Hon. Faith Mwende.

Hon. (Ms.) Boniface: Thank you Mr. Speaker sir I beg to give notice of the following Motion about disaster preparedness during the rainy season.

Mr. Speaker sir, I beg to give the notice of the following Motion;

(Hon. (Ms.) Boniface moved the Notice of Motion)

THAT AWARE that the rainy season has kicked off across the Country and in our County;

FURTHER AWARE that the onset of the rainy season usually has adverse effects on people and property;

CONCERNED that these rains are causing large social consequences on the community and individuals of Mombasa County which has resulted into damage of property and displacement of people;

I therefore urge this Assembly to **RESOLVE** that the County government of Mombasa through the County Disaster Management to:

1. Step up efforts in order to mitigate the adverse effects brought about by floods;
2. Work with Ward officials for instance Ward Administrators and MCAs in order to reach as many people as possible affected by floods;
3. Mobilize resources from both the public and private sector in order to help the victims of flooding.

Mr. Speaker sir I seek leave for the Motion to be debated today.

(Applause)
(Question proposed)

MOTION

THAT AWARE that the rainy season has kicked off across the Country and in our County;

I request Hon. Abrari to second the Motion.

Hon. Abrari Mohamed Omar: Mr. Speaker sir, I second it.

(Question proposed)

The Deputy Speaker: Hon. Members I now propose that the Motion on County disaster preparedness during the rainy season be debated today?

(Question proposed and agreed to)

Yes Hon. Faith?

Hon. (Ms.) Boniface: Ahsante sana Bwana Spika. Kwa kweli tukiangalia Kaunti yetu watu wengi wameweza kusombwa na maji barabara zimejaa maji na wananchi wetu wanapata shida sana na ni juzi tu tunaona kwa mitandao tukikashifiwa kama Waheshimiwa wa Bunge la Kaunti ya Mombasa ya kwamba hatujaweka mikakati kamili ya kutatua hili jambo. Japokuwa kuna Mheshimiwa mwengine pia alileta taarifa lakini bado hilo jawabu la taarifa hiyo halikuletwa vizuri kikamilifu na Kamati ya Utekelezaji. Kwa hivyo tunaomba ama tunahitaji hawa *County Disaster Management Team* wawajibike mashinani na wakiweza kuwajibika najua mambo yetu yatakuwa vizuri. Ningeomba Waheshimiwa wote tuweze kupitisha hii Hoja ndio watu wetu waweze kusaidika. Ahsante sana Bwana Spika.

The Deputy Speaker: Yes Hon. Opeya?

Hon. Opeya: Thank you Mr. Speaker. I also rise to support the Motion brought by Hon. Faith, I think the issue of disaster we have been debating since like some of us who are here together you and others since we were elected way back in 2013.

It has been the same problem in the rainy season that the County finds itself unprepared and the consequence is that the MCA is the one who is usually blamed for not doing enough yet there is a disaster management team which is in the County it is funded and they have not stepped up.

I think the Motion that the Hon. Member has brought up will help us; my Ward is among the most affected if you go right now in areas like in Maweni, Mnazi Moja, Shauri yako there is serious flooding. All the soakpits are full and they are bursting, I have even had to use money from my pocket just to accommodate people but that is not sustainable. So we have to find a long term solution and I hope that even in the coming budget as she has talked about mobilising resources from public and private sectors we should increase more money towards disaster and the County should also partner with people like Red Cross and others who can come in and help the residents. Otherwise I support this Motion and I urge my colleagues to support the Motion. Thank you Mr. Speaker.

The Deputy Speaker: Yes Hon. Raphael.

Hon. Bwire: Thank you Mr. Speaker. Mr. Speaker I also stand to second the Motion and or rather to support the Motion and I want to echo the sentiments by Hon. Member Opeya Kizito. Mr. Speaker I think we have a problem of passing laws and discussions whenever we discuss issues here and the implementation part of it I think has their weakness. The County disaster management team knew very well that the rainy season is yet but so far nothing has been done to condemn that situation. We again want to appeal to the same team; as I speak everybody has been asking about Junda; how is Junda Honorable? How is Junda? Junda is very pathetic for those who don't know and the roads are very impassable, the situation is getting out of hand Mr. Speaker.

But so far so good nothing has been done; I have only received one tank of fresh water, I don't know how it will help those who have been swept away by the floods. I now join other Hon. Members to call upon the quick response of the team and we allocate funds we want the team to tell us how they have been using these resources because so far no one can testify that the disaster management Committee or team has done anything in any Ward. So I want to call upon this team and let us resolve as a House that if the team is incapable of doing it let us get some other competent people to do this work for the sake of our people. Otherwise I want to echo the sentiments raised by the two Hon. Members and I would wish to call upon the County government to come out as early as possible because it is still raining. Thank you Mr. Speaker.

The Deputy Speaker: Yes Hon. Mwaka.

Hon. Mwaka Bakari: Ahsante sana Bwana Spika kunipa nafasi hii, kwa kweli naunga mkono Mheshimiwa Faith, kwa sababu hili jukumu la hii athari ya maji ni kila mahali Mombasa nzima hakuna ambae hajaguswa. Mimi mwenyewe kwenye Wodi yangu nimeguswa; hata pahali pa kulala watu hawana ikiwa ni mitaa karibu tofauti tofauti. Kwa hilo tunaomba jukumu hili lichukuliwe kwa haraka sana, kwa sababu Mheshimiwa hapa amesema kwamba 2013 wimbo ulikuwa huu huu uliimbwa na sisi sasa tuko 2017 tunaimba wimbo huo huo. Kwa hivyo ninaomba jukumu hili lichukuliwe kwa haraka sana, sote Waheshimiwa sote tusimame pamoja na alivyosema Mheshimiwa Bwire tujue kweli ile rasilmali ya hili jukumu ama kitengo hichi kilicho tengewa pesa hizi zinafanya nini, kwa sababu ninaona ile timu ni ndogo haiwezi kuzunguka Mombasa nzima hawa watu. Kama jana sisi tumefanya kazi sisi na usiku huko Likoni Wodi ya Bofu na usiku, hivi nikwambiavyo wako kwangu sasa hivi Timbwani wanafanya hiyo mambo na tukisema hivyo ni kwangu, kwengine kuna bakia. Kwa hivyo hii timu ni ndogo inatakikana iongezwe wakati huu mgumu wa mvua. Ahsante Bwana Spika.

Chief Whip (Hon. Kitula): Ahsante Mheshimiwa Spika. Mheshimiwa Spika mimi pia nimeweza kusimama kutoa maoni; sisi ni viongozi tulioweza kuchaguliwa na wananchi na vilevile kuweza kutumwa na wananchi katika Bunge hili kuleta maono ya wananchi. Mheshimiwa Spika lazima tuseme ukweli, baadhi ya wananchi wetu kule mashinani wameweza kujenga nyumba zao katika sehemu ambazo ni barabara za maji. Kama serikali ya Kaunti ya Mombasa lazima pia tuweze kuchukua hatua ili kuhakikisha kwamba sehemu zile ambazo zilikuwa ni njia za maji, kama viongozi ambao tunawakilisha watu, tuweze kutambua sehemu zile ili baadaye tuweze kupata suluhu la kudumu. Sisi ni viongozi kusema kweli tusiogope lawama, nyumba nyingi zimeweza kuziba mikondo ya maji na haiwezi kuwa serikali ya Kaunti itakuwa wakati kama huu kuweza kutoa misaada pekee, itakuwa ni jambo gumu kabisa, lakini ni lazima sisi kama viongozi kuweza kufanya kazi karibu na wananchi kuweza kuhakikisha kwamba wale waliojenga katika sehemu ambazo ni barabara za maji kuweza kupatiwa barua kwa wakati unaofaa ili waweze kutoa sehemu zile ili maji yaweze kupita.

Jambo jengine Mheshimiwa Spika napenda kuchangia ni kwamba sisi viongozi tuko na *Ward Administrator* ambao hivi karibuni waliweza kufanyiwa mabadiliko na hivi sasa wako mashinani sehemu kadha wa kadha. Tunashukuru Mheshimiwa Abrari kuweza kuzunguka na baadhi ya wafanyi kazi na kutumia juhudi zake kama kiongozi kuweza kuhakikisha maeneo yale wameweza kufanya kazi. Mimi langu kuu Mheshimiwa kutoa maoni kwa viongozi wangu ni tusiweze kutegemea serikali ya Kaunti pekee ikiwa sisi viongozi tuko na wafadhili kule mashinani na makampuni ambayo yanafanya biashara, ambapo wanafanya biashara ya kusambaza maji machafu katika mashinani inaathiri watu wetu Mheshimiwa Spika. Tufuateni pia wale watu Waheshimiwa wenzangu tuweze kuwaambia ni vipi wataweza kusaidia watu wetu ingali wanafanya biashara katika maeneo yetu.

Kwa hivyo yangu ni hayo Mheshimiwa Spika na ningependa kutilia mkazo katika ushirikiano kati ya sisi na wanabiashara ambao ni wa kibinafsi. Ahsante.

The Deputy Speaker: Yes Hon. Renson Thoya.

Hon. Thoya: Thank you Mr. Speaker, am rising to support this noble idea that has been brought by Hon. Faith Mwende from Kipevu. We have been seeing these things over the television they were happening in other Counties Mai Mahiu, Turkana, Tana River, Kilifi but now it is reality we are now being viewed in the television by other Kenyans and because of this adverse effect of the rain onset, I would wish that the House or Hon. Members to come up with a Committee, temporary Committee to work hand in hand with the County disaster team, because if we are going to leave only that team for us to get appropriate information of what is transpiring at the grass root it is going to be very difficult.

So I'll be very happy if at all we will have a House Committee that will be working together with the team that is going to the field; I appreciate even yesterday at 2:00p.m until 7:00p.m we were with the team but there are situations that require immediate action, some of the team Members can not make those actions on the spot, so I felt like there is need to have a team that will be reporting to this House on a daily basis so that we may be in the picture of what is going on. Again previously there was a scenario like this; people ended up like taking soda and some slices of bread, we need to plan ourselves and plan very well because we understand the disaster has a given allocation and let us not..., somebody should explain some areas where by people's houses have been broken down by water, what is the scenario? How are we prepared? If I support this Motion, let us have a team that will be briefing this House on daily basis. Thank you.

Chief Whip (Hon. Kitula): Nina taarifa Mheshimiwa Spika.

The Deputy Speaker: Yes Hon. Kitula.

Chief Whip (Hon. Kitula): Ningependa kumuarifu Mheshimiwa Rebson Thoya kwamba haitakuwa na umuhimu ya kuweza kuunda Kamati kama hiyo ingali tuko na Kamati ya Utekelezaji katika Bunge hili ambayo ina majukumu kama hayo. Ahsante sana.

The Deputy Speaker: Thank you Chief Whip for informing the House, yes Hon. Feddis Mbura.

Hon. (Ms.) Mbura: Ahsante Mheshimiwa Spika kwa kunipa nafasi hii. Mimi pia naunga mkono hoja iliotolewa na Mheshimiwa mwenzangu kutoka Kipevu Mheshimiwa Faith. Kwanza kabisa mimi ningeomba ile Kamati ya Kaunti tuweze kuijua; kwa mfano mimi tayari sijui, nasikia wenzangu jana nilikuwa na wengine wanasema juzi walikuwa nao, wengine leo wako kazini lakini mimi sijui ile Kamati. Ningeomba nihusishwe nao kwa sababu Mwakirunge sasa hivi kusema kweli huko ndio kumeathirika kabisa; magari yanaenda chini, mito imevunja na mimi MCA kama sijui wahusika basi kusema kweli mimi niko kwa shida. Kwa hivyo kwanza kabisa tujuane na hao wenzetu ili tuweze kuwa na mawasiliano, likinipata nijue nalipeleka kwa nani alafu tuone mambo vile yatakavyoenda.

Pili kama Mheshimiwa Kitula alivyosema kwamba lazima tuelimishe watu wetu wasijenge kwenye njia za maji. Kusema kweli juzi nilipata habari kutoka Galana kuna nyumba na watu sita ndani yao walienda na maji na walizikwa jumamosi; sisi Mombasa tusingoje wakati huo ukatufikia, tujitayarisha, tuwe tayari tujikinge kwa hayo mafuriko, ahsante sana.

The Deputy Speaker: Yes Hon. Abrari?

Hon. Abrari Mohamed Omar: Ahsante sana Bwana Spika mimi naunga mkono hoja hii lakini mwanzo tungependa hichi kitengo cha kushughulikia majanga tukijue kwa sababu nina hakika hii mvua tulikuwa tunajua inakuja si kitu cha ghafla na kwa kweli imetupata sisi kama hatujajiandaa. Tukizungumza watu wetu mpaka watoto wa shule wameathirika maana shule zimejaa maji kama kule Kongowea kazi ni hiyo tu. Kwa hivyo mimi nasema namuunga mkono Mheshimiwa Thoya kwanza kuwe na Kamati ndani ya Bunge letu ambayo itakuwa inaangalia utendaji kazi kwa sababu hiyo Kamati iko mashinani ina utepetevu hakuna kazi ambayo wanafanya. Mimi nimepiga simu takriban masaa kumi na mbili kwa kitengo hichi kesho yake ndio walikuja tukasaidiana lakini wao wenyewe ndio waliniambia shida nyingi sana ambazo wako nazo, pili nasikia hata marupurupu hawana ndio kuna utepetevu wa kazi. Kwa hivyo ni vizuri sana tujue ni shida zipi wanapitia hawa watu, tukae chini na ile Kamati iandaliwe ndani ya Bunge ambayo itaangalia utendaji kazi yao. Ahsanteni sana.

The Deputy Speaker: Yes Hon. Hatimy?

Hon. Mohamed Hatimy: Mheshimiwa Spika ahsante kwa kunipatia nafasi, nafikiri tuko kwenye usingizi kwa kusema hivyo sisi tulipitisha sheria ya kuangalia majanga; *Mombasa County Disaster Preparedness and Management Act* lakini sifahamu kwa nini watu hungoja kutokea athari ndio watu husema kumbe kuna mvua ama jambo limetokea ambapo sisi tuko na hii sheria tuliitengeneza ilinichukua karibu miezi saba kuipitisha hii stakabadhi kwenye Bunge iliyopita, niliileta mimi kwenye hii Nyumba na ikatizamwa ikapita ikapelekwa kwa Gavana ikarudi mwisho ikapita na Gavana akaweza kuchagua Kamati ya kushughulikia majanga.

Lakini jambo la kusikitisha Mheshimiwa Spika ni kwamba sisi tuko usingizini; sheria hii inaeleza kila kitu lakini sijui tumelaaniwa ama ni vipi kwa sababu ni jambo la kusikitisha sana kuona watu nyumba zao zinasombwa na maji, watoto wanateseka tunaambiwa kwenye dini zote mpende mtu vile unavyojipenda sio sisi tuko kwenye majumba makubwa binadamu wenzetu wanateseka ambapo ingekuwa sisi tumechukua hatua za mapema kwa sababu watu wa utabiri wa hewa walikuwa wamesema kutakuwa na mvua kwa muda ya wiki mbili notisi ilitoka lakini sisi tulikuwa tumelala tu tuingoja mvua ije.

Manake Mheshimiwa Spika imekuwa hii Kaunti ni *management by crisis*, kwa hivyo sijui Kamati ya Utekelezaji iko wapi isimame ifuatilie jambo hili na ikiwezekana wiki ijayo ituletee ripoti...

(Interruption)

The Deputy Speaker: Hon. Thoya you are out of order!

Hon. Mohamed Hatimy: Kwa sababu Mheshimiwa Spika si haki wengine wawe wanalala vizuri wengine wanateseka; kuna watoto wanateseka kama ni watu wazima tungenesema watajitetea. Kwa hivyo twakuomba kupitia kiti chako na Nyumba hii Kamati ya Utekelezaji ije na ripoti kwa haraka iwezekanavyo ili tuweze kutatua jambo hili ili tuweze kuliweka katika kaburi la sahau sio watu kungoja mvua ikija ndio watu wanakwenda mbio. Huo ndio mchango wangu, ahsante Mheshimiwa Spika.

The Deputy Speaker: Yes Hon. Robert Nyiro.

Hon. Nyiro: Ahsante Mheshimiwa Spika, jambo hili nililiuliza kwenye Nyumba hii kuhusu utayari wa Kaunti katika mambo tunayotarajia ya mvua na pia nikaulizia mambo ya ukulima vile Kaunti imejitayarisha, je kilimo kikoje na pia mafuriko tumejipanga vipi. Nafikiri ripoti ilikuja kwamba Kaunti imejipanga lakini kujipanga kule hatukuoni katika matendo na inasikitisha katika ile ...hatufai kuwa na mafuriko kwa sababu sisi tuna bahari na maji yote yanayotoka bara yanamezwa na hii bahari. Hata wale wamepatwa na mafuriko Taita Taveta si kwamba kumenyesha ni maji yametoka bara ni kizazaa nafikiri Mungu Ametuzawadi lakini hatuoni vile Mheshimiwa Hatimy amesema tuko katika usingizi kwa sababu ni kutengeneza njia tu kwa sababu mimi mahali ninapoishi nyumba yangu ndio ya mwisho hapo baharini na kule Majaoni kuna njia Mungu Kaziumba tangu nizaliwe njia zipo za maji kwenda baharini na hivi sasa kule Bamburi pia kuna mafuriko na wakati binadamu wanaongezeka matatizo yanaongezeka manake binadamu ni wazito manake zile njia za maji zimejengwa. La ajabu ni kwamba wengine hupata vibali kutoka kwa Kaunti hii ya Mombasa mijengo imejengwa na ukiuliza utapata wana barua kuna *crisis* hapa Mombasa na lazima tujiangalie na tuwe wa kweli leo twazungumza mafuriko lakini kuna siku magorofa yatakuja kuanguka sababu wale wanaojenga kule mashinani hawajengi manyumba ya Kiswahili wanajenga magorofa.

Lazima tufanye jambo la haraka, ikiwa Mheshimiwa Opeya amesema mambo haya yalizungumziwa 2013 na mpaka sasa ni stori katika Bunge hili ina maana Bunge hili ni kama mtoto asiyekua kila wakati ni mtoto anataka kula ubwabwa hataki kula sima tuwache kuzungumza jambo na halifanyiki. Kuna jambo ambalo tunaweza tukafanya na kama tuna nguvu za kufanya jambo tafadhali tufanye hilo jambo; kwa maoni yangu naomba tufanyiwe *audit* wa ile timu ya kushughulikia majanga tuijue uwezo wake manake twaweza kubandika mtu mzigo akawa hana ubavu wa kuubeba na malalamishi tumeyasikia kutoka kwa Mheshimiwa Abrari kwamba hawana uwezo wa kuubeba ule mzigo tunaowabandika. Kusema kweli hawana mbavu za kuubeba ule mzigo; sheria inasema ukipatia mtu majukumu mpe na uwezo wa kutekeleza yale majukumu, sasa tumepeana majukumu mengi matarajio ni mengi na unasikia kila mtu anataka timu ya kushughulikia majanga iwe kwake kwa sababu mvua yanyesha sawia kila mahali.

Kwa hivyo vile mimi nataka mimi wa Bamburi ndio vile wa Mwakirunge, wa Likoni wanataka kwa wakati ule ule mmoja, la msingi ni kwamba lazima tuwe na akili timamu kwamba ikiwa haiwezekani wawe Bamburi, wawe Mwakirunge, wawe Likoni kwa wakati mmoja ni kwamba kuna tatizo labda ile timu ni ndogo, haijawezeshwa vya kutosha na lazima hayo pia tuyafikirie kama Bunge.

Kwa hivyo iwapo tutafanyiwa *audit* ya uwezo wa ile Kamati ya kushughulikia majanga basi lawama itakuwa ina mahali pake lakini sasa tunapeleka lawama mahali ambapo uwezo hauko, kwa hivyo ni vizuri kwanza tupate *audit* ya ile Kamati je iko na uwezo wa kufanya ile kazi ambayo tunawalalamikia? Na kama uwezo upo basi lawama iende nyumbani kabisa waelekezewe hilo lawama na wajibu.

Hivyo basi mimi ombi langu ni kwamba tuwafikirie nao kama uwezo wao uko finye, hawajawezeshwa vilivyo tuanzie hapo; mbona hawajawezeshwa na kuna kazi hii nzito ambayo kuhakikisha wananchi wetu wako salama kwa sababu ukiangalia kwamba mashinani hivi sasa Waheshimiwa hata wamekoma hata kuombwa zile shilingi za sijaamka ni maji yako nyumbani kwangu, maji yako nyumbani kwangu, ni maji yako nyumbani kwangu, na Waheshimiwa wengine hata mimi kwangu maji yashaingia hasa mimi yakiingia kwangu nachukua jembe na kuchimba mtaro lakini wananchi pia wanataka pengine uende na jembe pengine umchimbie manake anakuta wewe uko na jukumu la kumfanyia kazi kama hiyo. Kwa hivyo tufanyiwe *audit* ya ile timu kama je iko na vifaa vya kutosha na ina uwezo huo wa kufanya kazi halafu kama uwezo uko basi tuone ni kwa nini kazi haifanyiki, hayo ndio maoni yangu. Ahsante Mheshimiwa Spika.

Hon. Mohamed Hatimy: Kwa mujibu wa sheria ripoti yetu asilimia mbili ya zile pesa zetu ya kwenda kwa dharura ya Kaunti kwa hivyo kujulisha Mheshimiwa Nyiro ama Bunge ni kusema kuwa waitupe sababu ya kuwa hawana uwezo asilimia mbili ni pesa nyingi sana, tuseme leo uwe na asilimia mbili ya bilioni 12 na majanga hayatokei mara mbili, mara tatu kwa mwaka. Kwa hivyo hizo pesa ni nyingi wasituletee habari ya kuwa hakuna pesa; hivi tunavyosema Mheshimiwa Spika kuna Kamati ambayo ilichaguliwa na Gavana na kwenye sheria iko Kamati tujue ni kina nani na inafanya kazi vipi, waingie kwenye kazi haraka vile inavyowezekana.

The Deputy Speaker: Yes Hon. Faith before you respond, yes Hon. Abrari?

Hon. Abrari Mohamed Omari: Ahsante Mheshimiwa Spika namshukuru sana Mheshimiwa Hatimy kwa kutujulisha hasa kuwa asilimia mbili huwa inaenda kwenye kushughulikia majanga, ni vizuri sana tumejua hivyo ndio kwamba sisi tunataka kama Mheshimiwa Nyiro alivyosema tunataka kujua hasa hii asilimia mbili inayokwenda kwenye kushughulikia majanga imetumiwa vipi muda huu, kwa sababu hili janga hili si janga ambalo linakuja mwaka mzima ni janga ambalo linakuja kwa msimu pekee yake, hatuna majanga kila siku ni msimu pekee yake. Kwa hiyo kwa msimu huu ikiwa wao hawajawajibika katika majukumu yao ni lazima waje watueleze hasa pesa hizo wamezitumia kiviipi. Ahsante sana.

Hon. Thoya: Hon. Hatimy has clearly indicated that the said Implementation Committee should enhance or come up very quickly. I think the best thing is the said Committee should summon or invite that Committee to the House at the Committee room to gather all these facts so that the Chairman of Implementation can bring this information to the plenary and that information has been given out to the House by Hon. Hatimy. So as at now maybe we will be just getting here and there but because it is an emergency I just have a feeling that even the Chairman of the Implementation Committee is supposed to be instructed or orders by the Speaker that tomorrow morning they call the Committee to the meeting because there's no need of maybe writing seven days before whatsoever all those should be set aside, they must be given an immediate emergency invitation to the Committee Room to give all the necessary facts about the same. Thank you.

The Deputy Speaker: Thank you Hon. Members it is now upon the Mover to respond, yes Hon. Faith Mwende?

Hon. (Ms.) Boniface: Ahsante sana Mheshimiwa Spika mwanzo kabisa ningomba kuwashukuru wenye wamechangia katika hoja hii kwa kweli ukisikia kilio cha Waheshimiwa wengi ni kilio cha kila mmoja.

Wengi wetu tumefanikiwa tunaishi kwa majumba mazuri lakini kuna wakaaji pale chini ambao hata pa kulala leo hii hawajui watalala wapi, na vile tumesema Kamati ya Utekelezaji ichukulie hili jambo kwa haraka sana. Tungeomba hata ingewezekana hata leo ni vyenye tu muda umeenda lakini ingewezekana hata leo wangeita hii timu ya kushughulikia majanga tujue hizo pesa zetu zinatumika vipi, kwa vile yule mwananchi anajua ashatoa *abcd* mpaka nifanyiwe nini? Kwa hivyo lazima watu wawajibike na tuweze kutoka kwenye usingizi tuliolala. Ahsante sana Mheshimiwa Spika.

(Applause)

The Deputy Speaker: Hon. Members now that you have exhausted on the debate of the Motion, Members whatever that you have proposed the Implementation Committee will be notified by the Table Clerks of the resolutions because it is not part of the prayers from the Mover of this Motion but they will be notified by the Table Clerks.

(Question put)

So I now put a question that the Motion on County Disaster Preparedness during the rainy season by Hon. Faith Mwendu be considered by this Honorable House in the same terms as moved.

(Question put and agreed to)

...Yes Clerk?

ADJOURNMENT
