

MOMBASA COUNTY ASSEMBLY**HANSARD REPORT**Wednesday, 20th January, 2016

The House met at 2:34p.m.

*(Mr. Speaker (Hon. Thadius Rajwayi) in the Chair)***PRAYERS****Mr. Speaker** (Hon. Rajwayi): You may have your seats Hon. Members, yes Clerk.**MOTION**

Yes Hon. Sarah Nyamvulah.

*(Hon. (Mrs.) Nyamvula moved the Motion)***ESTABLISHMENT OF A NO-PARKING ZONE IN AND AROUND COAST GENERAL HOSPITAL**

THAT AWARE that Coast General Hospital is a critical level 5 health facility which handles patients from within and outside the County;

CONCERNED THAT there is a growing tendency for heavy trucks and other vehicles to carelessly park adjacent to the health facility thus obstructing patients, medical staff and other pedestrians from accessing and exiting from the facility;

I therefore urge this County Assembly to resolve that;

The County government to establish a no-parking zone around the Coast General Hospital to enable ease of access by patients, medical staff and pedestrians, thank you.

Mr. Speaker (Hon. Rajwayi): Hon. Nyamvula, remember you are moving a Motion, yes Hon. Wangudi what is it, are you coming in to, not unless you were proposed by Nyamvula. Yes Hon. Nyamvula.**Hon. (Mrs.) Nyamvula:** Thank you Mr. Speaker. I wish to move this Motion and I kindly request Hon. Wangudi to second the Motion, thank you.**Mr. Speaker** (Hon. Rajwayi): Hon. Stephen Wangudi.**Hon. Wangudi:** I second.**Mr. Speaker** (Hon. Rajwayi): As many as of the opinion that the Motion on establishment of a no-parking zone in and around coast general hospital be debated in this Honorable House in the same terms as moved.*(Question put and agreed to)*

Yes Hon. Nyamvula.

Hon. (Mrs.) Nyamvula: Thank you Mr. Speaker, first I take this opportunity to thank Hon. Mary Akinyi for bringing to the House this Motion in the morning and I was not able to do so. Mr. Speaker *katika wakati wa kuwa kuna likizo ya Bunge ilikuwa ni likizo lakini likizo yetu huwa ni kwenda mashinani na kuangalia matatizo kadha wa kadha.**Mheshimiwa Spika nilikuwa na haja ya kutembelea mgonjwa pale hospitali Coast General na nikatumia ule mlango wa Rahmtullah na kilichonishangaza ni kuona ya kwamba na pia kwanza nikumbushe Bunge hili ya kwamba Mheshimiwa mama Kaunti Dharwesh alikuwa ashaleta malalamiko ya kwamba magari katika mtaa wake yanaegeshwa vibaya na kuna msongamano ya kuwa watu wamefungua mabiashara tu hawana vibali vya kuweka magari na kwa kweli Mheshimiwa Spika nilipofika pale niliona na jambo lililonitatiza ni kuwa nyuma ya kama naweza kuruhusiwa, nyuma ya nyumba ya Mheshimiwa mama Kaunti, mama Dharwesh ni kwamba kuna gereji mpya yana magari makubwa ma trela, na wakati akileta hayo malalamishi yalikuwa yakiingia na kutoka lakini sasa ukivuka bara bara upande huu mwengine ambapo ni mahali ya kwamba watu wanapita kwa miguu na vilema wanaweza kupita na sasa ile gereji inatumia ile mahali kukeza magari yao. Si magari madogo Mheshimiwa Spika ni malori yamewekwa na nina uhakika mwenyewe anapewa ndogo ndogo*

pale wodi na ukivuka ile bustani ni wodi za Rahmtullah, Rahmtullah wako na wodi zao pale wanalaza wagonjwa pale ndio pale magari yamewekwa.

Mheshimiwa Spika hili lilinifedhehesha sana maanake mgonjwa niliyeenda kumuangalia alikuwa upande ule wa Rahmtullah, magari yakitoka yakirudi wakiekeza hivyo wakati saa nyengine wataka kufanya kazi zao ndogo ndogo petroli yamwagika mwagika pale na nikaona ni vyema nililete hili jambo nikikumbuka kuwa Bunge hili lilikuwa lishapitisha ile tunaita Mombasa County road ilikuwa ishapitishwa na kama ilipitishwa iko kule kwa naibu na sioni kama wanaendelea hata ndio wanajitandaz na ule mtaa kusema ukweli umejaa; kuna kitu tunaita wanaotembea na wananyimwa haki zao wanaopita pale na wenzetu walemavu wananyimwa haki zao maanake lile gari limejitandaza pale kwenye bara bara na wale ambao wana wagonjwa wakitaka kuenda mbio pale pia kuna hatari. Sasa imekua, kama nataka kupeana mfano tulikuwa wakati wa 2004/2007 nilikuwa kama Mwanachama wa bodi na ile bustani ambayo imejengwa Allidna ni sisi tulijenga chini ya wakati huo ikiwa Executive Dkt. Shikeli malori yalikua yamejaa sana tukaona tutengeneze bustani ambayo watu wanaweza kupumzika lakini sasa ile bustani nayo kwa hio Mheshimiwa Spika naomba nikisikitika kwamba ni muhimu zile sheria zitekelezwe kwa sababu hospitali kama ile harufu ya petroli, wanagonga vyuma, mtu ni mgonjwa anasikia magari saa nane, saa tisa za usiku yanaingia yakiegeshwa, yakitoka, kweli huyo mtu atapona? Wacha hao walio wagonjwa, kuna hao nyumba zao huwezi ona hata nyumba yako Mheshimiwa Spika, ni kweli twahitaji wawekezaji na tunahitaji kwa sababu wanapatia vijana wetu kazi lakini inafika wakati hizi sheria tunazopitisha hapa zitekelezwe na ndio mimi leo naomba kwanza kuelezwe leseni yake iko ndani ya gereji yake kwa nini anawekeza gari yake kwa barabar ya wapita njia ya hospitali? Hio ndio la muhimu Inspectorate wetu wanasifika sana lakini pale nakumbuka palikwenda kuvunjwa vibanda na kama kweli vibanda viko ovyo ovyo vilikwenda vikavunjwa mbona hii gereji imeachiliwa inaweza kuegesha magari makubwa makubwa? Wao waliovunja vibanda vile hawaoni yale magari?

Mheshimiwa Spika ni la muhimu sana ama tufanye mchezo kila sehemu za pavement Kaunti ya Mombasa itawekwa gari; Kaunti ya Mombasa inatumia pesa nyingi sana kutengeneza pavements wanaweka walio maskini wanatembea ambayo lakini ikiwa tutaacha hio bara bara lakini wenye malori na wenye tuk tuk tunawahitaji lakini sheria zitekelezwe ili kila mtu apate haki yake ya kutumia bara bara inavyotakikana. Mheshimiwa Spika ahsante na ninaomba wenzangu waniunge mkono.

Mr. Speaker (Hon. Rajwayi): Hon. Zainab Said Ali.

Hon. (Mrs.) Zainab Said: Ahsante sana Mheshimiwa Spika kwa kunipa hii nafasi, ni kweli Mheshimiwa yale uliyoleta na hayo magari yako pale (*Inaudible*) sasa yale magari, yale ma trela yameongezeka pale kutoka Fayaz mpaka Allidina, mpaka shule ya Allidina hayo magari ndio yametuchongea mpaka hoteli zikavunjwa pale na hilo gari analosema liko pale Rahmtullah, ni trela ya kichwa alafu mgongo wake ndio umepakiwa pale na kuna mateja huketi pale usiku wakakaa kwa vile viti, pana mlango magari yaingie ndani lakini kukaa pale si sawa, kuna wagonjwa wengine wa moyo hawawezi pumzi mbaya lakini malori yale kukaa pale ni shida. Kwa wale wagonjwa pale kuna pavement na gari limepakiwa hapo, na ukisema nao wanasema sisi twalipa sijui wanalipa wapi, kuna msikiti pale (*Inaudible*) wakija malori na matrela yashaegeshwa sasa (*Inaudible*) nakuomba Bwana Spika (*Inaudible*) maanake ikiachiliwa hivi ndio itaendelea (*Inaudible*) alivyosema Mheshimiwa pale pamekuwa choo cha (*Inaudible*) mwenye haja huja pale. Kwa hivyo Bwana Spika nakuomba nenda kuzungumze na hao watu wa (*Inaudible*)...

Mr. Speaker (Hon. Rajwayi): What is it Hon. Mswabah can you continue Hon. Zainab, allow Hon. Zainab to finish.

Hon. (Mrs.) Zainab Said: Sasa Mheshimiwa Spika nakuomba uwachukulie hatua uwaambie wawachukulia hatua ... (*Inaudible*).

Mr. Speaker (Hon. Rajwayi): Hon. Kasagamba is out of order, yes Hon. Mary.

Hon. (Ms.) Akinyi: Ahsante Mheshimiwa Spika nami nimesimama kuunga mkono jambo ambalo limeletwa na Mheshimiwa dadangu Serah Nyamvulah, kwa kusema kweli hayo malori ambayo ni makubwa makubwa ni vyema yatolewe katika hiyo *pavement* ambayo yanasimamishwa hapo kwa sababu yakiwa yamesimamishwa hapo hata watu wanalala mle chini ya yale malori, na hao watu wanaolala chini ya hayo malori hawajulikani ni kina nani kwa hivyo hata kama mtu anaenda kuleta mgonjwa wake hospitalini ama kama ako karibu kuzaa, mtu anaweza kutoka mle ndani ya lori ambae hata hajulikani na anaweza kutendea wengine kibaya. Kwa hivyo ni vyema tuzibe ufa tusije tukajenga ukuta, zile lori ni vyema zitolewe na Mheshimiwa Spika hizi lori zinapokaa katika *pavement* ni kama ni ishara ya kuwa imewekwa ya watu ambao watakuwa... nasema pole ikiwa natamka hili jambo kwa sababu wanaume wakiwa wanaenda choo hawachuchumai...

(*Interruption*)

(*Laughter*)

Mr. Speaker (Hon. Rajwayi): Yes Hon. Fadhili.

Hon. Mwalimu: Mheshimiwa Spika, sijui Mheshimiwa anamaanisha nini akisema wanaume wakienda chooni hatuchuchumai. Mheshimiwa Spika hio ni kudhalilisha Waheshimiwa wanaume ambao tuko ndani ya Bunge hili na sielewi kwamba Mheshimiwa Mary huenda pamoja na sisi kule kwenye kujisaidia ndio ajue tunachuchumaa ama hatuchuchumai...

(*Laughter*)

Hon. (Ms.) Akinyi: Mheshimiwa Spika natumahi nimesema pole sana wakati nasema hili jambo kwa sababu wanaume wakiwa wanaenda haja ndogo hawachuchumai, wakati wanapoenda haja ndogo inaleta hata harufu mbaya kabisa hata yale maua ambayo yanamea pale kando ya hospitali yanachomeka kwa sababu trela imeziba ile njia sasa.

Mr. Speaker (Hon. Rajwayi): Hon. Murfad what is it?

Hon. Amur: Mheshimiwa Spika ni maumbile ya mwanamume yanajulikana Mungu alivyo tuumba ni kweli huwa twashika bunduki, lakini hata kina mama wana *style* zao wanaweka miguu huku na huku wakifanya kazi yao...

(*Laughter*)

Kwa hivyo hata isije mambo hayo, mjadala ulioko hapa ni vipi tunaweza kushirikiana kuondoa yale malori, haya mambo ya kuingilia haja ni yanaingia vipi mjadala, ni kuwa vipi tutaweza kutoa yale malori Mheshimiwa, ahsante sana.

Mr. Speaker (Hon. Rajwayi): Yes Hon. Mary Akinyi.

Hon. (Ms.) Akinyi: Ahsante Mheshimiwa ndiposa nilikuwa nasema hizi lori ambazo zinakuwa katika *pavement* kwa sababu ndo inakuwa kivutio cha watu wanapokwenda haja wanapata kitu ambayo inawaziba sasa wanaenda haja vile wanavyo hitaji. Kwa hio mimi Mheshimiwa Spika naongezea kuwa haja ndogo ambayo hata kubwa pia wanakunya pale inachoma hata ile mimea pale maua ambayo yako pale kuwa panaonekana vizuri, panaonekana yale maua yamechomeka hata na kama mtu ni mgonjwa wakati mwengine ukiwa ni mgonjwa ukiwa na mafikira yako mawazo mrngi wakati mwengine unashauriwa uangalie yale maua ili uweze kutoa yale mawazo na uweze kupona lakini kama sasa kama hizo lori ndio zimefanya kizibio watu wanaenda haja pale wanachoma yale maua mimea ambayo iko hapo badala ya mgonjwa kuendelea kupona ni kama wanaongezea mgonjwa magonjwa. Ahsante Mheshimiwa Spika.

Mr. Speaker (Hon. Rajwayi): Hon. Lucy Chizi.

Hon. (Ms.) Chireri: Ahsante sana Mheshimiwa Spika mimi pia namuunga mkono hoja ilioletwa mbele yetu na Mheshimiwa Serah Nyamvulah. Mheshimiwa Spika...

(*Interruption*)

Hon. Mwalimu: Hon. Speaker point of order!

Mr. Speaker (Hon. Rajwayi): Hon. Fadhili can you use the microphone.

Hon. Mwalimu: Mheshimiwa Spika huo ni ukosefu wa nidhamu wa hali ya juu; unapoingia hapa ni sawa umeingia ndani na korti, (*Inaudible*) Mheshimiwa hio ni kudhalilisha Bunge hili na naomba iwe mfano kwa wengine wasije kufanya mambo kama hayo. Mheshimiwa Spika kuna wakati tulikwenda kusikiza kesi ya Mheshimiwa mmoja kwa sababu ya (*Inaudible*) twaomba ichukuliwe hatua (*Inaudible*) Mheshimiwa, ahsante.

Mr. Speaker (Hon. Rajwayi): Honorables I think that (*Inaudible*) and we really need to integrate it further so (*Inaudible*) before coming to the House and to the Honorable Member whose gadget has made the unnecessary noise (*Inaudible*) otherwise Hon. Lucy Chireri you may continue.

Hon. (Ms.) Chireri: Ahsante sana Mheshimiwa Spika nilikuwa nasema nampongeza Mheshimiwa Nyamvula alielea hoja hili kwa Nyumba, amefanya kazi nzuri kwa sababu wagonjwa pia wako na haki zao ambazo sisi (*Inaudible*) kuelekwa kwa magari pale inaleta kelele pale kwa wale wagonjwa; badala ya mtu akae pale atulize akili anasikiza kelele za magari. Mheshimiwa Spika kwa upande mwingine ile hospitali hubeba wagonjwa wa Kaunti zote hizi za mkoa wa Pwani; wengine huletwa pale wakiwa wako hali mahututi, badala ya kuwa waletwe moja kwa moja ukifika pale ambulensi inabidi isimame kwanza itafutiwe mahali pa kuingia ili mgonjwa aingie hospitalini, hakuna nafasi Mheshimiwa Spika kwa sababu ile hospitali pale ilipojengwa si ruhsa ama wale ambao wametengeneza zile nini zao za kugesha magari si halali kwa sababu wako karibu na hospitali, upande mwingine (*Inaudible*) magari yale yamewekwa pale lakini ikifika usiku hua ni nyumba za watu, wengine kuna waizi, wengine kama tunavyosikia hao watu (*Inaudible*) wananyanyasa wasichana wetu. Mheshimiwa Spika jambo hili lazima liwekwe maanani sana twaweza tukafanya vile kumbe watu wetu wanadhulumika. Kwa upande mwingine Mheshimiwa Spika ile ni njia ya watoto wa shule wanaenda katika shule lakini utakuta watoto (*Inaudible*) pale wengine hata saa ingine wanajificha (*Inaudible*) mtoto amechelewa skuli anajibanza kwenye lori ili mda ufike aweze kwenda zake.

Mheshimiwa Spika swala hili lazima tuliangalie kimakini hatua ya sheria kama serikali ya Kaunti tuweze kuchukua hatua ambayo itaweza kusaidia wananchi waketi pale itaweza kusaidia wagonjwa waketi pale, ili waweze kupata afueni kuliko wazidi kudhulumika na kudhalilika kwa sababu ya yale magari yaliyoko pale. Tunajua pia kuna *pollution* ambayo imetoka pale badala ya kuwa (*Inaudible*) inazidisha pia magonjwa pia ndani ya hospitali, kwa hiyo naomba Bunge hili tuweke sheria ambayo itaweza kusaidia watu wetu, ahsante sana.

Mr. Speaker (Hon. Rajwayi): Yes Hon. Saad Faraj.

Hon. Faraj: Ahsante sana Mheshimiwa Spika. Mwanzo kabisa ningependa kushukuru Mheshimiwa Serah Nyamvula kuleta Mswada kama huu katika Bunge hili kwa sababu naelewa nimpakani wa kwangu na mwenzagu Mheshimiwa Murfad Amur mara nyingi kuna utata kutaka kujua pengine labda ni ya ndugu yangu Amur ama ni yangu mimi lakini kiukweli kabisa kuna shida na shida lazima iangaliwe suluhisho. Mheshimiwa Spika ukiangalia tu upande wa kuwa wa siasa ya kuogopa kuudhi wengine haisaidii lazima tuzungumze haki moja kwa moja kwa manufaa ya Mombasa nzima na kiukweli ni kuwa hospitali iko pale, na hospitali ilikuwa mwanzo kabla ya yale magereji. Magereji yalikuja baada ya kuwa hospitali imefunguliwa eneo hilo, kumaanisha ya kuwa hauondoi kile kitu ambacho ni asili ukakiacha kile kitu ambacho kimekuja kwa juu na hospitali ina wagonjwa kama Mheshimiwa mwenzangu alivyotangulia kusema na sehemu yoyote ambayo ina matengamano na hospitali ama sehemu ya kutibu ni lazima iwe na jambo moja la muhimu ambayo ni amani, usalama na kutokuwa na huhusan katika maswala ya (*Inaudible*) kutumika katika kurekebisha magari, na pale ukipita mchana kuna kelele ukipita jioni bado pana kelele kwa sababu ni watu wameleta yale malori lakini wamekataa kununua ma yadi kuenda kutengeneza magari yao katika sehemu kama zile iwe ni halali, iwe ni haramu kuhakikisha

kuwa wamefanya biashara zao huku wanawapatia shida wagonjwa na wananchi wanaokuja katika hospitali ile na pia kuwapa shida wa eneo lile mmoja wapo akiwa mama yetu Mheshimiwa Zainab Said Ali.

Kwa hio tatizo lipo na suluhisho pia lipo lakini Mheshimiwa Spika yote umeongea ya kuwa hapa katika Bunge letu kuna sifa ya kupitisha vitu vizuri lakini sifa hio inabakia katika kupitisha peke yake ikifikia katika ile hali ya kutenda kazi huwa hatuoni yale mambo yakifanyika kama vile tunapo pitisha katika Bunge hili, na sisi tunawajibika kama wawakilishi wa mashinani ikiwa watapitisha sheria ama pitisha Mswada ama jambo lolote hilo lakini ikifika maswala ya utekelzaji ambayo ni jukumu letu inakuwa tatizo.

Kwa hivyo Mheshimiwa Spika naomba chini ya uongozi wako uweze kutupatia kipao mbele tuliangalie kwa makini swala hili baadhi ya mambo ambayo tumepitisha ili yaweze kufanywa utekelezaji ndio kule chini mashinani sisi kama wawakilishi tuwe na sauti na serikali ya Kaunti iwe na sauti mpaka Mheshimiwa Gavana Hassan Joho pia kazi iwe na matokeo. Kwa hivyo Mheshimiwa Spika majukumu ya watekelezaji yako wazi sisi yale tumetenda na twaomba Mwenyezi Mungu nao akaweke roho za imani wao pia waweze kutekeleza majukumu yao, ahsante.

Mr. Speaker (Hon. Rajwayi): Yes Hon. Mswabah Rashid.

Deputy Speaker (Hon. Mswabah Rashid): Ahsante sana Mheshimiwa Spika mimi pia nasimama kuunga mkono Mswada huu ulioletwa na Mheshimiwa Serah Nyamvulah. Mheshimiwa hospitali inatakiwa iwe katika kwa kiingereza inaitwa *serene area* yani maeneo ambayo kuna utulivu, Mheshimiwa ukiangalia hospitali zetu zote zile zina sifa kama spitali ya Pandya, Mombasa na Aga Khan...

(Interruption)

Mr. Speaker (Hon. Rajwayi): Yes Hon. Ahmed.

Hon. Faraj: Mheshimiwa samahani kidogo kwakukatizia lakini naona Mheshimiwa Mwabashiri hasikii vizuri amekuwa mgonjwa tangu aingie sasa namuombea kwa niaba yake kwa sababu namuona ametaabika sana kwa sababu amekuwa akinilalamikia kichwa tangu asubuhi na tumbo, ahsante sana Mheshimiwa Spika.

(Laughter)

Mr. Speaker (Hon. Rajwayi): Yes Hon. Mswabah continue.

Deputy Speaker (Hon. Mswabah Rashid): Ahsante, nafiri labda Mheshimiwa Spika angepelekwa hospitali, sasa nilikuwa nasema hospitali zote zinatakiwa ziwe katika maeneo yametulia; nimetaja baadhi ya hospitali maarufu hapa mjini ambayo ni Pandya, Mombasa, Aga Khan, Mewa, hospitali zote hizi Mheshimiwa ziko katika sehemu ambapo kuna utulivu na hakuna magari makubwa yaliyoegeywa katika maeneo yale. Kwa hivyo Mheshimiwa Spika mimi naona kuna tabia ya kudharau vyombo vya dola, naona hapa kuna matatizo kidogo leo watu wameuwa wagonjwa sana...

(Laughter)

Kutaja hospitali inafanya watu wagonjwa, kwa hivyo Mheshimiwa Spika naona hii ni dharau, naona watu wanadharau vyombo vya dola kwa sababu Coast general ni ya serikali, ni hospitali ya serikali na ndio maana watu wanaidharau wanaekeza magari kando kando ya hospitali hiyo mbona hawaekezi magari hospitali ya Aga Khan ama Pandya, wao wanachagua hospitali ambayo ni ya serikali na serikali ina viombo vya dola. Kwa hivyo hii naona kama ni dharau kubwa sana, kwa hivyo naona Mheshimiwa Spika hawa watu wachukuliwe hatua kubwa sana, ahsante sana Mheshimiwa Spika.

Mr. Speaker (Hon. Rajwayi): Hon. Amur.

Hon. Amur: Ahsante sana Mheshimiwa Spika Mswada ulioletwa hapa ni Mswada ambao *(Inaudible)* lile ambalo lanitatiza mimi akili yangu ni kwamba sheria za nchi hii ziko, ukiangalia sheria ya serikali kuu *Traffic Act* iko sheria ya serikali za Kaunti iko, kuzembea itatokana na vitengo vyetu wenyewe za serikali kuu na serikali ya Kaunti, ikiwa watu

watawajibika kwa ukamilifu au tukubaliane kuwa bara bara zile zipigwe rangi ya manjano kumaanisha hapa haparuhusiwi kugesha magari na tuwe na watu ambao watakuwa wakizunnguka kukamata magari yale sidhani kama mwenye gari ataweza kubali kushikwa na kupelekwa kortini na faini ya elfu kumi kesho ashikwe atoe faini ya elfu kumi hatafanya vile lakini kwa sababu sheria zile ambazo tunatunga na tunapitisha ndani ya Bunge hii ikifika wakati wa kutekelezwa shida ni utekelezaji wa sheria, sheria zipo ni sisi kusimama imara tuhakikishe sheria zinafuatwa, ikiwa sheria itafuatwa na kuwe hakuna *short cut* kwa sababu kila siku tunasema sio leo ashikwe mwenye lorry alafu Mheshimiwa atoke ati huyo ni mtu wangu Mheshimiwa mwengine huyo ni mtu wangu. Lazima tukubali kuwa sisi ni viongozi na viongozi tunapoamua jambo basi tukubaliane kwa sauti moja kuwa jambo hili litendeke lakini tunaimba hapa kila siku na watenda kazi hawatendi itakuwa sisi twapiga kelele kila siku hapa Mheshimiwa Spika utenda kazi wa vitengo vya Kaunti ifanye kazi yake, upande wa serikali kuu ifanye kazi yake inajulikana wazi kwamba yeyote anayeegegesha kwa bara bara akipelekwa kortini faini yake shilingi alfu kumi, ikiwa tutatenda kazi kikamilifu wizara zetu zitawajibika hio itakuwa ni sawa kwa sababu hakuna anayeweza kulipa shilingi elfu kumi kila siku, ukweli wa mambo ukiangalia lakini ikiwa sisi sheria zetu hazitakuwa itakuwaje kama watekelezaji ukiwapatia sheria zile hawawajibiki basi itakuwa bure lakini tukiwa watekelezaji hawatekelezi majukumu yao (*Inaudible*) Mheshimiwa Spika ahsante sana.

Mr. Speaker (Hon. Rajwayi): Well can I call upon Hon. Nymvula to respond.

Hon. (Mrs.) Nyamvula: Ahsante sana Mheshimiwa Spika nataka kuwashukuru Waheshimiwa kwa kuchangia hoja hili na kuniunga mkono huu Mswada. Mheshimiwa Spika mambo machache yamejitokeza katika hilo tatizo; ni kweli kwamba sheria tunazo, kuna sheria zile za trafiki, kuna sheria ile ambayo tuliipitisha na ni kweli tunakubaliana kwamba tulipofika kilichobaki ni utenda kazi kwa kizungu ni *implementation* na tunaona kwamba mambo mengi kama vile ambavyo ulituaambia jana tulipitisha sheria karibu 30, tulipitisha Mswada tarehe 18 lakini utenda kazi umekuwa una shida kidogo lakini tulipofika hivi sasa tunaona ni muhimu kama tutainuka kuweza kusukumana kwenye utenda kazi, basi twende tupunguze. La pili ni kwamba tumeona madhara Mheshimiwa Spika madhara makubwa ni kwa wale wagonjwa ambao wanahitaji kama vile Naibu Spika alivyosema ni kwamba wagonjwa wanahitaji mahali kimya sana, mgonjwa hataki ile fujo, hataki hata redio na pale chuma kinagongwa. Kwa hivyo malori yale tuyaondoe, ya tatu ni kwamba kama vile Mheshimiwa Lucy Chizi alivyosema ni kweli na hii imehakikishwa wakati malori yanaegeshwa pale ukahaba unafanyika mle ndani na la kusikitisha ni kwamba ukahaba wakutumia hata watoto wadogo. Kwa hivyo pale kuna hatari ya kwamba usiku usiku watoto wanachukuliwa, usifikirie tu ni wa watoto wa kike hata watoto wa kiume watoto ambao wanaweza kubebwa ukahaba ukaanza pale pole pole na uchafu wa kila aina, ukweli Mheshimiwa Spika mimi nashukuru nasema ahsante kwa wenzangu na nawomba waniunge mkono lakini tatizo hili ni tatizo ambalo tukimalizana na hapa lazima tuangalie karibu Mombasa nzima. Kuna wakati Mheshimiwa Spika pale steji ya Bamburi kona ya steji ya Bamburi kuenda Kiembeni kuna yani *road reserve* nzuri sana kuna wakati mimi nilistaajabu kukutana na malori mengi sijui kama wenzangu waliyaona ya nchi nafikiri ya Rwanda ama Bujumbura yalikuwa yamepaki pale mimi nikanusanusa nikaambiwa yale malori yanangoja kwenda kujazwa petroli huko Bandarini lakini kwa sababu sasa kuna mtu ameagizia na wameweka pale, wameweka pale kama siku moja nikipita tena pale yakawa yamepotea.

Sasa inaonekana kuna kampuni ambazo zinafunguliwa lakini wanapofungua hawaoni umuhimu wa kutafuta viwanja vya kupaki, kwa hivyo Mheshimiwa Spika hili ni la dharura kuona kwamba si kuvunja vibanda tu ama kwenda kushika matatu tu ama kuzindua kitu chako tu lakini pia kuona inatengenezwa kwa wale wa kupita na mguu yule ambaye ni mlemavu anahitaji hio nafasi, naomba wenzangu muniunge mkono, ahsante Mheshimiwa.

(*Applause*)

Mr. Speaker (Hon. Rajwayi): Thank you so much ladies and gentlemen that was a very interesting debate and one aspect that was raised by Hon. Lucy Chizi Chireri actually has made me to also remind you that Makadara hospital is not only serving the people of Mvita constituency; infact it came out that Hon. Ahmed (*Inaudible*) whether it is in Tononoka (*Inaudible*), the truth of the matter is that particular hospital serves the entire coast region and we are expecting a good number of people to be visiting that place (*Inaudible*) believe me that in one way or the other you have noticed this and some people somewhere actually took time to do that and am afraid that at this particular point of time we are almost leaving our crossing road.

You know you have three most important stages of (*Inaudible*) and learn to ask yourself what will happen if your friend cannot learn, either he is not prepared or (*Inaudible*); I doubt whether there are any technical problems, God has kept you healthy so there is nothing (*Inaudible*) (*Inaudible*) ladies and gentlemen (*Inaudible*) can decide to say I am not having you, it means you can decide to have what you call an emergency landing instead of landing at the Moi International airport of Mombasa you decide to fly to Austria and (*Inaudible*) so this particular small issue we call them the (*Inaudible*) matters, they actually define what you are going to be tomorrow because if we clear Makadara hospital all the (*Inaudible*) until we also become victims for us to be clear and let us not also wait for the executive Members or any other person to do it, as long as we have policies i want to see a scenario where we join hands and say let us have our inspectorate, one Saturday you just say let just carry all these things and take them to wherever they belong. In that way I tell you first of all you are learning (*Inaudible*) is going to (*Inaudible*) am sure of it and another thing when you see it has been done.

Hon. Amur said something that is very true somebody has done something that has actually (??) it is even bringing more problems to us, the same government (*Inaudible*), I want to believe (*Inaudible*) and I also say that in your absence what you see is what you get, are you going to be blaming the national government? Are we going to leave a legacy of saying the executive Member of that department has not responded? The people out there will not listen to that..., what they see is that one who actually pushed for certain things to actually be implemented, that is the person to report to today and am not afraid to say the name County Secretary that we have his popularity is growing very much simply because he has come to be known as a (*Inaudible*) person, if he is moving and going to the ground why are we not moving and going to the ground, which policies is the name (*Inaudible*) using that the previous one does not have, same seat, same (*Inaudible*) so we must change and see how can we go out and implement this issue. Infact I will be so much happy as the Speaker to be informed by tomorrow that by the time we will be leaving here something is already done, because why is it not done to private institutions, why is it that is is the only government institution that is misused, it is simply because (*Inaudible*) and this will add you marks, leave alone anybody else as you as an individual and we want to celebrate all of us as tomorrow as we do (*Inaudible*) actually being the government to the people of Mombasa. (*Inaudible*) otherwise ladies and gentlemen allow me to put this into question that the Motion by Hon. Serah Nyamvula on establishment of a no parking zone in and around Coast general Hospital be approved by this House.

(Question put and agreed)

Next, Clerk?

(Applause)

ADJOURNMENT

Ladies and gentlemen this House stands adjourned until tomorrow afternoon.

The House rose at 3:23p.m.
