Mr. Speaker I have stood up to explain myself and thereafter request from your Chair that you give me up to next week on the Thursday so that i bring this Report in the right way. But I have ruled, do you have anything, Yes, Hon...

Hon. Siminyu: Mr. Speaker we respect your ruling but this matter has been brought to this House and not the first time and we need answers; public resources and they are destroying the image of this County and the Governor plus the Members of the County Assembly because our work and our duty is to make sure that public resources are well utilized not be misused like the way they misuse our vehicles and it will (??) no time for services. Mr. Speaker the concerned Committee should bring it, be it that they should be no postponing of this matter to the end of June 16. Thank you, Mr. Speaker.

Deputy Speaker (Hon. Mswabah Rashid): Yes Hon. Fadhili what is it?

Hon. Mwalimu: Ahsante Mheshimiwa Spika. Mheshimiwa Spika hata mimi nilikuwa nimesimama na naongezea aliyozungumza ndugu yangu Mheshimiwa Patrick Siminyu. Mheshimiwa Spika twaheshimu uamuzi wako lakini tukiangalia swala hili limeletwa kitambo ndani ya Bunge hili na kila tunapoendelea kulilalia swala hili pesa za wananchi, pesa za umma zinazidi kupotea na mimi binafsi nakemea swala hili na nina imani WaBunge wote wa Bunge hili la Kaunti pia wanakemea sana swala hili tutaendelea kuishi vipi tukiona magari ya Serikali yakiwekwa yakiegezwamaeneo, maeneo ambayo hata hayastahili...

Deputy Speaker (Hon. Mswabah Rashid): It is not that what is talking will going to change my decision...

(Applause and laughter)

Hon. Mwalimu: Ahsante Mheshimiwa Spika. Mheshimiwa Spika, nafikiri nilianza kusema kuwa twaheshimu uamuzi wako na wala sikusimama kusema kuwa napinga uamuzi wako, lau ningesimama na kusema napinga uamuzi wako hapo ningekuwa naenda kinyume na maadili ya Bunge hili lakini tu naomba wakati umempatia hiyo wiki ijayo basi uhakikishe Kamati hii chini ya Mwenyekiti Mheshimiwa Mohamed Ndanda....

Hon. Mwalimu:lakini tu naomba Mheshimiwa Spika wakati mumempatia hiyo wiki ijayo basi Mheshimiwa Spika uhakikishe Kamati hii chini ya Mwenyekiti Mheshimiwa Mohamed Ndanda wataleta Ripoti hii katika Bunge hili maana yaonekana ni uzembe wa ile Kamati kutokuleta majibu ndani ya Bunge hili. Ahsante Mheshimiwa Spika.

Deputy Speaker (Hon. Mswabah Rashid): Yes Clerk.

STATEMENT

Yes Hon. Fadhili.

Hon. Mwalimu: Ahsante sana Mheshimiwa Spika. Mheshimiwa Spika Kamati yangu bado tunaendelea kutengeneza hii Ripoti, nina imani tutaweza kuleta Ripoti hii tukiwa tumemaliza kuitengeneza vilivyo maana hili suala lilikuwa na utata mwingi ndani yake na nina imani Waheshimiwa wote wanakubaliana na mimi lakini vile vile tumeona kuwa kidogo maji yameanza kutoka na....

(Interruption)

Deputy Speaker (Hon. Mswabah Rashid): Yes Hon. Prischillah.

Hon. (Ms.) Prischillah Mumba: Ahsante Mheshimiwa Spika nimesimama hapa kufahamisha Nyumba kwa sababu Mheshimiwa alieko katika kuzungumza sasa hivi ametoka kumshutumu Mheshimiwa mwenzake na kusema jinsi anavyozembea katika kufanya majukumu yake na yeye sasa ni kama kiongozi wa hii Kamati ameanza sasa hadithi za elfu ulela hapa na ametoka kumshutumu mwenzake je hivi anavyofanya kama kiongozi ni sawa na yeye manake ametupeleka katika uongo wa kutuambia muktadha mwingi na ilhali yeye pia amekuwa akitupitisha, kwa hivyo pia yeye leo twaomba atupe Ripoti aache mambo mengi.

Deputy Speaker (Hon. Mswabah Rashid): Yes Hon. Patrick Siminyu.

Hon. Siminyu: Mr. Speaker when you point a finger look at how many fingers are pointing at you. Mr. Speaker we have postponed this statement more than three times and in fact it was postponed to this Committee where the other Committees have failed and this PAC Committee is failing again. Mr. Speaker we need to have answers for Mombasa people, people are suffering, diseases are being reported during this raining time and we need answers and if the Committee has failed then let it be dealt with the other Committees and if it doesn't have the power let the Committee tell us when they will bring this Report because I know I understand they have done nothing about this.

Deputy Speaker (Hon. Mswabah Rashid): Yes Hon. Stephen Wangudi.

Hon. Wangudi: Ahsante sana Mheshimiwa Spika kwa fursa hii na mimi niongee kwa kifupi kuhusu suala hili. Mheshimiwa Spika kwa hakika....

(Interruption)

Hon. Mwalimu: Point of order Mr. Speaker.

Deputy Speaker (Hon. Mswabah Rashid): Yes.

Hon. Mwalimu: There's no quorum.

Deputy Speaker (Hon. Mswabah Rashid): Clerk can you ascertain if there's quorum, Hon. Nasser you can have a seat please.

(Clerk confirmed lack of quorum)

(Applause)

Sergeant at Arms can you ring the bell, Hon. Prischillah Mumba whip the Members.

(Sergeant At Arms rung the quorum bell)

(Loud consultations/applause)

Thank you very much Deputy Chief Whip, yes Clerk can you ascertain now if there is quorum.

(Clerk confirmed quorum)

Thank you very much, yes Honorable.

Hon. Wangudi: Ahsante Mheshimiwa Spika. Mheshimiwa Spika nilikuwa nimesimama kudai Ripoti hii ambayo imechukua mda Mr. efu na napongeza kwa kuwa wale ambao wamezungumza wanasema...Wahenga waliotangulia walisema, 'mkuki mtamu kwa nguruwe na kwa binadamu mchungu' na hivi sasa naona vile Mheshimiwa...koti hii anavyo tapatapa na maneno ameshindwa na la kusema hana ufahamu iwapo anastahili kuleta Ripoti kwenye Jumba hili na hivi sasa anadai kwa sababu hii si kwa manufaa ya Bunge hili tu lakini kwa manufaa ya wakaazi wa Mombasa. Mheshimiwa Spika tunahitaji Ripoti hiyo kama si sasa ni sasa hivi Mheshimiwa Fadhiili atuambie hii Ripoti tumpe dakika ngapi atoke pale atuletee iwapo hawezi nawewe uchukue hatua kutoka kwa kiti chako chenye mamlaka. Ahsante Mheshimiwa Spika.

Deputy Speaker (Hon. Mswabah Rashid): Yes Hon. Mary?

Hon. (Ms.) Akinyi: Thank you Mr. Speaker sir. Mr. Speaker Sir this business has been brought into this House for more than four times so I may ask through your Chair we give it a natural death. Thank you Mr. Speaker.

Deputy Speaker (Hon. Mswabah Rashid): Yes Hon. Saad Faraj?

Hon. Faraj: Thank you very much Mr. Speaker for this opportunity. Mr. Speaker first and foremost we as a House considering the fact that we have been here for the past four years it is as if we do not understand our responsibilities in this House, the statement which was requested was with regards to the scarcity of water in Mombasa County and we have a fully fledged Committee which deals with water and sewerage in this Assembly. Mr. Speaker it's very unfortunate that today we are deliberating on a matter that should have been dealt with a Committee which exists in this House.

(Applause)

Deputy Speaker (Hon. Mswabah Rashid): Yes Hon. Patrick?

Hon. Siminyu: Mr. Speaker I hope Hon. Faraj was around when this Motion was brought at the first time, it was directed to the relevant Committee then and the Committee failed and it was redirected to the other Committee, Mr. Speaker I just want to make my colleague to understand the position. Thank you, Mr. Speaker.

(Interruption)

Deputy Speaker (Hon. Mswabah Rashid): Honorable what is it, because Hon. Saad Faraj is still on the floor, are you up on a Point of order?

Hon. Kibwana Swaleh: Yes.

Deputy Speaker (Hon. Mswabah Rashid): You up on a point of order?

Hon. Kibwana Swaleh: Yes exactly Hon. Speaker, I think Hon. Speaker when you look at the Paper Mohamed Hatimy is also a Member of the Public Accounts Committee so I think regarding the issue of replacing the statement from the Public Accounts Chair and am also a Member I think there is some conflict of interest somewhere Mr. Speaker.

Deputy Speaker (Hon. Mswabah Rashid): Yes Hon. Saad Ahmed Faraj.

Hon. Faraj: Mr. Speaker I understand that the Hon. Member for Tudor Hon. Patrick Siminyu has brought with regards to this matter; saying that the Committee was not able to address this matter does not justify this problem to be sent to another Committee. We know the procedures of dealing with such issues we have our Standing order here and if a Committee is incompetent we know what we are supposed to do with that particular Committee but not to redirect this to another Committee which is not even supposed to deal with these matters. Thank you.

Deputy Speaker (Hon. Mswabah Rashid): Members I think this matter was here before us for quite a long time and it was directed to the Committee of Water but before it was finalized there were some allegations of corruption and a Member of Public Accounts Committee by the name Hon. Mohamed Hatimy requested that this matter should be investigated by the Public Accounts Committee. That is why this matter has found itself in the Committee of Public Accounts Committee so Hon. Fadhili I think your Committee was supposed to investigate this matter because they were allegations of corruption. Now Hon. Fadhili this thing has been around for a long time I think next week Thursday will be the final day, you cannot do away with it then this matter will be taken back to the Committee of Water. Yes Hon. Fadhili.

Hon. Mwalimu: Thank you Mr. Speaker. Mr. Speaker as I said and I think it is in the Hansard records, we as Public Accounts Committee are dealing with corruption issues at the Mombasa Water Board Mr. Speaker. Thank you. Mr. Speaker the issue of scarcity of water....

(Interruption)

Deputy Speaker (Hon. Mswabah Rashid): Is due to corruption.

Hon. Mwalimu: Mr. Speaker the issue of scarcity of water lies with the Water Committee of which the Hon. Chair left some few minutes ago. Mr. Speaker that is why I said we were still waiting to hear from the other Committees for us to compile a good Report to Report back to this Hon. House. Mr. Speaker the corruption issues as you have given us until next week Thursday the Public Accounts Committee we will try our level best to summon the Members from the Water Board to come and respond. And Mr. Speaker we will also ask the Hon. House to give us time to go and compile a Report because it is not a small issue, it is not an issue to be deliberated on just one or two hours, we are talking about millions of money that are being lost. So Mr. Speaker I will ask this Hon. House to accord the Public Accounts Committee time for us to go and compile the said Report, and as I said it is a Report that we will engage the other Committees also so through your Chair am asking for about three to four days for us to compile that Report. Thank you, Mr. Speaker.

Deputy Speaker (Hon. Mswabah Rashid): Okay, what I said stand by Thursday this House should have a Report from Public Accounts Committee failure to that this matter will be returned back to the Committee of Water, thank you. Clerk?

MOTION

Hon. Mary Akinyi.

Hon. (Ms.) Akinyi: Thank you Mr. Speaker. Mr. Speaker Sir I wish to table a Motion on the fumigation due to outbreak of Dengue fever.

(Hon. (Ms.) Akinyi tabled the Motion)

FUMIGATION DUE TO DENGUE FEVER

THAT AWARE that under Part Two (2) (c) of the Fourth Schedule of the Constitution of Kenya 2010; County Health Services including in particular promotion of primary health care is a function of the Country Government;

FURTHER AWARE that cases of people suffering from Dengue fever and Malaria has been on the rise in the County since the onset of the rains due to increase in the number of mosquitoes breeding. Fumigation will help reduce breeding of mosquitoes;

CONCERNED THAT Dengue fever has no known cure and in severe cases may lead to death.

I therefore urge this Assembly to RESOLVE that:

The County government of Mombasa through the Department of Health carries out fumigation as a method of controlling insects especially mosquitoes to alleviate the dengue fever outbreak.

I wish to table the Motion and I may ask Hon. Fadhili Mwalimu to second the Motion.

(Hon. Mwalimu bowed to second the Motion)

(Question proposed)

Deputy Speaker (Hon. Mswabah Rashid): Thank you very much. Members I will propose the question, fumigation due to outbreak of Dengue fever in Mombasa County Executive. Yes Hon. Mary Akinyi.

Hon. (Ms.) Akinyi: Ahsante sana Mheshimiwa Spika. Mheshimiwa Spika kama vile Kaunti yetu sasa hivi tuko na ugonjwa unaitwa *Dengue*; na huu ugonjwa unaweza hata kuua. Hivyo basi ndio ningeomba serikali hii yetu ya Kaunti ifanye vile ilivyo kuwa inafanya, kwa kunyunyiza dawa kila baada hata ya miezi mitatu isipite. Kwa hivi sasa huo ugonjwa umeenea na watu wanaugua sana Mombasa hii yetu. Na Mheshimiwa Spika, ugonjwa huo wa *Dengue fever* huletwa na mbu jike, ambaye huwa wanauma hata wakati wa usiku wa manane. Huu ugonjwa wa *Dengue fever* unaletwa na mbu ambao wanauma mchana; hivyo basi ndio ningeomba kupitia hili Jumba Kaunti yetu ianze haraka iwezekanavyo, iweze kunyunyiza dawa kila mahali ili iweze kuua wale mbu ambao wana zaana, ili tusipoteze watu katika hii Kaunti yetu, kwa sababu ya ugonjwa huu wa *Dengue fever* ambao ni ugonjwa wa virusi. Mheshimiwa Spika ni ugonjwa ambao hauna dawa, na dawa yake ili tuweze kuweza kuthibitisha ama kuweza kuinga ugonjwa huu, ni lazima serikali ya Kaunti kupitia katika kitengo cha afya, ijitoe kimasomaso kwa kuweza kunyunyiza dawa katika Kaunti hii yetu nzima. Mheshimiwa Spika, hata hivi ninavyo ongea kuna Waheshimiwa karibu watatu hapa ambao saa hizi wanaugua *Dengue fever*. Kwa hio ili tusijichimbie makaburi yetu afadhali kuinga kuliko kutibu. Ahsante sana Mheshimiwa Spika.

Deputy Speaker (Hon. Mswabah Rashid): Yes Hon. Sheila Mumba.

Hon. (Ms.) Sheila Mumba: Ahsante sana Mheshimiwa Spika, nimesimama pia kuunga mkono hoja iliyoletwa na Mheshimiwa Mary Akinyi, na nimesikia kudhalilika kwa hili jambo sababu kusema ukweli mimi nimekulia katika malandi ambayo tutasema yanaitwa Buxton na ikiwa nimezaliwa na kukulia pale udogoni mwangu nikikua hizo nyumba zilikuwa zinanyunyiziwa dawa, kila baada ya miezi kadhaa, tunaona watu wanakuja na kunyunyiza dawa, kwenye mashimo wananyunyiza, kule nje kwenye manyasi, lakini hayo mambo yanaonekana yamepotea kwenye kaburi la sahu, kwa sababu hata kutoka nifikie hapa tu miaka minne niliyokuwa hapa kumekuwa na mvua zikipita, kiangazi, sijawahi kuona hata siku moja tukitembelewa katika mitaa ambayo tunaijua hata ni ya Kaunti, ni ya nyumba za Kaunti kuweza kuangalia usafi, kuweza kuangaliwa usafi, kuweza kuangalia mitaa kama inahudumiwa kupigwa

dawa maumbu, kombamwiko hata mapanya yanaingia. Hivyo ni baadhi ya vitu ambavyo vinaleta mkurupuko wa maradhi mara moja kama haijaangaliwa, na tunajua sisi kama katika Kaunti tuna wizara yetu ya afya ambayo inatakika iwe na kitengo cha kukimu hayo madawa na kuangalia jinsi watakavyo kinga mbu na maradhi mengine ambayo yanaweza kutafutiwa mbinu ya kukingwa kwa kutumia madawa ya kunyunyizwa. Kwa hivyo nasikia pia mimi kuunga mkono Mswada huu wa sababu gharama siku hizi za matibabu ziko juu na wakati utaona mtu anapelekwa kwa homa ya *Dengue* hata kuna wengine hata hawajatambua ugonjwa wa homa ya *Dengue* unakuja vipi na malaria. Kwa hio inakuwa vigumu kuelewa kitambo mtu aelewe mtu wake ana homa ya *Dengue* ametibu malaria mpaka amechoka na pia awe pengine ni mtu wa haraka ya kutaka kuchunguza zaidi maisha saa hizi ikiwa unga wenyewe ni shida hiyo kutibu mtu ataanza kutibu wangapi ikiwa wawili watatu na ina masharti tofauti. Kwa hio tuangalie afadhali tupunguze gharama zengine kwa kutumia serikali ya Kaunti na kitengo cha afya kiangalie jinsi kinavyoweza kukinga maana tunaamini kinga ni bora kuliko kutibu, kwa hio naunga mkono kikamilifu huu Mswada na tunaomba uweze kutekelezwa maana tunaona hayo matatizo makubwa, ahsante Mheshimiwa Spika.

Deputy Speaker (Hon. Mswabah Rashid): Yes Hon. Patrick.

Hon. Siminyu: Thank you Mr. Speaker for this opportunity, i also have been in Tudor estate and I represent them today, when we were young we used to see vehicles fidgeting over the years; i don't know people were wiser then or what changed. Mr. Speaker prevention is better than cure and if we treat these areas that are affected mosquito diseases then we are going to save this County a lot of money, i support this Motion so that our people can get better services instead of feeding a hospital with patients suffering from a disease which can be controlled. We need to start ways of preventing this disease and one of the ways is spraying our estates and places where there are ponds which create a conducive environment for mosquito breeding. I fully support this Motion.

Deputy Speaker (Hon. Mswabah Rashid): Yes Hon. Mary Akinyi can you reply to the Motion.

Hon. (Ms.) Akinyi: Ahsante sana Mheshimiwa Spika, narudisha shukrani za dhati kwa wale ambao wamechangia huu mjadala na naomba Nyumba hii tuweze kuipitisha, kuweza kunyunyiza dawa ili tuweze kumalizana na huu ugonjwa wa homa ya *Dengue*, tukimalizana na homa ya *Dengue* tukaweza kuzuia hata msongamano katika hospitali pia itakuwa vizuri, naomba Nyumba hii muendele kuniunga mkono na nawashukuru tupitishe na tukishapitisha wale watekelezaji waanze kutekeleza. Ahsante sana, Mheshimiwa.

Deputy Speaker (Hon. Mswabah Rashid): Thank you Hon. Members, in the absence of further debate I will put the question it has been asked that the County government of Mombasa through the department of health carry out a fumigation; a method of controlling insects specifically mosquitoes to affiliate the dengue fever outbreak.

(Question put and agreed to)

Yes Clerk?

MOTION

Members Hon. Jimmy Odari has called me and said he isn't feeling well.

Hon. Kasangamba: He also called me.

Deputy Speaker (Hon. Mswabah Rashid): Then he called everybody; I think the message is the same so...

(Interruption)

Hon. (Ms.) Akinyi: May I give the message.

Deputy Speaker (Hon. Mswabah Rashid): I will give it myself because the three of you want to give the message and the message is the same so I will give the message myself.

Hon. (Ms.) Akinyi: Mr. Speaker he is among the Members who are suffering from Dengue fever.

Deputy Speaker (Hon. Mswabah Rashid): Thank you very much for telling the House, he told me he is sick I don't know which disease and Hon. Jimmy Odari is a person; a respected person he doesn't lie so when he says he is sick I know he is, so he had asked for permission that his Motion to be taken back to HBC so that it can be allotted a date next week. Thank you and I agreed to that, yes Clerk.

ADJOURNMENT

Members this House is adjourned until next week, thank you.

The House rose at 3:33p.m.
