

COUNTY ASSEMBLY OF MOMBASA

OFFICIAL REPORT

Tuesday, 5th November, 2019
The House met at 2:45p.m.

(The Speaker (Hon. Aharub Ebrahim Khatri) in the Chair)

PRAYERS

The Speaker (Hon. Khatri): Hon. Members you may be seated? Yes Clerk, next order?

NOTICE OF MOTION

Yes Hon. Mohamed Hatimy, please give the Notice of Motion

Hon. Mohamed Hatimy: Ahsante Mheshimiwa Spika. Mheshimiwa Spika Mheshimiwa mwenza ameniambia hapa kuwa kuna sera ya Idara hii ya Michezo kuwa iko. Kwa hivyo Mheshimiwa Spika chini ya *Standing Order* ya number 48 nataka kuitoa hii *Notice of Motion* nipate kuangalia hiyo sera wanasema kwa sababu itakuwa si sawasawa iwe nitaleta *Notice of Motion* halafu kuwe na mfuko ambao itakuwa ni mbili zitagongana. Kwa hivyo kupitia Kiti chako Mheshimiwa Spika nataka ku *withdraw under 48*.

The Speaker (Hon. Khatri): Thank you Hon. Hatimy. The permission is granted so you can withdraw and when you are ready you can bring back the Motion.

STATEMENT

STATUS OF THE STREET LIGHTING IN THE COUNTY

Yes Hon. Priscilla Mumba? Yes Hon. Mwaka Mwaludondo the Vice Chair for Transport and Infrastructure.

(The Speaker (Hon. Khatri) exited the Chair)
(The Deputy Speaker (Hon. Mwalimu) in the Chair)

Hon. Mwaka Bakari: Thank you Mr. Speaker. Responding to Statement on status of the street lighting in the County. Mr. Speaker Sir a request for Statement was made in the County Assembly on Tuesday 30th July, 2019 during the 67th Sitting, seeking to know the Bills of Quantities (BQ) of on-going streetlights project in the County. It was alleged that the installed streetlights appear faulty and sub-standard. Mr. Speaker Sir, the Committee on Transport Infrastructure and Public Works wrote to the relevant Department who then responded as follows;

DISCLAIMER: *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor*
Page 1

Mr. Speaker Sir, the concern raised by Members of the County Assembly particularly in the last half of the FY 2019/20 the Department decided to engage the private contractors to support our in-house team and enhanced service delivery in the street/public lighting in the sub-sector. Consequently, teams were dispatched to various sub Counties to repair and install street/public lighting fixtures. Tremendous improvement was noticed on level of street/public lighting in the County. However the progress was slowed down when quite number of street/public lighting points started and continued being off leading to the concerns raised by Members. Mr. Speaker Sir, after initial inspection...

(Interruption)

The Deputy Speaker (Hon. Mwalimu): Yes Hon. Bwire?

Hon. Bwire: Hon. Speaker is there any need for a Member to read if all Members have the copies?

The Deputy Speaker (Hon. Mwalimu): Yes.

Hon. Bwire: Can we save time since we all have copies.

(Applause)

The Deputy Speaker (Hon. Mwalimu): But Hon. Bwire we are not wasting time and for Hansard records she has to respond and read a Statement, so proceed Hon. Mwaka.

Hon. Mwaka Bakari: Thank you Mr. Speaker, so everyone has a copy he can read himself.

The Deputy Speaker (Hon. Mwalimu): Hon. Mwaka proceed from where you were, proceed in reading your Statement?

Hon. Mwaka Bakari: Okay Mr. Speaker Sir, after initial inspection the possible reasons for the failures were noted as faulty contractors and timers (Control box switching gears) as detailed hereunder:-

- (a) Under capacity of contractors.
- (b) Timers not functioning as required.
- (c) Overloading/unbearable loading at some points.

Mr. Speaker Sir to remedy the above mentioned concerns the Department has implemented the following measures;

- i. Projects still under defects liability period (DLP) (Maintenance). Contractors have been instructed to replace all faulty items;
- ii. Contractors to redo the control boxes to ensure the lights are ON and OFF at the right time;
- iii. Whenever there is overloading/unbearable loading, contractors have been asked to remove the timers and leave control boxes so that the lights are manual turned ON and OFF at the right time;

Mr. Speaker Sir, in regards to the Bill of Quantities of on-going streetlight works is as follows:

- a. For street lighting below are specification prescribed for the works;
 - i. Copper ballast 150w
 - ii. HPS bulbs 150w
 - iii. 70-400w ignitors
 - iv. 2 poll 50 Amps Contractors
 - v. Photocell timer switches inbuilt power surge protectors or equivalent
 - vi. Double pole circuit breakers
 - vii. Poly-carbonated/machines finish meter boxes.
- b. For high mast lighting below are specifications prescribed for the works:
 - i. 250w hps copper ballast
 - ii. 250w hps bulbs
 - iii. 70-400w Amps ignitors
 - iv. 2 poll 50 Amps Contractors
 - v. Photocell timer switches inbuilt power surge protectors or equivalent
 - vi. Circuit breakers
 - vii. Double pole circuit breakers
 - viii. 1.5mm sq ecc cable
 - ix. Meter boxes

To this end Mr. Speaker Sir, the Department will liaise with the MCAs and Sub-County Administration. Thank you Mr. Speaker Sir.

(Applause)

The Deputy Speaker (Hon. Mwalimu): Thank you Hon. Mwaka for the responses I am sure the Member who wrote this Statement is very much satisfied with the Statement. Yes Hon. Bwire?

Hon. Bwire: Hon. Speaker indeed we thank for the response that has been brought here by the Vice Chair and as the response state that the Department will still liaise with offices of the MCAs and the office of the Sub County Administration. Mr. Speaker there were some works that were initiated by the same Department on the same high mark but as we speak the work is incomplete; so as they are promising to liaise with the offices of the MCAs, we urge the Committee to take back the response of the MCA that as we pray that they come on time so that they can complete that work that they initiated. Thank you.

The Deputy Speaker (Hon. Mwalimu): Okay noted and I am sure the Committee headed by their Vice Chair will take charge on what you have raised. Yes Clerk?

MOTIONS

PROGRAMMED ROTATION OF EARTHMOVERS AND ELECTRICAL TECHNICIANS IN THE COUNTY

Yes Hon. Charles Kitula?

The Chief Whip (Hon. Kitula): Mr. Speaker Sir, I beg to move the following Motion;

DISCLAIMER: *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor*
Page 3

THAT AWARE that upgrading of County roads and street lighting is a mandate of the County government as provided under the Fourth Schedule Part 2, 5 (a) and (b) of the Constitution of Kenya, 2010;

FURTHER AWARE that streetlights and access roads provide numerous benefits, including but not limited to promoting transport, security, improving safety for riders and pedestrians;

NOTING THAT a well scheduled rotation of County earthmoving equipment and Electrical technicians in a specified duration will improve supervision and guidance from the Ward Administrators and offices of Members of the County Assembly;

CONCERNED that lack of a well-established calendar which is known by Ward Administrators and Members of the County Assembly at sub - County level has resulted to laxity and poor approach to priority areas by the individuals providing these services;

I therefore urge this Assembly to RESOLVE that the County government through the Department of Transport, Infrastructure and Public Works, that;

1. Earthmoving equipment and Electrical Technicians to rotate weekly in each sub - County through a well scheduled calendar known by both Ward Administrators and Members of the County Assembly;
2. Total number of manpower on ground and contact details of team leaders be known;
3. Written prior communication by the County Executive Committee Member or Chief Officer be made to the sub - County Administrator and area Members of the County Assembly in case of mechanical failure or any other kind of reason.

Mr. Speaker Sir I beg Hon. Shebe Athman to second my Motion.

Hon. Athman Shebe: I second Mr. Speaker Sir.

The Deputy Speaker (Hon. Mwalimu): Okay Hon. Members, I now propose a question that the Motion on Programmed rotation of earthmovers and electrical Technicians in the County by Hon. Kitula be debated in this Honourable House.

(Question put and agreed to)

Yes Hon. Charles Kitula?

The Chief Whip (Hon. Kitula): Ahsante sana Mheshimiwa Spika kwa kuweza kukubalia na kuweza kuuliza swali na vile vile Wabunge wenzangu kunikubalia Hoja hii tuweze kuijadili katika kikao chetu kwa siku ya leo na moja kwa moja Mheshimiwa Mwenyekiti hoja yangu iko wazi na vile vile ningependa kuwahimiza Waheshimiwa wale ambao tumeweza kuchaguliwa kwa kura na vile vile wenzetu ambao wameweza kuteuliwa. Leo hii Mheshimiwa Mwenyekiti tuna vifaa sisi katika serikali ya Kaunti ya Mombasa idara ya Uchukuzi na Miundo Misingi, vifaa ambavyo tuko navyo ni *road rollers*, tuko na *muter graders*, tuko na *croller loaders*, *common dump trucks* lakini la kushangaza leo kaulize kiongozi yeyote wa Wodi kama ashawahi kuona hivi vifaa katika Wodi yake utashangaa wengi wakikuambia hawajawahi kuona vitu kama hizi.

Cha kushangaza kulingana na uchunguzi wangu nimeweza kufanya ni kwamba nimeweza kugundua *contractors* wanapatiwa kazi za *Transport and infrastructure tenders* wanatumia magari haya haya, wanalipa gharama takriban kwa siku shillingi 80,000, lakini la kushangaza Mheshimiwa Mwenyekiti pesa hizi sidhani kama zinalipwa katika Idara husika ya Fedha, na magari haya yamekuwa yakitumiwa na *contractors* kufanya shughuli mbali mbali za Kaunti pasi hata wenyeji kuweza kufahamu kwamba magari haya ni jukumu la kuhudumia wananchi katika sehemu kadha kadha hapa Kaunti ya Mombasa.

Mheshimiwa Mwenyekiti Hoja yangu yasema kwanza sisi kama Wabunge hili katika Wodi mbali mbali kutakuwa kuna mgao ya kuhakikisha kwamba vifaa hivi vinaenda katika eneo Bunge; kama leo iko Kisauni wiki hii itaenda Nyali, wiki ijayo inakwenda Kisauni wiki ingine inakwenda Mvita. Kila wiki vifaa vyote ambavyo Idara wako navyo wana hakikisha wanakwenda navyo kila mahali kwa wiki ili kuweza kupata huduma mashinani. Vile vile watengezaji wa mataa Mheshimiwa Mwenyekiti tumekuwa na wafanyi kazi hawa wakija kwa mwezi mara moja lakini inapitia baada ya miezi sita wafanyi kazi wanarudi katika sehemu hio.

Kulingana na hoja ya leo Mheshimiwa Mwenye Kiti itakuwa rahisi tuweze kupata idadi ya wafanyi kazi wote katika Idara ya taa za barabarani; kama ni 50 nitasema 50 hao wote watakwenda katika eneo Bunge la Likoni kuhakikisha kwamba Likoni inawaka taa wiki nzima na vile vile wakiwa na hizo *graders* na kuhakikisha kama barabara iko na matuta kwamba kuna maporomoko yoyote barabarani *roller* inakwenda pale na vile vile *grader* kuhakikisha barabara inapitika Mheshimiwa Mwenyekiti. Vile vile kuna hitilafu yoyote manake imekuwa mazoea Idara kusema kwamba magari hayana mafuta kama kuna hitilafi ya ki mitambo katika magari yale. Lakini kulingana na hoja ya leo tutahimiza Waziri ama *Chief Officer* aweze kutuandikia barua kama kuna shida ya gari hilo kuja katika Wodi fulani au eneo Bunge fulani aandike barua kabla ya hio wiki kuhakikisha kwamba yule MCA na yule *Administrator* wanafahamu kwamba gari fulani haitakuja kwa sababu ya hitilafu fulani.

Kwa hivyo Wabunge wenzangu ningependa tushirikiane pamoja kuhakikisha kwamba magari haya tumeweza kuyafahamu kwamba tunayo katika serikali lakini kufikia sasa tutawahimiza na sisi ndio macho yetu kule yanafika mashinani kuhudumia wananchi. Ahsante Mheshimiwa Mwenyekiti.

The Deputy Speaker (Hon. Mwalimu): Yes Hon. Shebe Athman?

Hon. Athman Shebe: Thank you Mr. Speaker Sir. First and foremost let me put weight to the Motion which has been brought forward by Hon. Chief Whip. Mr. Speaker, for me it is an irony considering the fact that the Department of Transport, Infrastructure and Public Works in terms of budgetary allocation is the second highest in terms of allocation of budget in this County government of Mombasa. It is also an irony Hon. Speaker in terms of transport infrastructure it is well equipped; we have rollers, we have graders, we have excavators but unfortunately it does not resonate well at the ground level.

Hon. Speaker, most of the Ward in terms of infrastructure Wards drainage are really poorly maintained; I really welcome the Motion which was brought forward by Hon. Kitula. If we are going to make sure we allocate time and resources and equipment per Ward, Hon. Speaker as a revolving budget or rather time table, I think the impact is going to be seen everywhere in all the 30 Wards in Mombasa County. I also want to appreciate the fact that the transport infrastructure is under a lot of pressure Hon. Speaker; concerning the fact that most of the development agenda, which really make sense in the public lies under the Department of Transport. You can imagine drainage, roads, street lightening and I think as an Hon. Member we have played our part Hon. Speaker; we have allocated enough money to this Department.

So it is high time the Department should make sure that they are up to the task and if it is going to be revolved; if it is for example Jomvu one week I get these equipment like graders Hon. Speaker, rollers I think every corner of Mombasa County is going to improve in terms of infrastructure. So I truly welcome this Motion and I also beg my Hon. Members to give their support thank you Mr. Speaker.

The Deputy Speaker (Hon. Mwalimu): Yes Hon. Athman Mwamwiri?

Hon. Athman Mwamwiri: Ahsante Mheshimiwa Spika na ahsante kadhalika Kiranja wa Bunge, Kiongozi wa Wengi katika Bunge kuniruhusu niendeleo kiheshima; ulikuwa wasaa wako lakini kwa hilo ahsante. Mheshimiwa Spika nasimama kuunga mkono hoja hii nadhani wakati huu Waheshimiwa wana kila sababu kuregesha majibu mwafaka na kuonyesha yale ama ile ajenda waliopewa na wananchi kuja kuwawakilisha.

Mheshimiwa Spika hata safari ya maili elfu moja huanza na hatua moja na kwa kugatua huduma hizi kwa sababu ni bayana ya kwamba mwanzo wa maendeleo ni sehemu kata, ama ni ni Wodi. Kwa hivyo Mheshimiwa Spika kushusha rasilmali mashinani katika *Ward level* chini ya Gatuji dogo na kupangilia ratiba ya utenda kazi itakuwa na usahalia mkubwa wa idara kwa sababu yale yanayojiri na ripoti inavyotoka pale, utenda kazi ule, itaashiria ni ofisi gani matatizo yale yatachukuliwa kwa sababu timu iko mashinani. Mheshimiwa Spika tunakubaliana ya kwamba mavuno hayadanganyi, mwenye kupanda mbegu njema atavuna mavuno mema na sisi kama Bunge Mheshimiwa Spika nadhani kwa hoja zetu na Miswada tulikuwa tukileta na kupitisha katika Bunge hili ni ishara bayana ya kwamba tuna kusudio ama kuna maono mema kwa serikali Gatuji yetu ya kwamba tunaacha mbegu njema ya maendeleo.

Mheshimiwa Spika ni changamoto kwa idara zetu tulizo nazo katika serikali Gatuji ya kwamba mbegu hizi ambazo Bunge zinapanda, wasizitazame kwa jicho la kiuhasidi wazipokelee kwa nia njema, wasiangaliwe imeletwa na nani, imechangiwa na nani katika kujadiliwa, isipokuwa waangalie natija ya hoja ile iliyopita katika Bunge hili ni ipi katika serikali yetu.

Mheshimiwa Spika sisi tuko leo na wao tuko nao lakini baada ya miaka mitano kutakuwa na wengine, lakini je Mavuno yenye tutakumbukwa nayo itakuwa ni mavuno gani? Ahsante Mheshimiwa Spika.

The Deputy Speaker (Hon. Mwalimu): Thank you Hon. Mwamwiri. Yes Leader of Majority?

The Leader of Majority (Hon. Mwidani): Ahsante sana Bwana Spika. Bwana Spika nimesimama kuunga mkono hii hoja na Bwana Spika ni vizuri saa zengine tuelewe kwamba kuna hoja ya kushambulia na kuna hoja ya kutengeza, kwa sababu Bwana Spika wengi hufikiria ukigusa Idara ya Uchukuzi na Miundo Misingi ni kwamba watu wanashambulia lakini si vile ukiangalia hii hoja namshukuru Mheshimiwa kwa kuleta hii hoja, kwa sababu ikitekelezwa watu wataona kazi inafanywa kule chini.

Bwana Spika ukiangalia kama mambo ya taa za barabarani hata kuna wakati wa nyuma nilizungumza, tuko na *Sub-Counties* sita, kazi rahisi tu ya kufanya ile kazi ionekane iko *very active*, kungekuwa kila *Sub-County* kuna timu yake, kuna gari zake, kuna *material* yake, sasa utakuta hutapata hii shida ya mambo ya taa za barabarani kwa sababu Bwana Spika mimi mwenyewe kwangu mimi ni Kiongozi wa Walio Wengi lakini nikikuambia kuna mwezi mzima waenda sasa kuna taa zimezima mwezi mzima. Sasa saa zengine ukiangalia Bwana Spika kama ukiangalia Mheshimiwa mwenzangu alivyosema the *second Department* inayopewa pesa nyingi kwa makadirio ya bajeti ni Miundo Misingi.

Kwa hivyo Bwana Spika leo ningeomba kwamba huu Mswada uchukuliwe kwa umuhimu kwa utekelezaji; hatushambulii mtu wala hatuna dhana na Idara yoyote, ni katika kurekebisha haya mambo yakifanyika kule chini watu wataona kweli Kaunti sasa wameamka. Hivyo basi Bwana Spika langu ni kwamba nauunga mkono huu Mswada na pia ningeomba Waheshimiwa wengine tuuunge mkono, angalau kuonekane kuna kazi zinafanyika, zinafanywa kazi lakini hazijafikia kile kiwango cha kuonekana kwamba kazi zafanywa. Kwa hivyo Bwana Spika mimi naunga mkono.

(Applause)

The Deputy Speaker (Hon. Mwalimu): Yes Hon. Hamida?

Hon. Noor: Thank you Mr. Speaker. I do support the Motion that has been brought by a fellow Member; it would be very wise to have this team at the ground because some of us have put our own private lighting, but if this team would have been there we would have found that we do need lights on our roads and in our estates and I do support strongly this Motion. Thank you Hon. Speaker.

The Deputy Speaker (Hon. Mwalimu): Yes Hon. Tobias?

Hon. Samba: Thank you Mr. Speaker. First of all let me congratulate Hon. Kitula for coming up with this Motion. Hon. Speaker the Motion is about programmed rotation of the heavy machines that we have; the Department of Transport is overwhelmed, it has so many engagements let me say so. Hon. Speaker under the devolved system of governance it is just barely seven years and to our surprise there are some who are still operating under the Municipal system and the main objective of devolution was to bring services to the local *mwanaanchi* at the grassroots level. Even if you are proposing that each and every Sub-County to have all its machines on a rotational basis, actually it would have been in every Ward to have the opportunity to have their own machines, equally the same. When we devolve from the County level to sub-County level Hon. Speaker, I think by that we will be bringing the services near to *wanaanchi*.

Hon. Speaker it has been a routine that whenever we are faced by issues; maybe you want a road to be upgraded or maybe to be levelled, there is so much bureaucracy and it requires someone who has a strong and a heavy heart to pursue and for those who cannot do that, you will find that your area is so much isolated. So if we have it on a law basis or if we have it in a legal way I think it will just be moving by itself Hon. Speaker but I have an issue with these Motions since we came to this House we have passed so many Motions. I can recall Hon. Milka brought here a Motion to do with dustbins; Hon. Hatimy brought a Motion to do with the bus within the Estate, and Hon. Speaker till today nothing has been implemented. Now my fear or rather my concern is we will pass the Motion here unanimously and then that will be the end of it; there will be no implementation, nothing. I would suggest Hon. Speaker through your Chair since Implementation Committee somehow seems to be sleeping or rather they do not know what they should do, I being one of them...

(Laughter)

But I would suggest that the issue to do with the follow ups on the Motions that we have passed in this House to be undertaken by the Whole House Committee so that at least we may one day even two weeks or rather three weeks we should do the follow ups as a Committee because we have got good Motions but no implementation. Thank you Hon. Speaker.

The Deputy Speaker (Hon. Mwalimu): Yes Hon. Nzai?

Hon. Nzai: Thank you very much Mr. Speaker to have given me this chance to also air my views. Mr. Speaker Sir, first and foremost I want to say thanks to Hon. Samba to have identified the real problem I stand to oppose the Motion.

Mr. Speaker Sir, the reason is not about rotation; rotation is an English word, but what does that really mean? The Department lacks what we call Policy; it has never come up with a clear Policy, it is in this Honourable House whereby Mr. Speaker a rotational timetable was brought and we heard that some vehicles went to Likoni, services were done in Changamwe and then it went to Nyali. So the thing here is implementation...

(Interruption)

The Deputy Speaker (Hon. Mwalimu): There is a point of information...

(Interruption)

Hon. Nzai: I do not want to be informed Mr. Speaker, let me settle point before I can be informed. Mr. Speaker...

(Interruption)

The Deputy Speaker (Hon. Mwalimu): Hon. Mwamwiri the Member said that he does want to be informed.

Hon. Nzai: I think it is true indeed that the Committee on Implementation...

(Interruption)

The Deputy Speaker (Hon. Mwalimu): Hon. Nzai the Member is saying that he wants to inform the House. Yes Hon. Mwamwiri?

Hon. Athman Mwamwiri: Mheshimiwa alie na ngojera nyingi kama misemo ya kanga ni muafaka akavae viatu kwanza...

(Interruption)

Hon. Nzai: Hon. Speaker this is a House of...

(Interruption)

The Deputy Speaker (Hon. Mwalimu): Serjeant, Do you have any reasons as to why you are not properly dressed Hon. Nzai?

(The Serjeant-At-Arms ordered Hon. Kombe Nzai out of the House)

Yes Hon. Nyiro?

Hon. Nyiro: Thank you Mr. Speaker. Indeed...

(Interruption)

The Deputy Speaker (Hon. Mwalimu): Hon. Mwaka you were supposed to bow, Hon. Mwaka please...

(Hon. Mwaka bowed before the House)

Ok, Hon. Nyiro proceed.

Hon. Nyiro: Thank you again Mr. Speaker. Mr. Speaker indeed it is timely Motion and being a Member of the Committee of Transport and also being one of the MCA's who is badly affected by the performance of this Department, I really want to thank Hon. Kitula for bringing such a Motion because it is going to help us, including myself. And again I need to point out some few things and also clarify to the Hon. Member who was lacking shoes because he said that there was a timetable that was circulated in this House and indeed it was only a timetable for the time being, it was not anchored in law. And what we are doing is anchoring the timetable lawfully so that it is known that it is there in law.

Mr. Speaker the Hon. Mover of this Motion pointed out some issues regarding the County having very sophisticated equipment that are able to do a lot, but again very little is seen to be happening in our Wards because we do not know whether these equipments are somebody's property or they are a property of the County government of Mombasa. I also happen to have fallen a victim of circumstances earlier this year when I requested for a lorry because I happen to be a producer of murrum in this County and so I had requested for a lorry so that I can at least fill some holes on my few roads. To my surprise Mr. Speaker I was requested to fuel the same lorry and I did fuel for two days after which I was not able to continue fuelling the lorry and that was the end of it.

Mr. Speaker it is very painful for us, most of us are spending our salaries on buying or rather lighting the streets in our areas because sometimes it is becoming very dangerous and you also leave in a very pathetic situation, so if we bring this rotational programmes we would be able to monitor and be able to guide those who are concerned. Of course Mr. Speaker most of the times that these works are being performed in our areas we are not informed. I remember once when a Village Elder was signing on behalf of the Office of the MCA and that Report was brought to the Committee when they were confirming to us that indeed when the works are being done we are involved and when we looked into the signatures from my area I confirmed that it was the signature and the name of the Village or rather a Village Elder not even a Manager from my Office.

So Mr. Speaker some things must be put clear here because we are really passing on big budgets and allocations to this Department but very little seems to be done in the Wards. So it is good for us to inform the Department that they need to come up with a clear rotational programme where equipment will be sent to our Wards so that we have reason to be monitoring and doing our oversight roles because we would have anchored everything into law. Indeed Mr. Speaker this Motion is timely and therefore I stand to support it and being a Member of the Transport Committee we would be able to also guide our Executive Member so that we continue to put some sense to him that this is important. And again I also happen to be a Member of the Committee on Implementation; Hon. Samba attacked the Committee, being a serious Member of that Committee I want to say to this House that we really want to do our work and I will also make sure that I charge my Chair so that we will really follow up on this issue particularly because it is of very good essence to our residents. So Mr. Speaker I stand to support and commit my support fully to this course. Thank you Mr. Speaker.

The Deputy Speaker (Hon. Mwalimu): Yes Hon. Faith?

Hon. Mwende: Ahsante sana Mheshimiwa Spika kwa kunipa hii nafasi. Mheshimiwa Spika nasimama kuunga mkono hii Hoja ambayo imeletwa na Kaka yetu, Mheshimiwa Charles Kitula. Shaka ni kama kwa kweli yatatekelezwa? Mheshimiwa Spika hili Jumba limekuwa kila wakati ni mambo ya mataa ya barabarani na kwa vile hivi sasa naona kuna muafaka ambao umekuja, naona hivi sasa tutapona kwa vile ukitembea barabara nyingi hivi sasa utapata mataa hakuna. Kwa hivyo wakati tunaongea haya mambo katika Bunge hili, Waziri wa Idara husika asione kama anakashifiwa yeye, lakini ni yale ambayo tunaona mashinani. Kwa hivyo ni wafanyie kazi wananchi na Mungu atawabariki. Ahsante sana Mheshimiwa Spika.

The Deputy Speaker (Hon. Mwalimu): Yes Hon. Mwalimu Mgwisho?

Hon. Mwalimu Mgwisho: Ahsante sana Mheshimiwa Spika kwa kunipatia hii nafasi ili na mimi pia niweze kuchangia. Mimi nimesimama hapa kwa kuunga mkono Hoja hii, Hoja ambayo imeletwa na Kiranja wetu inasaidia sana hii Idara ya Uchukuzi na Miundo Msingi kwa sababu haya ambayo yameletwa hapa ikiwa yataweza kufuatiliwa basi nina imani kwamba katika Wodi zetu zote ambazo ziko na shida ya mataa itakua mambo haya kweli yatapungua kwa sababu wananchi ambao twawakilisha hawajui kwamba kuna Idara ya Uchukuzi na Miundo Msingi, isipokua wakiona mataa hayawaki katika sehemu zao basi watakuja moja kwa moja mpaka kwa ofisi ya Mheshimiwa ama kwa Mheshimiwa nyumbani wakimueleza kwamba mataa mbona hayafanyi kazi katika sehemu fulani hawajui kabisa kama kuna mambo kama haya.

Kwa hivyo namshukuru sana Kiranja wetu kwa kuleta hii Hoja kwa sababu kuweza kusaidia hii Idara kwamba ikifuatilia hii Hoja vile imeletwa basi nina imani kwamba shida nyingi katika Wodi zetu kuhusu mataa zitakua zimekuwa sawa. Kwa sababu hata mimi mwenyewe ambaye ni Mheshimiwa kule nyumbani kwangu nina mwezi mzima mataa hayawaki mpaka imebidi nitafute fundi mimi mwenyewe kwa pesa zangu za mfukoni ili fundi aweze kurekebisha mataa. Lakini nini imani kwamba hii Hoja ishapita na nina imani ya kwamba matatizo haya ambayo tuko nayo ya mataa katika Wodi zetu yatakua yametatuliwa. Ahsante sana Mheshimiwa Spika.

The Deputy Speaker (Hon. Mwalimu): Thank you Hon. Mwalimu. Yes Hon. Hatimy?

Hon. Mohamed Hatimy: Mheshimiwa Spika nimesimama kuunga mkono hii Hoja kwa sababu ya wazo lililoko ndani ya hii Hoja ni nzuri itasaidia watu wa Mombasa, haimsaidii Hon. Hatimy wala Hon. Kitula wala Hon. Mwamwiri, inasaidia watu wa Mombasa. Mheshimiwa Spika kama Mheshimiwa Nyiro wa Wodi ya Bamburi alivyosema, itabidi Kamati ya Miundo Msingi ifanye kikao na Idara kwa sababu ukiangalia kwenye sheria utakuta Kifungu 36(2) ya sheria ya County Government Act inawapatia Kamati nguvu kufanya mipangilio yao. Kwa hivyo itakuwa si vizuri maana yake wakipata hii na wasitekeleze, itakua ni kazi ya bure isipokuwa watu waweza kufanya kikao cha Kamati pamoja na Idara yao wakubaliane kwenye hili jambo ili hii kazi ipate kufanyika. Kifungu 36(2) iko wazi kabisa kuwa *Executive* wana nguvu za kutengeneza mipangilio yao na hili wazo ikiwa watakwenda kuliiza nafikiri itawasadia wao pia kuona kuwa in wazo zuri. Kwa hivyo Mheshimiwa Spika nasimama kuunga mkono Hoja hii na kusema kuwa sio kila Hoja mtu akileta ni kupingwa tu, iangaliwe Hoja ambayo inaleta manufaa...

(Applause)

Watu wote wanakubaliana kupitisha Hoja ile, Hoja ambayo haina manufaa mtu anaweza kusimama akapinga. Kwa hivyo nauunga mkono. Ahsante.

The Deputy Speaker (Hon. Mwalimu): Okay I now call upon the Mover of the Motion to respond.

The Chief Whip (Hon. Kitula): Shukran kwa Waheshimiwa kuweza kuunga mkono Hoja hii na ninaweza kuwaambia ya kwamba nia safi ni ngao tosha. Ahsante.

The Deputy Speaker (Hon. Mwalimu): Hon. Members I now stand to put a question that the Motion on programme rotation of earth movers and electrical technicians in the County by Hon. Charles Kitula be adopted in this Honourable House.

(Question put and agreed to)

Yes Clerk?

ADJOURNMENT

Hon. Members the House stands adjourned until Wednesday, 6th November, 2019 at 10:00 a.m.

The House rose at 3:38p.m.
