

MOMBASA COUNTY ASSEMBLY**HANSARD REPORT**Tuesday, 2nd May, 2017

The House met at 2:18p.m.

*(Deputy Speaker (Hon. Mswabah Rashid) in the Chair)***PRAYERS****Deputy Speaker** (Hon. Mswabah Rashid): Members may you sit down. Clerk?**NOTICE OF MOTION**

Hon. Murfad Amur.

Hon. Amur: Thank you Mr. Speaker. I stand to put a Notice of Motion on blockage of road drainages due to rains within the County.

Mr. Speaker Sir, I beg to give Notice of Motion.

That aware that, it is the mandate of the County government to ensure proper drainage systems on the roads under the Fourth Schedule part two sub section (5a) of the Constitution of Kenya 2010.

Further aware that, poor drainage systems and lack of proper garbage collection on roads within the County causes clogging and blockage of the system.

Mr. Speaker Sir, Concerned that ongoing rains are causing floods leading to oversaturated soils swelling causing structural foundation damage, severe distress and damage of pavement, and sickness as a result of breeding mosquitoes among other effects.

I therefore urge the Assembly to resolve that; the department of roads and infrastructure to ensure that the drainage are unclogged; the department of Environment to ensure that they sweep the roads and collect the garbage to avoid clogging of the drainage.

I beg to move this motion...
