facing long periods of labour and they get what we call fistula, it is a medical condition whereby your bladder is blown up when the girls give birth, even if the child survives she is not even happy anymore because she has a condition that is called fistula and her urine just flows on. Her husband deserts her, her family doesn't want her anymore.

So i am urging am really urging this Assembly to really help the young women to get over this fistula condition because as i said it is a rough time and the girls don't want to give birth anymore because of this condition. Mr. Speaker i am humbled because there are so many suffering from this fistula condition that i cannot say how many; i recommend and urge that they do need assistance as fast as yesterday so that the nurses can come back to the hospitals because without them there is nothing going on. So with those few remarks i hope each and every Member in this parliament has heard my plea on fistula so let us get our hands together and help our fellow women especially the young girls who are getting married and who are being deserted by their families and husbands, thank you very much.

(Applause)

Mr. Speaker (Hon. Khatri): Yes Hon. Abrari.

Hon. Abrari Omar: Ahsante sana Mheshimiwa Spika, kabla sijaendelea, ningependa kumpongeza Gavana wetu kwa kuchaguliwa mara ya pili, pia ningependa kuwapongeza viongozi wenzangu waliochanguliwa kwenye Bunge hili na wale walio teuliwa pia. Yangu yatakuwa mafupi sana, maana nitagusia mengi mazuri yashasemwa lakini nitagusia vitu vinne peke yake. Kwa majina naitwa Abrari Mohamed Omar, Mheshimiwa wa Kongowea na mengi kama Waheshimikwa wangu walivyotangulia kusema washasema lakini langu zaidi ningependa kuchangia kwenye elimu, uvuvi, soko na utalii. Tunajua sisi watu wa Pwani ama Mombasa kwa jumla, elimu imeanza hapa lakini cha kushangaza ni kuwa leo hii sisi ndio wa mwisho kwenye nyanja ya elimu, lazima tuangalie tumekosa nini ama kumekoseka wapi kwa sababu hakuna kitu kizuri ambacho mzazi anaweza kurithisha mtoto kama elimu, na elimu ndio ufunguo wa faraja. Nikisema hivyo namaanisha nini, tukiregea nyuma kwenye historia tunaelezewa kuwa elimu ilianza hapa 1846 na Dr Kraph na shule nyingi ambazo leo hii Waheshimiwa wengi wanajigamba nazo ni shule ambazo zilitoka hapa ukiwa mkoa wetu wa Mombasa. Nikisema tunazungumza Spika wa Bunge Ole Kaparo wale ni watu wa Shimo la Tewa, tukizungumza vipapa ni *product* ya Shimo la Tewa, tukizungumza kina Franklin Bett ni *product* ya Shimo la Tewa. Leo hii tukiangalia shule zetu kweli ziko wapi, zile ambazo zilikuwa zina sifa ni wapi tulikosea na ni wapi tunahitaji tutengeze tuangalie vijana wetu wakimaliza darasa la nane, wakianza darasa la kwanza mpaka darasa la nane wale ambao hawakupita kuna wale wachache ambao hupita wakaenda shule ya upili na kuna wengi ambao wakashindwa; aidha kwa sababu hawana karo ama kwa sababu hawakupata vigero vizuri vya wao kwenda kwa shule za Upili. Vijana wale tunawaweka wapi kwenye jamii, na kuna baadhi ya sekondari kuna wale ambao watapita waende chuo kikuu na kuna wale wataanguka pengine hawakupata viwango vya wao kwenda chuo kikuu vijana wale twawaweka wapi na kuna wale ambao watamaliza chuo kikuu lakini watakosa ajira wataregea kwenye mitaa, vilevile watu wale tutaweka wangapi na kila mwaka shule ya msingi na upili na chuo kikuu zinatuletea vijana wengi na wote wanakua ni mzigo mitaani kwetu.

Sasa mimi pendekezo langu kubwa kwenye elimu hawa wanaokosa nafasi ama kutoajiriwa ama waliokosa nafasi za kwenda kwenye shule za sekondari ningependeza kila Wodi iwe na chuo cha ufundi cha vijana yaani *Youth polytechnic* ambayo itaweza kuchukua wale vijana ambao wamekosa nafasi za kuisoma...

(Applause)

La pili ningependa kugusia kwenye uvuvi; kwenye hotuba ya Gavana alitaja uvuvi lakini kweli sisi wengine ama wa Pwani kwa jumla tumebarikiwa ndio katika Kaunti ambao zina bahari lakini bahari hatujaitumia kabisa na wavuvi ambao wako kule kusema la kweli bado wanavua ule uvuvi wa Nabii Nuh. Kwa nini nasema hivyo wazee wetu leo hii twasikitika sana mtu atakwambia wavuvi wameenda baharini amekosa samaki, kwani samaki wanafanya *family planning*?

Ni kwa sababu tumekosa elimu ya uvuvi, na vilevile tukiregelea hapo kwa uvuvi tuzungumze kuna wakati ambao hubarikiwa tukapata samaki wengi lakini wakakosa mahali pa kuwaeka. Kwa hio mimi katika pendekezo langu kwenye hotuba ya Gavana nikizungumzia uvuvi ningependekeza kwa kila sehemu ambayo uvivu umeshamiri tuwasaidie wale wavuvi tuwawekee majokofu yaani namaanisha mahali ambao watahifadhi samaki. Nikiregelea kuzungumza hapohapo kwa bahari sisi vijana wetu wengi tunasema hakuna ajira na ajira nyingi ziko baharini, kuwa sisi hatujaziangalia bahari ina mambo mengi sana tukiangalia kwenye michezo sisi tunazungumzia tu mipira, lakini kwenye bahari kuna michezo mingi; kuna upigaji kasia, upo lakini bado Kaunti ya Mombasa haijaangalia, kuna upigaji pondo kwenye bahari bado Kaunti ya Mombasa haijaangalia, kuna uzamiaji hio yote ni michezo kwenye bahari ambayo bado Kaunti ya Mombasa haijaangalia. Kwa hio mimi ningengezea hapo kuwa tuangalie sana kwenye bahari kwa sababu sisi wa Mombasa kutoka ufuoni mpaka Mtwapa huo ufuo hatujautumia.

Lengine ambalo ningependa kuongelea ni kuhusu soko; mimi ni mkaazi wa Kongowea lakini nasikitika sana jinsi soko la Kongowea lilivyo; mwanzo nikianza kabisa ningependa kuzungumza shida ambazo zinapatikana sokoni, usafi, soko lile ni chafu ajabu licha ya kuwa soko lile ndio lalisha Mombasa nzima. Soko lile ndio lavisha Mombasa nzima kwa sababu nikisema hivyo upande wa chakula na nguo uko kwa lile soko lakini ni chafu kiasi ya kuwa kukitokea mlipuko wa maradhi basi Mombasa nzima itakuwa pale ndio chanzo cha maradhi kwa sababu vyakula vyote vyatoka pale. Tukiangalia barabara ndani ya soko ilivyo magari ndani ya soko kunakuwa na msongamano wa magari kwa sababu barabara ni mbovu, na nikiregelea hapo hapo tumejengewa *flyover* pale ambao ile ndio ilikuwa barabara ya magari kutoka sasa tuna shida magari yote yanayoingia soko lakini hayana mahali pa kutokea, sasa tuna shida magari yote yanayoingia ndani ya soko lakini hayana mahali kwa kutokea.

Kwa hio pendekezo langu kwenye soko kuondoa msongamano wa magari lazima tuwe na *gate* ama mahali pa kutokea, magari yanaingia kunakuwa na msongamano soko linafunguliwa kuanzia saa tisa usiku kunakuwa na msongamano mpaka saa tano mchana kuna baadhi ya watu pale mali yao yaoza hata kabla kuingia sokoni Mheshimiwa Spika. Ningependekeza ama ni maombi yangu kwa sababu wale wanabiashara ndio walionituma hapa kuwatetea na kuwazungumzia kwa niaba yao kwa hio nakuomba Bwana Spika soko la Kongowea tulipe kipao mbele kwa sababu soko likichemua Mombasa nzima yapata mafua. Nikiregelea tena hapohapo kwenye taka soko lile kwa siku inatoa takriban tani themanini mpaka mia moja za taka, na taka zile tunaenda kuzimwaga pasi na kuangalia taka zile tutazitumia vipi kuajiri vijana wetu ama taka zile tutazitumia vipi kama mojawapo wa kitega uchumi cha Kaunti ya Mombasa. Nikisema hivyo nazungumza asilimia themanini ya taka zile ni mboga na vitu vilivyoharibika, vinaweza kutengenezwa mbolea ambayo itasaidia wakulima sio vitu vya kuzungumza tu ni vitu ambavyo tumefanya na kwa hio ningependa kutilia nguvu hotuba ya Gavana kuhusiana na mambo ya taka Kongowea. Lengine ni dharura ikitokea ndani pale kuna takriban watu elfu kumi wanabiashara wachuuzi wanaingia ndani ya soko lile lakini cha kushangaza hakuna mahali pametengwa kwa dharura, ikitokea hatuombi itokee lakini kuna msemu heri kuziba ufa kuliko kujenga ukuta. Juzi tu kumetokea dharura ya moto kwenye upande wa nguo na watu wengi sana walipata hasara ya mamilioni ya pesa kwa sababu hakuna njia kabambe zilizowekwa za kukabiliana na dharura itakapotokea.

Pendekezo langu Mheshimiwa Spika ni pale ndani ya soko kuwe na ambulensi ama magari ya kuzima moto kwa sababu ni mahali ambapo watu wote wa Mombasa nzima wanabiashara wanakutana pale sokoni. Kuongezea usalama ndani ya soko, limejengwa sehemu zingine hazina mataa likifunguliwa saa tisa usiku inawalazimu wanabiashara ku...(??) kuenda nazo sokoni na lile ndio soko kubwa Kenya nzima.

Kwa hio ningependa swala la taa ndani ya soko lile liangaliwe, nikiregelea hapohapo nje ya soko kuna zahanati ambayo ilijengwa kabla sijazaliwa lakini ile ni ya msimu nikimaanisha mvua ikinyesha zahanati ya jaa maji yafungwa mpaka mvua iishe, kwa hio Mheshimiwa Spika ombi langu ni kwamba zahanati ile iboreshwe. Kila mji una eneo lake la hadhi, tukizungumzia Mombasa eneo lake lenye hadhi ni Nyali, tukizungumza Kilifi eneo lake lenye hadhi ni Vipingo Ridge ama Kilifi Bofa. Sasa nataka kuzungumzia kuhusu Nyali, kidogo Kongowea tukiridi nyuma ndio ilikuwa Wodi kubwa ndio ilizaa Ziwa la Ng'ombe na Mkomani. Ndugu yangu Junior Wambua aliwahi kuwa Mheshimiwa wa Kongowea lakini la kutamausha na kusikitisha ni kwamba Kongowea hii iliozaa Wodi mbili ndio iko nyuma kimaendeleo, nikimaanisha ilizaa Nyali A, B, C sasa sisi tuko C; hakuna barabara ambayo tunajivunia kwa kipindi cha miaka Kaunti ya Mombasa imejenga, lakini Nyali A kuna ndovu, Lakers, Twiga, Oleander, Kasuku, Lantana zote hizi zimewekwa *cabro* lakini ukija Nyali C hakuna hata barabara moja najivunia kama mkaazi wa Kongowea. Miaka mitano imepita imetengenezwa pendekezo langu zaidi sisi sote tunataka maendeleo ndani ya Mombasa lakini hatutaki wengine wawe mbele tuendeleze hii Mombasa. Kwa hio Mheshimiwa Spika ningependa jambo hili ulipe kipao mbele maana walionituma niwawakilishe na jambo hili nitalipea kipao mbele angalau tupate barabara mbili au tatu.

Mwisho ningependa kuzungumzia juu ya utalii kama vile Gavana kwenye hotuba yake alivyozungumza lakini imebeba mambo mengi; tukizungumzia utalii lazima tuzungumze usalama, usafi wa mji, ukarimu wa wenyeji, historia zetu sisi wenyewe kama wakaazi wa Mombasa ningependa kuongezea hapa sisi tuna vitu vingi sana ambazo tumepuuza ambazo zinaweza kutuletea raslimali. Nikisema hivyo wengi hapa wanajua Kengeleni lakini hawajui ile kengele inaashiria nini, wengi wetu hawajui zile sheria tukiregea hapo hapo kwenye utalii ningependa Gavana atilie mkazo sehemu hizi ambazo zilikuwa zimetengwa hasa kwa ajili ya utalii, hizi shamba zikanyakuliwa na mabwenyenye na leo hii ukifika Kengeleni kulijengwa *supermarket* ambayo ilikuwa ni shamba la makavazi ya nchi ambayo kwa kizazi kinachokuja wawe wanajua inamaanisha nini.

Singependa kwenda mbali sana mengi mazuri yamezungumziwa naona Waheshimiwa wenzangu wamefurahi sana wanaona nimekuja kutoa malamiko ni jukumu langu mimi kama Mheshimiwa kuzungumza ama sivyo...kwa hayo mafupi au marefu ahsante sana Mheshimiwa.

(Applause)

Mr. Speaker (Hon. Khatri): Ahsante Mheshimiwa Abrar, yes Hon. Rosemary?

Hon. (Ms.) Mukavi: Thank you Mr. Speaker for giving me this opportunity to contribute to the Governor's speech as well as thank the party that nominated me. I would also like to thank the Governor for his detailed speech which focuses on development of Mombasa County Mr. Speaker. I will not say much because a lot has been said in this speech but I will touch on sustainable tourism which has been....

(Interruption)

Mr. Speaker (Hon. Khatri): Hon. Mary please state your name first.

Hon. (Ms.) Mukavi: My name is Rosemary...

(Interruption)

Mr. Speaker (Hon. Khatri): Start with your name so that it can be captured in the Hansard.

Hon. (Ms.) Mukavi: Thank you. My name is Rosemary.

Mr. Speaker (Hon. Khatri): Your full name.

Hon. Mukavi: Rosemary Mueni Mukavi, nominated MCA Kongowea Ward. Mr. Speaker let me thank you for giving me the chance to contribute to this speech, I will not forget the party that nominated me to the County Assembly of Mombasa.

Mr. Speaker let me thank the Governor for delivering a detailed speech which focused on development of Mombasa County...

(Interruption)

Mr. Speaker (Hon. Khatri): Just switch on the microphone next to you.

Hon. (Ms.) Mukavi: Mr. Speaker most of the Governor's speech has been talked about and I do not need to repeat it and I will only touch on few items which the Governor talked about, maintaining and sustaining tourism. Mombasa County is a tourism destination and the marketing of tourism should be a joint effort between the County and stakeholders. Mr. Speaker let me also move and talk about the health sector, I want to agree with the Governor for creating a robust system for health to be used in the County, he also talked about investments in fisheries in order to enhance the sector, beach management strategies need to be developed, patrolling for security purposes, getting fishermen and women ready market for their products. With those few remarks Mr. Speaker finally I would like to assure our Governor our support to transform this County to be the best. I also wish to inform you Mr. Speaker that our support is always ready. Thank you Hon. Speaker.

Mr. Speaker (Hon. Khatri): Thank you. Yes Hon. Fahad?

Hon. Kassim: Assalam Aleikum, Bwana Asifiwe, kwa majina naitwa Fahad Kassim Abdallah nawakilisha ama mtumishi wa Mjambere Kisauni. Ningependa kuwashukuru wananchi wa Mjambere kwa kuiteua kama mjumbe wao kuwawakilisha katika Kaunti ya Mombasa. Ningependa kumpongeza Gavana wetu 001 wa kuteuliwa mara ya pili na wakaazi wa Mombasa na ningependa kukupongeza Mheshimiwa Spika kwa kuteuliwa Spika wa Bunge la pili bila upinzani wowote na tuna imani kama kungekuwa nao tungekupitisha na kura nyingi sana. Nataka kumpongeza Bwana Gavana kwa hotuba yake alioitoa ambayo ni ya kugusa sana na leo hii ni fursa kubwa kwangu mimi kuongea kwa mara ya kwanza Bunge la Mombasa, ningependa kuwapongeza wajumbe wanzangu walioteuliwa na wananchi na walioteuliwa na chama cha ODM karibuni sana tuko pamoja na tutafanya kazi pamoja....

(Applause)

....Mheshimiwa Spika tuko na matatizo mengi eneo Bunge la Mjambere tuko na shida ya vijana sitokuwa mrefu wa maneno sana kwa sababu wenzangu wameongea mengi kwa hiyo nitakuwa nikiyagusia na kusonga mbele. Tuko na shida kubwa kama mama alivyotaja juzi kuna vijana ama vikundi haramu kama *wakali kwanza, wakali wao 4040, 2020*. Nashukuru wanatoka kwenye maeneo yangu ya Mjambere na nina imani kubwa tukishirikiana tutaweza kutatua tuweze kuondoa haya matatizo ambayo yanaletwa kwa sababu ya ukosefu wa ajira. Mheshimiwa hawa vijana wamekuwa wakiwasumbua wakaazi wa Mjambere kwa sababu ya ukosefu wa ajira, kwa hio tungependa Mheshimiwa Spika na viongozi wenzetu walio hapa tuangalie ni namna gani tutapitisha sheria kabambe ambazo zitatusaidia sisi tuweze kuajiri vijana kama wale ili tuweke usalama na tutakuwa tumewasaidia vijana kama hao kwa sababu leo hii tuko wajumbe 30 kwenye Bunge lakini waliorudi kwenye kipindi cha pili ni kumi tu na ni kwa sababu ya mambo kama hayo. Wakati tukiwa mashinani tunatoa ahadi nyingi sana sisi kwa wakaazi ya kuwa tutaleta ajira, tutaleta usafi, na hali kadhalika lakini hayawi hivyo makaazi yanatokea lakini yanapewa kwa watu ambo sio lakini nina imani safari hii hizo kazi lazima ipitie kwenye mikono yetu sababu sisi ndio tunawakilisha wanainchi...

(Applause)

....Tuko na *executive* na sheria, sisi tunaheshimu zote mbili lakini lazima tuweke sheria ambazo zitakuwa zinatusaidia sisi na watu wetu mashinani la sivyo baada ya miaka mitano tutapewa pole kama wenzetu walivyopewa. Tuko na shida Mheshimiwa Spika ya jaa za taka kwenye eneo langu, niko na miezi minane sijawahi kuona gari la Kaunti, wala usafi wa aina yeyote umefanywa hapo nimekuwa nikizingatia hilo jambo.

Nimejaribu kufanya usafi kadri ya uwezo wangu lakini nimeshindwa, kama vile Mheshimiwa Abrari anasema eneo lake linatoa tani themanini ama mia hakuna vile yeye kama Mheshimiwa anaweza safisha ni lazima tuweke nguvu za Kaunti tushirikiane pamoja tujue tutasidiana vipi. Mombasa leo hii imeoza wakati kuna kitengo cha kushughulika na huo usafi na sijui shida iko wapi, kwa hio sisi kama wageni tulio hapa hatutokubaliana na hilo jambo inafaa tushirikiane tujue shida iko wapi ili tuweze kutatua na kama shida basi itabidi aende nyumbani...

(Applause)

Kwa kushirikiana pamoja, Mheshimiwa Spika ningeomba viongozi wenzangu tushirikiane tukae chini tuweke vichwa pamoja tupate suluhisho la kungarisha Mombasa hii, hotuba ya Gavana isiwe amesema tu na hakuna lililofanywa lazima tulifanyie kazi na tutaweza kuifanikisha. Tuko na shida ya maji, kuna Kisauni Baptist ambayo iko na wanafunzi 845 na ndio shule ya umma katika eneo la Mjambere nikipakana na mwenzangu Ali Shomari lakini kuna shida ya vyoo vinanuka, havina usafi vinavyofanywa, watoto wanaathirika kama alivyosema Mama Faith. Lazima tushirikiane tuwe vipi tutaweza kuwapa hao wanafunzi ama hao watoto mazingara bora ili waweze kuendelea kimaisha, kwa sababu hakuna kitu chochote sisi tunaweza saidia mtoto ama mwanafunzi kama elimu. Elimu ndio kitu kitamsaidia yeye kwenye maisha yake yote na hiyo ni sadaka kubwa hata kidini.

Kuna changamoto ya umasikini ambayo unaweza kusaidika na basari, kuna shida sisi tunapata Mheshimiwa Spika, kwa sababu kuna kitengo hiki cha *Executive* ambacho wametuwekea sisi ma *administrators*, kwa hio sisi hatukatai na tunafurahia kufanya kazi nao ila mimi ningeomba viongozi wenzangu tukaeni chini, tupitishe sheria ya kuwa *Administrator* hawezi kutoa basari mpaka muwe pamoja, ama tuzigawanye zile basari kwa sababu...

(Applause)

...kwa sababu bila basari hizo, wakati wewe ulitoa ahadi kwa wananchi ya kuwa utakwenda uwatete uwalettee basari, leo hii basari zinatolewa kwenye eneo lako na wewe hujui. Miaka mitano ikifika mwanangu utashindwa kuwaeleza hao wananchi, ulikuwa umewaahidi na sasa *you will face the consequences*. Kwa hio naomba tushirikiane, tuweze kufanya kazi na ma *Adminisrator* ili tuweze kusaidia wananchi wetu kwa sababu sisi ndio tunajua hali zilivyo mashinani, wao wengine wao hata ni watu hawatoki maeneo hayo, kwa hio sijui watajua vipi shida zangu za Mjambere, ni ngumu sana Mheshimiwa Spika. Kwa hio nina imani kubwa...

(Applause)

Nina imani kubwa wewe ukiwa hapa na mimi nilikuahidi tutakupigia kura kwa wingi bahati nzuri hukupingwa na tuna imani utaweza kutusaidia ili tuweze kubadilisha Mombasa yetu...

(Applause)

Mheshimiwa Spika tuko na shida za mataa, kama mimi nimekuwa nikigharamika kwa pesa yangu ya mfuko kwa muda wa miezi sita leo, natoa pesa nikilipa mafundi waje wawashe mataa kwa sababu tuingoja Kaunti ya Mombasa ambayo hatuilaumu sisi, kwa sababu sisi bado ni wageni lakini sisi tuna imani kubwa wanaohusika watafanya hiyo kazi ama watakwenda nyumbani tukisha pitisha hizo sheria...

(Applause)

Niko na miezi zaidi ya mitatu sijawahi kuona watu wa mataa, kuna wengine tukiwapigia simu kama sisi wajumbe tulioteuliwa na wananchi zaidi ya elfu sita hata simu hawashiki, nashukuru Mungu kwa uwezo wa Mungu Kamati zikiwa tayari tutawaita wote waje waeleze ni kwa nini hawashiki simu...

(Applause)

...na hawatutambui kama viongozi. Nina imani watatutambua, na tutaweza kusaidia watu wetu kwa sababu leo kuna shida ya usalama mashinani kwa sababu taa haziwaki, leo vijana wanachukuliwa wanawekwa ndani na maaskari kwa sababu mataa hayawaki, wanachukua *advantage* kwa sababu ya mataa, watu wanaporwa wanauliwa kwa sababu ya mataa wakati kuna kitengo kimewekwa cha kushughulikia mataa hayo.

Ningependa kumalizia kwa sababu ya muda na viongozi hawa ni watu wana mambo mengi mashinani, kwa hio nisingependa kuharibu wakati wenu na wakati wa Bwana Spika ni wakati muhimu sana. Ningependa kumalizia na janga la mihadarati; sisi limetuathiri sana wakaazi wa Kisauni, wakaazi wa Mombasa, hasa mimi Mjambere nimebarikiwa na mahali kunaitwa Maeneo. Kuna vijana zaidi ya elfu moja huwa wanabugia madawa hapo na ukaingia Kiswahili ama ukaingia bila hodi utatoka bila kwa heri...

(*Laughter*)

...Mimi nikiwa nimeteuliwa leo nimeahidi hao vijana tutawasaidia Bwana Spika na nina imani kubwa katika hotuba ya Gavana Mbunge Abduswamad alisema tutaweka kitengo cha kuwapeleka hawa watoto ama hawa vijana katika vituo vya kurekebisha tabia yaani *rehabilitation centre*. Kwa hio ningeomba wajumbe wenzangu, viongozi wenzangu tulizingatie hili jambo kwa sababu yule nae ni mtoto wa mtu ambaye mamake na babake wanamtegemea aweze kuleta riziki lakini unamkuta mtoto kama yule amebobea mihadarati, hata kuinua kichwa kwake ni shida na ni kwa sababu ya ukosefu wa ajira. Kwa hio ningeomba tuwekeni kitengo maalum cha kupeleka hawa vijana *rehabilitation centers* ili waweze kuja kusaidia familia zao, ni mambo nimeongea nashukuru tumecheka lakini nina imani tumehuzunika kwa sababu ni mambo yanayotukumba kila siku na ni lazima tukae chini kama viongozi ili tuweze kuleta mabadiliko.

Mimi kama ndugu yenu Fahad Kassim Abdalla nimekuja hapa, sikuja kuitwa Mheshimiwa nimekuja kuwakilisha watu wangu na nitahakikisha nimewatetea vilivyo ili waweze kusaidika mahali walipo. Kwa hayo mengi machache, ahsanteni sana, mubarikiwe tuko pamoja na nina imani tutafanya kazi pamoja. Ahsante Bwana Spika, heshima yako, samahani ni mbele pamoja naona unajua Kiswahili unaona nikivaa nyekundu haimaanishi mimi ni Jubilee, imani ni kwenye nafsi yako na roho yako msiwe na wasiwasi sisi ni wana chungwa. Ahsanteni.

(*Applause*)

Mr. Speaker (Hon. Khatri): Ahsante Hon. Fahad kwa kurekebisha hio, ahsante sana. Yes, Hon. Mwaka?

Hon. (Ms.) Mwaka Juma: Thank you Mr. Speaker Sir. My name is Mwaka Zahoro Juma, nominated MCA. First and foremost I would like to thank the Almighty God for enabling us to be here today, and secondly I would like to congratulate the Governor, His Excellency Ali Hassan Joho for his re-appointment to serve this great County of Mombasa and thirdly I would like also congratulate you Mr. Speaker, for your appointment to serve in this House, and may God help you and guide you into doing your work. I would also like to congratulate all those who have been elected to serve in the post of Minority, Majority, the Chief Whip, other elected and nominated MCA's to serve in this County.

First I would like to say Mr. Speaker, the Governor was right to start with the issue of youth and I believe the youth are the backbone of every economy in a country. They constitute the majority of the population in our County, so he was right to prioritize youth empowerment and development so I would really congratulate him into putting the youth agenda first. I would also like to commend on the loans that the youth are being provided with, I would emphasize that the loans should be made youth friendly considering that the youth do not have collateral to support those loans.

Another thing is the issue of education; I believe that the best thing that you can give your child is education so I really support the transformative programs that the Governor put forward in his maiden speech.

And lastly I would like to comment about health, I believe Article 43 of our Constitution state the importance of primary health care hence I really support the maiden speech made by his Excellency Governor Ali Hassan Joho, and that I will put all my effort and support for the County and the party in general. Thank you Mr. Speaker.

(Applause)

Mr. Speaker (Hon. Khatri): Thank you Hon. Mwaka for your contribution. Hon. Bwire.

Hon. Bwire: Shukran Mheshimiwa Spika. Kwa majina ni Hon. Raphael Msumba Bwire, nawakilisha Wodi ya Junda katika serikali ya Kaunti na katika Jumba hili. Mheshimiwa kwanza naomba uniruhusu nimshukuru Mwenyezi Mungu kwa nafasi hii, pili nawashukuru watu wa Junda kwa kuniamini na kunituma niwafanyie kazi licha ya kwamba tulikuwa na upinzani mkali, tatu Mheshimiwa Spika naomba uniruhusu pia niwashukuru wenzangu wote waliochaguliwa na walioteuliwa na chama kwa kuja kufanyia watu wa serikali ya Kaunti ya Mombasa kazi. Pia Mheshimiwa Spika naomba nirudishe shukran kwa watu wa serikali ya Kaunti ya Mombasa ama watu wa Mombasa kwa kumchagua tena Mheshimiwa Gavana kwa kipindi cha pili kwa kuwafanyia kazi kama Gavana wao na mwisho kabisa naomba ni mshukuru Mheshimiwa Spika kwa kuchaguliwa kwako kama Spika wa Bunge hili na kwetu sisi ni matarajio makubwa tunayo kwako ya kwamba kutakuwa na utofauti kati ya Bunge hili na Bunge lililopita kwa uongozi wako. Kwa hio tunaomba Mheshimiwa Spika utumie hekima yako ili tufanyie wananchi wa Mombasa kazi pasipo na mtafaruku.

Mheshimiwa Spika naomba nizungumzie sasa hotuba ya Gavana; Gavana alitoa hotuba ambayo iligusa sana nyoyo za Waheshimiwa na alizungumzia masuala tofauti ambayo ni ya muhimu sana katika Kaunti hii ya Mombasa na nitazungumzia tu kidogo kwa sababu mengi yamejadiliwa na wenzangu Waheshimiwa.

Mheshimiwa Gavana amezungumzia kuhusu miundo msingi katika Kaunti hii ya Mombasa, mimi nitazungumzia kuhusu barabara na nitatoa mfano bora sana katika Wodi yangu kule ninakotoka kwa kweli Junda sijui kama imesahaulika ama nitasema vipi, lakini kwa kweli ni kwamba barabara hazipitiki hata nashukuru juzi Mheshimiwa Seneta alipita Wodi yangu na gari lake likakwama kwa sababu ya barabara mbovu, akasaidiwa na wananchi kusukuma gari na nikamwambia ni afadhali umekuja wewe mwenyewe umeona ili tuweze kusaaidiana kufanyia wananchi kazi. Kwa kweli barabara nyingi sana katika Wodi yangu ya Junda na Wodi zengine ni na imani pia hazipitiki, na alivyolijadili Mheshimiwa Gavana ni kwamba atalifanyia kazi. Sasa mimi naomba tu kama sisi Waheshimiwa katika Bunge hili tushikane mikono tuhakikishe ya kwamba barabara zetu zinawekwa katika hali ilio bora ili wananchi wetu wapate usafiri ule wa haraka waende wafanye kazi ambao italeta kipato katika serikali yetu.

Pili pia nazungumzia kuhusu suala la vijana vilevile ajira; Mheshimiwa Spika yamezungumzwa na hata amemalizia Mheshimiwa Fahad kwamba anashukuru kwake kuna wale vijana ambao wanabugia mihadarati, hii ni kwa sababu wamekosa ajira. Naomba hili Bunge tusaaidiane kwa kuweka sheria na tubuni pia nafasi za ajira kwa wale ndugu zetu walio nje ambao hawakufanikiwa kupata ajira ili nao wapate angalau kitu cha kujishughulisha nacho ili zile fikra potovu ziwatoke wale ndugu zetu.

Mheshimiwa Spika pia Mheshimiwa Gavana amezungumzia kuhusu suala la talanta katika hotuba yake.

Kunao wale ambao wanapata ajira kupitia hizi talanta, kwa hio ni imani yangu ya kwamba kama Bunge tukisaidiana na Gavana na ofisi ya Gavana na wale wote ambao ni wafanyi kazi wa Kaunti hii tutatambua talanta hizi za hawa ndugu zetu ambao wako huko nje ili nao angalau waweze kupata kipato kupitia hizi talanta walizojaaliwa nazo na Mwenyezi Mungu.

Namalizia nikizungumzia kuhusu usalama na mimi hili nitazungumzia sana sana kuhusu haya mataa ambayo yako katika mitaa yetu. Mheshimiwa katika Wodi ukitembea kuna zile taa ndefu sana ambazo nadhani zinabeba mataa kama matano ama saba, zile zimewekwa nyingi lakini haziwaki ziliwekwa na wala hazijawahi kuwaka, kwa hio ni ombi langu kwa wale wahusika kupitia katika Bunge hili ya kwamba wale watu wapewe nafasi ama wapewe nguvu za kwenda kuwasha yale mataa, yale ambayo yaliharibika yatengenezwe kabla hatujapata mapya, hivyo pia tutakua tumepunguza hali ya uhalifu Mheshimiwa Spika na serikali yetu ama Kaunti yetu itazidi kukua kiuchumi kwa sababu watu watapata nafasi ya kufanya kazi hata kama ni usiku kupata kipato kwa familia zao na pia kwetu sisi. Kwa hayo machache Mheshimiwa Spika nashukuru sana. Ahsante.

(Applause)

Mr. Speaker (Hon. Khatri): Ahsante Mheshimiwa Bwire. Hon. Hatimy.

Hon. Mohamed Hatimy: Ahsante Mheshimiwa Spika. Mheshimiwa Spika mwanzo nachukua fursa hii kuwashukuru watu wa Kaunti yetu ya Mombasa kwa kuweza kumchagua tena Gavana Joho na kuchagua hawa wanachama walioko hapa leo kwa tikiti ya ODM. Mheshimiwa Spika kama Mwenyekiti wa ODM nasimama mbele ya Nyumba hii na mimi kuchangia, kwa majina naitwa Mohamed Hatimy ni Mteule. Mheshimiwa Spika yangu yatakua ni kusema kuwa tunazungumza juu ya hotuba ya Gavana lakini mwanzo tumwangelie huyu Gavana hapa alipofika leo tangu alipotokea 2013, nafikiri sote tuna Katiba Mheshimiwa Spika twajua kuwa unapochaguliwa unapatiwa muhula wa miaka mitano kuhudumia wale watu walioweza kukuchagua. Mheshimiwa Spika nafikiri mutakubaliana na mimi kuwa Mheshimiwa Gavana Ali Hassan Joho ameweza kuingia 2013 mpaka juzi 2017, mimi nataka kusema kuwa ameweza kuhudumia Kaunti ya Mombasa kwa muda wa miaka miwili na nusu peke yake, kama tunavyojua Mheshimiwa Joho ameweza kuwa na kesi tisa ambazo ilikuwa akienda nazo akipelekwa juu chini na tuliona yale mambo yaliyotokea mpaka mwisho tarehe sita mwezi wa nne tulikuwa Malindi akachajiwa uwizi wa mabavu, akaweza kunyanga'nywa bunduki yake, akaweza kuzuiwa na kuambiwa na Rais kuwa atamnyorosha, ameweza kufanyiwa mambo kadha wa kadha Mheshimiwa Spika lakini Gavana Joho ni mwanamume na kiongozi na ameweza kufanya yale aliyoyafanya Mheshimiwa Spika...

(Applause)

...Mheshimiwa Spika hotuba ya Gavana si ndoto, bali ni ukweli, nasema kuwa ni ukweli kwa kutegemea kuwa maneno haya aliyoyazungumza yote ni mambo ambayo yalikuwa yako kwenye ndoto yake, ya kuyafanya alianza kufanya lakini kwa sababu ya zile shida alizokuwa nazo ndio zilimfanya kuwa asiweze kutimiza ile ndoto yake. Mheshimiwa Spika kusema hivyo ni kusema mwanzo alianza na mambo ya ajira kwa vijana, nafikiri wale wanaomfuatilia Gavana Joho watakuwa wanajua Gavana Joho amefanya nini, ajira kwa vijana Gavana Joho aliweza kuja na mfumo wa KUZA na akaweza kusaaidia zaidi ya vijana elfu tano, isitoshe aliweza kuchukua vijana kwa City Polytechnics na akaweza kuwalipia asilimia sabini kulipa malipo yao, asilimia thelathini iwe ni mzazi analipa. Nafikiri haya si maneno ya kupiga domo tu, lakini nafikiri yako yameandikwa na kwenye vitabu yamekaa yote haya atakae mtu anaweza kuenda kuangalia na akayaona na isitosheleze Mheshimiwa Spika Gavana Joho aliweza kuja na mfuko ambao ulikuwa unaitwa *Youth Revolving Fund* na vijana wengi sana waliweza kufaidika.

Mheshimiwa Spika nikiendelea alisema juu ya mazingira, sisi twazungumza maneno mengi lakini kwa wale ambao wanamfuatilia Mheshimiwa Joho, juzi aliweza kuweka sahihi kampuni ambayo yaitwa JAR sasa kazi ni kwetu, tunataka sisi tuwe tutaweza kuzalisha takriban laki moja unusu tani za taka taka, tukiweza kutoa hio hii kampuni itaweza kutoa 30 *mega watts* ndani ya Kaunti yetu ya spaki. Kwa hio hilo jambo ambalo tayari amelianza na kwa wale ambao wanamfuata Gavana Joho wataona kuwa amefanya jambo hilo Mheshimiwa Spika.

Tukishika jambo la tatu kwenye hotuba yake aliozungumza Mheshimiwa Spika, amezungumza juu ya usalama, hakuna mtu atakwenda kwa Kaunti kuwekeza pahali ambapo hakuna usalama, nafikiri ilionekana ulimwengu mzima kuwa Gavana Joho, ilikuwa ni Kaunti ya kipekee kwenye Kenya hii ilioweza kuweka sahihi mkataba wa makubaliano na Kenya Police kuweza kuleta magari zaidi ya hamsini pamoja na pikipiki na nini na nini, na kuweza kusaidia Mombasa na hili ni jambo ambalo liko wazi limeonekana na ninavyojua kuwa anaendelea kulifanya jambo hili. Kwa hio bila ya sisi kumsaidia yeye, basi itakuwa hakuna jambo lolote litakalofanyika isipokuwa ni lazima tuwe tutashikana na yeye tumsaidie ili jambo hili lifanyike kwani usalama ni kitu kikubwa sana ndani ya maisha ya mwanadamu Mheshimiwa Spika.

Mheshimiwa Spika amezungumza juu ya maji, kama tunavyojua maji ni uhai, Mheshimiwa Joho nafikiri kuna zabuni ambazo tayari zilitolewa na mwezi ujao *evaluation* itafanywa, anajaribu kuleta mfumo wa kugeuza maji ya chumvi kuwa maji safi ya kuweza kutumika na hili jambo Gavana Joho tayari liko kwenye laini na analifanya Mungu akipenda mwezi ujao tutauona ule ukweli wa hili jambo...

(Applause)

Mheshimiwa Spika nikienda kwa maneno ambayo tumezungumza juu ya afya, mwenye macho haambiwi angalia, hospitali kuu ya Mkoa wa Pwani ni moja kati ya mahospitali bora ndani ya Kusini mwa Afrika sasa, na ilikuwa zamani sisi katika hospitali kuu ya Mkoa wa Pwani tukifanya usafishaji figo (Dialysis) mbili, leo twafanya usafishaji figo nane na hili jambo ni kuwa ni yeye mwenyewe aliweza kuja na mdhamini, mtu akaja akaweka pesa nyingi sana kusaidia hospitali yetu kuu ya Mkoa wa Pwani na leo ukienda ukiangalia hospitali kuu ya Mkoa wa Pwani hata yeye mwenyewe kama Wakfu wa Joho aliweza kujenga wodi fulani na pamoja na marafiki zake ile hospitali ameitia yeye mwenyewe bidii kuweza kujenga na ndipo imefika pale ilipofika. Leo Mheshimiwa Spika hatuna haja ya kusema mengi yule ambaye hajafika hospitali kuu ya Mkoa wa Pwani aende akaangalie hospitali kuu ya Mkoa wa Pwani iko namna gani. Isitoshe Mheshimiwa Spika sheria haikuruhusu kuwa ikiwa umefanya bajeti ukawa utajenga hospitali kwa muda wa mwaka mmoja, kwani twajua bajeti iko na sheria zake, ukitaka kujenga kitu lazima iende japo miaka miwili au miaka mitatu ndio uweze kukamilisha ule mradi kwa sababu huwezi kuchukua pesa zote ukazitika pahali pamoja kwa mara moja.

Kwa hio Mheshimiwa Spika nafikiri wale ambao wanaofuata wanajua kuwa upande wa afya kuna hospitali za *Sub County* tano ambazo zitakuwa na kila kitu, mashini za kisasa, kina mama kujifungua, upasuaji na kila kitu ziko ambazo hospitali hizi Mungu akipenda kwa muda mfupi zitaanza kuhudumia raia wa Mombasa...

(Applause)

Na isitoshe Mheshimiwa Spika kwani ilikuwa tumezungumzia habari ya kliniki, nafikiri Mheshimiwa Joho ameweza kwenye kwenye Wodi 30, ni Wodi saba peke yake ambazo bado hazijapata kiliniki, lakini nafikiri kwenye muda mfupi nao pia kila Wodi ndani ya Mombasa itakuwa iko na kliniki yake...

(Applause)

Mheshimiwa Spika tukishika juu ya mambo ya elimu bora, nayo pia sina haja ya kusema lakini wale wajua wajua kuwa Gavana Joho amejaribu, amezungumza juu ya elimu bora na nafikiri kuwa twajua kuna shule 6 za Chekechea ECDE's ambazo ni kisasa ambazo ziko tayari na zitaanza kufanya kazi na mambo haya yataonekana wazi kuwa Kaunti ya Mombasa Gavana Hassan Ali Joho ameifanya ile kazi, shida ni kama nilivyosema ni kuwa miaka mitano hakuweza kufanya kazi, ameweza kufanya kazi kwa muda mchache sana wa miaka miwili. Kwa hio Mheshimiwa Spika hata kuna shule wamepatiwa maji safi, Kaunti imeweza kutengeneza, kuangalia kama mtu ametoka Mrima na Mwangala atatuambia, kuwa kweli hivi vyoo vimeweza kutengenezwa kwa watoto wa shule na maji safi yakawa yanapatikana.

Mheshimiwa Spika tukizungumza juu ya biashara twataka tujue mwanzo kufanya bajeti ama kujenga ama kufanya nini kuna *process*, na hii *process* ikiwa wewe mwenyewe umelala na umechaguliwa basi itakuwa wewe wapitwa na mambo mengi sana, kwa hio naomba wenzangu wakisikia siku kuna *public participation*, kuna kitu kinaitwa County Intergrated Development Plan (CIDP), basi watu watoe watu wao wakaseme wanataka nini, kwa sababu utaona pahali hapakujengwa ikawa utalaumu Kaunti, utalaumu Gavana, lakini kujilaumu ni wewe mwenyewe ijapokuwa CIDP inafanywa, watu wamekaa hawakwenda kusema sisi twataka kufanyiwa nini, ama wale watu wako pale hawakwenda kuwakilisha watu wao. Kwa hio Mheshimiwa Spika jambo la biashara sisi tumeweza kuleta ya *automation*, hakuna tena mambo ya kupiga laini, hakuna tena mtu kutoka Likoni kuja mjini hapa, ama Changamwe, ama Jomvu aje kupiga laini hapa kutaka kulipa leseni. Siku hizi ni simu yako wewe ukiwa nayo wewe unaingia pale unafanya fanya mambo inajilipa yenyewe, kwa hio mambo ya biashara inaonekana tunakwenda mbele na mambo mingi ambayo tumeweza kufanya ambayo nasema hii si ndoto ni mambo ambayo ni ya kweli yanafanyika, ni kuwa mambo ya ufisadi imekuwa hakuna mtu tena anashika pesa taslimu, pesa zote zinakwenda kwa mitambo ile ya kisasa.

Mheshimiwa Spika nikimalizia nataka niwashukuru wenzangu kwa kunipatia na mimi nafasi hii kuweza kuzungumza haya machache nilio nayo na kuwaomba kuwa wawache maneno ya nje kuwa ni hivi na hivi, umoja tukishikana pamoja tutaweza kufanya mengi zaidi kuliko haya ambayo tumeweza kuzungumza leo hapa. Mheshimiwa Spika ahsante sana kwa kunipatia hii fursa.

Mr. Speaker (Hon. Khatiri): Ahsante Mheshimiwa Hatimy, Mheshimiwa Mary Naliaka...ashazungumza, sawa Mheshimiwa Ali Omar.

Hon. Shariff: Ahsante Bwana Spika kwa kunipa fursa hii, naona ulikuwa unaita wale hawajaongea nikajisimamisha mwenyewe. Nikipenda mwanzo kujitambulisha kwa majina naitwa Ali Omar Shariff nikiwa nawakilisha eneo Bunge la Tononoka ambapo ndio kitovu cha Mvita ambapo pia kwa ufupi ni kitovu cha Mombasa nzima kwa jumla. Hapa mbele yenu nafikiri Waheshimiwa wenzangu hapa kuna wengine ni kama mama zangu, wengine ni kama baba zangu na wengine ni kama ndugu zangu. Kwa hio leo ikiwa ni mara ya kwanza kuongea Bunge hili, Bunge la pili naomba ushirikiano wenu ikiwa mimi ni mgeni Bunge hili naomba kama tumekosea tuelimishiane ili tufanye kazi pamoja na ruwaza ipatikane ya 2035 *InshaAllah*.

(Applause)

Nafikiri mengi yameongewa, kila mtu akiamka anaongea yale yale yanaregelewa na kimtazamo wangu kutoka wiki iliopita mambo yanaregelewa regelewa kwa hio Mheshimiwa Spika kulingana na hotuba ya Gavana kila mtu anaipongeza, kila mtu anakubaliana nayo na mimi sina budi kukubaliana na hotuba yote ya Gavana. Mheshimiwa Spika naomba kuchukua fursa hii kukuomba ikiwa nawakilisha Waheshimiwa wenzangu kwa heshima na taadhima Bunge la leo tulivunje tuonane kesho Mungu akipenda.

(Laughter)

Ahsanteni na Mungu awabariki.

(Applause)

Mr. Speaker (Hon. Khatri): Yes, order Members, yes Hon. Fadhili.

Hon. Fadhili Mwalimu: Ahsante sana Mheshimiwa Spika. Mheshimiwa Spika na mimi pia nachukua fursa hii kumpongeza Gavana wetu kwa kuchaguliwa kwa mara nyengine ili aweze kuhudumia watu wetu wa Mombasa, na vile vile nachukua fursa hii pia kukupongeza kwa kuchaguliwa kuwa Spika wetu wa Bunge letu la pili, na nisisahau kuna Mheshimiwa ambaye aliwahi kuchangia akisema kuwa wewe ni mtu wa peponi, utakapo kwenda peponi usimsahau Naibu wa Spika wako.

(Laughter)

(Applause)

Mheshimiwa Spika mimi pia nawapongeza Waheshimiwa wenzangu, kwa kuweza kupata fursa kwa kuja kufanya uwakilishi wa wanainchi wao ndani ya Bunge letu na majukumu yale ambayo yanawalazimu hao kuyafanya kama Waheshimiwa wa Bunge la Kaunti ya Mombasa. Mheshimiwa Spika nafurahia Gavana alipotoa hotuba yake, aliangazia sana upande wa vijana na mimi pia natoa pongezi maana Bunge letu la safari hii nina imani vijana wako wengi, na wataweza kusukuma ajenda za vijana mbele.

(Applause)

Mheshimiwa Spika ndani ya katiba yetu *Article 55* (c) pia imezungumzia vijana, sasa ni haki ya Gavana anapoweka vijana mbele hakuzungumzia tu kutoka pembeni, amezungumzia akijua ni mambo ambayo yameangaziwa ndani ya katiba. Mheshimiwa Spika katika hilo hilo swala la vijana kukuza talanta za vijana, tumeona pia serikali ya Kaunti kiupande wa michezo imeanza kutengeza *stadiums*; takriban zimefika kama tatu na kama pia kabla nisahau nawapa pongezi Waheshimiwa waliojitokeza juzi kwenda kucheza katika *stadium* hizo ambazo ni mali ya Kaunti na walionyesha mchezo mzuri umahiri na wanaonyesha kuwa wanaweza.

(Applause)

Mheshimiwa Spika mimi ningeomba wizara ya vijana, jinsia na michezo waweze kuwaelimisha vijana sana, kwa sababu kulingana na takwimu ambazo ziliweza kutoka zilionyesha kama sisi kama serikali ya Kaunti ya Mombasa katika wale ambao waliingia ishirini wa kwanza hatukuwemo kwa sababu; sisemi kuwa tumeanguka na nasema kuwa hatukuwemo katika kuwahusisha vijana wetu na mama zetu kuweza kutumia hizi pesa ambazo zimeletwa pesa za mfuko wa Uwezo, za *revolving fund*. Kwa hio tunaomba wizara wahusika Mheshimiwa Spika iweze kuhamasisha vijana wetu iweze kuhamasisha mama zetu waweze kutumia pesa hizi ili ziweze kuwakimu na kuwainua kimaisha na nina imani kupitia serikali ya Gavana alipoanzisha *revolving fund* alianzisha kwa madhumuni na malengo ya kuwainua vijana na kina mama zetu na nina imani safari hii tutaweza kufanya taratibu ambazo zitawafaidisha ilivyo kwa wananchi wetu wa Mombasa.

Mheshimiwa Spika katika swala la taka ama mazingira kwa ujumla tuliona hata katika jarida la gazeti la Nation waliweza kuwaangazia isiwe ni kama wanatufanyia kejeli twataka kuonyesha kuwa twaweza kusafisha mji wetu na Gavana amezungumza na akahakikisha kuwa tutaweza kufanya. Tuna imani wale ambao walikuwa wakiweka siasa, maana tulipoanza kulikuwa na watu wakiweka siasa, wakituma watu watupe taka taka ovyo katika mitaa yetu, katika barabara zetu lakini twashukuru kulingana na ile miaka miwili ambayo Gavana amekaa katika kile kiti ikiwa tena hakuna tashwishi zengine, tabu zengine zozote Mheshimiwa spika tuliweza kufanya mambo ambayo hivi sasa, katika hii miaka mitano ambayo tumerudi tutaweza kusafisha mji wetu vilivyo na Mheshimiwa Spika wale wengine wote iwe Mombasa ni kiegozo nambari moja.

Vile vile Mheshimiwa Spika tunaelewa tuko na magari ya kubeba taka ya kuzoa taka tutaomba pia kupitia ofisi yako na Bunge letu na ushirikiano na ofisi ya Gavana magari yale yawe yatakuwa ni yale ambayo yamependekezwa na shirika la Nema ili yasiwe ni yale ambayo badala ya kusafisha mji yawe ndio yanachangia kuchafua mji yanapobeba taka zile yakitembea. Mheshimiwa Spika tunaomba tuwe na magari ambayo yamependekezwa na yatasaidia katika usafishaji wa mji na vilevile tumeambiwa kuwa Bunge lililopita lilipitisha sheria nyingi, tunaomba sheria zile pia ziweze kufuatilizwa na zifanye kazi na zitakapo fanya kazi nina imani mambo yatakuwa sawasawa na vilevile twasikia kuwa miji kama Rwanda ni miji ambayo ni misafi. Kupitia ofisi yako Mheshimiwa Spika ningeomba upate Wabunge kutoka katika Bunge letu hili waweze kwenda huko waende wasome ndio tujue wao Rwanda wamefanya nini ama Kigali imefanya nini ikaweza kufaulu ambayo Mombasa hatuwezi kufanya...

(Applause)

Mheshimiwa Spika katika swala la usalama najua mengi yameongelewa lakini tuliona pia wakati tulipoingia kusema kweli Mombasa ilikuwa ni habari ya dunia nzima Mombasa ilikuwa ikizungumzwa dunia nzima lakini Gavana alisimama kipao mbele wakati tukisikia Masjid Musa tulisikia vijana wetu wameingia katika hali ambazo ilikuwa haziridhishi lakini twashukuru Gavana alisimama kidete na kuhakikisha mambo yale kando na kuwa kulikuwa na siasa ndani yake lakini nina imani mambo yale tuliweza kuyaweka katika kaburi la sahu na vilevile akahakikisha ndani ya Mombasa watu wanafanya kazi masaa ishirini na nne. Ni sehemu nyingi ambazo zilipata mataa twaelewa bado kuna changamoto sehemu zingine lakini Mheshimiwa Spika kwa kile ambacho alifanya Gavana na kupitia katika hotuba yake nina imani tutakapo zidisha basi kama ilivyo ni Kaunti 001 na itazidi kuwa Kaunti nambari moja.

Mheshimiwa Spika katika swala la afya twajua ni haki ya mwananchi ya kikatiba kama alivyozungumza Mheshimiwa mtangulizi aliyetangulia Mheshimiwa Mwaka Zahoro kama sikukosea na kutupatia kipengee cha Katiba arubaini na tatu (a). Mheshimiwa Spika hata hivyo hivyo katika *chapter 4* chini ya *Bill of rights* tunaelewa ni haki ya mwananchi kuweza kupata afya, vilevile afya nzuri itakapokuwa tumempatia mwananchi wetu itakuwa ni katika njia moja ya kujenga Kaunti yetu izidi kusonga mbele maana ikiwa tunaishi katika nchi ambayo ama Kaunti ambayo magonjwa yamepungua ama yako chini ni njia moja ya kuendeleza Kaunti yetu tutakuwa tumepunguza gharama za matibabu, tumepunguza gharama za kutibu wale watu, tutakuwa tunafikiria kufanya maswala mengine.

Swala la elimu pia Mheshimiwa Spika nikiangazia ni kuwa tumeona mifano ipo tutakapokwenda shule ya msingi ya Khadija tunaona shule ya kisasa ambayo inajengwa pale; haikuja bure shule ile ilikuwa ni mikakati kabambe ambayo imewekwa kupitia kwa Gavana wetu na serikali ya Ujerumani ndio maana mpaka sasa hivi watu wa Kisauni kama sikukosea ama ni Nyalii wana shule kama ile ambayo inaendelea. Ndani ya Jomvu Mheshimiwa Spika tumeona shule ya msingi ya Kwa Shee ambayo imejengwa tayari na mimi nina imani katika Wodi yangu ya Port Reitz tutaweza pia kupata shule kama ile, na kama alivyosema Gavana ni kuwa itafika katika kila *sub-County*, wale ambao sijawataja nina imani zitaweza kufika.

Mheshimiwa Spika mimi nasikitika sana nikiwa namalizia kwa sababu kwanza ningependa pia nijulishe Bunge hili sisi tumelindwa na *Powers and Privilege Act* ndani ya Bunge hili sasa najinaki niko ndani ya Bunge na ambayo nitazungumza Bunge linanilinda. Mimi namshangaa Mheshimiwa Raisi Uhuru Kenyatta anaenda Kongowea anawaambia watu wa Kongowea wasilipe ushuru, hii ni akili ama ni wazimu sijui ni kutaka Kaunti yetu ididimie ama iende mbele. Mheshimiwa Spika sidhani kama maneno haya anaweza kwenda kuyasema ndani ya soko la Gikomba awaambie watu wa kule ama watu wa soko la Kiambu wasilipe ushuru.

Mheshimiwa Spika hii ni njia moja ya kutaka kutuhujumu, ya kutaka sisi tusiendeleo na yakutaka kuleta fujo baina yetu na wananchi wetu. Yeye kusimama na kusema kuwa atakayekwenda pale akionekana anatatiza wale watu wa pale anawalazimisha walipe ushuru waweze kushikwa na polisi. Mheshimiwa Spika hii mimi kivyangu ninaona Raisi amevuka mipaka maana ndani ya katiba...

(Applause)

Mheshimiwa Spika ndani ya katiba *Article 6* iko wazi serikali kuu na serikali ya Kaunti zitaweza kufanya kazi katika hali ya kuheshimiana, sasa sioni kwa nini Raisi ama tumeambiwa hivi sasa ni Raisi wa kujidai dai ama sivyo, huyu Raisi wa kujidai dai sijui ni kwa nini anaanza kuingilia serikali yetu na hali hata sisi tumeweka mipango kabambe. Gavana amesema atahakikisha huo ushuru ama *levies* kidogo ameweza kuzipunguza ama sio Waheshimiwa wenzangu...?

(Applause)

Lakini nashangaa Raisi anaingia anakuja kutuambia kuwa soko lile limejengwa na kitengo cha NYS; Mheshimiwa Spika Raisi anatumuhujumu na sisi kama Waheshimiwa lazima tusimame kama Waheshimiwa, lazima tuzungumze kama wawakilishi kama alivyo sema ndugu yangu Fahad hataki kuitwa Mheshimiwa amesema yeye ni muwakilishi na mimi nina imani sote hapa sisi ni watumwa tumetumwa tuje tuwakilishe watu wetu na nina imani sote tutasimama pamoja nyuma ya Gavana wetu tuhakikishe haya malengo ambayo tumeyaweka ama haya malengo ambayo Gavana ameyaweka kuweza kuhakikisha watu wetu wa Mombasa yataweza kufaulu. Ahsante Mheshimiwa Spika.

(Applause)

Mr. Speaker (Hon. Khatri): Ahsante Mheshimiwa, Hon. Maimuna?

Hon. (Ms.) Maimuna Salim: Kwanza namshukuru Mwenyezi Mungu kwa kutujaalia tukawa na afya na kwakutujalia tukaweza kuchaguliwa tena. Kwa majina naitwa Maimuna Salim Mwawasi, mimi ndio MCA wa Shanzu na ninawashukuru watu wa Shanzu kwa kazi nzuri ile ambayo wameweza kuifanya tarehe nane mwezi wa nane wakahakikisha kwamba wamepiga machungwa masita. Kwa hio sifa na shukrani ni kwako Mwenyezi Mungu. Mimi nimesimama kuunga mkono hii hotuba ya Gavana wetu, mengi aliyoyazungumza hapa ni yale ambayo sisi tunatakikaniwa tuyatekeleze kwa sababu amezitaja zile shida za watu wetu mashinani. Kama vile tunavyozunguka tukiomba kura tukiwaambia tutahakikisha kwamba usalama uko tuwaweke, mataa na Gavana akalijua hilo liko hapa, kwa ufupi hii hotuba imemshika yule mwananchi ambaye ameweza leo kutuweka sisi hapa ama kutupatia zile baraka zao na kujisumbua ili tuweze kuhakikisha ya kwamba yale malengo tumeweza kushirikiana na Gavana na la muhimu hapa ni sisi tuhakikishe ya kwamba Kamati zikitengenezwa tukae pamoja tuangalie zile Kamati kwa sababu kuna zile Kamati ambazo zinahusika na mambo ya mataa, kuna Kamati ambazo zinahusika na mambo ya mabarabara na wale Mawaziri wakija tukae nao chini tuhakikishe ya kwamba hii stakabadhi tumeanza kufanya utekelezaji yaani tuweze kutekeleza kulingana na hii stakabathi ambayo iko hapa. Sisi umuhimu wetu ni kwamba tukae na Mawaziri tuangalie kama vile Mheshimiwa Hatimy alivyosema ni kwamba tuhakikishe ya kwamba wananchi wetu wanaweza kuenda katika *public participation*. Kwa sababu mimi na Waheshimiwa wenzangu labda taunaona ya kwamba taa ni muhimu lakini kule chini mwananchi labda anaona ya kwamba hospitali kwake ni muhimu; mambo yote haya hayataweza kutekelezeka kwa wakati mmoja, ni labda Wodi moja kukitengenezwa taa Wodi nyengine kutawekwa hospitali na ndio maana tukaona vidole haviko sawa. Kwa hio nitawaomba tu Waheshimiwa haya yaliyozungumzwa hapa na Gavana kulingana na hino stakabadhi iko hapa ni sisi kuweka vichwa vyetu chini na kujua ya kwamba haya yote yanahitaji pesa, na sisi kulingana na kama mnavyojua ya kwamba serikali kuu haitupendelei sisi na mumeona tayari Raisi wa Kenya ameanza kuanza kutuhujumu.

Kwa sababu mambo na soko yeye hayamuhusu na ni lazima sisi tushirikiane tuhakikishe ya kwamba zile pesa ambazo tutaziitisha kwa *National Treasury* tuhakikishe zimekuja kwa sababu kila mtu tunazungumza tunajua wananchi wetu wana matarajio mengi lakini haya matarajio Mheshimiwa Spika hayataweza kufanyika bila ya kuwa na pesa kwa hiyo ni sisi tusimame na Gavana wetu, tusimame na Mawaziri wetu ambao watakaoletwa hapa tuhakikishe ya kwamba ile bajeti tukiitengeza tusukume huko mbele pesa zije na ziweze kufanya na mimi ninaiunga mkono lakini la muhimu hapa ni sisi kama Waheshimiwa tushikane, kwa mwenzako kukiwa kumewekwa choo, kwako kukiwekwa taa ni lazima tushukuru kwa sababu haya yote yanahitaji pesa.

Kwa hio mimi nitaomba ya kwamba sisi kama Waheshimiwa tushikane ndio tuweze kuhakikisha ya kwamba wale wananchi wametuchagua tuhakikishe ya kwamba tumewafanyia mambo mawili matatu hata kama hatutafanya yote lakini mawili matatu kwa kila Wodi yaweze kufanyika kwa sababu tunajua kuna uhaba wa pesa na tunaomba Mwenyezi Mungu akitujaalia Raila aingie ndio sisi watu wa Mombasa tuweze kutekeleza haya yote...

(Applause)

Kwa sababu bila Raila kuingia sisi ule msoto tulikuwa tuko nao miaka mitano ya nyuma na ndio huu mumeona umeanza kwa sababu mumeona ya kwamba Raisi amekuja ameanza kutulenga sisi kwa hio ni sisi tushikamane tusitingishike tuko hapa kihaki, tuko hapa kikatiba na tuko hapa tumeletwa na wananchi na sote hapa tuko hapa kihaki. Kwa hio tushikane katika Jumba hili na Mawaziri wakija tushikamane nao tuhakikishe ya kwamba tumekaa nao kwa meza moja na tuzungumze lugha moja ili hino stakabadhi iweze kutekelezeka.

Mheshimiwa Spika mimi ninashukuru na ninaomba ya kwamba wewe ni wewe ndiwe macho yetu, sisi tuko nyuma yako lile utakalo lisema kupitia kwa kiti chako sisi tuko tayari bora tuhakikishe ya kwamba tu wananchi waliotuleta hapa hatukuweza kuwahujumu kimaendeleo. Tushirikiane nao ili tuhakikishe ya kwamba tumeweza kubadilisha mji wetu, mji wetu wajibu wetu. Ahsanteni sana.

(Applause)

Mr. Speaker (Hon. Khatri): Ahsante sana mama Maimuna, yes Hon. Ahmed.

Hon. Ahmed Khamisi Salim: Bismillah Rahman Raheem. Thank you Mr. Speaker for giving me this opportunity, my name is Ahmed Khamisi Salim, elected Member of this County Assembly representing Majengo/Mwembe Tayari Ward. First I would like to congratulate His Excellency Hon. Governor for being re-elected and congratulations to you too for being elected as our County Speaker unopposed. Also to my fellow Hon. Members I say Congratulations...

(Applause)

Not forgetting our beautiful people of this beautiful County of ours for placing their trust on us, I know many things have been said but I would like to remind you issues affecting my Ward and County as a whole; for example job creation, education, infrastructure, health and security. Let us join hands together, let us be the change we want to see, and I look forward to work with you all. Thank you, may God bless us all.

(Applause)

Mr. Speaker (Hon. Khatri): Thank you Hon. Ahmed Khamis. Yes Hon. Sheilla. Prischillah.

Hon. (Mrs.) Mumba: Ahsante Mheshimiwa Spika, mimi nachukua fursa hii kutoa shukrani zangu za dhati nikishukuru Gavana wangu Ali Hassan Joho kwa kuchaguliwa tena na nikishukuru Wodi yangu pia ambayo ni Shimanzi/Ganjoni kuweza kunipa fursa hii ya kipekee na kunichagua kama muwakilishi wa Wodi hiyo.

Zaidi pia ninamshukuru Mungu kwa sababu Bunge hili itakuwa ni mara yangu ya pili kuweza kuwakilisha watu wangu wa Kaunti ya Mombasa ambayo nilikuwa katika Bunge hili kama Mbunge Maalum na wakati huu nimerudi kama mteuliwa. Kwa sababu nimechaguliwa na nilifanya kazi nikishirikiana na wenzangu katika chama, nikashirikiana na watu wangu vizuri ndiposa nimeweza kurudi nikiwa nimechaguliwa. Kwa hio kina mama wenzangu ambao wamekuja hapa wakiwa ni *nominated* ninawashukuru na ninawaomba muweze kutoka hapa mukienda kutafuta kofia zingine...

(Applause)

Kwa majina kamili naitwa Prischilla Mema Mumba, ni jina ambalo ninaliheshimu na kulipenda maanake halina mwengine. Mheshimiwa Spika nimesimama hapa kusema nimepongeza hoja ya Ali Hassan Joho kulingana na yale mambo alinukuu; vipengele baada ya vipengele na tumesikia kweli Mheshimiwa Ali Hassan Joho amegusa sekta zote kulingana na vile tuna hitajika kila sehemu; elimu, upande wa hospitali, upande wa mabarabara, upande wa vijana tuseme amegusia kila sekta. Kwa hio ni wajibu wetu sisi kama Wabunge tuweze kuhakikisha yale ambayo tumeletewa hapa musione ni kuzungumza ama kuchangia peke yake. Tuna wajibu kuhakikisha Mawaziri wetu wa Kaunti tutakao kuwa nao tuweze kuwapa msukumo tofauti kwa sababu wa muhula tuliokuwa nao tulikuwa na wakati mgumu kwa wengine ambao hata saa nyengine tulikuwa tukiwaita wanatukimbia hawataki kuja ili tuwaulize maswali moja ama mawili kulingana na yale majukumu, sisi wajibu wetu tukifanya hapa ni wao wapokee na kutekeleza. Sasa wao wakipokea saa nyengine husahau kutekeleza kwa wakati unaofaa, sasa ni wajibu wetu pia tuwaweke kwa ukaribu ili tuhakikishe kutekeleza kwa wakati unaofaa, kila linalopitishwa mahali hapa tumeliangalia na kule nako limetekelezwa. Kwa sababu wajibu mkubwa ni kutimiza ahadi za mwananchi, tukizungumza hapa, tukichangia hapa, tukijivunia hapa lakini ikiwa hatutaridhisha mwananchi hapo tutakuwa na shida.

Nafikiri munaangalia Bunge hili kama vile Naibu wa Spika alivyosema Bunge limeingia vijana; kina mama wako, vijana muko lakini Bunge limeingia wengi wapya si kuwa waliokwenda walishindwa na majukumu ya hapa ndani waliweza majukumu yao lakini kazi ilikuwa ni mashinani kwa sababu majukumu mashinani yanaonekana hayatekelezwi. Kwa hio tunawaomba wale ambao mumeingia mujue tuna kazi mara mbili; iwe ni kazi ya hapa na kazi ya kuangalia katika Wodi yako. Kinachonukuliwa je kinafanyika? Kinachonukuliwa katika bajeti, umepata kitu? Ili na wewe uweze kukaa na watu wako na kuwaeleza majukumu ambayo tunastahili kufanya. Zaidi ni kuwa nafikiri tuko katika kipindi cha kura za uraisi tunatakikana tuwe tunajadiliana bado na watu wetu na ikiwa tulikuwako tuko katika muungano ninaelewa wa NASA ni wakati mwema pia tuweze kuvuruta mkono wetu tuweze kujumuika na wenzetu Mheshimiwa Spika ili waweze kuwa watashirikiana na sisi tuweze kusaidiana tuweze kupata Raisi tunayemtaka kwa sababu bila huyo Raisi nafikiri mnaona hujuma tayari zimeanza.

Sisi ni Kaunti iliyolengwa na ikiwa tunataka Ali Hassan Joho atimize haya malengo ambayo yako hapa bila matatizo mpaka tusaaidiane ili Raila Amolo Odinga aweze kuingia ndio kazi itakuwa rahisi kwetu sisi. Kwa sababu kuna mambo mengine tutahitajika kutoka kwa Serikali kuu yaweze kuja kusaidia serikali ya Kaunti. Kwa hio ninawashukuru Wabunge wenzangu ninawaomba kila la kheri, nina waomba pia afya kwa sababu wakati wa Bunge la kwanza tuliweza kupoteza Waheshimiwa wenzetu watatu. Mukae mukijua hilo pia ni la Mwenyezi Mungu tunaombea afya ndio ninaomba kuwaomba uzima. Sio kuwatisha ni jambo la kibinadamu maana naona wengine wameanza kuogopa, ni jambo la kibinadamu lakini lazima pia tuwakumbuke maanake walikaa katika Bunge hili. Tulikuwa na kinamama watatu ambao walikuwa *very powerful women and we always remember them because they contributed very much.*

Kwa hio nina mshukuru Mwenyezi Mungu atupe afya na upendo katika miaka mitano tuweze kuwa pamoja. Ahsante.

(Applause)

Mr. Speaker (Hon. Khatri): Thank you Hon. Prischilla. Hon. Members I now call upon the mover of the Motion to reply. Yes Hon. Khamisi Mwidani, Leader of Majority.

Leader of Majority (Hon. Mwidani): Ahsante sana Bwana Spika kwa kunipa hii fursa. Kwanza ningependa kuwashukuru Wabunge wenzangu kwa kunipa hii fursa kwa kuchangia kwa hii hotuba ya Gavana kwa siku nne, na leo ikiwa ni siku ya nne. Tumetimiza ule wajibu wa sheria unavyotakikana. Hilo natoa kongole kwa Waheshimiwa wenzangu wote na hii iwe ndio sera yetu ya kuwa katika hili Jumba na kutekeleza yale yanayotakikana.

(Applause)

Kwa hio Bwana Spika nakushuru sana kwa kuweza kuwa na utaratibu wa kuendesha Bunge vile linavyotakikana na pia ninawashukuru wale Waheshimiwa waliokwenda ijumaa kucheza mpira ijapo kuwa twasikia mmoja wetu kidogo alipata jeraha, pia tunamuomba apate afueni nzuri na lisiwe tisho kwa sababu wale wachezaji tunawahitaji ijumaa wawepo. Mufike kwa wingi, yule mmoja kupata jeraha lile ni kitu cha kawaida katika mchezo kwa hio nawapa moyo siku ya Ijumaa tuone kwa wingi katika yale mambo ya mpira.

Bwana Spika kwa kweli nimewashukuru Wabunge na nakushuru wewe kwa kuwa umehakikisha kwamba hii *maiden speech* ni siku moja muhimu sana kwa Bunge lolote si la Kaunti hata la Bunge kuu, na nashukuru Bwana Spik ni kwamba umekubali kila Mbunge akazungumza kumpatia ile haki yake. Unajua hio ndio haki yako; haitatokea tena huu wakati hakuna *maiden speech* huko tunako kwenda, kwa hio Bwana Spika nimekushuru na nimeona umefuata taratibu za Bunge. Kwa hio leo hakuna lawama kwa Waheshimiwa hawa kwa sababu ukichaguliwa unajua wazi kila mmoja huwa anakuangalia. Sasa wote wale walio wachagua walikuwa wanawaangalia hii siku, ingepita bila kuzungumza, *Oh! My friend*, ungekuwa umeisha! Tumechagua mtu hata *maiden speech* pia ameshindwa kufanya. Unaona?

Kwa hio Bwana Spika nakushukuru na Wabunge nawashukuru mumetekeleza wajibu wenu wa kwanza; kama huo ndio wajibu wenu wa kwanza kama Wajumbe wa Bunge la Kaunti. Kwa hayo mengi nataka kuishia hapo kwa sababu najua tumeizungumza kwa siku nne leo nashukuru sana na nina furaha sana kuwa Bunge, muwe mukiangalia wakati. Pia namshukuru Kiranja wa Bunge kwa kazi nzuri anayoifanya japo kuwa ni mgeni lakini nashangaa amejua hivi vitu haraka sana. Kwa hio ana *whip* vizuri.

(Applause)

Ahsante Bwana Kiranja wa Bunge, kwa hio mengi Bwana Spika ningesema shukran sana. Ahsante sana.

(Applause)

Mr. Speaker (Hon. Khatri): Thank you Hon. Khamisi Mwidani, the Majority Leader. Hon. Members I now put the question that the Assembly records the thanks of the Assembly for the exposition of the public policy contained in the address of the Governor.

(Question put and agreed to)

(Applause)
