COMMUNICATION FROM THE CHAIR

REQUESTS FOR STATEMENTS HAPPENS ON WEDNESDAY AFTERNOON

The Speaker (Hon. Joel Karuri): Hon. Members, you are reminded that request for Statement or should any Member have a Statement request any information that they want to seek from any Department, they need to do it in this House and of course request that Statement from the Chairman of that Department. Requests for Statements happen on Wednesdays afternoon and therefore it is good to put that clearly so that we are aware that it does not happen on any other day.

Further to that, you are reminded that should you have any House Business or any other matter that you want to raise through the floor of the House through a Motion, a private member's Bill or any other Petition that you want to facilitate, you need to see any clerk at the Table or any clerk who sits in Committee or specifically you could see the Director Committee Services or the Director Legislative Services so that you are able to generate any Business that you feel you need to have it discussed in the floor of this House.
