

**COUNTY ASSEMBLY OF MOMBASA
THE HANSARD**

Tuesday, 28th February, 2023
Third Assembly – Thirteenth Sitting

*[The County Assembly met at 10:18a.m. at the County Assembly Buildings]
[The Temporary Speaker (Hon. Abdulrahman Abdulkadir) in the Chair]*

PRAYERS

The Temporary Chair (Hon. Abdirahman Abdulkadir): Yes Clerk?

NOTICE OF MOTION

DESIGNATION OF SMOKING ZONES IN MOMBASA COUNTY

Yes, Honourable Frankline Makanga, MCA Chaani Ward please issue your Notice of Motion.

Hon. Makanga: Thank you Mr. Speaker Sir. I beg to give notice of the following Motion;

THAT AWARE THAT, under the Kenya Constitution, non-smokers have the right to safe and healthy environment. This includes the right to be protected from adverse effects of second-hand smoke. Article 42, of the Constitution states that every person has the right to the highest attainable standards of health and wellbeing, including reproductive healthcare. The Constitution also guarantees to clean and safe water, air and an environment that is not harmful to health;

FURTHER AWARE THAT, tobacco Control Act of 2007, section 33 provides that no person shall smoke in any place except in designated smoking areas;

NOTING THAT, smoking in public can cause significant health risk to both smokers and non-smokers. Secondhand smoke which is the smoke exhaled by the smoker is a combination of the smoke coming from the burning end of the cigarette and the smoke exhaled by the smoker. This inhalation increases risk of developing cancer, heart diseases, stroke, chronic obstructive pulmonary disease among other diseases;

FURTHER NOTING THAT, smoking in public can also contribute to air pollution. Burning tobacco releases toxins and particulates into the air which can be inhaled by other people in the area;

COGNIZANT THAT, smoking in public can leave unpleasant odor in the air which can be difficult to get rid of. This smell can linger long after the smoker has left the area and can be very unpleasant for people in vicinity;

FURTHER COGNIZANT THAT, cigarettes are a major cause of fires with an estimated 20 per cent of all fires caused by smoke. Smoking in public can increase the risk of fires which can lead to severe property damage and loss of life;

CONCERNED THAT, cigarette butts are on the most commonly found items of litter on the streets and public places. This indicates that the consumption of cigarettes is real in the County and thus posing the following risks;

- 1. Health Risk*
- 2. Environmental pollution*
- 3. Fire occurrences*

FURTHER CONCERNED THAT, there are no designated areas or zones for smoking in Mombasa County;

I, therefore, urge this Assembly to RESOLVE THAT:

- 1. The County government to provide designated smoking zones. These specially designated areas to be clearly marked and able to provide a safe and comfortable space for those who wish to smoke;*
- 2. The County government to ensure that the designated smoking areas are regularly maintained and monitored to ensure that they are clean and safe. Any litter should be disposed of in the proper receptacles and all smoking materials should be extinguished before leaving the area;*
- 3. The County government should come up with smoking policy and any other regulation to ensure that both the smokers and non-smokers rights are not infringed.*

The Temporary Chair (Hon. Abdirahman Abdulkadir): Thank you. Yes Clerk?

MOTION

SUSTAINABLE BEAUTIFICATION OF MOMBASA COUNTY

Yes, Honourable Hawa Abdulrahman, please move the Motion.

Hon. Hawa Abdulrahman: Thank you Mr. Speaker. I beg to move the following Motion:

THAT AWARE THAT Mombasa County is a major business hub and a popular tourist destination in Kenya, attracting both local and foreign entrepreneurs, investors and tourists;

FURTHER AWARE THAT there is a need to promote the County's aesthetic beauty to enhance attracts foreign investors, promote tourism, create employment opportunities, and improve the socio-economic development of the region;

NOTING THAT the Constitution of Kenya, pursuant to Article 69 provides for the sustainable exploitation, utilization, management and conservation of the environment and natural resources, with environmental conservation and management being devolved to the County governments as provided for in the Fourth Schedule of that document;

FURTHER NOTING THAT the Mombasa County Solid Waste Management Act, 2020 advocates for the reduction, recovery and recycling of waste among a raft of measures to manage and enforce responsible garbage disposal sustainably;

APPRECIATING the efforts by His Excellency the Governor, Abdulswamad Sheriff Nasir, in the garbage collection in his first 100 days for his Mombasa ni Yangu initiative, aptly implemented the County Assembly's resolution to employ 2000 casual employees to clean the CBD and suburbs;

CONCERNED THAT, without taking strong and urgent measures, Mombasa will lose its competitiveness as a major business hub and popular tourist destination, thus affecting revenue by both levels of Government and impinging on socio-economic development;

SERIOUSLY CONCERNED THAT, without taking enhanced policy and practical measures, Mombasa will be an eyesore and be plagued with filth, noxious diseases which will pose public health risks and hazards;

I, therefore, urge this Assembly to RESOLVE:

1. Garbage Collection and Disposal:

- a. THAT the County government purchase additional garbage collection and disposal vehicles to increase the efficiency of garbage collection and disposal services;*
- b. THAT the County government establishes a waste separation program to promote the prosper disposal of garbage and minimize pollution;*
- c. THAT the County government encourages and involves residents and stakeholders in community-based solid waste management programs;*
- d. THAT the County government consider working with partners to establish a garbage recycling facility and explore other uses of garbage such as for power generation.*

2. Street cleaning and washing:

- a. THAT the County government purchases street cleaning and washing vehicles to improve the cleanliness of the streets;*

- b. THAT the County government develops and enforces laws that promote the cleanliness of streets and impose penalties for littering;*
- c. THAT the County government involves residents and stakeholders in keeping the streets clean by organizing regular cleanup exercises.*

3. Enhancing the Aesthetic Beauty of Mombasa County:

- a. THAT the County government seek certification and compliance with the ISO 14000 Certification family of standards for an Environment Management System of the County to ensure the environmental management practices are consistent and measure to global standards and best practices;*
- b. THAT the County government plant flowers, indigenous fruit trees, and other plants along the streets and in public places to enhance the aesthetic beauty of the County;*
- c. THAT the County government sensitizes and encourages landlords to paint and refurbish their buildings to improve their appearance and promote tourism;*
- d. THAT the County government construct and rehabilitate public parks, recreational facilities and tourist attraction sites to enhance the attractiveness of the County.*

Thank you, Mr. Speaker Sir.

The Temporary Speaker (Hon. Abdirahman Abdulkadir): Thank you. Member, I now propose the question; the Motion by Honourable...

[Interruption]

Who is going to second?

Hon. Hawa Abdulrahman: I beg Honourable Leila Nyache to second the Motion.

The Temporary Speaker (Hon. Abdirahman Abdulkadir): Yes, Honourable Leila.

Hon. Nyache: Mr. Speaker I stand to second the Motion. Thank you.

The Temporary Speaker (Hon. Abdirahman Abdulkadir): Thank you. I now propose a question that the Motion by Honourable Hawa Abdulrahman on sustainable beautification of Mombasa County be considered by this Honourable House in the same opinion as moved.

[Question proposed and agreed to]

Yes, Honourable Hawa make your contribution.

Hon. Hawa Abdulrahman: Thank you Mr. Speaker Sir for giving me this opportunity to lay this Motion in the House. As you are aware that we have lost over 40,000 acres of the Aberdares forest for the past three weeks due to outbreaks.

DISCLAIMER: *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor Page 4*

This is an alarm to our County because the climate experts say there are future traits of drainage and water shortage, prolonged dry seasons leading to dangers of curbing a disaster. As we come up with the sustainable beautification measures, we not only promote tourism or create employment opportunities but well also curb the climate change. I would also like to appreciate his Excellency the Governor Abdulswamad Sheriff Nasser for his continued efforts in garbage collection and for his *Mombasa ni Yangu* initiative where 2000 casual employees were employed to clean the CBD. I thank you Mr. Speaker Sir and I welcome Honourable Members for this House to contribute to this Motion. Thank you.

The Speaker (Hon. Abdirahman Abdulkadir): Yes, Honourable Kai, please make your contribution.

Hon. Kai: Ahsante Bwana Spika kwa kunipatia fursa ya kujadili na kutoa maoni kuhusiana na swala hili ambalo Mheshimiwa Hawaa ameweza kuleta katika Nyumba hii. Kiukweli naunga mkono kwa asimilia zote. Kwanza inanipatia pia fursa ya kuweza kuwapongeza wale ndugu zetu ambao walifanya lile zoezi muhimu la Mombasa ni Yangu; ki ukweli tuna kila sababu kama Nyumba hii kuwapongeza kwa sababu walifanya kazi nzuri ambayo ilionekana. Nataka niseme kukosekana kwao kwa takriban mwezi mmoja inaweza ikaonekana kwa sababu pia vile tulivyo zoezi katika macho yetu katika barabara zetu za kila siku tunatumia ni tofauti na vile walikua wako katika zoezi hili hivyo ni sawa na kusema pia Nyumba hii iweze kufikiria ni jinsi gani watawezesha ili waweze kurudi tena na kuendelea na zoezi hili muhimu.

Pili, katika hali hiyo ya kuimarisha mji wetu uweze kuwa msafi ni vizuri pia ukiweza kuwa salama. Nimetembea katika barabara tofauti hususan za huku upande wa Nyali, Bwana Spika nimeweza kwa uchunguzi wangu nikaona kuna miti mingine ambayo iko karibu sana na barabara na inaning'inia sana barabarani na wakati mwingine hii miti huvunjika yenyewe na kuanguka katika barabara. Hivyo ni sawa na kusema iweze kukatwa kwa wakati isije pia ikaweza kuleta madhara mengine ya kuumiza watu na hakuna mtu alie na *insurance* Mheshimiwa Spika. Hivyo basi ni kwamba iwapo haya yatatokea wananchi wetu ambao watakua wameweza kupata ajali kama hizi hawatakua na njia yeyote ya kuweza kujitetea. Kwa swala lengine Mheshimiwa Spika nimeona kwamba katika hoja hii imefikia mahali pia ikasisitiza wenye majumba ya kibinafsi; hawa *landlords* wakaweze kuambiwa warembeshe nyumba zao lakini mimi nimeweza kuwa katika shughuli zangu katika mji huu nikapatwa na haja hivyo ikanilazimu kutembelea hizi sehemu za kujisaidia katika majengo hayo hali sio ya kuridhisha kwa sababu utakuta labda jengo nzima ambalo ni la kibiashara linatumia labda choo kimoja pekee yake.

Mheshimiwa Spika lakini utapata mwanzo kuna choo kimoja mimi nakuchukia sana nilivyofika hapa Assembla kwanza niliangalia vyoo vyetu viko namna gani nikashukuru sio vile vya kukaa kwa sababu vile vyoo vya kukaa vina hali ambayo mimi huwa nashindwa kuvitumia kwa sababu Mombasa tuna shida ya maji, utajipata umeenda shughuli halafu maji ni machafu na bado yanakurukia yanakuja katika sehemu za makalio inakuwa ni hali ya kuhatarisha afya yetu na kusababisha magonjwa ambayo wakati mwengine yanakosa tiba ikiwemo magonjwa kama *hemorrhoids*. Hivyo ni sawa na kusema vyoo hivi ingekuwa ni uwezo wangu havingeruhusiwa kutumika katika majengo yoyote ya umma Mheshimiwa Spika. Na nikimalizia niseme ya kwamba ninaunga mkono asilimia mia chini ya mia lakini pia niulize yale ambayo nimeweza kuyazungumzia yakaweze kuongezewa katika suala hili. Ahsante sana Mheshimiwa Spika kwa kunipa fursa ya kuchangia shukran.

The Temporary Speaker (Hon. Abdirahman Abdulkadir): Thank you Honourable Kai.

Members, please let us stick to the subject matter of the Motion, let us not deviate from the Motion. Yes, Honourable Priscilla Mumba, Chief Whip please make your contribution.

The Majority Chief Whip (Hon. Mumba): Ahsante Mheshimiwa Spika na mimi pia nimesimama kuunga mkono suala hili lililoletwa na Mheshimiwa Hawa. Umuhimu wa kisisitiza hali ya kurembesha mji wetu na kupanda maua na kujali mazingira na kuangalia usafi katika kuzoa taka, kuajiri vijana kwa sababu hayo ni majukumu ya Kaunti na kama alivyonukuu nikiona ameeleza umuhimu wa huu mji wetu kuwa msafi kwa sababu sisi katika Mombasa Kaunti uchumi wetu mkubwa tunategemea utalii na mtalii atakapo ingia huu mji wetu akikuta mji wetu una kasoro ya uchafu, mji wetu hauna mandhari ya kupendeza inakuwa ni matatizo manake pengine katika miji mengine kando na nchi hii yetu tunapata kama sifa kutoka Rwanda tunaambiwa ukifika mjini wewe mwenyewe mandhari yatakupendezea. Kwa hivyo ni wakati mwafaka wa kuwa sisi kama Mombasa Kaunti tujaribu kusaidia Gavana wetu kama vile alianzisha huu mradi wa Mombasa ni Yetu na Mombasa ni Yangu ili tusaidie mji uwe msafi. Kwa hakika Mheshimiwa Hawa umetumia wakati mwafaka kwa sababu hata sisi kama viongozi kutoka mradi huu tangu usimame tumekuwa hatunywaji maji manake watu wanatusifia uzuri wa mradi huu na watu wanatusifia kazi nzuri ambayo vijana walifanya mazingira yalikuwa ya kupendeza na walihakikisha kila mahali wamegusa wakitoa uchafu ili tuwe na mazingira bora.

Ningependa kusema ikiwa Mswada huu tutaupitisha leo ni tuhakikishe pia Gavana wetu amesisitiza kuwa hii kazi iliyokuwa ikifanywa na vijana wetu irudi haraka sana kwa sababu tumeona tofauti ya wale vijana walivyo fanya kazi kwa mwezi mmoja na tofauti ya sasa ilivyo. Mombasa ni kubwa na mpaka ishikwe kusaidiana kazi ili iweze kuweka mandhari yake; kuna fuo za bahari ambazo zinataka mara kwa mara kufanywa usafi, kuna kupanda miti, kuna kupanda maua kando kando mwa barabara haswa karibu na mjini tunaona kuna kwengine tayari kumepandwa, kwengine bado kunaendelea na kazi hizi haziwezi kufanywa na wafanyikazi wa Kaunti pekee yake manake hawa wafanyikazi ni kidogo lakini wakiongezewa hawa ambao ni vibarua ambao walipewa ahadi ya kuwa watafanya kwa miezi mitatu na mpaka wakati huu wamechukuliwa tu huo mwezi mmoja na mpaka dakika hii hawajajua hatima yao na ikiwa tunataka kuanza kubadilisha mji huu ni tuhakikishe Gavana ameregesha hawa vijana wetu kazini kwa sababu kazi yao tuliiona na tuliona vile walirembesha mji. Kusema ule ukweli ikiwa kama tuko viongozi katika hili Jumba la sheria kando na kupitisha ni wajibu wetu pia kama viongozi twende tukakutane na Gavana na tumwambie boshi tunakuomba kwa unyenyekevu wale vijana ulio waweka wakisafisha mji hebu waregeshe kwa sababu kazi yao tuliiona...

[Applause]

Na tukiwa tuko na sauti moja kama Jumba hili hata Gavana pia ataona umuhimu wa sisi kwenda kumrai kwa niaba ya watoto wetu, vijana wetu waliofanya ile kazi hata wao watahukuru kuona sisi pia tumewatambua kama viongozi wa Kaunti. Kwa hivyo usafi unaanza na mimi na wewe na unaanza na sisi viongozi kushika mkono walioko nyuma yetu. Kwa niaba ya huu mji wetu, hii ni kazi nzuri na tunaionbea Mungu ikiwa itapita isichukue hata mradi wa wiki bila sisi kuona mafanikio yake kwa sababu huu ndio uti wa mgongo wa Mombasa Kaunti. Tukiwa na sura ya uchafu hatutapata wageni, tukiwa na sura ya uchafu tutakaribisha magonjwa, tukiwa na sura ya uchafu hata sisi viongozi tutakuwa hatuna sura mitaani tunatukanwa hapa na pale lakini tutakapokuwa tumetekeleza haya majukumu ambayo yamenukuliwa hapa na Mheshimiwa Hawa.

Hata sisi tutaonekana kweli kuna kitu tuliona katika wale watoto wetu na sasa tunaenda kusukuma ili waregeshwe kazini ndio waendeleo na kazi zao na sisi tuweze kuona utalii ukiingia na uchumi wetu ukiwa unainuka. Kwa sababu wakati mtalii akiwa hapa hata sisi tutapata ushuru mzuri *local, international* zote zitakuwa ni faida kwetu. Ahsante Mheshimiwa Spika.

The Temporary Speaker (Hon. Abdirahman Abdulkadir): Yes, Honourable Hamida, please make your contribution.

Hon. Noor: Thank you Mr. Speaker Sir. Mr. Speaker, I rise to support the Motion by Honourable Hawaa for beautification of Mombasa. Mr. Speaker, as you know we are a tourist destination and for us to have this beautification in Mombasa County is a big deal for us, as you know the Governor last time-initiated *Mombasa Yangu* which was a very good initiative for the whole of Mombasa because of the beautification so that when we get our visitors in Mombasa, they find it as a beautiful one. I want to urge that the buildings in Mombasa right now are worn out and we had the initiatives of painting the buildings in blue and white, which was very attractive as you all know that it was attractive whoever came to Mombasa saw that there was a different town with a blue and white colour that was attractive with the symbol of the ocean that God has given us. So Mr. Speaker I rise to support this Motion of Honourable Hawa which is a good one for Mombasa County; and to the Implementation Committee when this comes to you, please make sure it is going to go through because it is a very important one because since we are a tourist destination, we need this to go ahead. Thank you, Mr. Speaker.

The Temporary Speaker (Hon. Abdirahman Abdulkadir): Thank you. Yes, Honourable Juma Manuari proceed.

Hon. Juma Manuari: Ahsante Mheshimiwa Spika kwa kunipa nafasi adimu kuchangia katika swala hili la dada yetu Mheshimiwa Hawa. Mheshimiwa Spika, kwanza nimuunge mkono kwa swala hili na mimi nimwambie kuwa nimekuunga mia kwa mia; mimi hata sifikiri ila la zaidi Mheshimiwa Spika kama walivyo tangulia wenzangu wakati wa nyuma tulivyokuwa tumewaweka hawa vijana mji wetu ulikuwa mzuri sana. Ulikuwa msafi sana hata ilikuwa mtu akinywa maji na chupa anaogopa pa kuitupa, lakini hivi sasa jiji limerudi kama lilivyokuwa chafu na halieleweki laenda mbele ama larudi nyuma. Ila mimi kuunga mkono Mswada huu ni kusema ya kwamba Mheshimiwa Gavana wale vijana wetu waliosimama mimi ningeomba awarudishe kazi iendeleo ilivyokuwa ili jiji letu lirudi kuwa safi kama lilivyokuwa. Ahsante Mheshimiwa Spika.

The Temporary Speaker (Hon. Abdirahman Abdulkadir): Yes, Honourable Jacktone Madialo proceed.

Hon. Madialo: Ahsante Bwana Spika. Nilikuwa nasimama haraka haraka maana ilikuwa nataka unipatie nafasi baada ya dadangu mpendwa Kiranja wa Bunge kwa sababu fulani ambapo utajua nikiendelea. Karibu niseme Bwana asifiwe...

[Applause]

Nimesimama hapa kuunga hoja hii ya Mheshimiwa Hawaa. Nimesoma ni hoja safi na haya maandishi pia nikashuku ya kwamba ni maandishi ya Bwana Spika wa leo, maana pia ako na akili safi kama ya Hawa kuhusu hii maneno...

DISCLAIMER: *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor Page 7*

[Applause]

Kwa hivyo naunga mkono na pia nimetaka kuungana na wenzangu ambapo kuwa wametangulia kusema kwamba Kamati ya Bwana Mwaura tutawaangalia, tutawaangazia, tutawasukuma na tutawakumbusha ili mambo haya yaanze kutekelezwa, hata kwanzia wiki ijayo tutakuwa kwa mlango wako Mheshimiwa Mwaura. Mwisho ningependa kuhakikishia Kiranja wa Bunge ya kwamba ninaamini wale vijana ambao walichukuliwa ni kwamba hivi karibuni pia bado hio kazi itaendelea. Kwa hivyo musijisumbue sana kubebana Waheshimiwa wote, maana mimi pamoja na Mheshimiwa Nusura na Kamati yangu *we are up to the task...*

[Applause]

Na kwanzia saa hii mambo ya vijana kuwa kazini itabebwa na Kamati ya Leba na *Public Service Board Administration* na sisi tutaibeba vizuri. Ahsanteni.

[Applause]

The Temporary Speaker (Hon. Abdirahman Abdulkadir): Thank you. Honourable Leila Nyache MCA Kipevu Ward, the floor is yours.

Hon. Nyache: Ahsante sana Mheshimiwa Spika na mimi kuweza kunipa fursa hii ya kuweza kuchangia hoja hii iliyokuja na Mheshimiwa Hawa. Kusema la kweli hii hoja ni ya muhimu sana na inafaa Waheshimiwa sote tusimame, tuungane na tuiunge mkono iweze kupita ili tuweze kuona faida yake na tumeona hapa vijana wetu ambao waliokuwa wakifanya Mombasa yetu ndio walioweka jiji letu safi hio miezi ya nyuma. Na sasa hivi jiji limekuwa limerudi vile vile limeanza kurudi kama vile mwanzo, ambapo jiji limechafuka; kwa hivyo hapa la muhimu tu ni hawa watoto wetu warudishwe kazini. Tunaomba Mheshimiwa Gavana Abdulswamad Sherrif Nassir, aweze kuturudishia vijana wetu kazini ili jimbo letu liweze kuwa safi na hawa hawa waweze kuendelea kama vile walivyo ahidiwa. Maanake sasa hivi wameanza kurudi maskani na inaleta sura mbaya kwa sisi viongozi, ukipita hivi wanakuuliza ni vipi, ukipita kule wanakuuliza ni vipi Mheshimiwa na sisi tunawapa ahadi, tunawaambia subirini lakini tunaomba jambo hili liweze kutekelezwa kwa haraka ndio hili jimbo letu litaweza kuwa safi na pia kwa upande wa watalii tutaweza kuleta natija kwa sababu hiki ndio kitovu cha watalii hapa Mombasa. Kwa hivyo tutaweza kupata natija kubwa sana Kaunti yetu ya Mombasa itakapokuwa safi hivyo basi mimi nimesimama kuunga mkono hoja hii na naomba wenzangu pia tushirikiane tuweze kuiunga iweze kupita mara moja watoto wetu waweze kurudi kazini. Ahsante Mheshimiwa Spika.

The Temporary Speaker (Hon. Abdirahman Abdulkadir): Thank you. Yes, Honourable Mbega Frankline Makanga make your contribution?

Hon. Makanga: Ahsante Mheshimiwa Spika. Kwanza nianze kwa kukupongeza kwa kutuongoza vyema vizuri kabisa katika kikao chetu cha leo. Pili, nimpongeze dadangu Mheshimiwa Hawa kwa sababu ya kuja na Mswada huu ambao unaangazia vile tutaliendeleza Jimbo letu kuwa salama, safi, la kuvutia na la kupendeza kama Waheshimiwa walioko katika Jumba hili. Mheshimiwa Spika, nasimama kuunga mkono hoja hii kwa sababu imegusia maswala ambayo katika Wadi yangu ambayo ni eneo la Chaani, Wadi ambayo nimeipata ikiwa katika hali mbaya kwa sababu ya uongozi uliokuwa mbaya.

Hivi sasa tukiwa katika harakati za kuleta mabadiliko mojawapo ikiwa yale mabadiliko ambayo Mheshimiwa Hawaa amefanya ikiwapo swala la kuzoa taka na kufanya usafi kila mara tukiwahusisha wananchi. Na lengine pia katika zoezi la kupanda miti, ambalo katika Wadi yangu hivi sasa tumepanda miti karibu elfu 500 tukishirikiana na wananchi. Kwa hivyo mimi naunga mkono hoja hii, kwamba itiliwe maanani na tuweze kusukuma ifanyike ili mitaa yetu iwe safi na tuweze kuinua viwango vya afya katika jamii yetu. Mheshimiwa Spika, waheshimiwa wenza wameweza kuzungumzia swala la Mombasa yangu, vijana wale ambao walikuwa wameajiriwa kwa kipindi cha mwezi mmoja na wakafanya kazi nzuri sana. Mimi ningependa kuwapongeza na niwashukuru wote ambao walihusika katika kufanya hilo zoezi na tunaomba, tunaomba na pia kwa kusisitiza kwamba vijana hawa waregeshwe kazini.

Mimi kivyangu si kwa miezi miwili ifike miezi mitatu lakini warudishwe kazini na waweze kutafutiwa *terms* ambazo zitawasaidia kufanya kazi kwa kipindi cha kuendelea ili waendeleo kupata rizki yao na mji wetu uendeleo kuwa msafi. Tunajua licha ya kwamba Mombasa Kaunti ina *wage bill* kubwa lakini njia zipo ambazo zinaweza kutumika ili hawa vijana wetu waajiriwe zaidi ya miezi mitatu, wapate rizki zao na waweze pia kutusaidia hata kuimarisha usalama katika zile kata zetu ndogo tunazotoka. Kwa hivyo Mheshimiwa Spika mimi nasimama kuunga mkono na hii Mombasa yangu jamani irudi Mwenyekiti wa Leba unasema tukuwachie jukumu hilo wewe ukiwa na Nusura yaja, tunaomba hiyo Nusura ije haraka, mtuletee hawa vijana waweze kufanya kazi na Mombasa iweze kusonga mbele. Ahsanteni sana Mheshimiwa Spika, naunga mkono.

The Temporary Speaker (Hon. Abdirahman Abdulkadir): Thank you for your contribution. Yes, Honourable Joshua, make your contribution please?

Hon. Ong'ao: Ahsante sana Mheshimiwa Spika. Leo nitajaribu kutumia Kiswahili na Kiswahili simdomo wangu; kwa hivyo ikiwa nitakosea mahali mutaniwia radhi nami niungane na wenzangu kuunga mkono hii hoja iliyoletwa na Mheshimiwa Hawa, niseme kwamba imekuja kwa wakati wa sawa kwa sababu wakati waliweka ile *program* ya Mombasa yangu ungeweza kutembea huu mji hata mitaani ukaona mitaa ikiwa misafi na sisi wale wengine tuna imani ya kikristo hata Bibilia inatuambia *cleanliness is next to godliness*. Kwa hivyo mji ukiwa msafi ni vyema zaidi na utaweza vutia watalii, hali zetu za afya zitakuwa nzuri, *break out* kama za magonjwa kama *cholera* hazitakuwepo.

Na pia sisi hapa Mheshimiwa Hawaa ametutajia ya kwamba *recycling*, ku *recycle* kwa Kiswahili inaitwa nini? Recycling ya garbage, uchafu kulingana na mimi hakuna kitu kinaitwa uchafu, kila kitu kinaweza kutumika kwa mara ya pili na ya tatu na itakuwa wale vijana wakiwekwa katika ile mitambo ya ku *recycle* ule uchafu, tutakuwa tumetengeza nafasi za kazi, tutakuwa tumetengeza vifaa ambavyo vimetengezwa huku ambavyo vinaweza kuuzwa kwa bei nzuri tukawa tuna kwa kizungu wanasema, you *buy Kenya build Kenya*. Kwa sababu hata bidhaa nyingi kutoka nje kama China nyengine zimetengezwa kutokana na taka hivyo basi ni vyema, huu ni Mswada mzuri na vile wenzangu niungane na wenzangu kusema kwamba Kamati ya Mheshimiwa Mwaura hii tukipitisha tutakufwata wewe nyuma tuhakikisha imeweza kutekelezwa. Ahsante sana Mheshimiwa Spika.

The Temporary Speaker (Hon. Abdirahman Abdulkadir): Thank you. Honourable Members, just to bring to your attention this particular Motion is premised on three aspects; garbage collection and disposal, street cleaning and washing, enhancing the aesthetic beauty of Mombasa County. So, I guide you please let us not just focus on the *Mombasa ni yangu* project, there are other aspects of this Motion.

Key among them just to draw to your attention *that the County government sensitizes and encourages landlords to paint and refurbish their buildings to improve their appearances*. So, Members let us not just get excited Honourable Members as you make your contribution kindly consider the prayers of the Motion, keep in mind that the prayers are key subject. Yes, please Honourable Mbaya make your contribution.

Hon. Hamisi Mbaya: Ahsante sana Mheshimiwa Spika kwa kunipatia fursa hii adhimu. Hawaa kuzungumzia hususan kutokana na yale ambayo ni rasmi tulioweza kuchambuliwa ama kuchaguliwa kupitia Kata zetu, haswa kama mimi ambaye nimetoka katika Kata ndogo ilio kubwa kwa mipaka na ilio na idadi kubwa ya jamii. Mheshimiwa Spika, mimi napenda nimuunge mkono dadangu Mheshimiwa Hawaa Abdulrahman kwa jina la kubana Bibi harusi namuunga mkono 99 kwa 100 kwa sababu hoja hii ambayo ameileta moja kwa moja ilipoanza tu ule mfumo wa hizi nyumba ama majengo ambayo yako ndani ya Kaunti yetu yalipoweza kupakwa rangi rasmi kumeweza kuonyesha kwamba hii Mombasa Kaunti ni jiji ambalo linajua kujipanga.

Vilevile kulipoingia hili swala la upandaji maua nafikiri tukitembea kwenye mabarabara, tunaona wazi na dhahiri tukiwa tutasema hakuna uzuri tunauona tupinge basi itakuwa kaniki tunaifanya shuka na shuka pia tutakuwa tunaifanya iwe kaniki na itakuwa sio sawa ukweli ubakie ukweli na uongo ubakie kuwa uongo. Mheshimiwa Spika tukirudi kwenye swala la wale vijana ambao waliweza kupata ajira mimi kwanza naipongeza Nyumba hii rasmi kwa 99 na kwa 100 kuweza kupitisha ule Mswada wakati ule. Kwa sababu msaada uliopatikana kwa vijana wetu waliweza kupata ajira na ni vijana ambao wanategemewa vilevile jiji letu la Mombasa kama kule kwetu ama kule kwangu Timbwani tumeweza kuona fuo za bahari zilivyokua na usalama, vilevile zilivyo kuwa zikivutia kuhusiana na maswala ya utalii. Mheshimiwa Spika, sitokuwa mwingi wa maneno nikaweza kuchosha Waheshimiwa wenza, bali namuunga mkono rasmi kama nilivyotangulia 99 kwa 100 Mheshimiwa Hawa Abdirahman jina la mabano bibi harusi. Ahsante sana.

[Applause]

The Temporary Speaker (Hon. Abdirahman Abdulkadir): Before you proceed Honourable Milka Ngare, my sincerest condolences to you and our support, our deepest sympathy from all the Members of this House, we are with you. So please kindly make your contribution.

Hon. Ngare: Thank you so much Mr. Speaker. You just touched the button of what I would have loved to say before I make my contribution; I want to sincerely appreciate my colleagues each and every person who was involved and especially those who travelled to my home County to condole with us as a family of Ngare. It gave us a lot of warmth, we were touched and my family sent greetings back, they recognized your contribution and your presence back at home. *Ahsante sana Mungu awabariki nyote...*

[Applause]

Secondly, I am up on a point of support on the Motion introduced in this House by Honourable Hawa on sustainable beautification of Mombasa County and especially looking at the three prayers; garbage collection and disposal, street cleaning and washing and enhancing the aesthetic beauty of Mombasa County.

My first point is that I hope this Motion will not be one of those Motions that will go to gather dust in the archives like has been before; I remember in this same House we passed a Motion on installation of litter bins so that we could not have litter all over the Mombasa County CBD. I have not seen any action and that goes back now to the Implementation Committee headed by Honourable Mwaura because when we pass this Motion which I am sure we are going to pass, let us have concerted effort and team work so that you go back to the archives also add to the prayers of Honourable Hawa so that a sustainable as she calls it sustainable beautification of Mombasa County.

And having heard what my Chairman of Labour said I am 100 per cent sure that Honourable Madialo, the Chairman of Labour assisted by Honourable Nusura and the Committee at large they are up to the task to make a follow up on the Mombasa Yangu Program whereby the youths should come back. Let us not say three months; if it is sustainable even that one it should be sustainable because then this cannot succeed if we have the youths coming in two months and going back again, it should also be a continued exercise so that our town can remain. They can be engaged in the three prayers that Honourable Hawa has touched on so that we have a clean town all through for us to be able to attract tourists, to attract other people and also now have more revenue coming to our County.

So, I do believe in you Honourable Madialo, I know you are going to make a follow up on the same and we are here to give you our support so that the youths can come back and continue with their work in order for the three prayers to be enhanced. Thank you so much Honourable Hawa, a very nice Motion that really has a lot of meaning in our County towards raising more revenue. Thank you, Mr. Speaker Sir.

The Temporary Speaker (Hon. Abdirahman Abdulkadir): Ok. Honourable Mwaura make your contribution.

Hon. Mwaura: Ahsante sana Mheshimiwa Spika kwa kunipatia fursa na mimi pia naungana na wenzangu kumshukuru Mheshimiwa Hawa kwa ajili ya Mswada mzuri aliouleta katika Bunge hili kuhakikisha ya kwamba Mombasa yetu imekuwa safi. Na kwa wale wengi ambao wameweza kutembea katika miji nilikuwa ninasoma sehemu katika mitandao ninaona mtu mmoja akizungumzia Rwanda; mji mkuu wa Rwanda jinsi ulivyo msafi na wa Rwanda huchukua siku moja wenyewe binafsi kwa wiki ili kuhakikisha mji wao uko msafi na baadhi yetu wengine wamepata fursa kutembea mji wa Dubai na wakajionea jinsi mji ule ulivyo msafi na miji mingine mingi ambayo ni misafi na imeweza kuvutia watalii katika miji yao kupitia kwa ule usafi.

Mimi naamini na sote wale ambao wamechangia wanatambua mji wa Mombasa kama kivutio cha utalii; tukiwa kivutio cha utalii, ni kweli tunahitaji usafi ili tuendeele kuvutia zaidi na watalii wakija na hata sisi wenyewe tunahitaji huo usafi. Ila Mheshimiwa Spika katika utekelezaji wa Mswada huu, kuna sehemu ambazo ni lazima tuweze kuziangalia kwa undani na kwa upana kwa sababu tunajua Serikali zetu kuna mambo ambayo huwa wanakimbilia zaidi kutekeleza na mengine hawakimbili kutekeleza. Tukiweka sheria ya kupiga watu faini ama kuwatoza kwa sababu ya kutupa taka taka ovyo ovyo hio itatekelezwa kesho lakini tukizungumza habari ya kuweka zile ambazo tunaita mapipa ya kuweka taka, tukiweka sheria kama hio, inatekelezwa baada ya mwaka mmoja au miwili ama hata tusione ikitekelezwa.

Kwa hivyo kuna maswala ya kuangazia na pia kuna swala kama lile Mheshimiwa Spika umelitaja kuhusiana wenye manyumba kuweka ama kuweka rangi upya ama kufanya marekebisho katika majumba yao na tuliona kwa wakati mmoja wakikimbizana sana na Serikali wengine wakipelekana kortini.

Maswala mengine yako na uzito wake yanahitaji Serikali kuzungumza na wananchi na kufanya uhamasisho; si yale ambayo yanaweza kutekelezwa kwa haraka lakini hata na mimi naweza kusema katika Jumba hili ya kwamba tutakimbizana na kuhakikisha yale kama yale ambayo ni ya kuweka yale mapipa taka, tutahakikisha kwamba tunauliza Serikali ni kwa nini hatujayaona yakitekelezwa ili kwa sababu hio ndio msingi wa kuhakikisha kuwa Mombasa iko safi. Ila hatuwezi kushika mtu na hatujamuonyesha mahali pa kutupa ile chupa, hatujamuonyesha mfano mzuri wa usafi. Ni lazima Serikali ije na mpango na mipangilio kabambe ya kuhakikisha ya kwamba usafi ndani ya Mombasa umeweza kutekelezwa na tumeweza kuhakikisha ya kwamba mji wetu uko msafi ili tuweze kuurembesha na tuweze kufurahia. Ahsante nauunga mkono Mheshimiwa Spika.

The Temporary Speaker (Hon. Abdulrahman Abdulkadir): Thank you. Yes, Honourable Pamela make your contribution.

Hon. Ojala: Thank you Mr. Speaker Sir for giving me this opportunity to contribute. First, I would like to start by congratulating my colleagues specially-elect Honourable Hawa for introducing this important Motion in this House. As many have said because we have absorbed and digested it properly, so I will not say much but it is a very important Motion and we need to put it into consideration because during those days our Excellency the Governor initiated Mombasa Yangu, we have even experienced this reduction of security issues because it did not require any qualification, even these people called *wakali wao*, they were absorbed properly in that organization. So, I stand to support the Motion that let us not take it for granted but let us be serious about it and I would request the Implementation Committee to take it seriously and am very happy that the Chairman of Labour has mentioned it that he will not take it for granted this Motion will be implemented with immediate effect so thank you Mr. Speaker.

[Applause]

The Temporary Speaker (Hon. Abdulrahman Abdulkadir): Yes, last but not least Honourable Mariam Baimu make your contribution?

Hon. Mariam Sharif: Ahsante sana Bwana Mheshimiwa Spika kwa kunipa nafasi hii. Pili ningependa kumuunga mkono na kumpongeza Mheshimiwa Hawa kwa kuleta hoja hii hapa mbele ya Bunge. Mimi ningesema tu kwa uchache kwa sababu mengi yameongewa na Waheshimiwa wenza lakini kusema ule ukweli yale maneno yaliyo ongelewa ama yameletwa hapa Bunge na Hawa yanatakikana tuyatilie mkazo zaidi na nafikiria vile watu walivyozungumza Waheshimiwa Mwenyekiti wa Kamati ya kutekeleza na pia Mwenyekiti wa Leba ni watu ambao ni wachapa kazi na imani yangu ni moja kwamba vile alivyoahidi Mheshimiwa Madialo na naibu wake na Kamati yake kwa ujumla watilie mkazo zaidi ili hawa vijana wetu waweze kurudi kwa ile kazi ya ku-*collect garbage* ili waweze kupata ajira. Kando tu ya hiyo ajira pia nina imani Mombasa itarudi katika hali ya usafi vile ambavyo Mheshimiwa wetu Hawa ameomba ifanyike. Mwisho ningependa pia kama itawezekana Mwenyekiti wetu wa Mazingira maanake nimesikia sana hapa ikitajwa hapa Rwanda Rwanda aweze kupanga tufanye *bench marking* huko Rwanda tuone ni siri gani wanafanya mpaka mji wao hata Kenya inatajika. Ahsanteni sana.

The Temporary Speaker (Hon. Abdulrahman Abdulkadir): Okay let me take this, we start by Honourable Patrick Mbelle?

Hon. Mbelle: Thank you Mr. Speaker. I just only want to be in record that I also supported this Motion and congratulate our sister and Honourable Hawaa, thank you.

The Temporary Speaker (Hon. Abdulrahman Abdulkadir): Thank you. Yes Honourable Nusura make your final contribution?

Hon. Nusura Mwinyi: Ahsante sana Mheshimiwa Spika kwa kunipa fursa hii. Kwanza nataka nimpe kongole sana Mheshimiwa Hawa ambaye ndiye Mheshimiwa mdogo zaidi katika Bunge hili. Mimi nilikuwa nataka tu niongezee kidogo nafikiri yamezungumzwa mengi kuhusu hoja iliyoletwa na Mheshimiwa Hawa lakini nilikuwa nataka kusema wakati tulichukua wale vijana tukawapatia kazi kupitia Mheshimiwa Gavana wetu Abdulswamad kulikuwa na mabadiliko makubwa kule vijijini. Nafikiri kulikuwa na watu wanaitwa *wakali kwanza*, kulikuwa na watu wanaitwa *chafu* kulikuwa na *mateja* ambao mpaka sasa wapo lakini wakati tukiwapatia zile kazi nafikiri ile hali ya usalama ilibadilika kidogo. Wale *chafu* walikuwa kidogo walibadilika wakawa wazuri lakini sasa hivi naona ile hali inaanza kurudi wale wale *chafu* na *mateja* walifanya mji ukawa msafi, kukawa kumekuwa kuzuri.

Mheshimiwa Manuari amesema hapa alikuwa akinywa maji hajui chupa pia aitupe wapi, hata mimi nilikuwa nikinywa maji chupa naibeba hadi nyumbani naona haya kuitupa sehemu za barabarani ama njiani. Kwa hivyo mimi nilikuwa nasema sisi kama Bunge la Mombasa Kaunti tukishirikiana na Kamati yetu ya Leba wale vijana ningependa kumezungumziwa hapa mambo ya *sustainability* kwa wale vijana kutaka wale vijana wawe *sustained*. Ni kwamba wale vijana wapate kuajiriwa na ile hali ya kuchukuliwa mwezi mmoja ama miwili wakikaa zile hali mbaya huwa zinajirudia tena na hakuna lisilowezekana kwa sababu tuko hapa Mombasa Kaunti kuna watu ni wafanyi kazi wanafikisha wakati wa kustaaifu. Pole kwa kusema hivyo kuna watu ambao wanaaga dunia na zile nafasi huwa ziko ndani ya Kaunti ya Mombasa.

Kwa hivyo mimi ningependa katika wale watu ambao wamechukuliwa zile kazi waweze kuchukuliwa kidogo kidogo wakijaza zile nafasi za wale watu ambao watakuwa hawako tena ndani ya kazi na tuweze sana kuangalia sana wale ambapo wamefikisha miaka ya kustaaifu wawe watastaifu kwa wakati ili wale wengine waweze kupata kuajiriwa. Na nasema hivyo nikiwa katika Kamati ya Leba kama Naibu Mwenyekiti na Mwenyekiti tuko pale pia kuangalia hali kama zile tukitia msukumo ili wale wengine waweze kupata ajira na wengine waende wakapumzike. Ahsante sana Mheshimiwa Spika.

The Temporary Speaker (Hon. Abdulrahman Abdulkadir): Thank you considering the opinions, input and contribution of Honourable Members, now I may ask Hawa Abdulrahman to please respond to the Motion?

Hon. Hawaa Abdulrahman: Thank you Mr. Speaker Sir. I would like to thank my colleagues for their contributions and support to this Motion, kindly note that I have been taking notes on the positive comments, additional statements and constraints. The Members of this House have anonymously sustainability of this program and I thank them for that, it is my highest believe that the Committee at hand as they have said that they will put effective consideration of this Motion and I believe they are up to the task. Thank you, Mr. Speaker.

The Temporary Speaker (Hon. Abdulrahman Abdulkadir): Thank you. Yes Clerk?

[Consultations]

Okay, I now put the question that the Motion by Honourable Hawaa Abdulrahman on sustainable beautification of Mombasa County be approved by this Honourable House in the same terms as moved.

[Question Put and Agreed to]
[Applause]
