Hon. Oindo: Mr. Speaker Sir, like I said before that I seek leave of this Hon. House to allow me give a statement, Motion regarding the People's Assembly.

(Interruption)

Deputy Speaker (Hon. Fadhili Mwalimu): It is a statement Hon. Aran, not a Motion.

Hon. Oindo: It is a statement. Mr. Speaker Sir, the People's Assembly is the only sure pack to our freedom and sovereignty as people and our people will have the opportunity to discuss the highest sense of marginalization the Coast region has had since independence. The People's Assembly is coming at a time when the Government of the day is working day and night to transfer Port of Mombasa to Naivasha as a way of making the Coastal people more vulnerable, miserable and marginalized; that is if do not rise up today men, women, children, youth, people with disability and everyone from the Coast we risk losing the little thing we have today. They want us to cripple and we, as the people of Mombasa should embrace a People's Assembly. The People's Assembly is an empowerment; it is an opportunity to our people to design their own designity to *a walk to freedom*. Thank you, Mr. Speaker.

Deputy Speaker (Hon. Fadhili Mwalimu): Thank you Hon. Aran, the issue will be taken to the relevant Committee, the House Business Committee to discuss when they are going to allot the time for the Assembly to discuss your statement and am sure it will be back in a Motion form, so the next House Business Committee will allot day and time when the House will discuss this issue. Yes, Clerk?
