COMMUNICATION FROM THE CHAIR

Yes Clerk, Hon. Members i am putting into consideration the Motion and it was passed yesterday concerning facilitation of KCPE candidates with success cards and lunch.

So Members be aware and make arrangements with the Department of Education with the Headmasters concerning the issue to make plan of the food and the success cards so as to reach the candidates. Yes Clerk.

PAPER

Chairman of the Finance Committee, the Report on remittance of gratuity, yes Hon. Amur Murfad.

Hon. Amur: Mr. Speaker the matter is very sensitive, I want to believe that according to this matter now it has been brought many times before the Members...

(Interruption)

Temporary Speaker (Hon. Mwalimu): Yes Hon. Caro.

Hon. (Ms.) Auma: Mr. Speaker i support the Statement that has been said by Hon. Amur because it is true that the matter is sensitive and we received statement from LAPFUND and it is so amazing by the way.

In fact i can't even explain it because i was shocked...!

(Interruption)

Temporary Speaker (Hon. Mwalimu): Is it amazing or shocking.

Hon. (Ms) Auma: It is amazing in a way that i was shocked. Mr. Speaker Sir it is the correct way so it is better to have the Finance Committee Members to explain to us what's the way forward concerning this issue...

Temporary Speaker (Hon. Mwalimu): Hon. Members I believe every Member received his or her statement from LAPFUND, there is a lot to be discussed.

Now that also the Chairman of Finance is around am sure he will add something on this issue unless he's got a Paper. Yes Hon. Hatimy, the issue on gratuity, do you have the paper?

Hon. Mohamed Hatimy: Yes Mr. Speaker.

Temporary Speaker (Hon. Mwalimu): You have the Paper then proceed, Hon. Hatimy I was saying that the Hon. Members have received their statements from LAPFUND.

For me I think that it will be the betterment of the Paper that you are to lay in this House; first sit with the Hon. Members and see to their concerns.

They have said that what they have received is shocking, so for me I think it is better we postpone this Paper today and you accommodate whatever they have in the Report so that it won't be shocking anymore.

Hon. Mohamed Hatimy: Thank you Mr. Speaker. Mr. Speaker I have no objection but let me say this is not the way to work, you cannot hold me at a gunpoint to say that there is a Report and I know nothing about it.

Mr. Speaker the proper way for that the Report to be tabled before the Finance Committee first before they come into this House, so the way they are doing this business activity is not right. Thank you, Mr. Speaker.

Temporary Speaker (Hon. Mwalimu): And that was what I directed the House that the Hon. Members will sit with the Finance Committee for them to raise their concerns and Hon. Hatimy other Members are raising their concerns that the Report will be allowed or will be given entrance to this House.

So I hope the Chairman of Finance will call a meeting with the Hon. Members so the Hon. Members for you to get what is concerning the Members so let us hold the meeting as soon as possible and we need the report by Wednesday next week afternoon.

Hon. Hatimy we will need that Report.

Hon. Mohamed Hatimy: Okay Mr. Speaker Sir.

Temporary Speaker (Hon. Mwalimu): Yes Clerk.

Hon. Boma: Thank you Mr. Speaker I wish to table the Report on draft Mombasa County Land Policy.

Mr. Speaker Sir I want the Report to be discussed on Wednesday next week. Thank you.

Temporary Speaker (Hon. Mwalimu): Hon. Members it seems that the Deputy or Vice Chairman for Land wants you Members to go through this Land policy that is why he is giving you ample time for you to go through this land policy and as he has stated he wants it come back on Wednesday morning.

So I hope by that time Members would have gone through that Report and wherever you will feel that you want to amend or you want to put any input the Report will be discussed on Wednesday morning. Yes Clerk.
