**PRAYERS**

**The Temporary Speaker** (Hon. Amriya Juma): Members you May be seated. Yes, Clerk?

**MOTION**

RESOLUTION TO PETITION THE NATIONAL ASSEMBLY ON COUNTY WARDS EQUITABLE FUND

*[Resumption of Business interrupted on November 29<sup>th</sup>, 2022 during the 17<sup>th</sup> Sitting from 10:20a.m ]*

Honourable Members, we may now continue with the debate that was interrupted in the morning Sitting Tuesday today 29<sup>th</sup> November, 2022. Yes, Honourable Juma Manuari?

**Hon. Juma Manuari:** Ahsante Bi. Spika kwa kunipa nafasi hii ya kuchangia mdahalo huu ulioletwa asubuhi na ndugu yangu Katana. Bi. Spika, Waswahili wana msembo wao husema, sauti ni dhahabu lakini kimya ni almasi; mdahalo uliokuwa asubuhi mimi sikutoa sauti kuipata dhahabu lakini nilikuwa kimya ili nipate almasi na kwa muda huu Mheshimiwa Spika, kutokana na hoja ya ndugu yangu aliyoileta katika Jumba hili ya maswala haya ya pesa sawa za maendeleo nyanjani ama wazungu wanaita *County Equitable Development Fund* mimi kwanza naunga mkono Mswada huu wa kakaangu. Kwa sababu matarajio ama mategemeo ya mwananchi kule nyanjani ni kuwa tumempitisha MCA ama tumempitisha kiongozi wa Wadi ili aende atuletee maswala muafaka katika jamii ama atuletee muongozo katika jamii, wakati matarajio yake na majukumu ambayo yalikuwepo kwa wakati uliopita ni tofauti. Ndio ile inafikia baada ya miaka ya kuhesabu ya huduma, ikifikia ule muda kuwa anatarajia kuwa kiongozi arudi tena, anaenda na maswali akiulizwa alifanya nini kwa miaka yake mitano! Imekuwa ni ngumu sana sisi wateuliwa wa Wadi kutekeleza majukumu yetu kwa uzito kwa sababu tumepewa jembe lakini tumefungwa mikono, ila leo kutokana na ndugu yangu Katana kuleta Mswada huu, kwanza nimpe pongezi katika mmoja wa wale wanao tuwakilisha katika lile Bunge la CAF na imekuwa rahisi kwetu kujua mengi yanayo jadiliwa ili yatufae na yafae jamii ambazo wanatarajia mengi kutoka kwetu.

Mheshimiwa Bi. Spika, katika Wadi yangu ninayotoka, katika Wadi zote za Likoni, pale pangu ninapotoka sikujaaliwa mimi kuwa na zahanati ama huduma yoyote ya afya lakini kutokamana na Mswada huu, tukiupitisha na Kaunti zote 47 wakubaliane nasi kuwa sote tuubebe kwa sauti moja na tupitisha na kutokana na kifungu cha Katiba ya nchi yetu 119 ama 37 kinachotupa nafasi sisi kujieleza na kulituma Bunge la Kitaifa kuwa twaweza kurekebisha neno na tukahakikisha Bunge lile tuwalituma ili litusawazishie maneno yetu. Sisi leo twazungumza Mswada huu kupitisha kwa sababu natarajia kuwa, itakapo pita katika Bunge la Kitaifa sisi tutakuwa na nafasi muafaka hata lile ninaloliwazia katika Wadi yangu itakuwa rahisi mimi kulifanyia kazi, Itakuwa rahisi mimi kusema leo katika Wadi yangu nataka nipewe kitu fulani, nifanye kitu fulani kutokamana na Kamati ambayo itakuwa katika muelekeo ule itakuwa kwangu rahisi. Bi. Spika, ndugu yangu Katana ameleta swala zuri ambalo hili swala sisi kama watu katika hii Nyumba sote tegemeo letu ni swala hili moja, kwa hivyo Mheshimiwa Spika sitaki kuongea mengi zaidi kwa sababu nasikia kidogo nilivyotoka kula chakula cha mchana tumbo lanisokota ila kwa hayo machache ambayo nimeyazungumza, mimi naunga mkono Mswada huu wa ndugu yangu Katana. Ahsante sana.

**The Temporary Speaker** (Hon. Amriya Juma): Thank you Honourable Juma Manuari. Yes, Honourable Senior Maimuna.

**Hon. Maimuna Mwawasi:** Ahsante sana Bi Spika. Mimi nimesimama kuunga mkono hoja hii kwa sababu wananchi walio wapigia hawa wenzetu kura wana matarajio mengi sana kuhusu mwananchi na kila uchao Mheshimiwa MCA ndio mwenye mamlaka mengi kwa mwananchi kwa sababu MCA yuko mashinani na wapigaji kura; sio sawa na Mbunge ambaye ameenda Bunge la Kitaifa. Kwa hivyo, mimi naunga mkono kwa sababu huu Mswada ukipita basi hawa ndugu zetu wataweza kufanya kazi nzuri na wananchi watakuwa wameweza kufanya kazi na wananchi watakuwa wameweza kufurahia kazi ya MCA. Jambo lengine ni kwa sababu gani naiunga mkono, naunga mkono kwa sababu hawa wananchi walio tuchagua matarajio yao mengi ni kutegemea MCAs, na ikiwa MCA atakuwa ana uwezo wa kusema barabara hii kwa idara ya usafiri wa umma iweze kutengezwa ama ako na hiyo *Ward Development Fund* waweze kuziangalia kama vile wale wengine wanavyo ziangalia basi tutakuwa tumetimiza ule uongozi wa Mashinani. Kwa sababu tukisema uongozi wa mashinani, hakutakuwa na uongozi bila kuweza kutenda; hivyo vitu ama bila kuweza kusaidia wananchi wetu, kwa hivyo mimi naunga mkono tukisema uongozi mashinani ni kuanzia kwa MCAs wale wengine waweze kupumzishwa ili MCAs waweze kufanya haki yao kwa mwananchi aliyempigia kura. Kwa hivyo mimi naunga mkono na nina imani ya kwamba huu Mswada ukipita basi hawa ndugu zetu wataweza kumea ndani ya Bunge hili kwa sababu watakuwa wametokeleza majukumu ya mwananchi. Ahsante sana Bi. Spika, naunga mkono hoja hii.

**The Temporary Speaker** (Hon. Amriya Juma): Yes, Honourable Hamisi Salim Mbaya?

**Hon. Hamisi Salim:** Ahsante sana Bi. Spika kwa kunipa fursa hii baada ya chakula cha mchana. Kwanza kabisa narudisha shukrani zangu kwa Mwenyezi Mungu ambaye ametujaalia kuwa ndani ya Nyumba hii na tukiwa tunapendana. Mheshimiwa Spika, kwanza kabisa nataka nimpongeze ndugu yangu Mheshimiwa Katana kwa jina la utani *IGB* kutokana na hoja ambayo ameileta hapa ndani ya Nyumba hii...

*[Applause]*

Mheshimiwa Spika, kabla sijazungumza leo hii ingekuwa ni kidonda nimeguswa ningepiga kelele hata walio nje ya Jumba hili wangeweza kusikia sauti yangu.

Mheshimiwa Spika, napenda kuunga mkono hoja hii iliyoletwa na ndugu yangu Allen Katana kwa jina la utani *IGB* kwa sababu ile kata ninayotoka mimi ya Timbwani...

*[Interruption]*  
*[Power Outage]*  
*[Power resumed]*

**The Temporary Speaker** (Hon. Amriya Juma): Honourable Members, just a minute Honourable Salim, please consult in low tones. Yes proceed.

**Hon. Hamisi Mbaya:** Mheshimiwa Spika kutokana na Kata Ndogo ambayo nimetoka mimi ambayo ni kubwa katika nchi yetu hii ya Kenya ikiwa ni ya pili, matatizo ambayo yako katika ile Kata Ndogo ambayo ni kubwa kwangu Timbwani ni mengi sana. Napenda kutambua kuwa kumekuwa na zile pesa za Mbunge ambazo ameweza kufanya maendeleo ndani ya Timbwani lakini kutokana na ukubwa wa ile Kata ambayo niko mimi....

*[Power outage]*

**The Leader of Majority Party** (Hon. Mwamwiri): ...*[Inaudible]*

*[Power resumed]*

**The Temporary Speaker** (Hon. Amriya Juma): Yes, Honourable Patrick?

**Hon. Mbelle:** Mheshimiwa Spika nikichangia tu mada ambayo...

*[Interruption]*

**The Temporary Speaker** (Hon. Amriya Juma): Are you seconding?

**Hon. Mbelle:** I second, Oh no!

**The Temporary Speaker** (Hon. Amriya Juma): Thank you. I will give you...; just proceed with your contribution

**Hon. Mbelle:** Mheshimiwa Spika, nilichotaka kuchangia ni kwamba ni aibu tena kubwa kuona kwamba Bunge hili katika wakati huu, karne hii mwaka wa 2022 ya kwamba umeme unaweza potea halafu ikawa twataka kuvunja Bunge katika masuala ya kuongea mambo yanayo athiri wananchi wetu na kwenda nyumbani. Nafikiri ni jambo ambalo usimamizi wa Bunge hili linafaa lichukulie kwa kina kuhakikisha ya kwamba tutakuwa na *back-up generator* ambayo itakuwa inatuwezesha ikitokea kwa bahati mbaya stima ikipotea tuweze kupata umeme ili angalau tuweze kuendelea na shughuli zetu na si hapa pekee yake, hata nafikiri katika maofisi ya wafanyi kazi wa Bunge hili pia angalau waweze kupata umeme na shughuli ziendelee. Kwa sababu iwapo leo stima itapotea, kesho ipotee, wiki nzima ipotee, itamaanisha Bunge hili tutaahirisha vikao kwa wiki nzima! Ni hayo tu kwa sasa Mheshimiwa Spika.

**The Temporary Speaker** (Hon. Amriya Juma): There is a generator, it is just that it has knocked out. Yes, Honourable Fatuma?

**Hon. Fatuma Swaleh:** Ahsante sana Bi. Spika. Ni kutaka tu kumuelezea kakangu Mheshimiwa Mbelle kwamba Jumba hili limekuwa hapa nikiwa hapa kwa miaka kumi na hakuna siku ambayo kwamba tulienda nyumbani kwa kuwa vifaa, moto ama umeme hakuna. Jumba hili liko imara na ukarabati pia uko sawa; Bi. Spika ni vile tu kwamba pia yeye kwake nyumbani saa hizi akienda hakuna umeme.

Kwa hivyo Jumba hili liko imara na kila kitu ndani ya hili Jumba kiko imara Bi. Spika, yeye mwenyewe akienda nyumbani ama akimpigia mama saa hii atamwambia kuwa hakuna umeme na kila kitu anajua kwamba hivi sasa tunapimiwa umeme kama wenzetu nchi jirani ya Tanzania.

**The Temporary Speaker** (Hon. Amriya Juma): Honourable Members, pursuant to Standing Order 1, we may now proceed with the said Motion. Yes, Honourable Salim Mbaya, you were on the floor before the interruptions, please proceed. Yes, Honourable Salim, proceed?

**Hon. Hamisi Mbaya:** Naomba kupewa muongozi kidogo naona kumeingia sitonfahamu, je twaendelea na lile swala tulilokuwa tukiendelea nalo ama tunachangia lile alilozungumzia *Majority Leader*...

*[Consultations]*

Twaendelea na Mswada?

**The Temporary Speaker** (Hon. Amriya Juma): Yes.

**Hon. Hamisi Mbaya:** Ahsante sana Mheshimiwa Spika. Kawaida gari ikizima ghafla kuwaka pia inakuwa inasumbua kidogo; ahsante sana Bi. Spika, vile vile nirudie kusema namshukuru Mwenyezi Mungu ambaye ametujaalia sisi kuwa katika Nyumba hii, pia namshukuru ndugu yangu Mheshimiwa Allen Katana kwa jina la utani 1GB kwa kuleta Mswada ambao unanigusa zaidi nikiwa naiwakilisha Kata Ndogo ya Timbwani ambayo ni kubwa kwa wananchi na ni kubwa kwa mipaka. Mimi napenda nimuunge mkono Mheshimiwa Allen Katana 1GB kutokana na hoja ambayo ameileta kwa 99 kwa 100...

*[Applause]*

...Na siungi mkono tu kwa sababu napenda kuunga mkono isipokuwa niko na sababu za msingi kutokana na Kata Ndogo ambayo ni kubwa ya Timbwani; ule ukubwa wake unaashiria pia matatizo yake ni makubwa, ule ukubwa wake unaashiria kuwa unataka pia mambo makubwa. Kwa sababu hiyo naiunga mkono Hoja hii kwa sababu matatizo ya ndani ya Kata Ndogo ya Timbwani ni mengi, na pia yanataka huduma ambayo sio ya mdomo tu, bali yataka fedha za kuamua kile ambacho tunakiona na macho kiweze kufanyika ili ile jamii ambayo imeweza kunichagua kuja kuiwakilisha ndani ya Nyumba hii ionekane ya kwamba uamuzi wao...

*[Interruption]*

**The Temporary Speaker** (Hon. Amriya Juma): Just a minute?

**Hon. Hamisi Mbaya:** Haukuwa wa kubahatisha...

*[Interruption]*

**The Temporary Speaker** (Hon. Amriya Juma): What is it Honourable Ibrahim?

**Hon. Omondi:** I rise on a Point of Information.

**The Temporary Speaker** (Hon. Amriya Juma): Whom do you want to inform, Honourable Ibrahim?

**Hon. Omondi:** I would like to inform the House Mr. Speaker..., Madam Speaker!

*[Interruption]*

**The Temporary Speaker** (Hon. Amriya Juma): You can resume your seat Honourable Salim.

**Hon. Omondi:** Sorry, we are only used to Mr. Speaker, sorry Madam Speaker. I think you have ruled this matter and said that we are supposed to debate on what the Majority Leader had already brought in the House, that is what we are supposed to be discussing if we are adjourning or we are not adjourning! That is how I understood it, but it seems again we have gone back to the mother Motion, so I do not understand because the Majority has already risen and he has already requested that we break and then we shall be back and that is what we should now be debating on whether we are going to break or not but from the look of things, the Members have gone back to the mother Motion again, that is where I need some clarification. Thank you, Madam Speaker.

**The Temporary Speaker** (Hon. Amriya Juma): Honourable Ibrahim, I think I stated that pursuant to Standing Order number 1 that gives leave of the Speaker we are proceeding with the Motion because the situation had been overtaken by events and power outage is back so we are proceeding with the Motion and Honourable Salim I think your time was remaining a minute so you might wind up as you proceed.

**Hon. Hamisi Mbaya:** Mheshimiwa Bi Spika, naona hiyo dakika moja pia itakuwa ni kubwa wacha nitumie nukta moja naiunga mkono hoja hii tisini na tisa kwa mia.

**The Temporary Speaker** (Hon. Amriya Juma): Yes, Honourable Fatma Kushe.

**Hon. Fatma Swaleh:** Ahsante sana Bi Spika kwa kunipa fursa hii. Kwanza kabisa namshukuru Mwezi Mungu Muumba mbingu na ardhi pasi na kizuizi; vile vile natoa shukurani zangu kubwa kwa Mheshimiwa Allen Katana. Bi Spika tulipokwenda Nairobi katika mkutano wa *County Assemblies Forum* (CAF) kulikuwa na changamoto kubwa sana lakini kama unavyojua sisi ni watu tukiingia mahali mpaka tuswali na tuombe dua. Hatukupoteza muda japokuwa sisi ndio tulikuwa Bunge ambalo limechelewa katika Mabunge yote Kenya lakini tulipoingia tuliingia na kismati Bi Spika...

*[Applause]*

...Tulipofika hapo Bi Spika nakupa taarifa kidogo naomba unielewe; tulipofika hapo kuliweza kupigwa kura na vile vile tukaibuka kupata kiti cha Mheshimiwa Allen Katana. Kwa hivyo kongole sana ndugu yangu niliweza kukuunga mkono maana yake nilijua kazi unaiweza, kwa hivyo kongole. Mimi kama Mwakilishi niliyechaguliwa kutoka Wadi ya Kadzandani kwanza namshukuru Mwenyezi Mungu na nawashukuru watu wa Kadzandani. Bi Spika, kama unavyojua wewe ni Mheshimiwa wa kutoka Mjambere na ukiamka asubuhi unaona wananchi waliokupigia kura wako hapo, kukifiliwa wako hapo, mtu akiwa pia ni mja mzito yuko hapo, mtu mtoto hakuenda shule yuko hapo na sisi masaa 24 Bi Spika huwa tuko kule mashinani lakini wenzetu wa Bunge huwa wako Nairobi sisi ndio ambao tunapata matatizo mengi sana na shida zote huwa zatupata sisi. Hapa Waheshimiwa wengine nimeona wameingia juzi lakini wameanza kuwa na mvi Bi Spika; kulingana na matatizo ambayo yanawakumba kule katika Wadi zao walizotoka. Kwa hivyo, mimi nimesimama kidete kuunga mkono, maana yake wenzetu Wabunge wamechaguliwa na wananchi lakini sisi pia tumechaguliwa na wananchi vilevile na sisi ndio tunafanya kazi nyingi hata kuliko hawa wenzetu maana yake hatuna mahali pa kwenda Bi Spika kila saa na dakika huwa tuko katika Wadi zetu. Kwa hivyo nimesimama kuunga mkono mia fil mia. Ahsante sana Bi Spika.

---

[Applause]

**The Temporary Speaker** (Hon. Amriya Juma): Yes, Honourable Juma Mwalimu?

**Hon. Juma Mwalimu:** Ahsante sana Bi. Spika kwa kunipatia nafasi hii. Kawaida yangu huwa hupingana na ndugu yangu Mheshimiwa Katana lakini kwa Mswada huu namuunga mkono mia fil mia...

[Applause]

Na hii yote ni kwa sababu saa hizi tuko kwa serikali ya ugatuzi na ugatuzi ni sisi huku mashinani. Sisi kama viongozi tunapata changamoto nyingi sana na tunapitisha huu Mswada wa kupata hichi kifuko, si kwa manufaa yetu kama Mbunge wa Bunge la Kaunti bali ni kwa manufaa ya wapigaji kura wetu kule mashinani ili sisi kama viongozi wao tupate wepesi wa kuwafanyia maendeleo na miradi tofauti tofauti ambayo kule mashinani katika Wadi hii hazijafika. Kwa hio nimesimama kumuunga mkono rafiki yangu kwa Mswada wake huu na naomba uweze kufuatilizia rafiki yangu ili tuweze kuwajibika katika sehemu zetu tulizotoka. Ahsante sana Bi. Spika.

[Applause]

**The Temporary Speaker** (Hon. Amriya Juma): Thank you Honourable Juma Mwalimu. Yes, Honourable Mwaura?

**Hon. Mwaura:** Ahsante sana Bi. Spika. Nasimama kuunga mkono hoja hii nikimshukuru ama nikimpongeza ndugu yangu Mheshimiwa Allen Katana. Kwa hakika ugatuzi uko na faida kubwa kwa wananchi wa Kenya hii na haswa Mombasa kwa sababu kama sio ugatuzi kuna maeneo hayangefika maendeleo lakini kwa sababu ugatuzi uko ndio sababu maeneo mengine kama haya tuko maendeleo yanaweza kuonekana na ndivyo hivyo tunasema kuna maeneo Wadi ama maeneo ya kata zetu ambayo yanaweza kosa maendeleo kwa sababu ya kukosa hii pesa ama huu mgao tunao uzungumzia mgao wa Wadi. Ikizingatiwa kwamba huko nyuma kuna sehemu ambazo ama kuna MCAs waliweza kukosana na Gavana na walipokosa kupatana maeneo yale waliyotoka hawakupata maendeleo kwa sababu ni lazima uimbe wimbo yule Gavana anataka ili uweze kupata maendeleo katika eneo lako wakati tutakapokuwa na fedha hizi za kuinua maeneo yaliyo chini haitakuwa na haja tena Mheshimiwa MCA kuimba ule wimbo Gavana anataka ili apate maendeleo kwake ila itakuwa ni haki ya wale wananchi wa eneo lile kupata maendeleo. Kwa hakika wananchi wetu wengi wamedhulumika kwa sababu tu ya uhusiano wa Gavana na MCA, na wakati tutakapopata hela hizi mimi ninaamini ya kwamba hakutokuwa na tofauti ama kila Wadi, kila eneo litapata maendeleo kulingana na kwamba wamechagua kiongozi na hela ziko kwa ajili ya maendeleo. Kwa hivyo Mheshimiwa Spika nasimama kuunga Hoja hii mkono nikijua ya kwamba Kongowea iko na changamoto nyingi na tuko na uwezo sasa wa kuendeleza maeneo yetu. Ahsante.

[Applause]

**The Temporary Speaker** (Hon. Amriya Juma): Thank you. Yes, Honourable Osano?

**Hon. Makanga:** Thank you Madam Speaker. I stand to support this Motion and secondly to congratulate my brother Allen Katana who happens to share name with my second born. So, I stand to support this Motion...

[Applause]

...And I want to say that it is in the spirit of the Constitution that was promulgated in 2010 that we are bringing closer the services of the government to the people. Madam Speaker, am supporting this Motion because I believe as efforts are put in place both by the Senate and the National Assembly to bring forth this piece of legislation through an amendment, I believe this is to be able to provide a legal framework that will promote equitable development across all the 30 Wards in our County. Further by having this piece of legislation it should be able to ensure equitable sharing of resources within the County; Madam Speaker, I believe also by having this piece of legislation it will decentralize further the issue of us having devolved government was meant or was part of the objectives of devolution to have services decentralized to the village level, a level where the common *mwanaanchi* will be able to access services without much interference or other issue that are being surrounding services delivery. I, further support this Motion believing that when we have a clear legislation on how this fund will be administered it shall be able also to guide us as leaders in this Honourable House to know the criteria that will guide us in selection of the projects that we are mandated to undertake and also it will build us to ensure that the community that we are serving is able to per take or they are able to participate fully in making the decisions that affect them directly.

Madam Speaker, am standing today to say that I come from Chaani Ward; we have projects that were initiated during the first regime of devolution, I think the first year of the first regime that was in 2013. Madam Speaker, these projects have stalled because of the issue of funding, I have even made an effort to meet the contractors who were given this job and we are having the same challenge of resources being allocated to complete those projects. I believe by us having this legislation it shall give us a room to identify our needs, to identify our areas of priority so that we may be able to complete those stalled projects and to ensure that we are able to deliver and serve our people. Madam Speaker. I would like to say this that as it stands now in the Republic of Kenya most of the Members of the County Assembly (MCAs) have to bend low to the Governors or the Executive so that they get services. Madam Speaker, we were elected just like the Women Representatives, like the MPs and the Senators were elected into those offices, so it will only be fair if we as leaders are empowered so that we can fulfill the pledges that we made to our people.

We have scenarios Madam Speaker where an MCA chooses to be independent not to follow the path of their Governor, neither the path of an MP so you realize a whole Ward is suffering because of the difference between an MCA and the Governor. So, the end result is that the whole community, a whole electorate suffering because of an issue between these two parties! I believe by us having this piece of legislation anchored in a law shall be able to provide a framework where even the independence of this House and the ability of Members of this Honourable House and the 47 County governments we shall be able to grow and Members will now start speaking out their minds without any fear or victimization or sabotage. Madam Speaker, I stand to support this Motion and thank you for the time.

**The Temporary Speaker** (Hon. Amriya Juma): Thank you Honourable Franklin. Yes, Majority Leader?

**The Majority Party Leader** (Hon. Mwamwiri): Ahsante Bi. Spika. Bi. Spika nasimama kuunga mkono hoja ilioko mbele yetu ya kuundwa kwa mfuko wa usawa wa kimaendeleo ya kata ndogo. Bi Spika, kusudio la ugatuzi kama ilivyo katika Sura ya 11 sawia na ibara ya 174 Katiba ya Jamhuri ya Kenya na kuangalia sehemu ndogo kuu inasema kusudio ilikuwa ni kuwepo kwa usawa wa rasilimali na maendeleo kutoka *National Kuu*, kutoka *Serikali Kuu*...

[Laughter]

...Kutoka kwa Serikali Kuu hadi nyanjani Bi. Spika. Bi. Spika, uhalisia wa hili limepotea tukiwa na miaka 10 ya ugutuzi kwa sababu mamlaka ya utekelezaji ya majukumu na mipaka ya utenda kazi wa Wawakilishi hayakuzingatiwa. Mheshimiwa Spika, kigezo ambacho kimefanya Wawakilishi Wadi kukosa mamlaka na nguvu ya kusimamia rasilimali nyanjani na kuona yale ambayo mwananchi wa kawaida amependekeza kama ilivyo katika mamlaka ya sehemu ya kwanza ya Katiba kwamba kwetu sisi Mheshimiwa Spika tumeazimwa tu mamlaka lakini mamlaka halisia ya Katiba hii yanasalia kwa mwananchi. Mwananchi yale anayo yapendekeza na kutaka kufaziwa Bi. Spika yanakosa kufikiwa mia kwa mia kwa sababu tunapokuja katika sehemu ya tisa ya kanuni za ugutuzi inapeana mamlaka ama majukumu ya Mwakilishi Wadi na miongoni mwao ni kwamba Mwakilishi Wadi hapaswi kwenda moja kwa moja katika utendakazi wa masuala yaliyopo katika utawala lakini Bi. Spika hawa wananchi tunao wawakilisha yale wanayo tuambia nyanjani...kwamba ni haki yao kutendewa, yanakuwa na shauku kwa sababu pindi anapo liwakilisha katika Bunge na likose kupata uungwaji mkono katika Bunge, ama pia liungwe mkono katika Bunge na kwenda katika upande wa pili wa utawala wa ugutuzi, alafu kwa mipangilio yao, kwa rasilimali iliyoko na kwa kipao mbele walicho kipendekeza, wakose kuliangazia lile lililotumwa na mwananchi wangu na wakilisha kufanyika kwa watu wanastahiki, inakuwa mtihani kurudi kwao katika jukumu langu la kwenda wapa majibu ya kwamba moja na mbili yamefanyika, na hili lengine halikufanyika Mheshimiwa Spika, kwa sababu wao hawaitambui utawala, bali wanatambua Mwakilishi wao. Bi Spika, si kwamba katika mfuko huu wa wakilishi tunaupigania leo hii, ni kwamba pesa hii itaingia katika *account* ama hazina ya Mheshimiwa moja kwa moja. Itakuweko na taratibu na kanuni ya kwamba ina mfuko wake maalum miongoni mwa wananchi watakuwa wakinisimamilia hili na kama mwakilishi ni kuona tu yale ambao wananchi wameyapendekeza yamefanyika yanavyostahiki na wakati.

Bi Spika tukizingatia hadi sasa hivi, kwa kusudio la Katiba hii ya ugutuzi ilipasa ndani ya miaka kumi, iwe jamii zote katika Jamhuri ya Kenya na maeneo yote yako sawia kimaendeleo, lakini hili hadi wa sasa kunayo maendeleo na ndani ya mji wetu wa Mombasa ikiwemo ni gatuza ya mjini bado yanazorota kimaendeleo, bado yanazorota kimuundo msingi, kwa sababu serikali inavyotekeleza mwanzo regesha mkono pachoni, na pili kule kutapokuwa na uungwaji mkono zaidi kinyume na usawa wa kila mahali. Bi Spika, mfuko huu utaingia katika kumbukumbu ya kwamba ndani ya miaka mitano ya utekelezaji wa mifuko hii maeneo Wadi na Jamhuri nzima ya Kenya itapiga hatua kubwa kimaendeleo. Kwa mfano Bi. Spika tunapoangalia tu kwa umbali mfuko ule wa hazina ya CDF ama mfuko wa maendeleo ya maeneo Bunge, yamepelekea pakubwa mabadiliko ya maisha ya wananchi wetu kwa sababu ya ule uwezo ambao wa Bunge kupitia kwa mfuko huu walikuwa nao. Sasa hivi tunazungumzia maeneo ambayo yalikuweko hayana shule hata moja, sasa hivi wana shule lukuki za msingi za upili na mpaka vyuo anwai ambavyo sasa hivi wananchi wanaweza kupata elimu, kwa ukaribu na kwa bei inayostahiki.

Bi. Spika, mbali na haya tukiangalia uwezo chini ya usimamizi wa Mbunge katika utekelezaji na usimamizi wa mabarabara CDF imeweza kiasi kikubwa kulifanya hili, lakini inapokuja kwa huyu mwakilishi Wadi, mbali na jukumu la kwamba awe ngazi baina yake na mwananchi, awakilishe hoja za wananchi wake, aweze kutunga sheria, aweze kuangalia pia na kupitisha bajeti, lipi lile la msingi analoweza baada ya miaka mitano ya uwakilishi wake, kuotesha kwa wananchi wake ya kwamba nimeweza kusimamilia na hili limefanyika kwa jitihada ya yale mapenzi yenu, mapendekezo yenu na uwakilishi wangu Bi. Spika. Hakuna Bi. Spika, na ndio unakuta kila leo limekuwa unapozungumzia kuhusu uwakilishaji katika ngazi wa chini, mpaka wale wataalam waliohusika kutengeza Katiba hii, juzi mmoja amenukuliwa katika vyombo vya habari, akisema kiti cha Mwakilishi Wadi ni kiti ambacho hakina faida na hakikupaswa kuwepo na yeye alikuwepo katika jopo lililotengeza Katiba hii.

Bi Spika nikichukulia kwa mfano sasa hivi kusiweko na wawakilishi na uwakilishaji katika maeneo yetu, ibakie Mbunge kwenda mbele yule mwananchi wa kawaida, yule anaweza kumfikia kwa uwepesi kwa urahisi na angalau kilio chake na shida yake kufikia inapostahiki ni nani kama si Mwakilishi Wadi? Bi. Spika utakubaliana nami na Waheshimiwa wataniunga mkono, ya kwamba licha ya kwamba hatupasiwi kutekeleza yale majukumu ya kiutawala, lakini hapa kwa mishahara ya wakilishaji wanayopata, yamekuwa wakilipia wananchi karo za shule Bi. Spika...

*[Applause]*

Wamekuwa wakilipia wananchi madeni ya hospitali Bi. Spika, wamekuwa wakisimamia matanga kununua majeneza na kusafirisha waumini, ili kuweza kuhifadhiwa inavyostahiki kwa kutumia mshahara. Mashirika wakereketwa katika hili hatuwaoni wakilizungumzia na kinyume chake inapotokea changamoto wanauliza Mwakilishi wenu yuko wapi, lakini kwa nini awaambie mwananchi ya kwamba huyu Mwakilishi hapaswi kutumia mshahara wake kwa haya maswala mengine Bi. Spika? Bi. Spika, hatuombi hazina hii na mfuko huu kuingia katika mifuko yetu; sheria iundwe inavyostahiki, uwakilishi uwepo, yetu sisi tunalolitaka katika hii ni jicho tu kama mlezi wa ile hazina ili kusiwe na fahamu na dosari, katika hazina ile kwa sababu ni pesa ya umma. Kwa hayo mengi Bi. Spika naunga mkono na kuhimiza Waheshimiwa wenza tuweze kuunga mkono hili, ili hata wale ambao watapata umri na Mungu kuwajalia kurudi na kama wengine watakuja pia waweze kukumbuka ya kwamba, historia imeandikwa katika Bunge hili, ya kupigania mfuko ya maendeleo katika zile kata tunazowakilisha. Ahsante Bi. Spika.

**The Temporary Speaker** (Hon. Amriya Juma): Thank you. Yes, Honourable Leila?

**Hon. Nyache:** Ahsante sana Bi. Spika na mimi kuweza kunipa nafasi ya kuweza kuchangia, namshukuru Mwenyezi Mungu. Pili, nataka nipongeze Mheshimiwa Katana aliyekuja na hoja hii na pia nimpongeze kwa hio nafasi aliyopata kwa County Assembly Forum (CAF), tunajua anaweza kulingana na bidii zake. Mheshimiwa Spika, wacha niende kwa hoja sasa; hoja hii ni muhimu sana hasa sisi viongozi, kwa sababu mizigo yote ya wananchi ni sisi, changamoto zote mashinani ni sisi MCAs kama vile wenzangu walivyo zungumza. Ni ukweli mtupu Mheshimiwa Spika, sasa tukiwa na hii hazina ya maendeleo ikiwa kwenye mifuko yetu ama tukiwa tumeletewa pale katika Wadi zetu itaweza kutusaidia pakubwa sana na itaweza kutufunua uso zetu, sasa hivi hatuna uso kwa wananchi, kwa sababu mishahara na hio mshahara ndio tunautumia katika hio changamoto zote za wananchi. Kwa hivyo hii inaweza kutufanya tukaonekana sisi ni viongozi kamili kabisa na wala hatutakimbia wananchi wetu; nikisema hivyo Mheshimiwa Spika wananchi wetu katika Wadi zetu, ndio wenye kupiga kura kwa Raisi, ndio wenye kupiga kura kwa Seneta, ndio wenye kupiga kura kwa Gavana, wanapiga kura kwa Mwakilishi wa wanawake na kwa Mbunge lakini huko kote hawashughuliki wanashughulika na Waheshimiwa. Shida zote zikitokezea wao wanajua MCA ndio wenye kutatua shida zao. Kwa hivyo mimi sina budi kuunga mkono hoja hii, nasema ya kwamba pale ninapotoka mimi Wadi yangu ni ya Kipevu na inaweza kunisaidia kwa upande mwengine, kwa sababu sina hospitali pale kwangu hata kama ni Zahanati ndogo, naweza kujengewa pale kupitia hii hazina ya maendeleo ya kuweza kusaidia watu wangu kiafya, kwa sababu watu wangu wanapopata magonjwa wanakwenda katika Wadi zengine kwenda kupata matibabu na inakuwa ni shida hata kwa kina mama waja wazito wanajifungulia njiani. Kwa hivyo ni hatari sana, hii hazina ya maendeleo ikiweza kufika kweli basi itakuwa imetuwzesha na itakuwa imesaidia pakubwa sana na maendeleo yatafikia wananchi wetu pale Mashinani.

Kwa hivyo ningependa kuwaambia Waheshimiwa wenzangu, tuungeni mkono na muhimu hapa ni itekelezwe, ikishatekelezwa basi tutakuwa hatuna hofu tena. Kama vile mwenzangu amesema tutamea katika Bunge hili, na ni kweli tutamea kwa sababu tutakuwa hatuna shida yoyote kupitia wananchi wetu. Ahsante sana Mheshimiwa Spika naunga mkono hoja hii.

**The Temporary Speaker (Hon. Amriya Juma):** Yes. Honourable Hamisi?

**Hon. Hamisi Nyota:** Thank you Madam Speaker for giving me this opportunity. Madam Speaker, I rise to support this Motion brought by my brother Honourable Allan Katana. Madam Speaker, this is a very mature Motion which has come in a timely manner; there is a reason for everything, I think God had a reason to challenge the NGCDF and the NGAF with a reason Mr. Speaker, the reason is, he wanted Ward Representatives also to be included in the Constitution as the amendment is made, because over the past years these challenges were not there but it has come in a timely manner, whereby He had meant for us to be considered this time around. Madam Speaker, I say this is a very mature Motion because our roles majorly are three as per the Constitution; oversight, representation and legislation but residents at the grassroots, the Ward levels, they do not care about these three major responsibilities that we have what they are majorly on us is how we can help them on a daily or frequent basis Madam Speaker. Madam Speaker, without these funds our work becomes very difficult, because despite being an area MP, MP is the head of a Sub-County of which Sub-County have several Wards. An MP to distribute the NGCDF funds to these Wards, sometimes it is a challenge because some Wards may develop while others are still behind, but if these funds are approved or anchored in the Constitution and becomes our right, I think Madam Speaker it will be better placed to do our own development in our respective Wards because we know our challenges better, sometimes the MP just goes round during campaigns and after that we never see him again. Madam Speaker, but at least we as the Ward Representatives are always on the ground, so I strongly support this Motion because it will empower us to do those projects which are a priority to our citizens. Thank you so much.

**The Temporary Speaker (Hon. Amriya Juma):** Yes, Honourable Nusura Mwinyi?

**Hon. Mwinyi:** Ahsante sana Bi. Spika kwa kunipa fursa hii hata mimi kuchangia. Kwanza nataka kumpa pongezi sana Mheshimiwa Allen Katana kwa kuileta hoja hii ndani ya Jumba hili. Mimi nataka kusema hii ni hoja nzuri sana ambayo imezungumziwa kwa muda mrefu sana lakini naona wakati wake labda umefika sasa. Hoja hii imekuja na itajujenga sisi kama ma MCAs; nataka kusema tuko na changamoto nyingi sana kule mashinani sisi kama MCAs wa kata zetu ndogo tuko na changa moto nyingi sana. Sisi ma MCAs tunalipia watoto karo za shule, tunalipia wagonjwa mahospitali, tunajumuika sana na vikundi vya vijana na kina mama ambapo tukiwa kwenye mijumuiko ile pia tunatumia hela zetu. Nataka kusema kwanza mimi itanijenga sana pia kule kwangu kwa sababu zahanati ziko kwangu, kuna hospitali ambayo ni *branch* ya hospitali kuu ya Mkoa wetu wa Pwani iko kule Mtongwe ambayo ilijengwa na gatuji la pili alipokuwa Gavana aliyeondoka; lakini nina masikitiko sana kwa kuja kuambiwa na wananchi kwamba zahanati iko pale lakini madawa hakuna, saa nyengine pia stima hupotea na wagonjwa wakatapatapa pale pamoja na madakitari. Kwa hivyo niko hapa kuunga mkono ama nimesimama kuunga mkono hoja hii kwa kuwa najua itanijenga na itaboresha, ama itaondowa zile changamoto ambazo ziko pale mashinani ili wananchi waone pia nao ugatuzi umewafikia. Nauunga mkono hoja hii, ahsante sana Bi. Spika.

**The Temporary Speaker (Hon. Amriya Juma):** Yes, Honourable Joshua?

**Hon. Ong'ao:** Thank you Madam Speaker for giving this opportunity to also make my contribution on this Motion. I will start by saying like Madam Speaker next time when I stand thrice, you know my body size is big than any other Member of this Assembly so I should not stand a lot for I might easily give up and not give my contribution but all the same, thank you. I would want to say like this, this is a very good Motion; when we walk around 10 years down devolution, we have seen what the Constituency Development Fund (CDF) has done. For example, the best candidate in 2021 national examinations in Jomvu Sub County is in school because of CDF; CDF has changed lives, but you know the spirit of devolution the Ward level is the smallest unit, so I think this kind of County Ward Equitable Development Fund if it is brought to the Ward level, meaning it will reach the lowest point so the fruits of devolution will be felt everywhere. So, I stand to support this Motion, I thank Honourable Member for Shanzu for bringing such a good Motion to this House. I request my fellow Members we pass this Motion. Thank you.

**The Temporary Speaker** (Hon. Amriya Juma): Yes, Honourable Ibrahim?

**Hon. Omondi:** Thank you Mr. Speaker. I have stood for too long Mr. Speaker but at least i have caught your eye. So, Madam Speaker you actually caught my eye, thank you very much. Madam Speaker, I will start by congratulating the Member who brought this Motion, the Motion which is just about to bear a very handsome boy in this House and the whole County and the whole country, congratulations Honourable Allen Katana. Madam Speaker, first and foremost, I want to say that this matter has been in the public domain ...

*[Consultations]*

Madam Speaker, I think I need to write somewhere so that I do not forget. Madam Speaker, this issue has been in the public domain for a long time, since the inception of devolution and we have been having discussions about it. Now Madam Speaker it means that the outcome of this long labour will bear a prosperous healthy baby called County Ward Equitable Development Fund, meaning that the citizens now will be able to enjoy the fruits of devolution. The reason why we are here debating Madam Speaker; the main objective is actually to amend the Constitution that is Constitution 2017 which 2014, sorry Madam Speaker of which the Controller of Budget...

*[Interruption]*

**The Temporary Speaker** (Hon. Amriya Juma): You mean the Constitution 2010?

**Hon. Omondi:** Madam Speaker, I am very sorry. I want to state again Madam Speaker that in 2017 the office of the Controller of Budget, that is a Constitutional office which has been established under Article 228 of Progressive Katiba Watch among other functions to oversee the prudent implementation of National and County government and they gave an advisory on this matter. The advice that they gave, the views and the outline they gave it is not in any way contravening what we are talking about today. We have heard a lot of stories that an MCA is supposed to oversight, he is not supposed again to handle a fund or to manage a fund these are some of the issues that have come out in public domain, the reason why the MCA should not able to manage the fund is that we do oversight Madam Speaker. But Madam Speaker when we look at the guidelines that were given by the Controller of Budget, we are not opposing them, they are in line with what we are actually demanding. Like for example Madam Speaker, the Ward Development Fund guidelines should enable the Counties to finance projects at the Ward level Madam Speaker, what is wrong with that?

We want the funds to go down to the Ward level, and that is the true meaning of devolution Madam Speaker, and that is what we are just asking for. The Ward Development Fund guidelines should aid the Counties in establishing the funds to adhere to established laws which include the Public Finance Management, PFM Act and the Constitution. They further gave the following guidelines; I want to make it clear so that people should know that you are not contravening any laws Madam Speaker, what we only want is we are trying to support what they also gave us. One is that, the establishment of the Ward Development Fund, the Executive Draft Bill, Approval of Ward Development Fund Bill or Regulates County Assembly operationalization and administration of the Ward Development Fund, roles of the Members of the County Assembly and residents, public participation is one of them. Madam Speaker, I want to emphasize that public participation, mobilize public, identify priority projects, those are some of the roles of the MCA Madam Speaker which have been actually..., the guidelines that have been given by the Controller of Budget and we are not contravening that. Roles of the County Executive; Madam Speaker, I want the Members to listen to this very carefully should implement the list of priority projects that the MCA and Members of the public identified after they receive them. We are not asking for anything new, Madam Speaker we are still doing our oversight role because when you look at the guidelines the Controller of Budget gave is monitoring and evaluation, that is the oversight by MCA. So, we are not contravening in anyway Madam Speaker, we are just asking..., we just want the funds to go down to the smallest unit of the governance. Madam Speaker...

*[Interruption]*

**The Temporary Speaker** (Hon. Amriya Juma): Honourable Ibrahim Oyugi, you have one minute.

**Hon. Omondi:** I am winding up Madam Speaker. This is very important you should give us time. Madam Speaker, the guidelines are clear; I want to emphasize that the guidelines are very clear and in line with the proposal to amend Article 204. I, therefore support the legislative proposal to amend Article 204 of the Constitution of Kenya, and that the Wards Legislative Development Fund be established for *mwananchi* to enjoy devolution as...be established for *mwananchi* to enjoy devolution as envisioned. The County Equitable Development Fund which we now want it to be in the Constitution and be part of the equalization funds. We need to equalize every citizen of this Republic and make their lives better, enhance service delivery and in that way, we shall have a better country and happy citizens. Madam Speaker, I therefore stand to support the Motion.

**The Temporary Speaker** (Hon. Amriya Juma): Thank you Honourable Ibrahim. Yes, Honourable Patrick Mbele?

**Hon. Mbelle:** Thank you Madam Speaker. First of all, allow me first congratulate Honourable Katana for bringing this very noble Motion to this Assembly and in the morning as you stood Madam Speaker, I remember you mentioning that you are among one of the senior most Members in this House and that sometimes you are given priority to speak. I think Honourable Katana is almost heading there with whatever that he has brought, I will now consider him in Kisauni as one of the most senior most Members...

*[Applause]*

Madam Speaker, I was sent by the residents of Bamburi to come and represent them here in this Assembly.

And in what they have sent me to represent them, is most or some of the problems that they undergo. I do not have any resources or means to be able to tackle the issues back at home without getting resources from the County. As the Constitution stipulates ours is to just do the legislation, oversight and representation and coming here to speak about the matters that they have sent me is of course representation and whatever you are doing today, I believe is purely legislation and guiding the County Executive once the monies have been brought to the County, which I believe that this motion will go through and an amendment will be done to include the Ward Development Fund in the Constitution. So, ours would not be to hold the monies in our coffers but purely to guide the Executive to equitably bring down the resources to the people.

Madam Speaker in these times, I wish to copy or to purely refer to the Constitutional Development Fund (CDF) and with that kitty the Members of the National Assembly did not have to use loyalty to bring down development to their people. And as it is in politics, sometimes loyalty is a measure for personal development but again I do not think the same principle should be used to bring down development to the people in the respective wards or constituencies particularly, in the devolve unit of the Counties. Madam Speaker, at this day and time I wish to purely stand here say that I am happy man knowing that our current Governor, I do not think and do not wish that in any day that he would look at loyalty as a measure of development to some of the wards that we are in but again him being a human being it might at some point, maybe myself or any other person might rub shoulders with him; that again should not be a point of him to measure development to our people. So, I think Ward Development Fund would be a softer ground for the people to then get development and purely benefit from the County Government. Thank you Madam Speaker and I rise again to support this motion 100% not even 99%...

*[Applause]*

**The Temporary Speaker** (Hon. Amriya Juma): Yes, Honourable Jackton Madialo?

**Hon. Madialo:** Thank you. Madam Speaker, I would like Honourable Ogutu to sit down as I contribute, please.

**The Temporary Speaker** (Hon. Amriya Juma): Yes, Honourable Ogutu resume your seat.

**Hon. Madialo:** Thank you.

*[Consultations]*

**The Temporary Speaker** (Hon. Amriya Juma): Order Honourable Member!

**Hon. Madialo:** Thank you Madam Speaker for noticing me, I rose up earlier that Hon. Ogutu. Now I stand to register my support to this motion brought by Honourable Katana and I would like to congratulate him together with Honourable Fatma Swaleh. They are truly powerful representatives up there; please continue representing us well and God will bless you. The reason why we to anchor the Ward, let me call it the Ward Development Fund, in law is to have a departure from what Honourable Ibrahim Oyugi was talking about because the Ward Development Fund I believe that it should be anchored in the same manner like that of National Government Constituencies Development Fund, NGCDF whereby the Member of Parliament, MP and in this case the MCA will be the Patron. There will be minimal control from the Executive because the circular is talking about would have been largely been implemented by the Executive with the MCA together with wananchi identifying the kind of projects but this when it is anchored in law, and when it will be taken in line similar to NGCDF it will be different.

Number two the reason why I am supporting this and we thank God for our Governor, we talked to him as MCAs concerning the goodwill on this particular one I believe that it will come with additional staff the goodwill one, in fact even the Governor had intimidated to us that they would be no need of employing more because already we have our staff the three of them; but when we anchor this in law as we would want it anchored in law there will be additional staff. So, we should support it. Thank you so much.

[Applause]

**The Temporary Speaker** (Hon. Amriya Juma): Yes, Honourable Ogutu?

**Hon. Ogutu:** Thank you Madam Speaker. Madam Speaker in essence of time, you may just call the mover to reply. Thank you.

**The Temporary Speaker** (Hon. Amriya Juma): Thank you for saving time Honourable Ogutu, I may now call Honourable Katana to respond to the motion.

**Hon. Katana:** Mheshimiwa Spika nataka kuwashukuru Waheshimiwa wenza kwa kuona umuhimu wa kuunga mkono hoja hii; na nikiwa hapa Mheshimiwa Spika tayari nataka kwanza kushukuru Bunge hili pamoja na Mheshimiwa Mbunge wa kata ndogo ya Kadzandani Mheshimiwa Fatma Swaleh kwa sababu yeye ni Mwanachama pia katika *Governing Council* ya *County Assemblies Forum*, CAF na pia niwashukuru Waheshimiwa wote wa Kaunti hizi sita za Pwani kunichagua mimi kama Rais wa MCAs wote ili maswala yanayotokea katika Mabunge yetu yote niwe naweza kuyaweka katika *Executive Council* ya CAF. Mheshimiwa Spika hivi ninavyo kwambia Mabunge tano kati ya yale Mabunge sita ya Pwani yanazungumzia Mswada huu na tayari wengi wao nishapokea hapa ya kwamba washapitisha Mswada huu na kwa kuwa vile vile niko kwa *Governing Council*, Mheshimiwa Spika sitaona haya kukujuza kwamba tayari Mabunge zaidi ya 35 washapitisha Mswada huu ndani ya Kenya hii. Kwa hivyo mimi sitaki kuongea mengi Mheshimiwa Spika, lakini ni kwamba hili ni baadhi ya yale mambo ambayo tutakuwa tukiyazungumzia katika Baraza lile la *Executive Council* kwa sababu tumeona ni vitu vingi ambavyo Waheshimiwa wa Wadi wafaa wapate lakini kidogo Katiba ilipitiwa mbio wakawa hawakuweza kuafikiwa na kama vile naweza kutoa mfano Mheshimiwa Spika ya kwamba asilimia 100 ya mshahara wa Mheshimiwa Rais anapewa 43 per cent Mbunge kama mshahara wake, lakini utakuta sisi Mheshimiwa Gavana akiwa anapata asilimia 100 sisi Wabunge wa Kaunti mshahara wetu ni asilimia 16 Mheshimiwa Spika.

Kwa hivyo hivi ni vitu ambavyo ni baadhi ya zile ajenda ambazo tutakuwa tuing'ang'ania na kwa sasa tumeng'ang'ania sana huu mgao wa madiwani katika kata zao ndogo ili utakapopita Mheshimiwa Spika kwa hakika ugutuzi utakuwa umefika ki hakika maana kusema ule ukweli mwananchi pale mashinani sana kiongozi anayemfikia kwa haraka na kwa urahisi si mwengine lakini ni MCA. Na tuliamua kulifanya hili mapema kama CAF kwa sababu tunaamini kuku mweusi Mheshimiwa Spika mtafute kabla giza halijaingia. Na kwa kuwa Serikali hivi sasa ndio imejipanga na ina Mawaziri, Serikali ya Kitaifa na tena vile vile Bunge na Seneti wakawa wameng'ang'ana kuweka sheria ya kwamba NGCDF pamoja na mgao wa NGAAF pamoja na ile hazina ya Seneti katika kazi zao wakawa wanataka kuiweka kama sheria, ndipo na sisi tukaja na hii hoja yetu ya kwamba zote ziingie pale kwa pamoja ili iweze kuwa sheria na sote tuweze kumuhudumia mwananchi. Nataka kumaliza kwa kusema, nawashukuru sana Waheshimiwa wenza kwa kuunga mkono hoja hii ya maana Mheshimiwa Spika.

**The Temporary Speaker** (Hon. Amriya Juma): Thank you Honourable Katana.
