Mr. Speaker I wish to request Hon. Ali Omar Shariff to second.

The Deputy Speaker: Yes Hon. Ali.

Hon. Ali Omar Shariff: I second Mr. Speaker.

The Deputy Speaker: I now propose that the Motion by Hon. Khamis on suspension of enforcement measures against goat - keepers in Majengo/Mwembe Tayari Ward be debated in this House. Yes Hon. Ahmed Khamis.

Hon. Ahmed Khamis: Ahsante Mheshimiwa Spika. Mswada huu nimeuleta si kwa njia ambao ni mbaya wala sijauleta kukosea mtu yoyote wala kukiuka maadili ya wananchi; ukiangalia mda mwingi zaidi ya miaka 30 ama zaidi biashara ya kuuza mbuzi iko kila sehemu si Majengo pekee yake, hata Mvita nzima na Mombasa nzima kwa jumla. Kwa hivyo naomba kama kuna njia mwafaka ambao twaweza tukapata nafasi ama mwelekeo kama kuna suluhisho ningeomba tuweze tukae chini na kitengo cha kutumikia jambo kama hili ili tuweze kusaidia wananchi.

Wananchi hao hao ndio waliotupigia kura na vile vile ni biashara wanajipatia kujikimu maisha yao na vile vile kulingana na nafasi za kazi zimepungua kwa hivyo ni jambo ambalo litawaendeleza kwa biashara yao kwa hivyo naomba jambo kama hili litiliwe mkazo na lisikizwe shukran.

The Deputy Speaker: Yes Hon. Hatimy.

Hon. Mohamed Hatimy: Ahsante Mheshimiwa Spika kwa kunipatia fursa hii. Mimi nasimama kuunga mkono hino hoja ilioletwa na Mheshimiwa kutoka Majengo, nafikiri itakua ni jambo la muafaka Mheshimiwa Spika ikiwa watu wataweza kukaa chini kuzungumza na kukubaliana kwani haiwezekani kuwa kutatolewa ilani, kitengo cha *Inspectorate* watakwenda wamefikiria kwenda kutoa mtu wamuambie mtu atoke tu bila ya kumpatia nafasi ya kumsikiza mwanzo halafu ndio akaangalia kama ni kuondolewa awe ameondolewa. Lakini nasikia kuwa...Mheshimiwa Spika nakuona ombi la Mheshimiwa alioleta hapa kutaka watu wakae chini, wakae wakubaliane ili jambo hili lipate kutatuliwa mwanzo na mwisho. Kwa hivyo naomba Nyumba hii watu watiliwe nguvu kwa sababu imefanywa huku kesho watakwenda kwa mwengine na mwengine hawa wafanyi biashara wa kuuza mbuzi ni wafanyi biashara ndogo ndogo na ikiwa sisi hatutoweza kuwasaidia basi naona kuwa wale wanaofanya biashara ndogo pia watakwenda na maji. Kwa hivyo naomba Nyumba hii sote tukubaliane ili kitengo cha *Inspectorate* izuie hio ilani iliotoka kwenda kutoa watu huko ili watu wakae chini wakubaliane. Ahsante sana Mheshimiwa Spika.

The Deputy Speaker: Yes Hon. Fatma Kushe.

Hon. (Ms.) Fatma Mote: Ahsante sana Mheshimiwa Spika kwa kuweza kunipa fursa hii. Mheshimiwa Spika mimi kama Mheshimiwa Fatma nimesimama kidete kuunga Mswada ulioletwa na Mheshimiwa Khamis Nyundo. Mheshimiwa Spika kwanza ni jambo la kusikitisha sana ikiwa mfanyi biashara mnyonge kama huyu ambaye anaweza kujikimu maisha yake kwa kuweza kuuza mifugo ili aweze kuendeleza maisha yake na familia yake kwenda kusumbuliwa. Mheshimiwa Spika sisi tulipigiwa kura na tukaahidi watu kwamba tutawapatia kazi; muuzaji mbuzi hauzi bangi wala hauzi mogoka ambao pengine itakuwa ni kilevi, mtu kama huyo anauza mbuzi na mbuzi mwenyewe ukiangalia hana faida kubwa. Leo hii Mheshimiwa Spika sisi ni viongozi na uongozi ni dhamana kesho kwa Mwenyezi Mungu tutakwenda ulizwa, maana yake natoa mfano, pengine yule mtu ana mke na watoto leo hii amekwenda kuondolewa pale, watoto hawawezi kustahamili njaa itabidi mambo mengine yafanyike mabaya na hujuma ile haitakuja kwa mtu mwengine kwanza itakuja kwako wewe, kisha kwetu sisi.

Kwa hivyo Mheshimiwa Spika naomba Jumba hili tuweze kuungana na mwenzetu ili tuweze kuwaangalia hawa ambao wanafanya biashara ya kuuza mbuzi ambao hawapati mapato ya kisawasawa na hawatusumbui pia sisi kutuambia kwamba tuwatafutie kazi ama tuwalipie karo za shule ama hawajakula. Mimi naona hiyo ni hujuma na naomba Jumba hili mimi najua lina nguvu kama Jumba jingine lolote lile haya mambo yaliyofanyika kama ni jana kama yalifanyika juzi yaweze kusimamishwa dakika hii. Mimi nikikaa chini Mheshimiwa Spika simu iweze kupigwa huko waweze kusimamisha haya mambo ili nyumba zisije zikaingia katika hali mabaya. Ahsante sana Mheshimiwa Spika.

The Deputy Speaker: Yes Hon. Ramla.

Hon. (Ms.) Ramla Omar: Ahsante sana Bwana Spika. Mimi nauunga huu Mswada pia kwa sababu imenigusa pahali pabaya; ukweli biashara hizi zilikua zikiendelea miaka mingi na pahali ambapo pamenigusa kwa sababu walemavu pia wako kwenye taabu hii wameondoshwa kwenye biashara zao za miaka mingi na najaribu kuleta suluhu sijapata suluhu ya kisawa sawa mpaka sasa. Hii mambo ya kuondoshwa kwenye biashara bila ilani yoyote *overnight* si uzuri kwa sababu wamregesha mtu nyuma...

(Applause)

...wamregesha mtu nyuma na miaka mingi na mtu ana majukumu yake. Kwa hivyo nauunga mkono huu Mswada na haya ya wale mavu pia naomba tutele suluhu kwa pamoja. Ahsante.

(Applause)

The Deputy Speaker: Yes Hon. Ibrahim Omondi.

Hon. Omondi: Ahsante sana Bwana Spika kwa kunipa nafasi hii mimi niweze kuchangia kuhusiana na suala hili ambalo limeletwa mbele na Mheshimiwa wetu hapa. Jambo la kwanza Wahenga walinena na wakasema ya kwamba, *Ukiona mwenzako ananyolewa wewe tia kichwa chako maji* na bila shaka nataka kusema hivi bila kuogopa ya kwamba leo hii tunasikia ngoma hii imeanza kupigwa kule Mwembe Tayari sehemu za Majengo itakuwa ni muda tu pia itakuja kupigwa kule kwangu. Na ndipo nasimama hivi kidete nikisema ya kwamba jambo hili likomeshwe mara moja na jinsi wenzangu wamesema ya kwamba watu waweze kukaa chini kama kuna kosa fulani ambalo limefanyika watu wajiadiliane ili tuweze kupata jawabu ambalo liko muafaka ambalo litafuata kutoumiza sehemu yeyote.

Pia nikiendelea kuunga Mswada huu mkono Bwana Spika ni kwamba Gavana wetu ametilia mkazo sana jambo hili la kusaidia hawa watu ambao wako na biashara ndogo ndogo katika Kaunti yetu ya Mombasa. Ukiangalia katika hotuba yake na sisi hapa tuko hapa kuisitiza ili yale malengo yote ambayo Gavana wetu alikuwa nayo yaweze kutimia lakini leo hii sisi wenyewe tena hatuwezi kukubali kuona ya kwamba hizi biashara ndogo zimeenda kugandamizwa na kuweza kuumizwa, ninavyozungumza hivi ni wiki mbili zimepita nami pia kule kwangu katika sehemu ya Wodi ya Airport wafanyi biashara wadogo wadogo ambao wamejitegemea kwa miaka mingi zaidi ya miaka ishirini kitega uchumi chao wamesomesha watoto kupitia ile njia, wamejenga nyumba na mambo mengi kupitia ile hali watu ambao wanatoa kutoka kwa mkono na kwa mdomo kitu kidogo sana ambacho wanapata, leo hii wanataka kuvunjiwa vibanda vyao kwa sababu tuko na bwenyenye tu mmoja ambaye yeye alikua akifanya kazi katika idara ya serikali, kwa sababu yeye alikuwa akifanya kazi katika idara ya ulinzi kwa hivyo akikohowa tu lazima aweze kusikizwa. Wanyonge wataenda wapi ikiwa tutakubali mambo kama haya yakifanyika kwa wananchi wetu wanyonge watakimbia wapi Bwana Spika?

Bwana Spika naomba tuwe na suluhisho la haraka hao watu wasimamishwe wawache waendele na biashara zao na tuwe na mazungumzo muafaka kuweza kufikia jawabu. Ahsante sana Bwana Spika.

The Deputy Speaker: Yes Hon. Ali Shariff.

Hon. Ali Shariff: Ahsante Mheshimiwa Spika kwa kunipa nafasi hii kuchangia hoja hii. Mheshimiwa Spika kama alivyotangulia kusema Mheshimiwa Ramla, hili jambo limemgusa mahali pabaya sana na mimi hili jambo limenigusa mahali pazuri sana. Kwa hivyo Mheshimiwa Spika naunga hoja hii kwa sababu mbuzi twajua faida ya mbuzi, twala nyama ya mbuzi sote. Tukitoka hapa Mheshimiwa Spika kama sisi waume, wake zetu wametupikia mbuzi nyumbani na Waheshimiwa wanawake sijui waume zao wanawapikia ama ni wafanyi kazi lakini sote twapikiwa mbuzi. Twafika kule hatujui mbuzi hao wametoka wapi, hatuulizi swali hilo, mkiondoa mbuzi wale tule nini! Tule nyama ya bata ama ya samaki? Kwa hiyo Mheshimiwa Spika naunga mkono kikamilifu na Mheshimiwa wangu Ahmed akitoka Majengo wakitoa mbuzi wale atakuja Tononoka na Tononoka ndio wamejaa mbuzi wale.

Kwa hivyo naomba Waheshimiwa wenzangu tuungane, leo ni Ahmed kesho ni nyinyi hata wale *nominated* pia naomba muamke muunge mkono. Ahsante sana Mheshimiwa Spika.

The Deputy Speaker: Yes Hon. Mwamwiri.

Hon. Mwamwiri: Ahsante Mheshimiwa Spika, mimi pia nitaunga mkono Hoja ya Mheshimiwa Nyundo kuhusiana na suala hili la kufurushwa kwa wafanyi biashara wa mbuzi maeneo ya Mwembe/Tayari. Mheshimiwa Spika nina wasiwasi na Mkurugenzi mwenye kutoa ilani hizi; sina hakika ya kwamba anazitoa kimisingi ya tajriba ya kazi yake bali na hisi zinatoka kwa chuki ama kwa msukumo wa mtu fulani.

Kwa sababu kama ni kanuni ya kuhusiana na jambo, inatakikana liwe sambamba katika Kaunti yetu nzima ya Mombasa, lakini unakuta hoja hizi ama ilani hizi zinawaendea wafanyi biashara wawili leo wanasambaratishwa baada ya mwaka anatafutwa mwingine swahiba wa fulani anapewa ilani sasa haipendezi kama Kaunti kufanya kazi kiubaguzi. Mheshimiwa Bomoa (Ibrahim) juzi alilia kwake kumepelekwa ilani kwa watu baadhi. Mwezi mmoja nyuma Likoni kuna ndugu yetu mfanyi kazi katika Bunge hili ana kibiashara chao ameweka *shade* alipewa ilani. Wakati katika barabara ile kuna biashara zaidi ya mia ambazo zote zimekuwa zina makosa sawia na kosa alilolifanya yeye lakini zilirukwa akapewa mtu fulani. Mheshimiwa Spika hawa wafanyi kazi wetu lazima tuwaangalieni kwa makini kwa sababu wengine naona wana nia ya kuhujumu serikali ya Mheshimiwa Gavana wanatekeleza majukumu yao pasipo na kanuni saa hii bali kwa mapendeleo na ubaguzi fulani. Hivyo basi kanuni hii iliopolekwa Majengo naunga mkono ya kwamba isimamishwe mara moja na tuweze kupata ufahamu wa Mkurugenzi yule kwa nini ameamua kuchukua hatua ile katika njia zisizo na muelekeo sambamba, njia za mikato mikato. Shukran Mheshimiwa Spika.

The Deputy Speaker: Yes Hon. Amriya.

Hon. (Ms.) Amriya Juma: Thank you very much Mr. Speaker. First and foremost I wish to reiterate the Motion on the suspension of enforcement measures. Mr. Speaker I wish to support that the enforcement measures be on a status call. However I wish to remind my dear Hon. Members that this is a House of procedures and laws and we should not be in a habit of making then breaking the laws. So in my opinion as far as it is, it seems that there has not been a fair administrative action because the receivers have not been given a chance to probably explain their positions and be given the chance to be heard, so that is also a variation of the law.

However we should give the enforcement agency an opportunity as well to give us for example to give us the reasons for the enforcement why they decided; is it a health issue, is it a sanitation issue? Because you realize they could be conflict of rights. Here we need rights of people to do free business and here there is a right of health of other people, right of proper sanitation, so we must have a balance of the rights.

Therefore in my opinion may be the Agricultural Committee can pick it up, get a report from the Enforcement Committee and see their written reasons why they came up with the enforcement and then may be put or bringing back in the House and we deliberate on that report, because it is important that if laws are made either here or other agencies that we have mandated or delegated to make laws on our behalf are respected and those laws after all if they are respected they must be followed and if there is any mitigating issues we should come across as in unison we should be in one tone rather than having in conflicting. So that is my humble submission but I agree that it should put on hold so that we solve the pertaining issue. Thank you so much.

The Deputy Speaker: Yes Hon. Renson Thoya.

Hon. Thoya: Ahsante Bwana Spika. Nasimama kwa kuunga mkono Hoja hii ya Mwakilishi wa Majengo/Mwembe Tayari.

Kwangu mimi nafikiri kufikia saa hii Mombasa imekuwa ndogo sana na ni lazima kuwe na mpango wa kubanana na tutaishi sote hapa Mombasa pamoja na kama ni lazima tutoke hii Mombasa twende kwengine utuambie ni wapi lakini wakati tutakuwa twaishi hapa tutaishi pamoja kivipi? Sasa suala muhimu hapa ni kivipi, lakini kama ukiamka ni ondoka! Ondoka! Ondoka twende wapi Mombasa ni yetu sote tutabanana papa hapa. Isipokuwa nyumba hii ni lazima ipitishe kama ni lazima wafugaji mbuzi, wafugaji ng'ombe waishi ndani ya Mwembe Tayari na Majengo kuwekwe na sheria vile ambavyo wataishi pale. Hiyo ndio tunataka kusikia, lakini mambo ya kunyosheana vidole, najua hizi kirauni za maaskari wetu wakiziona wanakimbia tunataka wapigaji kura wetu waheshimiwe na wajulikane kwamba wao ndio wamemuweka Diwani, wamemuweka Gavana ambaye ni Raisi mtarajiwa na ni watu wa maana sana. Lakini kwamba tuko hapa, huko maisha yako na wasiwasi kwa sababu kuna watu wanaitwa *Inspectorate* ni lazima wawape ile heshima na kama kuna tatizo hata yule Mwakilishi wa pale mbali na kutengeneza sheria ni mwakilishi wa wananchi ni lazima ahusishwe kikamilifu ili watu wakae pamoja.

Naunga mkono kwamba watu wakae pamoja kama pengine wale wafugaji mbuzi kuna sheria ambazo hawazifuati kikamilifu waweze kupewa wazifuate na kama mtu binafsi atakiuka hizo sheria basi atakuwa anabeba msalaba kama mtu binafsi lakini si watu wote waondolewe. Mimi naunga mkono na ninasema Mombasa tutaishi pamoja tutabanana mpaka pale siku ya mwisho itafika, ahsante sana

The Deputy Speaker: Yes Hon. Raphael Bwire.

Hon. Bwire: Thank you Mr. Speaker, i also beg to support the Motion of today raised by Hon. Khamis Nyundo, we all understand...

(Interruption)

The Deputy Speaker: Yes Hon. Hatimy.

Hon. Mohamed Hatimy: Do we have any Hon. Nyundo is this House.

Hon. Bwire: Ahmed Hamisi, thank you. Mr. Speaker we all understand that there is a provision that guides all Central Business Districts and we will have to revisit those provisions maybe one or two businessmen might have highlighted one and that's why actions have been taken against such people but Mr. Speaker the manner in which these people have been served with those notices it's so disturbing and that why you are seeing now the Hon. Member raising such before this House. I would wish to propose that all these people doing businesses outside there they are the taxpayers of this County, they are the Members of Mombasa County government and we need to treat them with a lot of respect, some of these businessmen like the one i know have been the great leaders even in this House and they are treating them like what we are doing today is not good. So i beg to support that we stop this for a while, they have dialogue and then agree which was to go, thank you Mr. Speaker.

The Deputy Speaker: Yes Hon. Samba Tobias.

Hon. Samba: Thank you Mr. Speaker for at least now you have seen how I have struggled for you to notice that am standing every now and then. The issue that has been brought before this House needs urgent measures that can tackle it and we have conclusive results at the end of it, this is not the first time that all these things are happening, somebody can just wake you in the morning and issue an order. First of all if you want to consider who instructed or who gave the permission for those people to operate there, that should be the genesis if you want to solve all these problems because we don't have adequate jobs or rather unemployment is a major issue at now.

Even our County government cannot employ majority of Mombasa residents and these people have resorted into the small businesses they have and i don't know whether some of you have seen these people while they are executing their duties, those Inspectorate behave rudely and whenever we want to deal with our colleagues that is why there is a difference human beings and animals, even animals sometimes can't be handled the way these people handle our people, and there is no power that superceded people, there is no power superior than peoples power and these are the same people who gave us these jobs and whenever there is an issue we have to represent them and my contribution is that we need to suspend not only this but any other directive that contravenes the law, even if it is a matter of starting afresh let this House be the first that is going to set a good precedence that will determine the future of Mombasa County. Thank you so much.

The Deputy Speaker: Yes Hon. Naliaka.

Hon. (Ms.) Wafula: Ahsante sana Bwana Spika kwa kunipa fursa hii na mimi niongeze sauti yangu kwa mjadala wa leo. Mimi nikiwa Mwanachama wa Kamati ya ukulima katika Bunge hili ningependa kusema hivi; sisi hapa tunafaa tuwe wenye kusaidia haswa hata vijana wetu kuwashawishi wakaweze kushiriki mambo na kilimo biashara, maana kwa sasa hakuna nafasi za kazi za kutosheleza kila mmoja wao lakini ikiwa tutaendelea na tabia hii ya kutaka kufurusha wale ambao tayari wanafanya biashara zao ndogo ndogo za ukulima tutakuwa tunawashusha moyo wale ambao hawajaanza na hivyo basi tutakuwa tunazorotesha ile hali ya kutokuwa na nafasi za kutosha za kazi.

Jambo la pili chakula ni kitu muhimu sana ile nchi ambayo haina chakula ya kutosha mara nyingi huwa fukara na inaishi katika ile hali ya kukopesha kila wakati, kwa hivyo Kaunti ya Mombasa ikiwa moja wa zile Kaunti katika nchi yetu ningependa kusema hivi tuanze na kuwajibika kuhusisha vijana wetu kwa hii hali ya kupata mapato kupitia kilimo biashara ili chakula kiwepo wasiweze kupata hata ile nafasi ya kuingilia hali ya mihadarati na mambo mengine yasiofaa katika maisha yao. Kwa hivyo tukiwafungia milango ya kuhusika ya mambo ya ukulima au kufuga mbuzi kwa mfano bado hatutakuwa tunawasaidia tutafaa tuangalie katika Mombasa ikiwa moja ya hizi Kaunti yenyewe ni kisiwani tu ambapo ni eneo dogo sana ambapo tusipokubali ya kwamba haya yote yafanyike kwa pamoja ukulima na kila mambo mengine tutakuwa sisi wenyewe tunajinyima nafasi ya kupata nyama haraka maana tutaishi katika ile hali ya kutaka kununua kwenye Kaunti zengine ambapo tutakuwa tunapeleka fedha zetu nje badala ya kukuza Kaunti yetu ya Mombasa. Kwa hayo machache naunga mkono Mswada huu.

(Applause)

The Deputy Speaker: Yes Hon. Nyiro.

Hon. Nyiro: Thank you Mr. Speaker, as I support this Motion i also want to add my voice in the happenings of things in this County especially whenever it come to enforcement of these rules and regulations and laws that we make in this House and elsewhere. There has been a behaviour and a tendency of guys who are supposed to be enforcing these laws and rules and I think it has become a source of revenue and income for these guys.

I remember today receiving very many calls from my electorates back in the Ward on the same issue of harassment in the name of enforcing the laws. It must be noted clearly that you can only hold someone responsible to a certain law if someone is made aware of it and if they are aware of it and they are breaking it literally then it is when we can enforce or we can force them to follow the law.

So as I support I want also to say that if there is a regulation that was passed that these people must be relocated or may be stop their businesses then I think the same permit should be provided to the House or to the Committee concerned so that they can have a look at it so that they can give a voice or they can also give a piece of mind about it. But this issue of harassing people especially in the name of enforcing laws is becoming paramount there those who go to the villages, they just go to the villages and trying to see whoever may be starting constructions and all these and they even don't tell them to follow up the law they only ask for money and I think may be this thing has come up because may be somebody was trying to solicit the funds from those goat-keepers and they don't want to give out the cash and this is what is bringing this issue.

So we should be able to go to the bottom root of it and we should also able to see how these laws are being enforced and this also must made to be aware in case this rules were passed in the other assembly or something like that we must be made aware because these people are ours and sometimes when this things are being enforced and we are not aware we become fools in front of them. So I suggest that we also get the same some laws that were used so that we can have a look at them and see which laws there being enforced on them as we also look on the matters of the harassment by inspectorate people who move all over the County soliciting for bribes and there is proves we can also bring names and name these people who do this activities on daily bases. I don't know if they are acting on whose instructions but there is a lot of soliciting in the ground in the name of enforcing laws so I think this House stand tall and stop these minuses. I thank you Mr. Speaker

The Deputy Speaker: Yes Hon. Feddis Mbura.

Hon. (Ms.) Mbura: Ahsante sana Bwana Spika kwa kunipa nafasi. Mimi naunga mkono mjadala huu na ningesema hili jambo tuweze kulisimamisha mara moja. Kwa sababu hakika sisi watu wa Mombasa tunatumia kilimo; kilimo biashara, kilimo cha ufugaji na huenda ikawa lafanywa hivyo tu kufurahisha mabwenyenye ambapo sasa twafurahisha mtu mmoja kwa kukosesha amani watu wengi na katika hali hiyo pia utakuta jamii nyingi itaweza kukosa kazi na pia uchumi utazorota na uchumi unapozorota basi wengi hujihusisha katika makundi hatari na hiyo huenda ikiwa wale wafungaji hata jamii zao ama hata watoto wao. Kwa hivyo mimi ningeomba tu njia muafaka itumike ili kila mmoja apate haki yake kwa wenye kuuza wauze bila shida na hata wale ambao wamenuia kuwaondosha pia nao watumia njia ambayo inastahili yaani njia muafaka kwao au kwa sisi wanaadamu. Ahsante sana Bwana Spika.

The Deputy Speaker: Yes Hon. Milka.

Hon. (Ms.) Ngare: Thank you Mr. Speaker in very few words I want to support the Motion that has been brought by my colleague on eviction of goat keepers from Majengo. I think any resettlement needs a gradual process to avoid conflict in the society and also to avoid the loss of business and customers. So if the goat keepers at Majengo are causing certain problems within the County CEC, I think the parties concerned need to meet, sit and do wide consultation, come to consensus and thereafter I think it the duty of the County Government to get alternative and suitable premises for these business people to hold their business.

Otherwise we are going to have a situation where we are going to cause chaos and it will be a tug of war between the businessmen and the law enforcers. So let it be a gradual process done according to the law and the people will also satisfied, so for now let the eviction process be suspended until proper premises or proper measures are taken into consideration. Thank you Mr. Speaker

The Deputy Speaker: Yes Hon. Ahmed Hamisi, respond on your Motion.

Hon. Ahmed Khamis: Ahsante Bwana Spika mimi nataka kusema nashukuru wote waliounga mkono Mswada huu na ambao hawakuunga mkono pia najua wote wanaunga vilevile pia. Haijalishi kuwa hajaongea ndiye haungi mkono kwa sababu hili jambo ni letu sote kama walivyosema viongozi wenzangu leo ni mimi kesho itawafika pia nyinyi. Kwa hivyo tushikane pamoja kwa jambo letu lolote likitokea tuwe kitu kimoja ndio heshima itapatikana na wananchi wetu pia watanufaika na watafanya kazi zao kwa usalama. Ahsanteni.

The Deputy Speaker: Hon. Members I now stand to put a question having seen that you've fully exhausted the debate on this Motion. I now put a question that the House has resolved that the County Government to suspend enforcement measures against goat keepers in Majengo/Mwembe Tayari Ward until discussions on the matter with them have been done and an amicable resolution is reached.

(Question put and agreed to)

And I also urge the Agriculture Committee to take charge on this issue the soonest possible. Yes Clerk.
