

COUNTY ASSEMBLY OF MOMBASA

OFFICIAL REPORT

Thursday, 18th October, 2018

The House met at 2:44p.m.

(The Speaker (Hon. Aharub Ebrahim Khatri) in the Chair)

PRAYERS

The Speaker (Hon. Khatri): Hon. Members we may be seated. Yes Clerk?

STATEMENTS

Yes Hon. Moses Aran can you please give the response.

RESPONSE ON THE STATEMENT ON THE CENSUS AND MAPPING FOR PEOPLE WITH DISABILITY (PWDs) IN THE COUNTY

Hon. Aran: Thank you Mr. Speaker, like I promised last week that this week I will give a detailed report on the statement that was asked in the previous week. Mr. Speaker I wish to give the following statement on People with Disability (PWD's) census and mapping in the County in response to concerns raised by Hon. Ramla Said in the House on 79th sitting seeking to know from the Committee when this information gathered will be made available for public consumption.

Mr. Speaker sir, the department successfully carried out a disability mapping across all the 30 Wards within the County. The exercise was geared to establishing an indepth understanding of PWD's status, education institutions for PWD's and both private and public buildings and infrastructure compliance and ease to access to PWD's. This exercise would lead to development of a disability mainstreaming policy with specific and measureable outcomes to empowerment of PWD's in social, economic and political participation.

Mr. Speaker sir, the data that was collected is in the process of analysis and compiling to deduce conclusion from the insights in which will be observed from it for development of the policy where the first draft is almost ready before it is forwarded for further discussion with stakeholders, among them Members of the County Assembly and a final copy be adopted. Thank you Mr. Speaker.

The Speaker (Hon. Khatri): Thank you Hon. Aran. Clerk?

RESPONSE ON THE STATEMENT ON PLANS BY THE COUNTY GOVERNMENT TO REMEDY POOR STATE OF THE MOMBASA MUNICIPAL STADIUM

Yes again Hon. Moses Aran please give the response on the statement of the Mombasa Municipal Stadium.

Hon. Aran: Once again thank you Mr. Speaker. Mr. Speaker I wish to give the following statement on the state of the Mombasa Municipal Stadium in response to concerns raised by Hon. Ali Shariff in the House on the 79th sitting seeking to know from the Committee if the County government has any plans to remedy the poor state of the stadium. Mr. Speaker sir, the Department appreciates the urgency of rehabilitation of the County stadium and in this regard they are keen to ensure the facility is ready for utilization within the shortest time possible.

Mr. Speaker sir, it is important to note that after the initial rehabilitation of the pitch it was found that the facility was too dilapidated and therefore this informed the need to have an overhaul of the stadium. The Department has already advertised for a FIFA standard iconic modern stadium with a capacity of 15,000 seats, an IAAF 4000 seats indoor multipurpose arena, conference hall, restaurant, media zone, mini museum, VIP and VVIP sections changing rooms, gym among other modern amenities.

Mr. Speaker sir, January 2019 God willing is the anticipated ground breaking, where the entire completion period is pegged at 14 months. Thank you Mr. Speaker.

The Speaker (Hon. Khatri): Thank you Hon. Moses Aran. Yes, Clerk?

RESPONSE BY THE CHAIRPERSON LANDS, PLANNING AND HOUSING COMMITTEE ON THE
NOTICE OF EVICTION TO TENANTS OF CHANGAMWE OLD ESTATE

The Committee on Lands, Planning and Housing, Hon. Ahmed Salama I think he is not around any other Member? Yes, Hon. Fadhili Mwalimu?

Deputy Speaker (Hon. Mwalimu): Thank you Mr. Speaker. Mr. Speaker I am up on behalf of my able Chairman to give a response on the notice of eviction to tenants of Changamwe old estate.

Hon. Speaker, on Thursday 4th October, 2018 during the 79th Sitting Hon. Bernard Ogutu who I think is the area MCA of that Ward rose on the floor of the Assembly and requested for a statement from the Chairperson, Committee on Lands, Planning and Housing regarding the notice of eviction issued to the tenants of Changamwe old estate. Hon. Speaker, the Committee wrote to the Department of Lands, Planning and Housing. The Department responded as follows:-

1. The Department of Lands, Planning and Housing issued a vacation notice Mr. Speaker not as the way it was stated by the Hon. MCA from that Ward that it was an eviction notice; it was not an eviction notice, the vacation notice implies a pre and post relationship between the County government and the residents as opposed to the mere termination of the tenancy agreement.

In this arrangement, the County government will offer relocation facilitation to the affected residents prior to them vacating the houses. It is important to note, as indicated in the vacation notice that no tenants will be asked to vacate from their houses before this facilitation amount is paid in full. Mr. Speaker further, reasonable time will be given after payment of the facilitation amount to allow them to identify, make arrangements and move to alternative accommodation for the duration of the construction.

And Mr. Speaker upon completion of the project, the residents will be offered first priority to buy the units while those who will opt not to participate in purchase of the units will be given allocation priority in the rental units to be retained by the County government.

2. The entire housing project consists of 12 lots, all at different progression levels. These are their timelines Mr. Speaker even though the notice was just for Changamwe residents but we saw as a Committee to atleast bring to light for the Hon. Members to understand the progression of the other estates in the County;
 - (a) Phase 1: Comprising of Mzizima Estate, Changamwe Estate and Likoni Customs is planned to break-ground before the end of the year;
 - (b) Phase 2: Comprising of Likoni Flats, Tudor Estate, Buxton Estate and Khadija Estate is set to commence latest by end of 1st quarter 2019;
 - (c) Phase 3: Comprising of Kaa Chonjo, Nyerere and Kizingo is set to start by latest end of June, 2009;
 - (d) Phase 4: This is from Miritini, Jomvu Constituency. The Miritini Green Site is set to start by 3rd quarter of 2019 subject to completion and acceptance of the Master Plan by the County government putting in consideration these are new structures to be built in that site Mr. Speaker.
3. The County government has already set out a relocation plan and package. The County government has proposed to facilitate the affected residents by paying for relocation equivalent to two (2) times the amount of their monthly rent as at July, 2018 for a period of 24 months i.e. (2x monthly rent as at 30th July, 2018 x 24) for two years Mr. Speaker. This amount will however be paid on a consolidated basis and before relocation. The residents then will be expected to vacate from the houses within 30 days after payment of this amount. Payment will be made to those with current tenancy agreements with the County government, we understand they are others who do not have tenancy agreements that is why the department have emphasized on only those with agreements Mr. Speaker. It is important to note that the relocation facilitation amount is not mandatory as per the tenancy agreement between the County government and the affected residents but has been brought by the County's concern for their welfare and tough negotiations with the respective developers. This amount is not applicable in Nairobi where a similar project is also in planning stages.
4. Finally, the Department has been engaging the respective residents association on a regular basis on behalf of all the residents and indeed held a meeting with them before issuance of the notice where they suggested some amendments to the wording on the vacation notice that were included. Further the Department also did engage the Assembly Committee in mid April, 2018 where a progress report on the project was given. In addition to these and as the ground breaking gets closer, a sensitization workshop for all Assembly Members had been planned in September but was cancelled and is now being rescheduled within the next two weeks. Mr. Speaker, all the Hon. Members in this House will be taken to an induction for them to know more about the plans of the County government concerning these estates in Mombasa County and a similar exercise is also planned for the Executive, Resident Association and interested Civil Societies for them also to have knowledge on what is going on.

Mr. Speaker this is a response from the County Assembly Committee on Lands, Planning and Housing and I think the Hon. Member from that Ward and the Members who reside in these Wards or areas that comprise the said estates are all supporting the response from my Committee because it is a good response and I wish the County to prosper in whatever that it is intending to do for their residents. Thank you.

The Speaker (Hon. Khatri): Thank you Hon. Fadhili I think the Clerk should facilitate the copies of your response to all others Members...

(Interruption)

(Clerk confirmed availability of copies for Hon. Members)

You have them, yes? So Members can go through and if you have any other questions you can bring the statement again and you will be answered. Yes Hon. Bernard Ogutu?

Hon. Ogutu: Ahsante sana Bwana Spika. Bwana Spika ningependa kupongeza Kamati hii kwa kuleta ripoti hii mbele yetu. Mheshimiwa Spika shida yangu inakuja katika *relocation plan and package*; ukiangalia haya maelezo yote yanalenga *relocation package* peke yake hawajatuambia kwamba hawa watu wetu watatoka namna gani na watarudi namna gani? Ambapo katika ile *tenancy agreement* na katika ile *memorandum* ambayo wale wapangaji na idara ya ardhi walifanya hiyo imeelezwa pale na tunaomba waangalie hiyo. Pili katika hiyo *relocation package*...

(Interruption)

The Speaker (Hon. Khatri): Hon. Ogutu I think the Hon. Member has stated very clearly how it will be done not unless maybe you wanted it to be included there or should have a separate paper pointing out all these issues, is that what you're trying to say? Because in his statement you can see the Hon. Member has replied very clearly how it is going to happen and how they are going to be given a priority when they come back they are the first ones who would be given a priority to buy those properties or to be rented by the County, because the County will own their own as well. I think it is clear there if you look.

Hon. Ogutu: Mheshimiwa Spika nafikiri ingekuwa ingetajwa maanake sijaiona ikiwa imetajwa, inasemekana asilimia 40 ya hizo nyumba zitakuwa za Kaunti na asilimia 60 zitakuwa za yule *private developer* mpaka ile siku ambayo kwamba atamaliza ile pesa yake ambayo amefadhilia huo mradi. Pili katika *relocation package* katika hao watu ambao wanatoka hawaendi kuishi tena katika nyumba za serikali wanaenda kuishi katika nyumba ambazo zinapangishwa katika *market rate* ambapo hivi sasa kodi ya mwezi mmoja ni shilingi 800/= katika zile nyumba zetu za serikali. Tukiongeza mara mbili itakuwa shs.1600 mara 24 Mheshimiwa Spika ambayo haiwezi kubeba hata ile mizigo ambayo wale watu wako nayo. Pale katika ile *tenancy agreement* ilisemekena wazi kwamba watatumia *market rate* ambayo tunaelewa pengine nyumba ya one bedroom...

(Interruption)

The Speaker (Hon. Khatri): Hon. Ogutu to be fair on that issue, hivyo ukiangalia basi hao wapangaji wanaumiza serikali ikiwa walikuwa wanalipa shilingi 800/=?

Hon. Ogutu: Mheshimiwa Spika ukiangalia *Millennium Development Goals* we are talking about...

(Interruption)

The Speaker (Hon. Khatri): You know I am talking this in general because as a government you cannot serve *mtu mmoja halafu mwengine umuangalie kivyengine kama ni wao wanapata. Hiyo ni rasilmali ya serikali na Kaunti nzima ya Mombasa inafaa pia ipate kusherekea hiyo rasilmali kama kuna ninio kwa hivyo kama mtu analipa shilingi 800/= kwa mwezi naona hiyo wanaumiza serikali ya Kaunti!*

Hon. Ogutu: Mheshimiwa Spika katika *Millennium Development Goals* tunaambiwa kwamba serikali italeta nyumba ambazo ziko *affordable*...

(Interruption)

The Speaker (Hon. Khatri): Affordable.

Hon. Ogutu: *Yes if you talk about affordable in Changamwe shs 800/= is not even affordable to them Mr. Speaker. Kwa hivyo ukiangalia hata huko wanadaiwa, hiyo inamaanisha kwamba hiyo shilingi 800/= is not affordable to them na ukiangalia tena hizi nyumba ziko kila mahali Mheshimiwa Spika na bado tutajenga nyingi ili hata wale ambao hawajapata hizo watapata hizo nafasi. Kwa hivyo huu mradi ni mzuri wameukubali lakini isiende katika hali ambayo itafanya ianguke maanake ni mradi ambao nafikiri ni Legacy project ya Gavana wetu na sisi tunataka tuiunge mkono. Tunataka zile sehemu ambazo zinashida idara watuhusishe maanake pia ni makosa sisi ni wadau kama Bunge hatujawai kuitwa hatujawahi kukaa. Sisi tunasikia notisi zinapeanwa hata idara ya ardhi walikuwako hawajui mpaka juzi tulipoitisha taarifa Mheshimiwa Spika, hatujui tunaenda namna gani? Ili huu mradi ufaulu sisi tuanaomba wale wawakilishi ambao wameathirika tukae na idara hiyo tuangalie those contentious areas na tuzi-iron out huu mradi uanze kwa ile njia ambayo haitaleta shida.*

The Speaker (Hon. Khatri): Ahsante Mheshimiwa Ogutu kwa kuongezea; kumbuka hizi nyumba vile ninavyoona saa hii vile ziko zikivunjwa zijengwe nyengine pengine *it will triple up the times* zile sehemu ambazo ziko, maanake *I think they're going high rise building*. Kwa hivyo nina uhakika kutakuwa na *more vacant houses, so when you are talking about 40 per cent the Government will hold, I think the government should hold a certain percentage* ambayo ita-cover hao watu wote ambao walikuwa hapo ndani. So I think 40 per cent, I mean you can look at that; which I think the CEC Member was planning to have a workshop with Hon. Members to explain to you what is happening then I think after that if Hon. Members are happy about it, it is fine and if you are not happy you can bring your petition or something in the House then we can see how we will go about it. So I think the most important now is to make sure the CEC Member facilitates the workshop as soon as possible so that the Hon. Members can understand what is this project is about.

(Applause)

Hon. Ogutu: Ahsante sana Mheshimiwa Spika. Nafikiri hiyo ingeanza hata mwanzo ili angalau tuelewe ukiulizwa maswali kule mashinani uweze kujibu, lakini hakujaharibika jambo.

Tunaambiwa hapa katika taarifa yao kwamba kwa muda wa wiki mbili zijazo na kuna mambo yanaendelea notisi imepeanwa jumamosi watakuwa na mkutano Changamwe na wataendelea. Kwa hivyo mimi ningeomba...

(Interruption)

The Speaker (Hon. Khatri): We will try all our best and we will speak to the CEC Member to do the workshop immediately. Thank you, yes Hon. Maimuna?

Hon. (Ms.) Maimuna Salim: Ahsante sana Mheshimiwa Spika. Mimi mwanzo naiunga mkono hii ripoti ilioletwa Mheshimiwa Spika na halafu yatakikaniwa tujue katika jumba hili kuna mambo ambayo yalikuwa yamefanyika nyuma kukiwa ni *last regime* ambapo naona sisi tunaendelea kupitwa na wakati kwa sababu Nairobi wamefanya imefaulu na watu wamefurahiya. Mimi sijui ni kwa nini ikifikia hapa tumfikirie tu yule mwananchi ambaye anahitaji huduma kuhudumiwa na sisi kwa sababu tukiangalia mambo ya mataa ya barabarani yametwandama sisi mambo ya mabarabara kwa hiyo mimi kulingana na mimi naona hii *upgrading zile slums* ni muhimu tutaanza siasa kwa jambo kama hili halitakwenda. Kwa hiyo Mheshimiwa Spika mimi najaribu kuzungumza ya kwamba siasa tuziweke kando hili jambo lilipitwa na likafuatia njia zote hivi sasa ni kama ambaye tunafanya *reverse* kwa sababu kuna wenzetu ambao wako hapa walikuwa hawalijui. Hivyo basi sioni sababu gani ya kwamba hili jambo tulizungumzie sana, cha muhimu ni Waziri tukae nae wapate tu taarifa na hili jambo tuliunge mkono tupate kupata mapato na watu wetu waishi katika mazingira mazuri.

The Speaker (Hon. Khatri): Thank you Hon. Maimuna, ahsante sana na mimi ninavyoona hapa sioni kama kuna watu wanajaribu kupinga bali wanataka kufahamu...

(Applause)

So I think Hon. Maimuna the right word is people want to understand this project. *Wanataka kujua ni kitu gani, mazao gani italeta? Wananchi wao watafaidika na nini? Kwa hivyo hilo ndilo jambo muhimu ambalo nafikiria, wana haki kwa sababu wanawawakilisha watu wao na wanataka wajue.* Yes Hon. Moses, I hope you are not repeating again this thing, yes Hon. Moses Aran?

Hon. Aran: Ahsante sana Mheshimiwa Spika na nakushukuru sana kwa hekima yako kwa kusema kwamba hili jambo lisionekane kama ni siasa. Mheshimiwa Spika mimi nasimama hapa babu yangu toka 1965 ameishi kwa zile nyumba za Tudor DS8 Door 1, babangu akaishi pale mimi mwenyewe nimezaliwa pale Tudor na kitu tunasema kwamba sisi eti hatutaki kwamba maendeleo yafanyike na hawa watu washakubali wanataka maendeleo yafanyike; sisi pia twataka kuona Tudor iwe kama Marina. Kitu iko ni kwamba ile taarifa ya kwanza iliyotoka waliambiwa kwamba watapatiwa watahamishwa kulingana na *standard rate* yenye iko. Mheshimiwa Spika leo hii ile nyumba yangu ya chumba kimoja ya Tudor tunalipa shs 2,320/= unaambiwa walisema pale mwanzo kwamba ukitoka kwa chumba kimoja utakuwa *relocated* kwenda vile vile kwa chumba kimoja; kama ni Bamburi ama wapi, sasa huwezi isipokuwa mimi nikalipe shilingi 2,320/= huko Bamburi. Kitu tunaomba Mheshimiwa Spika tunaunga mkono jambo hili, wananchi wamekubali hakuna mahali popote wanapinga, hata Tudor wamesema wanakubali maendeleo ije na hizi nyumba zitengenezwe ila wapatiwe ile *standard* yenye iko kwa soko alafu vile imesemekana watakuwa na wakati yule atakayerudi arudi na yule atakaye kwenda zake nyumba aende zake nyumbani bara ama angalie mahali pengine.

Kwa hivyo isionekane kwamba ni siasa wale Waheshimiwa wengine waingie hapa waseme kwamba ni siasa na tushazoea hii Nyumba kitu kikifanyika watu wengine husema ni siasa si siasa Mheshimiwa Spika na nina uchungu mimi nasimama ili tutetee watu wetu na sisi inafaa tufanye kazi baina ya Bunge la Kaunti na *Executive*. Mimi nakuomba Mheshimiwa Spika kwa hekma hii ripoti wewe tunakupenda na uko *sober* ili ripoti irudi mpaka yule *Executive Member* atuite tukae chini tumuelezee vile inatakikana. Ahsante sana Mheshimiwa Spika.

The Speaker (Hon. Khatri): Thank you Hon. Moses for highlighting that issue. I even want to tell you Hon. Members *mkiangalia hiyo issue mkisema mnataka ile bei ya rate hamjui kesho mkirudi pale hilo jambo ndilo mnataka mliangalie, muhimu mkirudi kodi yenu itakuwa ile ile ama mtachajiwa ile ile, sasa msiangalie hii ya muda mdogo wa miaka miwili au mitatu sasa mkirudi pale kwa zile nyumba mtachajiwa kodi kwa ile pesa uliolipwa kama unataka kulipwa elfu 10 saa hii ukirudi pale utachajiwa hiyo hiyo elfu 10...*

(Applause)

So you should look at it both ways don't look at one side. Yes Hon. Samba?

Hon. Samba: Thank you Mr. Speaker. The report itself is in good faith and as Hon. Member who is maybe affected and I will be also affected; you have been very categorical but I would request through your office to facilitate the meeting we meet urgently because the notice has already been given out but we are in support. There are some issues we need just to iron out because we represent our constituents and residents; whatever thing that we will have here that is what we will communicate to them. They trust us and that is why they elected us and whenever we have issues this is the best place where we can discuss it and here we discuss things when we are sober. When we are not or rise out of emotions I would request you to enhance this meeting so that and at the same time I would also request if we can put on hold the notice so that at least we may come on the table we agree on the way forward. Otherwise I thank the Committee that took their time to bring us back the report and thank you so much Mr. Speaker sir.

The Speaker (Hon. Khatri): Thank you Hon. Samba. Hon. Members I think we cannot keep on now talking about the same issue now and then and we know that we don't have a solution to it. The solution is to sit down with CEC Member and he tells us what they have planned for us and then from there now you will come up with. Whatever you guys want to be amended you will tell them what to amend but now if you keep on talking here everyone will start giving out his grievancies about his issue and we are not taking it anywhere. We will still again wait for the CEC Member to come and sit down with us and explain to us what they have planned. So as you said let us be sober Hon. Members and when a Member has raised or rises to say something then we know what he has said you don't have even you standing again to say the same issue. Already amended you know...yes Hon.?

Hon. Wambua: Mheshimiwa Spika nilikuwa nataka kuongea hivyo na sasa umetuelekeza hakuna haja ya kuongea.

The Speaker (Hon. Khatri): Yes.

(Applause)

Kwa sababu ile ukweli kila mmoja hapa ana majukumu yake sasa tukianza kuongea kila mmoja ataongea na tunajua shida ni hiyo hiyo moja na tunajua dawa yale ni kukaa na CEC Member atueleze ile mipangilio halafu nyinyi wenyewe pale mukiwa kwa hiyo warsha mutamuambia hivi hatuoni kuwa hivyo ni sawa. Hapa tunataka hivi na mwaweza kubaliana. Kwa sababu baado bunge ni lenu. Yes Clerk?

RESPONSE BY CHAIRPERSON COMMITTEE ON TRANSPORT, INFRASTRUCTURE AND PUBLIC WORKS TO THE STATEMENT ON LIGHT PROBLEM IN PORTREITZ WARD

Yes Hon. Priscilla Mumba Chairperson on Committee on Transport, Infrastructure and Public Works can you please give the response?

Hon. (Mrs.) Mumba: Thank you Mr. Speaker first I would just like to ask because there are quite a number of statements which have come to this House and there were three rulings and today if I reply for this one Ward then what of the rest? Now I don't understand whether I reply this one or the three rulings which were before this...

(Interruption)

The Speaker (Hon. Khatri): Do you have the Order paper with you?

Hon. (Mrs.) Mumba: Yes.

The Speaker (Hon. Khatri): So read whatever is on the Order paper, stop complicating yourself.

Hon. (Mrs.) Mumba: In the Order paper is this Port Reitz Ward and whatever I have at hand...

(Interruption)

The Speaker (Hon. Khatri): Hon. Prischillah you know we are in this House and the Clerks are here and you know what are the procedures to follow, the Clerk mentioned very clearly...

Hon. (Mrs.) Mumba: Yes.

The Speaker (Hon. Khatri): What did the Clerk mention order number 10 and it is the statement so stop complicating yourself, you know what is the statement order number 10 it is regarding the light problem in Portreitz Ward so reply to that then we move on and if you feel like there's something which it is not in a proper manner then we will talk about it but for now don't talk about that and I remember very well last week we told you to bring this answer today which is one week so reply on that, do you have the answer to that?

Hon. (Ms.) Mumba: What I have in my hands does not read one Ward, that's what am saying because what I have in this hand is the Installation of digital high mast streetlights and security so it combines almost every Ward so that I can answer all together...

(Interruption)

The Speaker (Hon. Khatri): But were you here last time when we gave the ruling? Were you in the House?

Hon. (Mrs.) Mumba: No.

The Speaker (Hon. Khatri): You see that is the problem, you do not know what we were talking about, the Hon. Member was asking about...

(Interruption)

Hon. (Mrs.) Mumba: This was not the ruling of the last sitting, the ruling of the last sitting was about all the Wards that I reply about all the Wards on how the streetlights...it's supposed to have been mentioned to be in each Ward, how has it worked upon, that's why I have this report that is telling me how I can explain what they had started telling me.

The Speaker (Hon. Khatri): So that is what I am telling you last week...

(Interruption)

Hon. (Mrs.) Mumba: But this one stands only for one Ward.

The Speaker (Hon. Khatri): Okay Hon. Member last week Hon. Fadhili talked about his Ward, Port Reitz and I gave the ruling that you or the Transport Committee gives all 30 Wards a tentative report when will they be going like example your Ward Shimanzi, the other Wards give us the dates they will be there, is it for one day or two days, give us all the reports for all 30 Wards and then if you were not here...

(Interruption)

Hon. (Mrs.) Mumba: Then let me read what is here or what I have for now then if there's something lacking then you will guide me Mr. Speaker.

The Speaker (Hon. Khatri): But were you in the sitting the other day?

Hon. (Mrs.) Mumba: I was given everything so that I could understand what went on.

The Speaker (Hon. Khatri): By who? Who gave you?

Hon. (Mrs.) Mumba: The House.

The Speaker (Hon. Khatri): Who? Who is the House?

Hon. (Mrs.) Mumba: The Clerks.

The Speaker (Hon. Khatri): Which Clerk? Who?

Hon. (Mrs.) Mumba: Mr. Speaker...

The Speaker (Hon. Khatri): Which Clerk gave you, you said you have been given the instruction from the other places.

Hon. (Mrs.) Mumba: I have my Committee Clerk I have Abdallah who instructed me to do whatever I have done.

The Speaker (Hon. Khatri): Did you go to the Hansard?

Hon. (Mrs.) Mumba: Yes?

The Speaker (Hon. Khatri): Were you keen enough to know what the Member was asking?

Hon. (Mrs.) Mumba: That's why am...

(Interruption)

The Speaker (Hon. Khatri): You know Hon. Members if you are a Chairperson for that Committee you have to be serious with your work, if a Hon. Member asks something then you have to go to the Hansard or ask your Clerk to give all the Hansard on what was happening.

Hon. (Mrs.) Mumba: That's why Mr. Speaker if you understand me very well the reply which is here combines everybody not only for Fadhili's Ward, that's why I want everybody to understand it is not for only Airport Ward i mean Port Reitz Ward so please can I kindly just read then maybe we may make any remark on that after...

(Interruption)

The Speaker (Hon. Khatri): You started complicating yourself, you could have just read that response and then Hon. Fadhili and if he was not happy with that he could have told you but it seems you are getting instructions somewhere else you started to stand up and talk what you know...

(Interruption)

Hon. (Mrs.) Mumba: I am just talking Mr. Speaker I wanted you to guide me....

(Interruption)

The Speaker (Hon. Khatri): No.

Hon. (Mrs.) Mumba: That's why I was asking...not asking that I do not know what I was doing but I was just asking because there were three rulings in this House that's why it becomes complicated to me so...

(Interruption)

The Speaker (Hon. Khatri): So what are the rulings? Tell me what are the three rulings in this House?

Hon. (Mrs.) Mumba: The first ruling was given...

(Interruption)

The Speaker (Hon. Khatri): By who?

Hon. (Mrs.) Mumba: When Hon. Fadhili Mwalimu was the Speaker.

The Speaker (Hon. Khatri): When?

Hon. (Mrs.) Mumba: By then.

The Speaker (Hon. Khatri): When was that? When?

Hon. (Mrs.) Mumba: That ruling?

The Speaker (Hon. Khatri): Yes?

Hon. (Mrs.) Mumba: I think it was last week.

The Speaker (Hon. Khatri): When? Do not say I think, when was that ruling? Tell us the ruling Hon. Prischillah.

Hon. (Mrs.) Mumba: Mr. Speaker I do not have all the specifics but I know there was a ruling, that is why I was asking should I read all together but as long as you have guided me that I continue then let me continue to read.

The Speaker (Hon. Khatri): Hon. Member just sit down, first Hon. Member relax, sit down. Hon. Member you are talking about something, you are the Chair for that Committee and you are saying that there were three rulings and you have no knowledge about the three rulings, do you have the knowledge of what were the rulings about?

Hon. (Mrs.) Mumba: Street lighting of all the Wards.

The Speaker (Hon. Khatri): But you see Hon. Member so that what am asking you what were the rulings all about... if we may start with that? So Hon. Prischillah just tell us the three rulings, what were they about? Yes Hon. Bwire?

Hon. Bwire: Thank you Mr. Speaker. Mr. Speaker I think for us to save time just like you have directed allow the Hon. Member to read the response she has, you see she has a comprehensive report and I think this was a result of one month duration that you gave that Committee so she's confused because the one that she is supposed to be replying is about Hon. Fadhili's area which is one but with her is a comprehensive report that she has, so just kindly allow her...

(Interruption)

The Speaker (Hon. Khatri): Okay i have heard you Hon. Bwire but you see this House is guided by the rules and regulations; when you go and read your Order paper you do not just bring, there was that ruling, you're just bringing it in the House.

DISCLAIMER: *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor*
Page 11

Read the Order paper it is very clear it is written regarding Port Reitz Ward so then answer that, answer about whatever the Order paper is saying and if I remember very well when Hon. Fadhili brought that I told you go in general and bring the schedule for all 30 Wards, that is what I said. So just reply about Hon. Fadhili, the one that you have been asked about Port Reitz Ward but if you start saying there were three rulings now you want to show us that you have done a mistake, you know that is not the right way to go Hon. Prischillah follow whatever is in the Order Paper and answer the statement.

Hon. (Mrs.) Mumba: Thank you Mr. Speaker I think the response I have is the installation of the digital high mast street lights, security during the...

(Interruption)

The Speaker (Hon. Khatri): Hon. Prischillah, did Hon. Fadhili ask about the high mast, is that what Hon. Fadhili asked about?

Hon. (Mrs.) Mumba: That's why I was asking and that's why I was telling you that what I have is a combination from the first I was asking that, that's why I was asking if it is Hon. Fadhili's Ward then there's no report for only one Ward and this is a combination that's why I was telling you Mr. Speaker you are not understanding me.

The Speaker (Hon. Khatri): It is included about Hon. Fadhili?

Hon. (Mrs.) Mumba: It is also inside there after maybe reading everything will come up from inside, now this is what is written let me read then you will come and respond.

The Speaker (Hon. Khatri): Let's hear what Hon. Hamida has to tell us, yes?

Hon. (Ms.) Noor: Hon. Speaker I think we should give the Hon. Member more time, let her gather all her information together because it seems like most of the information is not all together and it she feels this statement is not quite complete for her. Thank you.

The Speaker (Hon. Khatri): Thank you, yes Hon. Nyiro?

Hon. Nyiro: Thank you Mr. Speaker am also in the same Committee with my Chair and I think what the Chair is doing you see the response comes from the Department not the Committee so whenever we ask about one Ward or one person and the Department has a comprehensive report about every Ward so I think whatever she is giving is inclusive of whatever Hon. Fadhili was asking for. If they don't have services for a particular Ward and they have services for all the Wards I think Hon. Fadhili should be satisfied with whatever the Chair is going to give because it is what is coming from the Department. They have plans to do everything or rather to do it for every Ward not specifically for himself alone so he should be satisfied with the fact that the Department is going to do it in all Wards including Port Reitz so there is no specific report for Port Reitz only we have for all the 30 Wards...

(Interruption)

The Speaker (Hon. Khatri): But Hon. Nyiro he has his right to ask, Hon. Fadhili cannot come here and ask on behalf of all other Members.

He is asking about his Ward, he has all the rights even you if you want to ask if you are satisfied with your Ward...that there are too many lights I think during the night in your Ward is like day time, you have a lot of lights...

(Interruption)

Hon. Nyiro: It is true but Hon. Fadhili has not complained.

The Speaker (Hon. Khatri): So you are satisfied in your Ward, so let Hon. Fadhili if he is not satisfied in his Ward let him talk on his behalf...

(Interruption)

Hon. Nyiro: But he has not shown his displeasure with the report, he has to listen to whatever the Chair is saying and he is going to say if he is satisfied or not.

The Speaker (Hon. Khatri): But you see that was not what Hon. Fadhili was asking about high mast anyway; yes Hon. Prischillah continue, you can continue Hon. Prischillah.

Hon. (Mrs.) Mumba: Thank you Mr. Speaker. During the Implementation of the 2017/2018 budget the department was taken aback when it was realised that there was no budget allocated for the street/public lighting, this anomaly was corrected when money was allocated in the supplementary budget and when works started in June, 2018. A timetable of works was prepared allocating date for each Ward. The Department is currently undertaking the repairs of all existing street lights and high mast lights to have them functional. Upon completion of the current exercise, the installation of additional lights will be considered as per needs assessment done on respective areas. The procurement process for biannual tenders; street lighting/electrical works is currently on going which will enable the installation to be done better. A schedule of the works executed in each Ward will be tabled shortly, a summary of the works executed in the 1st quarter of 2018/2019 and the remarks the Department has planned site visits to all Wards and will give recommendations on improvement of lighting across Mombasa County...

(Power Outage)

(Loud Consultations)

The Speaker (Hon. Khatri): The Hansard, we can continue?

(Hansard Reporter nodded)

Yes you can continue Hon. Prischillah.

Hon. (Mrs.) Mumba: We had no maintenance materials for more than one year. Fortunately, we received some materials in June which we had three programs cycles as per attachments. The list of items allocated for each Ward is as follows;
Phase one which was done 18th June to 12th July, they had 20 pieces Hps 150w bulbs and 10 pieces of 150w ballast the same and 5 pieces I think that was done on how they use to do in each Ward and 5 pieces 70-400w igniters, 3 pieces 250w ballast, 2 pieces 50 Amps 2 Pole contactor, 1 pieces timer switch, 5 pieces circuit breaker.

So I think that was done per Ward during that Phase 1. Phase 2, 20 pieces 150w bulbs, 7 pieces 150w ballast, 15 pieces 70-400w igniters, 3 pieces 250w Hps bulbs, 2 pieces 250w ballast, 2 pieces 50 Amps 2 pole contactor and 1 piece timer switch, 5 pieces circuit breaker that was phase 2 what they had indicated was done from 16th July to 10th August that was the work which was done per Ward that is what they say according to the report. Phase 3, I think they only indicated 3 which is 19th September to 16th October 15 pieces Hps 150w, 2 pieces 70-400w igniters and 3 pieces circuit break, that was phase three which I think is now undergoing which is indicated in a few remarks there. So what I can say what they are saying is that challenges such as lack of enough maintenance materials, lack of technicians, lack of working and safety gears, lack of continuous working status of street lighting fleets, I think those are the challenges which the ministry has stated. Thank you.

The Speaker (Hon. Khatri): Thank you Hon Prischillah, yes Hon Kitula.

Chief Whip (Hon. Kitula): Mheshimiwa Spika kulingana na ripoti iliyoweza kuletwa mimi naweza kusema naipinga vikali sana; sisi ni wawakilishi twatoka katika kila Wodi na sipingi bali ripoti inatoka kwa idara Mheshimiwa Spika ni kweli mataa hayawaki mashinani na kila tukisema kwamba katika *supplementary budget* 2017/2018 Bunge lililopita hawakutenga bajeti itakuwa jambo la kushangaza wakasema *supplementary budget* June 2018 wataenda kutazama kila Wodi *igniter* moja *bulb* tano. Mheshimiwa Spika hii ni Kaunti ya Mombasa Kaunti *bulb* tano kwa Wodi itawasha nini? Katika idara ya Uchukuzi kuna mambo yanaendelea sisi hatuwezi kufahamu lazima tuweze kuweka kila jambo wazi, kuna mambo yanaendelea katika idara hiyo na sisi Waheshimiwa tusipokuwa makini kuweza kuzungumzia mambo mengi yanaendelea pale lakini Waheshimiwa hawafahamu na kuna ulaghai unaendelea katika idara hiyo. Tuzungumze wazi Mheshimiwa Spika, haiwezi kuwa ati katika Wodi *igniter* mbili *bulb* tatu Kaunti ya Mombasa alafu mtu anatoka kwa Kaunti nyengine yuaja kutuwashia sisi mataa katika Kaunti yetu, lazima tuzowee kungea mambo ya kuweza kustahili. Ahsante sana naongea na uchungu sana Mheshimiwa Spika.

(Applause)

The Speaker (Hon. Khatri): Yes Hon. Mwamwiri.

Hon. Athman Mwamwiri: Ahsante Mheshimiwa Spika, taarifa tuliosomewa iko na walakini mkubwa; kwanza haijafikia viwango vya kuwa taarifa ya kuwakilishwa katika Bunge kwa sababu wamezungumzia changamoto na mwisho hawakutuambia suluhisho ni nini. Huwezi kuwa na changamoto pasi ya mapendekezo ya suluhu ya hizo changamoto, pili Mheshimiwa Mwenyekiti wametutajia uhaba wa fedha katika bajeti iliyotangulia labda ni kweli wakatuambia walipata sahali kwa bajeti nyongeza ama *supplementary* ya kukimu hali waliokuwa nayo lakini hawajatuambia *igniter* moja iliyoletwa katika Wodi yangu iligharimu pesa ngapi na ni pesa ngapi iliyokuwa imepangiwa kwa kila Wodi katika suala la kupambana na shida ya mataa. Mheshimiwa ukweli wa mambo na hili tutalisema pasi na uwoga sisi Waheshimiwa kwa zile taa zinazowaka katika Wodi zetu tumekuwa tukigharamia na pesa yetu ya mifukoni...

(Applause)

Na tumefanya hayo kwa mapenzi kwa kujaribu kuokoa Kaunti yetu kwa sababu aibu ile haiji kwangu peke yake; sio jukumu langu mimi kuweka mataa ni jukumu la serikali ya Kaunti.

Ni jukumu la Wizara ama idara husika katika serikali gatuze yetu ya Mombasa lakini tuna hisia labda ndio ni kweli kuna changamoto lakini haya masuala lazima yaangaliwe kiundani je hizi *igniter* moja moja zilitengewa pesa ngapi na ni kima gani sisi kama Bunge tuliwapitishia kuweza kukimu haja za watu wetu hususan swala la mataa. Ahsante Mheshimiwa Mwenyekiti.

The Speaker (Hon. Khatri): Thank you Hon. Mwamwiri. Yes Hon. Fadhili, Deputy Speaker.

Deputy Speaker (Hon. Mwalimu): Ahsante sana Mheshimiwa Spika. Mimi pia nasimama nikisema kwanza ya kwamba mimi ni Mwanakamati wa Kamati ya Uchukuzi lakini Mheshimiwa nilisimama kuleta mbele ya Bunge hili ya kwamba ndani ya Wodi yangu na nikasema haswa nilianza kusema kuwa usalama wangu uko vibaya maana watembea mahali ambapo taa haziwaki na ndani ya *Hansard* ipo kama tukitaka kufuatilia *Hansard* yetu ilionyesha kuwa Mwenyekiti alisema wazi kuwa ratiba imepangwa na Tudor imeanza na kilipofuatia kikao chengine Mheshimiwa kutoka Tononoka naye alisimama na kuthibitisha mbele ya Nyumba hii kuwa baada ya Tudor ilienda Tononoka. Ndiposa tulitaka tupate ile ratiba ya kuonyesha watakuja lini kwangu Port Reitz na vilevile zile taa za kule kwangu zitashughulikiwa namna gani. Ripoti ya Mwenyekiti imezungumiwa Kaunti kwa jumla pasi na kutaja ni siku gani ambayo mimi nilieleta hoja yangu itaweza kushughulikiwa kama tulivyoona mifano ya awali tulipoulizwa kuhusu masuala ya Changamwe wamejibiwa watu wa Changamwe, ahsante.

The Speaker (Hon. Khatri): Thank you Hon Fadhili. Yes Hon. Faith.

Hon. (Ms.) Mwende: Ahsante sana Mheshimiwa Spika. Tukiangalia vizuri tangu mwanzo hii idara imekuwa na changamoto si haba na ukiangalia Waheshimiwa wako kwa kweli tumeumia kule mashinani kwa sababu kama sio jambo hili unaambiwa ni lengine; gari haina mafuta, sijui *supplier* hajakata *material* ilhali wametengewa bajeti. Mheshimiwa Spika naona tukikaa hapa tukiongea tutaongea mpaka kesho kutwa lakini imefika wakati wa sisi kama Wabunge ambao tunawakilisha wananchi wetu tuweze kutumia mikakati ile tutapata majibu kamili pasipo kuandikiwa makaratasi. Mheshimiwa Spika mahali imefikia ni Waziri wa idara ya Uchukuzi aweze kuja mbele ya Bunge hili aweze kujibu haya maswali kwa vile bajeti tunapitisha lakini hakuna mambo ambayo yanafanyika. Ukiangalia yale mataa ambayo yanawekwa saa hii mimi nishaenda kwa idara unapata zinawaka leo hii kesho haziwaki na unapata bei yenye wanaweka zinazowekwa sawa na zile za shirika la Kenya Power ambazo zinangara zaidi, hatujui shida iko wapi na hii ni pesa ya mtoza ushuru. Kwa hivyo ni wakati hiyo idara ichunguzwe kwa kina tumekuwa tukibembelezana kwa muda mrefu, mbele Mwenyekiti alikuwa na machungu Fahad saa hii mamangu Prischillah pale anakuwa na uchungu na sio mapenzi yake kwa hivyo mpaka tukae....

(Applause)

Na tuinge mkono tuangalie shida iko wapi ndio tuweze kusonga mbele, ahsante sana Mheshimiwa Spika.

The Speaker (Hon. Khatri): Thank you. Yes Hon. *Mukono*, sorry Shebe Athman.

Hon. Shebe Athman: Ahsante sana Mwenyekiti, nakuruhusu Mheshimiwa Mwenyekiti kwa hilo jina kwa sababu roho yangu imeridhika.

Kwanza kabisa natia mushkil ripoti ambayo imeletwa mbele yetu na Mwenyekiti mwenza kwa sababu mbili za kimsingi; ngonjera zilizoko katika idara ya barabara zimetia fora...

(Applause)

Ni masikitiko Waheshimiwa wenyekiti wenza hapa na Waheshimiwa wataonekana kana kwamba majukumu yao hawayajui lakini kusema kweli changamoto na mchongoma uko kwa hii wizara. Ni masikitiko hili swala la barabara na mataa mimi juzi wiki mbili zilizopita nakupa mfano wa haki kwangu eneo ninaowakilisha eneo la Jomvu Kuu naletewa *bulb* tena ni baada ya mimi mwenyewe kutoa kijasho. Wakati Mwenyekiti mwenza alifanya juhudi na bajeti tukapitisha tukasema tunataka Mombasa ing'are na tuhakikishe kuwa mji wetu utarudi katika hali yake ya zamani lakini tunapiga hatua moja mbele baadae tunapiga tatu nyuma. Ni mithili ya kuosha kuku miguu vile wamuosha hapa akifika pale ashachafuka, mimi nililetewa *bulb* ishirini nakupa mfano wa Jomvu Kuu *bulb* ishirini gari halina mafuta ashasema yule sasa hizi *bulb* ishirini zajawekwa vipi milingoti miwili Mheshimiwa *igniter circuit breaker* hamna wakarudi na *bulb* zao nikawaambia naomba mie nipeni hizi ishirini nitafanya ganga namna zangu nihakikishe eneo langu linang'ara *bulb* pia sikupata sasa mimi najiuliza leo ukinyoosha kidole Mheshimiwa watu wanajificha katika mgongo wa Gavana, ndio uhalisia wa mambo...

(Applause)

Ni masikitiko tutamuweka wapi Gavana wetu baada ya kipindi cha miaka mitano; anataka kuondoka na kumbukumbu na sisi tunataka kuwacha kumbukumbu, tunataka *Mukono* tano tena haitakuja hii! Kwa hivyo tunakuomba Mheshimiwa Mwenyekiti tuhakikishe kuwa sisi tutawajibikia Kamati zetu kama Wenyekiti lakini hizi idara ngonjera zimezidi juzi Mheshimiwa Mwenyekiti mwenza amesema hapa katika Bunge kwa hivyo mimi nazungumza kwa uchungu kuna *mast* mbili Jomvu tangu mwaka juzi Mheshimiwa aliekuja mpaka wa leo hazing'ari watu wajikungwaa kila kukicha huko usiku. Kwa hivyo mimi sina mengi Mheshimiwa Mwenyekiti nakuomba utupe nguvu kwa hili swala, ahsante.

The Speaker (Hon. Khatri): Ahsante Mheshimiwa Athman. Yes Hon. Benard Ogutu.

Hon. Ogutu: Mheshimiwa Spika ahsante kwa nafasi hii. Nafikiri mimi nitaungana na Waheshimiwa wenzangu kwa hili jambo maanake mimi leo nikiongea na wewe karibia nusu ya Wodi ya Changamwe iko na giza. Mimi kwangu nyumbani huwezi toka usiku afadhali Mheshimiwa Fadhi alitoka na akajificha kidogo akarudi, mimi huwezi toka nilipoenda nikaambiwa gari imeharibika, wiki moja ikapita gari bado imeharibika kazi haiwezi kuharibika. Mheshimiwa Spika iko shida nafikiri ni lazima Jumba hili itafute mbinu mwafaka ya kuondoa hii shida maanake tumeongea kwa muda mrefu na hatutakuwa tunaongea jambo moja kwa mwaka mzima watu wanataka huduma kule chini.

The Speaker (Hon. Khatri): Yes Hon. Ahmed Khamis.

Hon. Ahmed Khamis: Ahsante sana Mheshimiwa Spika nadhani Waheshimiwa wenzangu kwa kila mmoja ametoa uchungu wake wameongea. Mimi nataka kusema tusilemeze sana tukasema Mawaziri, maana ni wale wafanyi kazi wenyewe nyie mumewazoesha vibaya kuwapatia mapeni kufanya hizi shughuli na katika idara hiyo pia kuna upungufu wa wafanyi kazi.

Kwa hivyo twaomba, kitu ambacho twataka tuombe tupewe nafasi sisi kama Waheshimiwa tuongeze watu wetu pale ili mambo yetu pale yatakwenda kwa rahisi. Ahsante sana.

The Speaker (Hon. Khatri): Yaonekana Mheshimiwa Ahmed Khamis ameridhika na mataa labda kwa eneo lake. Mheshimiwa Samba?

Hon. Samba: Hon. Speaker thank you once again for giving another time the issue of street lighting and the lights as a whole, it is very challenging but there is one thing that Hon. Members are missing here, whenever we do the request we are told that suppliers... the issue is suppliers so it seems the problem begins at the stage of tendering. We need to stop if at all we want our County to succeed or to move forward we need to stop awarding our relatives these tenders and through that those people who are winning these tenders somehow they are connected if not with the people in the system or some other people, so they don't have that capability to supply. So I would request this Honourable House we should start by the tendering process but if we don't countercheck the tendering process there is nothing we will do because even those workers, those employees are passing through alot, the same thing if a Hon. Member Madam Chair could pass through all that what will just a mere employee pass through. They are passing through alot, let us stop awarding our relatives and friends family members tenders, let us award to the competent bidders and quality services will be rendered in our County. Thank you.

The Speaker (Hon. Khatri): Thank you Hon. Samba. Hon. Prischillah Mumba I think you have heard the Members, I think those we can call them as statements so we will want the answers from your Committee which by next week Thursday we will give you latest by next week Thursday. We need to know all the questions which the Hon. Members were asking and Hon. Prischillah this thing we are not targeting you personally so don't take it personal; we know you are just a Committee Member, we know you are just a Chairperson but yours is just to pass the message to the relevant department there and whatever they tell you just tell us and we know we have our powers here as the Assembly and if the other department think they are more powerful than the Assembly then its fine we will know what we shall do so please don't take it personal and when you see all these Members trying to say, they are not targeting you as Prischillah, they are just talking about it because they have problems and am sure even you yourself have problem in your Ward, isn't it true Hon. Prischillah?

(Hon. (Mrs.) Mumba nodded)

Even you have the same problem...

(Applause)

So please Hon. Prischillah I hope you took note of all the statements the Members were giving and kindly just give us the feedback by next week Thursday and the program; the most important is the program. We need to know and you can even go to the budget of transport and see how much they have kept for the street lighting and everything, you know, so check each Ward, I think there is each Ward just go and do your own research as the Committee, sit down with your Committee, I can see your Vice Chair is there so sit down and look at this issue, and if you think the Member is not ahh...we know how to deal with that, if you think an Hon. Member thinks he cannot perform in that docket then you as the Committee you know how to do it.

So please Hon. Prischillah it is not personal; again am telling you all these people are here to represent their people and their people are complaining. People want to see lights during the night, people want to walk freely; thank you Hon. Prischilla and we hope to hear from you next Thursday and even tell us the budget how much they have been allocated for these lights and how much they have used so far, you need to know, write to the Finance department even to give you those information through your Committee. Thank you Hon. Prischillah. Yes Clerk?

Deputy Speaker (Hon. Mwalimu): Hon. Mwamwiri you are out of order!

(Interruption)

Deputy Speaker (Hon. Mwalimu): Hon. Mwamwiri you are out of order! I have already directed that you bring your response by next week Thursday, I think am clear.

(Interruption)

Hon. Kalume: Mheshimiwa Spika ingawaje you have ruled out lakini nina maombi napenda kukuomba kidogo.

Deputy Speaker (Hon. Mwalimu): Hon. Kalume you requested for 21 days, we gave you 21 days and today the person who brought the statement wanted a written response.

Hon. Kalume: Mheshimiwa Spika nafikiri aliyekuweko ameongea vizuri kwamba hizi ripoti hazitoki kwetu kama Waheshimiwa, zinatoka kwa idara ambazo zinahusika.

Deputy Speaker (Hon. Mwalimu): It's okay Hon. Kalume just prepare a written document even Hon. Haron Moses was told to bring a written response concerning the Mombasa Municipal Stadium and he brought a written response today. So it is upon the Committee to sit down and write whatever that you have discussed with the County Secretary and bring back to this Honourable House. Yes Hon. Ogutu, are you a Member of that Committee?

Hon. Ogutu: Yes Mr. Speaker, am a Member of this Committee.

Deputy Speaker (Hon. Mwalimu): Then you are out of order, yes Clerk?

Mr. Speaker sir, I wish to give the following statement on renovation of Bomu – Catholic road which was requested by Hon. Ibrahim Omondi MCA Airport Ward on Thursday 4th October, 2018. Mr. Speaker sir, the road was not captured in the public participation forum hence was not given priority during the budgeting. However during the supplementary budget the department will request that more funds be allocated for road maintenance as this is a crucial service to people. This will therefore be included in the next financial year work plan. We would like to assure Members that the County government is aware of their concerns and would take necessary remedial measures to ensure service delivery. Thank you Mr. Speaker.

Deputy Speaker (Hon. Mwalimu): Thank you the Chairperson Transport, Infrastructure and Public Works for the good response concerning renovation of that road. Yes Clerk.

ON THE STATEMENT ON CONCERNS OF BLOCKED SEWER IN WAYANI AIRPORT WARD

Yes the Chairperson Committee On Transport, Infrastructure and Public Works.

Hon. (Mrs.) Mumba: Thank you Mr. Speaker, I think this statement goes to the... that Wayani is the same Ward, just the name because is still the Airport Ward.

Deputy Speaker (Hon. Mwalimu): Hon. Prischilla the statement concerns blocked sewer in Wayani Airport Ward.

Hon. (Mrs.) Mumba: Yes that's why they did not bring the sewage blockage; they just brought the Catholic road so I would still go to the ministry and ask for the Wayani one.

Deputy Speaker (Hon. Mwalimu): Even though I will let your Committee to sit with Water and Sewerage Committee to deliberate on this issue because sewer belongs to Water and Sanitation Committee so sit with that Committee then you will respond on it.

Hon. (Mrs.) Mumba: Okay.

Deputy Speaker (Hon. Mwalimu): Yes Clerk.

Speaker there is an emergency and there is an issue which needs your indulgence; I think it is obvious it is on the public domain what is happening in my Ward, there is a demolition that is about to happen and it is falls under Kenya Urban Roads Authority.

Hon. Speaker I need really your indulgence about this issue because anytime from now through the department of Transport and Infrastructure I really require them to follow up this matter because it is of great public concern. Thank you.

Deputy Speaker (Hon. Mwalimu): It is demolition of the Highway, Mombasa Nairobi Highway or...

Hon. Shebe Athman: No, on the interior Jomvu Madafuni – Jitoni Rabai, that road falls under Kenya Urban Roads Authority Mr. Speaker.

Deputy Speaker (Hon. Mwalimu): Thank you Chairperson Transport, Infrastructure and Public works are you aware of the expansion of the road in Jomvu Kuu Ward?
