COMMUNICATION FROM THE CHAIR

CASA GAMES REGISTRATION

The Temporary Speaker (Hon. Willy Mutai): Honourable Members, you are hereby informed that the CASA Games preparations for the year 2023 are underway. You are hereby asked to register the sports discipline you intend to undertake, tracksuits and shoe size with Mr. Jacob Kesendany, Clerk Committee on Culture, Sports and Community Services in the first floor, clerks' office.

Hon. John Maritim: Mr. Temporary Speaker sir, we did not hear what you are telling us. Kindly repeat loudly.

The Temporary Speaker (Hon. Willy Mutai): Thank you Members. As per the request of the Honourable Member, let me read and expound on the Communication.

Honourable Members, you are hereby informed that CASA games preparations for the year 2023 are underway. You are hereby asked to register the Sports Discipline you intend to undertake, tracksuits and shoe size with Mr. Jacob Kesendany, Clerk Committee on Culture, Sports and Community Services in the First Floor, Committee Clerks' Office.

To expound on the same, you realise that in our calendar, we have sports and we had requested before that you register. I want to believe that you are going to confirm the Discipline that you are going to participate in and more so, we also want to change the sports because possibly when you registered, you had not developed a certain interest in a certain Discipline so you are requested to make the necessary changes and you also present the sizes of the tracksuits as well as the shoes that you want. We want to prepare adequately for this competitions that are ahead. I believe I am now clear.

What is it Hon. Muraya?

Hon. Mwangi Muraya: Thank you Mr. Temporary Speaker sir. I would want to ask, how many games one is supposed to register with the Clerk because there might be a variety of games and maybe we might be limited to some.

Honourable Members that is a very great concern from Honourable Muraya; at least two games and we encourage each and every individual, regardless of any challenge, be it weight or tenderness, to register at least two games.

ADJOURNMENT
